PRELIMINARY—SUBJECT TO COMPLETION, DATED OCTOBER 15, 2020

MERGER PROPOSED—YOUR VOTE IS VERY IMPORTANT

Dear Stockholders of Liberty Broadband Corporation and GCI Liberty, Inc.:

On August 6, 2020, Liberty Broadband Corporation ("**Liberty Broadband**"), GCI Liberty, Inc. ("**GCI Liberty**"), Grizzly Merger Sub 1, LLC, a wholly owned subsidiary of Liberty Broadband, and Grizzly Merger Sub 2, Inc., a wholly owned subsidiary of Grizzly Merger Sub 1, LLC, entered into an Agreement and Plan of Merger (as may be amended from time to time, the "**merger agreement**"), that provides for the acquisition of GCI Liberty by Liberty Broadband. Subject to approval of the stockholders of Liberty Broadband and GCI Liberty as described later in this joint proxy statement/prospectus and the satisfaction or (to the extent permitted) waiver of certain other closing conditions, Liberty Broadband will acquire GCI Liberty through the merger of Grizzly Merger Sub 2, Inc. with and into GCI Liberty, with GCI Liberty surviving this merger and becoming an indirect wholly owned subsidiary of Liberty Broadband. Immediately following the merger of GCI Liberty and Grizzly Merger Sub 2, Inc., GCI Liberty, as the surviving corporation of that merger, will merge with and into Grizzly Merger Sub 1, LLC (together with the prior merger of GCI Liberty and Grizzly Merger Sub 2, Inc., the "**combination**"), with Grizzly Merger Sub 1, LLC surviving this subsequent merger as a wholly owned subsidiary of Liberty Broadband.

At the effective time of the first merger (the "**effective time**"):

- each share of GCI Liberty Series A common stock, par value \$0.01 per share ("**GCI Liberty Series A common stock**"), issued and outstanding immediately prior to the effective time (other than excluded treasury shares (as defined below)) will be converted into the right to receive 0.580 of a share of non-voting Liberty Broadband Series C common stock, par value \$0.01 per share ("**Liberty Broadband Series C common stock**");
- each share of GCI Liberty Series B common stock, par value \$0.01 per share ("**GCI Liberty Series B common stock**"), issued and outstanding immediately prior to the effective time (other than excluded shares (as defined below)) will be converted into the right to receive 0.580 of a share of Liberty Broadband Series B common stock, par value \$0.01 per share ("**Liberty Broadband Series B common stock**"); and
- each share of GCI Liberty Series A Cumulative Redeemable Preferred Stock, par value \$0.01 per share ("**GCI Liberty Preferred Stock**," and together with the GCI Liberty Series A common stock and GCI Liberty Series B common stock, the "**GCI Liberty capital stock**"), issued and outstanding immediately prior to the effective time (other than excluded treasury shares) will be converted into the right to receive one share of newly issued Liberty Broadband Series A Cumulative Redeemable Preferred Stock, par value \$0.01 per share ("**Liberty Broadband Preferred Stock**").

Such consideration is collectively referred to as the "**merger consideration**." No fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock will be issued in the combination. In lieu of issuing fractional shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock that would otherwise be issued as part of the merger consideration, cash will instead be paid as described later in this joint proxy statement/prospectus. The merger consideration will not be deliverable with respect to (x) shares of GCI Liberty capital stock held by GCI Liberty as treasury stock or by any of GCI Liberty's wholly owned subsidiaries or owned by Liberty Broadband or its wholly owned subsidiaries (the "**excluded treasury shares**") or (y) shares of GCI Liberty Series B common stock held by any stockholders who have perfected and have not waived,

effectively withdrawn or lost their appraisal rights pursuant to Section 262 of the General Corporation Law of the State of Delaware (collectively with the excluded treasury shares, the “**excluded shares**”). The 0.580 of a share of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock that is a component of the calculation of the merger consideration is referred to as the “**exchange ratio**.” For more details on the merger consideration, see “Special Factors—The Merger Agreement—Merger Consideration.” U.S. holders (as defined under “Material U.S. Federal Income Tax Consequences of the Combination”) of GCI Liberty capital stock are not expected to recognize gain or loss for U.S. federal income tax purposes as a result of the exchange of GCI Liberty capital stock for the merger consideration, except with respect to any cash received in lieu of fractional shares. See “Material U.S. Federal Income Tax Consequences of the Combination” for a more complete discussion of the U.S. federal income tax consequences of the combination.

Although the number of shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock that holders of GCI Liberty Series A common stock and GCI Liberty Series B common stock, respectively, will receive is fixed, the market value of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock will fluctuate and will not be known at the time Liberty Broadband stockholders or GCI Liberty stockholders vote to approve the Liberty Broadband stockholder proposals or GCI Liberty stockholder proposals, respectively, that are discussed further below. Based on the closing price of Liberty Broadband Series C common stock on the Nasdaq Global Select Market and the last sale price of Liberty Broadband Series B common stock on the OTC Markets, in each case, on June 29, 2020, the last trading day before the public announcement of the merger consideration, the exchange ratio represented approximately \$72.49 in value for each share of GCI Liberty Series A common stock and \$71.92 in value for each share of GCI Liberty Series B common stock. Based on the closing price of Liberty Broadband Series C common stock on October 12, 2020 and the last sale price of Liberty Broadband Series B common stock on October 5, 2020, which in each case was the last practicable trading day before the date of this joint proxy statement/prospectus, the exchange ratio represented approximately \$87.28 in value for each share of GCI Liberty Series A common stock and \$84.37 in value for each share of GCI Liberty Series B common stock. We urge you to obtain current market quotations for shares of GCI Liberty capital stock, Liberty Broadband Series C common stock and Liberty Broadband Series B common stock. GCI Liberty Series A common stock and GCI Liberty Preferred Stock are each listed on the Nasdaq Global Select Market under the symbols “GLIBA” and “GLIBP,” respectively, and GCI Liberty Series B common stock is quoted on the OTC Markets under the symbol “GLIBB,” but it is not actively traded. Liberty Broadband Series C common stock is listed on the Nasdaq Global Select Market under the symbol “LBRDK,” and Liberty Broadband Series B common stock is quoted on the OTC Markets under the symbol “LBRDB.” The Liberty Broadband Preferred Stock to be issued in connection with the combination will have been authorized for listing on Nasdaq under the symbol “LBRDP,” subject to official notice of issuance, on or before the closing of the combination.

In addition, Liberty Broadband entered into an exchange agreement (the “**exchange agreement**”) with John C. Malone, the Chairman of the Board of Directors of Liberty Broadband and GCI Liberty, and a revocable trust of which Mr. Malone is the sole trustee and beneficiary (the “**JCM Trust**”) pursuant to which the JCM Trust waived the right to receive shares of Liberty Broadband Series B common stock in the combination with respect to certain shares of GCI Liberty Series B common stock owned by it and will instead receive an equal number of shares of Liberty Broadband Series C common stock so that Mr. Malone’s aggregate voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements described below) remains at approximately, but would not exceed, 49% immediately following the effective time, which is approximately equal to Mr. Malone’s current voting power in Liberty Broadband. Following the effective time, Mr. Malone and the JCM Trust may exchange a number of shares of Liberty Broadband Series C common stock on a one-for-one basis for the waived shares of Liberty Broadband Series B common stock in order to preserve the target voting power of approximately 49% (subject to reduction in the event of certain transfers by Mr. Malone and the JCM Trust (“**target voting power**”)) following the occurrence of certain voting dilution events which would result in Mr. Malone’s voting power falling below the target

[Table of Contents](#)

voting power less 0.5% and upon any combination, merger, spin-off, dividend or certain other fundamental events resulting in holders of Liberty Broadband Series B common stock receiving securities of Liberty Broadband, securities of another person, property or cash or a combination thereof. Conversely, following any repurchase, redemption or certain other events that would result in Mr. Malone's voting power exceeding the target voting power plus 0.5%, Mr. Malone and the JCM Trust will be required to transfer shares of Liberty Broadband Series B common stock owned by them to Liberty Broadband in exchange for an equal number of shares of Liberty Broadband Series C common stock, but only as necessary in order to preserve the target voting power. See “Special Factors—Other Agreements Related to the Combination—Exchange Agreement.”

Liberty Broadband and GCI Liberty will each hold special meetings of their respective stockholders in connection with the proposed combination (respectively, the “**Liberty Broadband special meeting**” and the “**GCI Liberty special meeting**”).

In connection with the transactions contemplated by the merger agreement, Mr. Malone and certain members of the Malone Group (as defined below) entered into a voting agreement with Liberty Broadband and GCI Liberty (the “**Liberty Broadband voting agreement**”) pursuant to which Mr. Malone and those certain members of the Malone Group agreed to vote, at the Liberty Broadband special meeting, shares owned by them, representing approximately 48.3% of the aggregate voting power of Liberty Broadband as of September 30, 2020, (i) in favor of the share issuance proposal (as defined below), (ii) in favor of any properly raised adjournment proposal, (iii) against any alternative parent transaction (as defined below) or (iv) against any proposals to amend Liberty Broadband's restated certificate of incorporation or its amended and restated bylaws that would reasonably be expected to result in certain breaches of the merger agreement or the Liberty Broadband voting agreement or otherwise prevent, impede, interfere with, delay, postpone, or adversely affect the consummation of the combination. For more details on the Liberty Broadband voting agreement, see “Special Factors—Other Agreements Related to the Combination—Liberty Broadband Voting Agreement.”

In connection with the transactions contemplated by the merger agreement, Mr. Malone and certain members of the Malone Group entered into a voting agreement with GCI Liberty and Liberty Broadband (the “**GCI Liberty voting agreement**”) pursuant to which Mr. Malone and those certain members of the Malone Group agreed to vote, at the GCI Liberty special meeting, shares owned by them, representing approximately 27.0% of the aggregate voting power of GCI Liberty as of September 30, 2020, (i) in favor of the combination, (ii) in favor of any properly raised adjournment proposal, (iii) against any alternative company transaction (as defined below) or (iv) against any proposals to amend GCI Liberty's restated certificate of incorporation or its amended and restated bylaws that would reasonably be expected to result in certain breaches of the merger agreement or the GCI Liberty voting agreement or otherwise prevent, impede, interfere with, delay, postpone, or adversely affect the consummation of the combination. For more details on the GCI Liberty voting agreement, see “Special Factors—Other Agreements Related to the Combination—GCI Liberty Voting Agreement.”

At the Liberty Broadband special meeting, to be held at [· ·] [a].m., Mountain time, on [· ·], 202[· ·], holders of Liberty Broadband common stock will be asked to consider and vote on (i) a proposal to approve the adoption of the merger agreement (the “**Liberty Broadband merger proposal**”); (ii) a proposal to approve the issuance of shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock to GCI Liberty stockholders in connection with the combination contemplated by the merger agreement and shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock to John C. Malone or the JCM Trust pursuant to the exchange agreement (collectively, the “**share issuance**,” and such proposal, the “**share issuance proposal**”); and (iii) a proposal to approve the adjournment of the Liberty Broadband special meeting from time to time to solicit additional proxies in favor of the Liberty Broadband merger proposal or the share issuance proposal if there are insufficient votes at the time of such adjournment to approve the Liberty Broadband merger proposal or the share issuance proposal or if otherwise determined by the chairperson of the meeting to be necessary or

appropriate (the “**Liberty Broadband adjournment proposal**”). Approval of the Liberty Broadband merger proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock outstanding and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by GCI Liberty and its subsidiaries, Mr. Malone and certain affiliated persons of Mr. Malone (collectively, the “**Malone Group**”), Mr. Gregory B. Maffei, a director and the President and Chief Executive Officer of Liberty Broadband and GCI Liberty, and certain affiliated persons of Mr. Maffei (collectively, the “**Maffei Group**”) each of the Affiliates (as defined in the merger agreement) of the Malone Group and the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers (as defined in the merger agreement), the Company Section 16 Officers (as defined in the merger agreement) or immediate family members of any of the foregoing. Approval of each of the share issuance proposal and the Liberty Broadband adjournment proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock that are present in person via the Internet or represented by proxy at the Liberty Broadband special meeting and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class.

The Liberty Broadband board of directors, acting on the unanimous recommendation of a special committee thereof, consisting solely of independent and disinterested directors of Liberty Broadband, has unanimously determined that the merger agreement and the other transaction documents, and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, Liberty Broadband and its stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers) and unanimously recommends that Liberty Broadband stockholders vote “**FOR**” each of the Liberty Broadband merger proposal, the share issuance proposal and the Liberty Broadband adjournment proposal. **Completion of the combination is conditioned on Liberty Broadband stockholders approving the Liberty Broadband merger proposal and the share issuance proposal. Approval of the Liberty Broadband adjournment proposal is not a condition to the completion of the combination.**

At the GCI Liberty special meeting, to be held at [·] [a].m., Mountain time, on [·], 202[·], holders of GCI Liberty capital stock will be asked to consider and vote on (i) a proposal to approve the adoption of the merger agreement (the “**GCI Liberty merger proposal**”) and (ii) a proposal to approve the adjournment of the GCI Liberty special meeting from time to time to solicit additional proxies in favor of the GCI Liberty merger proposal if there are insufficient votes at the time of such adjournment to approve the GCI Liberty merger proposal or if otherwise determined by the chairperson of the meeting to be necessary or appropriate (the “**GCI Liberty adjournment proposal**”). Approval of the GCI Liberty merger proposal requires both (i) the affirmative vote of the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, voting together as a single class, and (ii) the affirmative vote of the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by Liberty Broadband and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing. Approval of the GCI Liberty adjournment proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock that are present in person via the Internet or represented by proxy at the GCI Liberty special meeting and entitled to vote on the proposal at the GCI Liberty special meeting, voting together as a single class.

The GCI Liberty board of directors, acting on the unanimous recommendation of a special committee thereof, consisting solely of independent and disinterested directors of GCI Liberty, has

unanimously determined that the merger agreement and the other transaction documents, and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) and unanimously recommends that GCI Liberty stockholders vote “FOR” each of the GCI Liberty merger proposal and the GCI Liberty adjournment proposal. **Completion of the combination is conditioned on GCI Liberty stockholders approving the GCI Liberty merger proposal. Approval of the GCI Liberty adjournment proposal is not a condition to the completion of the combination.**

The obligations of Liberty Broadband and GCI Liberty to complete the combination are subject to the satisfaction or (to the extent permitted) waiver of a number of conditions set forth in the merger agreement, a copy of which is included as Annex A to the accompanying joint proxy statement/prospectus. The accompanying joint proxy statement/prospectus describes the Liberty Broadband special meeting, the GCI Liberty special meeting, the proposals to be considered at each meeting, the combination and the documents and agreements related to the combination. It also contains or references information about Liberty Broadband and GCI Liberty and certain related agreements and matters. **Please carefully read this entire joint proxy statement/prospectus, including “Risk Factors,” beginning on page 165, for a discussion of the risks relating to the proposed combination and the other transactions contemplated by the merger agreement and the exchange agreement, including the share issuance.**

Your vote is very important regardless of the number of shares of Liberty Broadband common stock or GCI Liberty capital stock that you own. A failure to vote your shares of Liberty Broadband common stock or GCI Liberty capital stock, or to provide instructions to your broker, bank or nominee as to how to vote your shares, is the equivalent of a vote against the Liberty Broadband merger proposal or GCI Liberty merger proposal, respectively.

Whether or not you plan to attend the Liberty Broadband special meeting or GCI Liberty special meeting, please submit your proxy as soon as possible to make sure that your shares are represented at the meeting.

Thank you for your cooperation and we look forward to the successful completion of the combination.

Very truly yours,

1. a proposal to approve the adoption of the Agreement and Plan of Merger, dated August 6, 2020 (as may be amended from time to time, the "**merger agreement**"), by and among Liberty Broadband Corporation ("**Liberty Broadband**"), GCI Liberty, Grizzly Merger Sub 1, LLC, a wholly owned subsidiary of Liberty Broadband, and Grizzly Merger Sub 2, Inc., a wholly owned subsidiary of Grizzly Merger Sub 1, LLC, pursuant to which Grizzly Merger Sub 2, Inc. will merge with and into GCI Liberty, with GCI Liberty surviving this merger and becoming an indirect wholly owned subsidiary of Liberty Broadband. Immediately following the merger of GCI Liberty and Grizzly Merger Sub 2, Inc., GCI Liberty, as the surviving corporation of that prior merger, will merge with and into Grizzly Merger Sub 1, LLC (together with the prior merger of GCI Liberty and Grizzly Merger Sub 2, Inc., the "**combination**"), with Grizzly Merger Sub 1, LLC surviving this subsequent merger as a wholly owned subsidiary of Liberty Broadband (the "**GCI Liberty merger proposal**"); and
2. a proposal to approve the adjournment of the GCI Liberty special meeting from time to time to solicit additional proxies in favor of the GCI Liberty merger proposal if there are insufficient votes at the time of such adjournment to approve the GCI Liberty merger proposal or if otherwise determined by the chairperson of the meeting to be necessary or appropriate (the "**GCI Liberty adjournment proposal**").

QUESTIONS & ANSWERS

*The following are some questions that you may have regarding the combination, the issuance of shares of Liberty Broadband stock to GCI Liberty stockholders in connection with the combination, and other matters being considered at the Liberty Broadband special meeting of stockholders (the “**Liberty Broadband special meeting**”) and GCI Liberty special meeting of stockholders (the “**GCI Liberty special meeting**”) and the answers to those questions. Liberty Broadband and GCI Liberty urge you to carefully read the entirety of this joint proxy statement/prospectus, including the annexes hereto and the information incorporated herein, because the information in this section does not provide all the information that might be important to you with respect to the combination, the issuance of shares of Liberty Broadband stock in connection with the combination, and the other matters being considered at the Liberty Broadband special meeting and the GCI Liberty special meeting.*

Q: What is the combination?

A: Liberty Broadband Corporation (“**Liberty Broadband**”), GCI Liberty, Inc. (“**GCI Liberty**”), Grizzly Merger Sub 1, LLC, a wholly owned subsidiary of Liberty Broadband (“**Merger LLC**”), and Grizzly Merger Sub 2, Inc., a wholly owned subsidiary of Merger LLC (“**Merger Sub**”), have entered into an Agreement and Plan of Merger (as may be amended from time to time, the “**merger agreement**”) that provides for the acquisition of GCI Liberty by Liberty Broadband. Subject to approval of the stockholders of Liberty Broadband and GCI Liberty and the satisfaction or (to the extent permitted) waiver of certain other closing conditions, Liberty Broadband will acquire GCI Liberty through the merger of Merger Sub with and into GCI Liberty, with GCI Liberty surviving the first merger and becoming an indirect wholly owned subsidiary of Liberty Broadband (the “**first merger**”). Immediately following the first merger, GCI Liberty, as the surviving corporation of the first merger, will merge with and into Merger LLC, with Merger LLC surviving the upstream merger as a wholly owned subsidiary of Liberty Broadband (the “**upstream merger**,” and, together with the first merger, the “**combination**”). If the combination is completed, holders of GCI Liberty capital stock (as defined below) will receive the merger consideration, as described further below. The principal terms and conditions of the combination are contained in the merger agreement, which is attached as Annex A to this joint proxy statement/prospectus. We encourage you to read this agreement carefully and in its entirety, as it is the legal document that governs the combination.

In connection with the transactions contemplated by the merger agreement, John C. Malone, the Chairman of the Board of Liberty Broadband and GCI Liberty (“**Mr. Malone**”), and certain members of the Malone Group (as defined below) have committed to vote all of the shares owned by them, representing approximately 48.3% of the aggregate voting power of Liberty Broadband as of September 30, 2020 and approximately 27.0% of the aggregate voting power of GCI Liberty as of September 30, 2020, in favor of the combination. See “Special Factors—Other Agreements Related to the Combination—Liberty Broadband Voting Agreement” and “Special Factors—Other Agreements Related to the Combination—GCI Liberty Voting Agreement.”

In addition, Liberty Broadband entered into an exchange agreement (the “**exchange agreement**”) with Mr. Malone and a revocable trust of which Mr. Malone is the sole trustee and beneficiary (the “**JCM Trust**”), pursuant to which the JCM Trust waived the right to receive shares of Liberty Broadband Series B common stock, par value \$0.01 per share (“**Liberty Broadband Series B common stock**”), in the combination with respect to certain shares of GCI Liberty Series B common stock, par value \$0.01 per share (“**GCI Liberty Series B common stock**”), owned by it and will instead receive an equal number of shares of Liberty Broadband Series C common stock, par value \$0.01 per share (“**Liberty Broadband Series C common stock**”) so that Mr. Malone's aggregate voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements (as defined below)) remains at approximately, but would not exceed, 49%

immediately following the effective time (as defined below), which is approximately equal to Mr. Malone's current voting power in Liberty Broadband. Following the effective time, Mr. Malone and the JCM Trust may exchange a number of shares of Liberty Broadband Series C common stock on a one-for-one basis for the waived shares of Liberty Broadband Series B common stock in order to preserve Mr. Malone's target voting power of approximately 49% (subject to reduction in the event of certain transfers by Mr. Malone and the JCM Trust) ("**target voting power**") following the occurrence of certain voting dilution events which would result in Mr. Malone's voting power falling below the target voting power less 0.5% and upon any combination, merger, spin-off, dividend or certain other fundamental events resulting in holders of Liberty Broadband Series B common stock receiving securities of Liberty Broadband, securities of another person, property or cash or a combination thereof. Conversely, following any repurchase, redemption or certain other events that would result in Mr. Malone's voting power exceeding the target voting power plus 0.5%, Mr. Malone and the JCM Trust will be required to transfer shares of Liberty Broadband Series B common stock owned by them to Liberty Broadband in exchange for an equal number of shares of Liberty Broadband Series C common stock, but only as necessary in order to preserve the target voting power. See "Special Factors—Other Agreements Related to the Combination—Exchange Agreement."

Certain other agreements have been entered into in connection with the combination, including certain joinder agreements, which are described in more detail in "Special Factors—Other Agreements Related to the Combination—Additional Transaction Agreements."

Q: Why am I receiving this joint proxy statement/prospectus?

A: Liberty Broadband and GCI Liberty are sending these materials to their respective stockholders to help them decide how to vote their shares of Liberty Broadband common stock and GCI Liberty capital stock, respectively, with respect to the combination and other matters to be considered at the Liberty Broadband special meeting and the GCI Liberty special meeting.

The combination cannot be completed unless Liberty Broadband stockholders approve the share issuance. Additionally, pursuant to the merger agreement, it is a non-waivable condition that the merger agreement be approved by the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock outstanding and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by GCI Liberty and its subsidiaries, Mr. Malone and certain other parties, as described below. Liberty Broadband is holding a special meeting of its stockholders to vote on the proposals necessary to complete the combination. Information about the Liberty Broadband special meeting, the combination, the merger agreement and the other business to be considered by Liberty Broadband stockholders at the Liberty Broadband special meeting is contained in this joint proxy statement/prospectus.

The combination also cannot be completed unless GCI Liberty stockholders approve the adoption of the merger agreement. In addition, pursuant to the merger agreement, it is a non-waivable condition that the merger agreement be approved by the affirmative vote of the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by Liberty Broadband and its subsidiaries, Mr. Malone and certain other parties, as described below. GCI Liberty is holding a special meeting of its stockholders to vote on the proposals necessary to complete the combination. Information about the GCI Liberty special meeting, the combination, the merger agreement and the other business to be considered by GCI Liberty stockholders at the GCI Liberty special meeting is contained in this joint proxy statement/prospectus.

This joint proxy statement/prospectus constitutes both a proxy statement of Liberty Broadband and GCI Liberty and a prospectus of Liberty Broadband. It is a joint proxy statement because the Liberty Broadband board of directors (the “**Liberty Broadband Board**”) and the GCI Liberty board of directors (the “**GCI Liberty Board**”) are soliciting proxies from their respective stockholders. It is a prospectus because Liberty Broadband will issue shares of its capital stock upon the conversion of the outstanding shares of GCI Liberty capital stock in the combination. This joint proxy statement/prospectus includes important information about the combination, the merger agreement and the special meetings. Liberty Broadband stockholders and GCI Liberty stockholders should read this information carefully and in its entirety. The enclosed voting materials allow Liberty Broadband stockholders and GCI Liberty stockholders to vote their shares by proxy without attending the applicable special meeting in person via the Internet.

Q: When is the Liberty Broadband special meeting?

A: The Liberty Broadband special meeting will be held at [·] [a].m., Mountain time, on [·], 202[·].

Q: When is the GCI Liberty special meeting?

A: The GCI Liberty special meeting will be held at [·] [a].m., Mountain time, on [·], 202[·].

Q: Will the Liberty Broadband special meeting or GCI Liberty special meeting be held virtually due to concerns about the COVID-19 pandemic?

A: Yes. To enter the Liberty Broadband special meeting and the GCI Liberty special meeting, Liberty Broadband stockholders and GCI Liberty stockholders will need the 16-digit control number that is printed in the box marked by the arrow on their proxy cards. Each company recommends that its respective stockholders log in at least fifteen minutes before the applicable special meeting to ensure that they are logged in when the meeting starts. Online check-in will start shortly before the meeting on [·], 202[·].

Q: What will GCI Liberty stockholders receive for their shares of GCI Liberty capital stock?

A: At the effective time of the first merger (the “**effective time**”):

- each share of GCI Liberty Series A common stock, par value \$0.01 per share (“**GCI Liberty Series A common stock**”) issued and outstanding immediately prior to the effective time (other than excluded treasury shares (as defined below)) will be converted into the right to receive 0.580 of a share of non-voting Liberty Broadband Series C common stock (the “**Series A merger consideration**”);
- each share of GCI Liberty Series B common stock issued and outstanding immediately prior to the effective time (other than excluded shares (as defined below)) will be converted into the right to receive 0.580 of a share of Liberty Broadband Series B common stock (the “**Series B merger consideration**”); and
- each share of GCI Liberty Series A Cumulative Redeemable Preferred Stock, par value \$0.01 per share (“**GCI Liberty Preferred Stock**,” and together with the GCI Liberty Series A common stock and GCI Liberty Series B common stock, the “**GCI Liberty capital stock**”) issued and outstanding immediately prior to the effective time (other than excluded treasury shares) will be converted into the right to receive one share of Liberty Broadband Series A Cumulative Redeemable Preferred Stock, par value \$0.01 per share (“**Liberty Broadband Preferred Stock**” or the “**preferred merger consideration**”).

In lieu of issuing fractional shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock that otherwise would be issued as part of the merger consideration, cash will instead be paid as described later in this joint proxy statement/prospectus. The shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock issuable in exchange for shares of GCI Liberty capital stock and the cash payable in lieu of the fractional shares are referred to as the “**merger consideration**.” The merger consideration will not be deliverable with respect to (x) shares of GCI Liberty capital stock held by GCI Liberty as treasury stock or by any of GCI Liberty's wholly owned subsidiaries or owned by Liberty Broadband or its wholly owned subsidiaries (the “**excluded treasury shares**”) or (y) shares of GCI Liberty Series B common stock held by any stockholders who have perfected and have not waived, effectively withdrawn or lost their appraisal rights pursuant to Section 262 of the General Corporation Law of the State of Delaware (collectively with the excluded treasury shares, the “**excluded shares**”). The 0.580 of a share of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock that is a component of the calculation of the merger consideration is referred to as the “**exchange ratio**.” Holders of Liberty Broadband Series C common stock are not entitled to any voting powers, except as otherwise required by Delaware law. Holders of Liberty Broadband Series B common stock are entitled to ten votes per share, and holders of Liberty Broadband Preferred Stock will be entitled to one-third of a vote per share. The merger consideration is described in more detail in “Special Factors—The Merger Agreement—Merger Consideration.”

Q: Will the rights of GCI Liberty stockholders change as a result of the combination?

A: GCI Liberty stockholders will have different rights once they become stockholders of Liberty Broadband due to differences between the governing documents of Liberty Broadband and GCI Liberty. These differences are described in detail under “Comparison of Rights of Liberty Broadband Stockholders and GCI Liberty Stockholders.”

Q: Will Liberty Broadband issue fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock as part of the merger consideration?

A: Liberty Broadband will not issue fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock as part of the merger consideration. To the extent that the combination would result in a GCI Liberty stockholder of record being issued a fractional share, such GCI Liberty stockholder of record will instead receive a cash payment in an amount based on the aggregation and sale of all fractional shares by Liberty Broadband's exchange agent for the combination at prevailing market prices on behalf of such GCI Liberty stockholder. Amounts payable in lieu of such fractional shares will be payable from the proceeds of the aggregation and sale of the fractional shares as soon as practicable following the completion of the combination. No GCI Liberty stockholder will be entitled to dividends, voting rights or any other rights with respect to any fractional shares.

Q: What happens if the market price of the Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or GCI Liberty capital stock changes before the closing of the combination?

A: No change will be made to the merger consideration if the market price of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or GCI Liberty capital stock changes before the combination. David Wargo, who are members of the Liberty Broadband Board, and the Parent Section 16 Officers (as defined in the merger agreement) collectively have a greater than 10% interest in GCI Liberty, and the share issuance will result in an increase in outstanding common stock and voting power of 5% or more. Furthermore, Liberty Broadband is required by the terms of the merger agreement to submit the share issuance proposal to its stockholders at a special meeting.

3. **Liberty Broadband Adjournment Proposal:** A proposal to approve the adjournment of the Liberty Broadband special meeting from time to time to solicit additional proxies in favor of the Liberty Broadband merger proposal or the share issuance proposal if there are insufficient votes at the time of such adjournment to approve the Liberty Broadband merger proposal or the share issuance proposal or if otherwise determined by the chairperson of the meeting to be necessary or appropriate (the “**Liberty Broadband adjournment proposal**”).

Liberty Broadband. This may make it more difficult to establish a quorum at the Liberty Broadband special meeting and the GCI Liberty special meeting.

The combination is subject to the requirements of the Hart-Scott-Rodino Act (the “**HSR Act**”), which provides that certain transactions may not be completed until required information and materials are furnished to the Antitrust Division of the Department of Justice (the “**DOJ**”), and the Federal Trade Commission (the “**FTC**”), and until certain waiting period requirements have been satisfied. Each of Liberty Broadband and GCI Liberty submitted a Notification and Report Form under the HSR Act with the DOJ and the FTC in connection with the combination on September 9, 2020. The DOJ, the FTC, state attorneys general, and others may challenge the combination on antitrust grounds after the expiration or termination of the applicable waiting period. Accordingly, at any time before or after the completion of the combination, any of the DOJ, the FTC or others could take action under the antitrust laws, including without limitation seeking to enjoin the completion of the combination or permitting completion subject to regulatory concessions or conditions. Neither Liberty Broadband nor GCI Liberty believes that the combination violates U.S. antitrust laws, but there can be no assurance that a challenge to the combination on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

Q: Does my vote matter?

A: *Liberty Broadband Stockholders.* Yes. Completion of the combination is conditioned on Liberty Broadband stockholders approving the Liberty Broadband merger proposal and the share issuance proposal. An abstention with respect to either of these proposals will have the same effect as a vote “AGAINST” such proposal. If you fail to submit a proxy or to vote via the Internet during the Liberty Broadband special meeting or you do not provide your broker, bank or other nominee with

voting instructions, as applicable, this will have the effect of a vote “AGAINST” the Liberty Broadband merger proposal and it will have no effect on the outcome of the share issuance proposal (assuming a quorum is present). The Liberty Broadband Board unanimously recommends that Liberty Broadband stockholders vote “**FOR**” the Liberty Broadband merger proposal and “**FOR**” the share issuance proposal.

The completion of the combination is not conditioned on the approval of the Liberty Broadband adjournment proposal. An abstention will have the same effect as a vote “AGAINST” the Liberty Broadband adjournment proposal. If you fail to submit a proxy or to vote via the Internet during the Liberty Broadband special meeting or you do not provide your broker, bank or other nominee with voting instructions, as applicable, it will have no effect on the outcome of the Liberty Broadband adjournment proposal (assuming a quorum is present). The Liberty Broadband Board unanimously recommends that Liberty Broadband stockholders vote “**FOR**” the Liberty Broadband adjournment proposal.

GCI Liberty Stockholders. Yes. Completion of the combination is conditioned on GCI Liberty stockholders approving the GCI Liberty merger proposal. An abstention with respect to this proposal will have the same effect as a vote “AGAINST” such proposal. If you fail to submit a proxy or to vote via the Internet during the GCI Liberty special meeting or you do not provide your broker, bank or other nominee with voting instructions, as applicable, this will have the effect of a vote “AGAINST” the GCI Liberty merger proposal. The GCI Liberty Board unanimously recommends that GCI Liberty stockholders vote “**FOR**” the GCI Liberty merger proposal.

The completion of the combination is not conditioned on the approval of the GCI Liberty adjournment proposal. An abstention will have the same effect as a vote “AGAINST” the GCI Liberty adjournment proposal. If you fail to submit a proxy or to vote via the Internet during the GCI Liberty special meeting or you do not provide your broker, bank or other nominee with voting instructions, as applicable, it will have no effect on the outcome of the GCI Liberty adjournment proposal (assuming a quorum is present). The GCI Liberty Board unanimously recommends that GCI Liberty stockholders vote “**FOR**” the GCI Liberty adjournment proposal.

Q: How do I vote?

A: If you are a stockholder of record of Liberty Broadband and/or GCI Liberty on the record date, you are entitled to receive notice of, and vote at, the Liberty Broadband special meeting and/or GCI Liberty special meeting, as applicable. You may submit your proxy before the special meeting in one of the following ways:

- Via the Internet—visit the website shown on your proxy card to vote via the Internet;
- Telephone voting—use the toll-free number shown on your proxy card; or
- Mail—complete, sign, date and return the enclosed proxy card in the enclosed postage-paid envelope.

If you send the proxy by mail, there may be unexpected delays in mail processing times as a result of the COVID-19 pandemic. You should allow a sufficient number of days to ensure delivery.

If you are a stockholder of record, you may also vote via the Internet during the applicable special meeting. Liberty Broadband stockholders of record may vote their shares via the Internet during the Liberty Broadband special meeting by visiting www.virtualshareholdermeeting.com/[]. GCI Liberty stockholders of record may vote their shares via the Internet during the GCI Liberty special meeting by visiting www.virtualshareholdermeeting.com/[]. To enter the Liberty Broadband special meeting and the GCI Liberty special meeting, Liberty Broadband stockholders and GCI Liberty stockholders, respectively, will need the 16-digit control number that is printed in

the box marked by the arrow on their proxy cards. Each company recommends that its respective stockholders log in at least fifteen minutes before the applicable special meeting to ensure that they are logged in when the meeting starts. Online check-in will start shortly before the meeting on [· ·], 202[· ·].

If your shares are held in “street name,” through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. “Street name” stockholders who wish to vote at the meeting will need to obtain a “legal proxy” form from their broker, bank or other nominee.

Q: What is the difference between holding shares as a stockholder of record and holding shares in “street name” as a beneficial owner?

A: You are a “stockholder of record” if your shares are registered directly in your name with Broadridge Corporate Issuer Solutions, Inc., the transfer agent for Liberty Broadband and GCI Liberty. As the stockholder of record, you have the right to vote via the Internet during the applicable special meeting. You may also vote by Internet, telephone or mail, as described in the notice and above under the heading “How do I vote?” You are deemed to beneficially own shares in “street name” if your shares are held by a broker, bank or other nominee or other similar organization. Your broker, bank or other nominee will send you, as the beneficial owner, a package describing the procedure for voting your shares. You should follow the instructions provided by them to vote your shares. If you beneficially own your shares, you are invited to attend the special meeting; however, you may not vote your shares in person via the Internet at the special meeting unless you obtain a “legal proxy” from your broker, bank or other nominee that holds your shares, giving you the right to vote the shares at the special meeting.

Q: If I am a record holder, what will happen if I return my signed proxy without indicating how to vote?

A: If you are a record holder and sign and return your proxy without indicating how to vote on any particular proposal, stock represented by your proxy will be voted as recommended by the Liberty Broadband Board or GCI Liberty Board, as applicable.

Q: May I change or revoke my vote after I have delivered my proxy or voting instruction form?

A: Yes. Any stockholder giving a proxy has the power to revoke it at any time before the proxy is voted at the applicable special meeting. If you are a stockholder of record, you may revoke your proxy in any of the following ways:

- by logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case, if you are eligible to do so;
- by sending a notice of revocation or a completed proxy card bearing a later date than your original proxy card to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717; or
- by attending and voting at the applicable special meeting.

Any signed proxy revocation or new signed proxy must be received before the beginning of the applicable special meeting. In addition, you may change your vote through the Internet or by telephone (if you originally voted by the corresponding method) not later than [11:59 p.m., New York City time], on [· ·], 202[· ·].

If your shares are held by a broker, bank or other nominee, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so.

Q: If my shares are held in “street name” by a broker, bank or other nominee, will my broker, bank or other nominee vote my shares for me?

A: If your shares are held in “street name” in a stock brokerage account or by a broker, bank or other nominee, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or other nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to Liberty Broadband or GCI Liberty, as applicable, or by voting in person via the Internet at the applicable special meeting unless you provide a “legal proxy,” which you must obtain from your broker, bank or other nominee. Your broker, bank or other nominee is obligated to provide you with a voting instruction form for you to use.

Brokers who hold shares in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from beneficial owners. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters determined to be “non-routine” without specific instructions from the beneficial owner. It is expected that all of the proposals to be voted on at each of the special meetings are “non-routine” matters.

If you are a beneficial owner of shares and you do not instruct your broker, bank or other nominee on how to vote your shares:

- your shares will not be counted as present and entitled to vote for purposes of determining a quorum;
- *Liberty Broadband stockholders*—your broker, bank or other nominee may not vote your shares, which will have the effect of a vote “AGAINST” the Liberty Broadband merger proposal and will have no effect on the outcome of the share issuance proposal (assuming a quorum is present) and the Liberty Broadband adjournment proposal (assuming a quorum is present).
- *GCI Liberty stockholders*—your broker, bank or other nominee may not vote your shares, which will have the effect of a vote “AGAINST” the GCI Liberty merger proposal and will have no effect on the outcome of the GCI Liberty adjournment proposal (assuming a quorum is present).

Q: Do GCI Liberty stockholders need to do anything with their stock certificates now?

A: **No. You should not submit your GCI Liberty stock certificates at this time.** Promptly after the effective time, if you held certificates representing GCI Liberty capital stock immediately prior to the effective time, Broadridge Corporate Issuer Solutions, Inc., the exchange agent for Liberty Broadband, will send you a letter of transmittal and instructions for exchanging your shares of GCI Liberty capital stock for the merger consideration. Upon surrender of the certificates for cancellation along with the executed letter of transmittal and other required documents described in the instructions, a holder of shares of GCI Liberty capital stock will receive the merger consideration.

Holders of shares of GCI Liberty capital stock in book-entry form immediately prior to the effective time will not need to take any action to receive the merger consideration.

Q: What are the U.S. federal income tax consequences of the combination?

A: GCI Liberty and Liberty Broadband intend that the combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”). It is a condition to each of GCI Liberty’s and Liberty Broadband’s obligation to complete the combination that it receive a written opinion from Skadden, Arps, Slate, Meagher & Flom, LLP (“Skadden”), which is GCI Liberty’s special tax counsel, and Debevoise & Plimpton, LLP (“Debevoise”), which is counsel to the Liberty Broadband special committee, respectively, to the effect that the combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Code (each a “reorganization tax opinion”). Assuming the receipt and accuracy of the opinions described above, a U.S. holder (as defined under “Material U.S. Federal Income Tax Consequences of the Combination”) of GCI Liberty capital stock will not recognize gain or loss for U.S. federal income tax purposes as a result of the combination, except with respect to any cash received in lieu of fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock.

Please carefully review the information set forth in the section entitled “Material U.S. Federal Income Tax Consequences of the Combination” for a discussion of the U.S. federal income tax consequences of the combination. *Please consult your own tax advisors as to the specific tax consequences to you of the combination.*

Q: What if during the check-in time or during either of the special meetings I have technical difficulties or trouble accessing the applicable virtual meeting website?

A: If Liberty Broadband or GCI Liberty experience technical difficulties during its respective virtual special meeting (e.g., a temporary or prolonged power outage), such company will determine whether its respective virtual special meeting can be promptly reconvened (if the technical difficulty is temporary) or whether the virtual special meeting will need to be reconvened on a later day (if the technical difficulty is more prolonged). In any such situation, Liberty Broadband will promptly notify stockholders of the decision via www.virtualshareholdermeeting.com/ [· ·] and GCI Liberty will promptly notify stockholders of the decision via www.virtualshareholdermeeting.com/ [· ·].

Q: Where can I find the voting results of the special meetings?

A: The preliminary voting results will be announced at the special meetings. In addition, within four business days of the special meetings, each of Liberty Broadband and GCI Liberty intend to file the final voting results with the SEC on a Current Report on Form 8-K.

Q: Are Liberty Broadband stockholders or GCI Liberty stockholders entitled to appraisal rights in connection with the combination?

A: *Liberty Broadband stockholders*—Under Delaware law, Liberty Broadband stockholders are not entitled to dissenters' or appraisal rights in connection with the combination or issuance of the merger consideration as contemplated by the merger agreement. Liberty Broadband stockholders may vote against the Liberty Broadband merger proposal and the share issuance proposal if they do not favor such proposals.

GCI Liberty stockholders—Under Delaware law, holders of shares of GCI Liberty Series A common stock and GCI Liberty Preferred Stock are not entitled to dissenters' or appraisal rights in connection with the combination as contemplated by the merger agreement. Holders of shares of GCI Liberty Series A common stock and GCI Liberty Preferred Stock may vote against the GCI Liberty merger proposal if they do not favor such proposal.

Holders of shares of GCI Liberty Series B common stock are entitled to seek appraisal of their shares of GCI Liberty Series B common stock under the General Corporation Law of the State of Delaware (“**DGCL**”) in connection with the combination if any such holder (i) does not vote in favor of the GCI Liberty merger proposal and (ii) otherwise complies with the other conditions established by Section 262 of the DGCL. Failure to follow precisely any of the statutory requirements could result in the loss of appraisal rights. A detailed description of the appraisal rights and procedures available is included in “Special Factors—Appraisal Rights.” For the full text of Section 262 of the DGCL, please see Annex M hereto.

Q: What will happen to GCI Liberty's outstanding equity awards?

A: Immediately prior to the effective time:

- all outstanding stock options to purchase shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock will be converted into options, with the same terms and conditions (including, except in the case of any non-employee director of GCI Liberty, vesting terms) as applied to such GCI Liberty stock options immediately prior to the effective time, to purchase the number of shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock (rounded down to the nearest whole share), respectively, determined by multiplying the number of shares of GCI Liberty common stock subject to the GCI Liberty stock option by 0.580, at an exercise price determined by dividing the per-share exercise price of the GCI Liberty stock option by 0.580 and rounding the result up to the nearest whole cent;
- all outstanding stock options to purchase shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock held by any non-employee director of GCI Liberty will automatically accelerate and vest in full immediately prior to the effective time;

shares of Liberty Broadband Series C common stock determined by multiplying the number of shares of GCI Liberty Series A common stock subject to the GCI Liberty restricted stock unit or performance-based restricted stock unit, as applicable, by 0.580, rounded down to the nearest whole share;

- all outstanding restricted stock units held by non-employee directors of GCI Liberty will automatically accelerate and vest in full immediately prior to the effective time;
- all outstanding restricted shares of GCI Liberty Series A common stock will be converted into restricted shares of common stock, with the same terms and conditions (including any vesting requirements) as were applicable to each restricted share of GCI Liberty Series A common stock immediately prior to the effective time, relating to the number of shares of Liberty Broadband Series C common stock determined by multiplying the number of shares of GCI Liberty Series A common stock subject to the GCI Liberty restricted common stock award by 0.580; and

Q: Do any of the directors or executive officers of Liberty Broadband have interests in the combination that may be different from, or in addition to, the interests of Liberty Broadband stockholders?

A: When considering the recommendation of the Liberty Broadband Board with respect to the Liberty Broadband merger proposal and the share issuance proposal, Liberty Broadband stockholders should be aware that certain of Liberty Broadband's directors and executive officers may be deemed to have interests in the combination and the transactions contemplated thereby that are different from, or in addition to, those of Liberty Broadband stockholders. These interests may present such persons with actual or potential conflicts of interest. The Liberty Broadband Board and the Liberty Broadband special committee were aware of these interests during the deliberations of the merits of the combination, and the transactions contemplated thereby, and in deciding to recommend that you vote for each of the Liberty Broadband merger proposal, the share issuance proposal and the Liberty Broadband adjournment proposal.

All of the Liberty Broadband executive officers are also executive officers of GCI Liberty and will continue to provide services in such capacity following the combination. The Liberty Broadband executive officers hold GCI Liberty equity awards, which were granted in respect of their service as GCI Liberty executive officers. Those awards will remain outstanding, subject to the same terms, conditions and vesting requirements, and be converted into equity awards with respect to Liberty Broadband stock, as described in more detail above under "Questions & Answers—What will happen to GCI Liberty's outstanding equity awards?".

With respect to the Liberty Broadband directors and executive officers, areas where their interests may differ from those of Liberty Broadband stockholders in general relate to the indemnification and insurance protections for their service as directors and executive officers pursuant to the Liberty Broadband organizational documents.

With respect to the Liberty Broadband directors serving on the Liberty Broadband special committee, areas where their interests may differ from those of Liberty Broadband stockholders in general relate to cash compensation for services on the Liberty Broadband special committee.

With respect to Mr. Malone, his interests may differ from those of Liberty Broadband stockholders in part due to the transactions contemplated by the exchange agreement. Pursuant to the exchange agreement, the JCM Trust waived its right to receive certain shares of Liberty Broadband Series B

common stock in the combination (which number of such shares is subject to adjustment for subsequent exchanges between Mr. Malone and the JCM Trust on the one hand and Liberty Broadband on the other hand as further described below, the “**waived B shares**”) in respect of certain shares of GCI Liberty Series B common stock and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that Mr. Malone's voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements) immediately following the effective time remains at approximately, but would not exceed, 49%. Following the effective time, there may be additional exchanges of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock by Mr. Malone or the JCM Trust pursuant to the exchange agreement. For more information, please see “Special Factors—Other Agreements Related to the Combination—Exchange Agreement.”

Additionally, the Liberty Broadband Board and the GCI Liberty Board include three overlapping members: Mr. Malone, Mr. Maffei and Richard R. Green. Mr. Malone is a non-employee director and Chairman of the Board of Liberty Broadband, as well as Chairman of the Board of GCI Liberty. Mr. Maffei is President and Chief Executive Officer and a director of Liberty Broadband and GCI Liberty. Dr. Green is a non-employee director of Liberty Broadband and GCI Liberty.

Based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, the people who are expected to serve as the executive officers and directors of Liberty Broadband following the combination are expected to beneficially own shares of Liberty Broadband capital stock representing approximately 61.7% of the voting power upon the effective time and after giving effect to the exchange agreement. See “Security Ownership of Certain Beneficial Owners and Management of Liberty Broadband—Pro Forma Security Ownership of Liberty Broadband Management.”

For a detailed discussion of these and other interests, see “Special Factors—Interests of Liberty Broadband Directors and Executive Officers in the Combination.”

Q: Do any of the directors or executive officers of GCI Liberty have interests in the combination that may be different from, or in addition to, the interests of GCI Liberty stockholders?

A: When considering the recommendation of the GCI Liberty Board with respect to the GCI Liberty merger proposal, GCI Liberty stockholders should be aware that certain of GCI Liberty's directors and executive officers may be deemed to have interests in the combination and the transactions contemplated thereby that are different from, or in addition to, those of GCI Liberty stockholders. These interests may present such persons with actual or potential conflicts of interest. Excepting only the Liberty Broadband Board's intention to appoint Gregg L. Engles and Sue Ann Hamilton as board members following the completion of the combination (as discussed below), which was not discussed with Mr. Engles or Ms. Hamilton nor were Mr. Engles or Ms. Hamilton aware of such intention prior to the execution of the merger agreement, the GCI Liberty Board and the GCI Liberty special committee were aware of these interests during the deliberations of the merits of the combination, and the transactions contemplated thereby, and in deciding to recommend that you vote for each of the GCI Liberty merger proposal and the GCI Liberty adjournment proposal.

With respect to the GCI Liberty directors and executive officers, areas where their interests may differ from those of GCI Liberty stockholders in general relate the indemnification and insurance protections for their service as directors and executive officers pursuant to the GCI Liberty organizational documents, which protections will be preserved following the combination. Additionally, any unvested GCI Liberty equity awards held by the GCI Liberty non-employee directors will vest immediately prior to the effective time.

With respect to the GCI Liberty directors serving on the GCI Liberty special committee, areas where their interests may differ from those of GCI Liberty stockholders in general relate to cash compensation for services on the GCI Liberty special committee.

With respect to Mr. Malone, his interests may differ from those of GCI Liberty stockholders in part due to the transactions contemplated by the exchange agreement. Pursuant to the exchange agreement, the JCM Trust waived its right to receive the waived B shares and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that the aggregate voting power of all of Liberty Broadband's securities over which Mr. Malone has beneficial ownership (including shares held in certain trusts not party to the voting agreements) immediately following the effective time will be approximately (but not more than) 49%. Following the effective time, there may be additional exchanges of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock by Mr. Malone or the JCM Trust pursuant to the exchange agreement. For more information, please see "Special Factors—Other Agreements Related to the Combination—Exchange Agreement."

Additionally, the Liberty Broadband Board and the GCI Liberty Board include three overlapping members: Mr. Malone, Mr. Maffei and Richard R. Green. Mr. Malone is a non-employee director and Chairman of the Board of Liberty Broadband, as well as Chairman of the Board of GCI Liberty. Mr. Maffei is President and Chief Executive Officer and a director of Liberty Broadband and GCI Liberty. Dr. Green is a non-employee director of Liberty Broadband and GCI Liberty.

The Liberty Broadband Board has determined to, effective following the completion of the combination, increase its size from six directors to eight directors and appoint Gregg L. Engles and Sue Ann Hamilton, who are currently members of the GCI Liberty Board, to fill the vacancies created by such newly created directorships. Neither Mr. Engles nor Ms. Hamilton were aware of this intention, and no discussions occurred with Mr. Engles or Ms. Hamilton regarding their service on the Liberty Broadband Board following the completion of the combination prior to execution of the merger agreement.

Based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, the people who are expected to serve as the executive officers and directors of Liberty Broadband following the combination are expected to beneficially own shares of Liberty Broadband capital stock representing approximately 61.7% of the voting power upon the effective time and after giving effect to the exchange agreement. See "Security Ownership of Certain Beneficial Owners and Management of Liberty Broadband—Pro Forma Security Ownership of Liberty Broadband Management."

For a detailed discussion of these and other interests, see "Special Factors—Interests of GCI Liberty Directors and Executive Officers in the Combination."

Q: What happens if I sell my shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock or GCI Liberty capital stock after the record date but before the effective time?

A: The record date for the Liberty Broadband special meeting (5:00 p.m., New York City time, on [·], 2020) is earlier than the date of the Liberty Broadband special meeting and earlier than the date that the combination is expected to be completed. If you sell or otherwise transfer your shares of Liberty Broadband Series A common stock or Liberty Broadband Series B common stock after the record date but before the date of the special meeting, you will retain your right to vote at the Liberty Broadband special meeting, unless you have made arrangements to the contrary.

The record date for the GCI Liberty special meeting (5:00 p.m., New York City time, on [·], 2020) is earlier than the date of the GCI Liberty special meeting and earlier than the date that the combination is expected to be completed. If you sell or otherwise transfer your shares of GCI Liberty capital stock after the record date but before the date of the special meeting, you will retain your right to vote at the GCI Liberty special meeting, unless you have made arrangements to the contrary. However, you will not have the right to receive the merger consideration to be received by the GCI Liberty stockholders in the combination. In order to receive the merger consideration, you must hold your shares through the effective time. In addition, if you sell or otherwise transfer your shares of GCI Liberty Series B common stock prior to the effective time, you will lose any appraisal rights with respect to such shares.

Q: What is the expected timing of the combination?

A: Liberty Broadband and GCI Liberty are working to complete the combination in the first half of 2021. However, the combination is subject to various conditions, and it is possible that factors outside the control of Liberty Broadband and GCI Liberty could result in the combination being completed at a later time, or not at all. There may be a substantial amount of time between the respective Liberty Broadband special meeting and GCI Liberty special meeting and the completion of the combination. For more information, see “Risk Factors—Risks Related to the Combination.”

Q: Is the completion of the combination subject to any conditions?

A: As more fully described in “Special Factors—The Merger Agreement—Conditions to the Combination”, the completion of the first merger and the combination depends on a number of conditions being satisfied or (to the extent permitted) waived.

In addition to the approval of the GCI Liberty merger proposal, the Liberty Broadband merger proposal and the share issuance proposal, each of which cannot be waived, and any required approvals under the HSR Act, the obligations of GCI Liberty and Liberty Broadband to complete the first merger and the combination are subject to the satisfaction or waiver of certain other conditions, including:

- the FCC having approved the application(s) for transfer of control and/or assignment of certain FCC licenses, authorizations, approvals and registrations and such FCC approvals having become a final order;
- the RCA having issued a final order approving Liberty Broadband's application to acquire a controlling interest in certificates of public convenience and necessity held by certain subsidiaries of GCI Liberty;
- the absence of any order or law that has the effect of enjoining or otherwise prohibiting the consummation of the combination or the transactions contemplated by the transaction documents;
- the effectiveness of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part;
- the approval for listing on Nasdaq of the shares of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock to be issued in connection with the combination, subject to official notice of issuance;
- the delivery of an opinion by Skadden to GCI Liberty to the effect that the transactions contemplated by the merger agreement will not impact the U.S. federal income tax treatment of the GCI Liberty Split-off (as defined below).

The respective obligation of each party to close also is conditioned on the satisfaction or waiver of the following conditions (among other things): (1) the receipt of an opinion from Skadden, GCI Liberty's special tax counsel, and the receipt of an opinion from Debevoise, counsel to the Liberty Broadband special committee, that, in each case, based on certain representations and assumptions, and subject to certain limitations and qualifications, the combination will qualify as a "reorganization," as described in more detail in "Material U.S. Federal Income Tax Consequences of the Combination" (which conditions are not waivable after the effective date of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part) and (2) the other party's representations and warranties being true and correct as of the date of the merger agreement (subject to customary exceptions), and the other party having performed in all material respects its obligations under the merger agreement.

We cannot be certain when, or if, the conditions to the combination will be satisfied or waived, or that the combination will be completed.

Q: Is there any ongoing litigation relating to the combination?

A: On October 9, 2020, a putative class action complaint was filed by two purported GCI Liberty stockholders in the Court of Chancery of the State of Delaware under the caption *Hollywood Firefighters' Pension Fund, et al. v. GCI Liberty, Inc., et al.* On October 11, 2020, a new version of the complaint was filed, and the case has been assigned Case No. 2020-0880. The lawsuit names as defendants GCI Liberty, as well as the members of the GCI Liberty Board. The lawsuit alleges, among other things, that Messrs. Maffei and Malone in their purported capacities as controlling stockholders and directors of GCI Liberty, and the other directors of GCI Liberty, breached their fiduciary duties by approving the merger. The lawsuit further alleges that the combination violates Section 203 of the DGCL and that this joint proxy statement/prospectus misstates and omits material information. The lawsuit seeks certification of a class action, declarations that Messrs. Maffei and Malone and the other directors of GCI Liberty breached their fiduciary duties and that the combination violates Section 203 of the DGCL, an injunction barring the stockholder vote and the combination, and the recovery of damages and other relief.

GCI Liberty believes this action is without merit.

For more information, see "Special Factors—Litigation Relating to the Combination."

Q: Can the parties solicit alternative transactions or can the Liberty Broadband Board or GCI Liberty Board change its recommendation?

A: As more fully described in this joint proxy statement/prospectus and in the merger agreement, each of GCI Liberty and Liberty Broadband has agreed to non-solicitation obligations with respect to third-party acquisition proposals (including provisions restricting their ability to provide confidential information to third parties) and has agreed to certain restrictions on its and its representatives' ability to respond to any such proposals.

The GCI Liberty Board has agreed to recommend that GCI Liberty stockholders vote in favor of the adoption of the merger agreement, subject to its right to change its recommendation in response to a company superior proposal or company intervening event, each as described below in this joint proxy statement/prospectus, in each case if the GCI Liberty special committee or GCI Liberty Board (acting at the direction of the GCI Liberty special committee) determines in good faith after consultation with its outside counsel and financial advisor that failure to change its recommendation would be inconsistent with its fiduciary duties under applicable law. Notwithstanding any change in GCI Liberty's recommendation, the merger agreement is required to be submitted to the GCI Liberty stockholders at the GCI Liberty special meeting for the

purposes of adopting the merger agreement unless the merger agreement is terminated by Liberty Broadband prior to such time.

The Liberty Broadband Board has agreed to recommend that Liberty Broadband stockholders vote in favor of the approval of the share issuance proposal and the adoption of the merger agreement, subject to its right to change its recommendation in response to a parent superior proposal or parent intervening event, each as described below in this joint proxy statement/prospectus, in each case if the Liberty Broadband special committee or Liberty Broadband Board (acting at the direction of the Liberty Broadband special committee) determines in good faith after consultation with its outside counsel and financial advisor that failure to change its recommendation would be inconsistent with its fiduciary duties under applicable law. Notwithstanding any change in Liberty Broadband's recommendation, the merger agreement is required to be submitted to the Liberty Broadband stockholders at the Liberty Broadband special meeting for the purposes of approving the share issuance proposal and adopting the merger agreement unless the merger agreement is terminated by GCI Liberty prior to such time.

For a more complete description of the limitations on solicitation of acquisition proposals from third parties and the ability of any of the GCI Liberty special committee, GCI Liberty Board, Liberty Broadband special committee or Liberty Broadband Board to change its recommendation in favor of the GCI Liberty merger proposal or Liberty Broadband merger proposal, see "Special Factors—The Merger Agreement—Covenants and Agreements—GCI Liberty No Solicitation," "Special Factors—The Merger Agreement—Covenants and Agreements—Company Adverse Recommendation Change; Certain Prohibited Actions," "Special Factors—The Merger Agreement—Covenants and Agreements—Liberty Broadband No Solicitation," and "Special Factors—The Merger Agreement—Covenants and Agreements—Liberty Broadband Adverse Recommendation Change; Certain Prohibited Actions."

Q: Can the merger agreement be terminated by the parties?

A: GCI Liberty and Liberty Broadband can jointly agree to terminate the merger agreement at any time.

Either party can terminate the merger agreement if the combination is not completed by August 6, 2021 (as extended for any permitted exceptions, the "**drop dead date**"). Either party has the right to extend the drop dead date:

- by up to three months to obtain certain regulatory approvals, to satisfy the condition that there be no injunctions or restraints preventing the combination, to satisfy the condition that the S-4 registration statement of which this joint proxy statement/prospectus forms a part shall have become effective or to obtain listing approval on Nasdaq of the shares of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock to be issued in connection with the combination;
- by one calendar day for each day of any government shutdown if any government shutdowns affect the abilities of the parties to satisfy any of the closing conditions (but not beyond August 6, 2022);
- for up to 45 days to allow for the delivery of the reorganization tax opinions required to satisfy the conditions of the closing but only if all other conditions to closing either have been fulfilled or would have been fulfilled if the closing were to occur on such date; and
- for up to six months to permit GCI Liberty to consummate prior to the closing of the combination a pending acquisition, divestiture, strategic business transaction or similar transaction if reasonably required to satisfy the closing conditions.

Either party also can terminate the merger agreement if:

- a governmental authority has issued or granted an order permanently prohibiting the combination or the other transactions contemplated by the transaction documents and such order has become final and non-appealable;
- the approval of the GCI Liberty merger proposal is not obtained upon a vote taken at the GCI Liberty special meeting or at any adjournment or postponement thereof (this termination right is referred to as the “**GCI Liberty vote down termination right**”); or
- the approval of the share issuance proposal or the approval of the Liberty Broadband merger proposal is not obtained upon a vote taken at the Liberty Broadband special meeting or at any adjournment or postponement thereof (this termination right is referred to as the “**Liberty Broadband vote down termination right**”).

GCI Liberty may terminate the merger agreement if:

- prior to the date on which the vote is taken to approve the Liberty Broadband merger proposal and the share issuance proposal by the Liberty Broadband stockholders, Liberty Broadband makes an adverse recommendation change or materially breaches or fails to perform any of its obligations described in “Special Factors—The Merger Agreement—Covenants and Agreements—Liberty Broadband No Solicitation and “Special Factors—The Merger Agreement—Covenants and Agreements—Parent Adverse Recommendation Change; Certain Prohibited Actions,” (this termination right is referred to as the “**parent adverse recommendation change termination right**”); or
- Liberty Broadband, Merger Sub or Merger LLC breach or fail to perform any of their representations, warranties, covenants or other agreements, which breach or failure to perform would result in the failure of a closing condition regarding the accuracy of their representations and warranties or the performance or compliance by them in all material respects with their obligations under the merger agreement, and, in each case, such breach or failure to perform is incapable of being cured by the drop dead date, or is not cured prior to the earlier of the drop dead date and the date that is 45 days after Liberty Broadband's receipt of notice of such breach or failure to perform, except that GCI Liberty will not have the right to terminate the merger agreement for this reason if GCI Liberty is then in material breach of any of its obligations under the merger agreement (this termination right is referred to as the “**Liberty Broadband breach termination right**”).

Liberty Broadband may terminate the merger agreement if:

- GCI Liberty breaches or fails to perform any of its representations, warranties, covenants or other agreements set forth in the merger agreement, which breach or failure to perform would result in the failure of a closing condition regarding the accuracy of its representations and warranties or the performance or compliance by it in all material respects with its obligations under the merger agreement and, in each case, such breach or failure to perform is incapable of being cured by the drop dead date, or is not cured prior to the earlier of the drop dead date and the date that is 45 days after GCI Liberty's receipt of notice of such breach or failure to perform, except that Liberty Broadband will not have the right to terminate the merger

agreement for this reason if Liberty Broadband is then in material breach of any of its obligations under the merger agreement (this termination right is referred to as the “**GCI Liberty breach termination right**”).

Q: Are there any fees payable by the parties in connection with a termination of the merger agreement?

A: The merger agreement provides for the payment of a \$240 million termination fee by GCI Liberty to Liberty Broadband if:

- prior to the date on which the vote is taken to approve the GCI Liberty merger proposal by the GCI Liberty stockholders, Liberty Broadband terminates the merger agreement pursuant to the company adverse recommendation change termination right; or
- either party terminates the merger agreement pursuant to the GCI Liberty vote down termination right and each of (1) prior to the GCI Liberty special meeting, an alternative company transaction proposal is publicly announced or publicly known to the GCI Liberty stockholders, and not withdrawn and (2) within twelve months of such termination, GCI Liberty or any of its subsidiaries enters into a definitive agreement with respect to (or consummates) any alternative company transaction proposal.

The Exchange Agreement

On August 6, 2020, Liberty Broadband, Mr. Malone and the JCM Trust entered into the exchange agreement.

Pursuant to the exchange agreement, the JCM Trust waived its right to receive the waived B shares and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that, immediately following the effective time, Mr. Malone's voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements) will be approximately (but not more than) 49%.

Following the effective time, Mr. Malone and the JCM Trust may exchange a number of shares of Liberty Broadband Series C common stock on a one-for-one basis for the waived B shares in order to preserve Mr. Malone's target voting power following the occurrence of certain voting dilution events which would result in Mr. Malone's voting power falling below the target voting power less 0.5%. Any shares of Liberty Broadband Series B common stock so received will decrease the number of waived B shares for purposes of the exchange agreement. Conversely, following any repurchase, redemption or certain other events that would result in Mr. Malone's voting power exceeding the target voting power plus 0.5%, Mr. Malone and the JCM Trust will be required to transfer shares of Liberty Broadband Series B common stock owned by them to Liberty Broadband in exchange for an equal number of shares of Liberty Broadband Series C common stock, but only as necessary in order to preserve the target voting power. These transferred shares of Liberty Broadband Series B common stock would increase the number of waived B shares for purposes of the exchange agreement.

In addition, upon any combination, merger, spin-off, dividend or certain other fundamental events resulting in holders of Liberty Broadband Series B common stock receiving securities of Liberty Broadband, securities of another person, property or cash or a combination thereof, then either, at

Liberty Broadband's sole discretion (as approved by a majority of its independent directors), (x) Liberty Broadband will provide for Mr. Malone or the JCM Trust to receive the same per share amount and form of consideration to be received by holders of Liberty Broadband Series B common stock on such event for his or its shares of Liberty Broadband Series C common stock (up to the number of waived B shares) or (y) in connection with certain such events, Mr. Malone will receive all remaining waived B shares in exchange for an equal number of shares of Liberty Broadband Series C common stock.

For more information, please see "Special Factors—Other Agreements Related to the Combination—Exchange Agreement."

The Voting Agreements

In connection with the transactions contemplated by the merger agreement, Mr. Malone and certain members of the Malone Group entered into voting agreements with each of Liberty Broadband and GCI Liberty.

Liberty Broadband Voting Agreement. Pursuant to the Liberty Broadband voting agreement, so long as there has not been a parent adverse recommendation change (as defined in "Special Factors—The Merger Agreement—Parent Adverse Recommendation Change; Certain Prohibited Actions") by the Liberty Broadband special committee or the Liberty Broadband Board (acting at the recommendation of the Liberty Broadband special committee) that has not been rescinded or otherwise withdrawn, Mr. Malone and certain members of the Malone Group have committed to vote all of the shares of Liberty Broadband common stock owned by them and representing approximately 48.3% of the aggregate voting power of the issued and outstanding shares of Liberty Broadband common stock as of September 30, 2020 as follows:

- in favor of the share issuance proposal;
- in favor of the Liberty Broadband adjournment proposal;
- against any action or proposal in favor of an alternative parent transaction (as defined in "Special Factors—The Merger Agreement—Covenants and Agreements—Liberty Broadband No Solicitation"), without regard to the terms of such alternative parent transaction; and
- against any action, proposal, transaction, agreement or amendment of Liberty Broadband's restated certificate of incorporation (the "**Liberty Broadband charter**") or its amended and restated bylaws (the "**Liberty Broadband bylaws**"), in each case, that would reasonably be expected to (1) result in a breach of any covenant, representation or warranty or any other obligation or agreement of Liberty Broadband contained in the merger agreement, or of Mr. Malone and certain members of the Malone Group contained in the Liberty Broadband voting agreement for which Mr. Malone and those certain members of the Malone Group have received prior notice from GCI Liberty or Liberty Broadband that it reasonably expects that such action or proposal would result in such a breach, or (2) prevent, impede, interfere with, delay, postpone or adversely affect the consummation of the transactions contemplated by the merger agreement.

Subject to certain conditions, Mr. Malone and certain members of the Malone Group have granted the Chief Legal Officer of Liberty Broadband and GCI Liberty an irrevocable proxy to vote their respective shares of Liberty Broadband common stock in accordance with the Liberty Broadband voting agreement. Mr. Malone and those certain members of the Malone Group have also agreed not to convert their respective shares of Liberty Broadband Series B common stock to Liberty Broadband Series A common stock or transfer their respective shares of Liberty Broadband Series A common stock and Liberty Broadband Series B common stock prior to the effective time without the consent of Liberty Broadband and GCI Liberty, subject to certain exceptions.

Under the Liberty Broadband voting agreement, Liberty Broadband has agreed to indemnify Mr. Malone and those certain members of the Malone Group for certain losses in connection with or arising out of the Liberty Broadband voting agreement and the exchange agreement, including, subject to certain conditions, up to \$1 million of the reasonable fees and expenses of separate counsel of the indemnified parties incurred in the defense of any claim related to the Liberty Broadband voting agreement or the exchange agreement brought by a third party.

For more information, please see “Special Factors—Other Agreements Related to the Combination—Liberty Broadband Voting Agreement.”

GCI Liberty Voting Agreement. Pursuant to the GCI Liberty voting agreement, so long as there has not been a company adverse recommendation change (as defined in “Special Factors—The Merger Agreement—Company Adverse Recommendation Change; Certain Prohibited Actions”) by the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) that has not been rescinded or otherwise withdrawn, Mr. Malone and certain members of the Malone Group have committed to vote all of the shares of GCI Liberty capital stock owned by them and representing approximately 27.0% of the aggregate voting power of the issued and outstanding shares of GCI Liberty capital stock as of September 30, 2020 as follows:

- in favor of the GCI Liberty merger proposal;
- in favor of the GCI Liberty adjournment proposal;
- against any action or proposal in favor of an alternative company transaction (as defined in “Special Factors—The Merger Agreement—Covenants and Agreements—GCI Liberty No Solicitation”), without regard to the terms of such alternative company transaction; and
- against any action, proposal, transaction, agreement or amendment of GCI Liberty's restated certificate of incorporation (the “**GCI Liberty charter**”) or its amended and restated bylaws (the “**GCI Liberty bylaws**”), in each case, that would reasonably be expected to (1) result in a breach of any covenant, representation or warranty or any other obligation or agreement of GCI Liberty contained in the merger agreement, or of Mr. Malone and certain members of the Malone Group contained in the GCI Liberty voting agreement for which Mr. Malone and those certain members of the Malone Group have received prior notice from GCI Liberty or Liberty Broadband that it reasonably expects that such action or proposal would result in such a breach, or (2) prevent, impede, interfere with, delay, postpone or adversely affect the consummation of the transactions contemplated by the merger agreement.

Subject to certain conditions, Mr. Malone and certain members of the Malone Group have granted the Chief Legal Officer of Liberty Broadband and GCI Liberty an irrevocable proxy to vote their respective shares of GCI Liberty capital stock in accordance with the GCI Liberty voting agreement. Mr. Malone and those certain members of the Malone Group have also agreed not to convert their respective shares of GCI Liberty Series B common stock to GCI Liberty Series A common stock or transfer their respective shares of GCI Liberty capital stock prior to the effective time, subject to certain exceptions.

Under the GCI Liberty voting agreement, GCI Liberty has agreed to indemnify the Malone Group for certain losses in connection with or arising out of the GCI Liberty voting agreement and the exchange agreement, including, subject to certain conditions, up to \$1 million of the reasonable fees and expenses of separate counsel of certain members of the Malone Group incurred in the defense of any claim related to the GCI Liberty voting agreement or the exchange agreement brought by a third party.

For more information, please see “Special Factors—Other Agreements Related to the Combination—GCI Liberty Voting Agreement.”

The Joinder Agreements and Other Agreements

Simultaneously with the parties' entry into the merger agreement, certain additional agreements were entered into, including:

- an assumption and joinder agreement to tax sharing agreement by and among Liberty Broadband, GCI Liberty and Qurate Retail (the “**tax sharing agreement joinder agreement**”), pursuant to which Liberty Broadband agreed to, effective at the closing of the first merger, become jointly and severally responsible for GCI Liberty's obligations and liabilities, and become entitled to exercise and enforce GCI Liberty's rights, under the Tax Sharing Agreement, dated as of March 9, 2018, by and between Qurate Retail and GCI Liberty (the “**tax sharing agreement**”);
- an assumption agreement concerning reorganization agreement obligations by and among Liberty Broadband, GCI Liberty, Qurate Retail, Liberty Interactive LLC, and Merger LLC (the “**reorganization agreement assumption agreement**”) pursuant to which Merger LLC agreed to, effective at the completion of the combination, assume certain of GCI Liberty's obligations and liabilities, and become entitled to exercise and enforce certain of GCI Liberty's rights, under the Reorganization Agreement, dated as of April 4, 2017, as amended, by and among Qurate Retail, Liberty Interactive LLC and GCI Liberty (the “**reorganization agreement**”);
- a termination agreement by and among Liberty Broadband, GCI Liberty and LV Bridge, LLC (the “**termination agreement**”), pursuant to which the parties agreed to, effective upon the completion of the combination, the termination of the proxy agreement and the termination of the investment agreement as between Liberty Broadband and GCI Liberty (each as defined below);
- an assumption and joinder agreement to indemnification agreement by and among Liberty Broadband, GCI Liberty, Qurate Retail, Liberty Interactive LLC and LV Bridge, LLC (the “**indemnification agreement joinder agreement**”) pursuant to which Liberty Broadband agreed to, effective at the closing of the first merger, become jointly and severally responsible for GCI Liberty's obligations and liabilities, and become entitled to exercise and enforce GCI Liberty's rights, under the Indemnification Agreement, dated as of March 9, 2018, by and among Qurate Retail, GCI Liberty, Liberty Interactive LLC and LV Bridge, LLC (the “**indemnification agreement**”); and

- (1) As discussed in note 5 to Liberty Broadband's consolidated financial statements, on May 18, 2016 Time Warner Cable, Inc. (**Time Warner Cable**) merged with Charter, causing a significant increase in Share of earnings (losses) of affiliate and gain on dilution of investment in affiliate in 2016. As a result of the merger transaction, Time Warner Cable is no longer accounted for as an available for sale security as of December 31, 2016.
- (2) The increase in deferred tax liabilities is due to recognition of deferred tax liabilities at the closing of certain transactions described in note 1 to Liberty Broadband's consolidated financial statements, further increased in 2016, 2017, 2018 and 2019 by share of earnings in the equity investment in Charter.
- (3) As discussed in note 8 to the Liberty Broadband's consolidated financial statements, in connection with the Time Warner Cable Merger (as defined therein), in May 2016, Liberty Broadband funded its purchase of

Charter Class A common stock using proceeds of \$4.4 billion related to subscriptions for approximately 78.3 million newly issued shares of Liberty Broadband Series C common stock.

- (4) Share of earnings (losses) of affiliate increased in 2016 due primarily to Charter releasing approximately \$3.3 billion of its preexisting valuation allowance, which was recognized directly to income tax benefit for the year ended December 31, 2016. Additionally, Charter recognized \$9.1 billion of income tax benefit, as a result of the enactment of the Tax Cuts and Jobs Act in 2017.
- (5) During May 2014, the board of directors of Liberty Media and its subsidiaries authorized management to pursue a plan to spin-off to its stockholders common stock of a wholly-owned subsidiary, Liberty Broadband, and to distribute subscription rights to acquire shares of Liberty Broadband's common stock (the "**Broadband Spin-off**"). Liberty Broadband issued 85,761,332 shares of common stock, which is the aggregate number of shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Series C common stock outstanding upon the completion of the Broadband Spin-off on November 4, 2014. On December 10, 2014, Liberty Broadband distributed subscription rights, which were priced at a discount to the market value, to all holders of Liberty Broadband common stock as of the rights record date. Because of the discount, the rights offering is considered a stock dividend which requires retroactive treatment for prior periods for the weighted average shares outstanding based on a factor determined by the fair value per share immediately prior to the rights exercise and the theoretical fair value after the rights exercise. The number of shares issued upon completion of the Broadband Spin-off, adjusted for the rights factor, was used to determine both basic and diluted earnings (loss) per share ("**EPS**") for the period from January 1, 2014 through the date of the Broadband Spin-off, as no Liberty Broadband equity awards were outstanding prior to the Broadband Spin-off. Basic EPS subsequent to the Broadband Spin-off was computed using the weighted average number of shares outstanding ("**WASO**"), adjusted for the rights factor, from the date of the completion of the Broadband Spin-off through January 9, 2015, the date on which the rights offering was fully subscribed. Diluted EPS subsequent to the Broadband Spin-off was computed using the WASO from the date of the completion of the Broadband Spin-off through January 9, 2015, adjusted for the rights factor and potentially dilutive equity awards outstanding during the same period. Subsequent to January 9, 2015, basic EPS was computed using the WASO during the period, and diluted EPS was computed using the WASO adjusted for potentially dilutive equity awards outstanding during the period.

SPECIAL FACTORS

Background of the Combination

The following chronology summarizes the key meetings and other events between the representatives of GCI Liberty and Liberty Broadband that led to the signing of the merger agreement and the other transaction documents. This summary does not catalogue every conversation among the boards of directors, special committees or the representatives of each company and other parties. All meetings described herein were held electronically.

In the ordinary course of business, each of GCI Liberty's and Liberty Broadband's respective board of directors, senior management team and advisors regularly review near- and long-term strategy, performance, positioning and operating prospects with a view toward enhancing stockholder value. These reviews have included, from time to time, evaluations of potential alternatives for achieving long-term strategic goals. As part of these reviews, over the past few years, the GCI Liberty Board and GCI Liberty's senior management have engaged in discussions regarding the recent trends in the cable industry, including consolidation, and the effect of continuing consolidation on GCI Liberty's Alaska business.

In mid-March 2020, Liberty Broadband's senior management prepared its preliminary internal analysis of a potential combination with GCI Liberty as part of its ongoing evaluation of Liberty Broadband's long-term strategic plan, which they hoped would, among other things, be accretive to Liberty Broadband's net asset value per share, strengthen trading liquidity in Liberty Broadband Series C common stock, expand Liberty Broadband's portfolio and its cash flows and simplify Liberty Broadband's equity capital structure. On March 26, 2020, after discussions with Liberty Broadband's senior management, the Liberty Broadband Board determined that it would establish the Liberty Broadband special committee consisting solely of independent and disinterested members of the Liberty Broadband Board to (i) determine whether to pursue a potential combination with GCI Liberty or any alternative thereto, including, if appropriate, recommending in favor of or against any such combination or any alternative thereto, and (ii) consider, review, negotiate, and evaluate a potential combination with GCI Liberty or any alternative thereto. At its March 26, 2020 meeting, the Liberty Broadband Board established the Liberty Broadband special committee. Julie D. Frist and John E. Welsh III were appointed to serve as members of the Liberty Broadband special committee. The Liberty Broadband Board determined that no member of the Liberty Broadband special committee had any material conflicts or relationships that would prevent him or her from acting in a disinterested and independent manner and in the best interests of the stockholders of Liberty Broadband. The Liberty Broadband Board delegated to the Liberty Broadband special committee exclusive authority to, among other things, (i) determine whether to pursue a potential combination with GCI Liberty or any alternative thereto, (ii) consider, evaluate, review, communicate and negotiate the terms and conditions of a potential combination with GCI Liberty or any alternative thereto, and, ultimately, (iii) determine whether to recommend to the Liberty Broadband Board the consummation of any such transaction. In addition, the Liberty Broadband Board resolved not to approve a potential combination with GCI Liberty or any alternative thereto without a prior favorable recommendation of the Liberty Broadband special committee.

In early April 2020, after considering other potential advisors, the Liberty Broadband special committee engaged Perella Weinberg Partners as its financial advisor and Debevoise as its legal advisor due to their extensive industry experience and special committee experience. The Liberty Broadband special committee also reviewed the independence of these advisors, including their conflict of interest checks, and determined that both Perella Weinberg Partners and Debevoise were independent from Liberty Broadband, GCI Liberty and Mr. Malone for purposes of advising the Liberty Broadband special committee.

[Table of Contents](#)

On April 3, 2020, the Liberty Broadband special committee held a telephonic meeting with Debevoise to discuss preliminary considerations and appropriate transaction process in connection with evaluating a potential combination with GCI Liberty if the special committee determined to pursue such a combination.

On April 10, 2020, the Liberty Broadband special committee and Debevoise held a telephonic meeting during which they discussed the roles of the Liberty Broadband special committee, the Liberty Broadband Board and their respective advisors in connection with a potential combination with GCI Liberty. Debevoise presented to the Liberty Broadband special committee an overview of the fiduciary duties and additional considerations involved in interested party transactions that likely would apply in connection with the exploration of a potential combination with GCI Liberty. In addition, the Liberty Broadband special committee and Debevoise discussed certain key transaction considerations, including whether a potential combination ought to be (i) negotiated by, and subject to the approval of, special committees of independent and disinterested directors of each company and (ii) subject to a non-waivable condition that such potential combination is approved by the holders of a majority of the voting power of the outstanding shares of each company not held by Mr. Malone or any other interested parties (the conditions set forth in (i) and (ii), the “**procedural conditions**”). Following this discussion, the Liberty Broadband special committee determined that any potential transaction with GCI Liberty would need to be conditioned on the procedural conditions and that Debevoise should contact Mr. Malone's attorney to confirm Mr. Malone's agreement to those conditions.

On April 12, 2020, Debevoise spoke with Sherman & Howard, LLC (“**Sherman & Howard**”), legal advisors to Mr. Malone. Debevoise informed Sherman & Howard that Liberty Broadband was considering a potential combination with GCI Liberty. Although Liberty Broadband had not yet determined to move forward with a transaction and had not yet approached GCI Liberty, Debevoise communicated the Liberty Broadband special committee's position that if a potential combination were pursued by Liberty Broadband, it would need to be subject to the procedural conditions. Following this phone call, on April 14, 2020, Debevoise sent an email to Sherman & Howard memorializing the Liberty Broadband special committee's position with regard to the procedural conditions.

On April 15, 2020, Sherman & Howard, on behalf of Mr. Malone, confirmed Mr. Malone's agreement that, if any potential combination between GCI Liberty and Liberty Broadband were pursued, such potential combination would need to be subject to the procedural conditions.

On April 17, 2020, the Liberty Broadband special committee held a meeting at which Perella Weinberg Partners and Debevoise were present. At this meeting, the committee received a presentation by Perella Weinberg Partners of its preliminary financial analysis of GCI Liberty based on publicly available materials. The Liberty Broadband special committee, Debevoise and Perella Weinberg Partners then discussed next steps with respect to formulating a proposal for the potential combination with GCI Liberty. The Liberty Broadband special committee instructed Debevoise to draft a letter to the GCI Liberty Board informing it that the Liberty Broadband special committee has been formed to explore a potential combination with GCI Liberty and that any potential combination would need to be subject to the procedural conditions.

On April 20, 2020, Debevoise delivered on behalf of the Liberty Broadband special committee to the GCI Liberty Board a letter indicating that the Liberty Broadband special committee was evaluating a potential combination of the two companies. The letter stated that any such transaction must be subject to the procedural conditions and requested that the Liberty Broadband special committee and its advisors be granted access to confidential information of GCI Liberty pursuant to a customary non-disclosure agreement.

On April 22, 2020, the GCI Liberty Board held a meeting to review the letter received from the Liberty Broadband special committee, at which time the GCI Liberty Board established the GCI Liberty special committee and appointed Sue Ann Hamilton and Gregg Engles to serve as members.

[Table of Contents](#)

The GCI Liberty Board determined that neither member of the GCI Liberty special committee had any material conflicts or relationships that would prevent him or her from acting in a disinterested and independent manner and the best interests of the stockholders of GCI Liberty. The GCI Liberty special committee was established to evaluate and consider a potential combination with Liberty Broadband or any alternative thereto and, ultimately, to make a recommendation to the GCI Liberty Board regarding any such transaction. The GCI Liberty Board delegated to the GCI Liberty special committee the authority to, among other things, (i) determine whether to pursue a potential combination with Liberty Broadband or any alternative thereto, (ii) consider, evaluate, review, communicate and negotiate the terms and conditions of a potential combination with Liberty Broadband or any alternative thereto and, ultimately, (iii) determine whether to recommend to the GCI Liberty Board the consummation of any such transaction. In addition, the GCI Liberty Board resolved not to approve a potential combination with Liberty Broadband or any alternative thereto without a prior favorable recommendation of the GCI Liberty special committee.

On April 23, 2020, the Liberty Broadband special committee met with Perella Weinberg Partners and Debevoise. Perella Weinberg Partners presented to the Liberty Broadband special committee its preliminary analysis of a stock-for-stock merger structure and a potential exchange ratio for the merger consideration in a potential combination of Liberty Broadband and GCI Liberty.

After meeting other potential independent counsel, the GCI Liberty special committee selected Morris, Nichols, Arsh & Tunnell LLP (“**Morris Nichols**”) as independent Delaware counsel and Steptoe & Johnson LLP (“**Steptoe**”) as independent tax counsel to represent the GCI Liberty special committee in any transaction with Liberty Broadband. The GCI Liberty special committee’s selection of Morris Nichols and Steptoe was based on, among other things, the advisors’ relevant experience (including, in the case of Morris Nichols, its prior representation of a special committee of GCI Liberty’s predecessor). The GCI Liberty special committee also discussed the independence of these advisors, including their conflict of interest checks, and determined that each of Morris Nichols and Steptoe were independent from GCI Liberty, Liberty Broadband and Mr. Malone for purposes of advising the GCI Liberty special committee.

On May 1, 2020, the GCI Liberty special committee met with Morris Nichols. During this meeting, Morris Nichols reviewed with the GCI Liberty special committee its fiduciary duties under Delaware law in considering a potential business combination between GCI Liberty and Liberty Broadband and alternatives thereto, standards under Delaware law concerning independence of directors and their advisors, the scope of authority of the GCI Liberty special committee, and the terms of the April 20, 2020 letter from the Liberty Broadband special committee. At this meeting, the GCI Liberty special committee directed Morris Nichols to draft a letter to the Liberty Broadband special committee confirming, on behalf of GCI Liberty, that any combination with Liberty Broadband would be subject to the procedural conditions, and determined not to grant the Liberty Broadband special committee access to confidential information of GCI Liberty until the GCI Liberty special committee had engaged a financial advisor, obtained certain preliminary advice from such financial advisor and established parameters for management of GCI Liberty to follow in providing the requested confidential information. Also at this meeting, the GCI Liberty special committee, after having met another potential financial advisor, determined provisionally, and subject to receipt of additional information regarding its independence, to engage Evercore. The GCI Liberty special committee selected Evercore as its financial advisor based on, among other things, Evercore’s prior experience advising special committees.

Also on May 1, 2020, Morris Nichols, Steptoe, GCI Liberty’s internal counsel and GCI Liberty’s regular outside counsel, Baker Botts L.L.P. (“**Baker Botts**”), met to discuss the April 20, 2020 letter from the Liberty Broadband special committee and a potential transaction with Liberty Broadband.

[Table of Contents](#)

On May 4, 2020, Morris Nichols spoke with Sherman & Howard, who confirmed Mr. Malone's agreement that, if any potential combination between GCI Liberty and Liberty Broadband were pursued, such potential combination would be subject to the procedural conditions and confirmed the same in an email to Morris Nichols. Later that day, Morris Nichols delivered to Debevoise a letter from the GCI Liberty special committee stating that GCI Liberty had formed the GCI Liberty special committee to consider and evaluate any potential combination of GCI Liberty and Liberty Broadband, confirming that any such transaction would be subject to the procedural conditions, and informing the Liberty Broadband special committee that the GCI Liberty special committee would respond to the request for confidential due diligence information in due course.

The GCI Liberty special committee met with Morris Nichols twice later that month and the Liberty Broadband special committee met with Debevoise on June 2, 2020 and, at their respective meetings, both special committees considered the request of Baker Botts for certain waivers addressing its representation of GCI Liberty in connection with the potential combination of GCI Liberty and Liberty Broadband (other than matters relating to the GCI Liberty Split-off); its representation of Qurate Retail and Liberty Media in connection with matters related to the GCI Liberty Split-off that may arise in connection with the potential combination as well as other matters unrelated to the potential combination; and its representation of Liberty Broadband in matters unrelated to the potential combination or the GCI Liberty Split-off. After consideration with independent counsel, each of the GCI Liberty special committee and the Liberty Broadband special committee approved the requested waivers with each concluding that, among other things, Baker Botts had extensive knowledge of GCI Liberty's business, to replace that knowledge with another law firm would be an ineffective use of resources and each special committee had the benefit of independent counsel already engaged. Following such approvals, each of Liberty Broadband and GCI Liberty executed such waivers.

On May 6, 2020, Debevoise, Morris Nichols, Baker Botts and Steptoe participated in an introductory call to discuss preliminary considerations in connection with the potential combination and the due diligence process.

On May 8, 2020, the GCI Liberty special committee met with Morris Nichols and Steptoe. At this meeting, Morris Nichols reported to the GCI Liberty special committee the results of discussions between Morris Nichols and each individual member of the GCI Liberty special committee and a director questionnaire regarding each such member's independence, and each member of the GCI Liberty special committee determined that the other member of the GCI Liberty special committee did not have any material conflicts or relationships that would prevent him or her from acting in a disinterested and independent manner and in the best interests of the stockholders of GCI Liberty other than Mr. Malone and members of management of GCI Liberty and its subsidiaries. The GCI Liberty special committee considered Evercore's conflict of interest disclosure letter and determined that Evercore was independent from GCI Liberty, Liberty Broadband and Mr. Malone for purposes of advising the GCI Liberty special committee. Steptoe reviewed with the GCI Liberty special committee potential tax considerations relevant to a potential combination between GCI Liberty and Liberty Broadband. Also at this meeting, nondisclosure arrangements and the due diligence process were discussed, including a process that would take into account the overlap in the management teams of the corporations whereby (i) the sharing of confidential information regarding GCI Liberty or Liberty Broadband with the special committee of the other corporation must be effected under the direction of, and in coordination with, the special committee of the corporation whose confidential information is being disclosed and (ii) no information regarding the confidential deliberations of the special committee of either corporation may be shared with the other special committee without the prior consent of the relevant special committee.

On May 12, 2020, a meeting of the GCI Liberty special committee was held. Following a review by Morris Nichols of fiduciary duties under Delaware law in considering a potential business combination between GCI Liberty and Liberty Broadband and alternatives thereto and related matters, the GCI

[Table of Contents](#)

Liberty special committee and its advisors discussed the rationale for a combination with Liberty Broadband, including, among other things, that such a combination would result in a simplified corporate structure, less overhead expense for the resulting entity, the elimination of corporate-level tax on the increase in value of the shares of Liberty Broadband Series C common stock held by GCI Liberty and greater liquidity for GCI Liberty stockholders. Evercore also discussed with the GCI Liberty special committee its views as to certain potential alternative transactions that might be available to GCI Liberty, including a potential transaction with a strategic acquirer or other third party, and a potential sale of GCI Liberty's operating business in Alaska. Following discussion, including as to the likelihood of any other parties being interested in pursuing a transaction with GCI Liberty, the risks of reaching out to other parties before signing a definitive agreement with Liberty Broadband, and the ability of other parties to make a competing offer post-signing, the GCI Liberty special committee provisionally determined to pursue a combination solely with Liberty Broadband, directed Morris Nichols to negotiate a non-disclosure agreement with the Liberty Broadband special committee and directed its advisors to begin the due diligence process. Later that day, Morris Nichols delivered an initial draft of the mutual non-disclosure agreement to Debevoise.

During the next week, Debevoise, Morris Nichols and Baker Botts exchanged and had several calls to negotiate the non-disclosure agreement. On May 18, 2020, GCI Liberty and Liberty Broadband entered into a mutual non-disclosure agreement, which included provisions defining the process for sharing information that would take into account the overlap in the corporations' management teams. Management of GCI Liberty and Liberty Broadband were kept apprised as to the progress of negotiations, but, pursuant to this mutual non-disclosure agreement, were not permitted to share information regarding the confidential deliberations of either special committee with the other special committee or the other special committee's advisors.

On May 19, 2020, the Liberty Broadband special committee met with Perella Weinberg Partners and discussed Perella Weinberg Partners's initial contact with Evercore, which was focused on the due diligence process, and the transaction timeline, including timing for formulating an initial proposal for a potential combination.

Over the next few weeks, the parties exchanged due diligence request lists and conducted due diligence on each other. During this period, certain members of GCI Liberty and Liberty Broadband management and their special committees' advisors participated in conference calls relating to a potential combination and various aspects of their and their subsidiaries' businesses.

On May 22, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols and Steptoe. At this meeting, the GCI Liberty special committee continued its discussion of the potential combination and alternatives thereto and reconfirmed its decision to pursue, at that time, a potential combination solely with Liberty Broadband. The participants also discussed the status of due diligence, including the scope of information to be provided to and to be received from Liberty Broadband and certain tax considerations relevant to a transaction between GCI Liberty and Liberty Broadband.

On June 1, 2020, the Liberty Broadband special committee met with Perella Weinberg Partners and Debevoise. Perella Weinberg Partners provided a due diligence update, and Debevoise reviewed with the Liberty Broadband special committee key questions for an initial draft merger agreement.

On June 7, 2020, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners to discuss a potential initial proposal. Perella Weinberg Partners reviewed with the Liberty Broadband special committee strategic rationales for Liberty Broadband to enter into a potential transaction with GCI Liberty, including a simplified capital structure, higher trading liquidity with respect to the Liberty Broadband Series C common stock and potential accretion to Liberty Broadband's net asset value per share relative to the alternative of not doing a transaction. Perella Weinberg Partners then described to the Liberty Broadband special committee possible exchange ratios of GCI Liberty common stock for Liberty Broadband Series C common stock in connection with the

[Table of Contents](#)

proposed transaction and various factors to consider in making a proposal. Following this discussion, the Liberty Broadband special committee determined to reconvene with its advisors on June 9 to determine the exchange ratio for the initial proposal.

On June 8, 2020, the GCI Liberty special committee met with Morris Nichols, Steptoe and Evercore and discussed due diligence updates, including that the business and financial diligence was substantially complete and that legal diligence was ongoing. During this meeting, Evercore and Morris Nichols discussed with the GCI Liberty special committee potential methods for valuing the stock of Charter and LendingTree owned by GCI Liberty. Steptoe also discussed methods of addressing certain tax considerations relevant to the potential transaction.

On June 9, 2020, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners to determine an exchange ratio for the initial proposal. Perella Weinberg Partners updated the Liberty Broadband special committee on the latest valuations of GCI Liberty based on closing market prices that day and reviewed with the Liberty Broadband special committee Perella Weinberg Partners' analysis of the potential accretion of Liberty Broadband's net asset value per share and EBITDA per share at various exchange ratios. Following these discussions, the Liberty Broadband special committee determined to offer 0.557 shares of Liberty Broadband Series C common stock for each share of GCI Liberty Series A and Series B common stock and instructed Perella Weinberg Partners to communicate that offer to Evercore the following day.

On the morning of June 10, 2020, Perella Weinberg Partners communicated to Evercore the Liberty Broadband special committee's proposal and discussed certain components that impacted the proposal. Perella Weinberg Partners noted that the proposal implied a price of \$73.94 per share of GCI Liberty Series A common stock and GCI Liberty Series B common stock (based on the closing price of the Liberty Broadband Series C common stock on June 9, 2020 of \$132.64). The proposal also provided that each share of GCI Liberty Preferred Stock be converted into the right to receive one share of a similar security of preferred stock to be issued by Liberty Broadband. After that call, the Liberty Broadband special committee met with Perella Weinberg Partners and Debevoise to discuss Evercore's preliminary questions with respect to the proposal.

On the evening of June 10, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols and Steptoe. At that meeting, Evercore communicated the Liberty Broadband special committee's proposal, and noted that the proposed exchange ratio implied a premium of 3.9% to the holders of GCI Liberty Series A common stock (based on the closing price of the GCI Liberty Series A common stock on June 9, 2020) and a similar implied premium to the holders of GCI Liberty Series B common stock. Evercore discussed with the GCI Liberty special committee the background that Perella Weinberg Partners had provided concerning the valuation components the Liberty Broadband special committee considered in formulating the proposal, and reviewed how the proposal compared to the historical trading price for GCI Liberty Series A common stock and historical ratio between the trading price of GCI Liberty Series A common stock and Liberty Broadband Series C common stock, in each case since the GCI Liberty Split-off. The GCI Liberty special committee and its advisors determined to continue discussing the proposal at a meeting the following week.

Subsequently, representatives of Perella Weinberg Partners and Evercore continued to discuss the initial proposal.

On June 17, 2020, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners to receive an update on discussions from Perella Weinberg Partners.

Also on June 17, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols and Steptoe to discuss the terms of the Liberty Broadband initial proposal. In connection therewith, Evercore reviewed with the GCI Liberty special committee Evercore's preliminary valuation analyses of GCI Liberty and Liberty Broadband as well as certain preliminary financial analyses with respect to the

[Table of Contents](#)

proposed combination. The GCI Liberty special committee and Evercore then discussed certain considerations with respect to the proposal, including the discount to the market value of the shares of Liberty Broadband Series C common stock held by GCI Liberty that was implied by the exchange ratio and the fact that the GCI Liberty stock price has historically reflected an implied discount to the market value of those shares and that it was proposed that holders of GCI Liberty Series A common stock receive shares of Liberty Broadband Series C common stock rather than shares of Liberty Broadband Series A common stock. During the discussion, Evercore reviewed with the GCI Liberty special committee various metrics regarding both the amount and form of consideration contained in the Liberty Broadband proposal with respect to the GCI Liberty Series A common stock and GCI Liberty Series B common stock, and noted, among other things, that, although the Liberty Broadband Series C common stock is non-voting and the Liberty Broadband Series A common stock is voting, the Liberty Broadband Series C common stock has historically traded at a higher value and is more liquid. The participants then discussed whether the GCI Liberty special committee should make a counterproposal and, if so, what counterproposal to make. Following such discussion, the GCI Liberty special committee determined to make a counterproposal at an exchange ratio for GCI Liberty Series A common stock and GCI Liberty Series B common stock of 0.588 based on the closing prices as of June 9, 2020 (the day prior to the receipt of Liberty Broadband's proposal). The GCI Liberty special committee instructed Evercore to update the exchange ratio to reflect the respective closing prices on June 18, 2020, the day prior to the date when the counterproposal was to be made and to communicate such exchange ratio without addressing, at that point, the form of consideration. Also at this meeting, there was discussion of the possibility that certain GCI Liberty stockholders may desire a premium for their stock or equity awards convertible into Liberty Broadband Series B common stock.

On June 19, 2020, Evercore communicated to Perella Weinberg Partners the GCI Liberty special committee's counterproposal, which provided that each share of GCI Liberty Series A common stock and GCI Liberty Series B common stock be converted into the right to receive 0.585 shares of Liberty Broadband common stock. (The 0.585 fixed exchange ratio adjusted the 0.588 fixed exchange ratio previously discussed by the GCI Liberty special committee to reflect the respective closing prices on June 18, 2020.) Evercore also stated that the GCI Liberty special committee had not decided whether to accept Liberty Broadband Series C common stock as consideration in a potential combination.

Later that day, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners to discuss the counterproposal. Members of the Liberty Broadband special committee emphasized the importance of using Liberty Broadband Series C common stock in the potential combination, among other reasons, because of the desire to avoid having the transaction result in a change of control of Liberty Broadband for certain contractual purposes.

On June 22, 2020, the Liberty Broadband special committee met with Perella Weinberg Partners and Debevoise to discuss a response to the GCI Liberty special committee counterproposal. There was discussion of the possibility that certain GCI Liberty stockholders may desire to receive Liberty Broadband Series B common stock in exchange for GCI Liberty Series B common stock and equity awards. Following these discussions, the Liberty Broadband special committee authorized Perella Weinberg Partners to respond to Evercore with an exchange ratio of 0.575 shares of Liberty Broadband Series C common stock for each share of GCI Liberty Series A and Series B common stock, but contingent upon the GCI Liberty special committee's acceptance of Liberty Broadband Series C common stock as consideration for the GCI Liberty stockholders. The Liberty Broadband special committee also instructed Debevoise to send Morris Nichols an initial draft of the merger agreement. Following this call, Debevoise sent Morris Nichols an initial draft of the merger agreement.

Later on June 22, 2020, Perella Weinberg Partners communicated to Evercore the Liberty Broadband special committee's counterproposal of 0.575.

On June 23, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols and Steptoe to discuss the Liberty Broadband special committee's counterproposal, including both the amount and form of consideration offered for the GCI Liberty Series A common stock and GCI Liberty Series B common stock. During the meeting, Evercore reviewed with the GCI Liberty special committee Evercore's preliminary valuation analyses of GCI Liberty and Liberty Broadband, including the value of the Liberty Broadband Series C common stock owned by GCI Liberty that was implied by the proposed exchange ratio (at various valuations for GCI's Alaska business) and the impact of various potential exchange ratios on the implied discount to the market value of the Liberty Broadband shares. Evercore also reviewed with the GCI Liberty special committee the exchange ratios implied by the historical trading prices of the GCI Liberty Series A common stock and Liberty Broadband Series C common stock over certain periods (including with certain adjustments related to the LendingTree shares held by GCI Liberty) as well as the implied economic and voting ownership of the former GCI Liberty stockholders in the pro forma company (both if all holders of GCI Liberty common stock received consideration in the form of Liberty Broadband Series C common stock and if the holders of GCI Liberty Series A common stock received consideration in the form of Liberty Broadband Series A common stock and holders of GCI Liberty Series B common stock received consideration in the form of Liberty Broadband Series B common stock). The GCI Liberty special committee and Evercore then discussed the anticipated economic benefits (including the liquidity benefits) of stockholders receiving Liberty Broadband Series C common stock as consideration compared to the potential voting benefits in receiving Liberty Broadband Series A common stock or Liberty Broadband Series B common stock. In this regard, Evercore noted that the Liberty Broadband Series A common stock continued to trade at a discount to Liberty Broadband Series C common stock and stated its belief that the liquidity benefits to holders of the GCI Liberty Series A common stock in utilizing Liberty Broadband Series C common stock as consideration may outweigh the potential voting benefits in utilizing Liberty Broadband Series A common stock and Liberty Broadband Series B common stock as consideration. Evercore also noted that each of the Liberty Broadband special committee proposals contemplated the GCI Liberty Preferred Stock rolling over into a preferred security of Liberty Broadband having similar terms and that such a security of Liberty Broadband may be beneficial to GCI Liberty's preferred stockholders as the resulting entity would likely have a healthier scale, liquidity and credit profile, and a greater proportion of its value in highly liquid tradeable securities. During the discussion, Evercore also raised with the GCI Liberty special committee the existence of recent tax legislation that might be applicable in connection with a potential divestment of the LendingTree stock owned by GCI Liberty, and that, if applicable, could potentially be used to support a higher exchange ratio in negotiating any further counterproposal. Following such discussion, Morris Nichols reported to the GCI Liberty special committee that it had been informed that Mr. Malone, in his capacity as a stockholder of GCI Liberty and Liberty Broadband, might, in the near future, depending on the progress and status of the negotiations, be required to make certain SEC filings and such disclosure could include the potential range of exchange ratios or, if an agreement in principle were reached, an agreed exchange ratio. The GCI Liberty special committee and its advisors agreed to meet again the following day to discuss the potential implications of any such disclosure.

Also on June 23, 2020, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners. At the meeting, Perella Weinberg Partners and Debevoise reported that they had been informed that Mr. Malone, in his capacity as a stockholder of GCI Liberty and Liberty Broadband, might, in the near future, depending on the progress and status of the negotiations, be required to make certain SEC filings and such disclosure could include the potential range of exchange ratios or, if an agreement in principle were reached, an agreed exchange ratio.

On June 24, 2020, the GCI Liberty special committee met with Morris Nichols and Evercore. The participants discussed the possible effect of public disclosure of a potential range of exchange ratios on their negotiating position, and the GCI Liberty special committee instructed the participants to move forward with speed to conclude, if possible, negotiations on an exchange ratio and the form of

[Table of Contents](#)

consideration prior to any public disclosure regarding the ongoing negotiations. The GCI Liberty special committee then discussed potential factors that supported a higher exchange ratio, including the potential additional tax benefit that GCI Liberty could realize upon a potential divestment of the LendingTree stock owned by GCI Liberty, as well as the GCI Liberty special committee's continued desire to eliminate the implied discount to the market value of the Liberty Broadband Series C common stock owned by GCI Liberty that had historically been reflected in the GCI Liberty stock price and the GCI Liberty special committee's potential willingness to accept Liberty Broadband Series C common stock as consideration for the GCI Liberty Series A common stock and GCI Liberty Series B common stock. Following discussion, the GCI Liberty special committee directed Evercore to inform Perella Weinberg Partners that the GCI Liberty special committee continued to stand by its prior proposal of a 0.585 exchange ratio for the GCI Liberty Series A common stock and GCI Liberty Series B common stock.

On June 24, 2020, Evercore communicated the proposed exchange ratio of 0.585 to Perella Weinberg Partners.

On June 24, 2020 and June 25, 2020, Debevoise and Morris Nichols were separately informed that, because consummation of the potential transaction between GCI Liberty and Liberty Broadband will dilute Mr. Malone's Liberty Broadband voting power, Mr. Malone may request that, in any potential combination of Liberty Broadband and GCI Liberty, holders of GCI Liberty Series B common stock receive Liberty Broadband Series B common stock as consideration or that the GCI Liberty Series B common stock receive the same form of consideration as, but a higher exchange ratio than, that received by the GCI Liberty Series A common stock. In response to this information, on the evening of June 24, 2020, Debevoise spoke to Sherman & Howard and asked whether voting dilution from the proposed combination would be a concern to Mr. Malone and if Mr. Malone would consider agreeing to conditions on any future transactions at Liberty Broadband in exchange for receiving shares of Liberty Broadband Series B common stock in the potential combination if such form of consideration was deemed acceptable by the special committees. Sherman & Howard stated that Mr. Malone would not support the proposed transaction with GCI Liberty if Mr. Malone's voting power in Liberty Broadband would be diluted as a result (irrespective of the amount of dilution) and that Mr. Malone would not agree to the proposed conditions on any future transactions.

On June 25, 2020, Debevoise met with Sherman & Howard to continue their discussions from the prior day. During those conversations, Sherman & Howard emphasized the importance to Mr. Malone of not having his voting power diluted as part of the transaction. The parties had preliminary discussions regarding structures under which Mr. Malone's voting power would not be diluted, but would also not be increased, as a result of the transaction, including the payment of a mix of shares of Liberty Broadband Series C common stock and shares of Liberty Broadband Series B common stock for each share of GCI Liberty Series B common stock and also discussed the ability of Mr. Malone to restore his voting power upon the occurrence of certain future dilutive events.

On June 26, 2020, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise met to discuss, among other things, the exchange ratio being sought by GCI Liberty and Debevoise's discussions with Sherman & Howard. The Liberty Broadband special committee instructed Perella Weinberg Partners to counter propose a fixed exchange ratio of 0.580 shares of Liberty Broadband Series C common stock for each share of GCI Liberty Series A common stock and GCI Liberty Series B common stock, which Perella Weinberg Partners conveyed to Evercore that afternoon. In light of what Debevoise had been told regarding Mr. Malone with respect to dilution of his voting power, the Liberty Broadband special committee discussed with its advisors the benefits and detriments of a structure pursuant to which shares of GCI Liberty Series B common stock would be exchanged for a combination of shares of Liberty Broadband Series B common stock and shares of Liberty Broadband Series C common stock at a ratio calculated to ensure that Mr. Malone would maintain his pre-combination voting power after the potential combination and certain subsequent dilutive events.

[Table of Contents](#)

The Liberty Broadband special committee also discussed whether any concessions might be extracted in exchange for Mr. Malone receiving voting shares in the potential combination, and noted the response that Debevoise had received when it explored that topic in the preceding days.

Later that afternoon, the GCI Liberty special committee met with Evercore, Morris Nichols and Steptoe and discussed, among other things, the advantages and disadvantages of proposals to receive different forms, versus different amounts, of consideration for the GCI Liberty Series A common stock and GCI Liberty Series B common stock, and considered the potential voting power of the GCI Liberty common stockholders in the resulting company if holders of GCI Liberty Series B common stock receive Liberty Broadband Series B common stock as consideration, and the potential that the holders of Liberty Broadband Series B common stock may have the ability to seek different consideration for their stock in a potential subsequent change in control transaction of Liberty Broadband. Following discussion, the GCI Liberty special committee determined to accept the Liberty Broadband counterproposal of an exchange ratio of 0.580 for each share of GCI Liberty Series A common stock and GCI Liberty Series B common stock, subject to agreement on the form of consideration and on definitive documentation, and directed Evercore and Morris Nichols to inform the Liberty Broadband special committee's advisors of this decision. Following this discussion, Baker Botts joined the meeting to provide a summary of the draft merger agreement.

On the evening of June 26, 2020, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners to receive an update from Perella Weinberg Partners that the GCI Liberty special committee agreed in principle to the 0.580 exchange ratio, subject to agreement on the form of consideration.

Following the special committee meetings, Debevoise and Morris Nichols met to confirm the agreement in principle on the exchange ratio. Subsequent to such meeting the parties communicated with Sherman & Howard to secure Mr. Malone's agreement to support a potential combination between Liberty Broadband and GCI Liberty at the agreed upon exchange ratio. In response, Mr. Malone requested that Liberty Broadband issue shares of Liberty Broadband Series B common stock, rather than either shares of Liberty Broadband Series C common stock or a mix of shares of Liberty Broadband Series C common stock and shares of Liberty Broadband Series B common stock for each share of GCI Liberty Series B common stock, to holders of GCI Liberty Series B common stock at the agreed upon exchange ratio.

Later that evening and over the following two days, the parties discussed whether Mr. Malone would agree to support the proposed combination at the agreed upon exchange ratio and various structures, including the exchange of GCI Liberty Series B common stock for a mix of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock that, together with certain arrangements, would result in Mr. Malone's voting power in the combined entity immediately following closing not exceeding 49%, which was (and remains at the date hereof) Mr. Malone's approximate voting power in Liberty Broadband. On June 28, 2020, Mr. Malone's representatives communicated that he would not accept a proposal in which the GCI Liberty Series B common stock were exchanged for a mix of shares of Liberty Broadband Series C common stock and shares of Liberty Broadband Series B common stock and reiterated Mr. Malone's desire for holders of GCI Liberty Series B common stock to receive Liberty Broadband Series B common stock at the agreed upon exchange ratio of 0.580 (which, in accordance with the existing terms of such options, also would result in options to acquire shares of GCI Liberty Series B common stock being converted into options to acquire Liberty Broadband Series B common stock), but that he would agree to an arrangement under which his aggregate voting power would not exceed approximately 49%. Debevoise and Morris Nichols discussed whether, if this proposal were not acceptable to the special committees, Mr. Malone would instead request that the holders of shares of GCI Liberty Series B common stock receive a greater number of shares of Liberty Broadband Series C common stock than the number of shares to be received pursuant to the fixed exchange ratio agreed in principle by the special committees.

[Table of Contents](#)

On June 28, 2020, the GCI Liberty special committee, Evercore and Morris Nichols met to discuss Mr. Malone's position. Following discussion, the GCI Liberty special committee instructed its advisors to inform the Liberty Broadband special committee that, as between a premium and issuance of Liberty Broadband Series B common stock for GCI Liberty Series B common stock, the GCI Liberty special committee preferred the latter approach.

On June 28, 2020, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise also had several meetings to discuss Mr. Malone's position and the GCI Liberty special committee's preferences on the form of consideration versus a premium. During these meetings, Debevoise reported that Mr. Malone would be willing to enter into an arrangement with Liberty Broadband that would ensure his voting power in Liberty Broadband would not exceed approximately 49% as a result of the potential combination. The Liberty Broadband special committee discussed with its advisors whether to first ascertain whether Mr. Malone would agree to the potential combination with a form of consideration other than Liberty Broadband Series B common stock for GCI Liberty Series B common stock.

In between the first meeting and the second meeting, Debevoise met with Morris Nichols. Both counsel discussed the type and amount of consideration for the GCI Liberty Series B common stock and agreed to request again that Mr. Malone accept, as consideration for GCI Liberty Series B common stock, a mix of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock. The Liberty Broadband special committee then reconvened with Debevoise and Perella Weinberg Partners and continued to discuss the merits and detriments of a transaction in which holders of GCI Liberty Series B common stock received Liberty Broadband Series B common stock at the exchange ratio. The Liberty Broadband special committee instructed Debevoise to coordinate with Morris Nichols to negotiate with Sherman & Howard as to the form of consideration for GCI Liberty Series B common stock.

Later that evening, Sherman & Howard, Debevoise and Morris Nichols had a series of discussions. Sherman & Howard reiterated that Mr. Malone would not support the potential combination unless the GCI Liberty Series B common stock were converted into the right to receive Liberty Broadband Series B common stock. However, Sherman & Howard communicated that Mr. Malone would agree to an arrangement in which he would waive his right to receive certain shares of Liberty Broadband Series B common stock at the closing of the combination and instead receive an equal number of shares of Liberty Broadband Series C common stock so that the aggregate voting power at Liberty Broadband beneficially owned by Mr. Malone immediately following the potential combination would be approximately 49%. Under this arrangement, following the occurrence of voting dilution events, Mr. Malone would have the right to exchange, on a one-for-one basis, shares of Liberty Broadband Series C common stock for the waived shares of Liberty Broadband Series B common stock in order to maintain such voting power. Mr. Malone also would have the right to exchange shares of Liberty Broadband Series C common stock for the waived shares of Liberty Broadband Series B common stock prior to a subsequent transaction in which Liberty Broadband Series B common stock is converted into the right to receive cash or other consideration.

On the morning of June 29, 2020, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise met to discuss recent discussions with Sherman & Howard and to consider the exchange ratio and form of consideration for the potential combination. After discussion and considering Mr. Malone's unwillingness to support a transaction that did not provide for the GCI Liberty Series B common stock being exchanged entirely for Liberty Broadband Series B common stock and Mr. Malone's unwillingness to make any agreements with respect to future transactions, the Liberty Broadband special committee determined that it would agree to exchange Liberty Broadband Series B common stock in consideration for GCI Liberty Series B common stock at an exchange ratio of 0.580 so long as Mr. Malone would agree to receive shares of Liberty Broadband Series C common stock in exchange for any shares of GCI Liberty Series B common stock that would result in Mr. Malone's voting power of the combined entity immediately following the closing exceeding 49%.

[Table of Contents](#)

Also that morning, the GCI Liberty special committee met to consider the exchange ratio and form of consideration for the potential combination. Evercore indicated that, based on June 26, 2020 closing prices (the last trading day prior to June 29, 2020), the proposed exchange ratio of 0.580 shares of Liberty Broadband Series C common stock for each share of GCI Liberty Series A common stock and 0.580 shares of Liberty Broadband Series B common stock for each share of GCI Liberty Series B common stock represented an implied premium of 8.3% to the GCI Liberty Series A common stockholders and 8.8% to the GCI Liberty Series B common stockholders. Evercore also discussed with the GCI Liberty special committee the value of the Liberty Broadband shares held by GCI Liberty that was implied by the exchange ratio at various valuations for the Alaska business. The participants also discussed the implied ownership of GCI Liberty's stockholders in Liberty Broadband after the closing of the proposed combination, including their economic ownership and voting interest, Mr. Malone's unwillingness to support a transaction that did not provide for the GCI Liberty Series B common stock being exchanged entirely for Liberty Broadband Series B common stock and Mr. Malone's unwillingness to make any agreements with respect to future transactions, and the trading prices of each series of Liberty Broadband common stock. After discussion, the GCI Liberty special committee determined that it would agree to accept Liberty Broadband Series C common stock in consideration for GCI Liberty Series A common stock and Liberty Broadband Series B common stock in consideration for GCI Liberty Series B common stock at an exchange ratio of 0.580 so long as Mr. Malone would agree to receive shares of Liberty Broadband Series C common stock in exchange for any shares of GCI Liberty Series B common stock that would result in Mr. Malone's voting power of the combined entity immediately following the closing exceeding 49%. The GCI Liberty special committee's determination to accept Liberty Broadband Series C common stock in consideration for GCI Liberty Series A common stock was based on, among other things, (i) that the Liberty Broadband Series C common stock historically has traded at a higher price than the Liberty Broadband Series A common stock, and (ii) its beliefs that (a) the liquidity benefits to holders of the GCI Liberty Series A common stock in receiving Liberty Broadband Series C common stock as consideration may outweigh the potential voting benefits of receiving Liberty Broadband Series A common stock as consideration, although the GCI Liberty special committee did not ascribe a numerical value to the voting rights associated with Liberty Broadband Series A common stock, and (b) the Liberty Broadband special committee would not offer Liberty Broadband Series A common stock at the 0.580 exchange ratio, and that the willingness of the GCI Liberty special committee to accept Liberty Broadband Series C common stock in consideration for GCI Liberty Series A common stock resulted in a higher exchange ratio for the holders of GCI Liberty common stock.

Following the conclusion of the Liberty Broadband special committee meeting and the GCI Liberty special committee meeting, Debevoise and Morris Nichols jointly called Sherman & Howard to inform them that both special committees had reached a preliminary understanding regarding the possible exchange ratio and form of consideration for a potential combination transaction between Liberty Broadband and GCI Liberty of (i) 0.580 of a share of Liberty Broadband Series C common stock for each outstanding share of GCI Liberty Series A common stock, (ii) 0.580 of a share of Liberty Broadband Series B common stock for each outstanding share of GCI Liberty Series B common stock, and (iii) one share of a newly issued series of Liberty Broadband Preferred Stock for each outstanding share of GCI Liberty Preferred Stock, with the new Liberty Broadband Preferred Stock bearing substantially identical terms and conditions to the GCI Liberty Preferred Stock. They requested that Mr. Malone support the transaction and agree to receive a number of shares of Liberty Broadband Series C common stock such that Mr. Malone's voting power of the combined entity immediately following the transaction would not exceed 49%, subject to the right, following the occurrence of any dilution events and in connection with certain fundamental transactions, to exchange shares of Liberty Broadband Series C common stock for the waived shares of Liberty Broadband Series B common stock. During such call, Sherman & Howard informed Debevoise and Morris Nichols

[Table of Contents](#)

that Mr. Malone would agree to support the transaction on those terms subject to the execution of mutually acceptable definitive agreements.

Later that day, advisors to the Liberty Broadband special committee informed Liberty Broadband and advisors to the GCI Liberty special committee informed GCI Liberty that the special committees had reached a preliminary understanding regarding a possible exchange ratio for a potential combination between Liberty Broadband and GCI Liberty in which Liberty Broadband would acquire all of the outstanding shares of GCI Liberty Series A common stock, GCI Liberty Series B common stock, and GCI Liberty Preferred Stock in a stock-for-stock merger. The special committees also agreed that GCI Liberty's outstanding equity awards would be converted into equivalent equity awards at Liberty Broadband with respect to the applicable series of Liberty Broadband stock payable in the potential combination with respect to the series of GCI Liberty stock underlying the applicable award.

Following market closing on June 29, 2020, each of Liberty Broadband and GCI Liberty filed a Form 8-K, Mr. Malone filed a Schedule 13D/A with respect to Liberty Broadband and GCI Liberty and Mr. Maffei filed a Schedule 13D/A with respect to GCI Liberty disclosing, in each case, that the special committees of each company had reached a preliminary understanding on a potential exchange ratio for the potential combination subject to the negotiation of mutually acceptable transaction agreements and disclosing the preliminary understanding with Mr. Malone regarding his rights in respect of his GCI Liberty Series B common stock.

On June 30, 2020, the Liberty Broadband special committee met with Perella Weinberg Partners to discuss the impact of the disclosure of the agreement in principle on the exchange ratio on the trading price of Liberty Broadband's common stock.

The same day, the GCI Liberty special committee met with Evercore, Morris Nichols, Steptoe and Baker Botts to discuss the terms of the draft merger agreement prepared by Debevoise, including, among other things, provisions that govern the rights of the parties during the period between signing and receipt of the stockholder vote to seek and entertain potential topping bids and to change their recommendation in response to such potential topping bids or other intervening events, as well as interim operating covenants of the parties, conditions to closing, termination rights and triggers for payment of, and the amounts of, termination fees. Morris Nichols reviewed with the members of the GCI Liberty special committee their fiduciary duties under Delaware law and how those duties may influence negotiation of such provisions. Following this discussion, the GCI Liberty special committee directed Morris Nichols and Baker Botts to, among other things, seek a provision allowing GCI Liberty, but not Liberty Broadband, to terminate the merger agreement to accept an alternative "superior proposal" and seek a lower termination fee payable by GCI Liberty and a higher termination fee payable by Liberty Broadband in connection with certain terminations. Also at this meeting, Evercore reviewed with the GCI Liberty special committee its analysis of the market response to the disclosure of the negotiated exchange ratio.

On July 9, 2020, Morris Nichols provided a revised draft of the merger agreement to Debevoise, which included, among other modifications, (i) a decrease in the termination fee payable by GCI Liberty under certain circumstances from 3.5% to 2.5% of the equity value of GCI Liberty and an increase in the reverse termination fee payable by Liberty Broadband under certain circumstances from 3.5% to 6.0% of the equity value of GCI Liberty, (ii) the ability of GCI Liberty, but not Liberty Broadband, to terminate the merger agreement to accept a superior proposal, (iii) covenants by Liberty Broadband governing the post-closing treatment of GCI Liberty employees, (iv) the deletion of a condition to Liberty Broadband's obligation to close the combination that the required regulatory approvals not contain certain adverse conditions, (v) the revision of certain covenants governing the conduct of GCI Liberty's business during the period between signing and closing to increase flexibility for GCI Liberty, (vi) a requirement that GCI Liberty be a party to any voting agreement with Mr. Malone in favor of the contemplated transactions and (vii) a requirement that Qurate Retail

[Table of Contents](#)

deliver a representation letter in support of Skadden issuing a split-off tax opinion and execute a letter agreement in which it will agree to make representations and covenants in support of Skadden's closing split-off tax opinion to the effect that the combination will not impact the U.S. federal income tax treatment of the GCI Liberty Split-off.

On July 10, 2020, the Liberty Broadband special committee met with Perella Weinberg Partners and Debevoise to discuss material issues presented by the revised draft merger agreement. That same day, representatives of Qurate Retail requested an assumption and joinder agreement to the existing tax sharing agreement between Qurate Retail and GCI Liberty pursuant to which Liberty Broadband would become jointly and severally responsible for GCI Liberty's obligations and liabilities, and entitled to exercise and enforce GCI Liberty's rights, under the tax sharing agreement in exchange for Qurate's agreement to deliver a representation letter in support of Skadden's signing split-off tax opinion and to execute a letter agreement in which it will agree to make representations and covenants in support of Skadden's closing split-off tax opinion.

On July 12, 2020, Debevoise and Morris Nichols discussed the markup of the merger agreement sent by Morris Nichols to Debevoise, including the amounts of the termination fee and reverse termination fee, the ability of GCI Liberty to terminate the merger agreement to accept a superior proposal, and certain limitations on GCI Liberty's operation of the business between signing and closing.

On July 15, 2020, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise met to discuss a counterproposal on the size of termination fees. The Liberty Broadband special committee determined that the next draft of the merger agreement reflect an increase in the termination fee payable by GCI Liberty under certain circumstances from 2.5% to 3.0% of the equity value of GCI Liberty and a decrease in the reverse termination fee payable by Liberty Broadband under certain circumstances from 6.0% to 3.5% of the equity value of GCI Liberty.

Later on July 15, 2020, Debevoise delivered to Morris Nichols a revised draft of the merger agreement, which included, among other modifications, (i) a 3.0% termination fee payable by GCI Liberty under certain circumstances and a 3.5% reverse termination fee payable by Liberty Broadband, (ii) the ability of both GCI Liberty and Liberty Broadband to terminate the merger agreement to accept a superior proposal, (iii) the deletion of certain post-closing employment-related covenants on Liberty Broadband, (iv) the reinsertion of an adverse regulatory condition to closing and (v) limitations on GCI Liberty operations during the period between signing and closing. Debevoise also delivered to Morris Nichols an initial draft of the exchange agreement and an initial draft of a voting agreement obligating Mr. Malone and certain of his affiliates to vote their GCI Liberty shares in favor of the contemplated transaction. It was expected that Mr. Malone would agree to a substantially similar voting agreement in respect of his Liberty Broadband shares.

On July 17, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols, Steptoe and Baker Botts to discuss, among other things, progress on drafting the transaction documents and certain tax-related representations to be provided by each of GCI Liberty, Liberty Broadband, Qurate Retail and Mr. Malone in connection with the potential transaction. Morris Nichols and Baker Botts reviewed the material issues presented by the most recent draft of the merger agreement circulated by Debevoise. A discussion ensued regarding the likelihood of an alternative transaction for either GCI Liberty or Liberty Broadband, including the fact that the agreement-in-principle had been publicly disclosed for nearly a month without any limitations on GCI Liberty's ability to entertain topping bids, but that no such potential topping bid had emerged, as well as the likelihood that Liberty Broadband would seek reciprocal termination rights in connection with a topping bid for each of GCI Liberty and Liberty Broadband. Following this discussion, the GCI Liberty special committee directed Baker Botts and Morris Nichols, among other things, to seek to remove each party's right to terminate the merger agreement to accept a topping bid and, in an effort to seek as high a termination fee as possible from

[Table of Contents](#)

Liberty Broadband, accept Liberty Broadband's proposal on GCI Liberty's termination fee, while seeking a higher termination fee from Liberty Broadband.

On each of July 18, 2020 and July 19, 2020, Debevoise and Morris Nichols discussed material issues raised by the most recent draft of the merger agreement delivered by Debevoise and the votes that will be required to approve the potential combination.

On July 20, 2020, Morris Nichols updated the GCI Liberty special committee and Evercore regarding conversations Morris Nichols had with Debevoise over the preceding two days regarding, among other things, open issues in the transaction documents.

On July 21, 2020, Baker Botts, at the request of and on behalf of the GCI Liberty special committee, delivered to Debevoise revised drafts of the merger agreement and the voting agreement and initial drafts of the GCI Liberty Disclosure Letter and the Certificate of Designations that would govern the terms of the Liberty Broadband Preferred Stock to be issued if the potential combination is consummated. The revised merger agreement, among other things, included an increase in the reverse termination fee payable by Liberty Broadband in certain circumstances to approximately 5.5%, eliminated both GCI Liberty's and Liberty Broadband's right to terminate the merger agreement (but not change their recommendation) for a superior proposal, increased flexibility on GCI Liberty's operations during the period between signing and closing, and eliminated Liberty Broadband's adverse regulatory condition to closing.

On behalf of both special committees, Morris Nichols sent the draft voting agreement to Sherman & Howard on July 21, 2020 and a draft of the exchange agreement on July 26, 2020. Pursuant to the exchange agreement, a revocable trust of which Mr. Malone is the sole trustee and beneficiary would agree to waive its right to receive certain shares of Liberty Broadband Series B common stock in the combination in exchange for shares of GCI Liberty Series B common stock and instead receive an equal number of shares of Liberty Broadband Series C common stock so that the aggregate voting power of all Liberty Broadband securities over which Mr. Malone has beneficial ownership immediately following the effective time of the potential combination would be approximately, but not more than, 49%. The draft exchange agreement included provisions such that, following certain transactions in which the number of outstanding voting securities of Liberty Broadband decreases, Mr. Malone would be required to exchange Liberty Broadband Series B common stock for Liberty Broadband Series C common stock to prevent accretion in his voting power above the agreed percentages. The exchange agreement also provided that the rights thereunder would terminate following certain transfers of Liberty Broadband Series B common stock by Mr. Malone or his related parties, with limited exceptions, including an exception for transfers to Mr. Maffei but only if Mr. Malone transferred all of his shares of Liberty Broadband Series B common stock and Mr. Maffei agreed to be subject to similar voting power limitations pursuant to a substantially similar agreement.

From the time at which the initial draft voting and exchange agreements were distributed through the execution of the merger agreement, Debevoise, Morris Nichols, Steptoe, Baker Botts and Skadden met on multiple occasions to discuss and determine the key terms of these agreements and, as authorized by the Liberty Broadband special committee and the GCI Liberty special committee, respectively, Debevoise and Morris Nichols met on multiple occasions with Sherman & Howard to discuss, negotiate and finalize key terms of these agreements.

On July 24, 2020, the Liberty Broadband special committee met with Debevoise and Perella Weinberg Partners to discuss issues raised by the revised draft of the merger agreement, including the size of termination fees. At the meeting, Debevoise provided an update on deal documentation and newly contemplated financing arrangements for both GCI Liberty and Liberty Broadband in connection with the proposed transactions.

On July 27, 2020, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise met to discuss the open points in the merger agreement. The Liberty Broadband special committee provided instruction as to how to respond in the revised draft of the merger agreement. Later that day, Debevoise delivered a revised draft of the merger agreement to Morris Nichols addressing, among other things, a reduction to the termination fee payable by Liberty Broadband in certain circumstances to approximately 3.9%, certain actions by GCI Liberty during the period between signing and closing and the adverse regulatory condition to Liberty Broadband's obligation to close the combination.

On July 28, 2020, Sherman & Howard sent Morris Nichols and Debevoise a revised draft voting agreement between Mr. Malone and GCI Liberty. Among other things, Mr. Malone requested indemnification for claims arising out of the voting agreement, exchange agreement and merger agreement in Mr. Malone's capacity as a stockholder, subject to certain exceptions, and reimbursement of attorney's fees in connection with negotiating and preparing the voting agreement and of public filing fees in connection with the potential transaction.

On July 29, 2020, Sherman & Howard informed Morris Nichols that transfers by Mr. Malone or the trust of Liberty Broadband Series B common stock should be permitted under the exchange agreement and result in a commensurate decrease in the voting power percentage thresholds associated with the rights of Mr. Malone to exchange Liberty Broadband Series C common stock for Liberty Broadband Series B common stock in certain circumstances and the obligations of Mr. Malone to exchange Liberty Broadband Series B common stock for Liberty Broadband Series C common stock in certain circumstances. In addition, Sherman & Howard informed Morris Nichols that Mr. Malone should receive the economic benefits of the rights associated with the waived shares of Liberty Broadband Series B stock in certain circumstances, such as spin-offs and rights offerings.

Later that day, the GCI Liberty special committee, Evercore, Morris Nichols, Steptoe and Baker Botts met to discuss the remaining open issues raised by the transaction documents. The GCI Liberty special committee discussed possible limitations and obligations on GCI Liberty during the period between signing and closing and the amount of the reverse termination fee and precedent reverse termination fees and directed Morris Nichols and Baker Botts to seek a reverse termination fee payable by Liberty Broadband in certain circumstances of approximately 4.4%. With respect to the voting agreement and exchange agreement, the GCI Liberty special committee preliminarily determined to accept Mr. Malone's indemnification request, subject to certain limitations, and to defer the decision on Mr. Malone's request for expense reimbursement, subject to receipt of Mr. Malone's comments to the exchange agreement and determination whether Mr. Malone is requesting additional expense reimbursement under the exchange agreement. Steptoe discussed the request from Qurate Retail that Liberty Broadband sign a joinder to the 2018 tax sharing agreement between GCI Liberty and Qurate Retail in exchange for Qurate's cooperation with the request to provide support for the transaction in the form of representations and covenants.

On July 31, 2020, the Liberty Broadband Board met with the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise, and the Liberty Broadband special committee updated the Liberty Broadband Board on the status and terms of the proposed combination.

Later in the day, the GCI Liberty Board met with the GCI Liberty special committee, Morris Nichols and Baker Botts. The GCI Liberty special committee updated the GCI Liberty Board on the status of the proposed combination, including a review of the key terms of the merger agreement, voting agreements, exchange agreement and other transaction documents. The GCI Liberty Board was also provided with an overview of the background of the combination and negotiations to date.

On August 3, 2020, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise met to discuss the status of the proposed combination and the remaining material open issues.

During the period from August 1 to August 4, 2020, the final open issues in the merger agreement and the other transaction documents were resolved.

On August 5, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols and Steptoe. Morris Nichols reviewed with the GCI Liberty special committee their fiduciary duties under Delaware law in considering a potential transaction with Liberty Broadband, a summary of the process of the GCI Liberty special committee to date, and changes in the relevant transaction documents since the last meeting of the GCI Liberty special committee. Evercore discussed the negotiating history to date and reviewed a summary of proposed terms for the combination, including that, based on June 29, 2020 closing prices, the proposed exchange ratio implied an 8.1% premium to the GCI Liberty Series A common stock and a 7.2% premium to the GCI Liberty Series B common stock. Evercore also reviewed its financial analysis with the committee. For more information about Evercore's financial analysis and opinion, see "Special Factors—Opinion of the GCI Liberty Special Committee Financial Advisor" and Annex C. A representative of Baker Botts then joined the meeting and further reviewed with the GCI Liberty special committee updates to the transaction documents since the last meeting.

The Liberty Broadband special committee, Perella Weinberg Partners and Debevoise also held a meeting that morning to discuss the status of the proposed combination and the proposed resolution of the remaining material open issues in the transaction documents.

Later that evening, the Liberty Broadband special committee, Perella Weinberg Partners and Debevoise held a meeting to review and discuss the terms of Liberty Broadband's final proposal and recommendation to enter into a definitive agreement with GCI Liberty. At the meeting, Perella Weinberg Partners summarized the strategic rationale and the key financial terms of the proposed transaction and described Perella Weinberg Partners's financial analyses with respect to the common stock consideration to be received by GCI Liberty's stockholders. At the meeting, Perella Weinberg Partners rendered its oral opinion to the Liberty Broadband special committee, which was subsequently confirmed in writing, that, as of August 5, 2020 and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein, the Common Consideration to be paid in connection with the first merger pursuant to the merger agreement was fair, from a financial point of view, to the stockholders of Liberty Broadband other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers, as described in more detail in "Special Factors—Opinion of the Liberty Broadband Special Committee's Financial Advisor." Also at that meeting, Debevoise reviewed with the Liberty Broadband special committee their fiduciary duties in considering approval of the potential transaction and described the key terms and conditions of the merger agreement and related agreements and the proposed resolutions to approve the transaction. After discussion, the Liberty Broadband special committee determined that all material open issues had been resolved in a manner satisfactory to the Liberty Broadband special committee and in the best interests of the stockholders of Liberty Broadband. The Liberty Broadband special committee unanimously adopted resolutions (i) determining that the merger agreement and other transaction documents and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement) were advisable and fair to, and in the best interests of, Liberty Broadband and the Liberty Broadband stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers) and (ii) recommending that the Liberty Broadband Board approve (including for purposes of Section 203 of the DGCL) and declare advisable the merger agreement and other transaction documents and the transactions contemplated thereby (including the transactions contemplated by the voting agreement and the exchange agreement) and submit the share issuance proposal and the Liberty Broadband merger proposal to the Liberty Broadband stockholders.

Following the meeting of the Liberty Broadband special committee, the Liberty Broadband Board held a meeting. At the meeting, Perella Weinberg Partners reviewed the financial analysis that it had presented to the Liberty Broadband special committee. Debevoise then summarized the material terms

[Table of Contents](#)

and conditions of the transaction agreement and related agreements. Debevoise provided an overview of the background of the transaction and reviewed the proposed final terms in the merger agreement and other transaction documents. Based on the unanimous recommendation of the Liberty Broadband special committee, the Liberty Broadband Board unanimously (i) determined that the transaction documents, including, without limitation, the merger agreement, and the transactions contemplated thereby are advisable and fair to, and in the best interests of, Liberty Broadband and its stockholders (other than GCI Liberty, the Malone Group, the Maffei Group and each of their respective affiliates and executive officers of Liberty Broadband), (ii) approved (including for purposes of Section 203 of the DGCL) and declared advisable the transaction documents, including, without limitation, the merger agreement, and the transactions contemplated thereby, (iii) directed that the proposals to approve the stock issuance and the merger agreement be submitted to the Liberty Broadband stockholders for approval and adoption, and (iv) resolved to recommend that the Liberty Broadband stockholders approve the stock issuance and the adoption of the merger agreement.

On the morning of August 6, 2020, the GCI Liberty special committee met with Evercore, Morris Nichols, Steptoe and Baker Botts. At the meeting, Evercore delivered to the GCI Liberty special committee its oral opinion, which was subsequently confirmed by delivery of its written opinion dated August 6, 2020, that, subject to the assumptions, qualifications, limitations and other matters set forth in its written opinion, as of August 6, 2020, the exchange ratio in the merger was fair, from a financial point of view, to the holders of GCI Liberty common stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers, as described in more detail in “Special Factors—Opinion of the GCI Liberty Special Committee’s Financial Advisor.” The GCI Liberty special committee then adopted resolutions determining that, based on its review of all relevant factors, the transaction documents and the transactions contemplated thereby are advisable and fair to, and in the best interests of, GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group and each of their respective Affiliates and the Company Section 16 Officers) and recommending that the GCI Liberty Board approve (including for purposes of Section 203 of the DGCL) and declare advisable the transaction documents and the transactions contemplated thereby and submit the merger agreement to the GCI Liberty stockholders.

Immediately following the meeting of the GCI Liberty special committee, the GCI Liberty Board held a meeting. Baker Botts reviewed the proposed final terms in the merger agreement and other transaction documents and, at the request of the GCI Liberty special committee, Evercore also rendered its oral opinion as to the fairness, from a financial point of view, as of August 6, 2020 and subject to the assumptions, qualifications, limitations and other matters set forth in Evercore’s written opinion, of the exchange ratio in the merger to the holders of GCI Liberty common stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers. Based on the unanimous recommendation of the GCI Liberty special committee and taking into consideration the opinion of Evercore, the GCI Liberty Board unanimously (i) determined that the transaction documents and the transactions contemplated thereby are advisable and fair to, and in the best interests of GCI Liberty and the GCI Liberty stockholders (other than the Malone Group, the Maffei Group and each of their respective Affiliates and the Company Section 16 Officers), (ii) approved (including for purposes of Section 203 of the DGCL) and declared advisable the transaction documents and the transactions contemplated thereby, (iii) directed that the merger agreement be submitted to the GCI Liberty stockholders for adoption, and (iv) recommended that the GCI Liberty stockholders approve the adoption of the merger agreement.

Later that morning, Liberty Broadband and GCI Liberty executed the merger agreement and the related transaction documents. That afternoon, shortly after market close on the Nasdaq Global Select Market, Liberty Broadband and GCI Liberty issued a joint press release announcing the transaction and the execution of the merger agreement, the voting agreements, the exchange agreement and the other transaction documents.

Liberty Broadband, Merger Sub and Merger LLC's Purpose and Reasons for the Combination; Recommendations of the Liberty Broadband Special Committee and Liberty Broadband Board of Directors

The Liberty Broadband Board unanimously recommends that the Liberty Broadband stockholders vote **FOR** the Liberty Broadband merger proposal.

The Liberty Broadband Board unanimously recommends that the Liberty Broadband stockholders vote **FOR** the share issuance proposal.

The Liberty Broadband Board unanimously recommends that the Liberty Broadband stockholders vote **FOR** the Liberty Broadband adjournment proposal.

Under the SEC rules governing “going private” transactions, each of Liberty Broadband, Merger Sub and Merger LLC (which we refer to together as the **Liberty Broadband Filing Persons**) may be deemed to be an affiliate of GCI Liberty and, therefore, may be required to express its purposes and reasons for the combination to GCI Liberty’s “unaffiliated security holders,” as defined under Rule 13e-3 of the Exchange Act. Each Liberty Broadband Filing Person is making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

John C. Malone is Chairman of the Board of each of GCI Liberty and Liberty Broadband and, as of September 30, 2020, beneficially owned shares of GCI Liberty capital stock representing approximately 27.5% of the aggregate voting power of the issued and outstanding shares of GCI Liberty capital stock and shares of Liberty Broadband common stock representing approximately 48.8% of the aggregate voting power of the issued and outstanding shares of Liberty Broadband common stock.

For the Liberty Broadband Filing Persons, the purpose of the combination is to (i) enhance the long-term equity value for the Liberty Broadband stockholders, (ii) acquire an additional operating asset with free cash flow, (iii) simplify Liberty Broadband’s equity capital structure as a result of the potential to retire the Liberty Broadband stock currently held by GCI Liberty and (iv) increase trading liquidity of Liberty Broadband Series C common stock. Specifically for Merger Sub and Merger LLC, the purpose of the combination is to effectuate the transactions contemplated by the merger agreement. Accordingly, if the combination is completed, GCI Liberty will become a wholly owned subsidiary of Liberty Broadband and cease to have publicly traded equity securities.

The Liberty Broadband Filing Persons’ reasons for the combination are the factors that were considered by the Liberty Broadband special committee and the Liberty Broadband Board.

The Liberty Broadband Board established the Liberty Broadband special committee, consisting entirely of independent and disinterested directors of Liberty Broadband, to determine whether to pursue the combination or any alternative transaction and to review, negotiate and evaluate the terms of the combination on behalf of the unaffiliated security holders of Liberty Broadband (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers). On August 5, 2020, after extensive consultation with, and acting with the advice of, its own independent legal and financial advisors, the Liberty Broadband special committee unanimously (i) determined that the merger agreement and the other transaction documents and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, Liberty Broadband and the Liberty Broadband stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and Parent Section 16 Officers), and (ii) recommended that the Liberty Broadband Board approve and declare advisable the merger agreement and the other transaction documents and the transactions contemplated thereby (including the transactions contemplated by the

[Table of Contents](#)

voting agreements and the exchange agreement), and submit the share issuance proposal and Liberty Broadband merger proposal to the Liberty Broadband stockholders.

In reaching its decision to recommend that the Liberty Broadband stockholders vote to approve the Liberty Broadband merger proposal and the share issuance proposal, the Liberty Broadband Board relied on the recommendation of the Liberty Broadband special committee and consulted with the Liberty Broadband special committee's financial and legal advisors and Liberty Broadband management. After such discussions and considering certain alternatives, the Liberty Broadband Board unanimously (i) determined that the merger agreement and the other transaction documents and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, Liberty Broadband and the Liberty Broadband stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and Parent Section 16 Officers), (ii) approved and declared advisable the merger agreement and the other transaction documents and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement) and (iii) directed that the share issuance proposal and Liberty Broadband merger proposal be submitted to the stockholders of Liberty Broadband for approval and adoption.

The Liberty Broadband special committee's recommendation and the Liberty Broadband Board's decision to approve the merger agreement and the other transaction documents, the combination and the other transactions contemplated thereby, and to recommend to the Liberty Broadband stockholders that they vote to approve (i) the Liberty Broadband merger proposal and (ii) the share issuance proposal, were based on a number of factors, including the following (which are not necessarily presented in order of relative importance):

- their understanding of GCI Liberty and its business as well as its financial performance, results of operations and future prospects;
- the expectation that the combination will enhance the long-term equity value for the Liberty Broadband stockholders;
- the expectation that the combination will be accretive to Liberty Broadband's net asset value per share;
- the belief that the combination can be completed in a timely and efficient manner with minimal disruption to employees;
- the fact that the common exchange ratio and the other terms of the merger agreement resulted from arms'-length negotiations between the Liberty Broadband special committee and its legal and financial advisors, on the one hand, and the GCI Liberty special committee and its legal and financial advisors, on the other hand;
- the Liberty Broadband special committee's belief that the transactions contemplated by the merger agreement were a superior alternative to the other potential strategic alternatives available to Liberty Broadband, including alternative operating strategies and other potential strategic alternatives, considering in each case the potential stockholder value that might result from such alternatives, as well as the feasibility of such alternatives and the risks and uncertainties associated with pursuing such alternatives (including, among other things, the likelihood that a third party would be interested in acquiring Liberty Broadband);
- the Liberty Broadband special committee's thorough review, together with its financial and legal advisors, of the structure of the proposed combination and the financial and other terms of the merger agreement (including GCI Liberty's representations, warranties and covenants, the conditions to its obligations and the termination provisions and related termination fees, as well as the likelihood of consummation of the combination and likely time period necessary to close

[Table of Contents](#)

the combination) and the terms of the other transactions contemplated by the transaction documents, including the protections for the unaffiliated security holders of Liberty Broadband common stock under the exchange agreement, which cap Mr. Malone's voting power and prevent Liberty Broadband from becoming a controlled company under applicable Nasdaq rules and regulations as a result of the transactions;

- that the merger agreement allows Liberty Broadband, under certain circumstances, to consider and respond to a superior proposal for an alternative transaction from a third party prior to adoption of the merger agreement by the Liberty Broadband stockholders, and that the Liberty Broadband Board has the right, after complying with the terms of the merger agreement, prior to adoption of the merger agreement by the Liberty Broadband stockholders, to change its recommendation to the Liberty Broadband stockholders;
- the financial presentation and the oral opinion of Perella Weinberg Partners to the Liberty Broadband special committee, which was subsequently confirmed by delivery of a written opinion dated August 5, 2020, addressed to the Liberty Broadband special committee that, as of August 5, 2020 and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein, the Common Consideration to be paid in connection with the first merger pursuant to the merger agreement was fair, from a financial point of view, to the stockholders of Liberty Broadband (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers), as described in more detail in “—Opinion of the Liberty Broadband Special Committee's Financial Advisor;”
- the historical and then-current trading prices and volumes of each series of Liberty Broadband common stock and each series of GCI Liberty common stock;
- the fact that the combination will expand Liberty Broadband's portfolio and its cash flows with the addition of the GCI Holdings operating business;
- the belief that the combination will improve Liberty Broadband's options for future strategic transactions;
- the fact that the combination will simplify Liberty Broadband's equity capital structure as a result of the potential to retire the Liberty Broadband stock currently held by GCI Liberty;
- the fact that the combination will result in more trading liquidity for Liberty Broadband Series C common stock, which the Liberty Broadband special committee believed would increase demand for Liberty Broadband Series C common stock;
- the expectation that there will be potential synergies from consolidating Liberty Broadband and GCI Liberty's corporate costs, including the elimination of duplicative public company reporting costs;
- the fact that the combination is intended to qualify as a “reorganization” for U.S. federal income tax purposes and, accordingly, is intended to be completed in a manner that is tax-free to Liberty Broadband and the Liberty Broadband stockholders, and the first merger is conditioned on the receipt of an opinion from Debevoise, counsel to the Liberty Broadband special committee, and the receipt of an opinion from Skadden, GCI Liberty's special tax counsel, that, in each case, based on certain representations and assumptions, and subject to certain limitations and qualifications, the combination will qualify as a “reorganization,” as described in more detail in “Material U.S. Federal Income Tax Consequences of the Combination;” and
- the fact that the combination is not intended to impact the tax treatment of the GCI Liberty Split-off, and the first merger is conditioned on the receipt of an opinion from Skadden that,

[Table of Contents](#)

based on certain representations and assumptions, and subject to certain limitations and qualifications, the combination will not cause the GCI Liberty Split-off to fail to qualify as a tax-free distribution for U.S. federal income tax purposes.

The Liberty Broadband special committee also considered a number of factors that are discussed below relating to the procedural safeguards that it believes were and are present to ensure the fairness of the combination. The Liberty Broadband special committee believes these factors support its determinations and recommendations and provide assurance of the procedural fairness of the combination to the Liberty Broadband stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and Parent Section 16 Officers):

- the fact that the Liberty Broadband merger proposal must be approved by the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock outstanding and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class, excluding any outstanding shares of Liberty Broadband capital stock beneficially owned, directly or indirectly, by GCI Liberty and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing;
- the fact that the Liberty Broadband special committee consists of independent and disinterested directors of Liberty Broadband who are not affiliated with any of GCI Liberty, the Malone Group or the Maffei Group, are not employees of Liberty Broadband or GCI Liberty or any of their affiliates and have no financial interest in the combination different from, or in addition to, the interests of the disinterested Liberty Broadband stockholders other than their interests described under “—Interests of Liberty Broadband Directors and Executive Officers in the Combination;”
- the fact that the Liberty Broadband special committee was advised by Perella Weinberg Partners, as financial advisor, and by Debevoise, as legal advisor, each a nationally recognized firm selected by the Liberty Broadband special committee;
- the fact that Perella Weinberg Partners' compensation arrangement was structured and negotiated to enhance its ability to provide objective advice to the Liberty Broadband special committee for the benefit of the unaffiliated Liberty Broadband stockholders. For example, Perella Weinberg Partners was entitled to receive a fairness opinion fee regardless of whether Perella Weinberg Partners was able to deliver a fairness opinion;
- the fact that the Liberty Broadband special committee conducted deliberations in more than 25 formal meetings during a period of approximately four months regarding the combination and was advised by financial and legal advisors, and each member of the Liberty Broadband special committee was actively engaged in the process;
- the financial presentation and the oral opinion of Perella Weinberg Partners to the Liberty Broadband special committee, which was subsequently confirmed by delivery of a written opinion dated August 5, 2020, addressed to the Liberty Broadband special committee that, as of August 5, 2020 and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein, the Common Consideration to be paid in connection with the first merger pursuant to the merger agreement was fair, from a financial point of view, to the stockholders of Liberty Broadband (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers), as described in more detail in “—Opinion of the Liberty Broadband Special Committee's Financial Advisor;” and

[Table of Contents](#)

- the fact that the Liberty Broadband special committee was aware that it had no obligation to recommend any transaction.

In the course of its deliberations, the Liberty Broadband special committee and the Liberty Broadband Board also considered a variety of risks, uncertainties and other potentially negative factors, including the following (which are not necessarily presented in order of relative importance):

- the fact that the merger consideration to be received by holders of GCI Liberty capital stock will consist of shares of Liberty Broadband capital stock based on a fixed exchange ratio and that the value of the consideration to be received by GCI Liberty stockholders may increase;
- the risk that the full strategic and financial benefits expected to result from the combination may not be realized fully or at all or may take longer to realize than expected;
- the risk that the combination may not be completed in a timely manner or at all, including the risk that the failure to complete the merger could cause Liberty Broadband to incur significant expenses and lead to negative perceptions among investors;
- the fact that not all of the conditions to the first merger and the completion of the combination, including the receipt of necessary third party and regulatory approvals, are within the parties' control;
- the possibility that regulatory approvals necessary to consummate the combination may not be obtained in a timely manner or on terms that are satisfactory to the parties and the possibility that the conditions imposed by regulators adversely affect the business of GCI Liberty post-combination;
- the substantial costs to be incurred by Liberty Broadband in connection with the combination and the transaction documents, including in connection with any litigation that may result from the announcement or pendency of the combination, some of which may be payable regardless of whether the combination is consummated, and the impact of such costs on Liberty Broadband's financial position;
- the expectation that upon completion of the combination, Liberty Broadband will be more leveraged with debt, which could adversely affect Liberty Broadband's future business plans and ability to raise capital;
- the expectation that upon completion of the combination, Liberty Broadband will have higher annual interest expenses from the new borrowings and GCI Liberty's debt, which could adversely affect Liberty Broadband's future business plans and ability to raise capital;
- the fact that Liberty Broadband is required to assume certain obligations and liabilities of GCI Liberty owed to Qurate Retail under the tax sharing agreement and indemnification agreement;
- the restrictions set forth in the merger agreement on the conduct of Liberty Broadband's business prior to completion of the combination, which require Liberty Broadband to conduct its business only in the ordinary course, subject to specified limitations, which could delay or prevent Liberty Broadband from undertaking certain transactions pending completion of the combination;
- the fact that the merger agreement provides for the payment of a termination fee of \$340 million that would become payable by Liberty Broadband under certain circumstances, including if GCI Liberty terminates the merger agreement pursuant to the parent adverse recommendation change termination right;

[Table of Contents](#)

- the possibility that either Skadden or Debevoise would be unable to deliver its reorganization tax opinion, which could prevent the combination from closing, or that the Internal Revenue Service (the “**IRS**”) could assert that the combination otherwise failed to qualify as a “reorganization,” notwithstanding the delivery of such opinions, which could result in material adverse consequences;
- the possibility that if the combination causes the GCI Liberty Split-off to fail to qualify as a tax-free distribution for U.S. federal income tax purposes, Liberty Broadband and GCI Liberty could suffer material adverse consequences; and
- the various other applicable risks associated with Liberty Broadband and GCI Liberty and the combination, including the risks described in the sections entitled “Cautionary Statement Regarding Forward-Looking Statements” and “Risk Factors.”

The foregoing discussion of the information and factors considered by the Liberty Broadband special committee and the Liberty Broadband Board in reaching their conclusions and recommendations is not intended to be exhaustive, but includes the material factors considered by the Liberty Broadband special committee and the Liberty Broadband Board. In view of the wide variety of factors considered in connection with its evaluation of the merger agreement and the other transaction documents and the transactions contemplated by the transaction documents, and the complexity of these matters, the Liberty Broadband special committee and the Liberty Broadband Board did not find it practicable to, and did not attempt to, quantify, rank, or assign any relative or specific weights to the various factors considered in reaching its determinations and making its recommendation. In addition, individual directors may have given different weights to different factors. The Liberty Broadband special committee and the Liberty Broadband Board considered all of the foregoing factors as a whole and based its recommendation on the totality of the information presented.

The foregoing discussion also contains forward-looking statements with respect to future events that may have an effect on Liberty Broadband's business, financial condition or results of operations or the future financial performance of the surviving company of the combination. See the sections entitled “Cautionary Statement Regarding Forward-Looking Statements” and “Risk Factors.”

Position of Liberty Broadband, Merger LLC and Merger Sub as to the Fairness of the Combination

Each Liberty Broadband Filing Person is making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act. Each Liberty Broadband Filing Person has interests in the combination that are different from, and in addition to, those of GCI Liberty's unaffiliated security holders (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers). The views of the Liberty Broadband Filing Persons should not be construed as a recommendation to any GCI Liberty stockholder as to how that stockholder should vote on the GCI Liberty merger proposal.

The Liberty Broadband special committee, Merger LLC and Merger Sub sought to negotiate a transaction that would be most favorable to the Liberty Broadband stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers). GCI Liberty's unaffiliated security holders (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) were represented by the GCI Liberty special committee, which negotiated the terms and conditions of the transaction documents on the unaffiliated security holders' behalf, with the assistance of the GCI Liberty special committee's independent financial and legal advisors. The Liberty Broadband Filing Persons did not participate in the deliberations of the GCI Liberty special committee regarding, or receive advice from GCI Liberty's legal advisors or the GCI Liberty special committee's legal or financial advisors as to, the substantive and procedural fairness of the combination to GCI Liberty's unaffiliated security holders, nor did the Liberty Broadband Filing Persons undertake any independent

[Table of Contents](#)

evaluation of the fairness of the combination to GCI Liberty's unaffiliated security holders, or engage a financial advisor for such purposes.

Liberty Broadband, Merger LLC and Merger Sub considered the following factors, which are not presented in any relative order of importance, in determining the fairness of the combination:

- the merger agreement must be adopted by the affirmative vote of (i) the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, and (ii) the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, excluding all outstanding shares beneficially owned, directly or indirectly, by Liberty Broadband and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing, a condition that is non-waivable;
- the establishment of the GCI Liberty special committee, which consisted entirely of independent and disinterested directors, by the GCI Liberty Board and that committee's broad powers to review, consider, evaluate, negotiate and reject or approve the transaction documents and to consider alternatives;
- the Liberty Broadband special committee did not participate in and did not have any influence on the deliberative process of, or the conclusions reached by, the GCI Liberty special committee or the negotiating positions of the GCI Liberty special committee;
- the fact that the GCI Liberty special committee held numerous meetings and met regularly to discuss and evaluate Liberty Broadband's proposal and was advised by independent financial and legal advisors, and each member of the GCI Liberty special committee was actively engaged in the process; and
- the GCI Liberty special committee negotiated the material terms of the transaction documents and unanimously recommended its approval by the GCI Liberty Board and the GCI Liberty Board unanimously approved the transaction documents and the factors considered by, and the analysis, discussion, and resulting conclusions of, the GCI Liberty Board and the GCI Liberty special committee described in the section entitled "—GCI Liberty's Purpose and Reasons for the Combination; Recommendations of the GCI Liberty Special Committee and GCI Liberty Board of Directors; Fairness of the Combination", which analysis, discussion and resulting conclusions Liberty Broadband, Merger LLC and Merger Sub expressly adopt as their own.

Based on, among other things, the factors considered by, and the analysis and resulting conclusions of, the GCI Liberty Board and the GCI Liberty special committee described in the section entitled "—GCI Liberty's Purpose and Reasons for the Combination; Recommendations of the GCI Liberty Special Committee and GCI Liberty Board of Directors; Fairness of the Combination," Liberty Broadband, Merger LLC and Merger Sub believe that the combination is substantively and procedurally fair to the GCI Liberty unaffiliated security holders (as defined in Rule 13e-3 of the Exchange Act and which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers).

In their consideration of the fairness of the combination to the unaffiliated security holders of GCI Liberty (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers), Liberty Broadband, Merger LLC and Merger Sub considered the current market price of GCI Liberty Series A common stock and GCI Liberty Series B common stock as described on the third bullet on page 59 of this joint proxy statement/prospectus.

[Table of Contents](#)

Liberty Broadband, Merger LLC and Merger Sub did not consider liquidation value of GCI Liberty to be a relevant methodology because (i) they considered GCI Liberty to be a viable, going concern, (ii) they believed that liquidation sales generally result in proceeds substantially less than sales of going concerns, (iii) they considered determining a liquidation value to be impracticable given the significant execution risk involved in any breakup of GCI Liberty and (iv) GCI Liberty will continue to operate its business following the combination.

Further, Liberty Broadband, Merger LLC and Merger Sub did not consider net book value, which is an accounting concept, as a factor because they believed that net book value is not a material indicator of the value of GCI Liberty as a going concern but rather is indicative of historical costs and because net book value does not take into account the prospects of GCI Liberty, market conditions, trends in the industry in which GCI Liberty operates or the business risks inherent in that industry. Liberty Broadband, Merger LLC and Merger Sub did not seek to determine a pre-combination going concern value for GCI Liberty to determine the fairness of the combination to the GCI Liberty stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) because, following the combination, GCI Liberty will have a different capital structure and cost profile, among other things. Liberty Broadband, Merger LLC and Merger Sub believe that the trading price of the GCI Liberty Series A common stock and GCI Liberty Series B common stock at any given time represents the best available indicator of GCI Liberty's going concern value at that time so long as the trading price at that time is not impacted by speculation regarding the likelihood of a potential transaction. To the extent the pre-combination going concern value was reflected in the market prices of GCI Liberty Series A common stock and GCI Liberty Series B common stock prior to June 29, 2020, the last trading day before the public announcement of the merger consideration, the merger consideration represented a premium to the going concern value of GCI Liberty.

Liberty Broadband, Merger LLC and Merger Sub did not make any purchases of GCI Liberty capital stock during the past two years. Liberty Broadband, Merger LLC and Merger Sub did not consider the purchase prices paid by GCI Liberty in previous purchases of GCI Liberty capital stock during the past two years, as they did not consider those prices to represent the best available indicator of GCI Liberty's pre-combination value but rather to be indicative of historical prices over such two-year period, as described below.

Other than as described in the third bullet on page 59 of this joint proxy statement/prospectus, Liberty Broadband, Merger LLC and Merger Sub did not consider the historical market prices of GCI Liberty Series A common stock and GCI Liberty Series B common stock, as they did not consider those prices to represent the best available indicator of GCI Liberty's pre-combination value but rather to be indicative of historical rather than current value. These historical market prices reflect historical industry outlooks and past expectations regarding GCI Liberty's operating performance, do not reflect current pricing regimes or its current expectations, and have been impacted by market speculation regarding the timing of a potential acquisition by Liberty Broadband.

Although none of Liberty Broadband, Merger LLC or Merger Sub are entitled to rely on or adopt, and none did rely on or adopt, such opinion, in making their determination that the combination is substantively and procedurally fair to the unaffiliated security holders of GCI Liberty (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers), Liberty Broadband, Merger LLC and Merger Sub favorably considered the fact that on August 6, 2020 the GCI Liberty special committee received an oral opinion from Evercore (which was subsequently confirmed by delivery of Evercore's written opinion dated August 6, 2020), that, as of the date of such written opinion and based upon and subject to the assumptions made, procedures followed, matters considered, qualifications, limitations and other matters described in such opinion, the exchange ratio in the first merger was fair, from a financial point of view, to the holders of GCI Liberty common stock (other than the Malone Group, the Maffei Group and their respective Affiliates

[Table of Contents](#)

and the Company Section 16 Officers). Evercore's opinion is more fully described below under the heading “—Opinion of the GCI Liberty Special Committee's Financial Advisor.”

Liberty Broadband, Merger LLC and Merger Sub are not aware of any firm offer for a merger, combination, purchase of all or a substantial part of GCI Liberty's assets, or a purchase of a controlling amount of GCI Liberty capital stock having been received by GCI Liberty from anyone other than Liberty Broadband, Merger LLC and Merger Sub in the two years preceding the signing of the merger agreement.

The foregoing discussion of the factors considered by Liberty Broadband, Merger LLC and Merger Sub in connection with the fairness of the merger agreement and the other transaction documents and the transactions contemplated by the transaction documents (including the transactions contemplated by the voting agreements and the exchange agreement) is not intended to be exhaustive but includes all material factors considered by Liberty Broadband, Merger LLC and Merger Sub in making a determination regarding the fairness of the combination for the purpose of complying with the requirements of Rule 13e-3 and the related rules under the Exchange Act. Liberty Broadband, Merger LLC and Merger Sub did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching their position as to the fairness of the combination. Rather, Liberty Broadband, Merger LLC and Merger Sub made their fairness determination after considering all of the factors as a whole.

GCI Liberty's Purpose and Reasons for the Combination; Recommendations of the GCI Liberty Special Committee and GCI Liberty Board of Directors; Fairness of the Combination

The GCI Liberty special committee, consisting entirely of independent and disinterested directors of GCI Liberty, was authorized to determine whether to pursue the combination or any alternative transaction and to review, negotiate and evaluate the terms of the combination on behalf of the unaffiliated stockholders of GCI Liberty (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers). On August 6, 2020, after consultation with, and acting with the advice of, its own independent legal and financial advisors, the GCI Liberty special committee unanimously (i) determined that the merger agreement and the other transaction documents, and the transactions contemplated by the transaction documents (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) and (ii) recommended that the GCI Liberty Board approve and declare advisable the merger agreement and the other transaction documents, and the transactions contemplated by the transaction documents.

The GCI Liberty Board, after considering various factors and receiving the unanimous recommendation of the GCI Liberty special committee, the oral opinion of Evercore described herein and in consultation with GCI Liberty's management and legal advisors, unanimously determined that the merger agreement and the other transaction documents, and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) and unanimously recommends that GCI Liberty stockholders vote “**FOR**” the GCI Liberty merger proposal and “**FOR**” the GCI Liberty adjournment proposal.

After consideration, both the GCI Liberty special committee and GCI Liberty Board also determined that the transactions contemplated by the merger agreement and other transaction documents are substantively and procedurally fair to and in the best interest of GCI Liberty and the unaffiliated security holders (as defined in Rule 13e-3 under the Exchange Act) of GCI Liberty, which

excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers.

Prior to making these determinations, the GCI Liberty special committee considered not only the proposed combination with Liberty Broadband, but also, as described above in “—Background of the Combination”, other potential strategic alternatives and the alternative of remaining as a stand-alone company. In assessing GCI Liberty's strategic alternatives, the GCI Liberty special committee considered, among other factors, the form of consideration to be received and the implied value of such consideration that might be realized by GCI Liberty's stockholders at closing, as well as the anticipated benefits resulting from the simplification of the company's capital structure. Because of the time period required to obtain regulatory approval of the proposed combination, the GCI Liberty special committee considered, as part of its evaluation, the risks that could result in changes to the value of the Liberty Broadband stock to be received at closing by GCI Liberty's stockholders. GCI Liberty's special committee determined that the combination is preferable to other alternatives due to the reasons set forth below.

In reaching its recommendation, the GCI Liberty Board relied on the recommendation of the GCI Liberty special committee and each of the GCI Liberty special committee and the GCI Liberty Board relied on the opinion of Evercore. The GCI Liberty Board also consulted with GCI Liberty's management and its legal advisors, and the GCI Liberty special committee consulted with its financial and legal advisors, as well as the legal advisors of GCI Liberty, and considered a number of factors, including, among others and not necessarily in order of relative importance, the following material factors and benefits of the combination, each of which the GCI Liberty Board believes supports its recommendation:

- ***Consideration for GCI Liberty Stockholders; Valuation.***
 - The course of arms'-length discussions and negotiations between the GCI Liberty special committee, with the advice of its legal and financial advisors, on the one hand, and Liberty Broadband special committee, with the advice of its legal and financial advisors, on the other hand, which, among other things, resulted in a significant movement in favor of the GCI Liberty stockholders from the Liberty Broadband special committee's initial proposed exchange ratio of 0.557 to the mutually agreed exchange ratio of 0.580.
 - The historical and then-current trading prices and volumes of each series of Liberty Broadband common stock and each series of GCI Liberty common stock and that the mutually agreed exchange ratio represented a premium to the exchange ratio implied by the current and historical average trading prices of the Liberty Broadband common stock and GCI Liberty common stock over selected periods since the GCI Liberty Split-off.
 - The exchange ratio of 0.580 implied a significant reduction to the historical discount that had applied to the value of the shares of Liberty Broadband common stock held by GCI Liberty and which was reflected in GCI Liberty's stock price, which discount was discussed with Evercore over the course of multiple meetings of the GCI Liberty special committee.
 - The attractive value of the merger consideration to be received by holders of GCI Liberty Series A common stock and GCI Liberty Series B common stock. Based on the closing price of Liberty Broadband Series C common stock on the Nasdaq Global Select Market and the last sale price of Liberty Broadband Series B common stock on the OTC Markets, in each case, on June 29, 2020, the last trading day before the public announcement of the exchange ratio, the exchange ratio for each share of GCI Liberty Series A common stock and each share of GCI Liberty Series B common stock represented an implied premium of approximately 8.1% and 7.2%, respectively, above the closing price of GCI Liberty Series A common stock and GCI Liberty Series B common stock, respectively, as of June 29, 2020.

- That each share of GCI Liberty Preferred Stock will be converted into the right to receive one share of Liberty Broadband Preferred Stock with substantially identical terms and that Liberty Broadband may have a healthier scale, liquidity (based on an increased public float and expected increase in average daily trading volume) and credit profile, and a greater proportion of its value in highly liquid tradeable securities as compared to GCI Liberty.
- The fact that the combination will eliminate any corporate-level tax on the increase in value of the shares of Liberty Broadband Series C common stock held by GCI Liberty and it will eliminate the discount to such investment.
- ***Financial Advisor Presentations and Opinion.*** Evercore's financial presentation and the various financial analyses performed by Evercore as well as Evercore's oral opinion rendered to the GCI Liberty special committee on August 6, 2020 and, at the request of the GCI Liberty special committee, subsequently rendered to the GCI Liberty Board on August 6, 2020 (which was subsequently confirmed by delivery of Evercore's written opinion dated the same date) to the effect that, as of such date, and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters described in Evercore's written opinion, the exchange ratio in the first merger was fair, from a financial point of view, to the holders of GCI Liberty common stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers, as more fully described below under the heading “—Opinion of the GCI Liberty Special Committee's Financial Advisor.”
- ***Prospects of Liberty Broadband.***
 - The fact that the consideration for the shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock in the first merger will be paid in Liberty Broadband Series C common stock and Liberty Broadband Series B common stock, respectively, which will provide the GCI Liberty common stockholders with the opportunity to participate in any future earnings and growth of the combined company as well as any future appreciation in the value of such shares following the combination should they determine to retain the stock received in the first merger, including the possibility to participate in any future change in control of Liberty Broadband and the ability to hold shares in a combined company with an ownership interest in Charter.
 - That the shares of Liberty Broadband Series C common stock received as consideration in the first merger by holders of GCI Liberty Series A common stock may potentially be a more liquid currency than shares of GCI Liberty Series A common stock.
 - The benefits to the combined company that could result from the combination, including an enhanced competitive position, greater financial resources and a larger, stronger balance sheet, reduction of administrative and management complexity, the potential to realize certain cost savings and operational synergies (including savings in respect of public company and overhead costs), potential reduction of trading discounts to underlying shares of Charter common stock held by the combined company and greater flexibility for and negotiating leverage in future strategic combinations.
- ***Risks and Uncertainty of Status Quo.*** The risks and uncertainty of remaining an independent company, including those arising from having to operate in a business with competitors of significantly larger size and with greater resources, as well as various regulatory risks.
- ***Fixed Exchange Ratio.***
 - Because the merger consideration is based on fixed exchange ratios for the GCI Liberty Series A common stock, GCI Liberty Series B common stock and GCI Liberty Preferred

Stock and the merger agreement does not provide a cap on the value or number of the shares of the Liberty Broadband common stock to be received at the effective time, GCI Liberty common stockholders will benefit from any increase in the value of the Liberty Broadband Series C common stock or Liberty Broadband Series B common stock before the effective time. For example, if, at the effective time, Liberty Broadband Series C common stock price is trading above \$124.98 per share or Liberty Broadband Series B common stock is trading above \$124.00 per share (the respective closing prices on June 29, 2020, the last trading day before the public announcement of the exchange ratio), then the implied value for each share of GCI Liberty Series A common stock or GCI Liberty Series B common stock exchanged in the combination will exceed the implied value for such shares of \$72.49 and \$71.92, respectively, as of June 29, 2020, the last trading day before the public announcement of the exchange ratio.

- The fact that GCI Liberty stockholders (other than Mr. Malone, as described in “Other Agreements Related to the Combination—GCI Liberty Voting Agreement”) and unaffiliated GCI Liberty stockholders, whose votes are required to approve the first merger, can vote against the first merger for any reason, including if the implied value of the Liberty Broadband Series C common stock or Liberty Broadband Series B common stock declines prior to the GCI Liberty special meeting.

- ***Strategic Alternatives; No Other Bidders.***
 - The GCI Liberty special committee's belief that the transactions contemplated by the merger agreement were a superior alternative to the other potential strategic alternatives available to GCI Liberty, including alternative operating strategies and other potential strategic alternatives, considering the feasibility of such alternatives and the risks and uncertainties associated with pursuing such alternatives (including, among other things, the uncertain value that might result from such alternatives and the likelihood that a third party would be interested in acquiring GCI Liberty or its Alaska operating business).
 - The fact that over five weeks passed between public announcement of the agreement in principle regarding the exchange ratio and execution of the definitive transaction documents, during which GCI Liberty was under no limitation on its ability to entertain competing bidders, yet no bidders emerged during that time.

- ***Likelihood of Completion.*** The belief of the GCI Liberty special committee and the GCI Liberty Board that the combination would likely be completed in a timely and efficient manner.

- ***Transaction Structure; Tax Consequences.***
 - The combination is intended to qualify as a “reorganization” for U.S. federal income tax purposes and, accordingly, is intended to be completed in a manner that is tax-free to GCI Liberty and its stockholders (except for the receipt of cash in lieu of fractional shares), and the first merger is conditioned upon the receipt of an opinion from Skadden, GCI Liberty's special tax counsel, and the receipt of an opinion from Debevoise, counsel to the Liberty Broadband special committee, that, in each case, based on certain representations and assumptions, and subject to certain limitations and qualifications, the combination will qualify as a “reorganization,” as described in more detail in “Material U.S. Federal Income Tax Consequences of the Combination.”
 - The combination is not intended to impact the U.S. federal income tax treatment of the GCI Liberty Split-off, and the first merger is conditioned on the receipt of an opinion from Skadden that, based on certain representations and assumptions, and subject to certain limitations and qualifications, the combination will not cause the GCI Liberty Split-off to fail to qualify as a tax-free distribution for U.S. federal income tax purposes.

- ***Terms of the Merger Agreement.***
 - The GCI Liberty special committee's thorough review, together with its financial and legal advisors and the legal advisors of GCI Liberty, of the structure of the proposed combination and the financial and other terms of the merger agreement (including Liberty Broadband's representations, warranties and covenants, the conditions to its obligations and the termination provisions and related termination fees, as well as the likelihood of consummation of the combination and likely time period necessary to close the combination) and the terms of the other transactions contemplated by the transaction documents.
 - The fact that the merger agreement permits the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) to change its recommendation that the GCI Liberty stockholders vote in favor of the adoption of the merger agreement in response to certain acquisition proposals and certain intervening events, if the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) determines in good faith that the failure to change its recommendation would be inconsistent with its fiduciary duties under applicable law.
 - The restrictions on Liberty Broadband's ability to change its recommendation regarding approval of the share issuance proposal and the Liberty Broadband merger proposal and the fact that Liberty Broadband will be required to pay GCI Liberty a termination fee of \$340 million if (1) GCI Liberty terminates the merger agreement because of an adverse recommendation change by Liberty Broadband or the Liberty Broadband special committee or a material breach by Liberty Broadband of its non-solicitation obligations, and (2)(i) after the date of the merger agreement and prior to the Liberty Broadband special meeting, an alternative parent transaction proposal is publicly announced or publicly known to the Liberty Broadband stockholders, and not withdrawn and (ii) within twelve months of such termination, Liberty Broadband or any of its subsidiaries enters into a definitive agreement with respect to (or consummates) any alternative parent transaction proposal. See “—The Merger Agreement—Termination Fee.”
- ***Terms of Exchange Agreement.*** The fact that, pursuant to the exchange agreement, Mr. Malone agreed (i) to waive his right to a number of shares of Liberty Broadband Series B common stock and instead receive an equal number of shares of Liberty Broadband Series C common stock such that Mr. Malone's voting power in the combined entity (including shares held in certain trusts not party to the voting agreements) immediately following closing would not exceed 49%, (ii) following any repurchase, redemption or certain other events that would result in Mr. Malone's voting power exceeding the target voting power plus 0.5%, to transfer shares of Liberty Broadband Series B common stock to Liberty Broadband in exchange for an equal number of shares of Liberty Broadband Series C common stock, but only as necessary in order to preserve the target voting power and (iii) not to transfer shares of Liberty Broadband Series B common stock to Mr. Maffei unless Mr. Maffei signs a successor exchange agreement. See “—Other Agreements Related to the Combination—Exchange Agreement.”
- ***Terms of Voting Agreements.***
 - The fact that certain members of the Malone Group, who collectively own shares representing, in the aggregate, approximately 27.0% of the aggregate voting power of the GCI Liberty capital stock as of September 30, 2020, have agreed, among other things, to vote such shares of GCI Liberty capital stock in favor of the GCI Liberty merger proposal, pursuant to the terms and conditions of the GCI Liberty voting agreement. See “—Other Agreements Related to the Combination—GCI Liberty Voting Agreement.”

[Table of Contents](#)

- The fact that certain members of the Malone Group who collectively own approximately 48.3% of the aggregate voting power of the Liberty Broadband common stock as of September 30, 2020, have agreed, among other things, to vote such shares of Liberty Broadband common stock in favor of the share issuance proposal, pursuant to the terms and conditions of the Liberty Broadband voting agreement. See “—Other Agreements Related to the Combination—Liberty Broadband Voting Agreement.”

The GCI Liberty special committee and GCI Liberty Board also considered several factors relating to the procedural safeguards that the GCI Liberty special committee and the GCI Liberty Board believe were and are present to ensure the fairness of the combination. The GCI Liberty Board believes that the following factors support its recommendations regarding the combination and support the procedural fairness of the combination to GCI Liberty and its stockholders:

- **Authority of the Special Committee.** The resolutions establishing the GCI Liberty special committee delegated to the GCI Liberty special committee the authority to consider the potential combination with Liberty Broadband and any alternatives thereto. In addition, the GCI Liberty special committee was aware that it had no obligation to recommend any transaction.
- **Approval of the Special Committee.** The GCI Liberty Board resolved not to approve or recommend any potential transaction with Liberty Broadband or alternative thereto without the recommendation of the GCI Liberty special committee.
- **Independence of Special Committee.** The fact that the GCI Liberty special committee consists of independent and disinterested directors of GCI Liberty who are not affiliated with any of Liberty Broadband, the Malone Group or the Maffei Group, are not employees of Liberty Broadband or GCI Liberty or any of their respective affiliates and have no financial interest in the combination different from, or in addition to, the interests of the disinterested GCI Liberty stockholders other than their interests described under “—Interests of the GCI Liberty Directors and Executive Officers in the Combination.”
- **Independent Advisors of Special Committee.** The GCI Liberty special committee engaged independent counsel, including independent tax counsel, and an independent financial advisor to assist it as it considered the potential transaction with Liberty Broadband and alternatives thereto.
- **Procedural Conditions.** Prior to any negotiations, including any discussions regarding the exchange ratio, the GCI Liberty special committee and Liberty Broadband special committee were established and agreed with each other and with Mr. Malone that any potential transaction between GCI Liberty and Liberty Broadband would be subject to the procedural conditions.
- **Analysis of Alternatives.** The GCI Liberty special committee did not immediately engage with Liberty Broadband; instead, it first allowed time for Evercore to analyze GCI Liberty and consider potential alternatives to a combination with Liberty Broadband and considered whether to engage in negotiations with Liberty Broadband at all, and, if so, whether to engage in negotiations simultaneously with other potential transaction partners.
- **Arms'-length negotiations.** The GCI Liberty special committee met eleven times and engaged in multiple rounds of negotiations before agreeing to the exchange ratio, met an additional two times before agreeing to the form of consideration, and met an additional six times before recommending the proposed combination to the GCI Liberty Board and was advised by financial and legal advisors, and each member of the GCI Liberty special committee was actively engaged in the process.
- **Required GCI Liberty Stockholder Votes; Majority of the Minority Vote.** The fact that approval of the GCI Liberty merger proposal requires both (i) the affirmative vote of the holders of a majority

of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, voting together as a single class, and (ii) the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of GCI Liberty capital stock entitled to vote thereon and voting together as a single class (excluding all outstanding shares beneficially owned, directly or indirectly, by Liberty Broadband and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing).

- **Financial Advisor Opinion.**

- The fact that Evercore was entitled to receive an opinion fee regardless of the conclusion Evercore reached in its opinion, and that this compensation arrangement was structured and negotiated in a manner that would enhance Evercore's ability to provide objective advice to the GCI Liberty special committee for the benefit of the unaffiliated GCI Liberty stockholders.
- The fact that Evercore rendered an oral opinion to the GCI Liberty special committee on August 6, 2020 and, at the GCI Liberty special committee's request, subsequently rendered its oral opinion to the GCI Liberty Board on August 6, 2020 (which oral opinion was subsequently confirmed by delivery of Evercore's written opinion dated the same date) to the effect that, as of such date, and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters described in Evercore's written opinion, the exchange ratio in the first merger was fair, from a financial point of view, to the holders of GCI Liberty common stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers, as more fully described below under the heading "—Opinion of the GCI Liberty Special Committee's Financial Advisor."

The GCI Liberty Board and GCI Liberty special committee also considered a variety of risks, uncertainties and other potentially negative factors in its deliberations concerning the combination, including the following (which are not necessarily presented in order of relative importance):

- **Possible Downside Risk.** The fact that the merger consideration to be received by GCI Liberty stockholders will consist of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock based on fixed exchange ratios for the GCI Liberty Series A common stock, GCI Liberty Series B common stock and GCI Liberty Preferred Stock and that the value of the merger consideration may decline either before or after the GCI Liberty special meeting and there will be no adjustment to such exchange ratios, thereby exposing the GCI Liberty stockholders to the risks of an equity investment.
- **Relative Voting Power.** The fact that holders of GCI Liberty Series A common stock will receive Liberty Broadband Series C common stock, which is non-voting and as a result that stockholders of GCI Liberty, excluding members of GCI Liberty's management, will not receive a significant voting interest in Liberty Broadband as a result of the combination.
- **B Share Consideration.** The fact that, at the request of Mr. Malone, holders of GCI Liberty Series B common stock will receive Liberty Broadband Series B common stock, which has 10 votes per share; however, pursuant to the terms of the exchange agreement, Mr. Malone's voting power in the combined entity (including shares held in certain trusts not party to the voting agreements) immediately following the effective time would remain at approximately, but would not exceed, 49%.

[Table of Contents](#)

- **No Auction.** The fact that GCI Liberty did not conduct a formal auction process or approach other potential parties to determine whether, in fact, there was other possible interest in acquiring GCI Liberty.
 - **Certain Terms of the Merger Agreement.**
 - The fact that the merger agreement precludes GCI Liberty from actively soliciting alternative takeover proposals and GCI Liberty may not terminate the merger agreement to accept a superior proposal from a third party.
 - The fact that, if GCI Liberty changes its recommendation in response to a superior proposal from a third party or an intervening event and Liberty Broadband subsequently terminates the merger agreement, GCI Liberty would be required to pay a termination fee of \$240 million.
 - The fact that not all the conditions to the first merger and the closing of the combination, including the required stockholder approvals, third party and regulatory approvals, and the receipt of certain tax opinions, are within the parties' control.
 - The possibility that regulatory approvals necessary to consummate the combination may not be obtained in a timely manner.
 - The restrictions set forth in the merger agreement on the conduct of GCI Liberty's business prior to the effective time, which require GCI Liberty to conduct its business only in the ordinary course, subject to specified limitations, which could delay or prevent GCI Liberty from undertaking certain transactions pending completion of the combination.
 - **Costs of the Combination.** The substantial costs to be incurred by GCI Liberty in connection with the merger agreement and the other transactions contemplated thereby, including in connection with any litigation that may result from the announcement or pendency of the combination, regardless of whether the combination is consummated.
 - **No Appraisal Rights for GCI Liberty Series A common stock or GCI Liberty Preferred Stock.** The fact that, although holders of GCI Liberty Series B common stock will have appraisal rights in connection with the transactions, the holders of GCI Liberty Series A common stock and GCI Liberty Preferred Stock will not have appraisal rights.
 - **Realization of Benefits.** The risk that the full strategic and financial benefits expected to result from the combination may not be realized fully or at all or may take longer to realize than expected.
 - **Debt.** The expectation that upon completion of the combination, Liberty Broadband will be more leveraged with debt, which could adversely affect Liberty Broadband's future business plans and ability to raise capital.
 - **Failure to Qualify as Reorganization.** The possibility that either Skadden or Debevoise would be unable to deliver its reorganization tax opinion, which could prevent the combination from closing, or that the IRS could assert that the combination otherwise failed to qualify as a "reorganization," notwithstanding the delivery of such opinions, which could result in material adverse consequences to GCI Liberty, Liberty Broadband, and their respective stockholders.
 - **Failure to Qualify as a Tax-Free Distribution.** The possibility that if the combination causes the GCI Liberty Split-off to fail to qualify as a tax-free distribution for U.S. federal income tax purposes, Liberty Broadband and GCI Liberty could suffer material adverse consequences.
-

[Table of Contents](#)

- **Risk Factors.** The various other applicable risks associated with Liberty Broadband and GCI Liberty and the combination, including the risks described in the sections entitled “Cautionary Statement Regarding Forward-Looking Statements” and entitled “Risk Factors.”

The GCI Liberty special committee and the GCI Liberty Board concluded that the potentially negative factors associated with the proposed combination were outweighed by other factors as discussed above. Further, despite the foregoing risks and other potentially negative factors, the GCI Liberty special committee and the GCI Liberty Board believe that the combination is procedurally fair based on the procedural safeguards implemented during the negotiation of the combination as discussed above. Accordingly, the GCI Liberty Board determined that the merger agreement and the other transaction documents, and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers).

The GCI Liberty special committee did not consider liquidation value of GCI Liberty to be a relevant methodology because (i) it considered GCI Liberty to be a viable going concern, (ii) it believed that liquidation sales generally result in proceeds substantially less than sales of going concerns and (iii) GCI Liberty will continue to operate its business following the combination.

Further, the GCI Liberty special committee did not consider net book value, which is an accounting concept, as a factor because (i) it believed that net book value is not a material indicator of the value of GCI Liberty as a going concern but rather is indicative of historical costs and (ii) net book value does not take into account the prospects of GCI Liberty, market conditions, trends in the industries in which GCI Liberty operates or the business risks inherent in those industries.

The GCI Liberty special committee did not seek to determine a pre-merger going concern value for GCI Liberty to determine the fairness of the combination to the unaffiliated stockholders of GCI Liberty because following the combination GCI Liberty will have a different capital structure, cost profile and operating strategy. However, in its consideration of the fairness of the combination to the unaffiliated stockholders of GCI Liberty, the GCI Liberty special committee considered the financial analyses presented by Evercore, which included a net asset valuation of GCI Liberty on a sum-of-the-parts basis. The material financial analyses reviewed with the GCI Liberty special committee by Evercore are summarized below under “Special Factors—Opinion of the GCI Liberty Special Committee’s Financial Advisor”.

The GCI Liberty special committee did not consider the purchase prices of GCI Liberty Series A common stock paid by GCI Liberty for purchases during the two years prior to the GCI Liberty special committee’s approval of the combination as the GCI Liberty special committee did not consider those prices (which all relate to repurchases prior to April of 2019) to represent the best available indicator of GCI Liberty’s pre-merger value but rather to be solely indicative of historical prices over such two-year period. See the section entitled “Transactions in GCI Liberty Capital Stock” for a summary of GCI Liberty’s transactions in its capital stock during the past two years. Further, the GCI Liberty special committee did not consider such prices indicative of the future market prices of GCI Liberty capital stock as a stand-alone company due to the rapidly changing nature of the industries in which GCI Liberty operates, the current and prospective business climate in which GCI Liberty operates, and the risks and uncertainty of GCI Liberty remaining a public company, and because the GCI Liberty special committee considered the premium to be received by GCI Liberty stockholders (including the unaffiliated stockholders), as described above, at the time the merger consideration was announced as a more relevant factor in determining the fairness of the combination to the unaffiliated stockholders of GCI Liberty.

In considering the recommendation of the GCI Liberty Board that the GCI Liberty stockholders vote to approve the adoption of the merger agreement and the combination contemplated thereby,

[Table of Contents](#)

GCI Liberty stockholders should be aware that the executive officers and directors of GCI Liberty may have certain interests in the combination that may be different from, or in addition to, the interests of GCI Liberty stockholders generally. Excepting only the Liberty Broadband Board's intention to appoint Gregg L. Engles and Sue Ann Hamilton as board members following the completion of the combination, which was not discussed with Mr. Engles or Ms. Hamilton nor were Mr. Engles or Ms. Hamilton aware of such intention prior to the execution of the merger agreement, the GCI Liberty special committee and the GCI Liberty Board were aware of, and considered, these interests when approving the merger agreement and recommending that the GCI Liberty stockholders vote to approve the GCI Liberty merger proposal. For more information on these interests, see “—Interests of GCI Liberty Directors and Executive Officers in the Combination.”

The GCI Liberty Board and the GCI Liberty special committee considered the opinion and financial analysis of Evercore, as more fully described below under the heading “—Opinion of the GCI Liberty Special Committee's Financial Advisor.”

The GCI Liberty Board and the GCI Liberty special committee did not consider any offers made by any unaffiliated person, other than Liberty Broadband, during the past two years for a merger, sale of all or a substantial part of GCI Liberty's assets, or a purchase of a controlling amount of GCI Liberty capital stock because no such offers were made during that time period.

The foregoing discussion summarizes the material information and factors considered by the GCI Liberty Board and GCI Liberty special committee in its consideration of the proposed combination. The GCI Liberty Board, with the unanimous recommendation of the GCI Liberty special committee, unanimously determined, in light of the factors described above and other factors that each member of the GCI Liberty Board felt were appropriate, that the merger agreement and the other transaction documents, and the transactions contemplated thereby (including the transactions contemplated by the voting agreements and the exchange agreement), are advisable and fair to, and in the best interests of, GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers). In view of the variety of factors and the quality and amount of information considered, the GCI Liberty Board and GCI Liberty special committee did not find it practicable to, and did not, make specific assessments of, quantify or otherwise assign relative weights to the specific factors considered in reaching their determinations and, instead, made their determinations after consideration of all factors taken together. Individual members of the GCI Liberty Board may have given different weights to different factors.

The explanation of GCI Liberty's reasons for the combination and other information presented in this section is forward-looking in nature and, accordingly, should be read in light of the factors described under “Risk Factors” and “Cautionary Statement Regarding Forward-Looking Statements.”

The GCI Liberty Board unanimously recommends that GCI Liberty stockholders vote **FOR** the GCI Liberty merger proposal and **FOR** the GCI Liberty adjournment proposal.

Perella Weinberg Partners expressed no opinion as to the price or range of prices at which the Liberty Broadband Series A common stock, the Liberty Broadband Series B common stock or the Liberty Broadband Series C common stock would trade. Perella Weinberg Partners expressed no opinion as to the underlying decision by the Liberty Broadband special committee, the Liberty Broadband Board, its security holders or any other party to engage in the first merger or as to the relative merits of the first merger compared with any alternative transactions or business strategies. Nor did Perella Weinberg Partners express any opinion as to any tax or other consequences that may result from the transactions contemplated by the merger agreement or any other transaction document, nor did Perella Weinberg Partners' opinion address any legal, tax, regulatory or accounting matters, as to which Perella Weinberg Partners understood Liberty Broadband received such advice as it deemed necessary from qualified professionals. Summary of Material Financial Analyses

The following is a summary of the material financial analyses performed by Perella Weinberg Partners and reviewed by the Liberty Broadband special committee in connection with Perella Weinberg Partners' opinion relating to the first merger and does not purport to be a complete description of the financial analyses performed by Perella Weinberg Partners. The order of analyses described below does not represent the relative importance or weight given to those analyses by Perella Weinberg Partners. Some of the summaries of the financial analyses provided below include information presented in tabular format. In order to fully understand Perella Weinberg Partners' analyses, the tables must be read together with the full text of each summary. The tables alone do not constitute a complete description of Perella Weinberg Partners' analyses. Considering the data in the tables below without considering the full description of the analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Perella Weinberg Partners' analyses.

Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before August 4, 2020 and is not necessarily indicative of current market conditions.

Exchange Ratio Over Time

Perella Weinberg Partners observed the high, low, average and median ratios of the price of GCI Liberty Series A common stock to the price of the Liberty Broadband Series C common stock for certain periods since March 12, 2018, the first trading day following the GCI Liberty Split-off, including each of the 30-day, 90-day, 180-day and 360-day periods ended on August 4, 2020, each based on trading days. For each day in the applicable period, Perella Weinberg Partners divided the applicable closing price per share of GCI Liberty Series A common stock by the applicable closing price per share of Liberty Broadband Series C common stock to calculate the historical exchange ratio as of such day. The results of these calculations are summarized in the following table:

Historical GCI Liberty Series A common stock / Liberty Broadband Series C common stock Exchange Ratio

	<u>High</u>	<u>Low</u>	<u>Average</u>	<u>Median</u>
30-Day	0.574x	0.531x	0.565x	0.571x
90-Day	0.574x	0.469x	0.526x	0.523x
180-Day	0.622x	0.445x	0.542x	0.555x
360-Day	0.622x	0.445x	0.570x	0.589x
Since March 12, 2018	0.635x	0.445x	0.580x	0.593x

Perella Weinberg Partners also observed the ratio of the price of GCI Liberty Series A common stock to the price of the Liberty Broadband Series C common stock of 0.569 on August 4, 2020 and the ratio of the price of GCI Liberty Series A common stock to the price of the Liberty Broadband Series C common stock of 0.536 on June 29, 2020, which represented the last trading day prior to Liberty Broadband and GCI Liberty filing Forms 8-K including disclosure of a potential transaction between Liberty Broadband and GCI Liberty at a possible exchange ratio of 0.580 for GCI Liberty Series A common stock and GCI Liberty Series B common stock (GCI Liberty Series A common stock to receive Liberty Broadband Series C common stock and GCI Liberty Series B common stock to receive Liberty Broadband Series B common stock). Perella Weinberg Partners then compared these historical exchange ratios against the exchange ratio of 0.580 provided for in the merger agreement.

Exchange Ratio Analysis

Perella Weinberg Partners performed an implied exchange ratio analysis by calculating the adjusted net asset value for each of Liberty Broadband and GCI Liberty and deriving exchange ratios therefrom. In determining the adjusted net asset value of GCI Liberty, Perella Weinberg Partners performed three separate analyses of GCI Liberty's GCI Holdings business, a selected publicly traded companies analysis, a selected precedent transactions analysis and a discounted cash flow analysis. The exchange ratios derived based on the three different valuation methods of GCI Holdings are set forth below in “—GCI Holdings—Selected Publicly Traded Companies Analysis,” “—GCI Holdings—Selected Transactions Analysis” and “—GCI Holdings—Discounted Cash Flow Analysis.”

Liberty Broadband Net Asset Value Analysis

Perella Weinberg Partners performed a net asset value (“NAV”) analysis of Liberty Broadband, for use in its analysis described above under “—Exchange Ratio Analysis,” to derive a range of values per share of Liberty Broadband common stock. For purposes of this analysis, Perella Weinberg Partners performed separate analyses for the following:

- Liberty Broadband's holdings in common stock of Charter,
- Liberty Broadband's Skyhook business, and
- Liberty Broadband's corporate costs.

With respect to Liberty Broadband's Charter common stock interest, Perella Weinberg Partners multiplied the closing market price on August 4, 2020 of Charter's Class A common stock by the total number of shares of Charter Class A common stock held by Liberty Broadband to derive a total value for Liberty Broadband's Charter common stock interest of \$32,465 million.

With respect to Skyhook, Perella Weinberg Partners performed a selected publicly traded companies analysis and a selected precedent transactions analysis. Based on these analyses and on professional judgments made by Perella Weinberg Partners, Perella Weinberg Partners applied ranges of multiples of 1.5x to 3.0x to Skyhook's fiscal year 2020 estimated revenue provided by Liberty Broadband management to derive a range of estimated implied enterprise values for Skyhook of approximately \$26 million to \$52 million.

Perella Weinberg Partners then derived a range of adjusted NAV for Liberty Broadband by: (i) adding the value of Liberty Broadband's Charter common stock interest, (ii) adding the range of enterprise values it derived for Skyhook, (iii) subtracting Liberty Broadband's net debt of \$558 million provided by Liberty Broadband management and (iv) subtracting the net present value of a range of corporate costs of \$490 million to \$688 million (based on the Liberty Broadband Forecasts and calculated using perpetuity growth rates ranging from 1.75% to 2.25% and using discount rates ranging from 5.80% to 6.80% based on professional judgments made by Perella Weinberg Partners) (the sum of (i) through (iv), the “**Liberty Broadband Adjusted NAV Range**”). Perella Weinberg Partners then divided the Liberty Broadband Adjusted NAV Range by the total number of fully diluted shares (using the treasury stock method) of Liberty Broadband common stock outstanding as of June 30, 2020, provided by Liberty Broadband management, resulting in a Liberty Broadband adjusted NAV per share range of \$170.54 to \$171.75 (the “**Liberty Broadband Adjusted NAV Per Share Range**”). Perella Weinberg Partners compared the Liberty Broadband Adjusted NAV Per Share Range to the share prices of \$139.55 for the Liberty Broadband Series A common stock, \$139.00 for the Liberty Broadband Series B common stock and \$142.07 for the Liberty Broadband Series C common stock at the close of the market on August 4, 2020.

GCI Liberty Net Asset Value Analysis

Perella Weinberg Partners also performed a NAV analysis of GCI Liberty, for use in its analysis described above under “—Exchange Ratio Analysis,” to derive ranges of values per share of GCI Liberty common stock. For purposes of this analysis, Perella Weinberg Partners performed separate analyses, for the following:

- GCI Liberty's holdings in common stock of Liberty Broadband,
- GCI Liberty's holdings in common stock of Charter,
- GCI Liberty's holdings in common stock of LendingTree,
- the GCI Holdings business,
- GCI Liberty's Evite business,
- GCI Liberty's corporate costs,
- estimated transaction costs,
- corporate cost synergies,
- net operating losses, and
- corporate costs tax savings.

With respect to GCI Liberty's Liberty Broadband common stock interest, Perella Weinberg Partners multiplied the closing market price on August 4, 2020 of Liberty Broadband's Series C common stock by the total number of shares of Liberty Broadband Series C common stock held by GCI Liberty to derive a total value for GCI Liberty's Liberty Broadband common stock interest of \$6,064 million.

With respect to GCI Liberty's Charter common stock interest, Perella Weinberg Partners multiplied the closing market price on August 4, 2020 of Charter's Class A common stock by the total number of shares of Charter Class A common stock held by GCI Liberty to derive a total value for GCI Liberty's Charter common stock interest of \$3,215 million.

With respect to GCI Liberty's LendingTree common stock interest, Perella Weinberg Partners multiplied the closing market price on August 4, 2020 of LendingTree's common stock by the total number of shares of LendingTree common stock held by GCI Liberty to derive a total value for GCI Liberty's LendingTree common stock interest of \$1,160 million.

With respect to GCI Holdings, Perella Weinberg Partners performed a selected publicly traded companies analysis as described below in “—GCI Holdings—Selected Publicly Traded Companies Analysis,” a selected precedent transactions analysis as described below in “—GCI Holdings—Selected Transactions Analysis” and a discounted cash flow analysis as described below under “—GCI Holdings—Discounted Cash Flow Analysis.”

With respect to Evite, Perella Weinberg Partners performed a selected publicly traded companies analysis and a selected precedent transactions analysis. Based on these analyses and on professional judgments made by Perella Weinberg Partners, Perella Weinberg Partners applied ranges of multiples of 1.5x to 2.5x to Evite's fiscal year 2020 estimated revenue provided by GCI Liberty management to derive a range of estimated enterprise values for Evite of approximately \$19 million to \$32 million. Perella Weinberg Partners' opinion did not consider, and gives no effect to, GCI Liberty's sale of Evite on September 14, 2020.

For each of the three valuation methodologies for GCI Holdings, Perella Weinberg Partners derived ranges of adjusted NAV for GCI Liberty by: (i) adding the value of GCI Liberty's Liberty

[Table of Contents](#)

Broadband, Charter and LendingTree common stock interests, (ii) adding the applicable range of enterprise values it derived for GCI Holdings based on the applicable valuation methodology, (iii) adding the range of enterprise values it derived for Evite, (iv) subtracting GCI Liberty's net debt of \$3,130 million provided by GCI Liberty management, (v) subtracting GCI Liberty's mandatorily redeemable preferred stock of \$180 million, (vi) subtracting the net present value of a range of corporate costs of \$336 million to \$453 million (based on the GCI Liberty Forecasts and calculated using perpetuity growth rates ranging from 1.75% to 2.25% and using discount rates from 6.35% to 7.35% based on professional judgments made by Perella Weinberg Partners), (vii) subtracting estimated combined transaction costs of \$51 million provided by Liberty Broadband management and GCI Liberty management, (viii) adding the net present value of a range of corporate cost synergies from \$44 million to \$104 million (based on the Synergies and calculated using perpetuity growth rates ranging from 1.75% to 2.25% and using discount rates from 5.80% to 6.80% based on professional judgments made by Perella Weinberg Partners), (ix) adding the net present value of a range of net operating losses from \$114 million to \$119 million (based on the NOL Estimates and calculated using discount rates from 5.80% to 6.80% based on professional judgments made by Perella Weinberg Partners) and (x) adding the net present value of a range of corporate costs tax savings provided by Liberty Broadband management of \$115 million to \$162 million (calculated using perpetuity growth rates ranging from 1.75% to 2.25% and using discount rates from 5.80% to 6.80% based on professional judgments made by Perella Weinberg Partners) (the sum of (i) through (x), a "**GCI Liberty Adjusted NAV Range**"). For purposes of valuing the stock interests in clause (i) above, with respect to GCI Liberty's Liberty Broadband common stock interest, Perella Weinberg Partners utilized the Liberty Broadband Adjusted NAV Per Share Range of \$170.54 to \$171.75 instead of the closing market price on August 4, 2020 of \$142.07 and, with respect to the Charter and LendingTree common stock interests, Perella Weinberg Partners utilized the closing stock prices on August 4, 2020. Perella Weinberg Partners then divided the applicable GCI Liberty Adjusted NAV Range by the total number of fully diluted shares (using the treasury stock method) of GCI Liberty common stock outstanding as of June 30, 2020, provided by GCI Liberty management, to calculate the GCI Liberty Adjusted NAV per share range (a "**GCI Liberty Adjusted NAV Per Share Range**"). Perella Weinberg Partners compared the GCI Liberty Adjusted NAV Per Share Range to the share prices of \$80.90 for the GCI Liberty Series A common stock and \$81.00 for the GCI Liberty Series B common stock at the close of the market on August 4, 2020.

For the purposes of the exchange ratio analysis, Perella Weinberg Partners also calculated GCI Liberty Adjusted NAV Ranges excluding certain items by subtracting from the GCI Liberty Adjusted NAV Range the net present value ranges of corporate cost synergies, net operating losses and corporate costs tax savings. Perella Weinberg Partners then divided these ranges by the total number of fully diluted shares (using the treasury stock method) of GCI Liberty common stock outstanding as of June 30, 2020, provided by GCI Liberty management, to calculate the GCI Liberty adjusted NAV excluding certain items per share range (a "**GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range**"). Perella Weinberg Partners then compared the GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range to the share prices of \$80.90 for the GCI Liberty Series A common stock and \$81.00 for the GCI Liberty Series B common stock at the close of the market on August 4, 2020.

The applicable GCI Liberty Adjusted NAV Per Share Ranges and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Ranges based on the applicable GCI Holdings analysis are set forth below under "—GCI Holdings—Selected Publicly Traded Companies Analysis," "—GCI Holdings—Selected Transactions Analysis" and "—GCI Holdings—Discounted Cash Flow Analysis."

GCI Holdings—Selected Publicly Traded Companies Analysis

Perella Weinberg Partners performed a selected publicly traded companies analysis of GCI Holdings, for use in its analysis described under "—GCI Liberty Net Asset Value Analysis." Perella

Weinberg Partners reviewed and compared certain financial information for GCI Holdings with corresponding financial information, ratios and public market multiples for the certain selected publicly traded companies in the wireless, regional wireless/cable, cable/broadband and enterprise/business services industries (the “**Selected GCI Holdings Publicly Traded Companies**”). Although none of the Selected GCI Holdings Publicly Traded Companies is identical to GCI Holdings, Perella Weinberg Partners selected these companies because they had publicly traded equity securities and were deemed to be similar to GCI Holdings in one or more respects, including operating in the aforementioned industries.

For each of the Selected GCI Holdings Publicly Traded Companies, Perella Weinberg Partners calculated and compared financial information and various financial market multiples and ratios based on company filings for historical information and consensus third-party research estimates for forecasted information. For GCI Holdings, Perella Weinberg Partners made calculations based on company filings for historical information and the GCI Liberty Forecasts for forecasted information.

With respect to each of the Selected GCI Holdings Publicly Traded Companies, Perella Weinberg Partners calculated (i) the ratio of its enterprise value to last twelve months earnings before interest, taxes, depreciation and amortization, and reduced by stock based compensation expense (“**EBITDA**”) as of the latest publicly reported quarterly figures (“**EV/LTM EBITDA**”) and (ii) the ratio of enterprise value to estimated calendar year 2020 EBITDA (“**EV/2020E EBITDA**”). For the purpose of these analyses and based on professional judgments made by Perella Weinberg Partners, certain pro forma and other adjustments were made to the Selected GCI Holdings Publicly Traded Companies to reflect additional publicly available information and enhance comparability. The results of these analyses are summarized in the following table:

Based on the multiples of enterprise value to last twelve months EBITDA and enterprise value to the fiscal year 2020 estimated EBITDA described above, Perella Weinberg Partners' analyses of the Selected GCI Holdings Publicly Traded Companies and on professional judgments made by Perella Weinberg Partners, Perella Weinberg Partners applied a range of multiples of 9.0x to 10.0x to the fiscal year 2020 estimated EBITDA of GCI Holdings in the GCI Liberty Forecasts to derive a range of estimated implied enterprise values for GCI Holdings of approximately \$2,753 million to \$3,059 million.

Although the Selected GCI Holdings Publicly Traded Companies were used for comparison purposes, no business of any Selected GCI Holdings Publicly Traded Company was either identical or directly comparable to GCI Holdings' business. Accordingly, Perella Weinberg Partners' comparison of the Selected GCI Holdings Publicly Traded Companies to GCI Holdings and analysis of the results of such comparisons was not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the Selected GCI Holdings Publicly Traded Companies and GCI Holdings.

Based on this selected publicly traded companies analysis, Perella Weinberg Partners calculated a GCI Liberty Adjusted NAV Per Share Range of \$101.48 to \$107.01 and a GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range of \$98.97 to \$103.46. Perella Weinberg Partners then calculated an exchange ratio of 0.591 to 0.628 for the GCI Liberty Adjusted NAV Per Share Range and 0.576 to 0.607 for the GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by dividing the low end of the GCI Liberty Adjusted NAV Per Share Range and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by the high end of the Liberty Broadband Adjusted NAV Per Share Range and the high end of the GCI Liberty Adjusted NAV Per Share Range and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by the low end of the Liberty Broadband Adjusted NAV Per Share Range. Perella Weinberg Partners then compared these implied exchange ratios against the exchange ratio of 0.580 provided for in the merger agreement.

GCI Holdings—Selected Transactions Analysis

Perella Weinberg Partners performed a selected transactions analysis of GCI Holdings, for use in its analysis described under “—GCI Liberty Net Asset Value Analysis.” Using publicly available information, Perella Weinberg Partners reviewed the terms of selected precedent transactions (the “**Selected Precedent Transactions**”) involving companies that operated in the wireless, rural cable/broadband, non-rural cable/broadband or enterprise/business services industries. Perella Weinberg Partners selected these transactions in the exercise of its professional judgment and experience because Perella Weinberg Partners deemed them to be most similar in size, scope and impact on the respective industries to GCI Holdings or otherwise relevant to the combination.

For each of the Selected Precedent Transactions, Perella Weinberg Partners calculated and compared the transaction value in the transaction as a multiple of EV/LTM EBITDA and compared the transaction value in the transaction as a multiple of EBITDA over the next twelve months (“**EV/Fwd. EBITDA**”). EBITDA was not adjusted for synergies and transaction values were not adjusted for tax assets for such purposes. For the purpose of these analyses and based on professional judgments made by Perella Weinberg Partners, certain pro forma and other adjustments were made to the Selected Precedent Transactions to reflect additional publicly available information and enhance

comparability. The following table lists the Selected Precedent Transactions and summarizes the observed EV/LTM EBITDA and EV/Fwd. EBITDA multiples:

Based on the multiples calculated above, Perella Weinberg Partners' analyses of the various Selected Precedent Transactions and on professional judgments made by Perella Weinberg Partners, Perella Weinberg Partners applied a range of multiples of 9.0x to 10.5x to the fiscal year 2020 estimated EBITDA of GCI Holdings in the GCI Liberty Forecasts to derive a range of estimated implied enterprise values for GCI Holdings of approximately \$2,753 million to \$3,212 million.

[Table of Contents](#)

Although the Selected Precedent Transactions were used for comparison purposes, none of the Selected Precedent Transactions nor the companies involved in them was either identical or directly comparable to the first merger or GCI Holdings.

Based on this selected transactions analysis, Perella Weinberg Partners calculated a GCI Liberty Adjusted NAV Per Share Range of \$101.48 to \$108.42 and a GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range of \$98.97 to \$104.87. Perella Weinberg Partners then calculated an exchange ratio of 0.591 to 0.636 for the GCI Liberty Adjusted NAV Per Share Range and 0.576 to 0.615 for the GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by dividing the low end of the GCI Liberty Adjusted NAV Per Share Range and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by the high end of the Liberty Broadband Adjusted NAV Per Share Range and the high end of the GCI Liberty Adjusted NAV Per Share Range and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by the low end of the Liberty Broadband Adjusted NAV Per Share Range. Perella Weinberg Partners then compared these implied exchange ratios against the exchange ratio of 0.580 provided for in the merger agreement.

GCI Holdings—Discounted Cash Flow Analysis

Perella Weinberg Partners performed a discounted cash flow analysis of GCI Holdings, for use in its analysis described under “—GCI Liberty Net Asset Value Analysis.” Perella Weinberg Partners conducted a discounted cash flow analysis for GCI Holdings based on the GCI Liberty Forecasts to derive a range of implied enterprise values for GCI Holdings by:

- calculating the present value as of June 30, 2020 of the estimated standalone unlevered free cash flows (calculated as earnings before interest payments after taxes, plus depreciation and amortization, minus capital expenditures, and adjusting for changes in net working capital) that GCI Holdings could generate for the six months from July 2020 through December 2020, the complete calendar years 2020 through 2023 as included in the GCI Liberty Forecasts, using discount rates ranging from 6.40% to 7.40% based on estimates of the weighted average cost of capital of GCI Holdings derived using the capital asset pricing model (the “CAPM”), and
- adding the present value as of June 30, 2020 of the terminal year unlevered free cash flow using terminal year exit multiples ranging from 9.0x to 10.0x fiscal year 2023 estimated EBITDA included in the GCI Liberty Forecasts and using discount rates ranging from 6.40% to 7.40%. For the purposes of the terminal year unlevered free cash flow, fiscal year 2023 estimated EBITDA was projected by GCI Liberty management and approved for Perella Weinberg Partners' use by Liberty Broadband management.

Perella Weinberg Partners estimated the range of terminal year exit multiples utilizing its professional judgment and experience. Perella Weinberg Partners used discount rates ranging from 6.40% to 7.40% derived by the application of the CAPM, which takes into account certain company-specific metrics, including GCI Holdings' target capital structure, cost of long-term debt, marginal tax rate and unlevered beta, and on professional judgments made by Perella Weinberg Partners, as well as certain financial metrics for the United States financial markets generally. This analysis resulted in a range of estimated implied enterprise values for GCI Holdings of approximately \$2,654 million to \$2,970 million.

Based on this discounted cash flow analysis, Perella Weinberg Partners calculated a GCI Liberty Adjusted NAV Per Share Range of \$100.57 to \$106.19 and a GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range of \$98.06 to \$102.64. Perella Weinberg Partners then calculated an exchange ratio of 0.586 to 0.623 for the GCI Liberty Adjusted NAV Per Share Range and 0.571 to 0.602 for the GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by dividing the low end of the GCI Liberty Adjusted NAV Per Share Range and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by the high end of the Liberty Broadband Adjusted NAV Per Share Range and the high end of

[Table of Contents](#)

the GCI Liberty Adjusted NAV Per Share Range and GCI Liberty Adjusted NAV Ex. Certain Items Per Share Range by the low end of the Liberty Broadband Adjusted NAV Per Share Range. Perella Weinberg Partners then compared these implied exchange ratios against the exchange ratio of 0.580 provided for in the merger agreement.

Analyst Price Targets

For reference and informational purposes only, Perella Weinberg Partners also noted for the Liberty Broadband special committee selected recent research analyst price targets for the Liberty Broadband Series C common stock and GCI Liberty Series A common stock. Perella Weinberg Partners noted that the research analyst price targets for the GCI Liberty Series A common stock ranged from \$89.00 to \$96.00 per share. Perella Weinberg Partners noted that the research analyst price targets for the Liberty Broadband Series C common stock ranged from \$155.00 to \$187.00 per share. Perella Weinberg Partners then calculated the exchange ratio range implied by the equity research analyst price targets statistics reviewed. Perella Weinberg Partners calculated the ratios of (i) the highest recent research analyst price target for the GCI Liberty Series A common stock to the lowest recent research analyst price target for the Liberty Broadband Series C common stock and (ii) the lowest recent research analyst price target for the GCI Liberty Series A common stock to the highest recent research analyst price target for the Liberty Broadband Series C common stock to derive a range of implied exchange ratios of 0.476 to 0.619. Perella Weinberg Partners compared these implied exchange ratios against the exchange ratio of 0.580 provided for in the merger agreement.

Historical Market Prices

For reference and informational purposes only, Perella Weinberg Partners also noted for the Liberty Broadband special committee the historical closing market prices of the Liberty Broadband Series C common stock and GCI Liberty Series A common stock for the 52 weeks ended on August 4, 2020. Perella Weinberg Partners then calculated the exchange ratio range implied by the historical stock price review. For each day in such 52-week period, Perella Weinberg Partners divided the applicable closing price per share of GCI Liberty Series A common stock by the applicable closing price per share of Liberty Broadband Series C common stock to derive a range of implied exchange ratios for the 52-week period of 0.445 to 0.622. Perella Weinberg Partners compared these implied exchange ratios against the exchange ratio of 0.580 provided for in the merger agreement.

Pro Forma Liberty Broadband Accretion/(Dilution) Analysis

Perella Weinberg Partners analyzed the pro forma financial impacts of the first merger by performing a NAV accretion/(dilution) analysis that compared the range of NAVs per share of Liberty Broadband on a stand-alone basis (as described above in “—Liberty Broadband Net Asset Value Analysis”) to the *pro forma* range of NAVs per share of Liberty Broadband after giving effect to the first merger.

In performing its *pro forma* NAV per share calculation, Perella Weinberg Partners combined the assets and adjustments used in the calculations above in “—Liberty Broadband Net Asset Value Analysis” and “—GCI Liberty Net Asset Value Analysis,” taking the highest and lowest values derived across the various analyses in calculating the applicable ranges, to derive a *pro forma* adjusted NAV and a *pro forma* adjusted NAV excluding the net present value ranges of corporate cost synergies, net operating losses and corporate costs tax savings. Perella Weinberg Partners then calculated the *pro forma* adjusted NAV per share and *pro forma* adjusted NAV excluding the net present value ranges of corporate cost synergies, net operating losses and corporate costs tax savings per share by dividing each of the *pro forma* adjusted NAV and the *pro forma* adjusted NAV excluding the net present value ranges of corporate cost synergies, net operating losses and corporate costs tax savings by the *pro forma* number of fully diluted shares of Liberty Broadband common stock that would be outstanding after the

[Table of Contents](#)

first merger, taking into consideration the shares of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock to be issued pursuant to the merger agreement and the shares of Liberty Broadband Series C common stock currently owned by GCI Liberty that would be acquired in the first merger.

Perella Weinberg Partners also compared the fiscal year 2020 estimated EBITDA per share for Liberty Broadband on a stand-alone basis to the *pro forma* fiscal year 2020 estimated EBITDA per share for Liberty Broadband after giving effect to the first merger. Liberty Broadband's stand-alone fiscal year 2020 estimated EBITDA per share was calculated by adding the proportionate 2020 estimated Charter EBITDA and 2020 estimated Skyhook EBITDA. The *pro forma* fiscal year 2020 estimated Liberty Broadband EBITDA per share was calculated by adding the proportionate 2020 estimated Charter EBITDA, proportionate 2020 estimated LendingTree EBITDA, 2020 estimated GCI Holdings EBITDA, 2020 estimated Skyhook EBITDA, and 2020 estimated Evite EBITDA. The Charter and LendingTree 2020 estimated EBITDA reflect Wall Street research estimates. The Skyhook 2020 estimated EBITDA was provided by Liberty Broadband management and the GCI Holdings and Evite 2020 estimated EBITDA were provided by GCI Liberty management. The proportionate ownership stakes of Charter and LendingTree reflect the fully diluted shares outstanding of each (calculated using the treasury stock method) and in the case of Charter, includes Advance/Newhouse's Class B Common and Preferred Units of Charter Communications Holdings, LLC on an as-converted basis.

Perella Weinberg Partners then calculated the percent accretion/dilution represented by the *pro forma* adjusted NAV per share, the *pro forma* adjusted NAV excluding the net present value ranges of corporate cost synergies, net operating losses and corporate costs tax savings per share, and the fiscal year 2020 estimated EBITDA per share. The results of this analysis are summarized in the following table:

	Liberty Broadband (Standalone)	Pro Forma Liberty Broadband	Accretion/(Dilution)(1)
Adjusted NAV/Share	\$170.54 - \$171.75	\$171.42 - \$176.43	0.5% - 2.7%
Adjusted NAV (Ex. Certain Items)/Share	\$170.54 - \$171.75	\$170.08 - \$174.54	(0.3%) - 1.6%
2020E Proportional EBITDA/Share	\$21.94	\$23.39	6.6%

- (1) Low end of range reflects the low end of the pro forma value compared to the low end of standalone value; high end of the range reflects the high end of the pro forma value compared to the high end of the standalone value.

Miscellaneous

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth herein, without considering the analyses or the summary as a whole could create an incomplete view of the processes underlying Perella Weinberg Partners' opinion. Perella Weinberg Partners may have considered various assumptions more or less probable than other assumptions, so that the range of valuations resulting from any particular analysis described above should therefore not be taken to be Perella Weinberg Partners' view of the value of Liberty Broadband or GCI Liberty. In arriving at its fairness determination, Perella Weinberg Partners considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered. Rather, Perella Weinberg Partners made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the analyses described herein as a comparison is directly comparable to Liberty Broadband, GCI Liberty, GCI Holdings, Skyhook, Evite or the first merger.

Perella Weinberg Partners prepared the analyses described herein for the purposes of providing its opinion to the Liberty Broadband special committee as to the fairness, from a financial point of view, as of the date of such opinion, of the Common Consideration to be paid in connection with the first merger, to the stockholders of Liberty Broadband other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and Parent Section 16 Officers. These analyses do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold. Perella Weinberg Partners' analyses were based in part upon the Liberty Broadband Forecasts, the GCI Liberty Forecasts, the Synergies, the NOL Estimates and other third-party research analyst estimates, which are not necessarily indicative of actual future results, and which may be significantly more or less favorable than suggested by Perella Weinberg Partners' analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties to the merger agreement or their respective advisors, none of Liberty Broadband, GCI Liberty, Perella Weinberg Partners or any other person assumes responsibility if future results are materially different from those forecasted by Liberty Broadband management, GCI Liberty management or third parties.

The consideration to the GCI Liberty stockholders provided for in the merger agreement was determined through arms'-length negotiations between the Liberty Broadband special committee and the GCI Liberty special committee. Perella Weinberg Partners did not recommend that any specific amount of consideration constituted the only appropriate consideration for the first merger.

Pursuant to the terms of the engagement letter between Perella Weinberg Partners and Liberty Broadband, dated April 22, 2020, Liberty Broadband agreed to pay Perella Weinberg Partners (i) an advisory fee of \$1 million upon execution of the engagement letter and \$500,000 installments payable on May 8, 2020, June 8, 2020 and July 8, 2020, (ii) a fairness opinion fee of \$7.5 million upon the delivery of Perella Weinberg Partners' opinion or the determination by Perella Weinberg Partners that it is not able to deliver a fairness opinion containing the conclusion sought by the Liberty Broadband special committee (such amount to be reduced by the amounts previously paid under the advisory fee) and (iii) an additional transaction fee of \$15 million upon the consummation of the first merger (such amount to be reduced by the amounts previously paid under the advisory fee and the fairness opinion fee). In addition, Liberty Broadband agreed to reimburse Perella Weinberg Partners for its reasonable out-of-pocket expenses, including attorneys' fees and disbursements, and to indemnify Perella Weinberg Partners and related persons for certain liabilities and other items that may arise out of its engagement by Liberty Broadband and the rendering of Perella Weinberg Partners' opinion. None of these payments affected Perella Weinberg Partners' analysis or opinion.

As of the date of the engagement letter between Perella Weinberg Partners and Liberty Broadband, Mr. George H. Young III, a Partner of Perella Weinberg Partners, beneficially owned shares in GCI Liberty and in Liberty Broadband, as well as in Charter, a company in which both GCI Liberty and Liberty Broadband invest. In addition, on such date, Mr. Young beneficially owned shares of LGP (as defined below), in which Mr. Malone beneficially owns 30.0% of the voting power as of September 30, 2020, and Liberty TripAdvisor (as defined below), in which Mr. Maffei beneficially owns 38.6% of the voting power as of September 30, 2020. Except in connection with its engagement as financial advisor to the Liberty Broadband special committee in connection with the first merger, during the two year period prior to the date of the opinion, no material relationship existed between Perella Weinberg Partners and its affiliates, on the one hand, and Liberty Broadband, GCI Liberty, the Maffei Group, the Malone Group or any of their respective affiliates, on the other hand, pursuant to which compensation was received by Perella Weinberg Partners or its affiliates. Perella Weinberg Partners and its affiliates may in the future provide investment banking and other financial services to Liberty Broadband, GCI Liberty, the Maffei Group, the Malone Group or their respective affiliates for which they would expect to receive compensation. In the ordinary course of its business activities, Perella Weinberg Partners or its affiliates may at any time hold long or short positions, and may trade

or otherwise effect transactions, for its own account or the accounts of customers, in debt or equity or other securities (or related derivative securities) or financial instruments (including bank loans or other obligations) of Liberty Broadband, GCI Liberty or any of their respective affiliates.

Opinion of the GCI Liberty Special Committee's Financial Advisor

Opinion of Evercore Group L.L.C.

The GCI Liberty special committee retained Evercore to act as its financial advisor in connection with the combination.

On August 6, 2020, at a meeting of the GCI Liberty special committee, Evercore rendered to the GCI Liberty special committee its oral opinion, subsequently confirmed by delivery of its written opinion, that, as of August 6, 2020, and based upon and subject to the assumptions, qualifications, limitations and other matters described in its written opinion, the exchange ratio in the first merger was fair, from a financial point of view, to the holders of GCI Liberty common stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers. At the request of the GCI Liberty special committee, on August 6, 2020, Evercore subsequently rendered its opinion to the GCI Liberty Board.

The opinion does not constitute a recommendation to the GCI Liberty special committee, the GCI Liberty Board or to any other person in respect of the combination, including as to how any holder of shares of GCI Liberty common stock should vote or act in respect of the combination. Evercore's opinion does not address the relative merits of the combination as compared to other business or financial strategies that might be available to GCI Liberty, nor does it address the underlying business decision of GCI Liberty to engage in the combination. In addition, Evercore's opinion was rendered as of August 6, 2020 and did not consider, and does not give effect to, the sale of Evite on September 14, 2020.

In connection with rendering its opinion, Evercore, among other things:

Evercore assumes no responsibility or liability for such information or any independent verification thereof. With respect to the projected financial and operating data referred to above, Evercore assumed with the GCI Liberty special committee's consent that such data had been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the managements of GCI Liberty and Liberty Broadband as to the future financial performance of GCI Liberty and Liberty Broadband and the other matters covered thereby. Evercore relied, at the GCI Liberty special committee's direction and without independent verification, on the assessments of the managements of GCI Liberty and Liberty Broadband as to the future financial and operating performance of GCI Liberty and Liberty Broadband. Evercore expressed no view as to any projected financial and operating data or any judgments, estimates or assumptions on which they are based.

For purposes of its analysis and rendering its opinion, Evercore assumed, in all respects material to its analysis, that the final executed merger agreement would not differ from the draft merger agreement reviewed by Evercore, that the representations and warranties of each party were true and correct, that each party would perform all of the covenants and agreements required to be performed by it under the merger agreement and that all conditions to the consummation of the combination would be satisfied without material waiver or modification thereof. Evercore further assumed, in all respects material to its analysis, that all governmental, regulatory or other consents, approvals or releases necessary for the consummation of the combination would be obtained without any delay, limitation, restriction or condition that would have an adverse effect on GCI Liberty, Liberty Broadband or the consummation of the combination or reduce the contemplated benefits of the combination to the holders of GCI Liberty common stock. Further, as the GCI Liberty special

committee and GCI Liberty Board were aware, the credit, financial and stock markets had been experiencing unusual volatility and Evercore expressed no opinion or view as to any potential effects of such volatility on the parties to the merger agreement or the combination.

Evercore did not conduct a physical inspection of the properties or facilities of GCI Liberty or Liberty Broadband and did not make nor assume any responsibility for making any independent valuation or appraisal of the assets or liabilities (including any contingent, derivative or other off-balance sheet assets and liabilities) of GCI Liberty or Liberty Broadband, nor did Evercore evaluate the solvency or fair value of GCI Liberty or Liberty Broadband under any state or federal laws relating to bankruptcy, insolvency or similar matters. Evercore's opinion was necessarily based upon information made available to Evercore as of August 6, 2020, and financial, economic, market and other conditions as they existed and as could be evaluated on such date. Subsequent developments may affect Evercore's opinion and Evercore does not have any obligation to update, revise or reaffirm its opinion.

Evercore was not asked to pass upon, and expressed no opinion with respect to, any matter other than the fairness to the holders of GCI Liberty common stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers, from a financial point of view, of the exchange ratio in the first merger. Evercore did not express any view on, and its opinion did not address, the fairness of the proposed transaction to, or any consideration received in connection therewith by, the holders of any other securities, creditors or other constituencies of GCI Liberty, nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of GCI Liberty, or any class of such persons, whether relative to the common exchange ratio or otherwise, nor did Evercore express any view on, and its opinion did not address, the fairness of the common exchange ratio to the holders of GCI Liberty Series A common stock relative to the holders of GCI Liberty Series B common stock, or vice versa. Evercore was not asked to, nor did it express any view on, and its opinion did not address, any other term or aspect of the merger agreement or the combination, including, without limitation, the structure or form of the combination, or any term or aspect of any other agreement or instrument contemplated by the merger agreement or entered into or amended in connection with the merger agreement. Evercore's opinion did not address the relative merits of the combination as compared to other business or financial strategies that might be available to GCI Liberty, nor did it address the underlying business decision of GCI Liberty to engage in the combination. Evercore did not express any view on, and its opinion did not address, what the value of the Liberty Broadband common stock actually will be when issued or the prices at which the GCI Liberty common stock or the Liberty Broadband common stock will trade at any time, or whether any class or series of common stock or preferred stock will trade at different prices, including following announcement or consummation of the combination. In arriving at its opinion, Evercore was not authorized to solicit, and did not solicit, interest from any third party with respect to the acquisition of any or all of the GCI Liberty common stock or any business combination or other extraordinary transaction involving GCI Liberty. Evercore's opinion does not constitute a recommendation to the GCI Liberty special committee, the GCI Liberty Board or to any other persons in respect of the combination, including as to how any holder of shares of GCI Liberty common stock should vote or act in respect of the combination. Evercore did not express any opinion as to the prices at which shares of GCI Liberty common stock will trade at any time, as to the potential effects of volatility in the credit, financial and stock markets on GCI Liberty or the combination or as to the impact of the combination on the solvency or viability of GCI Liberty or the ability of GCI Liberty to pay its obligations when they come due. Evercore is not a legal, regulatory, accounting or tax expert and assumed the accuracy and completeness of assessments by GCI Liberty and its advisors with respect to legal, regulatory, accounting and tax matters.

Evercore's opinion was only one of many factors considered by the GCI Liberty special committee and the GCI Liberty Board in their evaluations of the combination and should not be viewed as

determinative of the views of the GCI Liberty special committee or the GCI Liberty Board with respect to the first merger, the combination or the common exchange ratio.

Set forth below is a brief summary of the material financial analyses that were reviewed with the GCI Liberty special committee and, at the GCI Liberty special committee's request, the GCI Liberty Board in connection with Evercore rendering its opinion. The summary of Evercore's financial analyses below is not a complete description of the analyses performed by Evercore and the order in which the analyses are described below and the results of such analyses do not represent relative importance or weight given to these analyses by Evercore. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data that existed as of or before June 29, 2020, the last trading day prior to the public announcement of the exchange ratio, and is not necessarily indicative of current market conditions.

For purposes of its analyses and review, Evercore considered general business, economic, market and financial conditions, industry sector performance, and other matters, as they existed and could be evaluated as of the date of its opinion, many of which are beyond the control of GCI Liberty, Liberty Broadband and their advisors. The estimates contained in Evercore's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by Evercore's analyses. In addition, Evercore's analyses do not purport to be appraisals or to necessarily reflect the prices at which companies, businesses or securities actually may be sold. Accordingly, any estimates used in, and the results derived from, Evercore's analyses are inherently subject to substantial uncertainty, and Evercore assumes no responsibility if future results or values are materially different from those forecasted in such estimates.

The following summary of Evercore's financial analyses includes information presented in tabular format. In order to fully understand Evercore's analyses, the tables must be read together with the full text of each summary. Evercore also calculated various implied historical exchange ratios on an adjusted basis for GCI Liberty's share interest in LendingTree.

Evercore derived an adjusted price per share for the GCI Liberty Series A common stock by subtracting the value of GCI Liberty's share interest in LendingTree on an after-tax basis (assuming an effective tax rate of 27% as provided by GCI Liberty management) with respect to each of the periods set forth below, calculated based on publicly available information regarding LendingTree's historical trading prices, number of shares held by GCI Liberty in LendingTree and information regarding GCI Liberty's tax basis in LendingTree provided by GCI Liberty management, from the average GCI Liberty Series A share price over the equivalent period. Evercore then divided the resulting adjusted average GCI Liberty Series A share price by the average Liberty Broadband Series C share price over the same period to derive an implied adjusted historical exchange ratio. Evercore also derived an adjusted exchange ratio in the first merger by subtracting from the implied GCI Liberty Series A per share consideration of \$72.49 (calculated as described below under “—Implied Per Share Premium Analysis”) the value of GCI Liberty's share interest in LendingTree on an after-tax basis (calculated as described above based on publicly available information and assuming an effective tax rate of 27% as provided by GCI Liberty management) and dividing the resulting adjusted GCI Liberty Series A share price by the Liberty Broadband Series C share price as of June 29, 2020 to derive an adjusted exchange ratio in the first merger of 0.525. Evercore then calculated the implied premium/(discount) represented by the adjusted exchange ratio of 0.525 relative to each of the implied adjusted historical exchange ratios.

Implied Valuation of Liberty Broadband Shares held by GCI Liberty

Evercore derived a range of values for the shares of Liberty Broadband Series C common stock held by GCI Liberty implied by the exchange ratio and then compared such values to the pre-tax public market equity value of such shares as of June 29, 2020.

In order to derive this range, Evercore calculated the enterprise value of GCI Liberty implied by the exchange ratio by adding to the implied transaction value of \$7,735 million (as described above) the net debt of GCI Liberty (calculated as debt, including the GCI Liberty Preferred Stock, less cash and cash equivalents) as of June 30, 2020, resulting in an implied enterprise value of \$10,926 million. Evercore then subtracted from the implied enterprise value the value of GCI Liberty’s assets other than GCI Liberty’s share interest in Liberty Broadband based on valuations for such assets selected by Evercore in its professional judgment and informed by the NAV analysis performed by Evercore as described below under “—Other Reference Information—Illustrative Net Asset Valuation Analysis—GCI Liberty” and other publicly available information to derive a range of implied equity values for the shares of Liberty Broadband held by GCI Liberty, which is referred to as the “**implied internal Liberty Broadband equity values.**” Evercore then compared this range of implied internal Liberty Broadband equity values to the public market equity value of GCI Liberty’s share interest in Liberty Broadband on a pre-tax basis (calculated as described below under “—Other Reference Information—Illustrative Net

Illustrative Net Asset Valuation Analysis—GCI Liberty

Evercore performed a net asset value analysis of GCI Liberty on a sum-of-the-parts basis to derive ranges of illustrative NAV for GCI Liberty on a pre-tax and post-tax basis for its use in the analysis described above under the sections entitled “—Implied Premium/(Discount) to Net Asset Value Analysis—GCI Liberty” and “—Implied Valuation of Liberty Broadband Shares held by GCI Liberty”:

For purposes of this analysis, Evercore performed separate analyses for each of the following:

- GCI Liberty's share interest in Liberty Broadband;
- GCI Liberty's share interest in Charter;
- GCI Liberty's share interest in LendingTree;

[Table of Contents](#)

- GCI Liberty's Evite business;

With respect to GCI Liberty's share interest in Liberty Broadband, Evercore multiplied the closing share price of the Liberty Broadband Series C common stock on June 29, 2020 of \$124.98, by the total number of shares of Liberty Broadband Series C common stock held by GCI Liberty as provided by GCI Liberty management to derive a total equity value for GCI Liberty's share interest in Liberty Broadband of (a) \$5,334 million on a pre-tax basis and (b) of \$4,542 million on a post-tax basis (assuming an effective tax rate of 27% and tax basis information as provided by GCI Liberty management).

With respect to GCI Liberty's share interest in Charter, Evercore multiplied the closing share price of the Charter Class A common stock on June 29, 2020 of \$509.22, by the total number of shares of Charter Class A common stock held by GCI Liberty as provided by GCI Liberty management to derive a total equity value for GCI Liberty's share interest in Charter of (a) \$2,729 million on a pre-tax basis and (b) \$2,028 million on a post-tax basis (assuming an effective tax rate of 27% and tax basis information as provided by GCI Liberty management).

With respect to GCI Liberty's share interest in LendingTree, Evercore multiplied the closing share price of the LendingTree common stock on June 29, 2020 of \$272.75, by the total number of shares of LendingTree common stock held by GCI Liberty as provided by GCI Liberty management to derive a total equity value for GCI Liberty's share interest in LendingTree of (a) \$939 million on a pre-tax basis and (b) \$799 million on a post-tax basis (assuming an effective tax rate of 27% and tax basis information as provided by GCI Liberty management and the utilization of certain tax attributes (other than GCI Liberty's net operating loss assets) as provided by GCI Liberty management).

With respect to Evite, Evercore performed a discounted cash flow analysis of Evite using estimates of the projected unlevered future cash flows of Evite on an after-tax basis and other information provided by Evite management to derive a range of implied enterprise values for Evite. Evercore calculated a range of terminal values for Evite by applying a range of terminal year revenue multiples of 1.25x to 2.25x, selected by Evercore in its professional judgment and experience taking into account the revenue multiples of selected publicly traded companies as of August 3, 2020, similar to Evite as reviewed by Evercore, to the estimate of terminal year revenue for Evite provided by Evite management. Evercore then discounted Evite's projected after-tax, unlevered free cash flows provided by Evite management and the ranges of terminal values to present value as of June 30, 2020 based on Evercore's judgment of the estimated weighted average cost of capital ("WACC") for Evite of 14%, to derive a range of implied enterprise values for Evite of \$18 million to \$35 million. Although none of the publicly traded companies referenced by Evercore in selecting the range of revenue multiples is directly comparable to Evite, Evercore selected these companies based on its professional judgment because Evercore determined that the companies had business characteristics that, for purposes of Evercore's analysis, Evercore considered sufficiently similar to the business characteristics of Evite. Evercore's opinion did not consider, and gives no effect to, GCI Liberty's sale of Evite on September 14, 2020.

With respect to GCI Holdings' business, Evercore performed the following analyses to derive a range of implied enterprise values for GCI Holdings' business: (1) selected public company trading analysis, (2) precedent transactions analysis and (3) a discounted cash flow analysis.

- **Selected Public Company Trading Analysis:** Evercore reviewed and compared certain financial information of GCI Holdings' business to corresponding financial multiples and ratios for selected publicly traded companies in the wireless and cable industries (which for purposes of

this section are referred to as the “**selected companies**”). The selected publicly traded wireless companies were: AT&T Inc., Verizon Communications Inc., T-Mobile US, Inc. (“**T-Mobile**”), United States Cellular Corporation and Shenandoah Telecommunications Company. The selected publicly traded cable companies were: Comcast Corp., Charter, Altice USA, Inc., Cable One, Inc. and WideOpenWest, Inc. Although none of the selected companies is directly comparable to GCI Liberty or GCI Holdings' business, Evercore selected these companies based on its professional judgment because they are publicly traded cable or wireless companies with business characteristics that, for purposes of Evercore's analysis, Evercore considered sufficiently similar to the business characteristics of GCI Holdings' business.

Using publicly available information, Evercore calculated the total enterprise value (or “**TEV**”) (defined as equity market value as of August 3, 2020 plus total debt, less available cash and cash equivalents, plus minority interests, less interests in non-consolidated affiliates) for each selected company as a multiple of the expected EBITDA (defined as earnings before interest, taxes, depreciation and amortization) for 2020 and 2021 based on estimates obtained from publicly available equity research analysts and FactSet. The mean and median TEV to EBITDA multiples for 2020 resulting from these calculations were 8.2x and 7.4x, respectively, for the selected publicly traded wireless companies, and 11.4x and 9.7x, respectively, for the selected publicly traded cable companies. The mean and median TEV to EBITDA multiples for 2021 resulting from these calculations were 7.8x and 7.1x, respectively, for the selected publicly traded wireless companies and 10.7x and 9.0x, respectively, for the selected publicly traded cable companies.

Based on the multiples it derived for the selected companies for 2020 and 2021 and using Evercore's professional judgment and experience, Evercore applied a range of (a) 8.5x to 10.0x to GCI Liberty management's estimate of the EBITDA of GCI Holdings' business for 2020 (including stock-based compensation as an expense and an estimate of the expected proceeds from GCI Liberty's sale of its subsidiary, Denali Media Holdings (“**DMH**”)) to derive a range of implied enterprise values for GCI Holdings' business of \$2,623 million to \$3,082 million and (b) a range of 8.0x to 9.5x to GCI Liberty management's estimate of the EBITDA of GCI Holdings' business for 2021 (including stock-based compensation as an expense and an estimate of the expected proceeds from GCI Liberty's sale of DMH) to derive a range of implied enterprise values for GCI Holdings' business of \$2,444 million to \$2,899 million.

- **Precedent Transactions Analysis:** Evercore reviewed publicly available information related to selected precedent transactions involving companies in the wireless and cable industries. For each selected precedent transaction, Evercore calculated the total enterprise value of the target company based on publicly available information as a multiple of the EBITDA of the target company over the twelve months prior to the announcement of the transaction (“**LTM EBITDA**”), including stock-based compensation as an expense, based on publicly available information and equity research analysts' projections. Although none of the target companies below is directly comparable to GCI Holdings' business and none of the precedent transactions is directly comparable to the combination, Evercore selected these transactions based on its professional judgment because they involve target companies that are wireless or cable companies with business characteristics that for purposes of its analysis Evercore considered sufficiently similar to the business characteristics of GCI Holdings' business.

The selected precedent transactions reviewed by Evercore were:

The mean and median TEV to LTM EBITDA ratios for the selected precedent transactions involving wireless companies were 7.7x and 7.6x, respectively, and for the selected precedent transactions involving cable companies were 10.1x and 9.7x, respectively.

Based on the multiples it derived from the selected precedent transactions and based on Evercore's professional judgment and experience, Evercore selected a reference range of total enterprise value to LTM EBITDA multiples of 9.0 to 11.5x and applied the high and low end of this range of multiples to the LTM EBITDA of GCI Holdings' business for the period ending June 30, 2020, (including stock-based compensation as an expense and an estimate of the expected proceeds from GCI Liberty's sale of DMH), as provided by GCI Liberty management, to derive a range of implied enterprise values for GCI Holdings' business of \$2,665 million to \$3,401 million.

- Discounted Cash Flow Analysis:** Evercore performed a discounted cash flow analysis of GCI Holdings' business using estimates of projected unlevered future cash flows of GCI Holdings' business on an after-tax basis and other information provided by GCI Liberty management to derive a range of implied enterprise values for GCI Holdings' business. Evercore calculated a terminal value for GCI Holdings' business by applying an assumed perpetuity growth rate range of 1.5% to 2.5% to the estimate of terminal year unlevered free cash flow provided by GCI Liberty management. Evercore then discounted the projected unlevered free cash flows of GCI Holdings' business for the third quarter and fourth quarter of 2020 and over the period from 2021 to 2023 as well as the terminal value to present value as of June 30, 2020 based on

[Table of Contents](#)

Evercore's judgment of the estimated range of GCI Holdings' business' WACC of 6.25% to 7.25% to derive an implied total enterprise value for GCI Holdings' business of \$2,243 million to \$3,296 million.

Based on the above analyses and its professional judgment and experience, Evercore selected a range of total enterprise values for the GCI Holdings' business of \$2,500 million to \$3,000 million.

Evercore then derived a range of pre-tax NAVs for GCI Liberty by: (i) adding the values of GCI Liberty's share interest in Liberty Broadband, Charter and LendingTree on a pre-tax basis that Evercore calculated as described above, (ii) adding the high and low range of the enterprise values Evercore derived for Evite and GCI as described above, (iii) subtracting GCI Liberty's net debt (calculated as debt, including GCI Liberty's preferred stock and certain indemnification obligations, less cash and cash equivalents) as of June 30, 2020 as provided by GCI Liberty management, (iv) subtracting an estimate of the net present value of GCI Liberty's corporate costs and stock-based compensation expense as provided by GCI Liberty management (applying a WACC of 6.75%), and (v) adding an estimate of the net present value of certain federal and state net operating losses and of certain expected receivables from legal settlements as provided by GCI Liberty management (applying a WACC of 6.75%), resulting in a range of implied NAVs for GCI Liberty on a pre-tax basis of \$8,107 million to \$8,624 million.

Evercore also derived a range of post-tax NAVs for GCI Liberty by: (i) adding the values of GCI Liberty's share interests in Liberty Broadband, Charter and LendingTree on a post-tax basis that Evercore calculated as described above, (ii) adding the high and low range of enterprise values Evercore derived for Evite and GCI Liberty as described above, (iii) subtracting GCI Liberty's net debt as of June 30, 2020 and the estimate of the net present value of GCI Liberty's corporate costs and expenses as described above, and (iv) adding the estimate of the net present value of GCI Liberty's federal and state net operating losses and legal settlement receivables as described above, resulting in a range of implied post-tax NAVs for GCI Liberty of \$6,474 million to \$6,990 million.

- Liberty Broadband's share interest in Charter;
- Liberty Broadband's Skyhook business; and
- Liberty Broadband's corporate expense.

With respect to Liberty Broadband's share interest in Charter, Evercore multiplied the closing share price of the Charter Class A common stock on June 29, 2020 of \$509.22, by the total number of shares of Charter Class A common stock held by Liberty Broadband (as provided by Liberty Broadband management) to derive a total value for Liberty Broadband's share interest in Charter of (a) \$27,564 million on a pre-tax basis and (b) \$22,833 million on a post-tax basis (assuming an effective tax rate of 24% as provided by Liberty Broadband management).

Skyhook management to derive a range of implied enterprise values for Skyhook. Evercore calculated a range of terminal values for Skyhook by applying a range of terminal year revenue multiples of 1.5x to 3.5x, selected by Evercore in its professional judgment and experience taking into account the revenue multiples of selected telematics and positioning technology companies, to the estimate of terminal year revenue of Skyhook provided by Skyhook management. Evercore then discounted Skyhook's projected unlevered free cash flows provided by Skyhook management for the third quarter and fourth quarter of 2020 and the period through 2022 and the range of terminal values to present value as of June 30, 2020 based on Evercore's judgment of the estimated WACC for Skyhook of 12%, to derive a range of implied total enterprise values for Skyhook of \$13 million to \$42 million. Although none of the selected companies referenced by Evercore in selecting the range of revenue multiples is directly comparable to Skyhook, Evercore selected these companies based on its professional judgment because Evercore determined that the companies had business characteristics that, for purposes of Evercore's analysis, Evercore considered sufficiently similar to the business characteristics of Skyhook.

Evercore derived a range of pre-tax NAVs for Liberty Broadband by: (i) adding the value of Liberty Broadband's share interest in Charter on a pre-tax basis derived by Evercore as described above, (ii) adding the high and low range of enterprise values for Skyhook derived by Evercore as described above, (iii) subtracting Liberty Broadband's net debt as of June 30, 2020 as provided by Liberty Broadband management and (iv) subtracting an estimate of the net present value of Liberty Broadband's corporate costs and stock-based compensation expense as provided by Liberty Broadband management (applying a WACC of 6.75%), resulting in an illustrative range of pre-tax NAV for Liberty Broadband of \$26,430 million to \$26,459 million.

Evercore then compared the high and low end of the range of illustrative pre-tax NAVs for Liberty Broadband to the public market equity value of Liberty Broadband as of June 29, 2020 (calculated based on the closing price of the shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Series C common stock as of June 29, 2020 and Liberty Broadband's fully diluted shares outstanding based on publicly available information), resulting in a range of implied discounts to pre-tax NAV of 13.7% to 13.8%.

Evercore also derived a range of post-tax NAVs for Liberty Broadband by using the value of Liberty Broadband's share interest in Charter on a taxed basis that Evercore calculated as described above, resulting in a range of post-tax NAVs for Liberty Broadband of \$21,699 million to \$21,728 million. Evercore then compared the high and low end of this range to the public market equity value of Liberty Broadband as of June 29, 2020 described above, resulting in a range of implied premia to post-tax NAV of 5.1% to 4.9%.

Miscellaneous

The foregoing summary of certain of Evercore's material financial analyses does not purport to be a complete description of the analyses or data presented by Evercore. Evercore performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a financial opinion is a complex process, which, among other things, involves various determinations as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances and, therefore, is not readily susceptible to partial analysis or summary description.

In arriving at its opinion, Evercore considered the results of all the analyses performed and did not draw, in isolation, conclusions from or with regard to any one analysis or factor considered by it. Rather, Evercore made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of the analyses. In addition, Evercore may have given various analyses and factors more or less weight than other analyses and factors and considered various assumptions more or less probable than other assumptions. As a result, the range of valuations

[Table of Contents](#)

resulting from any particular analysis should therefore not be taken to represent Evercore's view of the value of GCI Liberty or Liberty Broadband or any component of the business of GCI Liberty or Liberty Broadband. The order of the analyses described in the summary above and the results thereof do not represent the relative importance or weight given to these analyses by Evercore. Considering selected portions of the analyses in the summary set forth above, without considering the analyses as a whole, could create an incomplete or misleading view of the analyses underlying Evercore's opinion.

Pursuant to the terms of Evercore's engagement letter, GCI Liberty has agreed to pay Evercore a fee of \$10 million for Evercore's financial advisory services and delivery of its opinion, of which \$1 million became payable to Evercore upon execution of its engagement letter, \$3 million became payable to Evercore upon delivery of its opinion to the GCI Liberty special committee (against which amount the \$1 million engagement fee was credited), and the remainder of which will become payable only upon consummation of the combination. Evercore may, in the discretion of the GCI Liberty special committee, also receive an additional fee of up to \$1 million based on, among other things, the GCI Liberty special committee's satisfaction with the services provided by Evercore and the benefit provided to GCI Liberty stockholders upon completion of the combination. GCI Liberty has agreed to also reimburse Evercore for its reasonable and documented out-of-pocket expenses (including, without limitation, reasonable legal fees, expenses and disbursements) and to indemnify Evercore and its affiliates and their respective members, partners, officers, directors, advisors, representatives, employees, agents or controlling persons for certain liabilities and expenses arising out of Evercore's engagement.

During the two-year period prior to the date of its written opinion, neither Evercore nor its affiliates has provided financial advisory services to GCI Liberty, Liberty Broadband, the Malone Group, the Maffei Group, or any of their respective affiliates for which any compensation, including reimbursement of fees, was received by Evercore or its affiliates. Evercore may in the future provide investment banking services to GCI Liberty and Liberty Broadband, and may receive compensation for such services.

In the ordinary course of business, Evercore or its affiliates may actively trade the securities, or related derivative securities, or financial instruments of GCI Liberty, Liberty Broadband and their respective affiliates, for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities or instruments.

With respect to the combination, Evercore did not recommend any specific exchange ratios to the GCI Liberty special committee, GCI Liberty Board or GCI Liberty management or that any specific exchange ratios constituted the only appropriate exchange ratios in the combination for the holders of GCI Liberty common stock.

The issuance of Evercore's opinion was approved by an Opinion Committee of Evercore.

The GCI Liberty special committee engaged Evercore to act as its financial advisor based on Evercore's qualifications, experience and reputation. Evercore is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses in connection with mergers and acquisitions, leveraged buyouts, competitive biddings, private placements and valuations for corporate and other purposes.

Mr. Malone's Purpose and Reasons for the Combination

If the combination is completed, GCI Liberty will be acquired by a wholly owned subsidiary of Liberty Broadband. The purposes of the combination are to effectuate the transactions contemplated by the merger agreement and for the GCI Liberty stockholders to bear the rewards and risks of ownership of the combined entity through their ownership interest in Liberty Broadband received in the combination. The combination was negotiated by the Liberty Broadband special committee and the

[Table of Contents](#)

GCI Liberty special committee, and Mr. Malone did not consider any alternatives to the combination. Following the combination, Mr. Malone will have a significant ownership and voting interest in Liberty Broadband as described in more detail in “Risk Factors—Risks Related to Liberty Broadband and the Combined Company after Completion of the Combination.”

The benefits of the combination for Liberty Broadband include, but are not limited to, the following:

- the expectation that the combination will be accretive to Liberty Broadband in future periods;
- the fact that the combination will simplify Liberty Broadband's equity capital structure as a result of the potential to retire the shares of Liberty Broadband Series C common stock currently held by GCI Liberty;
- the expectation that the combination will enhance the long-term equity value for the Liberty Broadband stockholders;
- the belief that the combined company will have improved options for future strategic transactions;
- the fact that the combination is intended to qualify as a “reorganization” for U.S. federal income tax purposes and, accordingly, is intended to be completed in a manner that is tax-free to Liberty Broadband, GCI Liberty and their respective stockholders (except for the receipt of cash in lieu of fractional shares); and
- the expectation that there will be potential synergies from consolidating GCI Liberty and Liberty Broadband's corporate costs, including the elimination of duplicative public company reporting costs.

Mr. Malone has undertaken to pursue the combination at this time for the reasons described above.

Mr. Malone believes that structuring the combination as a merger is preferable to other transaction structures because (i) it represents an opportunity for GCI Liberty stockholders to receive a premium for their shares of GCI Liberty common stock as described in “GCI Liberty's Purpose and Reasons for the Combination; recommendations of the GCI Liberty Special Committee and GCI Liberty Board of Directors; Fairness of the Combination” and (ii) the structure allows the combination to qualify as a “reorganization” for U.S. federal income tax purposes and, accordingly, is intended to be completed in a manner that is tax-free to Liberty Broadband, GCI Liberty and their respective stockholders (except for the receipt of cash in lieu of fractional shares).

Primary Benefits and Detriments of the Combination

The primary benefits of the combination to unaffiliated security holders of GCI Liberty (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) include the following:

- the receipt by the unaffiliated stockholders of GCI Liberty holding GCI Liberty Series A common stock and GCI Liberty Series B common stock of Common Consideration which represented a premium over the respective share price of such stock as of June 29, 2020, the last trading day before the public announcement of the exchange ratio;
- the fact that the consideration for the shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock will be paid in Liberty Broadband Series C common stock and Liberty Broadband Series B common stock, respectively, which will provide the GCI Liberty common stockholders with the opportunity to participate in any future earnings and growth of the combined company as well as any future appreciation in the value of such shares following the combination should they determine to retain the stock received in the combination, including the possibility to participate in any future change in control of Liberty Broadband and the ability to hold shares in a combined company with an ownership interest in Charter;

[Table of Contents](#)

- the benefits to the combined company that could result from the combination, including an enhanced competitive position, greater financial resources and a larger, stronger balance sheet, reduction of administrative and management complexity, the potential to realize certain cost savings and operational synergies, potential reduction of trading discounts to underlying shares of Charter common stock held by the combined company and greater flexibility for and negotiating leverage in future strategic combinations; and
- the shares of Liberty Broadband Series C common stock received as consideration by holders of GCI Liberty Series A common stock may potentially be a more liquid currency than shares of GCI Liberty Series A common stock.

The primary detriments of the combination to the unaffiliated security holders of GCI Liberty include the following:

- the fact that the merger consideration to be received by GCI Liberty stockholders will consist of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock based on fixed exchange ratios for the GCI Liberty Series A common stock, GCI Liberty Series B common stock and GCI Liberty Preferred Stock and that the value of the merger consideration may decline and there will be no adjustment to such exchange ratios, thereby exposing the GCI Liberty stockholders to the risks of a continuing investment in Liberty Broadband (however, if such a decline in value occurs, the GCI Liberty stockholders have the ability to vote against the GCI Liberty merger proposal);
- the fact that holders of GCI Liberty Series A common stock will receive Liberty Broadband Series C common stock, which is non-voting and, as a result, the unaffiliated GCI Liberty stockholders will not receive a significant voting interest in Liberty Broadband as a result of the combination; and
- the expectation that upon completion of the combination, Liberty Broadband will be more leveraged with debt, which could adversely affect Liberty Broadband's future business plans and ability to raise capital.

Position of Mr. Malone as to the Fairness of the Combination

Mr. Malone is expressing his belief as to the fairness of the combination to the GCI Liberty stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) pursuant to Rule 13e-3 under the Exchange Act. Mr. Malone is making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act. The views of Mr. Malone should not be construed as a recommendation to any GCI Liberty stockholder as to how that stockholder should vote on the GCI Liberty merger proposal.

Mr. Malone did not undertake any independent evaluation of the fairness of the combination to the unaffiliated security holders of GCI Liberty (which excludes the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) or engage a financial advisor for such purpose. However, based on the procedural safeguards implemented during the negotiation of the combination, such as the fact that the GCI Liberty special committee, which consisted of entirely independent and disinterested directors, was authorized to determine whether to pursue the combination or any alternative transaction and to review, negotiate and evaluate the terms of the combination on behalf of the unaffiliated security holders of GCI Liberty, participated in arms'-length negotiations and was represented by independent legal and financial advisors and the other factors described in the section entitled "GCI Liberty's Purpose and Reasons for the Combination; Recommendations of the GCI Liberty Special Committee and GCI Liberty Board of Directors; Fairness

[Table of Contents](#)

of the Combination”, and the other factors described below, Mr. Malone believes that the combination is substantively and procedurally fair to the unaffiliated security holders of GCI Liberty.

In the course of reaching his conclusion, Mr. Malone considered a number of factors, including, among others, and not necessarily in order of relative importance, the following material factors and benefits of the combination which he believes support his conclusion:

- the value of the merger consideration to be received by the GCI Liberty stockholders in connection with the combination, which represented a premium over the respective share prices of GCI Liberty Series A common stock and GCI Liberty Series B common stock as of June 29, 2020, the last trading day before the public announcement of the exchange ratio;
- the expectation that the combination will enhance the long-term equity value for the GCI Liberty stockholders;
- the fact that the merger agreement and the other transaction documents, and the transactions contemplated thereby were negotiated and approved by the GCI Liberty special committee, which was comprised entirely of independent and disinterested non-employee directors;
- the procedural safeguards implemented by the GCI Liberty special committee to provide assurance of the procedural fairness of the combination to the GCI Liberty stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers) as described in the section entitled “—GCI Liberty's Purpose and Reasons for the Combination; Recommendations of the GCI Liberty Special Committee and GCI Liberty Board of Directors; Fairness of the Combination,” including a non-waivable condition that the merger agreement be approved by the affirmative vote of the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock outstanding and entitled to vote on the proposal at the GCI Liberty special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by Liberty Broadband and its subsidiaries, Mr. Malone and certain other parties;
- the belief that the combined company will have improved options for future strategic transactions;
- that the Liberty Broadband Series C common stock received as consideration in the first merger by holders of GCI Liberty Series A common stock may potentially be a more liquid currency than shares of GCI Liberty Series A common stock;
- the fact that the combination is intended to qualify as a “reorganization” for U.S. federal income tax purposes and, accordingly, is intended to be completed in a manner that is tax-free to GCI Liberty and its stockholders (except for the receipt of cash in lieu of fractional shares), and the first merger is conditioned upon the receipt of an opinion from Skadden, GCI Liberty's special tax counsel, and the receipt of an opinion from Debevoise, counsel to the Liberty Broadband special committee, that, in each case, based on certain representations and assumptions, and subject to certain limitations and qualifications, the combination will qualify as a “reorganization,” as described in more detail in “Material U.S. Federal Income Tax Consequences of the Combination;”
- the expectation that there will be potential synergies from consolidating GCI Liberty and Liberty Broadband's corporate costs, including the elimination of duplicative public company reporting costs; and
- although Mr. Malone is not entitled to rely on or adopt, and did not rely on or adopt, such opinion, in making his conclusion, Mr. Malone favorably considered the fact that on August 6, 2020 the GCI Liberty special committee had received an oral opinion from Evercore (which was subsequently confirmed by delivery of Evercore's written opinion dated August 6, 2020), that, as

[Table of Contents](#)

of the date of such written opinion and based upon and subject to the assumptions made, procedures followed, matters considered, qualifications, limitations and other matters described in such opinion, the exchange ratio in the first merger was fair, from a financial point of view, to the holders of GCI Liberty common stock (other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers), as described in more detail in “— Opinion of the GCI Liberty Special Committee Financial Advisor.”

In his consideration of the fairness of the combination to the unaffiliated security holders of GCI Liberty, Mr. Malone considered the market prices of GCI Liberty Series A common stock, GCI Liberty Series B common stock and GCI Liberty Preferred Stock as of June 29, 2020, the last trading day before the public announcement of the merger consideration.

Mr. Malone did not consider liquidation value of GCI Liberty to be a relevant methodology because (i) he considered GCI Liberty to be a viable, going concern, (ii) he believes that liquidation sales generally result in proceeds substantially less than sales of going concerns, (iii) he considered determining a liquidation value to be impracticable given the significant execution risk involved in any breakup of GCI Liberty and (iv) GCI Liberty will continue to operate its businesses following the combination.

Mr. Malone did not consider net book value, which is an accounting concept, as a factor because he believed that net book value is not a material indicator of the value of GCI Liberty as a going concern but rather is indicative of historical costs and because net book value does not take into account the prospects of GCI Liberty, market conditions, trends in the industry in which GCI Liberty operates or the business risks inherent in that industry.

Mr. Malone did not seek to determine a pre-combination going concern value for GCI Liberty to determine the fairness of the combination to the unaffiliated security holders of GCI Liberty because following the combination, GCI Liberty will have a different capital structure and cost profile, among other things. Mr. Malone believes that the trading prices of the GCI Liberty Series A common stock, GCI Liberty Series B common stock and GCI Liberty Preferred Stock at any given time represent the best available indicator of GCI Liberty's going concern value at that time so long as the trading price at that time is not impacted by speculation regarding the likelihood of a potential transaction. To the extent the pre-combination going concern value was reflected in the closing market prices of GCI Liberty Series A common, GCI Liberty Series B common stock and GCI Liberty Preferred Stock on June 29, 2020, the last trading day before the public announcement of the merger consideration, the merger consideration represented a premium to the going concern value of GCI Liberty.

Mr. Malone did not consider the historical market prices of GCI Liberty Series A common stock, GCI Liberty Series B common stock and GCI Liberty Preferred Stock, as he did not consider those prices to represent the best available indicator of GCI Liberty's pre-combination value but rather to be indicative of historical prices over such two year period.

Mr. Malone also did not consider the purchase price paid for GCI Liberty Series A common stock, GCI Liberty Series B common stock or GCI Liberty Preferred Stock by Liberty Broadband, GCI Liberty or their affiliates in the past two years (all of which occurred prior to April 2019) because Mr. Malone did not consider those purchases to represent the best available indicator of GCI Liberty's pre-combination value but rather to be indicative of historical prices at the time of such purchases.

Mr. Malone was not aware of any firm offer for a merger, sale of all or a substantial part of GCI Liberty's assets, or a purchase of a controlling amount of GCI Liberty Series A common stock or GCI Liberty Series B common stock having been received by GCI Liberty from anyone in the two years preceding the signing of the merger agreement.

The foregoing discussion of the factors considered by Mr. Malone in connection with the fairness of the combination is not intended to be exhaustive but includes all material factors considered by

Mr. Malone in making a determination regarding the fairness of the merger to the unaffiliated security holders of GCI Liberty for the purpose of complying with the requirements of Rule 13e-3 and the related rules under the Exchange Act. Mr. Malone did not find it practicable to, and did not, quantify or otherwise attach relative weights to the foregoing factors in reaching his position as to the fairness of the merger. Rather, Mr. Malone made his fairness determination after considering all of the factors as a whole.

Liberty Broadband Unaudited Prospective Financial Information

Liberty Broadband does not, as a matter of course, develop or publicly disclose long-term projections or internal projections of its future financial performance for revenues, earnings, financial condition or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates, though Liberty Broadband has in the past provided investors with multi-year financial guidance which covers areas such as Adjusted EBITDA, which it may update from time to time. In connection with the combination, Liberty Broadband's management prepared and provided to the Liberty Broadband special committee and its financial advisor, Perella Weinberg Partners, in connection with its financial analyses described above under the section entitled “—Opinion of the Liberty Broadband Special Committee's Financial Advisor,” (a) certain nonpublic, internal financial projections regarding (i) Skyhook's future standalone operations for fiscal years ending December 31, 2020 through 2022, (ii) Liberty Broadband's future standalone corporate costs for the second half of the fiscal year ending December 31, 2020 and fiscal years ending December 31, 2020 through 2023, and (iii) future corporate cost synergies as a result of the combination and (b) certain estimates of Liberty Broadband's net operating loss carryforwards for the pro forma combined company for the fiscal years ending December 31, 2020 through 2028 (collectively, the “**Liberty Broadband financial projections**”).

In addition, in connection with the combination, GCI Liberty management, under the direction of the GCI Liberty special committee, instructed Evercore to make available to the Liberty Broadband special committee's financial advisor, Perella Weinberg Partners, in connection with its financial analyses described above under the section entitled “—Opinion of the Liberty Broadband Special Committee's Financial Advisor,” certain nonpublic, internal financial projections regarding (i) the projected future operations of GCI Holdings' business for the six months ending December 31, 2020 and for fiscal years ending December 31, 2020 through 2023, (ii) Evite's projected future operations for the fiscal years ending December 31, 2020 and 2021, and (iii) GCI Liberty's future standalone corporate costs for fiscal years ending December 31, 2020 through 2023, each for purposes of evaluating GCI Liberty and the combination, which were prepared by GCI Liberty and Evite management, respectively, and approved for Perella Weinberg Partners' use by Liberty Broadband's management and also provided by Perella Weinberg Partners to the Liberty Broadband special committee. For more information, see “—GCI Liberty Unaudited Prospective Financial Information.”

While presented with numeric specificity, the Liberty Broadband financial projections were based on numerous variables and assumptions, including future operating expense levels and customer growth, that are inherently subjective and uncertain and most are beyond the control of Liberty Broadband's management. These internal financial projections depend on a number of factors that Liberty Broadband may not be successful in achieving or may not have control over, including, but not limited to, the absence of any events that disrupt Skyhook's networks, information systems or properties and impair its operating activities or negatively impact its reputation and general business and economic conditions. Important factors that may affect actual results and cause these internal financial projections to not be achieved include, but are not limited to, risks and uncertainties relating to Skyhook's or Liberty Broadband's businesses (including its ability to achieve strategic goals, objectives and targets over applicable periods), negative industry performance, general business and economic conditions and other factors described in the sections entitled "Cautionary Statement Regarding Forward-Looking Statements" and "Risk Factors." The Liberty Broadband financial projections are based solely on the information available to Liberty Broadband management at the time they were prepared. The Liberty Broadband financial projections do not reflect changes, circumstances, developments or events that may have occurred after the date of such Liberty Broadband financial projections were prepared, including the sale of Evite on September 14, 2020 or regulatory or legal changes. The Liberty Broadband financial projections also reflect numerous variables, expectations and assumptions available at the time they were prepared as to certain business decisions that are subject to change, including expectations and assumptions regarding headcount, compensation and other general and administrative expenses and contractual relationships. As a result, actual results may differ materially from those contained in these internal financial projections. Accordingly, there can be no assurance that the projected results summarized below will be realized.

The Liberty Broadband financial projections set forth below should be read together with the historical financial statements of Liberty Broadband and GCI Liberty, which have been filed with the SEC, as well as other information regarding Liberty Broadband and GCI Liberty contained elsewhere in this joint proxy statement/prospectus, including the information incorporated into this joint proxy statement/prospectus by reference. The Skyhook standalone projections were prepared by Liberty Broadband’s management and were finalized on May 26, 2020.

Liberty Broadband Pro Forma Corporate Cost Synergies

Liberty Broadband's management estimated \$3.0 million to \$5.0 million of corporate cost synergies to be realized as a result of the combination based on the Liberty Broadband standalone cost projections and the GCI Liberty standalone cost projections described under "—GCI Liberty Unaudited Prospective Financial Information", as of the date on which these projections were prepared. These estimates were based on numerous variables and assumptions regarding reductions in corporate-level general and administrative expenses, including public company costs, as result of the combination. The corporate cost synergies estimates were provided to the Liberty Broadband special committee and its financial advisor, Perella Weinberg Partners.

Liberty Broadband Pro Forma Net Operating Loss Utilization Estimates

The following table presents certain estimates of net operating loss ("NOL") utilization included in the Liberty Broadband financial projections for the pro forma combined company prepared by the management of Liberty Broadband for the fiscal years ending December 31, 2020 through 2028 (which we refer to as the "**Liberty Broadband pro forma NOL estimates**"), with all figures rounded to the nearest hundred thousand. The Liberty Broadband pro forma NOL estimates were prepared by Liberty Broadband's management and were finalized on June 17, 2020.

The Liberty Broadband pro forma NOL estimates were based on numerous variables and assumptions. The Liberty Broadband pro forma NOL estimates were based on projected taxable income (loss) of the pro forma combined company derived from the Liberty Broadband financial projections described above and the GCI Liberty projections described below under "—GCI Liberty Unaudited Prospective Financial Information" and assume the application of applicable tax laws as of June 2020. Other variables and assumptions include the application of limitations on the deductibility of interest expense under Section 163(j) of the Code for each year presented, the application of limitations on NOL utilization under Section 382 of the Code for each year presented and the assumption that NOLs generated in the earliest tax year are utilized first. The Liberty Broadband pro forma NOL estimates were provided to the Liberty Broadband special committee and its financial advisor, Perella Weinberg Partners, as well as to Evercore and (other than estimates for fiscal year 2028) to the GCI Liberty special committee.

GCI Liberty Unaudited Prospective Financial Information

GCI Liberty does not as a matter of course make public long-term or internal projections as to its future revenue, earnings or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, as part of its strategic planning for the company, GCI Liberty management prepared, and in March 2020 presented to the GCI Liberty Board, a long-term strategic plan, which included certain financial forecasts with respect to GCI Liberty on a standalone basis for the years ending December 31, 2020 through December 31, 2023. In connection with the proposed

[Table of Contents](#)

combination in July 2020 GCI Liberty management made certain adjustments to these projections to, among other things reflect the sale of DMH and strong performance year-to-date. GCI Liberty management provided certain of this unaudited prospective financial information related to GCI Holdings' business and the Evite business, as adjusted for certain projected corporate expenses (the "**GCI Liberty projections**"), to Evercore, the GCI Liberty special committee's financial advisor, in connection with its financial analyses. GCI Liberty management did not provide prospective financial information with respect to GCI Liberty's assets that comprise non-controlling ownership interests in the publicly traded equity of Liberty Broadband, LendingTree or Charter. The GCI Liberty projections were also provided to the GCI Liberty special committee and the GCI Liberty Board in connection with their respective evaluations of the proposed combination and, GCI Liberty management, under the direction of the GCI Liberty special committee, instructed Evercore to make available certain of the GCI Liberty projections to Perella Weinberg Partners, the Liberty Broadband special committee's financial advisor, in connection with its financial analyses and to the Liberty Broadband special committee as described above under "—Liberty Broadband Unaudited Prospective Financial Information."

In addition, in connection with the combination, Liberty Broadband management, under the direction of the Liberty Broadband special committee, instructed Perella Weinberg Partners to make available to Evercore in connection with its financial analyses described above under the section entitled "—Opinion of the GCI Liberty Special Committee's Financial Advisor," (a) certain nonpublic, internal financial projections regarding (i) Skyhook's future standalone operations for fiscal years ending December 31, 2020 through 2022, (ii) Liberty Broadband's future standalone corporate costs for the second half of the fiscal year ending December 31, 2020 and fiscal years ending December 31, 2020 through 2023 and (iii) Liberty Broadband's expected future corporate cost synergies as a result of the combination and (b) certain estimates of Liberty Broadband's net operating loss carryforwards for the pro forma combined company for the fiscal years ending December 31, 2020 through 2028, which were prepared by Skyhook and Liberty Broadband management, respectively, and approved for Evercore's use by GCI Liberty management and also provided by Evercore to the GCI Liberty special committee in connection with its evaluation of the combination. For more information, see "—Liberty Broadband Unaudited Prospective Financial Information."

GCI Liberty has included a summary of these projections below for the purpose of providing stockholders access to certain nonpublic information that was furnished to certain parties in connection with the combination. This information was prepared and furnished in connection with the proposed combination and may not be appropriate for other purposes, and is not included to influence the voting decision of any GCI Liberty or Liberty Broadband stockholder.

The GCI Liberty projections were not prepared with a view toward public disclosure, nor were they prepared with a view toward compliance with GAAP, the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of financial projections or the published guidelines of the SEC regarding projections and forward looking statements. Although, in the view of GCI Liberty management, the GCI Liberty projections were prepared on a reasonable basis, reflected the best currently available estimates and judgments, and presented, to the best of GCI Liberty management's knowledge and belief, the expected course of action and the expected future financial performance of GCI Liberty at the time of preparation, the GCI Liberty projections are not fact and should not be regarded or relied upon as necessarily being indicative of actual future events or results. Readers of this joint proxy statement/prospectus are cautioned not to place undue reliance on the prospective financial information. Furthermore, the GCI Liberty projections do not take into account any circumstances or events occurring after the date it was prepared.

The prospective financial information included in this section of the joint proxy statement/prospectus has been prepared by, and is the responsibility of, GCI Liberty management. Neither KPMG LLP, GCI Liberty's and Liberty Broadband's independent registered public accounting firm, nor

[Table of Contents](#)

any other independent accounting or audit firm has examined, compiled or performed any procedures with respect to the accompanying prospective financial information and, accordingly, KPMG LLP does not express any opinion or any other form of assurance on such information or its achievability, and assumes no responsibility for, and disclaims any association with, the prospective financial information. The reports of KPMG LLP that are incorporated by reference in this joint proxy statement/prospectus relate to GCI Liberty's and Liberty Broadband's historical financial information. The reports do not extend to the GCI Liberty projections and should not be read to do so.

GCI Liberty may calculate certain non-GAAP financial metrics, including Adjusted EBITDA, using different methodologies from other companies. Consequently, the financial metrics presented in the GCI Liberty projections and in the section of this joint proxy statement/prospectus with respect to the financial analyses and opinion of Evercore, the GCI Liberty special committee's financial advisor, may not be directly comparable to other companies.

While presented with numeric specificity, the GCI Liberty projections were based on numerous variables and assumptions that are inherently subjective and uncertain and most are beyond the control of GCI Liberty management. The GCI Liberty projections are based on numerous variables and assumptions reflecting management's assessment of industry trends, the Alaskan macro-economic outlook, competition in the marketplace and regulatory considerations. The primary assumptions underlying the projections included: (1) growth in GCI Holdings' Data and Wireless products and a decline in Video and Voice products, consistent with prior years and industry trends; (2) increase in operating expenses in support of growth initiatives; (3) continued investment in GCI Holdings' network, consumer and enterprise facing products and IT systems and (4) no material changes in the competitive or regulatory environment. Important factors that may affect actual results and cause the GCI Liberty projections to not be achieved include, but are not limited to, risks and uncertainties relating to GCI Liberty's businesses (including the ability to achieve strategic goals, objectives and targets over applicable periods), industry performance, general business and economic conditions, and other factors described in the sections entitled "Cautionary Statement Regarding Forward-Looking Statements" and "Risk Factors." The GCI Liberty projections are based solely on the information available to GCI Liberty management at the time they were prepared. The GCI Liberty projections do not reflect changes, circumstance, developments or events that may have occurred after the date such GCI Liberty projections were prepared, including the sale of Evite on September 14, 2020 or regulatory or legal changes. The GCI Liberty projections also reflect numerous variables, expectations and assumptions available at the time they were prepared, including assumptions as to certain business decisions, which are subject to change. As a result, actual results may differ materially from those contained in the GCI Liberty projections. Accordingly, there can be no assurance that the projected results summarized below will be realized. GCI Liberty and Liberty Broadband stockholders are urged to review GCI Liberty's most recent filings with the SEC for a description of GCI Liberty's results of operations and financial condition and capital resources, including "Management's Discussion and Analysis of Financial Condition and Results of Operations" included in [GCI Liberty's Annual Report on Form 10-K for the year ended December 31, 2019](#), and any subsequent quarterly reports on Form 10-Q, which are incorporated by reference into this joint proxy statement/prospectus.

None of GCI Liberty, Liberty Broadband or any of their respective directors, officers, affiliates, advisors or other representatives can give you any assurance that actual results will not differ materially from the GCI Liberty projections. Further, the inclusion of a summary of the GCI Liberty projections in this joint proxy statement/prospectus should not be regarded as an indication that GCI Liberty, Liberty Broadband or any of their respective directors, officers, affiliates, advisors or other representatives considered these internal financial projections to necessarily be predictive of actual future events, and the GCI Liberty projections should not be relied upon as such nor should the GCI Liberty projections be considered appropriate for other purposes.

[Table of Contents](#)

GCI Liberty has not made and makes no representation to Liberty Broadband or any stockholder or any other person, in the merger agreement or otherwise, concerning the GCI Liberty projections or regarding GCI Liberty's ultimate performance compared to the GCI Liberty projections or that the projected results will be achieved. In light of the foregoing factors and the uncertainties inherent in the GCI Liberty projections, GCI Liberty and Liberty Broadband urge all stockholders not to place undue reliance on such information and to review GCI Liberty's most recent SEC filings for a description of GCI Liberty's reported financial results.

GCI Liberty and Liberty Broadband undertake no obligation to update or otherwise revise or reconcile the GCI Liberty projections to reflect circumstances existing after the date the GCI Liberty projections were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying the information is shown to be inaccurate. Since the GCI Liberty projections cover multiple years, the GCI Liberty projections by their nature become less predictive with each successive year.

GCI Liberty Projections

The following is a summary of the GCI Liberty projections, which were prepared by GCI Liberty management (other than the prospective financial information with respect to GCI Liberty's corporate expenses for fiscal years 2021 through 2023, which were each calculated by Evercore using information contained in the GCI Liberty projections and approved for Evercore's use by GCI Liberty management) for GCI Liberty on a standalone basis for fiscal years 2020 through 2023, and provided to the GCI Liberty special committee, the GCI Liberty Board, Evercore, the Liberty Broadband special committee and Perella Weinberg Partners.

- (3) Excludes stock-based compensation expense and one-time cost of \$5 million incurred in the second quarter of 2020.
- (4) Calculated by Evercore using a 4% year-over-year growth rate (the midpoint of the 3-5% year-over-year growth rate provided by GCI Liberty management) over the projected GCI

Interests of Liberty Broadband Directors and Executive Officers in the Combination

When considering the recommendation of the Liberty Broadband Board with respect to the Liberty Broadband merger proposal and the share issuance proposal, Liberty Broadband stockholders should be aware that certain of Liberty Broadband's directors and executive officers may be deemed to have interests in the combination and the transactions contemplated thereby that are different from, or in addition to, those of Liberty Broadband stockholders. These interests may present such persons with actual or potential conflicts of interest. The Liberty Broadband Board and the Liberty Broadband special committee were aware of these interests during the deliberations of the merits of the combination, and the transactions contemplated thereby, and in deciding to recommend that you vote for each of the Liberty Broadband merger proposal, the share issuance proposal and the Liberty Broadband adjournment proposal.

All of the Liberty Broadband executive officers are also executive officers of GCI Liberty and will continue to provide services in such capacity following the combination. The Liberty Broadband executive officers hold GCI Liberty equity awards, which were granted in respect of their service as GCI Liberty executive officers. Those awards will remain outstanding, subject to the same terms, conditions and vesting requirements, and be converted into equity awards with respect to Liberty Broadband stock, as described in more detail above under "Questions & Answers—What will happen to GCI Liberty's outstanding equity awards?"

With respect to the Liberty Broadband directors and executive officers, areas where their interests may differ from those of Liberty Broadband stockholders in general relate to the indemnification and insurance protections for their service as directors and executive officers pursuant to the Liberty Broadband organizational documents.

With respect to Mr. Malone, his interests may differ from those of Liberty Broadband stockholders in part due to the transactions contemplated by the exchange agreement. Pursuant to the exchange agreement, the JCM Trust waived its right to receive the waived B shares and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that Mr. Malone's voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements) immediately following the effective time will be approximately (but not more than) 49%. Following the effective time, there may be additional exchanges of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock by Mr. Malone or the JCM Trust pursuant to the exchange agreement. For more information, please see "—Other Agreements Related to the Combination—Exchange Agreement."

The members of the Liberty Broadband special committee evaluated and negotiated the merger agreement and the other transaction documents, and the transactions contemplated thereby, and evaluated whether the combination is in the best interests of Liberty Broadband stockholders (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and Parent Section 16 Officers). The Liberty Broadband directors who are also directors or officers of GCI Liberty or who are otherwise not independent and disinterested did not participate in the deliberations of the Liberty Broadband special committee regarding the merger agreement and the other transaction documents, and the transactions contemplated thereby.

In consideration of the time and effort required of members of the Liberty Broadband special committee in evaluating and negotiating the merger agreement and the other transaction documents, and the transactions contemplated thereby, the Liberty Broadband Board, in a meeting held on March 26, 2020, determined that the members of the Liberty Broadband special committee would each receive a one-time retainer fee of \$50,000 and additional fees of \$25,000 per quarter until the closing

of the combination for their services in carrying out their duties as members of the Liberty Broadband special committee.

Additionally, the Liberty Broadband Board and the GCI Liberty Board include three overlapping members: Mr. Malone, Mr. Maffei and Richard R. Green. Mr. Malone is a non-employee director and Chairman of the Board of Liberty Broadband, as well as Chairman of the Board of GCI Liberty. Mr. Maffei is President and Chief Executive Officer and a director of Liberty Broadband and GCI Liberty. Dr. Green is a non-employee director of Liberty Broadband and GCI Liberty.

Based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, the people who are expected to serve as the executive officers and directors of Liberty Broadband following the combination are expected to beneficially own shares of Liberty Broadband capital stock representing approximately 61.7% of the voting power upon the effective time and after giving effect to the exchange agreement. See "Security Ownership of Certain Beneficial Owners and Management of Liberty Broadband—Pro Forma Security Ownership of Liberty Broadband Management."

Interests of GCI Liberty Directors and Executive Officers in the Combination

When considering the recommendation of the GCI Liberty Board with respect to the GCI Liberty merger proposal, GCI Liberty stockholders should be aware that certain of GCI Liberty's directors and executive officers may be deemed to have interests in the combination and the transactions contemplated thereby that are different from, or in addition to, those of GCI Liberty stockholders. These interests may present such persons with actual or potential conflicts of interest. Excepting only the Liberty Broadband Board's intention to appoint Gregg L. Engles and Sue Ann Hamilton as board members following the completion of the combination, which was not discussed with Mr. Engles or Ms. Hamilton nor were Mr. Engles or Ms. Hamilton aware of such intention prior to the execution of the merger agreement, the GCI Liberty Board and the GCI Liberty special committee were aware of these interests during the deliberations of the merits of the combination, and the transactions contemplated thereby, and in deciding to recommend that you vote for each of the GCI Liberty merger proposal and the GCI Liberty adjournment proposal.

With respect to the GCI Liberty directors and executive officers, areas where their interests may differ from those of GCI Liberty stockholders in general relate to the indemnification and insurance protections for their service as directors and executive officers pursuant to the GCI Liberty organizational documents, which protections will be preserved following the combination. Additionally, any unvested GCI Liberty equity awards held by the GCI Liberty non-employee directors will vest immediately prior to the effective time of the combination.

Section 14A(b) of the Exchange Act and Item 402(t) of Regulation S-K under the Exchange Act require that companies provide their stockholders with the opportunity to vote to approve, on an advisory non-binding basis, any "golden parachute compensation" for GCI Liberty's named executive officers that is based on or otherwise relates to the combination. GCI Liberty equity awards held by the GCI Liberty executive officers will be assumed by Liberty Broadband and will remain outstanding, subject to the same terms, conditions and vesting requirements, as described in more detail above under "Questions & Answers—What will happen to GCI Liberty's outstanding equity awards?" and "—The Merger Agreement—Treatment of Equity Awards." It is expected that all GCI Liberty named executive officers will continue to serve in their same capacities following the combination and, even if any of them were terminated, any severance entitlements for which they may be eligible would not be enhanced as a result of the combination. Therefore, because GCI Liberty does not have any "golden parachute" or similar arrangements with any of its named executive officers concerning any type of compensation that is based on or otherwise relates to the combination, no disclosure is required under

[Table of Contents](#)

Item 402(t) of Regulation S-K and no advisory vote is required by Section 14A(b) and Rule 14(a)-21(c) under the Exchange Act.

With respect to Mr. Malone, his interests may differ from those of GCI Liberty stockholders in part due to the transactions contemplated by the exchange agreement. Pursuant to the exchange agreement, the JCM Trust waived its right to receive the waived B shares and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that the aggregate voting power of all of Liberty Broadband's securities over which Mr. Malone has beneficial ownership (including shares held in certain trusts not party to the voting agreements) immediately following the effective time will be approximately (but not more than) 49%. Following the effective time, there may be additional exchanges of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock by Mr. Malone or the JCM Trust pursuant to the exchange agreement. For more information, please see “—Other Agreements Related to the Combination—Exchange Agreement.”

The members of the GCI Liberty special committee evaluated and negotiated the merger agreement and the other transaction documents, and the transactions contemplated thereby, and evaluated whether the combination is in the best interests of GCI Liberty stockholders (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers). The GCI Liberty directors who are also directors or officers of Liberty Broadband or who are otherwise not independent and disinterested did not participate in the deliberations of the GCI Liberty special committee regarding the merger agreement and the other transaction documents, and the transactions contemplated thereby.

In consideration of the time and effort required of members of the GCI Liberty special committee in evaluating and negotiating the merger agreement and the other transaction documents, and the transactions contemplated thereby, the GCI Liberty Board, in a meeting held on April 22, 2020, determined that the members of the GCI Liberty special committee would each receive a one-time retainer fee of \$50,000 and additional fees of \$25,000 per quarter until the closing of the combination for their services in carrying out their duties as members of the GCI Liberty special committee.

Additionally, the Liberty Broadband Board and the GCI Liberty Board include three overlapping members: Mr. Malone, Mr. Maffei and Richard R. Green. Mr. Malone is a non-employee director and Chairman of the Board of Liberty Broadband, as well as Chairman of the Board of GCI Liberty. Mr. Maffei is President and Chief Executive Officer and a director of Liberty Broadband and GCI Liberty. Dr. Green is a non-employee director of Liberty Broadband and GCI Liberty.

The Liberty Broadband Board has determined to, effective following the completion of the combination, increase its size from six directors to eight directors and appoint Gregg L. Engles and Sue Ann Hamilton, who are currently members of the GCI Liberty Board, to fill the vacancies created by such newly created directorships. Neither Mr. Engles nor Ms. Hamilton were aware of this intention, and no discussions occurred with Mr. Engles or Ms. Hamilton regarding their service on the Liberty Broadband Board following the completion of the combination prior to execution of the merger agreement.

Based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, the people who are expected to serve as the executive officers and directors of Liberty Broadband following the combination are expected to beneficially own shares of Liberty Broadband capital stock representing approximately 61.7% of the voting power upon the effective time and after giving effect to the exchange agreement. See "Security Ownership of Certain Beneficial Owners and Management of Liberty Broadband—Pro Forma Security Ownership of Liberty Broadband Management."

Accounting Treatment

Liberty Broadband and GCI Liberty prepare their financial statements, respectively, in accordance with GAAP. Liberty Broadband will account for the acquisition of GCI Liberty as a business combination and the repurchase of Liberty Broadband shares held by GCI Liberty as a transaction separate from the business combination. Therefore, Liberty Broadband will account for the acquired GCI Liberty assets and liabilities as a business combination at their respective acquisition date fair values, and the acquisition of Liberty Broadband shares held by GCI Liberty as a share repurchase.

Regulatory Approvals

Liberty Broadband and GCI Liberty submitted applications to the FCC for authorization to transfer control from GCI Liberty to Liberty Broadband of certain FCC licenses, authorizations, approvals and registrations currently held indirectly by GCI Liberty. The FCC must approve such transfer of control, and the FCC approval(s) must become a final order before the combination may take place. The FCC gave public notice of the applications and requested any public comments by October 2, 2020. No comments were filed.

Liberty Broadband and GCI Liberty submitted applications to the RCA for approval for Liberty Broadband to acquire a controlling interest in certificates of public convenience and necessity held by certain subsidiaries of GCI Liberty. The RCA gave public notice of the applications and requested any public comments by October 5, 2020. No comments were filed. The RCA's approval must become a final order before the combination may take place.

The combination is subject to the requirements of the HSR Act, which provides that certain transactions may not be completed until required information and materials are furnished to the Antitrust Division of the DOJ, and the FTC, and until certain waiting period requirements have been satisfied. Each of Liberty Broadband and GCI Liberty submitted a Notification and Report Form under the HSR Act with the DOJ and the FTC in connection with the combination on September 9, 2020. The waiting period expired at 11:59 p.m., Eastern Time, on October 9, 2020.

The DOJ, the FTC, state attorneys general, and others may challenge the combination on antitrust grounds after the expiration or termination of the applicable waiting period. Accordingly, at any time before or after the completion of the combination, any of the DOJ, the FTC or others could take action under the antitrust laws, including without limitation seeking to enjoin the completion of the combination or permitting completion subject to regulatory concessions or conditions. Neither Liberty Broadband nor GCI Liberty believes that the combination violates U.S. antitrust laws, but there can be no assurance that a challenge to the combination on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

Exchange of Stock in the Combination

Liberty Broadband has selected its transfer agent, Broadridge Corporate Issuer Solutions, Inc., as the exchange agent for the purpose of exchanging shares (either certificated or in non-certificated book-entry form) in the combination. Liberty Broadband will make available sufficient shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock to pay the aggregate share consideration together into a fund (the “**exchange fund**”). Promptly after the effective time, Liberty Broadband and the exchange agent will determine the number of whole shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and the Liberty Broadband Preferred Stock and the number of fractional shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock that each former holder of record of GCI Liberty capital stock is entitled to receive in connection with the combination and will aggregate all fractional shares of such series of all such record holders into whole shares and sell the whole shares in open market transactions at then-prevailing trading prices and, in

[Table of Contents](#)

lieu of delivering such fractional shares to such record holders, deliver to each such record holder its ratable share of the net proceeds of such sales, based upon the average gross selling price per share of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock, as applicable, after making appropriate deductions for any amount required to be withheld under applicable law and less any brokers' charges, commissions or transfer taxes.

Promptly after the effective time, Liberty Broadband will, or will cause the exchange agent to, if a stockholder held certificates representing GCI Liberty capital stock immediately prior to the effective time, send that stockholder a letter of transmittal and instructions for exchanging their shares of GCI Liberty capital stock for the merger consideration. Holders of shares of GCI Liberty capital stock in book-entry form immediately prior to the effective time will have the exchange of shares effected in accordance with Liberty Broadband's customary procedures with respect to securities represented by book entry.

Upon surrender of the certificates for cancellation along with the properly completed letter of transmittal, or compliance with customary procedures for shares in book-entry form, as the case may be, a record holder of shares of GCI Liberty capital stock that have been converted into a right to receive the merger consideration will be entitled to receive the number of shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or Liberty Broadband Preferred Stock in non-certificated book-entry form unless a physical certificate is requested that such holder has a right to receive pursuant to the merger agreement and a check equal to the cash such holder has a right to receive pursuant to the merger agreement (including dividends and cash paid in lieu of fractional shares, as appropriate). The surrendered certificates will be cancelled. No interest will be paid or accrued on any merger consideration or any unpaid dividends or distributions payable to the holders.

The above procedures are subject to the terms and conditions of the merger agreement, including those relating to the endorsement of certificates, the payment of transfer taxes thereon, procedures relating to lost, stolen or defaced certificates, and the termination of the exchange fund.

Listing of Liberty Broadband Series C Common Stock and Liberty Broadband Preferred Stock in the Combination

It is a condition to the completion of the first merger that the Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock issuable to GCI Liberty stockholders will be authorized for listing on Nasdaq prior to closing of the combination.

Delisting and Deregistration of GCI Liberty Capital Stock

Pursuant to the merger agreement, GCI Liberty and Liberty Broadband will cooperate and use their reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary on their part under applicable laws and the rules and policies of Nasdaq to enable the delisting of the shares of the GCI Liberty Series A common stock and GCI Liberty Preferred Stock from the Nasdaq Global Select Market, the removal of GCI Liberty Series B common stock from being quoted on the OTC Markets and the deregistration of GCI Liberty capital stock under the Exchange Act.

Changes to the Liberty Broadband Board

The Liberty Broadband Board has determined to, effective following the completion of the combination, increase its size from six directors to eight directors and appoint Gregg L. Engles and Sue Ann Hamilton, who are currently members of the GCI Liberty Board, to fill the vacancies created by such newly created directorships. Neither Mr. Engles nor Ms. Hamilton were aware of this intention, and no discussions with Mr. Engles or Ms. Hamilton regarding their service on the Liberty Broadband Board following the completion of the combination occurred prior to execution of the merger agreement.

Litigation Relating to the Combination

On October 9, 2020, a putative class action complaint was filed by two purported GCI Liberty stockholders in the Court of Chancery of the State of Delaware under the caption *Hollywood Firefighters' Pension Fund, et al. v. GCI Liberty, Inc., et al.* On October 11, 2020, a new version of the complaint was filed, and the case has been assigned Case No. 2020-0880. The lawsuit names as defendants GCI Liberty, as well as the members of the GCI Liberty Board. The lawsuit alleges, among other things, that Messrs. Maffei and Malone in their purported capacities as controlling stockholders and directors of GCI Liberty, and the other directors of GCI Liberty, breached their fiduciary duties by approving the merger. The lawsuit also alleges that various prior and current relationships between the members of the GCI Liberty special committee and Mr. Malone and Mr. Maffei render the members of the GCI Liberty special committee not independent. In support of these allegations, the lawsuit states that the members of the GCI Liberty special committee and Mr. Maffei live in close proximity to each other. The lawsuit further states, among other things, that Mr. Engles, who is one of the members of the GCI Liberty special committee, served as a director of Liberty Expedia Holdings, Inc. from November 2016 to July 2019, and served, from 2014 to 2019, on the Dartmouth College Board of Trustees with Mr. Maffei and during this time donated \$10 million to Dartmouth College and travelled with Mr. Maffei to and from the school on private aircraft owned by them or their businesses. In further support of these allegations, the lawsuit states with respect to Ms. Hamilton, who is the other member of the GCI Liberty special committee, among other things, that Ms. Hamilton has provided advisory services to media and technology companies associated with GCI Liberty or Liberty Broadband, served as an executive officer of Charter from 2003 to 2007 and in management positions at AT&T Broadband (and its predecessor, Tele-Communications, Inc.) from 1993 through 2002, and was appointed to the board of FTD Companies, Inc. by Qurate Retail and served from December 2014 to August 2019. The lawsuit further alleges that the combination violates Section 203 of the DGCL and that this joint proxy statement/prospectus misstates and omits material information. The lawsuit seeks certification of a class action, declarations that Messrs. Maffei and Malone and the other directors of GCI Liberty breached their fiduciary duties and that the combination violates Section 203 of the DGCL, an injunction barring the stockholder vote and the combination, and the recovery of damages and other relief.

GCI Liberty believes this lawsuit is without merit. However, the outcome of this lawsuit or any other lawsuit that may be filed challenging the combination or the other transactions contemplated by the transaction documents is uncertain.

Plans for GCI Liberty after the Combination

Following the consummation of the combination, it is anticipated that GCI Liberty will continue to conduct operations substantially as they are currently being conducted, except that Merger LLC will be the surviving company of the combination and Merger LLC will be a direct wholly owned subsidiary of Liberty Broadband. Pursuant to the merger agreement, GCI Liberty and Liberty Broadband will cooperate and use their reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary on their part under applicable laws and the rules and policies of Nasdaq to enable the delisting of the shares of the GCI Liberty Series A common stock and GCI Liberty Preferred Stock from the Nasdaq Global Select Market, the removal of GCI Liberty Series B common stock from being quoted on the OTC Markets and the deregistration of GCI Liberty capital stock under the Exchange Act.

In connection with the consummation of the combination, GCI Liberty will be converted from a Delaware corporation to a Delaware limited liability company. As of the date of this joint proxy statement/prospectus, Liberty Broadband has no other current plans or proposals or negotiations which would relate to or result in an extraordinary transaction involving GCI Liberty's business or management, such as a merger, reorganization, liquidation, relocation of any operations, or sale or transfer of a material amount of assets, or the incurrence of any indebtedness. Following the combination, Liberty Broadband will continuously evaluate and review GCI Liberty's business and operations and may propose or develop new plans and proposals which it considers to be in the best interests of Liberty Broadband and its stockholders, including engaging in acquisitions of new businesses or assets, dispositions of existing businesses or assets, the movement of businesses or assets within the Liberty Broadband corporate structure, the alteration of the mix of assets held by GCI Liberty, or any of the types of extraordinary transactions described above.

Certain Effects of the Combination

Except with respect to the excluded shares, GCI Liberty stockholders will receive the merger consideration. Based on the closing price of Liberty Broadband Series C common stock on the Nasdaq Global Select Market and the last sale price of Liberty Broadband Series B common stock on the OTC Markets, in each case, on June 29, 2020, the last trading day before the public announcement of the merger consideration, the exchange ratio represented approximately \$72.49 in value for each share of GCI Liberty Series A common stock and \$71.92 in value for each share of GCI Liberty Series B common stock. Holders of shares of GCI Liberty Preferred Stock will receive shares of Liberty Broadband Preferred Stock in connection with the merger consideration, which will have substantially identical rights as compared to the GCI Liberty Preferred Stock.

Upon the effective time, based solely on their ownership of GCI Liberty capital stock and excluding any shares of Liberty Broadband common stock held by such stockholders prior to the combination, former GCI Liberty stockholders (in the aggregate) are expected to own shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock representing approximately 35.9%, 24.1% and 100.0%, respectively, of the total number of outstanding shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, based on approximately 168.9 million, 3.2 million and 7.2 million shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, respectively, currently expected to be outstanding at the effective time and after giving effect to the exchange agreement. As a result, former GCI Liberty stockholders (in the aggregate and excluding any shares of Liberty Broadband common

[Table of Contents](#)

stock held by such stockholders prior to the effective time) are expected to own shares of Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock representing approximately 16.7% of the aggregate voting power of outstanding shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock and 33.3% of the outstanding capital stock of Liberty Broadband. Consequently, GCI Liberty stockholders, as a general matter, will have less influence over the management and policies of Liberty Broadband after the completion of the combination than they currently exercise over the management and policies of GCI Liberty.

Based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, the people who are expected to serve as the executive officers and directors of Liberty Broadband following the combination are expected to beneficially own shares of Liberty Broadband capital stock representing approximately 61.7% of the voting power upon the effective time and after giving effect to the exchange agreement. See "Security Ownership of Certain Beneficial Owners and Management of Liberty Broadband—Pro Forma Security Ownership of Liberty Broadband Management."

On August 6, 2020, Liberty Broadband, Mr. Malone and the JCM Trust entered into the exchange agreement. Pursuant to the exchange agreement, the JCM Trust waived its right to receive the waived B shares and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that the aggregate voting power of all of Liberty Broadband's securities over which Mr. Malone has beneficial ownership (including shares held in certain trusts not party to the voting agreements) immediately following the effective time will be approximately (but not more than) 49%. Following the effective time, there may be additional exchanges of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock by Mr. Malone or the JCM Trust pursuant to the exchange agreement. For more information, please see "—Other Agreements Related to the Combination—Exchange Agreement."

GCI Liberty stockholders will have different rights once they become stockholders of Liberty Broadband due to differences between the governing documents of Liberty Broadband and GCI Liberty. These differences are described in detail under "Comparison of Rights of Liberty Broadband Stockholders and GCI Liberty Stockholders."

Appraisal Rights

Under Delaware law, holders of shares of Liberty Broadband common stock, GCI Liberty Series A common stock and GCI Liberty Preferred Stock are not entitled to dissenters' or appraisal rights in connection with the combination as contemplated by the merger agreement.

Holders of shares of GCI Liberty Series B common stock are entitled to appraisal of their GCI Liberty Series B common stock under Section 262 of the DGCL in connection with the combination if any such holder (i) does not vote in favor of the GCI Liberty merger proposal and (ii) otherwise complies with the conditions established by Section 262 of the DGCL. A copy of Section 262 of the DGCL is attached as Annex M to this joint proxy statement/prospectus. Failure to strictly comply with Section 262 of the DGCL will result in the loss of appraisal rights. A proxy or vote against the GCI Liberty merger proposal will not be deemed an appraisal demand. Due to the complexity of the provisions of Section 262 of the DGCL, any holder of GCI Liberty Series B common stock considering exercising its appraisal rights under Section 262 of the DGCL is urged to consult his, her or its own legal advisor.

Summary of Appraisal Rights

Stockholders of a Delaware corporation that is proposing to merge with another entity are sometimes entitled under Section 262 of the DGCL to what are known as appraisal rights in connection with the proposed merger. Such rights generally confer on stockholders who oppose a merger or the consideration to be received in a merger, and who comply with the applicable statutory procedures to demand and perfect their appraisal rights, the right to receive, in lieu of the consideration being offered in the merger, the “fair value” of their shares in cash as determined in a judicial appraisal proceeding. The Delaware Supreme Court has stated that the determination of fair value requires consideration of all relevant factors involving the value of a company, and that proof of value by any techniques or methods that are generally considered acceptable in the financial community and otherwise admissible in court should be considered. Elements of future value, including the nature of the enterprise, that are known or susceptible of proof as of the date of the merger and not the product of speculation may be considered, but any element of value arising from the accomplishment or expectation of the merger will not be considered.

Holders of shares of GCI Liberty Series B common stock are entitled to appraisal rights pursuant to Section 262 of the DGCL in connection with the combination as described herein and as provided for in Section 262 of the DGCL.

The following discussion is not a full summary of the law pertaining to appraisal rights under the DGCL and is qualified in its entirety by the full text of Section 262 of the DGCL, which is provided in its entirety as Annex M to this joint proxy statement/prospectus.

All references in Section 262 of the DGCL and in this summary to a “stockholder” or “holders of shares of GCI Liberty Series B common stock” are to the record holder of shares of GCI Liberty Series B common stock. A person having a beneficial interest in shares of GCI Liberty Series B common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow properly the steps summarized below in a timely manner to demand and perfect appraisal rights. The following discussion does not constitute any legal or other advice, nor does it constitute a recommendation that any stockholder should exercise his, her or its rights to seek appraisal under Section 262 of the DGCL.

Under Section 262 of the DGCL, when a merger is submitted for approval at a meeting of stockholders, as in the case of the adoption of the merger agreement at the GCI Liberty special meeting, the corporation, not less than 20 days before the meeting, must notify each of its stockholders who was such on the record date for notice of the GCI Liberty special meeting that appraisal rights are available and include in the notice a copy of Section 262 of the DGCL. **This joint proxy statement/prospectus shall constitute the required notice and the copy of the applicable statutory provisions is attached to this joint proxy statement/prospectus as Annex M.** Any stockholder who wishes to exercise appraisal rights or who wishes to preserve the right to do so should review carefully the following discussion and Annex M to this joint proxy statement/prospectus.

Failure to strictly comply with the procedures specified in Section 262 of the DGCL timely and properly will result in the loss of appraisal rights.

Moreover, because of the complexity of the procedures for exercising the right to seek appraisal of GCI Liberty Series B common stock, GCI Liberty believes that stockholders who wish to consider exercising such appraisal rights should seek the advice of counsel. A stockholder who effectively withdraws or loses (through failure to perfect or otherwise) his, her or its appraisal rights will be entitled to receive the merger consideration as provided for herein and in the merger agreement.

How to Exercise and Perfect Appraisal Rights

Any holder of GCI Liberty Series B common stock wishing to exercise the right to demand an appraisal under Section 262 of the DGCL must satisfy each of the following conditions:

- the stockholder must not vote the stockholder's shares of GCI Liberty Series B common stock in favor of the adoption of the merger agreement; a signed proxy which does not contain voting instructions will, unless revoked, be voted in favor of the merger agreement and, therefore, a stockholder who votes by proxy and who wishes to exercise appraisal rights must vote against the merger agreement or abstain from voting on the merger agreement;
- as more fully described below, the stockholder must deliver to GCI Liberty a written demand for appraisal of the stockholder's shares before the vote on the adoption of the merger agreement at the GCI Liberty special meeting and all demands for appraisal must be made by such stockholder, or in the stockholder's name, fully and correctly, as it appears, with respect to the shares evidenced by certificates, on such stockholder's stock certificate, or, with respect to uncertificated shares on the stock ledger, and such demands must reasonably inform GCI Liberty of the identity of the stockholder and that the stockholder intends to demand the appraisal of the stockholder's shares;
- the stockholder must hold the stockholder's shares of GCI Liberty Series B common stock on the date of the making of the demand for appraisal and must continuously hold the shares from the date of the making of the demand through the effective date of the first merger; a stockholder who is the record holder of shares of GCI Liberty Series B common stock on the date the written demand for appraisal is made but who thereafter transfers those shares before the effective time will lose any right to appraisal in respect of those shares; and
- the stockholder or the surviving company must file a petition in the Delaware Court of Chancery requesting a determination of the fair value of the shares within 120 days after the effective time. The surviving company is under no obligation to file any such petition in the Delaware Court of Chancery and has no intention of doing so. Accordingly, it is the obligation of the stockholder to initiate all necessary action to perfect his, her or its appraisal rights in respect of shares of the GCI Liberty Series B common stock within the time prescribed in Section 262 of the DGCL.

Neither voting (in person via the Internet or by proxy) against, abstaining from voting on or failing to vote on the proposal to approve the adoption of the merger agreement will constitute a written demand for appraisal within the meaning of Section 262 of the DGCL. The written demand for appraisal must be in addition to and separate from any proxy, vote, or abstention.

Who May Exercise Appraisal Rights

Only a stockholder of record of shares of GCI Liberty Series B common stock issued and outstanding immediately before the effective time is entitled to assert appraisal rights for the shares in that stockholder's name. A person having a beneficial interest in shares of GCI Liberty Series B common stock that are held of record in the name of another person, such as a broker, fiduciary, depository, or other nominee, must act promptly to cause the record holder to follow the steps summarized herein properly and in a timely manner to perfect appraisal rights. A demand for appraisal must be executed by or on behalf of the stockholder of record, fully and correctly, as the stockholder's name appears on the stock certificates (or in the stock ledger), and must specify the stockholder's name and mailing address and that the stockholder intends to demand appraisal of the stockholder's shares of GCI Liberty Series B common stock. Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to GCI Liberty. The beneficial owner must, in each case, have the registered stockholder submit the required demand in respect of those shares. If the shares

[Table of Contents](#)

are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of the demand should be made in that capacity. If the shares are owned of record jointly by more than one person, as in a joint tenancy or tenancy in common, the demand for appraisal must be executed by or on behalf of all owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in exercising the demand, the agent is acting as agent for such owner or owners. A record holder such as a broker who holds shares as nominee for several beneficial owners may exercise appraisal rights with respect to the shares held for one or more beneficial owners while not exercising appraisal rights with respect to the shares held for one or more other beneficial owners. In such case, the written demand should set forth the number of shares as to which appraisal is sought, and where no number of shares is expressly mentioned the demand will be presumed to cover all shares held in the name of the record owner. If a stockholder holds shares of GCI Liberty Series B common stock through a broker who in turn holds the shares through a central securities depository nominee such as Cede & Co., a demand for appraisal of such shares must be made by or on behalf of the depository nominee and must identify the depository nominee as record holder. **Stockholders who hold their shares in brokerage accounts or other nominee forms and who wish to exercise appraisal rights are urged to consult with their brokers to determine appropriate procedures for the making of a demand for appraisal by the nominee.**

A stockholder who elects to exercise appraisal rights in accordance with Section 262 of the DGCL must mail or deliver a written demand to: GCI Liberty, Inc., 12300 Liberty Boulevard, Englewood, Colorado 80112, Attention: Corporate Secretary, and may not submit a demand by electronic submission. Such written demand must be delivered to and received by GCI Liberty before the vote on the adoption of the merger agreement at the GCI Liberty special meeting.

Actions After Completion of the Combination

If the combination is completed, within 10 days after the effective time, the surviving company must send a notice as to the effectiveness of the combination to each of the former stockholders who has made a written demand for appraisal in accordance with Section 262 of the DGCL and who has not voted to adopt the merger agreement. At any time within 60 days after the effective time, any stockholder who made a written demand for appraisal in accordance with Section 262 of the DGCL and has not commenced an appraisal proceeding or joined that proceeding as a named party has the right to withdraw the demand and to accept the merger consideration in accordance with the merger agreement. Within 120 days after the effective time, but not thereafter, either the surviving company or any dissenting stockholder who has complied with the requirements of Section 262 of the DGCL may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery, with a copy served on the surviving company in the case of a petition filed by a stockholder, demanding a determination of the fair value of the shares of GCI Liberty Series B common stock held by all dissenting stockholders. The surviving company is under no obligation to and has no present intention to file a petition for appraisal, and stockholders seeking to exercise appraisal rights should not assume that the surviving company will file such a petition. Accordingly, stockholders who desire to have their shares appraised should initiate any petitions necessary for the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262 of the DGCL. Inasmuch as the surviving company has no obligation to file such a petition, the failure of a stockholder to do so within the period specified could nullify the stockholder's previous written demand for appraisal.

Within 120 days after the effective time of the combination, any stockholder who has complied with the provisions of Section 262 of the DGCL will be entitled to receive from the surviving company, upon written request, a statement setting forth the aggregate number of shares of GCI Liberty Series B common stock not voted in favor of the adoption of the merger agreement and with respect to which demands for appraisal have been received by the surviving company and the aggregate number of

[Table of Contents](#)

holders of such shares. The surviving company must mail that statement to the stockholder within 10 days after receipt of the request. A person who is the beneficial owner of shares of GCI Liberty Series B common stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the surviving company the statement described in this paragraph.

If a petition for appraisal is timely filed, at the hearing on such petition, the Delaware Court will determine which stockholders are entitled to appraisal rights. The Delaware Court of Chancery may require stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings, and if any stockholder fails to comply with the requirement, the Delaware Court of Chancery may dismiss the proceedings as to that stockholder.

In the event that the Delaware Court of Chancery determines the stockholders are entitled to appraisal, an appraisal proceeding shall be conducted in accordance with the rules of the Delaware Court of Chancery, including any rules specifically governing appraisal proceedings. Through this proceeding, the Delaware Court of Chancery will determine the "fair value" of the shares of GCI Liberty Series B common stock at the effective time held by dissenting stockholders, exclusive of any element of value arising from the accomplishment or expectation of the combination, together with interest, if any, to be paid upon the amount determined to be the fair value. Unless the Delaware Court of Chancery in its discretion determines otherwise for good cause shown, interest from the effective time through the date of payment of the judgment will be compounded quarterly and will accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective time and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving company may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Delaware Court of Chancery, and (2) interest theretofore accrued, unless paid at that time. When the value is determined, the Delaware Court of Chancery will direct the payment of such value, with interest thereon, if any, to the stockholders entitled to receive the same, upon surrender by such stockholders of their stock certificates and book-entry shares.

In determining the fair value of shares of capital stock, the Delaware Court of Chancery is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court" should be considered and that "[f]air price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court has stated that, in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts which could be ascertained as of the date of the merger which throw any light on future prospects of the merged corporation. Section 262 of the DGCL provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a "narrow exclusion [that] does not encompass known elements of value," but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court construed Section 262 of the DGCL to mean that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered." An opinion of an investment banking firm as to the fairness from a financial point of view of the consideration payable in a merger is not an opinion as to, and does not in any manner address, fair value under Section 262 of the DGCL. The fair value of shares as determined under Section 262 of the DGCL could be greater than, the same as, or

[Table of Contents](#)

less than the value of the merger consideration. No representation is made as to the outcome of the appraisal of fair value as determined by the Delaware Court of Chancery. GCI Liberty and Liberty Broadband do not anticipate offering more than the merger consideration to any stockholder exercising appraisal rights and reserve the right to assert, in any appraisal proceeding, that, for purposes of Section 262 of the DGCL, the "fair value" of a share of GCI Liberty Series B common stock is less than the merger consideration.

The Delaware Court of Chancery may determine the costs of the appraisal proceeding and may allocate those costs to the parties as the Delaware Court of Chancery determines to be equitable under the circumstances. Costs for such purposes do not include attorneys and expert witness fees. Each dissenting stockholder is responsible for its own attorneys and expert witnesses expenses, although, upon application of a stockholder, the Delaware Court of Chancery may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares of GCI Liberty Series B common stock entitled to appraisal.

Any stockholder who has duly demanded an appraisal in compliance with Section 262 of the DGCL will not, after the effective date of the first merger, be entitled to vote the shares subject to that demand for any purpose or be entitled to the payment of dividends or other distributions on those shares (except dividends or other distributions payable to holders of record of shares as of a record date before the effective date of the combination).

At any time within 60 days after the effective time, any stockholders who have not commenced an appraisal proceeding or joined that proceeding as a named party may withdraw his, her or its demand for appraisal and accept the merger consideration by delivering to the surviving company a written withdrawal of the stockholder's demand for appraisal. A withdrawal of a stockholder's demand for appraisal will be deemed to be acceptance of the terms of the merger agreement, which terms are summarized in this joint proxy statement/prospectus and which merger agreement is attached in its entirety to this joint proxy statement/prospectus as Annex A. However, any such attempt to withdraw made more than 60 days after the effective time will require the surviving company's written approval. No appraisal proceeding in the Delaware Court of Chancery will be dismissed as to any stockholder without the approval of the Delaware Court of Chancery, and such approval may be conditioned upon such terms as the Delaware Court of Chancery deems just; provided, however, that any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party may withdraw its demand for appraisal and accept the merger consideration offered pursuant to the merger agreement within 60 days after the effective time. If the surviving company does not approve a stockholder's request to withdraw a demand for appraisal when that approval is required or, except with respect to a stockholder that withdraws its right to appraisal in accordance with the proviso in the immediately preceding sentence, if the Delaware Court of Chancery does not approve the dismissal of an appraisal proceeding, the stockholder would be entitled to receive only the appraised value determined in any such appraisal proceeding, which value could be more than, the same as or less than the value of the consideration being offered pursuant to the merger agreement.

Failure to comply strictly with all of the procedures set forth in Section 262 of the DGCL will result in the loss of a stockholder's appraisal rights. Consequently, any stockholder wishing to exercise appraisal rights is urged to consult legal counsel before attempting to exercise appraisal rights in any manner.

The descriptions of the merger agreement in this section and elsewhere in this joint proxy statement/prospectus are qualified in their entirety by reference to the complete text of the merger agreement, a copy of which is attached as Annex A and is

You are encouraged to carefully read the entire merger agreement before making any decisions regarding the merger agreement or the combination.

Explanatory Note Regarding the Merger Agreement

The merger agreement is included to provide you with information regarding its terms, and not to provide any factual information about Liberty Broadband or GCI Liberty or their respective subsidiaries or businesses. Factual disclosures about Liberty Broadband and GCI Liberty contained in this joint proxy statement/prospectus and/or in the public reports of Liberty Broadband and GCI Liberty filed with the SEC (as described in the section entitled “Where You Can Find More Information”) may supplement, update or modify the disclosures about Liberty Broadband and GCI Liberty contained in the merger agreement. The representations and warranties contained in the merger agreement were made only for purposes of the merger agreement and as of specific dates; were made solely for the benefit of the parties to the merger agreement; may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures, for the purposes of allocating contractual risk between the parties to the merger agreement instead of establishing these matters as facts; and may apply standards of materiality in a way that is different from what may be viewed as material by you or other investors. The representations and warranties contained in the merger agreement do not, with certain exceptions, survive the effective time. Investors should not rely on the representations and warranties or any descriptions thereof as characterizations of the actual state of facts or condition of GCI Liberty, Liberty Broadband or any of their respective subsidiaries or affiliates. Information concerning the subject matter of representations, warranties and covenants may change after the date of the merger agreement and this subsequent information may not be fully reflected in Liberty Broadband's or GCI Liberty's public disclosures.

Structure of the Combination

At the effective time, Merger Sub will merge with and into GCI Liberty, with GCI Liberty surviving as the surviving corporation and an indirect wholly owned subsidiary of Liberty Broadband. Immediately after the first merger, GCI Liberty, as the surviving corporation of the first merger, will merge with and into Merger LLC, with Merger LLC surviving as a wholly owned subsidiary of Liberty Broadband.

Merger Consideration

At the effective time:

[Table of Contents](#)

All fractional shares of Liberty Broadband Series C common stock that would otherwise be issued to a GCI Liberty Series A common stockholder of record as part of the Series A merger consideration will be aggregated and sold as a block at prevailing market prices on behalf of GCI Liberty Series A common stockholders who otherwise would have been entitled to receive fractional shares. The cash (without interest) received from these sales will be paid to each GCI Liberty Series A common stockholder in proportion to the stockholder's pro rata portion.

All fractional shares of Liberty Broadband Series B common stock that would otherwise be issued to a GCI Liberty Series B common stockholder of record as part of the Series B merger consideration will be aggregated and sold as a block at prevailing market prices on behalf of GCI Liberty Series B common stockholders who otherwise would have been entitled to receive fractional shares. The cash (without interest) received from these sales will be paid to each GCI Liberty Series B common stockholder in proportion to the stockholder's pro rata portion.

After the effective time, Liberty Broadband stockholders will continue to own their existing shares of common stock of Liberty Broadband, the form of which will not be changed by the combination.

Treatment of Equity Awards

At the effective time:

- all outstanding stock options to purchase shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock will be converted into options, with the same terms and conditions (including, except in the case of any non-employee director of GCI Liberty, vesting terms) as applied to such GCI Liberty stock options immediately prior to the effective time, to purchase the number of shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock (rounded down to the nearest whole share), respectively, determined by multiplying the number of shares of GCI Liberty common stock subject to the GCI Liberty stock option by 0.580, at an exercise price determined by dividing the per-share exercise price of the GCI Liberty stock option by 0.580 and rounding the result up to the nearest whole cent;
- all outstanding stock options to purchase shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock held by any non-employee director of GCI Liberty will automatically accelerate and vest in full immediately prior to the effective time;
- all outstanding awards of restricted stock units and performance-based restricted stock units in respect of shares of GCI Liberty Series A common stock (other than those held by non-employee directors of GCI Liberty) will be converted into restricted stock unit awards or performance-based restricted stock unit awards, as applicable, with the same terms and conditions (including service-based or performance-based vesting requirements) as were applicable to each such award immediately prior to the effective time, relating to the number of shares of Liberty Broadband Series C common stock determined by multiplying the number of shares of GCI Liberty Series A common stock subject to the GCI Liberty restricted stock unit or performance-based restricted stock unit, as applicable, by 0.580, rounded down to the nearest whole share;
- all outstanding restricted stock units held by non-employee directors of GCI Liberty will automatically accelerate and vest in full immediately prior to the effective time;
- all outstanding restricted shares of GCI Liberty Series A common stock will be converted into restricted shares of common stock, with the same terms and conditions (including any vesting requirements) as were applicable to each restricted share of GCI Liberty Series A common stock immediately prior to the effective time, relating to the number of shares of Liberty Broadband

- all outstanding restricted shares of GCI Liberty Preferred Stock will be converted on a one-for-one basis into restricted shares of Liberty Broadband Preferred Stock, with the same terms and conditions (including any vesting requirements) as were applicable to each restricted share of GCI Liberty Preferred Stock immediately prior to the effective time.

Closing and Effectiveness of the Combination

Unless the merger agreement is terminated in accordance with its terms, and subject to other terms and conditions in the merger agreement, the closing of the combination will occur as promptly as practicable, but no later than the third business day, after all of the closing conditions set forth in the merger agreement are satisfied or waived (other than conditions that by their terms are to be satisfied at the closing, but subject to the satisfaction or waiver of those conditions), or at another time or date agreed to in writing by Liberty Broadband and GCI Liberty. The first merger will become effective prior to the upstream merger becoming effective.

The first merger will become effective at the time that, following the filing of Liberty Broadband's Certificate of Designations for the Liberty Broadband Preferred Stock (the "**certificate of designations**") with the Delaware Secretary of State, the certificate of merger has been filed with the Delaware Secretary of State or at a later date and time agreed to by Liberty Broadband and GCI Liberty and specified in the certificate of merger. The upstream merger will become effective at the time the certificate of ownership and merger has been filed with the Delaware Secretary of State or at a later date and time agreed to by Liberty Broadband and GCI Liberty and specified in the certificate of ownership and merger.

Conversion of Shares; Exchange of Certificates

The conversion of shares of GCI Liberty Series A common stock (other than the excluded shares) into the right to receive the Series A merger consideration, GCI Liberty Series B common stock (other than the excluded shares) into the right to receive the Series B merger consideration and GCI Liberty Preferred Stock into the right to receive the preferred merger consideration will occur automatically at the completion of the first merger.

Broadridge Corporate Issuer Solutions, Inc. has been engaged to act as the exchange agent for the combination. Prior to the effective time, Liberty Broadband will enter into an exchange agent agreement with Broadridge Corporate Issuer Solutions, Inc. on terms reasonably acceptable to Liberty Broadband.

Promptly after the effective time, Liberty Broadband will send, or cause the exchange agent to send, a letter of transmittal to each stockholder of record immediately prior to the effective time holding certificates representing outstanding shares of GCI Liberty common stock or GCI Liberty Preferred Stock. The letter of transmittal will include instructions for exchanging each of their certificated shares of GCI Liberty common stock or GCI Liberty Preferred Stock. No interest will be paid or accrued on any merger consideration (including on cash in lieu of fractional shares).

At the completion of the first merger, shares of GCI Liberty common stock will no longer be outstanding, will be automatically canceled and will cease to exist, and each certificate or book-entry share that represented shares of GCI Liberty common stock immediately prior to the completion of the first merger will cease to have any rights with respect to such common stock, other than the right to receive the applicable merger consideration as described above and any dividends or other distributions to which holders of common shares become entitled and subject to the terms and conditions set forth in the merger agreement. At the completion of the first merger, shares of GCI Liberty Preferred Stock

will no longer be outstanding, will be automatically canceled and will cease to exist, and each certificate or book-entry share that represented shares of GCI Liberty Preferred Stock immediately prior to the completion of the first merger will cease to have any rights with respect to such preferred stock, other than the right to receive the preferred merger consideration as described above and any dividends or other distributions to which holders of preferred shares become entitled and subject to the terms and conditions set forth in the merger agreement.

Liberty Broadband will pay (or cause one of its subsidiaries to pay) all dividends declared by the GCI Liberty Board in accordance with the GCI Liberty charter on the GCI Liberty Preferred Stock to the extent that the payment date for such dividends is after the closing and the record date for such dividends precedes the closing. The declared dividends will be paid by Liberty Broadband on the payment date to the holders of record of GCI Liberty Preferred Stock as of the close of business on the record date therefor. Any dividends declared by the GCI Liberty Board on the GCI Liberty Preferred Stock will be conditioned on the record date occurring prior to the closing of the combination.

Following the surrender or exchange of certificates or book-entry shares of GCI Liberty Series A common stock, GCI Liberty Series B common stock or GCI Liberty Preferred Stock, such record holders will be paid (1) all dividends and other distributions payable in respect of such shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or Liberty Broadband Preferred Stock, respectively, issued in the combination with a record date after the effective time and a payment date on or prior to the date of such surrender or exchange and not previously paid and (2) at the appropriate payment date, the dividends or other distributions payable with respect to such shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or Liberty Broadband Preferred Stock issued in the combination, respectively, with a record date after the effective time but with a payment date subsequent to the date of such surrender or exchange.

Each of Liberty Broadband, Merger Sub, Merger LLC, GCI Liberty and the exchange agent are entitled to deduct and withhold from any amounts otherwise payable pursuant to the merger agreement to any person such amounts as are required to be deducted and withheld with respect to the making of such payment under any applicable tax law. Any amounts so withheld and timely paid to the applicable governmental authority will be treated for all purposes of the merger agreement as having been paid to the person in respect of which such deduction and withholding was made.

All shares of Liberty Broadband common stock and Liberty Broadband Preferred Stock issued pursuant to the merger agreement will be issued in book-entry form unless otherwise requested by such holder.

The representations and warranties made by each party under the merger agreement relate to, among other things:

The merger agreement also contains additional representations and warranties of GCI Liberty relating to, among other things, the following:

- communications licenses;

[Table of Contents](#)

to be true or correct has or would be reasonably expected to have a material adverse effect). **Material adverse effect** for purposes of the merger agreement, means any change, effect, event, occurrence, state of facts or development that, individually or in the aggregate, is or would reasonably be expected to have a material adverse effect on (a) the business, results of operations or financial condition of GCI Liberty or Liberty Broadband, as applicable, in each case including its subsidiaries, taken as a whole, or (b) the ability of GCI Liberty or Liberty Broadband to consummate the transactions contemplated by the transaction documents which GCI Liberty, Liberty Broadband, Merger Sub and Merger LLC is a party, except that with respect to clause (a) none of the following will constitute or be taken into account in determining whether a material adverse effect has occurred or would reasonably be expected to occur:

- changes in general economic and market conditions or changes in GAAP that, in either case, generally affect the industries in which the party or its subsidiaries participate;
- the announcement of the transaction documents or the contemplated transactions (including any stockholder litigation arising from such announcement);
- acts of war, sabotage or terrorism, or any escalation or worsening of such acts, or any earthquakes, hurricanes, tornados, and other wind storms, floods, pandemics (including COVID-19) or epidemics or other natural disasters or acts of God;
- any action taken or failure to act by the party or its subsidiaries that is expressly required by the transaction documents (other than certain actions required by the reasonable best efforts covenant in the merger agreement or that has been expressly consented to by the other party); or
- in the case of GCI Liberty only, any change, effect, event, occurrence, state of facts or development that, individually or in the aggregate, has had, or would reasonably be expected to have, a material adverse effect on the business, results of operations or financial condition of Liberty Broadband or its subsidiaries, taken as a whole.

The underlying facts or occurrences giving rise or contributing to a material adverse effect (to the extent not otherwise excluded by the definition) may be taken into account when determining whether a material adverse effect has occurred. In the case of the first, second and fourth bullets above, to the extent that such changes, effects, events, occurrences, state of facts or developments affect the party or its subsidiaries in a disproportionate manner relative to other participants in the industries in which the party or its subsidiaries participate, only the incremental disproportionate effect may be taken into account in determining whether there has been a material adverse effect.

Reasonable Best Efforts

Each party generally is required to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable law to consummate and make effective as promptly as reasonably practicable the transactions contemplated by or related to the transaction documents and the consummation and effectiveness of any transaction permitted under the merger agreement that GCI Liberty has elected to engage in, including making any required filings under the HSR Act or pursuant to the requirements of the FCC, RCA or other state commissions.

Without limiting the foregoing:

- the parties will use their reasonable best efforts to resolve objections, if any, asserted by any governmental authority or person challenging the combination, avoid the entry of any decree or order that would restrain, prevent or delay the combination, and avoid or eliminate impediments under any law asserted by any governmental authority so that the combination can occur as soon as reasonably possible;
- GCI Liberty agrees to take all actions that are necessary to obtain any approval required to enable the closing of the combination and the transactions contemplated by the other transaction documents to which it is a party; however, nothing in the merger agreement will require GCI Liberty to enter into or agree to any condition that is not conditional on the consummation of the first merger and, in no event, can GCI Liberty agree, without the consent of Liberty Broadband, to a condition (1) to sell, divest or dispose of assets of GCI Holdings and its subsidiaries or that restricts the ability of Liberty Broadband to operate the assets of GCI Holdings and its subsidiaries or to exercise of full ownership rights of GCI Liberty following the effective time and (2) that would reasonably be expected to be materially adverse to the business of GCI Holdings and its subsidiaries; and
- Liberty Broadband agrees to take all actions that are necessary to obtain any approval required to enable the closing of the combination and the transactions contemplated by the other transaction documents to which it is a party; however, nothing in the merger agreement will require Liberty Broadband to enter into or agree to any condition that is not conditional on the

consummation of the first merger or otherwise requires the sale, divestiture or disposal of assets of GCI Holdings and its subsidiaries, that restricts the ability of Liberty Broadband to operate the assets of GCI Holdings or exercise of full ownership rights of GCI Liberty following the closing of the combination.

GCI Liberty No Solicitation

An “**alternative company transaction**” refers to (a) any merger, consolidation, share exchange, business combination, reorganization, recapitalization liquidation, dissolution, tender offer or other similar transaction involving GCI Liberty which would result in any person or group owning 25% or more of the aggregate outstanding equity securities or securities representing 25% or more of voting power of GCI Liberty (or the surviving or resulting entity), (b) any direct or indirect sale, lease, exchange, transfer or other disposition to, or acquisition or purchase by, any person or group, in a single transaction or a series of related transactions, of assets or properties that constitute 25% or more of the fair market value of the assets and properties of GCI Liberty and its subsidiaries, taken as a whole, (c) any direct or indirect acquisition or purchase, in a single transaction or series of related transactions, by any person or group of 25% or more of the aggregate outstanding equity securities or securities representing 25% or more of voting power of GCI Liberty or (d) any other transaction having a similar effect to those described in any of clauses (a), (b), or (c), in each case, other than the transactions contemplated by the merger agreement.

Except as described below, GCI Liberty has agreed that between the date of the merger agreement and the earlier of the effective time and the termination of the merger agreement:

- it will, and will cause its subsidiaries, and its and their directors, officers and employees to, and will instruct and use reasonable best efforts to cause its and their representatives to, immediately cease and cause to be terminated any existing activities, discussions or negotiations with any third party or its representatives conducted prior to the date of the merger agreement with respect to any alternative company transaction proposal;
- it will promptly request each person that has, within the twelve months preceding the date of the merger agreement, executed a confidentiality agreement in connection with its consideration of any alternative company transaction, to return or destroy all confidential information furnished prior to the date of the merger agreement to or for the benefit of such person and terminate all access by persons to any physical or electronic data rooms relating to a possible alternative company transaction; and
- it will not, and will cause its subsidiaries, and its and their directors, officers and employees not to, and will use reasonable best efforts to cause its and their representatives not to, directly or indirectly, (1) solicit, initiate or knowingly facilitate, induce or encourage any inquiries or the making or announcement of any proposal or offer that constitutes, or would reasonably be expected to lead to, an alternative company transaction proposal, (2) enter into, continue or otherwise participate in any discussions or negotiations regarding any alternative company transaction proposal or (3) furnish any non-public information with respect to GCI Liberty and its subsidiaries, or afford access to the business, properties, assets, books or records of GCI Liberty or its subsidiaries to any person or group, in each case to knowingly facilitate or encourage the making of, or knowingly cooperate in any way that would reasonably be expected to lead to, any alternative company transaction proposal.

Notwithstanding the foregoing, GCI Liberty or any of its representatives may:

- in good faith seek to clarify the terms and conditions of any bona fide unsolicited alternative company transaction proposal to determine whether such proposal constitutes or would reasonably be expected to lead to a superior company proposal (as defined below), provided that

[Table of Contents](#)

any such communications (1) must be with the third party (or its representatives) making such alternative company transaction proposal, (2) must be limited to the clarification of the alternative company transaction proposal and (3) may not include any negotiations or similar discussions with respect to such alternative company transaction proposal or GCI Liberty's view or position on such proposal;

- inform any person that makes an alternative company transaction proposal of the restrictions imposed by the merger agreement; or
- waive any standstill provisions in any agreement with any person or group to the extent such standstill provisions would prohibit such person or group from making an alternative company transaction proposal privately to the GCI Liberty Board or GCI Liberty special committee.

In connection with the receipt of any alternative company transaction proposal or any request for information or for the initiation of negotiations with respect to an alternative company transaction proposal, GCI Liberty will:

- as promptly as practicable (and in any case within 24 hours) provide the Liberty Broadband special committee written notice of the receipt of such proposal or request, including a written summary of the material terms and conditions of such proposal or request (including unredacted copies of such proposal or request) and the identity of the persons making such proposal or request;
- keep the Liberty Broadband special committee reasonably currently informed of the status of, and negotiations (if any) regarding, and any material developments affecting the terms and conditions of, such proposal or request;
- promptly (and in any case within 48 hours) provide the Liberty Broadband special committee with all non-public information concerning GCI Liberty or any of its subsidiaries that is made available to the person or group making such proposal or request (or any of their representatives), which was not previously made available to the Liberty Broadband special committee or its representatives; and
- promptly (and in any case within 24 hours after any determination) advise the Liberty Broadband special committee in writing if the GCI Liberty special committee or the GCI Liberty Board determines to begin providing information or engaging in discussions concerning such proposal in compliance with the non-solicitation provisions of the merger agreement.

Company Adverse Recommendation Change; Certain Prohibited Actions

Except as expressly permitted by the merger agreement in the case of a superior company proposal or a company intervening event (in each case, as described below), neither the GCI Liberty Board nor any committee thereof, including the GCI Liberty special committee, will:

- (1) qualify, amend or modify in a manner adverse to Liberty Broadband in any material respect, or publicly propose to qualify, amend or modify, in a manner adverse to Liberty Broadband in any material respect or withdraw the recommendation by the GCI Liberty Board and the GCI Liberty special committee of the merger agreement to the GCI Liberty stockholders, or fail to include such recommendation in this joint proxy statement/prospectus, (2) publicly recommend, adopt or approve, or propose to publicly recommend, adopt or approve, any alternative company transaction proposal, (3) make any public recommendation in favor of a tender or exchange offer or fail to recommend against acceptance of such tender or exchange offer by the close of business on the 10th business day after the commencement of such tender offer or exchange offer pursuant to Rule 14d-2 under the Exchange Act, (4) other than with respect to a tender offer or exchange offer, fail to publicly reaffirm its recommendation within five business days

[Table of Contents](#)

after Liberty Broadband requests in writing if an alternative company transaction proposal or any material modification to an alternative company transaction proposal is made public and not withdrawn or (5) resolve, agree or publicly propose to do any of the foregoing (each such action referred to as a “**company adverse recommendation change**”); or

- approve or recommend, or publicly propose to approve or recommend, or allow GCI Liberty or any of its subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement, arrangement or understanding (1) constituting, or providing for, any alternative company transaction proposal or (2) requiring it (or that would require it) to abandon, terminate or fail to consummate the combination.

A “**superior company proposal**” refers to a bona fide written alternative company transaction proposal which the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) determines in good faith (after consultation with its outside legal counsel and financial advisor), taking into account all legal, financial, tax, regulatory, timing and other aspects of the proposal and the identity of the person making the proposal, (1) is reasonably likely to be consummated on the terms proposed, (2) to the extent financing is required, such financing is then fully committed or reasonably capable of being obtained, (3) is more favorable from a financial point of view to GCI Liberty and its stockholders (other than the Malone Group, the Maffei Group, their respective Affiliates and the Company Section 16 Officers) than the terms of the combination and the other transactions contemplated by the merger agreement and (4) is otherwise on terms that the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) has determined to be superior to the transactions contemplated by the merger agreement; provided, however, that, for purposes of this definition, the term “alternative company transaction proposal” shall have the meaning ascribed to such term in the merger agreement, except that each reference to 25% in the definition of alternative company transaction when used in the definition of alternative company transaction proposal is replaced with a reference to 75%.

A “**company intervening event**” refers to any material fact, event, change, development or circumstance (1) not known or reasonably foreseeable (or, if known, the consequences or magnitude of which were not known or reasonably foreseeable) by the GCI Liberty special committee or the GCI Liberty Board as of the date of the merger agreement, which material fact, event, change, development or circumstance (or consequences or magnitude of which) becomes known to the GCI Liberty special committee or the GCI Liberty Board prior to the approval of the adoption of the merger agreement by the GCI Liberty stockholders and that affects, or would reasonably be likely to affect, in a material manner the business, assets, properties, liabilities, results of operations or condition (financial or otherwise) of GCI Liberty and its subsidiaries, taken as a whole, and (2) does not relate to the receipt, existence or terms of any alternative company transaction proposal or any changes in the market price or trading volume of GCI Liberty, Liberty Broadband or certain of their portfolio securities, in each case in and of itself.

Subject to the non-solicitation obligations described above and the obligations further described in this paragraph, if, prior to the approval of the adoption of the merger agreement by the GCI Liberty stockholders, GCI Liberty receives a bona fide written alternative company transaction proposal that the GCI Liberty special committee or GCI Liberty Board (following the recommendation of the GCI Liberty special committee) determines in good faith, after consultation with its outside legal counsel and financial advisor, constitutes or is reasonably expected to lead to a superior company proposal (excluding any assessment of the likelihood that the Malone Group or the Maffei Group would vote in favor of or otherwise support such alternative company transaction proposal), and that failure to take

such action would be inconsistent with its fiduciary duties under applicable law, GCI Liberty and its representatives may take the following actions:

- Furnish any information with respect to GCI Liberty and its subsidiaries, and afford access to the business, properties, assets, books or records of GCI Liberty and its subsidiaries (except for information furnished by or on behalf of Liberty Broadband to GCI Liberty in accordance with the terms of its confidentiality agreement with GCI Liberty or otherwise on a confidential basis) to the person or group (and their respective representatives) making such alternative company transaction proposal, subject to the receipt of an executed confidentiality agreement (1) containing terms and restrictions at least as restrictive as the terms contained in the confidentiality agreement entered into with Liberty Broadband (other than *de minimis* differences) and (2) that does not contain any provision requiring GCI Liberty or its subsidiaries to pay or reimburse the counterparty's fees, costs or expenses of any nature; and
- Following the execution of a confidentiality agreement that complies with the above requirements, engage in discussions or negotiations with such person or group (and their respective representatives) with respect to such alternative company transaction proposal.

At any time prior to the approval of the adoption of the merger agreement by the GCI Liberty stockholders, the GCI Liberty Board or any committee thereof, including the GCI Liberty special committee, may, subject to compliance with its obligations described below, make a company adverse recommendation change solely in response to a company intervening event or a superior company proposal that did not result from a breach of GCI Liberty's non-solicitation obligations under the merger agreement, if:

- in the case of a superior company proposal, such proposal has been made and not withdrawn and continues to be a superior company proposal; and
- GCI Liberty has first (1) provided to Liberty Broadband and the Liberty Broadband special committee five business days' prior written notice stating expressly (A) that a company intervening event has occurred or that it has received a superior company proposal, as applicable, (B) (x) in the case of a company intervening event, describing the material facts underlying such event in reasonable detail, or (y) in the case of a superior company proposal, describing the material terms and conditions of such proposal (including the form and per share value of the consideration offered and the identity of the person or group making such proposal) and including unredacted copies of the relevant transaction agreements and other material documents (provided that any amendment to the financial or other material terms of such proposal, including to the proposed purchase price, will require a new four-business day notice period) and (C) stating that in response to such company intervening event or superior company proposal, GCI Liberty intends to make a company adverse recommendation change, and (2) engaged in good faith negotiations with the Liberty Broadband special committee and its representatives during the relevant notice period(s) and considered in good faith any bona fide offer by Liberty Broadband, if any, and has nevertheless determined to make such company adverse recommendation change in accordance with the requirements described above.

Notwithstanding any change in the GCI Liberty special committee's recommendation, the merger agreement is required to be submitted to the GCI Liberty stockholders at the GCI Liberty stockholders meeting for the purposes of adopting the merger agreement.

Liberty Broadband No Solicitation

An "**alternative parent transaction**" refers to (a) any merger, consolidation, share exchange, business combination, reorganization, recapitalization liquidation, dissolution, tender offer or other similar transaction involving Liberty Broadband which would result in any person or group owning 25%

[Table of Contents](#)

or more of the aggregate outstanding equity securities or securities representing 25% or more of voting power of Liberty Broadband (or the surviving or resulting entity), (b) any direct or indirect sale, lease, exchange, transfer or other disposition to, or acquisition or purchase by, any person or group, in a single transaction or a series of related transactions, of assets or properties that constitute 25% or more of the fair market value of the assets and properties of Liberty Broadband and its subsidiaries, taken as a whole, (c) any direct or indirect acquisition or purchase, in a single transaction or series of related transactions, by any person or group of 25% or more of the aggregate outstanding equity securities or securities representing 25% or more of voting power of Liberty Broadband or (d) any other transaction having a similar effect to those described in any of clauses (a), (b), or (c), in each case, other than the transactions contemplated by the merger agreement. An alternative parent transaction excludes any transaction that (1) would not reasonably be expected to materially impair or delay the ability of Liberty Broadband to consummate the first merger, require Liberty Broadband to abandon, terminate or fail to consummate the first merger, or reasonably be expected to result in an adverse regulatory condition being imposed on the combination and (2) is conditioned on the prior closing of the first merger, other than a transaction where the Liberty Broadband Series C common stock would continue to be listed on a national exchange at the close of such transaction.

Except as described below, Liberty Broadband has agreed that between the date of the merger agreement and the earlier of the effective time and the termination of the merger agreement:

- it will, and will cause its subsidiaries, and its and their directors, officers and employees to, and will instruct and use reasonable best efforts to cause its and their representatives to, immediately cease and cause to be terminated any existing activities, discussions or negotiations with any third party or its representatives conducted prior to the date of the merger agreement with respect to any alternative parent transaction proposal;
- it will promptly request each person that has, within the twelve months preceding the date of the merger agreement, executed a confidentiality agreement in connection with its consideration of any alternative parent transaction to return or destroy all confidential information furnished prior to the date of the merger agreement to or for the benefit of such person and terminate all access by persons to any physical or electronic data rooms relating to a possible alternative parent transaction; and
- it will not, and will cause its subsidiaries, and its and their directors, officers and employees not to, and will use reasonable best efforts to cause its and their representatives not to, directly or indirectly, (1) solicit, initiate or knowingly facilitate, induce or encourage any inquiries or the making or announcement of any proposal or offer that constitutes, or would reasonably be expected to lead to, an alternative parent transaction proposal, (2) enter into, continue or otherwise participate in any discussions or negotiations regarding any alternative parent transaction proposal or (3) furnish any non-public information with respect to Liberty Broadband and its subsidiaries, or afford access to the business, properties, assets, books or records of Liberty Broadband or its subsidiaries to any person or group, in each case to knowingly facilitate or encourage the making of, or knowingly cooperate in any way that would reasonably be expected to lead to, any alternative parent transaction proposal.

Notwithstanding the foregoing, Liberty Broadband or any of its representatives may:

- in good faith seek to clarify the terms and conditions of any bona fide unsolicited alternative parent transaction proposal to determine whether such proposal constitutes or would reasonably be expected to lead to a superior parent proposal (as defined below), provided that any such communications (1) must be with the third party (or its representatives) making such alternative parent transaction proposal, (2) must be limited to the clarification of the alternative parent transaction proposal and (3) may not include any negotiations or similar discussions with respect

[Table of Contents](#)

to such alternative parent transaction proposal or Liberty Broadband's view or position on such proposal;

- inform any person that makes an alternative parent transaction proposal of the restrictions imposed by the merger agreement; or
- waive any standstill provisions in any agreement with any person or group to the extent such standstill provisions would prohibit such person or group from making an alternative parent transaction proposal privately to the Liberty Broadband Board or Liberty Broadband special committee.

In connection with the receipt of any alternative parent transaction proposal or any request for information or for the initiation of negotiations with respect to an alternative parent transaction proposal, Liberty Broadband will:

- as promptly as practicable (and in any case within 24 hours) provide the GCI Liberty special committee written notice of the receipt of such proposal or request, including a written summary of the material terms and conditions of such proposal or request (including unredacted copies of such proposal or request) and the identity of the persons making such proposal or request;
- keep the GCI Liberty special committee reasonably currently informed of the status of, and negotiations (if any) regarding, and any material developments affecting the terms and conditions of, such proposal or request;
- promptly (and in any case within 48 hours) provide the GCI Liberty special committee with all non-public information concerning Liberty Broadband or any of its subsidiaries that is made available to the person or group making such proposal or request (or any of their representatives), which was not previously made available to the GCI Liberty special committee or its representatives; and
- promptly (and in any case within 24 hours after any determination) advise the GCI Liberty special committee in writing if the Liberty Broadband special committee or the Liberty Broadband Board determines to begin providing information or engaging in discussions concerning such proposal in compliance with the non-solicitation provisions of the merger agreement.

Parent Adverse Recommendation Change; Certain Prohibited Actions

Except as expressly permitted by the merger agreement in the case of a superior parent proposal or a parent intervening event (in each case, as described below), neither the Liberty Broadband Board nor any committee thereof, including the Liberty Broadband special committee, will:

- (1) qualify, amend or modify in a manner adverse to GCI Liberty in any material respect, or publicly propose to qualify, amend or modify, in a manner adverse to GCI Liberty in any material respect or withdraw the recommendation to the Liberty Broadband stockholders by the Liberty Broadband Board and the Liberty Broadband special committee to approve the Liberty Broadband merger proposal or the share issuance proposal, or fail to include such recommendation in this joint proxy statement/prospectus, (2) publicly recommend, adopt or approve, or propose to publicly recommend, adopt or approve, any alternative parent transaction proposal, (3) make any public recommendation in favor of a tender or exchange offer or fail to recommend against acceptance of such tender or exchange offer by the close of business on the 10th business day after the commencement of such tender offer or exchange offer pursuant to Rule 14d-2 under the Exchange Act, (4) other than with respect to a tender offer or exchange offer, fail to publicly reaffirm its recommendation within five business days after GCI Liberty requests in writing if an alternative parent transaction proposal or any material modification

thereto is made public and not withdrawn or (5) resolve, agree or publicly propose to do any of the foregoing (each such action referred to as a **parent adverse recommendation change**"); or

- approve or recommend, or publicly propose to approve or recommend, or allow Liberty Broadband or any of its subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement, arrangement or understanding (1) constituting, or providing for, any alternative parent transaction proposal or (2) requiring it (or that would require it) to abandon, terminate or fail to consummate the combination.

A **“superior parent proposal”** refers to a bona fide written alternative parent transaction proposal which the Liberty Broadband special committee or the Liberty Broadband Board (acting at the recommendation of the Liberty Broadband special committee) determines in good faith (after consultation with its outside legal counsel and financial advisor), taking into account all legal, financial, tax, regulatory, timing and other aspects of the proposal and the identity of the person making the proposal, (1) is reasonably likely to be consummated on the terms proposed, (2) to the extent financing is required, such financing is then fully committed or reasonably capable of being obtained, (3) is more favorable from a financial point of view to Liberty Broadband and its stockholders (other than the Malone Group, the Maffei Group, their respective Affiliates and Parent Section 16 Officers) than the terms of the combination and the other transactions contemplated by the merger agreement and (4) is otherwise on terms that the Liberty Broadband special committee or the Liberty Broadband Board (acting at the recommendation of the Liberty Broadband special committee) has determined to be superior to the transactions contemplated by the merger agreement; provided, however, that, for purposes of this definition, the term “alternative parent transaction proposal” shall have the meaning ascribed to such term in the merger agreement, except that each reference to 25% in the definition of alternative parent transaction when used in the definition of alternative parent transaction proposal is replaced with a reference to 75%.

A **“parent intervening event”** refers to any material fact, event, change, development or circumstance (1) not known or reasonably foreseeable (or, if known, the consequences or magnitude of which were not known or reasonably foreseeable) by the Liberty Broadband special committee or the Liberty Broadband Board as of the date of the merger agreement, which material fact, event, change, development or circumstance (or consequences or magnitude of which) becomes known to the Liberty Broadband special committee or the Liberty Broadband Board prior to the approval of the adoption of the merger agreement and the related share issuance by the Liberty Broadband stockholders and that affects, or would reasonably be likely to affect, in a material manner the business, assets, properties, liabilities, results of operations or condition (financial or otherwise) of Liberty Broadband and its subsidiaries, taken as a whole, and (2) does not relate to the receipt, existence or terms of any alternative parent transaction proposal or any changes in the market price or trading volume of GCI Liberty, Liberty Broadband or certain of their portfolio securities, in each case in and of itself.

Subject to the non-solicitation obligations described above and the obligations further described in this paragraph, if, prior to the approval of the adoption of the merger agreement and the related share issuance by the Liberty Broadband stockholders, Liberty Broadband receives a bona fide written alternative parent transaction proposal that the Liberty Broadband special committee or Liberty Broadband Board (following the recommendation of the Liberty Broadband special committee) determines in good faith, after consultation with its outside legal counsel and financial advisor, constitutes or is reasonably expected to lead to a superior parent proposal (excluding any assessment of the likelihood that the Malone Group or the Maffei Group would vote in favor of or otherwise support such alternative parent transaction proposal), and that failure to take such action would be inconsistent

[Table of Contents](#)

with its fiduciary duties under applicable law, Liberty Broadband and its representatives may take the following actions:

- Furnish any information with respect to Liberty Broadband and its subsidiaries, and afford access to the business, properties, assets, books or records of Liberty Broadband and its subsidiaries (except for information furnished by or on behalf of GCI Liberty to Liberty Broadband in accordance with the terms of its confidentiality agreement with GCI Liberty or otherwise on a confidential basis) to the person or group (and their respective representatives) making such alternative parent transaction proposal, subject to the receipt of an executed confidentiality agreement (1) containing terms and restrictions at least as restrictive as the terms contained in the confidentiality agreement entered into with GCI Liberty (other than *de minimis* differences) and (2) that does not contain any provision requiring Liberty Broadband or its subsidiaries to pay or reimburse the counterparty's fees, costs or expenses of any nature; and
- Following the execution of a confidentiality agreement that complies with the above requirements, engage in discussions or negotiations with such person or group (and their respective representatives) with respect to such alternative parent transaction proposal.

At any time prior to the approval of the adoption of the merger agreement and the related share issuance by the Liberty Broadband stockholders, the Liberty Broadband Board or any committee thereof, including the Liberty Broadband special committee, may, subject to compliance with its obligations described below, make a parent adverse recommendation change solely in response to a parent intervening event or a superior parent proposal that did not result from a breach of Liberty Broadband's non-solicitation obligations under the merger agreement, if:

- in the case of a superior parent proposal, such proposal has been made and not withdrawn and continues to be a superior parent proposal; and
- Liberty Broadband has first (1) provided to GCI Liberty and the GCI Liberty special committee five business days' prior written notice stating expressly (A) that a parent intervening event has occurred or that it has received a superior parent proposal, as applicable, (B) (x) in the case of a parent intervening event, describing the material facts underlying such event in reasonable detail, or (y) in the case of a superior parent proposal, describing the material terms and conditions of such proposal (including the form and per share value of the consideration offered and the identity of the person or group making such proposal) and including unredacted copies of the relevant transaction agreements and other material documents (provided that any amendment to the financial or other material terms of such proposal, including to the proposed purchase price, will require a new four-business day notice period) and (C) stating that in response to such parent intervening event or superior parent proposal, Liberty Broadband intends to make a parent adverse recommendation change, and (2) engaged in good faith negotiations with the GCI Liberty special committee and its representatives during the relevant notice period(s) and considered in good faith any bona fide offer by GCI Liberty, if any, and has nevertheless determined to make such parent adverse recommendation change in accordance with the requirements described above. Notwithstanding any change in the Liberty Broadband special committee's recommendation, the merger agreement is required to be submitted to the Liberty Broadband stockholders at the Liberty Broadband stockholders' meeting for the purposes of adopting the merger agreement and approving the related share issuance.

Tax Matters

GCI Liberty, Liberty Broadband, Merger LLC and Merger Sub intend that, for U.S. federal income tax purposes, the combination will be treated as a single integrated transaction and shall qualify as a “reorganization” within the meaning of Section 368(a) of the Code. Each party generally is required (1) to, and to cause its respective subsidiaries to, use its reasonable best efforts to cause the combination to so qualify, (2) to file all tax returns consistent with, and take no position inconsistent with (whether in audits, tax returns or otherwise) such treatment, (3) to use its reasonable best efforts to take or cause to be taken any action reasonably necessary to ensure the receipt of the closing split-off tax opinion and the reorganization tax opinions and (4) to cooperate with the tax counsel that are to render the closing split-off tax opinion and reorganization tax opinions by providing appropriate representations as to factual matters.

The parties adopted the merger agreement and any agreements entered into pursuant to the merger agreement as a “plan of reorganization” within the meaning of Sections 1.368-2(g) and 1.368-3(a) of the Treasury Regulations, and the parties generally may not take any action or fail to take any action which would prevent, preclude or impede the combination from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

None of the parties will, or will permit its affiliates to take any action or fail to take any action that would cause (or reasonably would be expected to cause) (1) the GCI Liberty Split-off to fail to qualify in whole to Qualify Retail, GCI Liberty (and Predecessor GCI Liberty), their respective subsidiaries and the former holders of Liberty Ventures common stock for non-recognition of income, gain and loss under Sections 355 and 361 of the Code or (2) GCI Liberty or any of its subsidiaries to have an indemnification obligation in respect of certain taxes or related losses related to the GCI Liberty Split-off under the tax sharing agreement.

Immediately prior to the closing of the combination, each of GCI Liberty and Liberty Broadband is generally required to execute and deliver to the applicable tax counsel a representation letter in connection with the delivery of the closing split-off tax opinion and reorganization tax opinions, and GCI Liberty will deliver to Liberty Broadband a copy of the closing split-off tax opinion and the representation letters delivered to Skadden in connection with the delivery of the closing split-off tax opinion.

Employee Benefits Matters

For a period beginning at the effective time and ending on December 31 of the year in which the effective time occurs, Liberty Broadband has agreed to provide (or cause to be provided) to each continuing employee:

- an annual rate of salary or wages that is no less favorable than the annual rate of salary or wages provided to such employee as of immediately prior to the effective time; and
- incentive compensation opportunities (including commissions) and employee benefits that are substantially comparable in the aggregate to the incentive compensation opportunities (including commissions) and employee benefits provided to such employee during applicable periods prior to the effective time.

In addition, with respect to any health and welfare plans maintained by Liberty Broadband in which any continuing employee is eligible to participate at or after the effective time, Liberty Broadband has agreed to use commercially reasonable efforts to (1) waive preexisting conditions, limitations, exclusions, actively-at-work requirements and waiting periods for such continuing employee (and his or her eligible dependents) to the extent waived or satisfied under comparable GCI Liberty plans, (2) recognize the dollar amount of all co-payment, deductibles and similar expenses incurred by such continuing employee (and his or her eligible dependents) for purposes of satisfying any deductible

[Table of Contents](#)

and co-payment limitations and (3) provide full credit for purposes of eligibility, vesting, accruals and determination of level of benefits for such continuing employee's service with GCI Liberty to the same extent such service was credited under any comparable GCI Liberty plans prior to the effective time.

Directors' and Officers' Indemnification and Insurance

For six years after the effective time (or, in certain limited circumstances, a longer period), Liberty Broadband will, and will cause the surviving company to, honor and fulfill in all respects the obligations (including both indemnification and advancement of expenses) of GCI Liberty and its subsidiaries under their respective organizational documents and under any indemnification agreements, in each case, in effect on the date of the merger agreement, for the benefit of (x) any of GCI Liberty's or its subsidiaries' current or former directors and officers and any person who becomes a director or officer of GCI Liberty or its subsidiaries prior to the completion of the combination or (y) any person serving or who prior to the completion of the combination has served on the board of directors of another person at the request of GCI Liberty or its subsidiaries, in each case, in such individual's capacity as such.

Prior to the effective time, GCI Liberty will purchase (or, if GCI Liberty is unable to do so, at the effective time, Liberty Broadband will cause to be purchased) a 6-year prepaid "tail" policy covering each individual covered by GCI Liberty's existing fiduciary liability insurance policies, for a claims reporting or discovery period of at least six years after the effective time, from an insurance carrier with the same or better credit rating as GCI Liberty's current insurance carrier with respect to such policies and with terms, conditions, retentions and limits of liability no less favorable to the intended beneficiaries than the coverage provided under such policies; provided, that, the cost of such "tail" policy will not exceed 300% of the last annual premium paid by for such policies. If the cost of such "tail" policy exceeds such threshold, then the obligation under this provision will be to obtain a "tail" policy with the greatest coverage available, from an insurance carrier with the same or better credit rating as GCI Liberty's current insurance carrier with respect to such policies with respect to matters occurring prior to the effective time, for a cost not exceeding such amount.

Other Covenants and Agreements

- amendment of certain confidential disclosure schedules provided by GCI Liberty to Liberty Broadband; and

The obligations of GCI Liberty and Liberty Broadband to complete the combination are subject to the satisfaction or waiver (to the extent permitted) of the following conditions:

- the approval and adoption of the merger agreement by the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of GCI Liberty capital stock entitled to vote thereon;
- the approval and adoption of the merger agreement by the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of GCI Liberty capital stock entitled to vote thereon (other than any outstanding shares beneficially owned, directly or indirectly by, Liberty Broadband and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing), which cannot be waived;

- the delivery of an opinion by Skadden to GCI Liberty to the effect that the transactions contemplated by the merger agreement will not impact the U.S. federal income tax treatment of the GCI Liberty Split-off.

Liberty Broadband's obligation to close also is conditioned on the satisfaction or waiver of the following conditions:

- GCI Liberty's representations and warranties being true and correct as of the date of the merger agreement and as of the date of the closing (subject to certain materiality and material adverse effect qualifications);
- GCI Liberty's performance in all material respects of all agreements and covenants required to be performed by it under the merger agreement;

- the delivery of an officer's certificate from an executive officer of GCI Liberty as to the satisfaction of the conditions described in the three immediately preceding bullet points;

- the absence of any condition that Liberty Broadband has reasonably determined not to agree to or to waive in the required approvals from the FCC or RCA that (1) would require GCI Liberty or Liberty Broadband to sell, divest or dispose of assets of GCI Holdings and its subsidiaries that would restrict the ability of Liberty Broadband to operate the assets of GCI Holdings and its subsidiaries or to exercise full ownership rights of GCI Liberty following the effective time and (2) would reasonably be expected to be materially adverse to the business of GCI Holdings and its subsidiaries.

GCI Liberty's obligation to close also is conditioned on the satisfaction or waiver of the following conditions:

- the representations and warranties of Liberty Broadband, Merger LLC and Merger Sub being true and correct as of the date of the merger agreement and as of the date of the closing (subject to certain materiality and material adverse effect qualifications);
- the performance by Liberty Broadband, Merger LLC and Merger Sub in all material respects of all agreements and covenants required to be performed by them under the merger agreement;

- the receipt of a reorganization tax opinion from its counsel to the effect that the combination will qualify as a "reorganization" within the meaning of Section 368(a) of the Code (which condition is not waivable after the effective date of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part).

Termination

The merger agreement may be terminated at any time prior to the effective time, before or after the approval of the adoption of the merger agreement by the GCI Liberty stockholders or by

Merger LLC as the sole stockholder of Merger Sub, as authorized by the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) or the Liberty Broadband special committee or Liberty Broadband Board (acting at the recommendation of the Liberty Broadband special committee), as applicable, as follows:

- by the mutual written consent of each of GCI Liberty and Liberty Broadband;
- by either GCI Liberty or Liberty Broadband:
 - if the first merger has not been completed on or before the drop dead date, so long as such party's failure to comply in all material respects with the merger agreement has not been a primary cause of the failure of the first merger to be completed on such date, provided that such date may be extended by either Liberty Broadband (acting at the direction of the Liberty Broadband special committee) or by GCI Liberty (acting at the direction of the GCI Liberty special committee), for any or all of the following:
 - (1) for up to three months if, on such date, any of the following conditions have not been satisfied or waived: the receipt of any required authorization or consent required under the HSR Act having been obtained and remaining in full force and effect; the receipt of the required FCC approvals for transfer of control and/or assignment of certain FCC licenses, authorizations, approvals and registrations; the RCA having issued a final order approving Liberty Broadband's application to acquire GCI Liberty; the absence of any stop orders with respect to the effectiveness of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part; and the approval for listing on Nasdaq of the shares of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock to be issued in connection with the combination;
 - (2) by one calendar day for each day of any government shutdown if any government shutdowns affect the abilities of the parties to satisfy any of the closing conditions (but not beyond August 6, 2022);

 - (4) for up to six months to permit GCI Liberty to consummate prior to the closing of the combination a pending acquisition, divestiture, strategic business transaction or similar transaction if reasonably required to satisfy the closing conditions.
 - if any governmental authority has issued or granted an order or taken any other action permanently restraining, enjoining or otherwise prohibiting the combination or the other transactions contemplated by the transaction documents and such order or other action has become final and non-appealable, provided that the right to terminate the merger agreement is not available to a party if a material breach by such party of its obligations to use reasonable best efforts to obtain the requisite regulatory approvals for the mergers has been the cause of the issuance of such order or other action;
 - pursuant to the GCI Liberty vote down termination right; or
 - pursuant to the Liberty Broadband vote down termination right.
- by GCI Liberty:
 - pursuant to the parent adverse recommendation change termination right;
 - pursuant to the Liberty Broadband breach termination right; or

- by Liberty Broadband:
 - pursuant to the company adverse recommendation change termination right; or
 - pursuant to the GCI Liberty breach termination right.

Effect of Termination

If the merger agreement is terminated as described above, the merger agreement will be null and void and of no effect and the obligations of the parties under the merger agreement will terminate, without liability on the part of any party, except that obligations with respect to certain specified provisions of the merger agreement will survive the termination of the merger agreement, and that no termination will relieve any party of any liability or damages resulting from fraud or willful breach of such party's covenants or agreements prior to termination, in each case as determined by a court of competent jurisdiction pursuant to a final and nonappealable judgment.

Under the merger agreement, fraud means intentional and knowing common law fraud under Delaware law in the representations and warranties set forth in the merger agreement. Under the merger agreement, willful breach means a material breach of a party's covenants and agreements that is the consequence of an act or omission by a party with the knowledge that the taking of such act or failure to take such action would be a material breach of such party's covenants or agreements.

Termination Fee

The merger agreement provides for the payment of a termination fee if the merger agreement is terminated under the following circumstances:

- GCI Liberty will pay to Liberty Broadband a \$240 million termination fee if:
 - prior to the date on which the vote was taken to approve the adoption of the merger agreement by the GCI Liberty stockholders, Liberty Broadband terminates the merger agreement pursuant to the company adverse recommendation change termination right; or
 - either party terminates the merger agreement pursuant to the GCI Liberty vote down termination right, and each of (1) prior to the GCI Liberty special meeting, an alternative company transaction proposal is publicly announced or publicly known to the GCI Liberty stockholders, and not withdrawn and (2) within twelve months of such termination, GCI Liberty or any of its subsidiaries enters into a definitive agreement with respect to (or consummates) any alternative company transaction proposal.
- Liberty Broadband will pay to GCI Liberty a \$340 million termination fee if:
 - prior to the date on which the vote is taken to approve the adoption of the merger agreement and the related share issuance by the Liberty Broadband stockholders, GCI Liberty terminates the merger agreement pursuant to the parent adverse recommendation change termination right; or
 - either party terminates the merger agreement pursuant to the Liberty Broadband vote down termination right, and each of (1) after the date of the merger agreement and prior to the Liberty Broadband special meeting, an alternative parent transaction proposal is publicly announced or publicly known to the Liberty Broadband stockholders, and not withdrawn and (2) within twelve months of such termination, Liberty Broadband or any of its subsidiaries enters into a definitive agreement with respect to (or consummates) any alternative parent transaction proposal.

Amendment and Waiver

Amendment

The merger agreement may be amended by mutual written agreement of the parties (following, in the case of Liberty Broadband, the approval of the Liberty Broadband special committee and, in the case of GCI Liberty, the approval of the GCI Liberty special committee), except that no amendment may be made after the approval of the adoption of the merger agreement by the GCI Liberty stockholders, the approval of adoption of the merger agreement and the related share issuance by the Liberty Broadband stockholders or the approval of the adoption of the merger agreement by the sole stockholder of Merger Sub if such amendment would require, in accordance with applicable law, further approval of the GCI Liberty stockholders, the Liberty Broadband stockholders or the sole stockholder of Merger Sub, without such further approval.

Waiver

No provision of the merger agreement can be waived except by a written instrument signed by the party against whom the waiver is to be effective (including, in the case of Liberty Broadband, upon the approval of the Liberty Broadband special committee and, in the case of GCI Liberty, upon the approval of the GCI Liberty special committee).

Governing Law; Jurisdiction; Waiver of Jury Trial

Governing Law; Jurisdiction

All disputes, claims or controversies arising out of or relating to the merger agreement will be governed by and construed in accordance with the laws of the State of Delaware.

The parties have agreed to submit themselves to the sole and exclusive jurisdiction of the Court of Chancery of the State of Delaware, or, if that court does not have jurisdiction, the Superior Court of the State of Delaware, or, if the subject matter of the action is one over which exclusive jurisdiction is vested in federal courts, a federal court sitting in the State of Delaware.

Waiver of Jury Trial

The parties have agreed to waive all rights to trial by jury in any action arising out of the merger agreement.

Enforcement

The parties have agreed that irreparable damage would occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of the merger agreement were not performed in accordance with their specific terms or were otherwise breached and that monetary damages, even if available, would not be an adequate remedy for any such breach. Accordingly, the parties have agreed that they will be entitled to an injunction to prevent breaches of the merger agreement (without the obligation to post a bond with respect to such injunction) and to enforce specifically the terms and provisions of the merger agreement, in addition to any other remedy to which they are entitled at law or in equity. Notwithstanding anything to the contrary in the merger agreement, any determination by the Liberty Broadband Board with respect to the enforcement (or nonenforcement) of Liberty Broadband's rights under the merger agreement will be made only with the approval of the Liberty Broadband special committee and any determination by the GCI Liberty Board with respect to the enforcement (or nonenforcement) of GCI Liberty's rights under the merger agreement will be made only with the approval of the GCI Liberty special committee.

Pursuant to the Liberty Broadband voting agreement, so long as there has not been a parent adverse recommendation change by the Liberty Broadband special committee or the Liberty Broadband Board (acting at the recommendation of the Liberty Broadband special committee) that has not been rescinded or otherwise withdrawn, Mr. Malone and certain members of the Malone Group have committed to vote all of their shares of Liberty Broadband common stock owned by them and representing approximately 48.3% of the aggregate voting power of the issued and outstanding shares of Liberty Broadband common stock as of September 30, 2020 as follows:

The voting and support obligations of each stockholder party to the Liberty Broadband voting agreement will terminate upon the earlier of: (1) the termination of the merger agreement in accordance with its terms; (2) the effective time; (3) the written agreement of Liberty Broadband, GCI Liberty, Mr. Malone and certain members of the Malone Group and (4) the date of any material modification, waiver or amendment of the merger agreement

that adversely affects the value or tax treatment of the consideration payable to Mr. Malone or certain members of the Malone Group or causes such consideration to include any property other than Liberty Broadband Series C common stock (and cash in lieu of fractional shares) for GCI Liberty Series A common stock, Liberty Broadband Series B common stock (and cash in lieu of fractional shares) for GCI Liberty Series B common stock and Liberty Broadband Preferred Stock for GCI Liberty Preferred Stock or adds new conditions or modifies any existing conditions to the consummation of the combination that materially adversely affect Mr. Malone or certain members of the Malone Group, without the prior written consent of Mr. Malone and certain members of the Malone Group. Exchange Agreement

This section describes the material terms of the exchange agreement. The descriptions of the exchange agreement in this section and elsewhere in this joint proxy statement/prospectus are qualified in their entirety by reference to the complete text of the exchange agreement, a copy of which is attached as Annex F and is incorporated by reference into this joint proxy statement/prospectus. This summary does not purport to be complete and may not contain all of the information about the exchange agreement that is important to you. You are encouraged to carefully read the entire exchange agreement.

On August 6, 2020, Liberty Broadband, Mr. Malone and the JCM Trust entered into the exchange agreement.

Initial Issuance

Pursuant to the exchange agreement the JCM Trust has agreed to (i) waive its right to receive the waived B shares in the first merger in respect of the shares of GCI Liberty Series B common stock held by the JCM Trust immediately prior to the effective time and (ii) receive an equal number of shares of Liberty Broadband Series C common stock in exchange for the waived B shares so that immediately following the effective time Mr. Malone's voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements) will be approximately (but not more than) 49%. The estimated number of shares of Liberty Broadband Series B common stock to be waived by the JCM Trust is approximately 1.8 million, representing approximately 11.7% of the total voting power of Liberty Broadband based on the difference between what Mr. Malone's voting power at Liberty Broadband would be at the effective time without giving effect to the exchange agreement and Mr. Malone's voting power at Liberty Broadband based on approximately 26.5 million shares of Liberty Broadband Series A common stock, approximately 3.2 million shares of Liberty Broadband Series B common stock and 7.2 million shares of Liberty Broadband Preferred Stock currently expected to be outstanding at the effective time and after giving effect to the exchange agreement.

Exchanges

Reverse Exchange

Following the effective time, if immediately following any event resulting in a reduction in the outstanding voting power of Liberty Broadband (an **accretive event**), such as any repurchase, redemption, conversion or other event, Mr. Malone's voting power at Liberty Broadband would exceed the target voting power plus 0.5%, Mr. Malone and the JCM Trust will be required to exchange a number of shares of Liberty Broadband Series B common stock for an equal number of shares of Liberty Broadband Series C common stock as necessary to retain the target voting power (a **"reverse exchange"**).

If Liberty Broadband proposes to consummate an accretive event or receives notice of any occurrence, event or fact that would be reasonably expected to cause an accretive event, Liberty Broadband will provide prompt written notice to Mr. Malone specifying the nature and timing of the accretive event, a reasonable estimate of Mr. Malone's voting power at Liberty Broadband after giving effect to the accretive event and a reasonable estimate of the number of shares of Liberty Broadband Series B common stock to be delivered by Mr. Malone or the JCM Trust in a reverse exchange.

The closing of the reverse exchange will take place no later than the earlier of (x) five business days after Mr. Malone receives notice of the accretive event and (y) the date on which an accretive event is to occur, but in any event prior to or concurrently with the consummation of the accretive event, subject to the conditions described below having been satisfied or waived. The number of shares of Liberty Broadband Series B common stock delivered by Mr. Malone or the JCM Trust in the reverse exchange will increase the number of waived B shares for purposes of the exchange agreement.

Dilutive Event Exchange

Following the effective time, upon the occurrence of any event resulting in an increase in the outstanding voting power of Liberty Broadband (a **dilutive event**) and taking into account any concurrent or substantially concurrent event resulting in an increase in the outstanding voting power of Liberty Broadband, which would result in Mr. Malone's voting power falling below the target voting power less 0.5%, Mr. Malone and the JCM Trust may exchange shares of Liberty Broadband Series C common stock for an equal number of shares of Liberty Broadband Series B common stock in an

[Table of Contents](#)

amount not to exceed the lesser of (i) the number of shares of Liberty Broadband Series B common stock which would result in Mr. Malone's voting power at Liberty Broadband immediately following the consummation of such dilutive event to be as close as possible, but not greater than, the target voting power and (ii) the number of waived B shares at such time (a "**dilutive exchange**").

If Liberty Broadband proposes to consummate a dilutive event or receives notice of any occurrence, event or fact that would be reasonably expected to cause a dilutive event, Liberty Broadband will provide prompt written notice to Mr. Malone specifying the nature and timing of the dilutive event and a reasonable estimate of Mr. Malone's voting power at Liberty Broadband after such dilutive event.

No later than five business days after the later of (x) Mr. Malone's receipt of a notice of a dilutive event or (y) the occurrence of the dilutive event, Mr. Malone may deliver to Liberty Broadband a written notice specifying the number of shares of Liberty Broadband Series C common stock to be exchanged by one or both of Mr. Malone and the JCM Trust for shares of Liberty Broadband Series B common stock.

The closing of the dilutive exchange will take place as promptly as possible following the later of (i) the delivery of such notice by Mr. Malone and (ii) the receipt of any necessary regulatory approvals, subject to the conditions described below having been satisfied or waived. The number of shares of Liberty Broadband Series B common stock delivered to Mr. Malone and/or the JCM Trust in the dilutive exchange will decrease the number of waived B shares for purposes of the exchange agreement.

Fundamental Event Exchange

If Liberty Broadband proposes to consummate any combination, consolidation, merger, split-off, spin-off, rights offering, or dividend, in each case, resulting in holders of Liberty Broadband Series B common stock receiving securities in Liberty Broadband or another person, property or cash, or a combination thereof (a "**fundamental event**"), then either, at Liberty Broadband's sole discretion (as approved by a majority of its independent directors), (x) Liberty Broadband will provide for Mr. Malone or the JCM Trust to receive the same per share amount and form of consideration to be received by holders of Liberty Broadband Series B common stock on such event for his or its shares of Liberty Broadband Series C common stock (up to the number of waived B shares) and Mr. Malone or the JCM Trust will waive the right to receive the consideration that would otherwise be payable for such shares of Liberty Broadband Series C common stock or (y) immediately prior to the consummation of the fundamental event, Liberty Broadband, Mr. Malone and the JCM Trust will consummate separate exchanges where Mr. Malone and the JCM Trust will receive all remaining waived B shares in exchange for an equal number of shares of Liberty Broadband Series C common stock (a "**fundamental event exchange**").

Rescission

If, following any exchange closing, the associated accretive event, dilutive event or fundamental event, as applicable, is not consummated either prior to or within ten business days following the exchange closing, such exchange will automatically be rescinded and treated as if neither the applicable exchange nor the respective exchange closing had ever occurred, and each party agrees to return any shares received in the applicable exchange.

Representations and Warranties

Each of Mr. Malone and the JCM Trust makes customary representations and warranties, including with respect to ownership of the shares of Liberty Broadband common stock subject to any exchange, authority and approval to enter into the exchange agreement, enforceability of the exchange agreement, organization, existence and good standing (if applicable), required government approvals in

[Table of Contents](#)

connection with the exchange, no violations or conflicts of law, contracts, agreements or instruments to which Mr. Malone or the JCM Trust are subject, other than as would not have a material adverse effect, individually or in the aggregate, on his or its ability to consummate the transactions contemplated by the exchange agreement, and that each of Mr. Malone and JCM Trust is a sophisticated investor and an accredited investor (as defined in Rule 501(a) of Regulation D of the Securities Act of 1933, as amended (the “**Securities Act**”)) with sufficient knowledge and experience in financial business matters to evaluate the merits and risks of any exchange and the other transactions contemplated thereby and the acknowledgment of each party that the offer and sale of the shares of Liberty Broadband capital stock subject to any exchange will not be registered under the Securities Act or any other laws and therefore such shares may not be sold or transferred, except pursuant to an exemption from such registration available under the Securities Act.

Liberty Broadband makes similar customary representations and warranties, including with respect to due authorization and valid issuance of the shares of Liberty Broadband capital stock subject to any exchange, authority and approval to enter into the exchange agreement, enforceability of the exchange agreement, organization, existence and good standing, required government approvals in connection with the exchange and that, no violations or conflicts of law, contracts, agreements or instruments to which Liberty Broadband is subject, other than as would not have a material adverse effect, individually or in the aggregate, on its ability to consummate the transactions contemplated by the exchange agreement.

Conditions to the Exchange

The obligations of Liberty Broadband, Mr. Malone and the JCM Trust to complete any exchange are subject to the satisfaction or waiver of the following conditions:

- no order entered or issued by any court or other governmental authority of competent jurisdiction is in effect that prohibits, renders illegal or enjoins the consummation of such exchange;
- in the case of a dilutive event exchange, the relevant dilutive event shall have occurred;
- in the case of a reverse exchange, the relevant accretive event shall be reasonably expected to occur concurrently with or promptly following the reverse exchange; and
- in the case of a fundamental event exchange, the relevant fundamental event shall be reasonably expected to occur immediately following the fundamental event exchange.

The obligations of Liberty Broadband to effect any exchange is also subject to the satisfaction or (to the extent permitted) waiver in writing by Liberty Broadband of the following conditions:

- the representations and warranties of Mr. Malone and the JCM Trust set forth in the exchange agreement shall be true and correct in all material respects (other than de minimis inaccuracies), as of the date of the exchange agreement and as of the closing date of any exchange as though made on and as of such date (or, in the case of representations and warranties made as of a specific date, as of such date);
- each of Mr. Malone and the JCM Trust shall have performed in all material respects all covenants required to be performed by them prior to or at such exchange closing; and
- Liberty Broadband shall have received a certificate from Mr. Malone and the JCM Trust certifying that the above conditions have been satisfied.

[Table of Contents](#)

The obligations of Mr. Malone and the JCM Trust to effect an exchange are also subject to the satisfaction or (to the extent permitted) waiver in writing by Mr. Malone (individually and as trustee of the JCM Trust) of the following conditions:

- the representations and warranties of Liberty Broadband set forth in the exchange agreement shall be true and correct in all material respects (other than de minimis inaccuracies), as of the date of the exchange agreement and as of the closing date of any exchange as though made on and as of such date (or, in the case of representations and warranties made as of a specific date, as of such date);
- Liberty Broadband shall have performed in all material respects all covenants required to be performed by it prior to or at the exchange closing; and
- Mr. Malone and the JCM Trust shall have received a certificate from an authorized officer of Liberty Broadband certifying that the above conditions have been satisfied.

Transfer of Shares

For purposes of the exchange agreement, a “**transfer**” by any person means, directly or indirectly, a sale, transfer or disposition, whether by operation of law or otherwise, other than the granting of a proxy to vote Liberty Broadband Series B common stock in connection with a fundamental event.

Any transfer by Mr. Malone or the JCM Trust of shares of Liberty Broadband Series B common stock beneficially owned by Mr. Malone to any person will result in a decrease in the initial target voting power of 49% by the aggregate voting power of such transferred shares unless it is a transfer:

- that does not result in Mr. Malone ceasing to be the beneficial owner of such shares or to a descendent of a parent of either Mr. Malone or Mrs. Malone for estate planning purposes;
- to Mr. Maffei so long as he (1) remains a director and officer of Liberty Broadband, (2) is transferred all of the shares of Liberty Broadband Series B common stock then beneficially owned by Mr. Malone and the JCM Trust and all rights to waived B shares and (3) executes a substantially similar exchange agreement approved by the independent directors of Liberty Broadband; or
- upon the death of Mr. Malone, to his heirs, executors, administrators, testamentary trustees, legatees or beneficiaries; provided, that such transferees must execute a substantially similar exchange agreement approved by the independent directors of Liberty Broadband within 180 days of such transfer.

In the event of a transfer of any shares of Liberty Broadband Series B common stock by Mr. Malone or the JCM Trust, Mr. Malone will provide prompt notice to Liberty Broadband of such transfer.

Termination

The exchange agreement will terminate and immediately cease to be of any further force and effect pursuant to the mutual written consent of each of the parties to the agreement, upon the reduction of the waived B shares to zero, or upon the execution of a successor exchange agreement. Additionally, the exchange agreement will automatically terminate if the merger agreement is terminated in accordance with its terms without the closing of the combination having occurred.

No termination pursuant to the terms of the exchange agreement shall relieve any party from any liability for damages resulting from fraud or willful material breach by such party of its covenants or agreements prior to such termination. Under the exchange agreement, “**willful material breach**” means a material breach of a party's covenants and agreements that is the consequence of an act or omission

by a party with the knowledge that the taking of such act or failure to take such action would be a material breach of such party's covenants or agreements (provided, that, with respect to Liberty Broadband, knowledge includes actual knowledge, after due inquiry of any of the Chief Executive Officer, the Chief Accounting Officer, the Chief Legal Officer and the Chief Corporate Development Officer of Liberty Broadband and the Chief Executive Officer of Skyhook Wireless, Inc. in his or her capacity as an officer of Liberty Broadband or its subsidiary).

Joinder and Assignment and Assumption Agreements

Assumption and Joinder Agreement to Tax Sharing Agreement

Simultaneously with the entry into the merger agreement, Liberty Broadband entered into the tax sharing agreement joinder agreement, pursuant to which Liberty Broadband agreed to, effective at the closing of the first merger, become jointly and severally responsible for GCI Liberty's obligations and liabilities, and become entitled to exercise and enforce GCI Liberty's rights, under the tax sharing

[Table of Contents](#)

agreement. The tax sharing agreement allocates responsibilities among Qurate Retail, GCI Liberty and their respective groups for various tax obligations, including any taxes imposed if the GCI Liberty Split-off is deemed taxable. Pursuant to the tax sharing agreement and the tax sharing agreement joinder agreement, in certain circumstances, GCI Liberty and Liberty Broadband will be required to jointly and severally indemnify Qurate Retail and its subsidiaries for any taxes or losses resulting from the failure of the GCI Liberty Split-off to qualify as a tax-free transaction under Section 355, Section 368(a)(1)(D) and related provisions of the Code, including to the extent that such taxes or losses (1) result primarily from, individually or in the aggregate, the breach of certain covenants made by GCI Liberty (applicable to actions or failures to act by GCI Liberty and its subsidiaries following the completion of the GCI Liberty Split-off), (2) result from the application of Section 355(e) of the Code to the GCI Liberty Split-off as a result of the treatment of the GCI Liberty Split-off as part of a plan (or series of related transactions) pursuant to which one or more persons acquire, directly or indirectly, a 50-percent or greater interest (measured by either vote or value) in the stock of GCI Liberty (or any successor corporation) or (3) result primarily from, individually or in the aggregate, the breach by Liberty Broadband of certain covenants under the tax sharing agreement following the completion of the first merger. Conversely, Qurate Retail must indemnify GCI Liberty and Liberty Broadband and their subsidiaries from and against taxes imposed as a result of the GCI Liberty Split-off other than those described in the immediately preceding sentence.

The tax sharing agreement also sets forth the rights and responsibilities of the parties with respect to tax return preparation and tax contests. In particular, Qurate Retail is responsible for preparing tax returns that include (1) both (a) Qurate Retail or any of its subsidiaries other than GCI Liberty or any of its respective subsidiaries and (b) GCI Liberty or any of its subsidiaries and (2) only Qurate Retail and/or any of its subsidiaries other than GCI Liberty and/or any of its subsidiaries. GCI Liberty (and following the completion of the first merger, Liberty Broadband) is responsible for preparing tax returns that include only GCI Liberty, Liberty Broadband and/or any of their respective subsidiaries. In the case of any tax contest relating to the tax-free nature of the GCI Liberty Split-off or certain other historic split-off transactions effected by Qurate Retail, GCI Liberty (and following the completion of the first merger, Liberty Broadband), on the one hand, and Qurate Retail on the other hand, generally have the right to jointly control such contest, and each party has a consent right over the settlement of such contest. In the case of any other tax contest as a result of which an indemnity obligation under the tax sharing agreement may arise, the party obligated to prepare the tax return to which such tax contest relates controls such contest, and the other party has participation rights and a consent right over the settlement of such contest if such settlement could have more than a de minimis impact on such party.

Assumption and Joinder Agreement to Indemnification Agreement

Simultaneously with the entry into the merger agreement, Liberty Broadband also entered into the indemnification agreement joinder agreement, pursuant to which Liberty Broadband agreed to, effective at the closing of the first merger, become jointly and severally responsible for, GCI Liberty's obligations and liabilities, and become entitled to exercise and enforce GCI Liberty's rights, under the indemnification agreement. Under the indemnification agreement, GCI Liberty agreed to indemnify Liberty Interactive LLC with respect to any of Liberty Interactive LLC's 1.75% Exchangeable Debentures due 2046 (the "**Liberty Charter exchangeable debentures**") surrendered for exchange to Liberty Interactive LLC on or before October 5, 2023 for the amount by which the exchange value exceeds (i) the sum of the adjusted principal amount of such Liberty Charter exchangeable debentures plus (ii) the amount of certain tax benefits attributable to such Liberty Charter exchangeable debentures so exchanged. The indemnification agreement also provides that Qurate Retail and GCI Liberty will indemnify each other and their respective subsidiaries, current and former directors, officers and employees, and each of their heirs, executors, trustees, administrators, successors and assigns with respect to certain potential losses in respect of the GCI Liberty Split-off. The indemnification agreement also provides that GCI Liberty must provide Qurate Retail with any

requested information necessary for Qurate Retail to (1) comply with reporting, filing or other governmental requirements and (2) institute or defend lawsuits. GCI Liberty is also obligated, under the indemnification agreement, to use reasonable efforts to cause its officers, directors, members, employees, controlled affiliates and agents to keep confidential all proprietary information of Qurate Retail, subject to customary exceptions.

Assignment and Assumption Agreement Concerning Reorganization Agreement Obligations

Simultaneously with the entry into the merger agreement, Liberty Broadband, GCI Liberty, Qurate Retail, Liberty Interactive LLC and Merger LLC entered into the assignment and assumption agreement of the reorganization agreement pursuant to which Merger LLC agreed to, effective at the closing of the combination, accept and assume certain of GCI Liberty's rights and obligations under the reorganization agreement. Under the reorganization agreement, GCI Liberty (a) must indemnify and hold harmless GCI Liberty and its subsidiaries' current and former directors, officers, employees and agents and each of their heirs and representatives against any losses arising out of: (1) the fact that such indemnitee was a director or officer of GCI Liberty or its subsidiaries; (2) acts or omissions by an indemnitee in the indemnitee's capacity as a director or officer of GCI Liberty or its subsidiaries or, in the case of directors or officers of GCI Liberty or of its subsidiary, taken at the request of GCI Liberty or such subsidiary (including in connection with serving at the request of GCI Liberty or such subsidiary as a representative of another person (including any employee benefit plan)); (b) must not settle, compromise or consent to the entry of any judgment in any threatened or actual litigation for which such indemnification could be sought, subject to certain exceptions; and (c) must maintain GCI Liberty's directors' and officers' liability insurance covering acts or omissions occurring at or prior to March 9, 2018 (the effective time of the contribution) with respect to those individuals who were currently (and any additional individuals who prior to the effective time of the contribution became) covered by the GCI Liberty's directors' and officers' liability insurance policies on terms and scope with respect to such coverage, and in amount, no less favorable to such individuals than those of such policy in effect on the date of the reorganization agreement or maintain in full force and effect any prepaid "tail policy" purchased pursuant to the reorganization agreement to satisfy such obligations.

Liberty Media Letter Agreement

Pursuant to the Services Agreement, dated as of March 9, 2018, as amended by the First Amendment to Services Agreement, dated as of December 13, 2019, by and between Liberty Media and GCI Liberty (the "**services agreement**"), Liberty Media provides GCI Liberty with general and administrative services including legal, tax, accounting, treasury and investor relations support.

Pursuant to the Facilities Sharing Agreement, dated as of March 9, 2018, by and among Liberty Media, GCI Liberty and Liberty Property Holdings, Inc. (the "**facilities sharing agreement**"), GCI Liberty shares office space with Liberty Media and related amenities at its corporate headquarters.

On August 6, 2020 and simultaneously with the entry into the merger agreement, Liberty Broadband, GCI Liberty, Liberty Media and certain subsidiaries of Liberty Media entered into a letter agreement which, among other things, will result in the termination of (i) the services agreement effective upon the closing of the first merger, which will result in the payment of a termination payment to Liberty Media by GCI Liberty for GCI Liberty's allocable portion of certain compensation expenses of Mr. Maffei, and (ii) the facilities sharing agreement effective upon the closing of the first merger.

RISK FACTORS

In addition to the other information included and incorporated by reference into this joint proxy statement/prospectus, including the matters addressed in “Cautionary Statement Regarding Forward-Looking Statements,” you should carefully consider the following risks before deciding how to vote. In addition, you should read and consider the risks associated with each of the businesses of Liberty Broadband and GCI Liberty because these risks will also affect Liberty Broadband following completion of the combination. These risks can be found in [Liberty Broadband’s Annual Report on Form 10-K for the year ended December 31, 2019](#) and [Quarterly Reports on Form 10-Q for the quarters ended March 31, 2020, and June 30, 2020](#) and [GCI Liberty’s Annual Report on Form 10-K for the year ended December 31, 2019](#) and [Quarterly Reports on Form 10-Q for the quarters ended March 31, 2020 and June 30, 2020](#), each of which is filed with the SEC and incorporated by reference into this joint proxy statement/prospectus. You should also read and consider the other information in this joint proxy statement/prospectus and the other documents incorporated by reference into this joint proxy statement/prospectus. For more information, see “Where You Can Find More Information.”

If any of the following risks and uncertainties develop into actual events, these events could have a material adverse effect on the business, financial condition or results of operations of (a) prior to the combination, Liberty Broadband and/or GCI Liberty, as applicable, and (b) after the combination, the combined company. In addition, past financial performance may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results or trends in future periods.

Risks Related to the Combination

The value of the Common Consideration is subject to changes based on fluctuations in the value of Liberty Broadband common stock, and GCI Liberty stockholders may receive stock consideration with a value that, at the time received, is less than \$72.49 per share of GCI Liberty Series A common stock, or less than \$71.92 per share of GCI Liberty Series B common stock.

The market value of Liberty Broadband common stock will fluctuate during the period before the date of the GCI Liberty special meeting and during the period before the time GCI Liberty stockholders receive merger consideration in the form of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock, as well as thereafter. Accordingly, at the time of the GCI Liberty special meeting, GCI Liberty stockholders will not be able to determine the market value of the per share merger consideration they would receive upon the effective time.

Upon the effective time, common stockholders of GCI Liberty will receive:

- 0.580 of a share of non-voting Liberty Broadband Series C common stock for each share of GCI Liberty Series A common stock held of record by such holder immediately prior to the first merger, together with cash (without interest) paid in lieu of any fractional shares of Liberty Broadband Series C common stock; and
- 0.580 of a share of Liberty Broadband Series B common stock for each share of GCI Liberty Series B common stock held of record by such holder immediately prior to the first merger, together with cash (without interest) paid in lieu of any fractional shares of Liberty Broadband Series B common stock.

Accordingly, the value of Liberty Broadband common stock delivered to GCI Liberty stockholders will depend on the prices of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock, and the value of the merger consideration delivered for each share of GCI Liberty Series A common stock and GCI Liberty Series B common stock may be greater than, less than or equal to \$72.49 or \$71.92, respectively, which represent the implied value of 0.580 of a share of Liberty Broadband Series C common stock and 0.580 of a share of Liberty Broadband Series B common stock, respectively, based on the closing price of Liberty Broadband Series C common stock

[Table of Contents](#)

and the last sale price of Liberty Broadband Series B common stock, in each case, on June 29, 2020, the last trading day before the public announcement of the mutually agreed exchange ratio.

It is impossible to accurately predict the market price of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock at the effective time and, therefore, impossible to accurately predict the value of Common Consideration that GCI Liberty stockholders will receive. The market price for Liberty Broadband Series C common stock and Liberty Broadband Series B common stock may fluctuate both prior to the effective time and thereafter for a variety of reasons, including, among others, the results of operations of Charter and the developments in its business, market assessments of the likelihood that the combination will be completed, and the expected timing of the combination. Many of these factors are beyond Liberty Broadband's and GCI Liberty's control. You should obtain current market quotations for shares of GCI Liberty capital stock, Liberty Broadband Series C common stock and Liberty Broadband Series B common stock.

The combination is subject to conditions, some or all of which may not be satisfied, or completed on a timely basis, if at all. Failure to complete the combination could have material adverse effects on Liberty Broadband and GCI Liberty.

The completion of the first merger and the combination are subject to a number of conditions, including, among other things, (a) the approval and adoption of the merger agreement by the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of GCI Liberty capital stock entitled to vote thereon; (b) the approval and adoption of the GCI Liberty merger proposal by the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of GCI Liberty capital stock entitled to vote thereon (other than any outstanding shares beneficially owned, directly or indirectly by, Liberty Broadband and its subsidiaries; the Malone Group, the Maffei Group or their respective Affiliates; the members of the Liberty Broadband Board or the Parent Section 16 Officers; the members of the GCI Liberty Board or the Company Section 16 Officers; or the immediate family members of any of the foregoing), which cannot be waived; (c) the approval of the share issuance proposal by the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of Liberty Broadband common stock present in person via the Internet or represented by proxy at the Liberty Broadband special meeting and entitled to vote thereon; (d) the approval and adoption of the Liberty Broadband merger proposal by the affirmative vote of the holders of a majority of the aggregate voting power of the outstanding shares of Liberty Broadband common stock entitled to vote thereon (other than any outstanding shares beneficially owned, directly or indirectly by, GCI Liberty and its subsidiaries; the Malone Group, the Maffei Group or their respective affiliates; the members of the GCI Liberty Board or the GCI Liberty executive officers; the members of the Liberty Broadband Board or the Liberty Broadband executive officers; or the immediate family members of any of the foregoing), which cannot be waived; (e) the expiration or termination of any applicable waiting period under the HSR Act; (f) the receipt of requisite approvals from the FCC and the RCA and that such approvals not include certain conditions materially adverse to the business of GCI Holdings and its subsidiaries that require the sale, divestiture or disposition of assets of GCI Holdings and its subsidiaries or that would restrict Liberty Broadband's ability to operate the assets of GCI Holdings and its subsidiaries or exercise full ownership rights of GCI Liberty following the effective time; (g) the effectiveness of the registration statement on Form S-4 of which this joint proxy statement/prospectus forms a part; (h) authorization of listing on Nasdaq of the shares of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock to be issued in connection with the combination; (i) the absence of any law, order, or other legal restraint or prohibition, entered, enacted, promulgated, enforced or issued by any court or other governmental authority of competent jurisdiction, which prohibits, renders illegal or enjoins the consummation of the transactions contemplated by the merger agreement; (j) the accuracy of each party's representations and warranties in the merger agreement, subject to certain materiality qualifications; (k) each party's performance, in all material respects, with its covenants required to be

[Table of Contents](#)

performed by it under the merger agreement prior to the closing of the combination; (l) each party not having had a “material adverse effect,” as defined under the merger agreement; and (m) the receipt of certain legal opinions, including opinions to the effect that the combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Code and an opinion to the effect that the transactions contemplated by the merger agreement will not impact the U.S. federal income tax treatment of the GCI Liberty Split-off. (See the section entitled “Special Factors—The Merger Agreement—Conditions to the Combination,” for a more detailed discussion). While the parties have agreed in the merger agreement to use reasonable best efforts to satisfy the closing conditions, the parties may not be successful in their efforts to do so. The failure to satisfy all of the required conditions could delay the completion of the combination for a significant period of time or prevent completion from occurring at all. Any delay in completing the combination could cause Liberty Broadband not to realize some or all of the benefits, or realize them on a different timeline than expected, that Liberty Broadband expects to achieve if the combination is successfully completed within the expected timeframe. There can be no assurance that the conditions in the merger agreement will be satisfied or (to the extent permitted) waived or that the combination will be completed. In addition, subject to limited exceptions, either Liberty Broadband or GCI Liberty may terminate the merger agreement if the combination has not been consummated by August 6, 2021, subject to certain extensions as set forth in the merger agreement. See “Special Factors—The Merger Agreement—Termination.”

If the combination is not completed, Liberty Broadband and GCI Liberty may be materially adversely affected, without realizing any of the benefits of having completed the combination, and Liberty Broadband and GCI Liberty will be subject to a number of risks, including the following:

- the market price of Liberty Broadband common stock and GCI Liberty capital stock could decline;
- Liberty Broadband or GCI Liberty could owe a substantial termination fee to the other under certain circumstances;
- if the merger agreement is terminated and GCI Liberty or Liberty Broadband seek another business combination, the companies may not find a party willing to enter into a transaction on terms comparable to or more attractive than the terms agreed to in the merger agreement;
- time and resources, financial and other, committed by Liberty Broadband's, GCI Liberty's and their respective subsidiaries' management to matters relating to the combination could otherwise have been devoted to pursuing other beneficial opportunities;
- Liberty Broadband, GCI Liberty and their respective subsidiaries may experience negative reactions from the financial markets or from their respective customers, suppliers, regulators or employees;
- Liberty Broadband and GCI Liberty will be required to pay their respective costs relating to the combination, such as legal, accounting, financial advisory, filing, printing and mailing fees, whether or not the combination is completed;
- Liberty Broadband and GCI Liberty are subject to restrictions on the conduct of their respective businesses prior to the effective time, as set forth in the merger agreement, which may prevent either party from making certain acquisitions or taking other actions during the pendency of the combination; and
- reputational harm due to the adverse perception of any failure to successfully complete the combination.

In addition, if the combination is not completed, Liberty Broadband and GCI Liberty could be subject to litigation related to any failure to complete the combination or related to any enforcement

proceeding commenced against it to perform its obligations under the merger agreement. Any of these risks could materially and adversely impact Liberty Broadband's and GCI Liberty's respective financial condition, financial results and stock price.

The merger agreement contains provisions that limit Liberty Broadband's and GCI Liberty's ability to pursue alternatives to the combination, could discourage a potential acquiror from making a favorable alternative transaction proposal and, in specified circumstances, could require Liberty Broadband or GCI Liberty to pay a substantial termination fee to the other.

The merger agreement contains provisions that make it more difficult for GCI Liberty and Liberty Broadband to engage in any alternative transaction with a third party. The merger agreement contains certain provisions that restrict Liberty Broadband's and GCI Liberty's ability to, among other things, solicit, initiate, knowingly facilitate, knowingly induce, knowingly encourage, or enter into or continue or otherwise participate in any discussions relating to, or approve or recommend, any alternative third-party proposal. Further, even if the GCI Liberty special committee or the GCI Liberty Board withdraws or qualifies its recommendation with respect to the approval of the GCI Liberty merger proposal, unless the merger agreement is terminated in accordance with its terms, GCI Liberty will still be required to submit the GCI Liberty merger proposal to a vote at the GCI Liberty special meeting. In addition, following receipt by GCI Liberty of any third-party acquisition proposal that constitutes a "superior proposal," Liberty Broadband will have an opportunity to offer to modify the terms of the merger agreement before the GCI Liberty special committee or the GCI Liberty Board may withdraw or qualify its recommendation with respect to the GCI Liberty merger proposal in favor of such superior proposal. Similarly, even if the Liberty Broadband special committee or the Liberty Broadband Board withdraws or qualifies its recommendation with respect to the approval of the Liberty Broadband merger proposal or share issuance proposal, unless the merger agreement is terminated in accordance with its terms, Liberty Broadband will still be required to submit the Liberty Broadband merger proposal and share issuance proposal to a vote at the Liberty Broadband special meeting. In addition, following receipt by Liberty Broadband of any third-party alternative proposal that constitutes a "superior proposal," GCI Liberty will have an opportunity to offer to modify the terms of the merger agreement before the Liberty Broadband special committee or the Liberty Broadband Board may withdraw or qualify its recommendation with respect to the Liberty Broadband merger proposal in favor of such superior proposal. For further discussion, see the section entitled "Special Factors—The Merger Agreement—Covenants and Agreements—Liberty Broadband No Solicitation."

In some circumstances, upon termination of the merger agreement, GCI Liberty would be required to pay a termination fee of \$240 million to Liberty Broadband or Liberty Broadband would be required to pay a termination fee of \$340 million to GCI Liberty. For further discussion, see the section entitled "Special Factors—The Merger Agreement—Termination Fee."

These provisions could discourage a potential third-party acquiror or merger partner that might have an interest in acquiring all or a significant portion of GCI Liberty or pursuing an alternative company transaction from considering or proposing such a transaction, even if it were prepared to pay consideration with a higher per share value than the value proposed to be received in the combination or would result in greater value to the GCI Liberty stockholders relative to the terms and conditions of the merger agreement. In particular, the termination fee, if applicable, could result in a potential third-party acquiror or merger partner proposing to pay a lower price to the GCI Liberty stockholders than it might otherwise have proposed to pay absent such a fee.

The voting agreements could discourage a third party from pursuing an alternative transaction involving Liberty Broadband or GCI Liberty.

In connection with the merger agreement, Liberty Broadband and GCI Liberty entered into voting agreements with Mr. Malone and certain members of the Malone Group with respect to their shares of

[Table of Contents](#)

Liberty Broadband common stock and GCI Liberty capital stock. Pursuant to the Liberty Broadband voting agreement, so long as there has not been a parent adverse recommendation change by the Liberty Broadband special committee or the Liberty Broadband Board (acting at the recommendation of the Liberty Broadband special committee) that has not been rescinded or otherwise withdrawn, Mr. Malone and such members of the Malone Group have committed to vote all of their shares of Liberty Broadband common stock, representing approximately 48.3% of the aggregate voting power of the issued and outstanding shares of Liberty Broadband common stock as of September 30, 2020, in favor of the share issuance proposal and the Liberty Broadband adjournment proposal.

Pursuant to the GCI Liberty voting agreement, so long as there has not been a company adverse recommendation change by the GCI Liberty special committee or the GCI Liberty Board (acting at the recommendation of the GCI Liberty special committee) that has not been rescinded or otherwise withdrawn, such members of the Malone Group have committed to vote all of their shares of GCI Liberty capital stock, representing approximately 27.0% of the aggregate voting power of the issued and outstanding shares of GCI Liberty capital common stock as of September 30, 2020, in favor of the GCI Liberty merger proposal and the GCI Liberty adjournment proposal.

The existence of these agreements could discourage a third party from pursuing an alternative transaction involving Liberty Broadband or GCI Liberty.

Each party is subject to contractual restrictions while the combination is pending, which could adversely affect each party's business and operations.

Under the terms of the merger agreement, GCI Liberty is subject to certain restrictions on the conduct of its business prior to the effective time which may adversely affect its and its subsidiaries' ability to execute certain of its business strategies, maintain customers, or manage risks associated with its business, operations, technology, infrastructure or compliance functions, including the ability in certain cases to acquire or dispose of assets, incur indebtedness, undertake capital expenditures, engage with regulators or settle actual or potential claims. Such limitations could adversely affect GCI Liberty prior to the effective time.

Under the terms of the merger agreement, Liberty Broadband is subject to a more limited set of restrictions on the conduct of its business prior to the effective time which may adversely affect its ability to execute certain of its business strategies, including the ability in certain cases to amend its organizational documents, pay extraordinary dividends or distributions or incur indebtedness. Such limitations could adversely affect Liberty Broadband prior to the effective time.

In addition, due to operating covenants in the merger agreement, GCI Liberty, and in some cases, Liberty Broadband, may be unable (without the prior written consent of the other party's special committee), during the pendency of the combination, to pursue strategic transactions, undertake significant capital projects, undertake certain significant financing transactions and otherwise pursue other actions, even if such actions would prove beneficial. These factors could adversely affect the financial position or results of operations of Liberty Broadband and GCI Liberty, regardless of whether the combination is completed.

Each of the risks described above may be exacerbated by delays or other adverse developments with respect to the completion of the combination. For further discussion, see the section entitled "Special Factors—The Merger Agreement—Covenants and Agreements—Conduct of Business of GCI Liberty" and "Special Factors—The Merger Agreement—Covenants and Agreements—Conduct of Business of Liberty Broadband."

The announcement and pendency of the combination could divert the attention of management and cause disruptions in the businesses of Liberty Broadband and GCI Liberty, which could have an adverse effect on the business and financial results of both Liberty Broadband and GCI Liberty.

Management of both Liberty Broadband and GCI Liberty may be required to divert a disproportionate amount of attention away from their respective day-to-day activities and operations, and devote time and effort to consummating the combination. The risks, and adverse effects, of such disruptions and diversions could be exacerbated by a delay in the completion of the combination. These factors could adversely affect the financial position or results of operations of Liberty Broadband and GCI Liberty, regardless of whether the combination is completed.

Liberty Broadband and GCI Liberty will incur direct and indirect costs as a result of the combination.

Liberty Broadband and GCI Liberty will incur substantial expenses in connection with and as a result of completing the combination, including advisory, legal and other transaction costs, and, following the completion of the combination, Liberty Broadband expects to incur additional expenses in connection with combining the companies. A majority of these costs have already been incurred or will be incurred regardless of whether the combination is completed. Factors beyond GCI Liberty's and Liberty Broadband's control could affect the total amount or timing of these expenses, many of which, by their nature, are difficult to estimate accurately. Management of Liberty Broadband and GCI Liberty continue to assess the magnitude of these costs, and additional unanticipated costs may be incurred in connection with the combination. Although Liberty Broadband and GCI Liberty expect that the realization of benefits related to the combination will offset such costs and expenses over time, no assurances can be made that this net benefit will be achieved in the near term, or at all.

Litigation filed or that may be filed against Liberty Broadband, GCI Liberty, Merger LLC, Merger Sub, the members of the Liberty Broadband Board and the members of the GCI Liberty Board could result in substantial costs and could adversely affect our ability to complete the merger on a timely basis or at all.

On October 9, 2020, a putative class action complaint was filed by two purported GCI Liberty stockholders in the Court of Chancery of the State of Delaware under the caption *Hollywood Firefighters' Pension Fund, et al. v. GCI Liberty, Inc., et al.* On October 11, 2020, a new version of the complaint was filed, and the case has been assigned Case No. 2020-0880. The lawsuit names as defendants GCI Liberty, as well as the members of the GCI Liberty Board. The lawsuit alleges, among other things, that Messrs. Maffei and Malone in their purported capacities as controlling stockholders and directors of GCI Liberty, and the other directors of GCI Liberty, breached their fiduciary duties by approving the merger. The lawsuit further alleges that the combination violates Section 203 of the DGCL and that this joint proxy statement/prospectus misstates and omits material information. The lawsuit seeks certification of a class action, declarations that Messrs. Maffei and Malone and the other directors of GCI Liberty breached their fiduciary duties and that the combination violates Section 203 of the DGCL, an injunction barring the stockholder vote and the combination, and the recovery of damages and other relief. For more information, see "Special Factors—Litigation Relating to the Combination."

GCI Liberty believes this lawsuit is without merit. However, the outcome of this lawsuit or any other lawsuit that may be filed challenging the combination or the other transactions contemplated by the transaction documents is uncertain and could result in substantial costs to Liberty Broadband and GCI Liberty, including, but not limited to, costs associated with the indemnification of directors and officers.

The lawsuit seeks an order enjoining consummation of the combination or the other transactions contemplated by the transaction documents and either party may terminate the merger agreement prior to the effective time if an order permanently prohibiting the combination (or the other transactions

[Table of Contents](#)

contemplated by the transaction documents) has become final and non-appealable. Any such injunction or delay in the combination being completed may adversely affect Liberty Broadband's and GCI Liberty's prospects, business, financial conditions, results of operations and cash flows.

Some of the directors and executive officers of Liberty Broadband and directors and executive officers of GCI Liberty have interests in the combination that are different from, or in addition to, those of the other Liberty Broadband and GCI Liberty stockholders.

Certain of the directors and executive officers of Liberty Broadband and GCI Liberty have interests relating to the combination or the merger agreement that are different from other Liberty Broadband and GCI Liberty stockholders.

All of the Liberty Broadband executive officers are also executive officers of GCI Liberty and will continue to provide services in such capacity following the combination. The Liberty Broadband executive officers hold GCI Liberty equity awards, which were granted in respect of their service as GCI Liberty executive officers. Those awards will remain outstanding, subject to the same terms, conditions and vesting requirements, and be converted into equity awards with respect to Liberty Broadband stock, as described in more detail above under "Questions & Answers—What will happen to GCI Liberty's outstanding equity awards?". The GCI Liberty directors and executive officers have certain indemnification and insurance protections for their service as directors and executive officers of GCI Liberty that will be preserved following the combination. Additionally, any unvested GCI Liberty equity awards held by the GCI Liberty non-employee directors will vest immediately prior to the combination.

Mr. Malone's interests may differ from those of GCI Liberty stockholders in part due to the transactions contemplated by the exchange agreement. Pursuant to the exchange agreement, the JCM Trust waived its right to receive the waived B shares and, instead, agreed to receive an equal number of shares of Liberty Broadband Series C common stock so that the aggregate voting power of all of Liberty Broadband's securities over which Mr. Malone has beneficial ownership (including shares held in certain trusts not party to the voting agreements) immediately following the effective time will be approximately (but not more than) 49%. Following the effective time, there may be additional exchanges of Liberty Broadband Series B common stock and Liberty Broadband Series C common stock by Mr. Malone or the JCM Trust pursuant to the exchange agreement. For more information, see "Special Factors—Other Agreements Related to the Combination—Exchange Agreement."

Additionally, the Liberty Broadband Board and the GCI Liberty Board include three overlapping members: Mr. Malone, Mr. Maffei and Richard R. Green. Mr. Malone is a non-employee director and Chairman of the Board of Liberty Broadband, as well as Chairman of the Board of GCI Liberty. Mr. Maffei is President and Chief Executive Officer and a director of Liberty Broadband and GCI Liberty. Dr. Green is a non-employee director of Liberty Broadband and GCI Liberty.

The Liberty Broadband Board has determined to, effective following the completion of the combination, increase its size from six directors to eight directors and appoint Mr. Engles and Ms. Hamilton, who are currently members of the GCI Liberty Board, to fill the vacancies created by such newly created directorships. Neither Mr. Engles nor Ms. Hamilton were aware of this intention, and no discussions occurred with Mr. Engles or Ms. Hamilton regarding their service on the Liberty Broadband Board following the completion of the combination prior to execution of the merger agreement.

For a more detailed discussion of these interests, see "Special Factors—Interests of Liberty Broadband Directors and Executive Officers in the Combination" and "Special Factors—Interests of GCI Liberty Directors and Executive Officers in the Combination."

Sales of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock after the completion of the combination may cause the market price of such shares to fall.

Based on the number of outstanding shares of GCI Liberty common stock on September 30, 2020 and GCI Liberty Preferred Stock on September 30, 2020, Liberty Broadband expects to issue approximately 779 thousand shares of Liberty Broadband Series B common stock, 60.6 million shares of Liberty Broadband Series C common stock and 7.2 million shares of Liberty Broadband Preferred Stock in the combination and after giving effect to the exchange agreement.

Many former GCI Liberty stockholders may decide not to hold the shares of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock they will receive in the combination. Such sales of Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock could have the effect of depressing the market price for such shares, and may take place promptly following the combination

The combination could result in a significant liability to GCI Liberty and Liberty Broadband if it causes the GCI Liberty Split-off to fail to qualify as a tax-free distribution under applicable tax laws.

In connection with the signing of the merger agreement, GCI Liberty received an opinion from Skadden to the effect that, subject to the limitations and assumptions set forth therein, the combination will not cause the GCI Liberty Split-off to fail to qualify as a tax-free distribution under Sections 355 and 361 of the Code to Qurate Retail, GCI Liberty, their respective subsidiaries and the former holders of Liberty Ventures common stock, which is referred to as the “**signing split-off tax opinion**.” It is a condition to each party's obligation to complete the combination that Skadden deliver to GCI Liberty an opinion to the same effect as the signing split-off tax opinion and subject to similar limitations and assumptions, immediately prior to the consummation of the combination, which is referred to as the “**closing split-off tax opinion**.” The signing split-off tax opinion relied on, and the closing split-off tax opinion will rely on, certain representations and assumptions, including those contained in representation letters from each of Qurate Retail, GCI Liberty, Liberty Broadband and Mr. Malone. If any of the factual representations in any of these representation letters, or any of the assumptions in the signing split-off tax opinion or the closing split-off tax opinion is untrue or incomplete, the signing split-off tax opinion or the closing split-off tax opinion may not be valid. Moreover, an opinion of counsel is not binding on the IRS or the courts. As a result, the conclusions expressed in the signing split-off tax opinion and the closing split-off tax opinion could be challenged by the IRS, and a court may sustain such a challenge.

If, for any reason, it is subsequently determined that the GCI Liberty Split-off does not qualify for tax-free treatment under Sections 355 and 361 of the Code, GCI Liberty and Liberty Broadband could be required, in certain circumstances, to indemnify Qurate Retail, its subsidiaries and certain related persons for significant tax liabilities resulting from the GCI Liberty Split-off. If the GCI Liberty Split-off does not qualify under Section 355, Section 368(a)(1)(D) and related provisions of the Code, Qurate Retail would generally be subject to tax as if it sold the shares of Predecessor GCI Liberty common stock distributed in the GCI Liberty Split-off in a taxable transaction. In such a circumstance, Qurate Retail would recognize taxable gain in an amount equal to the excess of (1) the total fair market value of the shares of Predecessor GCI Liberty common stock distributed in the GCI Liberty Split-off over (2) Qurate Retail's aggregate tax basis in such shares of Predecessor GCI Liberty common stock. Pursuant to the tax sharing agreement by and between Qurate Retail and GCI Liberty and the joinder to the tax sharing agreement by and among Qurate Retail, GCI Liberty and Liberty Broadband, in certain circumstances, GCI Liberty and Liberty Broadband will be required to jointly and severally indemnify Qurate Retail and its subsidiaries for any taxes or losses resulting from the failure of the GCI Liberty Split-off to qualify as a tax-free transaction under Section 355, Section 368(a)(1)(D) and related provisions of the Code, including to the extent that such taxes or losses (1) result primarily from, individually or in the aggregate, the breach of certain covenants made

[Table of Contents](#)

by GCI Liberty (applicable to actions or failures to act by GCI Liberty and its subsidiaries following the completion of the GCI Liberty Split-off), (2) result from the application of Section 355(e) of the Code to the GCI Liberty Split-off as a result of the treatment of the GCI Liberty Split-off as part of a plan (or series of related transactions) pursuant to which one or more persons acquire, directly or indirectly, a 50-percent or greater interest (measured by either vote or value) in the stock of GCI Liberty (or any successor corporation) or (3) result primarily from, individually or in the aggregate, the breach by Liberty Broadband of certain covenants under the tax sharing agreement following the effective time. Any such indemnity obligation could be material. See “Special Factors—Other Agreements Related to the Combination—Additional Transaction Agreements.”

If the combination does not qualify as a “reorganization” within the meaning of Section 368(a) of the Code, the combination may result in tax liability to GCI Liberty, Liberty Broadband and/or their respective stockholders.

The combination is intended to qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and the obligations of each of GCI Liberty and Liberty Broadband to complete the combination are conditioned, respectively, upon each receiving an opinion of counsel that the combination will so qualify. However, an opinion of counsel is not binding on the IRS or the courts. If this conclusion is challenged, and it is determined that the combination does not qualify as a “reorganization” for U.S. federal income tax purposes, GCI Liberty stockholders would be required to recognize any taxable gain on the exchange of their common and preferred stock pursuant to the combination, and Liberty Broadband stockholders may be required to recognize taxable gain on their Liberty Broadband stock as if Liberty Broadband had been acquired by GCI Liberty in a fully taxable transaction. Further, each of GCI Liberty and Liberty Broadband may be required to recognize taxable income or gain for U.S. federal income tax purposes as if it transferred all of its assets and liabilities to the other in a fully taxable transaction. Any such resulting taxes could be material.

The unaudited pro forma condensed combined financial statements included in this document are preliminary and the actual financial condition and results of operations after the combination may differ materially.

The unaudited pro forma condensed combined financial statements in this document are presented for illustrative purposes only and are not necessarily indicative of what Liberty Broadband's actual financial condition or results of operations would have been had the combination been completed on the dates indicated. The unaudited pro forma condensed combined financial statements reflect adjustments, which are based upon assumptions and preliminary estimates, to record the GCI Liberty identifiable assets acquired and liabilities assumed at fair value and the resulting goodwill recognized. The purchase price allocation reflected in this document is preliminary, and final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets and liabilities of GCI Liberty as of the date of the completion of the combination. Accordingly, the final acquisition accounting adjustments may differ materially from the pro forma adjustments reflected in this document. For more information, see the sections entitled “Summary—Equivalent and Comparative Per Share Information”, “Summary—Summary Unaudited Pro Forma Condensed Combined Financial Statements” and “Unaudited Pro Forma Condensed Combined Financial Statements.”

The unaudited prospective financial information of each company included in this joint proxy statement/prospectus involves risks, uncertainties and assumptions, many of which are beyond the control of each company. As a result, it may not prove to be accurate and is not necessarily indicative of current values or future performance.

The unaudited prospective financial information of each company contained in the sections entitled “Special Factors—Liberty Broadband Unaudited Prospective Financial Information” and “

Special Factors—GCI Liberty Unaudited Prospective Financial Information” of this joint proxy statement/prospectus involves risks, uncertainties and assumptions and is not a guarantee of future performance. The future financial results of each company may materially differ from those expressed in the unaudited prospective financial information due to factors that are beyond such company’s ability to control or predict. No assurances can be made regarding future events or that the assumptions made in preparing the unaudited prospective financial information will accurately reflect future conditions. The internal financial projections were based on numerous variables and assumptions that are inherently subjective, and depend on a number of factors described or incorporated by reference in the section entitled “Cautionary Statement Regarding Forward-Looking Statements,” all of which are uncertain and many of which are beyond the control of Liberty Broadband or GCI Liberty, and, if the combination is completed, will be beyond the control of the combined company. Each company cannot provide any assurance that its future financial results, or if the combination is completed, those of the combined company, will not materially vary from the unaudited prospective financial information. The unaudited prospective financial information covers multiple years, and the information by its nature becomes subject to greater uncertainty with each successive year. The unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared.

More specifically, the unaudited prospective financial information:

- necessarily makes numerous assumptions, many of which are beyond the control of each company and may not prove to be accurate;
- does not necessarily reflect changes in prospects for each company’s business, changes in general business or economic conditions, or any other transaction or event that has occurred or that may occur and that was not anticipated at the time the unaudited prospective financial information was prepared;
- is not necessarily indicative of future performance, which may be significantly more favorable or less favorable than is reflected in the unaudited prospective financial information; and
- should not be regarded as a representation that the results reflected in the unaudited prospective financial information will be achieved.

The unaudited prospective financial information was not prepared with a view toward public disclosure or compliance with published guidelines of the SEC or the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information or GAAP and does not reflect the effect of any proposed or other changes in GAAP that may be made in the future.

The fairness opinion obtained by the Liberty Broadband special committee from Perella Weinberg Partners will not reflect changes, circumstances, developments or events that may have occurred or may occur after the date of the opinion.

Perella Weinberg Partners, the Liberty Broadband special committee’s financial advisor in connection with the combination, has delivered to the Liberty Broadband special committee a written opinion, dated August 5, 2020, as to the fairness, from a financial point of view, as of such date, of the Common Consideration to be paid in connection with the first merger, to the stockholders of Liberty Broadband (other than GCI Liberty, the Malone Group, the Maffei Group, each of their respective Affiliates and the Parent Section 16 Officers), based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth therein.

The Liberty Broadband special committee has not obtained an updated fairness opinion as of the date of this joint proxy statement/prospectus from Perella Weinberg Partners, and the Liberty Broadband special committee does not expect to receive an updated fairness opinion prior to the completion of the combination.

[Table of Contents](#)

Perella Weinberg Partners' opinion does not reflect changes, circumstances, developments or events that may have occurred or may occur after the date of the opinion, including changes in the operations and prospects of Liberty Broadband or GCI Liberty (including the sale of Evite on September 14, 2020), regulatory or legal changes, general market and economic conditions and other factors that may be beyond the control of Liberty Broadband and GCI Liberty, and on which the fairness opinion was based, and that may alter the value of Liberty Broadband and GCI Liberty or the prices of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock, Liberty Broadband Preferred Stock or GCI Liberty capital stock at the effective time. The value of the merger consideration has fluctuated since, and could be materially different from its value as of, the date of Perella Weinberg Partners' opinion, and the opinion does not address the prices at which Liberty Broadband Series C common stock, Liberty Broadband Series B common stock, Liberty Broadband Preferred Stock or GCI Liberty capital stock may trade after the date of the opinion. Perella Weinberg Partners' opinion does not speak as of the time the combination will be completed or as of any date other than the date of the opinion. The Liberty Broadband special committee does not anticipate asking Perella Weinberg Partners to update its opinion, and Perella Weinberg Partners has no obligation or responsibility to update, revise or reaffirm its opinion based on circumstances, developments or events that may have occurred or may occur after the date of the opinion. For a more complete description of the opinion that Perella Weinberg Partners delivered, and a summary of the material financial analyses performed, in connection with such opinion, please refer to the section "Special Factors—Opinion of the Liberty Broadband Special Committee's Financial Advisor." Perella Weinberg Partners' opinion is attached as Annex B to this joint proxy statement/prospectus and is incorporated by reference herein.

The fairness opinion delivered to each of the GCI Liberty special committee and GCI Liberty Board by Evercore will not reflect changes, circumstances, developments or events that may have occurred or may occur after the date of such opinion.

Evercore, the GCI Liberty special committee's financial advisor in connection with the combination, delivered an oral opinion to each of the GCI Liberty special committee and, at the request of the GCI Liberty special committee, the GCI Liberty Board on August 6, 2020 (subsequently confirmed by delivery of Evercore's written opinion, dated August 6, 2020) as to the fairness, from a financial point of view, as of such date and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters set forth in Evercore's written opinion, of the exchange ratio in the first merger to the holders of GCI Liberty common stock (other than the Malone Group, the Maffei Group, each of their respective Affiliates and the Company Section 16 Officers).

Neither the GCI Liberty special committee nor the GCI Liberty Board has obtained an updated fairness opinion as of the date of this joint proxy statement/prospectus from Evercore, and the GCI Liberty special committee and the GCI Liberty Board do not expect to receive an updated fairness opinion prior to the completion of the combination.

Evercore's opinion does not reflect changes, circumstances, developments or events that may have occurred or may occur after the date of its opinion, including changes in the operations or prospects of Liberty Broadband or GCI Liberty (including the sale of Evite on September 14, 2020), regulatory or legal changes, general market and economic conditions or other factors that may be beyond the control of Liberty Broadband and GCI Liberty, and on which Evercore's opinion was based, and that may alter the value of Liberty Broadband and GCI Liberty or the prices of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock, Liberty Broadband Preferred Stock or GCI Liberty capital stock at the effective time. The value of the merger consideration has fluctuated since, and could be materially different from its value as of, the date of Evercore's opinion, and the opinion does not address the prices at which Liberty Broadband Series C common stock, Liberty Broadband Series B

common stock, Liberty Broadband Preferred Stock or GCI Liberty capital stock may trade after the date of the opinion. Evercore's opinion does not speak as of the time the combination will be completed or as of any date other than the date of the opinion. The GCI Liberty special committee does not anticipate asking Evercore to update its opinion, and Evercore has no obligation or responsibility to update, revise or reaffirm its opinion based on circumstances, developments or events that may have occurred or may occur after the date of the opinion. For a more complete description of Evercore's opinion, and a summary of the material financial analyses performed by Evercore in connection with such opinion, please refer to the section "Special Factors—Opinion of the GCI Liberty Special Committee's Financial Advisor." Evercore's opinion is attached as Annex C to this joint proxy statement/prospectus and is incorporated by reference herein.

The cash payment that holders of GCI Liberty Series B common stockholders will receive if they choose to exercise their appraisal rights is uncertain and may be determined to be higher or lower than the value of the merger consideration.

As previously described, holders of GCI Liberty Series B common stock are entitled to pursue appraisal rights in connection with the first merger. If a GCI Liberty Series B stockholder exercises his, her or its appraisal rights and follows the required procedures specified in the DGCL (See "Special Factors—Appraisal Rights" and Annex M to this joint proxy statement/prospectus) he, she or it will have the right to receive a cash payment equal to the "fair value" (as determined in accordance with the DGCL) of his, her or its shares of GCI Liberty Series B common stock. The express procedures of the DGCL must be followed and, if they are not, stockholders wishing to exercise their appraisal rights may lose such rights. The "fair value" of the shares of GCI Liberty Series B common stock may be determined to be higher or lower than the value of the shares of the Liberty Broadband Series B common stock that the stockholder would otherwise have been entitled to receive in connection with the first merger. Further, the "fair value" cash payment could potentially be determined in judicial proceedings, the result of which cannot be predicted. In addition, a dissenting stockholder's receipt of cash in exchange for his, her or its shares of GCI Liberty Series B common stock pursuant to the appraisal rights process will be a taxable transaction to such stockholder.

Risks Related to Liberty Broadband and the Combined Company after Completion of the Combination

Liberty Broadband currently has significant indebtedness and will be more leveraged with debt following the combination, which could adversely affect its business and financial condition after the completion of the combination.

As of September 30, 2020, Liberty Broadband had consolidated debt of approximately \$1,275 million in principal amount, and GCI Liberty had consolidated debt of approximately \$3,162 million in principal amount. After giving effect to the combination, Liberty Broadband and its subsidiaries will have consolidated debt of approximately \$4,437 million on a combined basis. As a result of this significant indebtedness, Liberty Broadband may:

- experience increased vulnerability to general adverse economic and industry conditions;
- be required to dedicate a substantial portion of its cash flow from operations to principal and interest payments on its indebtedness, thereby reducing the availability of cash flow to fund working capital, capital expenditures, strategic acquisitions and investments and other general corporate purposes;
- be handicapped in its ability to optimally capitalize and manage the cash flow for its businesses; and
- be exposed to the risk of increased interest rates with respect to any variable rate portion of its indebtedness.

[Table of Contents](#)

In addition, it is possible that Liberty Broadband may need to incur additional indebtedness in the future. If new debt is added to the pro forma debt levels, the risks described above could intensify. The impact of any of these potential adverse consequences could have a material adverse effect on Liberty Broadband's results of operations, financial condition, and liquidity following the completion of the combination.

For additional limitations on Liberty Broadband's ability to potentially service its direct debt obligations, see "We are a holding company, and we could be unable to obtain cash in amounts sufficient to service our financial obligations or meet our other commitments" and "We do not have access to the cash that Charter generates from its operating activities" in Liberty Broadband's Annual Report on Form 10-K for the year ended December 31, 2019, filed with the SEC on February 3, 2020.

Liberty Broadband may fail to realize all of the anticipated benefits of the combination or those benefits may take longer to realize than expected.

The full benefits of the combination may not be realized as expected or may not be achieved within the anticipated time frame, or at all. Failure to achieve the anticipated benefits of the combination could adversely affect Liberty Broadband's results of operations or cash flows, cause dilution to the earnings per share of Liberty Broadband, decrease or delay the expected accretive effect of the combination, and negatively impact the price of Liberty Broadband common stock. In addition, there may be liabilities that Liberty Broadband underestimated or did not discover in the course of performing its due diligence investigation of GCI Liberty.

Holders of GCI Liberty Series A common stock will receive non-voting shares of Liberty Broadband Series C common stock as merger consideration, which are not entitled to vote in the election of directors to the Liberty Broadband Board or on other matters affecting Liberty Broadband, except as required by Delaware law.

Upon the effective time, GCI Liberty stockholders will no longer be stockholders of GCI Liberty, but will instead become stockholders of Liberty Broadband and their rights as Liberty Broadband stockholders will be governed by the terms of the Liberty Broadband charter and the Liberty Broadband bylaws.

The terms of the Liberty Broadband charter and the Liberty Broadband bylaws differ in some respects from the terms of the GCI Liberty charter and the GCI Liberty bylaws, which currently govern the rights of GCI Liberty stockholders. In particular, each holder of GCI Liberty Series A common stock is currently entitled to one vote for each share of GCI Liberty Series A common stock held by such stockholder in the election of the GCI Liberty Board and on other matters affecting GCI Liberty. The shares of Liberty Broadband Series C common stock that holders of GCI Liberty Series A common stock would receive as merger consideration would not entitle such holders to any voting power, and such holders would not be entitled to vote in the election of directors to the Liberty Broadband Board or on other matters affecting Liberty Broadband, except as otherwise required by Delaware law.

For a more complete description of the different rights associated with shares of GCI Liberty capital stock and shares of Liberty Broadband capital stock, see "Comparison of Rights of Liberty Broadband Stockholders and GCI Liberty Stockholders."

GCI Liberty stockholders will have a reduced ownership and voting interest after the combination and will exercise less influence over the policies of Liberty Broadband following the combination than they now have on the policies of GCI Liberty and Liberty Broadband stockholders will be diluted by the combination.

Upon the effective time, based solely on their ownership of GCI Liberty capital stock and excluding any shares of Liberty Broadband common stock held by such stockholders prior to the combination, former GCI Liberty stockholders (in the aggregate) are expected to own shares of Liberty

[Table of Contents](#)

Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock representing approximately 35.9%, 24.1% and 100.0%, respectively, of the total number of outstanding shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, based on approximately 168.9 million, 3.2 million and 7.2 million shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, respectively, currently expected to be outstanding at the effective time and after giving effect to the exchange agreement. As a result, former GCI Liberty stockholders (in the aggregate and excluding any shares of Liberty Broadband common stock held by such stockholders prior to the combination) are expected to own shares of Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock representing approximately 16.7% of the aggregate voting power of outstanding shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock and 33.3% of the outstanding capital stock of Liberty Broadband. Consequently, GCI Liberty stockholders, as a general matter, will have less influence over the management and policies of Liberty Broadband after the effective time than they currently exercise over the management and policies of GCI Liberty.

In addition, upon the effective time, current Liberty Broadband stockholders will be diluted and are expected to own (in the aggregate and excluding any shares of GCI Liberty common stock held by such stockholders) shares of Liberty Broadband Series A common stock and Liberty Broadband Series B common stock representing approximately 83.3% of the aggregate voting power of outstanding shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock and 66.7% of the outstanding capital stock of Liberty Broadband.

Based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, the people who are expected to serve as the executive officers and directors of Liberty Broadband following the combination are expected to beneficially own shares of Liberty Broadband capital stock representing approximately 61.7% of the voting power upon the effective time and after giving effect to the exchange agreement. See "Security Ownership of Certain Beneficial Owners and Management of Liberty Broadband—Pro Forma Security Ownership of Liberty Broadband Management."

There is currently no public market for the Liberty Broadband Preferred Stock to be received in the combination.

We cannot assure you that an active trading market for the Liberty Broadband Preferred Stock will develop after the combination or, if one develops, that it will be sustained. In the absence of a public market, you may be unable to liquidate an investment in the Liberty Broadband Preferred Stock. Because the Liberty Broadband Preferred Stock would be newly issued when the combination is completed, an active trading market for the newly issued Liberty Broadband Preferred Stock would not have developed prior to the issuance of such shares. Consequently, the initial trading price of Liberty Broadband Preferred Stock will be determined by the market and no assurance can be given as to whether these shares will trade at or above the liquidation price or the market price of GCI Liberty Preferred Stock. The initial trading price of Liberty Broadband Preferred Stock will not necessarily bear any relationship to Liberty Broadband assets or financial condition or any other established criteria of value and may not be indicative of the current market price of GCI Liberty Preferred Stock.

Even if an active trading market develops for Liberty Broadband Preferred Stock after the effective time, the trading volume of such stock may fluctuate and cause significant price variations to occur after the effective time.

The market prices of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or Liberty Broadband Preferred Stock may decline as a result of the combination.

The market prices of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or Liberty Broadband Preferred Stock may decline as a result of the combination if, among other things, the costs of the combination are greater than expected, Liberty Broadband does not achieve the perceived benefits of the combination as rapidly or to the extent anticipated by financial or industry analysts or the effect of the combination on Liberty Broadband's financial position, results of operations or cash flows is not consistent with the expectations of financial or industry analysts. Any of these events may make it more difficult for Liberty Broadband to sell equity or equity-related securities and have an adverse impact on the prices of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock or Liberty Broadband Preferred Stock.

Following the effective time, it is expected that Mr. Malone will continue to own approximately 49% of the outstanding voting power of Liberty Broadband, which may be deemed to put him in a position to influence significant corporate actions and may discourage others from initiating a potential change of control transaction that may be beneficial to Liberty Broadband stockholders.

Mr. Malone is currently the Chairman of the Liberty Broadband Board and currently beneficially owns shares representing the power to direct approximately 49% of the aggregate voting power in Liberty Broadband. Pursuant to the exchange agreement, the JCM Trust will waive the right to receive Liberty Broadband Series B common stock in the combination with respect to certain shares of GCI Liberty Series B common stock owned by it and will instead receive an equal number of shares of Liberty Broadband Series C common stock so that Mr. Malone's aggregate voting power at Liberty Broadband (including shares held in certain trusts not party to the voting agreements) immediately following the effective time will be approximately (but not more than) 49%. The estimated number of shares of Liberty Broadband Series B common stock to be waived by the JCM Trust is approximately 1.8 million, representing approximately 11.7% of the total voting power of Liberty Broadband based on the difference between what Mr. Malone's voting power at Liberty Broadband would be at the effective time without giving effect to the exchange agreement and Mr. Malone's voting power at Liberty Broadband based on approximately 26.5 million shares of Liberty Broadband Series A common stock, approximately 3.2 million shares of Liberty Broadband Series B common stock and 7.2 million shares of Liberty Broadband Preferred Stock currently expected to be outstanding at the effective time and after giving effect to the exchange agreement.

Following the effective time, Mr. Malone and the JCM Trust may exchange a number of shares of Liberty Broadband Series C common stock on a one-for-one basis for the waived B shares in order to preserve Mr. Malone's target voting power following the occurrence of certain voting dilution events which would result in Mr. Malone's voting power falling below the target voting power less 0.5% and upon any combination, merger, spin-off, dividend or certain other fundamental events resulting in holders of Liberty Broadband Series B common stock receiving securities of Liberty Broadband, securities of another person, property or cash or a combination thereof. Conversely, following any repurchase, redemption or certain other events that would result in Mr. Malone's voting power exceeding the target voting power plus 0.5%, Mr. Malone and the JCM Trust will be required to transfer shares of Liberty Broadband Series B common stock owned by them to Liberty Broadband in exchange for an equal number of shares of Liberty Broadband Series C common stock, but only as necessary in order to preserve the target voting power. See "Special Factors—Other Agreements Related to the Combination—Exchange Agreement" for a more complete description of the exchange agreement.

In addition, upon certain fundamental events resulting in holders of Liberty Broadband Series B common stock receiving securities of Liberty Broadband, securities of another person, property or cash or a combination thereof, then either, at Liberty Broadband's sole discretion (as approved by a majority

[Table of Contents](#)

of its independent directors), (x) Liberty Broadband will provide for Mr. Malone or the JCM Trust to receive the same per share amount and form of consideration to be received by holders of Liberty Broadband Series B common stock on such event for his or its shares of Liberty Broadband Series C common stock (up to the number of waived B shares) or (y) in connection with certain such events, Mr. Malone and the JCM Trust will receive all remaining waived B shares in exchange for an equal number of shares of Liberty Broadband Series C common stock.

As a result of Mr. Malone's ownership interests and voting power, and the exchange agreement, it is expected that Mr. Malone may continue to be deemed to be in a position to influence significant corporate actions, including corporate transactions such as mergers, business combinations or dispositions of assets. This concentration of ownership could discourage others from initiating any potential merger, takeover or other change of control transaction that may otherwise be beneficial to Liberty Broadband stockholders.

Liberty Broadband and GCI Liberty face other risks.

The risks listed above are not exhaustive, and you should be aware that, following the combination, Liberty Broadband and GCI Liberty will face various other risks, including those discussed in reports filed by Liberty Broadband and GCI Liberty with the SEC. In particular, see “Factors Relating to the Company's GCI Holdings' Business and Future Results” contained in [GCI Liberty's Annual Report on Form 10-K for the year ended December 31, 2019, filed with the SEC on February 27, 2020](#) for risks relating to competition, the Universal Service Fund and Rural Health Care programs and the geographic concentration of GCI Holdings' operations in Alaska. This discussion is based on the Code, applicable Treasury regulations, judicial interpretations thereof and administrative rulings and practice, all as in effect as of the date hereof, and all of which are subject to change or differing interpretations, possibly with retroactive effect. Any such change or interpretation could affect the accuracy of the statements and conclusions set forth herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to particular holders of shares of GCI Liberty capital stock in light of their particular facts and circumstances, nor does it apply to holders of shares of GCI Liberty capital stock that are subject to special rules under the U.S. federal income tax laws (including, for example, banks or other financial institutions, insurance companies, regulated investment companies, real estate investment trusts, mutual funds, dealers in securities or currencies, traders in securities that elect to apply a mark-to-market method of accounting, tax-exempt entities, entities or arrangements treated as partnerships for U.S. federal income tax purposes or other flow-through entities (and investors therein), subchapter S corporations, retirement plans, individual retirement accounts or other tax-deferred accounts, holders liable for the alternative minimum tax, U.S. holders having a “functional currency” other than the U.S. dollar, holders who hold shares of GCI Liberty capital stock as part of a straddle, constructive sale, conversion transaction or other integrated or risk reduction transaction, holders required to accelerate the recognition of any item of gross income as a result of such income being recognized on an applicable financial statement, holders that actually or constructively hold 5% or more of the shares of GCI Liberty capital stock, holders who acquired their shares of GCI Liberty capital stock through the exercise of an employee stock option or otherwise as compensation or through a retirement plan, and, except as expressly noted below, persons who hold their shares of GCI Liberty Preferred Stock as “section 306 stock” within the meaning of Section 306 of the Code). This discussion does not address any considerations under any state, local or non-U.S. tax laws nor does it address any alternative minimum tax or tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010. Furthermore, this discussion does not address any tax consequences to holders who are not U.S. holders.

For purposes of this discussion, the term “**U.S. holder**” means a beneficial owner of shares of GCI Liberty capital stock that, for U.S. federal income tax purposes, is:

- an individual who is a citizen or resident of the United States;
- a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof, or the District of Columbia;
- an estate the income of which is subject to U.S. federal income tax regardless of its source; or
- a trust (a) that is subject to the primary supervision of a court within the United States and all of the substantial decisions of which are controlled by one or more U.S. persons or (b) that has a valid election in effect under applicable Treasury regulations to be treated as a U.S. person for U.S. federal income tax purposes.

If a partnership (or an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds shares of GCI Liberty capital stock, the tax treatment of a partner in such partnership generally will depend on the status of the partner and the activities of the partnership. Partners of partnerships holding GCI Liberty capital stock should consult their own tax advisors.

[Table of Contents](#)

All holders of GCI Liberty capital stock should consult their own tax advisors to determine the particular tax consequences to them of the combination, including the applicability and effect of any U.S. federal, state, local, non-U.S. and other tax laws.

GCI Liberty and Liberty Broadband intend that the combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Code. It is a condition to each of GCI Liberty's and Liberty Broadband's obligation to complete the combination that GCI Liberty receive a written opinion from Skadden, its special tax counsel, and that Liberty Broadband receive a written opinion from Debevoise, counsel to the Liberty Broadband special committee, respectively, to the effect that the combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Code. These opinions will be based on representations made by GCI Liberty and Liberty Broadband and on customary factual assumptions, as well as certain covenants and undertakings of GCI Liberty and Liberty Broadband. If any of such representations, assumptions, covenants or undertakings is or becomes incorrect, incomplete, or inaccurate or is otherwise violated, or if the facts upon which the opinions described above are based are materially different from the facts that exist at the time of the combination, the validity of such opinions may be affected, and the U.S. federal income tax consequences of the combination could differ materially from those described below. In addition, neither of the opinions described above will be binding on the IRS or any court. GCI Liberty and Liberty Broadband have not sought and will not seek any ruling from the IRS regarding any matters relating to the combination. There can be no assurance that the IRS will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth below.

If the combination qualifies as a “reorganization” within the meaning of Section 368(a) of the Code, the U.S. federal income tax consequences of the combination to U.S. holders generally are as follows:

- a U.S. holder that receives shares of Liberty Broadband capital stock in exchange for shares of GCI Liberty capital stock pursuant to the combination will not recognize gain or loss, except with respect to cash received in lieu of fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock (as discussed below);
- the aggregate tax basis of the shares of Liberty Broadband Series C common stock received by a holder of GCI Liberty Series A common stock in the combination (including any fractional shares of Liberty Broadband Series C common stock deemed received and sold for cash, as discussed below) will be the same as the aggregate tax basis of the shares of GCI Liberty Series A common stock surrendered in exchange therefor;
- the aggregate tax basis of the shares of Liberty Broadband Series B common stock received by a holder of GCI Liberty Series B common stock in the combination (including any fractional shares of Liberty Broadband Series B common stock deemed received and sold for cash, as discussed below) will be the same as the aggregate tax basis of the shares of GCI Liberty Series B common stock surrendered in exchange therefor;
- the aggregate tax basis of the shares of Liberty Broadband Preferred Stock received by a holder of GCI Liberty Preferred Stock in the combination will be the same as the aggregate tax basis of the shares of GCI Liberty Preferred Stock surrendered in exchange therefor; and
- the holding period of the Liberty Broadband capital stock received (including any fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock deemed received and sold for cash, as discussed below) will include the holding period of the GCI Liberty capital stock for which it is exchanged.

If a U.S. holder acquired different blocks of shares of GCI Liberty capital stock at different times or at different prices, such U.S. holder's basis and holding period in its shares of Liberty Broadband capital stock may be determined with reference to each block of shares of GCI Liberty capital stock.

[Table of Contents](#)

Any such holder should consult his, her or its tax advisors regarding the manner in which shares of Liberty Broadband capital stock received in the combination (including any fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock deemed received and sold for cash, as discussed below) should be allocated among different blocks of shares of GCI Liberty capital stock and with respect to identifying the bases and holding periods of the particular shares of Liberty Broadband capital stock received.

A U.S. holder that receives cash in lieu of a fractional share of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock will generally be treated as having received the fractional share pursuant to the combination, and then as having sold such fractional share for cash. As a result, such U.S. holder will generally recognize gain or loss equal to the difference between the amount of cash received and the tax basis allocated to such fractional share of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock. Such gain or loss generally will be long-term capital gain or loss if, as of the effective date of the combination, the holding period for such fractional share (as described above) exceeds one year. The deductibility of capital losses is subject to limitation.

To the extent that a U.S. holder's shares of GCI Liberty Preferred Stock are classified as "section 306 stock" within the meaning of Section 306 of the Code, the shares of Liberty Broadband Preferred Stock received by such holder in the combination will also constitute "section 306 stock." It is possible that a U.S. holder's GCI Liberty Preferred Stock could be classified as "section 306 stock" if such holder received such GCI Liberty Preferred Stock in the Reincorporation Merger in exchange for preferred stock of Predecessor GCI Liberty that such holder had previously received in connection with the acquisition of Predecessor GCI Liberty by Qurate Retail in 2018. Shares of GCI Liberty Preferred Stock that a holder has purchased for cash generally will not be classified as "section 306 stock." U.S. holders of GCI Liberty Preferred Stock should consult their own tax advisors to determine the particular tax consequences to them regarding the potential classification of their Liberty Broadband Preferred Stock as "section 306 stock."

Information Reporting and Backup Withholding

Payments of cash to a U.S. holder in lieu of fractional shares of Liberty Broadband Series C common stock or Liberty Broadband Series B common stock may be subject to information reporting, unless such U.S. holder provides proof of an applicable exemption. Such payments also may be subject to backup withholding, unless such U.S. holder provides proof of an applicable exemption or furnishes its taxpayer identification number and otherwise complies with all applicable requirements of the backup withholding rules. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a refund or credit against a U.S. holder's U.S. federal income tax liability, if any, provided that certain required information is timely furnished to the IRS.

The preceding discussion is intended only as a general summary of U.S. federal income tax consequences of the combination. It is not a complete analysis or discussion of all potential tax effects that may be important to a particular holder. All holders of GCI Liberty capital stock should consult their own tax advisors as to the specific tax consequences of the combination to them, including tax reporting requirements, and the applicability and effect of any federal, state, local and non-U.S. tax laws.

A complete list of Liberty Broadband stockholders entitled to vote at the Liberty Broadband special meeting will be available for examination by any Liberty Broadband stockholder in the Investor Relations department at Liberty Broadband's corporate office at 12300 Liberty Boulevard, Englewood, Colorado 80112, for purposes pertaining to the Liberty Broadband special meeting, during ordinary business hours, for a period of ten days before the Liberty Broadband special meeting, and can be accessed during the special meeting during the full duration of the meeting by visiting [www.virtualshareholdermeeting.com/\[· \]](http://www.virtualshareholdermeeting.com/[·]). Voting by Liberty Broadband's Directors and Executive Officers

At the close of business on September 30, 2020, the most recent practicable date for which such information was available, Liberty Broadband directors and executive officers and their affiliates beneficially owned 1,786,998 shares of Liberty Broadband Series A common stock and 2,373,006 shares of Liberty Broadband Series B common stock, or approximately 50.0% of the aggregate voting power of the shares of Liberty Broadband common stock beneficially owned and deemed to be outstanding on that date for the purpose of computing the percentage ownership of the directors and executive officers as a group. The number of shares of Liberty Broadband common stock and the percentage of the voting power of shares of Liberty Broadband common stock owned by directors and executive officers of Liberty Broadband and their affiliates as of the record date are not expected to be meaningfully different from the number and percentage as of September 30, 2020. Pursuant to the Liberty Broadband voting agreement, Mr. Malone and certain members of the Malone Group have committed to vote all of their shares of Liberty Broadband common stock, representing approximately 48.3% of the aggregate voting power of the issued and outstanding shares of Liberty Broadband common stock as of September 30, 2020, in favor of the share issuance proposal and the Liberty Broadband adjournment proposal. Liberty Broadband currently expects its directors and executive officers to vote their shares in favor of all proposals to be voted on at the Liberty Broadband special meeting, but no such director or executive officer, other than Mr. Malone, has entered into any agreement obligating

[Table of Contents](#)

him or her to do so. The number of shares reflected above does not include shares underlying outstanding RSU awards or stock options.

Quorum

The presence at the Liberty Broadband special meeting online, in person via the Internet or represented by proxy, of the holders of a majority in total voting power of the shares of Liberty Broadband common stock outstanding on the record date and entitled to vote at the Liberty Broadband special meeting will constitute a quorum for the transaction of business at the Liberty Broadband special meeting. Abstentions will count for the purpose of determining the presence of a quorum for the transaction of business at the Liberty Broadband special meeting.

Because applicable rules of the New York Stock Exchange and Nasdaq do not permit discretionary voting by brokers with respect to any of the proposals to be acted upon at the Liberty Broadband special meeting, if you hold your shares of Liberty Broadband common stock through banks or brokers, your shares will not count as present and entitled to vote for purposes of determining a quorum, unless you instruct your bank or broker on how to vote your shares. This may make it more difficult to establish a quorum at the Liberty Broadband special meeting.

Required Vote

Approval of the Liberty Broadband merger proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock outstanding and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by GCI Liberty and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing. Approval of each of the share issuance proposal and the Liberty Broadband adjournment proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock that are present in person via the Internet or represented by proxy at the Liberty Broadband special meeting and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class.

Voting of Proxies by Holders of Record

General

Please be aware that any costs related to voting via the Internet, such as Internet access charges, will be your responsibility.

All properly signed proxies that are timely received and that are not revoked will be voted at the Liberty Broadband special meeting according to the instructions indicated on the proxies or, if no direction is indicated, they will be voted as recommended by the Liberty Broadband Board.

Treatment of Abstentions; Failure to Vote

For purposes of the Liberty Broadband special meeting, an abstention occurs when a Liberty Broadband stockholder attends the Liberty Broadband special meeting in person via the Internet and does not vote or returns a proxy with an “abstain” instruction.

Completion of the first merger is conditioned on Liberty Broadband stockholders approving the Liberty Broadband merger proposal and the share issuance proposal. For the Liberty Broadband merger proposal and the share issuance proposal, if a Liberty Broadband stockholder present in person via the Internet at the Liberty Broadband special meeting does not vote, or responds by proxy with an “abstain” vote, it will have the effect of a vote “AGAINST” such proposals. If a stockholder is not present in person via the Internet at the Liberty Broadband special meeting and does not respond by proxy, it will have the effect of a vote “AGAINST” the Liberty Broadband merger proposal and it will have no effect on the outcome of the share issuance proposal (assuming a quorum is present).

The completion of the first merger is not conditioned on the Liberty Broadband adjournment proposal. For the Liberty Broadband adjournment proposal, if a Liberty Broadband stockholder present in person via the Internet at the Liberty Broadband special meeting does not vote, or responds by proxy with an “abstain” vote, it will have the same effect as a vote “AGAINST” such proposal. If a stockholder is not present in person via the Internet at the special meeting and does not respond by proxy, it will have no effect on the outcome of the Liberty Broadband adjournment proposal (assuming a quorum is present).

Shares Held in Street Name

If your shares of Liberty Broadband common stock are held in “street name” in a stock brokerage account or by a broker, bank or other nominee, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker,

[Table of Contents](#)

bank or other nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to Liberty Broadband or by voting in person via the Internet during the Liberty Broadband special meeting unless you provide a “legal proxy,” which you must obtain from your broker, bank or other nominee. Your broker, bank or other nominee is obligated to provide you with a voting instruction form for you to use.

Brokers who hold shares in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from beneficial owners. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters determined to be “non-routine” without specific instructions from the beneficial owner. It is expected that all of the proposals to be voted on at the Liberty Broadband special meeting are “non-routine” matters.

If you are a beneficial owner of shares of Liberty Broadband common stock and you do not instruct your broker, bank or other nominee on how to vote your shares:

- your shares will not be counted as present and entitled to vote for purposes of determining a quorum; and
- your broker, bank or other nominee may not vote your shares, which will have the effect of a vote “AGAINST” the Liberty Broadband merger proposal and will have no effect on the outcome of the share issuance proposal (assuming a quorum is present) and the Liberty Broadband adjournment proposal (assuming a quorum is present).

Revocability of Proxies

Any stockholder giving a proxy has the power to revoke it at any time before the proxy is voted at the special meeting. If you are a stockholder of record, you may revoke your proxy in any of the following ways:

- by logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case, if you are eligible to do so;
- by sending a notice of revocation or a completed proxy card bearing a later date than your original proxy card to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717; or
- by attending the Liberty Broadband special meeting online and voting via the Internet.

Any signed proxy revocation or new signed proxy must be received before the beginning of the Liberty Broadband special meeting. In addition, you may change your vote through the Internet or by telephone (if you originally voted by the corresponding method) not later than [11:59 p.m., New York City time], on [· ·], 202[· ·].

If your shares are held by a broker, bank or other nominee, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee, or applicable plan administrator to find out how to do so.

Solicitation

The Liberty Broadband Board is soliciting proxies for the Liberty Broadband special meeting from its stockholders. Liberty Broadband will bear the entire cost of the solicitation of proxies of its stockholders, including preparation, assembly and delivery, as applicable, of this joint proxy statement/prospectus, the proxy card and any additional materials furnished to Liberty Broadband stockholders. Proxies may be solicited by directors, officers and a small number of Liberty Broadband's regular

[Table of Contents](#)

King & Co., Inc., a proxy solicitation firm, to assist in the solicitation of proxies for a fee of approximately \$9,000 plus reasonable out-of-pocket costs and expenses. As appropriate, copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians that hold shares of Liberty Broadband common stock of record for beneficial owners for forwarding to such beneficial owners. [Table of Contents](#)

adjourned meeting need be given if the time and place, if any, thereof are announced at the meeting at which the adjournment was taken unless:

- the adjournment is for more than 30 days, in which case a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the meeting; or
- if, after the adjournment, a new record date for determination of stockholders entitled to vote is fixed for the adjourned meeting, in which case the Liberty Broadband Board will fix as the record date for determining Liberty Broadband stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of Liberty Broadband stockholders entitled to vote at the adjourned meeting, and will give notice of the adjourned meeting to each Liberty Broadband stockholder of record as of such record date.

At any Liberty Broadband stockholders meeting, all proxies will be voted in the same manner as they would have been voted at the original convening of the Liberty Broadband special meeting, except for any proxies that have been effectively revoked or withdrawn prior to the adjourned meeting.

LIBERTY BROADBAND SPECIAL MEETING PROPOSALS

Liberty Broadband Proposal 1: The Liberty Broadband Merger Proposal

(Item 1 on the proxy card)

In the Liberty Broadband merger proposal, Liberty Broadband is asking its stockholders to approve the adoption of the merger agreement. Approval of the Liberty Broadband merger proposal by Liberty Broadband stockholders is required for completion of the first merger.

Approval of the Liberty Broadband merger proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock outstanding and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class, excluding all outstanding shares beneficially owned, directly or indirectly, by GCI Liberty and its subsidiaries, the Malone Group, the Maffei Group, each of the Affiliates of the Malone Group or the Maffei Group, the directors of Liberty Broadband and GCI Liberty, the Parent Section 16 Officers, the Company Section 16 Officers or immediate family members of any of the foregoing.

The Liberty Broadband Board, acting on the unanimous recommendation of the Liberty Broadband special committee, unanimously recommends that Liberty Broadband stockholders vote “FOR” the approval of the Liberty Broadband merger proposal (Item 1).

Liberty Broadband Proposal 2: The Share Issuance Proposal

(Item 2 on the proxy card)

The Liberty Broadband Series C common stock and Liberty Broadband Series A common stock are listed on (and the Liberty Broadband Preferred Stock to be issued will be listed on) the Nasdaq Global Select Market, and as a result, Liberty Broadband is subject to the Nasdaq Listing Rules, including with respect to stockholder approval requirements. Nasdaq Listing Rule 5635(a) states: “Shareholder approval is required prior to the issuance of securities in connection with the acquisition of the stock or assets of another company if: . . . (1) where, due to the present or potential issuance of common stock . . . other than a public offering for cash . . . the common stock has or will have upon issuance voting power equal to or in excess of 20% of the voting power outstanding before the issuance of stock or securities convertible into or exercisable for common stock; or (2) any director, officer or substantial shareholder . . . of the [c]ompany has a 5% or greater interest (or such persons collectively have a 10% or greater interest), directly or indirectly, in the [c]ompany . . . to be acquired or in the consideration to be paid in the transaction or series of related transactions and the present or potential issuance of common stock, or securities convertible into or exercisable for common stock, could result in an increase in outstanding common shares or voting power of 5% or more.” In connection with the combination, Liberty Broadband expects that the aggregate voting power of Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock to be issued, or which may become issuable, in connection with the combination and the exchange agreement will exceed 20% of the voting power of its outstanding common stock prior to such share issuance. In addition, Mr. Malone, Chairman of the Board of Liberty Broadband and GCI Liberty, Richard R. Green and J. David Wargo, who are members of the Liberty Broadband Board, and the Parent Section 16 Officers collectively have a greater than 10% interest in GCI Liberty, and the share issuance will result in an increase in outstanding common stock and voting power of 5% or more. Furthermore, Liberty Broadband is required by the terms of the merger agreement to submit the share issuance proposal to its stockholders at a special meeting. Approval of this share issuance proposal will constitute approval pursuant to Nasdaq Listing Rule 5635(a).

In the share issuance proposal, Liberty Broadband is asking its stockholders to approve the issuance of shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock to GCI Liberty stockholders in connection with the

[Table of Contents](#)

combination contemplated by the merger agreement and shares of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock to Mr. Malone or the JCM Trust pursuant to the exchange agreement. Approval of the share issuance proposal by Liberty Broadband stockholders is required for completion of the first merger.

Approval of the share issuance proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock that are present in person via the Internet or represented by proxy at the Liberty Broadband special meeting and entitled to vote on the proposal at the Liberty Broadband special meeting, voting together as a single class.

The Liberty Broadband Board, acting on the unanimous recommendation of the Liberty Broadband special committee, unanimously recommends that Liberty Broadband stockholders vote “FOR” the approval of the share issuance proposal (Item 2).

Liberty Broadband Proposal 3: The Liberty Broadband Adjournment Proposal

(Item 3 on the proxy card)

In the Liberty Broadband adjournment proposal, Liberty Broadband is asking its stockholders to approve the adjournment of the Liberty Broadband special meeting from time to time to solicit additional proxies in favor of the Liberty Broadband merger proposal or the share issuance proposal if there are insufficient votes at the time of such adjournment to approve the Liberty Broadband merger proposal or the share issuance proposal or if otherwise determined by the chairperson of the meeting to be necessary or appropriate. Approval of the Liberty Broadband adjournment proposal by Liberty Broadband stockholders is not required for completion of the first merger.

Approval of the Liberty Broadband adjournment proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of Liberty Broadband common stock that are present in person via the Internet or represented by proxy at the Liberty Broadband special meeting and entitled to vote on the proposal, voting together as a single class.

The Liberty Broadband Board unanimously recommends that Liberty Broadband stockholders vote “FOR” the approval of the Liberty Broadband adjournment proposal (Item 3).

meeting, if you hold your shares of GCI Liberty capital stock through banks or brokers, your shares will not count as present and entitled to vote for purposes of determining a quorum, unless you instruct your bank or broker on how to vote your shares. This may make it more difficult to establish a quorum at the GCI Liberty special meeting.

Required Vote

The GCI Liberty adjournment proposal requires the affirmative vote of the holders of a majority of the aggregate voting power of the shares of GCI Liberty capital stock that are present in person via the Internet or represented by proxy at the GCI Liberty special meeting and entitled to vote on the proposal, voting together as a single class.

General

Please be aware that any costs related to voting via the Internet, such as Internet access charges, will be your responsibility.

All properly signed proxies that are timely received and that are not revoked will be voted at the GCI Liberty special meeting according to the instructions indicated on the proxies or, if no direction is indicated, they will be voted as recommended by the GCI Liberty Board.

Treatment of Abstentions; Failure to Vote

For purposes of the GCI Liberty special meeting, an abstention occurs when a GCI Liberty stockholder attends the GCI Liberty special meeting in person via the Internet and does not vote or returns a proxy with an “abstain” instruction.

Completion of the first merger is conditioned on GCI Liberty stockholders approving the GCI Liberty merger proposal. For the GCI Liberty merger proposal, if a GCI Liberty stockholder present in person via the Internet at the GCI Liberty special meeting does not vote, or responds by proxy with an “abstain” vote, it will have the effect of a vote “AGAINST” such proposal. If a stockholder is not present in person via the Internet at the GCI Liberty special meeting and does not respond by proxy, it will have the effect of a vote “AGAINST” the GCI Liberty merger proposal.

The completion of the first merger is not conditioned on the GCI Liberty adjournment proposal. For the GCI Liberty adjournment proposal, if a GCI Liberty stockholder present in person via the Internet at the GCI Liberty special meeting does not vote, or responds by proxy with an “abstain” vote, it will have the same effect as a vote “AGAINST” such proposal. If a stockholder is not present in person via the Internet at the special meeting and does not respond by proxy, it will have no effect on the outcome of the GCI Liberty adjournment proposal (assuming a quorum is present).

Shares Held in Street Name

If your shares of GCI Liberty capital stock are held in “street name” in a stock brokerage account or by a broker, bank or other nominee, you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or other nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to GCI Liberty or by voting in person via the Internet during the GCI Liberty special meeting unless you provide a “legal proxy,” which you must obtain from your broker, bank or other nominee. Your broker, bank or other nominee is obligated to provide you with a voting instruction form for you to use.

Brokers who hold shares in street name for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from beneficial owners. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters determined to be “non-routine” without specific instructions from the beneficial owner. It is expected that all of the proposals to be voted on at the GCI Liberty special meeting are “non-routine” matters.

If you are a beneficial owner of shares of GCI Liberty capital stock and you do not instruct your broker, bank or other nominee on how to vote your shares:

- your shares will not be counted as present and entitled to vote for purposes of determining a quorum; and

[Table of Contents](#)

- your broker, bank or other nominee may not vote your shares, which will have the effect of a vote “AGAINST” the GCI Liberty merger proposal and will have no effect on the outcome of the GCI Liberty adjournment proposal (assuming a quorum is present).

Revocability of Proxies

Any stockholder giving a proxy has the power to revoke it at any time before the proxy is voted at the special meeting. If you are a stockholder of record, you may revoke your proxy in any of the following ways:

- by logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case, if you are eligible to do so;
- by sending a notice of revocation or a completed proxy card bearing a later date than your original proxy card to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717; or
- by attending the GCI Liberty special meeting online and voting via the Internet.

Any signed proxy revocation or new signed proxy must be received before the beginning of the GCI Liberty special meeting. In addition, you may change your vote through the Internet or by telephone (if you originally voted by the corresponding method) not later than [11:59 p.m., New York City time], on [· ·], 202[· ·].

If your shares are held by a broker, bank or other nominee, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee, or applicable plan administrator to find out how to do so.

Proxies may be solicited by directors, officers and a small number of GCI Liberty's regular employees personally or by mail, telephone or facsimile, but such persons will not be specially compensated for such service. Adjournments

No notice of an adjourned meeting need be given if the time and place, if any, thereof are announced at the meeting at which the adjournment was taken unless:

- the adjournment is for more than 30 days, in which case a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the meeting; or
- if, after the adjournment, a new record date for determination of stockholders entitled to vote is fixed for the adjourned meeting, in which case the GCI Liberty Board will fix as the record date for determining GCI Liberty stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of GCI Liberty stockholders entitled to vote at the adjourned meeting, and will give notice of the adjourned meeting to each GCI Liberty stockholder of record as of such record date.

At any GCI Liberty stockholders meeting, all proxies will be voted in the same manner as they would have been voted at the original convening of the GCI Liberty special meeting, except for any proxies that have been effectively revoked or withdrawn prior to the adjourned meeting.

As required by acquisition accounting, an estimate of such consideration has been made at estimated fair value, which is further described in the table below. The final acquisition consideration may differ significantly from the amount determined as of August 31, 2020.

[Table of Contents](#)

The following is the pro forma purchase consideration as of August 31, 2020 (amounts in thousands):

Fair value of newly issued Liberty Broadband Series C and B common stock(1)	\$ 8,597,612
Fair value of newly issued Liberty Broadband Preferred Stock(2)	207,354
Fair value of share-based payment replacement awards(3)	77,627
Total fair value of consideration	8,882,593
Less: Fair value of Liberty Broadband shares attributable to share repurchase(4)	(5,979,299)
Total fair value of consideration attributable to business combination	2,903,294
Less: Fair value of newly issued Liberty Broadband Preferred Stock	(207,354)
Total fair value of acquisition consideration to be allocated	<u>\$ 2,695,940</u>

- (1) The fair value of newly issued Liberty Broadband Series C common stock and Liberty Broadband Series B common stock was calculated by multiplying (i) the outstanding GCI Liberty Series A common stock and GCI Liberty Series B common stock as of July 31, 2020 (ii) the exchange ratio, and (iii) the share price of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock on August 31, 2020.
- (2) The fair value of the newly issued Liberty Broadband Preferred Stock was calculated by multiplying (i) the outstanding shares of GCI Liberty Preferred Stock as of July 31, 2020, and (ii) the share price of GCI Liberty Preferred Stock on August 31, 2020. Since the Liberty Broadband Preferred Stock is not currently outstanding and the terms of the "to-be issued" Liberty Broadband Preferred Stock will mirror those of the GCI Liberty Preferred Stock, Liberty Broadband believes this is the best estimate of fair value.
- (3) This amount represents the fair value of share-based payment replacement awards accounted for as a liability award.
- (4) This amount was calculated by multiplying (i) the number of shares of Liberty Broadband Series C common stock owned by GCI Liberty as of July 31, 2020 and (ii) the share price of Liberty Broadband Series C common stock on August 31, 2020.

The following is a pro forma purchase price allocation as if the combination had been completed on June 30, 2020 (amounts in thousands):

(3) Pro Forma Adjustments

The unaudited pro forma adjustments related to the combination included in the unaudited pro forma condensed combined financial statements are as follows:

(a) Eliminate GCI Liberty's investment in Liberty Broadband

As of June 30, 2020, GCI Liberty's investment in Liberty Broadband had a fair value of approximately \$5.3 billion, and was eliminated along with the related deferred tax liability through additional paid in capital and retained earnings in the condensed combined pro forma balance sheet, as the acquisition of Liberty Broadband shares held by GCI Liberty is accounted for as a share repurchase.

(b) Eliminate the preferred stock

This adjustment represents the elimination of the historical preferred stock at GCI Liberty through additional paid in capital, as a result of the replacement Liberty Broadband Preferred Stock that will be issued as part of the combination.

(c) Investment in affiliates, accounted for using the equity method

	<u>June 30, 2020</u>
	<u>amounts in thousands</u>
To eliminate the historical net book value of GCI Liberty's Investment in affiliates, accounted for using the equity method	\$ (167,121)
To record pro forma estimated fair value of Investment in affiliates, accounted for using the equity method	997,950
Total adjustment to Investment in affiliates, accounted for using the equity method	<u>\$ 830,829</u>

The pro forma fair value of GCI Liberty's investment in affiliates, accounted for using the equity method was estimated based on the fair value of publicly traded shares as of June 30, 2020. Liberty Broadband believes such allocation is a reasonable estimate of fair value.

(d) Property and equipment, net

	<u>June 30, 2020</u>
	<u>amounts in thousands</u>
To eliminate the historical net book value of GCI Liberty's Property and equipment	\$ (1,056,516)
To record pro forma estimated fair value of Property and equipment	1,166,273
Total adjustment to Property and equipment	<u>\$ 109,757</u>

The pro forma fair value of GCI Liberty's property and equipment was estimated based on the percentage of similar assets allocated as part of business combinations within the industry. Liberty Broadband believes such allocation is a reasonable estimate of fair value. The final allocation will be determined by independent appraisal and could be materially different.

[Table of Contents](#)

(e) *Goodwill*

	<u>June 30, 2020</u>
	<u>amounts in thousands</u>
To eliminate the historical Goodwill of GCI Liberty	\$ (855,837)
To record pro forma Goodwill for the purchase consideration in excess of the estimated fair value of net assets acquired in connection with the combination	1,107,490
Total adjustment to Goodwill	<u>\$ 251,653</u>

(f) *Intangible assets subject to amortization, net*

	<u>June 30, 2020</u>
	<u>amounts in thousands</u>
To eliminate the historical net book value of GCI Liberty's Intangible assets subject to amortization, net	\$ (369,581)
To record pro forma estimated fair value of Intangible assets subject to amortization, net	452,403
Total adjustment to Intangible assets subject to amortization, net	<u>\$ 82,822</u>

Intangible assets subject to amortization, net is comprised of customer relationships, software license fees, and rights to use agreements. The pro forma fair value of GCI Liberty's Intangible assets subject to amortization, net was estimated based on the percentage of similar assets allocated as part of its recent business combinations and an understanding of others within the industry. Liberty Broadband believes such allocation is a reasonable estimate of fair value. The final allocation will be determined by independent appraisal and could be materially different.

(g) *Deferred revenue*

GCI Liberty defers a portion of its revenue related to fiber capacity indefeasible right to use agreements, grants, roaming contracts and any prepayments received from its customers. The adjustment was calculated based on GCI Liberty management's understanding of these arrangements and based on previous acquisition transactions of GCI Liberty with similar arrangements.

(h) *Long-term debt*

GCI Liberty's debt was adjusted to its estimated fair value as of June 30, 2020. The amount was estimated based on the fair value disclosed in the GCI Liberty financial statements included on Form 10-Q as of June 30, 2020. This estimate of the fair value will change between June 30, 2020 and the time that the combination closes due to market changes, and such changes may be material.

(i) *Deferred income tax liabilities*

The adjustment to deferred income taxes was calculated by applying Liberty Broadband and GCI Liberty's estimated combined effective tax rate of 26.5% to the historical GCI Liberty deferred tax amounts and to the taxable pro forma adjustments, such as investments in affiliates accounted for using the equity method, property and equipment, intangible assets subject to amortization, net, deferred revenue and debt.

(j) *Preferred stock*

This adjustment represents the estimated fair value of the "to-be issued" Liberty Broadband Preferred Stock. The estimated fair value was determined using the publicly traded share price of the GCI Liberty Preferred Stock as of July 31, 2020 because Liberty Broadband will issue preferred stock with mirror terms to that of the GCI Liberty Preferred Stock. The final fair value could be different.

[Table of Contents](#)

(k) Accounts payable and accrued liabilities

This adjustment represents the expected transaction costs related to the combination. Such amounts have not yet been incurred, but are expected to be non-recurring, direct, and incremental costs due to the combination.

(l) Deferred income tax liabilities

The other adjustment to deferred income taxes was due to additional deferred tax liabilities expected to be recognized by Liberty Broadband as a result of an expected change to an estimated combined effective rate of 26.5%, which is an increase as compared to the historical Liberty Broadband effective rate used.

(m) Presentation Reclassifications

The presentation reclassifications are to change GCI Liberty's presentation of its investment in Charter to the equity method of accounting to conform to Liberty Broadband's presentation, and to break-out certain assets that were historically included in other assets for Liberty Broadband, but that will be broken out going forward due to more material balances in those line items for GCI Liberty.

(n) Adjustment to remove GCI Liberty's investment in Liberty Broadband

Historically, GCI Liberty has accounted for its investment in Liberty Broadband as an equity method investment for which it elected to account for under the fair value option. Since the combination will partially result in Liberty Broadband repurchasing its own common shares, this adjustment relates to the removal of GCI Liberty's historical accounting treatment of its investment in Liberty Broadband, and the related income tax impacts at GCI Liberty's historical effective tax rate.

(o) Removal of historical accounting for LendingTree and Charter

Historically, GCI Liberty accounted for its investment in Charter at fair value and its investment in LendingTree as an equity method investment, and Liberty Broadband accounted for its investment in Charter as an equity method investment. Upon consummation of the combination, Liberty Broadband expects to account for the combined investment in Charter under the equity method of accounting and expects to account for its investment in LendingTree as an equity method investment accounted for at fair value. Accordingly, GCI Liberty's historical accounting treatment for LendingTree and Charter has been removed. The related income tax impacts are reflected at GCI Liberty's historical effective tax rate.

(p) Income tax benefit (expense)

The adjustment to income taxes benefit (expense) was due to the anticipated change in the estimated combined effective rate to 26.5%. The adjustment reflects the impact of the newly estimated combined effective tax rate on both the historical Liberty Broadband and GCI Liberty results.

(q) Change in accounting method

These adjustments are to record the impact to share of earnings of changing GCI Liberty's investment in Charter to the equity method of accounting due to Liberty Broadband's ability to exercise significant influence over Charter, and to record the unrealized gain (loss) on the investment in LendingTree that is expected to be accounted for as an equity method investment at fair value, as discussed above. The related income tax impacts are reflected at the estimated combined effective tax rate.

(r) Revenue

The adjustment represents the reduction in revenue caused by the reduction in deferred revenue as further described in note (g) above. Such adjustment also factors in the time period over which

[Table of Contents](#)

revenue will be reduced and was determined by using the weighted average remaining time period over which deferred revenue is expected to be recognized in the condensed combined statement of operations. The related income tax impacts are reflected at the estimated combined effective tax rate.

(s) Selling, general and administrative, including stock-based compensation

Liberty Broadband is obligated to replace GCI Liberty's outstanding share-based payment awards as a result of the combination. A portion of the fair value of the replacement share-based payment awards will be recognized as share-based payment compensation expense in the post-combination statement of operations. This adjustment reflects the estimated impact of the replacement share-based payment awards.

(t) Depreciation and amortization

The adjustment includes incremental depreciation for the fair value adjustment to property and equipment based on an estimated useful life of 10 years. The adjustment includes incremental amortization of pro forma definite lived intangible assets using the estimated weighted average useful life for GCI Liberty's definite lived intangible assets, 15 years. The actual impact of incremental amortization and depreciation may be materially different. The related income tax impacts are reflected at the estimated combined effective tax rate.

(u) Interest expense

The adjustment relates to amortization of (i) the premium associated with GCI Liberty's debt instruments that will be recorded at fair value upon consummation of the combination and (ii) the premium associated with the Liberty Broadband Preferred Stock that is represented by the excess of the fair value over the liquidation preference. The related income tax impacts are reflected at the estimated combined effective tax rate related to the premium associated with GCI Liberty's debt instruments.

(v) Selling, general and administrative, including stock-based compensation

In connection with the combination, Liberty Broadband and GCI Liberty incurred approximately \$7.6 million for financial advisory and legal services through June 30, 2020. As these fees are non-recurring, direct, incremental costs of the combination, an adjustment has been made to exclude these costs in the unaudited pro forma condensed combined consolidated statement of operations for the corresponding period.

(w) Shares used in computing earnings per share

Under the terms of the merger agreement each holder of shares of GCI Liberty Series A common stock and GCI Liberty Series B common stock will receive 0.580 of a share of Liberty Broadband Series C common stock and Liberty Broadband Series B common stock, respectively, which based on the number of shares outstanding at GCI Liberty as of July 31, 2020, is calculated as 61.4 million shares. The shares of Liberty Broadband that GCI Liberty owned as of July 31, 2020 will be retired to additional paid in capital, and therefore 42.7 million shares were subtracted from the 61.4 million of newly issued shares. The shares used in computed basic earnings per share were adjusted by 18.7 million shares, which represents the net number of shares to be issued by Liberty Broadband as part of the combination. Shares used in computing diluted earnings per share were further adjusted by multiplying (i) the potentially dilutive securities of GCI Liberty as of June 30, 2020 and December 31, 2020, and (ii) the exchange ratio, which resulted in adjustments of 299 thousand shares and 284 thousand shares for the periods ended June 30, 2020 and December 31, 2020, respectively. However, the calculation of diluted net earnings (loss) attributable to Series A, Series B and Series C Liberty Broadband shareholders per common share is calculated using the shares used in computing basic earnings per share due to the pro forma net loss position as of June 30, 2020 and December 31, 2019

Dividends; Liquidation

Subject to any preferential rights of any outstanding series of Liberty Broadband's preferred stock created by the Liberty Broadband Board from time to time, the holders of Liberty Broadband's common stock will be entitled to such dividends as may be declared from time to time by the Liberty Broadband Board from funds available therefor. Except as otherwise described under "—Distributions," whenever a dividend is paid to the holders of one series of common stock, Liberty Broadband will also pay to the holders of the other series of its common stock an equal per share dividend.

Conversion

Each share of Liberty Broadband Series B common stock is convertible, at the option of the holder, into one share of Liberty Broadband Series A common stock. Liberty Broadband Series A common stock, Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock are not convertible into shares of any other series of Liberty Broadband capital stock.

In addition, at any time that Liberty Broadband has outstanding less than 20% of the total number of shares of Liberty Broadband Series B common stock issued in the Broadband spin-off, each outstanding share of Liberty Broadband Series B common stock may be automatically converted into one share of Liberty Broadband Series A common stock at the option of the Liberty Broadband Board.

Subject to the exception provided below, distributions made in shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock, Liberty Broadband Series C common stock or any other security with respect to the Liberty Broadband Series A common stock, Liberty Broadband Series B common stock or Liberty Broadband Series C common stock may be declared and paid only as follows:

- a share distribution (1) consisting of shares of Liberty Broadband Series C common stock (or securities convertible therefor) to holders of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Series C common stock, on an equal per share basis; or (2) consisting of (x) shares of Liberty Broadband Series A common stock (or securities convertible therefor other than, for the avoidance of doubt, shares of Liberty Broadband Series B common stock) to holders of Liberty Broadband Series A common stock, on an equal per share basis, (y) shares of Liberty Broadband Series B common stock (or securities convertible therefor) to holders of Liberty Broadband Series B common stock, on an equal per share basis, and (z) shares of Liberty Broadband Series C common stock (or securities convertible therefor) to holders of Liberty Broadband Series C common stock, on an equal per share basis; or
- a share distribution consisting of any class or series of securities of Liberty Broadband or any other person, other than Liberty Broadband Series A common stock, Liberty Broadband Series B common stock or Liberty Broadband Series C common stock (or securities convertible therefor) on the basis of a distribution of (1) identical securities, on an equal per share basis, to holders of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Series C common stock; or (2) separate classes or series of securities, on an equal per share basis, to holders of each such shares of Liberty Broadband common stock; or (3) a separate class or series of securities to the holders of one or more series of Liberty Broadband common stock and, on an equal per share basis, a different class or series of securities to the holders of all other series of Liberty Broadband common stock, provided that, in the case of (2) or (3) above, the securities so distributed do not differ in any respect other than their relative voting rights and related differences in designation, conversion and share distribution provisions, with the holders of shares of Liberty Broadband Series B common

[Table of Contents](#)

stock receiving securities of the class or series having the highest relative voting rights and the holders of shares of each other series of common stock receiving securities of the class or series having lesser relative voting rights, and provided further that, if different classes or series of securities are being distributed to holders of Liberty Broadband Series A common stock and Liberty Broadband Series C common stock, then such securities shall be distributed either as determined by the Liberty Broadband Board or such that the relative voting rights of the securities of the class or series of securities to be received by the holders of Liberty Broadband Series A common stock and Liberty Broadband Series C common stock corresponds, to the extent practicable, to the relative voting rights of each such series of Liberty Broadband common stock.

Reclassification

Liberty Broadband may not reclassify, subdivide or combine any series of its common stock without reclassifying, subdividing or combining the other series of its common stock, on an equal per share basis.

Liquidation and Dissolution

In the event of the liquidation, dissolution or winding up of Liberty Broadband, after payment or provision for payment of the debts and liabilities of Liberty Broadband and subject to the prior payment in full of any preferential amounts to which the preferred stock holders of Liberty Broadband may be entitled, the holders of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Series C common stock will share equally, on a share for share basis, in Liberty Broadband's assets remaining for distribution to the holders of its common stock.

Blank Check Preferred Stock

The Liberty Broadband charter authorizes the Liberty Broadband Board to establish one or more series of preferred stock and to determine, with respect to any series of preferred stock, the terms and rights of the series, including:

- the designation of the series;
- the number of authorized shares of the series, which number the Liberty Broadband Board may subsequently increase or decrease but not below the number of such shares of such series of preferred stock then outstanding;
- the dividend rate or amounts, if any, payable on the shares and, in the case of cumulative dividends, the date or dates from which dividends on all shares of the series will be cumulative and the relative preferences or rights of priority or participation with respect to such dividends;
- the rights of the series in the event of Liberty Broadband's voluntary or involuntary liquidation, dissolution or winding up and the relative preferences or rights of priority of payment;
- the rights, if any, of holders of the series to convert into or exchange for other classes or series of stock or indebtedness and the terms and conditions of any such conversion or exchange, including provision for adjustments within the discretion of the Liberty Broadband Board;
- the voting rights, if any, of the holders of the series;
- the terms and conditions, if any, for Liberty Broadband to purchase or redeem the shares of the series; and
- any other relative rights, preferences and limitations of the series.

[Table of Contents](#)

Liberty Broadband believes that the ability of the Liberty Broadband Board to issue one or more series of its preferred stock will provide it with flexibility in structuring possible future financings and acquisitions, and in meeting other corporate needs that might arise. The authorized shares of preferred stock, as well as shares of common stock, will be available for issuance without further action by stockholders, unless such action is required by applicable law or the rules of any stock exchange or automatic quotation system on which Liberty Broadband's securities may be listed or traded.

Although Liberty Broadband has no intention at the present time of doing so, following the combination it could issue a series of preferred stock that could, depending on the terms of such series, impede the completion of a merger, tender offer or other takeover attempt. The Liberty Broadband Board will make any determination to issue such shares based upon its judgment as to the best interests of Liberty Broadband's stockholders. The Liberty Broadband Board, in so acting, could issue preferred stock having terms that could discourage an acquisition attempt through which an acquirer may be able to change the composition of the Liberty Broadband Board, including a tender offer or other transaction that some, or a majority, of stockholders might believe to be in their best interests or in which stockholders might receive a premium for their stock over the then-current market price of the stock.

Liberty Broadband Preferred Stock

Voting Rights

The shares of Liberty Broadband Preferred Stock will be designated as a voting security for purposes of the Liberty Broadband charter.

Each record holder of shares of Liberty Broadband Preferred Stock will be entitled to one-third of a vote per share held by such holder, subject to adjustment (to the nearest tenth of a vote per share) in accordance with the certificate of designations in the event of any stock split, stock dividend or other distribution, reclassification, recapitalization or similar event affecting the Liberty Broadband common stock and the aggregate number of votes that may be cast by the holders of shares of the Liberty Broadband Series A common stock and Liberty Broadband Series B common stock, voting together as a separate class or series, such that the voting power of the Liberty Broadband Preferred Stock immediately following the adjustment event is substantially equivalent to the voting power of the Liberty Broadband Preferred Stock immediately prior to the adjustment event.

The holders of shares of Liberty Broadband Preferred Stock will be entitled to vote together as a class generally with the holders of shares of the Liberty Broadband Series A common stock and Liberty Broadband Series B common stock on all matters submitted to a vote of the holders of the Liberty Broadband Series A common stock and Liberty Broadband Series B common stock (together with the holders of shares of any class or series of Senior Stock, Parity Stock or Junior Stock (as each such term is defined in the certificate of designations) then entitled to vote together as a class with the holders of shares of the Liberty Broadband Series A common stock and Liberty Broadband Series B common stock), except as required by the Liberty Broadband charter, the certificate of designations or by applicable law.

Dividends

The holders of shares of Liberty Broadband Preferred Stock will be entitled to receive, when and as declared by the Liberty Broadband Board, out of legally available funds, preferential dividends that accrue and cumulate as provided in the certificate of designations.

Dividends on each share of Liberty Broadband Preferred Stock will accrue on a daily basis at a rate of 7.00% per annum of the liquidation price from the Dividend Accrual Commencement Date (as defined in the certificate of designations).

[Table of Contents](#)

Accrued dividends will be payable quarterly on each dividend payment date, which will be January 15, April 15, July 15, and October 15 of each year, commencing on the first such date following the Dividend Accrual Commencement Date.

If Liberty Broadband fails to pay cash dividends on the Liberty Broadband Preferred Stock in full for any four consecutive or non-consecutive dividend periods then the dividend rate shall increase by 2.00% per annum of the liquidation price until cured.

If at any time or from time to time the Liberty Broadband Preferred Stock fails to be publicly traded for 90 consecutive days or longer, then the dividend rate shall increase by 2.00% per annum of the liquidation price until cured.

To the extent the dividend amount due to the holders of Liberty Broadband Preferred Stock is not paid in full on a dividend payment date for any reason, all dividends (whether or not declared) that have accrued on a share of Liberty Broadband Preferred Stock during the dividend period ending on such dividend payment date and which are unpaid will be added to the liquidation price of such share and remain until paid.

Subject to certain exceptions, so long as any shares of Liberty Broadband Preferred Stock are outstanding, Liberty Broadband may not declare or pay any dividend or make any distribution whatsoever with respect to, or purchase, redeem, or otherwise acquire, any Junior Stock or any Parity Stock, unless and until (i) all dividends, including GCI Liberty unpaid dividends (as defined below), to which the holders of shares of Liberty Broadband Preferred Stock are entitled for all current and all previous dividend periods have been paid (or appropriately set aside), and (ii) Liberty Broadband shall have paid in full (or appropriately set aside) all redemption payments with respect to the Liberty Broadband Preferred Stock that Liberty Broadband is then obligated to pay.

Distributions Upon Liquidation, Dissolution or Winding Up

Subject to the prior payment in full of the preferential amounts to which any Senior Stock is entitled, in the event of any liquidation, dissolution or winding up of Liberty Broadband, whether voluntary or involuntary, the holders of shares of the Liberty Broadband Preferred Stock are entitled to receive, before any payment or distribution shall be made to the holders of shares of any Junior Stock, an amount in property or cash, as determined by the Liberty Broadband Board in good faith, or a combination thereof, per share, equal to the liquidation price plus all unpaid dividends (whether or not declared) accrued through the date of distribution of amounts payable to holders of shares of Liberty Broadband Preferred Stock in connection with such liquidation, dissolution or winding up of Liberty Broadband since the immediately preceding dividend payment date, which payment shall be made *pari passu* with any such payment made to the holders of shares of any Parity Stock.

The liquidation price of each share of Liberty Broadband Preferred Stock is the sum of (i) \$25, plus (ii) an amount equal to any unpaid dividends (whether or not declared) accrued with respect to such share which pursuant to the terms of the certificate of designations have been added to and then remain part of the liquidation price as of such date plus (iii) an amount equal to any dividends accrued and unpaid on a share of GCI Liberty Preferred Stock prior to and as of the Dividend Accrual Commencement Date that have been added to the liquidation price of a share of GCI Liberty Preferred Stock and remain unpaid as of the consummation of the combination (“**GCI Liberty unpaid dividends**”).

The shares of Liberty Broadband Preferred Stock will not be participating.

Mandatory Redemption

Liberty Broadband will be required to redeem all outstanding shares of Liberty Broadband Preferred Stock out of funds legally available, at the liquidation price plus all unpaid dividends

[Table of Contents](#)

(whether or not declared) accrued from the most recent dividend payment date through the redemption date, on the first business day following March 8, 2039.

The certificate of designations provides certain mechanisms for partial redemption and places certain restrictions on Liberty Broadband in the event Liberty Broadband does not have funds legally available to satisfy its redemption obligations.

The certificate of designations does not provide for optional redemption of shares of Liberty Broadband Preferred Stock prior to the redemption date.

Protective Provisions

In addition to any vote required by certificate of designations or applicable law, for so long as any of the shares of Liberty Broadband Preferred Stock remain outstanding, Liberty Broadband may not take the following actions without the written consent or affirmative vote of the holders of at least a majority of the then outstanding shares of Liberty Broadband Preferred Stock, consenting or voting separately as a series:

- amend, alter or repeal the terms of the Liberty Broadband Preferred Stock, whether by merger, share exchange, consolidation or otherwise, in a manner that adversely affects the powers, preferences or rights of the Liberty Broadband Preferred Stock, unless each share of Liberty Broadband Preferred Stock (i) will remain outstanding without material and adverse change to the powers or rights of the Liberty Broadband Preferred Stock or (ii) will be converted or exchanged for preferred stock of the surviving entity having powers, preferences and rights substantially identical to that of a share of Liberty Broadband Preferred Stock (with limited exceptions); or
- authorize, create or issue, or increase the authorized or issued amount of, any class of Senior Stock or reclassify any of the authorized capital stock of Liberty Broadband into such shares of Senior Stock, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any shares of Senior Stock.

In any merger or consolidation that provides for the payment of only cash to the holders of shares of Liberty Broadband Preferred Stock, each holder of shares of Liberty Broadband Preferred Stock is entitled to receive an amount equal to the liquidation price of the shares of Liberty Broadband Preferred Stock held by such holder, plus an amount equal to the accrued and unpaid dividends (whether or not declared) on such shares since the immediately preceding dividend payment date.

Preemptive Rights

The holders of shares of Liberty Broadband Preferred Stock will not have any preemptive right to subscribe for or purchase any capital stock or other securities which may be issued by Liberty Broadband.

Waiver

Any provision of the certificate of designations and any right of the holders of shares of Liberty Broadband Preferred Stock may be waived as to all shares of Liberty Broadband Preferred Stock (and the holders thereof) upon the written consent of the Liberty Broadband Board (or any authorized committee thereof) and the holders of a majority of the shares of Liberty Broadband Preferred Stock then outstanding.

Other Provisions of Liberty Broadband's Certificate of Incorporation

Board of Directors

The Liberty Broadband charter provides that, subject to any rights of the holders of any series of preferred stock to elect additional directors, the number of directors will not be less than three and the exact number will be fixed from time to time by a resolution of the Liberty Broadband Board. The members of the Liberty Broadband Board, other than those who may be elected by holders of any then-outstanding preferred stock, will be divided into three classes. Each class will consist, as nearly as possible, of a number of directors equal to one-third of the then authorized number of Liberty Broadband Board members. The terms of the Class I, II and III directors who are in office as of the date of this joint proxy statement/prospectus will expire at the annual meeting of stockholders to be held in 2021, 2022 and 2023, respectively. At each annual meeting of stockholders, the successors of that class of directors whose term expires at that meeting will be elected to hold office for a term expiring at the annual meeting of stockholders to be held in the third year following the year of their election. The directors of each class will hold office until the expiration of the term of such class and their respective successors are elected and qualified or until such director's earlier death, resignation or removal.

The Liberty Broadband charter provides that, subject to the rights of the holders of any series of preferred stock, directors may be removed from office only for cause upon the affirmative vote of the holders of at least a majority of the total voting power of outstanding capital stock entitled to vote on such matter voting together as a single class.

The Liberty Broadband charter provides that, subject to the rights of the holders of any series of preferred stock, vacancies on the Liberty Broadband Board resulting from death, resignation, removal, disqualification or other cause, and newly created directorships resulting from any increase in the number of directors on the Liberty Broadband Board, will be filled only by the affirmative vote of a majority of the remaining directors then in office (even though less than a quorum) or by the sole remaining director. Any director so elected shall hold office for the remainder of the full term of the class of directors in which the vacancy occurred or to which the new directorship is assigned, and until that director's successor will have been elected and qualified or until such director's earlier death, resignation or removal. No decrease in the number of directors constituting the Liberty Broadband Board will shorten the term of any incumbent director, except as may be provided in any certificate of designation with respect to a series of preferred stock with respect to any additional director elected by the holders of that series of preferred stock.

These provisions would preclude a third party from removing incumbent directors and simultaneously gaining control of the Liberty Broadband Board by filling the vacancies created by removal with its own nominees. Under the classified board provisions described above, it would take at least two elections of directors for any individual or group to gain control of the Liberty Broadband Board. Accordingly, these provisions could discourage a third party from initiating a proxy contest, making a tender offer or otherwise attempting to gain control of Liberty Broadband.

Corporate Opportunity

The Liberty Broadband charter acknowledges that Liberty Broadband may have overlapping directors and officers with other entities that compete with its businesses and that Liberty Broadband may engage in material business transactions with such entities. Liberty Broadband has renounced its rights to certain business opportunities and the Liberty Broadband charter provides that no director or officer of Liberty Broadband will breach their fiduciary duty and therefore be liable to Liberty Broadband or its stockholders by reason of the fact that any such individual directs a corporate opportunity to another person or entity (including Qurate Retail, Liberty Media or Liberty TripAdvisor) instead of Liberty Broadband, or does not refer or communicate information regarding such corporate

[Table of Contents](#)

opportunity to Liberty Broadband, unless (x) such opportunity was expressly offered to such person solely in his or her capacity as a director or officer of Liberty Broadband or as a director or officer of any of Liberty Broadband's subsidiaries, and (y) such opportunity relates to a line of business in which Liberty Broadband or any of its subsidiaries is then directly engaged.

Limitation on Liability and Indemnification

To the fullest extent permitted by Delaware law, Liberty Broadband's directors are not liable to Liberty Broadband or any of its stockholders for monetary damages for breaches of fiduciary duties as a director. In addition, Liberty Broadband indemnifies, to the fullest extent permitted by applicable law, any person involved in any suit or action by reason of the fact that such person is a director or officer of the company or, at Liberty Broadband's request, a director, officer, employee or agent of another corporation or entity, against all liability, loss and expenses incurred by such person. Liberty Broadband will pay expenses of a director or officer in defending any proceeding in advance of its final disposition, provided that such payment is made upon receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to indemnification.

No Stockholder Action by Written Consent; Special Meetings

The Liberty Broadband charter provides that, except as provided in the terms of any series of preferred stock, any action required to be taken or which may be taken at any annual or special meeting of the stockholders may not be taken without a meeting and may not be effected by any consent in writing by such holders. Except as otherwise required by law and subject to the rights of the holders of any series of preferred stock, special meetings of stockholders for any purpose or purposes may be called only by the Secretary (i) upon the written request of the holders of not less than 66 2/3% of the total voting power of the then outstanding shares of the Liberty Broadband Series A common stock, Liberty Broadband Series B common stock, Liberty Broadband Preferred Stock (following the closing of the combination) and, if applicable, any other preferred stock, entitled to vote thereon or (ii) at the request of at least 75% of the members of the Liberty Broadband Board then in office.

Amendments

The Liberty Broadband charter provides that, subject to the rights of the holders of any series of preferred stock, the affirmative vote of the holders of at least 66 2/3% of the aggregate voting power of the outstanding capital stock entitled to vote on such matter, voting together as a single class, is required to adopt, amend or repeal any provision of the Liberty Broadband charter or to add or insert any provision in the Liberty Broadband charter, provided that the foregoing enhanced voting requirement will not apply to any adoption, amendment, repeal, addition or insertion (1) as to which Delaware law does not require the consent of stockholders or (2) which has been approved by at least 75% of the members of the Liberty Broadband Board then in office. The Liberty Broadband charter further provides that the affirmative vote of the holders of at least 66 2/3% of the aggregate voting power of the outstanding capital stock entitled to vote on such matter, voting together as a single class, is required to adopt, amend or repeal any provision of the bylaws, provided that the Liberty Broadband Board may adopt, amend or repeal the bylaws by the affirmative vote of not less than 75% of the members of the Liberty Broadband Board then in office.

With certain limited exceptions, the holders of Liberty Broadband Preferred Stock will be entitled to consent rights over certain amendments to the certificate of designations that would have an adverse effect on the powers, preferences or rights of the Liberty Broadband Preferred Stock.

[Table of Contents](#)

Supermajority Voting Provisions

In addition to the supermajority voting provisions discussed under “—Amendments” above, The Liberty Broadband charter provides that, subject to the rights of the holders of any series of preferred stock, the affirmative vote of the holders of at least 66 2/3% of the aggregate voting power of the outstanding capital stock entitled to vote on such matter, voting together as a single class, is required for:

- the merger or consolidation of Liberty Broadband with or into any other corporation, provided, that the foregoing voting provision will not apply to any such merger or consolidation (1) as to which the laws of the State of Delaware, as then in effect, do not require the consent of Liberty Broadband's stockholders, or (2) that at least 75% of the members of the Liberty Broadband Board then in office have approved;
- the sale, lease or exchange of all, or substantially all, of Liberty Broadband's assets, provided, that the foregoing voting provisions will not apply to any such sale, lease or exchange that at least 75% of the members of the Liberty Broadband Board then in office have approved; or
- Liberty Broadband's dissolution, provided, that the foregoing voting provision will not apply to such dissolution if at least 75% of the members of the Liberty Broadband Board then in office have approved such dissolution.

Section 203 of the General Corporation Law of the State of Delaware

Section 203 of the DGCL restricts certain transactions between a Delaware corporation and an “interested stockholder.” An “interested stockholder” for this purpose generally is a stockholder who is directly or indirectly a beneficial owner of 15% or more of the outstanding voting power of a Delaware corporation. This provision prohibits certain business combinations between an interested stockholder including certain related persons and a corporation for a period of three years after the date on which the stockholder became an interested stockholder, unless: (1) prior to the time that a stockholder became an interested stockholder, either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder is approved by the corporation's board of directors, (2) the interested stockholder acquired at least 85% of the voting power of the corporation in the transaction in which the stockholder became an interested stockholder, or (3) the business combination is approved by a majority of the board and the affirmative vote of the holders of 66 2/3% of the outstanding voting power of the shares not owned by the interested stockholder at or subsequent to the time that the stockholder became an interested stockholder. Liberty Broadband is subject to Section 203.

COMPARISON OF RIGHTS OF LIBERTY BROADBAND STOCKHOLDERS AND GCI LIBERTY STOCKHOLDERS

Both Liberty Broadband and GCI Liberty are incorporated under the laws of the State of Delaware, and, accordingly, the rights of the stockholders of each company are currently governed by the DGCL. If the combination is completed, holders of GCI Liberty capital stock will become stockholders of Liberty Broadband. Specifically, holders of GCI Liberty Series A common stock will become holders of Liberty Broadband Series C common stock, holders of GCI Liberty Series B common stock will become holders of Liberty Broadband Series B common stock and holders of GCI Liberty Preferred Stock will become holders of Liberty Broadband Preferred Stock. Upon the effective time, the rights of the former GCI Liberty stockholders who receive merger consideration will be governed by the DGCL as well as the Liberty Broadband charter and the Liberty Broadband bylaws and, with respect to the former GCI Liberty Preferred Stockholders, will be governed by the certificate of designations rather than the GCI Liberty charter and the GCI Liberty bylaws.

The following is a summary of material differences between the rights of GCI Liberty stockholders and Liberty Broadband stockholders, but it does not purport to be a complete description of those differences or a complete description of the terms of the Liberty Broadband Series C common stock, the Liberty Broadband Series B common stock or the Liberty Broadband Preferred Stock to be issued in connection with the combination. Furthermore, the identification of some of the differences in the rights of such holders as material is not intended to indicate that other differences that may be equally important do not exist. The following summary is qualified in its entirety by reference to the relevant provisions of the DGCL, the GCI Liberty charter, the GCI Liberty bylaws, the Liberty Broadband charter, the Liberty Broadband bylaws and the certificate of designations.

**Filling Vacancies and Newly Created Directorships
on the Board of Directors**

Rights of GCI Liberty Stockholders

The DGCL provides that, subject to the certificate of incorporation and bylaws, vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director.

If at any time, a corporation should have no directors in office, then any officer or any stockholder or an executor, administrator, trustee or guardian of a stockholder, or other fiduciary entrusted with like responsibility for the person or estate of a stockholder, may call a special meeting of stockholders in accordance with the certificate of incorporation or the bylaws, or may apply to the Delaware Court of Chancery for a decree summarily ordering an election.

If at the time of filling any vacancy or newly created directorship, the directors then in office are less than a majority of the whole board, holders of shares representing at least 10% of the outstanding voting power of the shares of stock may file an application with the Delaware Court of Chancery to summarily order an election to be held to fill any such vacancies or newly created directorships, or to replace the directors chosen by the directors then in office.

Charter Amendments

Rights of GCI Liberty Stockholders

The GCI Liberty bylaws provide that, subject to the rights of the holders of any series of Preferred Stock, vacancies on the board of directors resulting from death, resignation, removal, disqualification or other cause, and newly created directorships resulting from any increase in the number of directors on the board of directors, shall be filled only by the affirmative vote of a majority of the remaining directors then in office (even though less than a quorum) or by the sole remaining director.

The DGCL provides that amendments to the certificate of incorporation must be approved and declared advisable by the board of directors and, except in certain limited circumstances, adopted by the holders of a majority of the voting power of the outstanding shares of stock of the corporation entitled to vote thereon. The holders of a class have the right to vote separately as a class on an amendment to the certificate of incorporation if such amendment (i) increases or decreases the number of authorized shares of such class (subject to the certificate of incorporation), (ii) increases or decreases the par value of the shares of such class, or (iii) alters or changes the powers, preferences, or special rights of the shares of such class so as to affect them adversely. If any proposed amendment would alter or change the powers, preferences, or special rights of one or more series of any class so as to affect them adversely, but shall not so affect the entire class, then only the shares of the series so affected by the amendment shall be considered a separate class for purposes of this right to vote. The number of authorized shares of any such class or classes of stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the stock of the corporation entitled to vote if so provided in the original certificate of incorporation, in any amendment thereto which created such class or classes of stock or which was adopted prior to the issuance of any shares of such class or classes of stock, or in any amendment thereto which was authorized by a resolution or resolutions adopted by the affirmative vote of the holders of a majority of such class or classes of stock (the “**Class Vote Exception**”). The DGCL provides that bylaws may be amended or repealed by stockholders, and, if provided for in the certificate of incorporation, by the board of directors. Corporate Opportunities

Rights of GCI Liberty Stockholders

Under Delaware law, the corporate opportunity doctrine holds that a corporate officer or director generally may not take a business opportunity for his or her own if: (i) the corporation is financially able to exploit the opportunity; (ii) the opportunity is within the corporation's line of business; (iii) the corporation has an interest or expectancy in the opportunity; and (iv) by taking the opportunity for his or her own, the corporate fiduciary will thereby be placed in a position inimical to his duties to the corporation.

In the GCI Liberty charter, GCI Liberty has renounced any interest or expectancy in certain business combinations involving directors and officers of GCI Liberty, which allows such directors and officers to pursue those business opportunities without the need to comply with the corporate opportunity doctrine.

Under Section 203 of the DGCL, a corporation is prohibited from engaging in a "business combination" with a stockholder who owns 15% or more of the corporation's voting stock (an "interested stockholder") for three years following the time that such stockholder became an interested stockholder unless (i) prior to the time such stockholder became an interested stockholder, the board of directors approved either the business combination or the transaction which resulted in such stockholder becoming an interested stockholder, (ii) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, such stockholder owns at least 85% of the voting stock outstanding at the time the transaction commenced (subject to certain exclusions), or (iii) at or subsequent to such time, the business combination is approved by the board of directors and by the affirmative vote (but not written consent) of at least 66²/₃% of the corporation's outstanding voting stock that is not owned by the interested stockholder.

Rights of GCI Liberty Stockholders

A Delaware corporation may opt out of Section 203 of the DGCL in its certificate of incorporation or a stockholder approved bylaw.

GCI Liberty has not elected to opt-out of Section 203 of the DGCL.

The DGCL provides that stockholders who properly demand and perfect appraisal rights in connection with certain mergers or consolidations of the corporation may have the right to receive payment of the fair value of their stock in cash as appraised by the Delaware Court of Chancery. Subject to certain exceptions, the DGCL provides that appraisal rights are not available to any class of stock listed on a national securities exchange or held of record by more than 2,000 stockholders, unless, in either case, such stockholders are required in the merger to accept in exchange for their shares anything other than (i) shares of the surviving corporation, (ii) shares of stock of another corporation which is listed on a national securities exchange or held of record by more than 2,000 holders, (iii) cash in lieu of fractional shares of such corporations, or (iv) any combination of the above.

Same rights generally apply for Liberty Broadband stockholders.
Interested Director Transactions	The DGCL provides that contracts and transactions between a corporation and one or more of its directors or officers or between a corporation and any other entity in which one or more of its directors or officers are directors or officers shall not be void or voidable solely for this reason or because such director was present at or participates in the meeting where such contract or transaction was approved or because such director's or officer's votes are counted for such purpose if (i) the interest was fully disclosed or known to the board and the transaction was approved by a majority of the disinterested directors, (ii) the interest was fully disclosed or known to the stockholders and the transaction is approved by a majority vote of the stockholders or (iii) the transaction is fair to the corporation when authorized by its board of directors or its stockholders. Dissolution

Rights of GCI Liberty Stockholders

The GCI Liberty charter prohibits stockholder action by written consent, except that the holders of any series of Preferred Stock may take action by written consent to the extent provided by its terms. The terms of the Series A Cumulative Redeemable Preferred Stock do not include the right of the holders of such stock to act by written consent except with respect to certain protective provisions contained in the GCI Liberty charter and the waiver of rights of such holders.

The DGCL provides that dissolution must be approved by (i) the board of directors and (ii) the holders of a majority of the voting power of the outstanding stock of the corporation entitled to vote thereon. Dissolution may also be authorized without board approval by the unanimous written consent of the stockholders.

The GCI Liberty charter requires the affirmative vote of the holders of at least 66²/₃% of the total voting power of the then outstanding shares of capital stock entitled to vote, voting together as a single class, in order for GCI Liberty to dissolve (in addition to the statutorily required approval), unless at least 75% of the members of the board of directors then in office have approved such dissolution.

identified at GCI Holdings, a wholly-owned subsidiary, and included in management's assessment related to:

- Insufficient staffing and training of certain control operators;
- Inadequate assessment of financial reporting risks, which in turn contributed to reliance on business process controls that were not designed and operating effectively to adequately mitigate existing risks;
- Breakdowns in communication of expectations and prioritization of control execution to certain control operators;

record of shares of Company Series B Common Stock immediately prior to the Effective Time shall have the right to receive, in the aggregate, a number of shares of Parent Series B Common Stock equal to the product of (x) the total number of shares of Company Series B Common Stock held of record by such holder immediately prior to the Effective Time, *multiplied by* (y) the Common Exchange Ratio (such shares of Parent Series B Common Stock, together with any cash payable in respect of such Company Series B Common Stock pursuant to Section 2.7(c)(i) in lieu of fractional shares, the “Series B Consideration” and, together with the Series A Consideration, “Common Consideration”); provided, for the avoidance of doubt and pursuant to the Exchange Agreement, members of the Malone Group have agreed to waive the right to receive certain shares of Parent Series B Common Stock and instead receive the consideration and rights set forth therein; and

(3) Each share of Company Preferred Stock issued and outstanding immediately prior to the Effective Time shall automatically, and without any election on the part of the Company Stockholders, be converted into the right to receive one share of Parent Preferred Stock such that each holder of record of shares of Company Preferred Stock immediately prior to the Effective Time shall have the right to receive, in the aggregate, a number of shares of Parent Preferred Stock equal to the total number of shares of Company Preferred Stock held of record by such holder immediately prior to the Effective Time, (such shares of Parent Preferred Stock, the “Preferred Consideration”, and together with Common Consideration, the “Merger Consideration”).

From and after the Effective Time, all shares of Company Capital Stock that were outstanding immediately prior to the Effective Time shall cease to be outstanding and shall cease to exist, and, except as otherwise provided in Section 2.6(a)(i) and subject to Section 2.6(b), Section 2.6(c), and Section 2.6(e), each holder of (A) a certificate (a “Certificate”) that immediately prior to the Effective Time represented such shares or (B) such shares immediately prior to the Effective Time in non-certificated book-entry form (the “Book Entry Shares”) shall, in each case, thereafter cease to have any rights with respect to such shares of Company Capital Stock, except the right to receive the Merger Consideration to be issued in consideration therefor and any dividends or other distributions to which holders of shares become entitled in accordance with this Article II upon the surrender of such Certificate (subject to Section 2.7(i)) or exchange of Book Entry Shares in accordance with Section 2.7.

(iii) Effect on Merger Sub Common Stock. Each share of capital stock of Merger Sub outstanding immediately prior to the Effective Time shall be converted into and shall become one (1) share of common stock of the Surviving Corporation.

(b) Changes to Stock. If at any time during the period between the date of this Agreement and the Effective Time, any change in outstanding Parent Capital Stock or Company Capital Stock shall occur by reason of any reclassification, recapitalization, stock split or combination, split-up, exchange or readjustment of shares or any stock dividend thereon with a record date or ex-dividend date during such period, or any similar extraordinary transaction or event (including any merger, consolidation, share exchange, business combination or similar transaction as a result of which Parent Capital Stock or Company Capital Stock will be converted or exchanged (other than any conversion by any holder thereof of Company Series B Common Stock into Company Series A Common Stock pursuant to the terms of the Company Charter)), the Merger Consideration, the Common Exchange Ratio and any other similarly dependent items, as the case may be, shall be appropriately and equitably adjusted to provide the Company Stockholders the same economic effect as contemplated by this Agreement prior to such event. For the avoidance of doubt, neither the

declaration nor payment by the Company of quarterly cash dividends on the Company Preferred Stock in accordance with the terms of the Company Charter prior to the Effective Time will require any adjustment under this Section 2.6(b).

(c) Post-Closing Company Preferred Stock Dividends. Parent shall pay (or cause a Subsidiary of Parent to pay) all dividends declared by the Company Board in accordance with the Company Charter on the Company Preferred Stock to the extent that the payment date for such dividends is after the Closing and the record date therefor precedes the Closing. The declared dividends shall be paid by Parent on the payment date to the holders of record of Company Preferred Stock as of the close of business on the record date therefor. Any dividends declared by the Company Board on the Company Preferred Stock will be conditioned on the record date occurring prior to the Closing Date.

(d) Conversion of Surviving Corporation Shares. At the Upstream Effective Time, by virtue of the Upstream Merger and without any action on the part of any of the Parties or holders of any securities of the Surviving Corporation or Merger LLC, (i) each limited liability company interest of Merger LLC issued and outstanding immediately prior to the Upstream Effective Time shall remain outstanding as a limited liability company interest of the Surviving Company and (ii) each share of capital stock of the Surviving Corporation shall be cancelled and shall cease to exist, and no securities or other consideration shall be delivered in exchange therefor.

(e) Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, shares of Company Series B Common Stock that are outstanding immediately prior to the Effective Time and that are held by any Person who is entitled to demand and properly demands appraisal of such shares in accordance with, and who complies in all respects with, Section 262 of the DGCL ("Dissenting Shares") shall not be converted into the right to receive the Series B Consideration, but rather the holders of such Dissenting Shares shall be entitled to payment of the fair value of such Dissenting Shares in accordance with and to the extent provided in Section 262 of the DGCL; provided, that if any such holder shall fail to perfect or otherwise shall waive, effectively withdraw or lose the right to appraisal under Section 262 with respect to any Dissenting Shares, then the right of such holder to be paid the fair value of such Dissenting Shares shall cease and such Dissenting Shares shall be deemed to have been converted as of the Effective Time into, and to have become exchangeable solely for, the right to receive the Series B Consideration as provided herein.

Section 2.7 Exchange of Certificates and Book Entry Shares.

(a) Exchange Agent. Prior to the Effective Time, Parent shall select an institution reasonably acceptable to the Company to act as the exchange agent (the "Exchange Agent") in the Merger for the purpose of exchanging Certificates and Book Entry Shares for the applicable Merger Consideration. Prior to the Effective Time, Parent shall enter into or shall have entered into an exchange agent agreement with the Exchange Agent, which agreement shall set forth the duties, responsibilities and obligations of the Exchange Agent consistent with the terms of this Agreement and such agreement shall be reasonably acceptable to the Company. Parent will make available to the Exchange Agent, at or prior to the Effective Time, a number of shares of Parent Series B Common Stock, Parent Series C Common Stock and Parent Preferred Stock sufficient to pay the aggregate Merger Consideration pursuant to Section 2.6(a) and Section 2.7(e) (such shares of Parent Series B Common Stock, Parent Series C Common Stock and Parent Preferred Stock, together with any dividends or distributions with respect thereto, the "Exchange Fund"). Promptly after the Effective Time, Parent will cause the Exchange Agent to send to each holder of record (as of immediately prior to the Effective Time) of a Certificate (A) a letter of transmittal in customary form (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper

delivery of the Certificates to the Exchange Agent or by appropriate guarantee of delivery in the form customarily used in transactions of this nature from a member of a national securities exchange, a member of the Financial Industry Regulatory Authority, or a commercial bank or trust company in the United States) for use in effecting delivery of shares of Company Common Stock or Company Preferred Stock to the Exchange Agent and (B) instructions for effecting the surrender of Certificates in exchange for the Merger Consideration issuable and payable in respect thereof, and any dividends or other distributions to which such holders are entitled pursuant to Section 2.7(d). Exchange of any Book Entry Shares shall be effected in accordance with Parent's customary procedures with respect to securities represented by book entry.

(b) Exchange Procedure. Each holder of shares of Company Common Stock or Company Preferred Stock that have been converted into the right to receive the Common Consideration or the Preferred Consideration, respectively, to be issued in consideration therefor, upon surrender to the Exchange Agent of a Certificate (subject to Section 2.7(i)), together with a properly completed letter of transmittal, or compliance with Parent's customary procedures with respect to the exchange of Book Entry Shares, will be entitled to receive (i) the number of whole shares of Parent Series B Common Stock, Parent Series C Common Stock or Parent Preferred Stock (which shall be in non-certificated book-entry form unless a physical Certificate is requested) that such holder has the right to receive pursuant to Section 2.6 and (ii) a check or other form of payment in the amount equal to (x) any cash in lieu of fractional shares payable pursuant to Section 2.7(e) and (y) any dividends and other distributions, if any, payable in respect of such whole shares pursuant to Section 2.7(d). Any such Certificate or Book Entry Share shall forthwith be cancelled. No interest shall be paid or accrued on any Merger Consideration (including on any cash in lieu of fractional shares) or on any unpaid dividends and distributions payable to holders of Certificates or Book Entry Shares. Until so surrendered, each Certificate and Book Entry Share shall, after the Effective Time, represent for all purposes only the right to receive such Merger Consideration (including any cash in lieu of fractional shares) and any dividends and other distributions in accordance with Section 2.7(d).

(c) Certificate Holder. If any portion of the Merger Consideration (or any other payment provided for in this Article II) is to be paid to or registered in the name of a Person other than the Person in whose name the applicable surrendered Certificate is registered, it shall be a condition to the payment or registration thereof that the surrendered Certificate shall be properly endorsed or otherwise be in proper form for transfer and that the Person requesting such delivery of Merger Consideration (or other payment) shall pay to the Exchange Agent any transfer or other similar Taxes required as a result of such payment or registration in the name of a Person other than the registered holder of such Certificate or establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(d) Dividends and Distributions. No dividends or other distributions with respect to shares of Parent Series B Common Stock, Parent Series C Common Stock or Parent Preferred Stock issued pursuant to the Merger shall be paid to the holder of any unsurrendered Certificates or non-exchanged Book Entry Shares until such Certificates (subject to Section 2.7(i)) or Book Entry Shares are properly surrendered or exchanged in accordance with this Section 2.7. Following such surrender or exchange, there shall be paid, without interest, to the record holder of the shares of Parent Series B Common Stock, Parent Series C Common Stock or Parent Preferred Stock issued in exchange therefor (i) all dividends and other distributions payable in respect of such shares of Parent Series B Common Stock, Parent Series C Common Stock or Parent Preferred Stock with a record date after the Effective Time and a payment date on or prior to the date of such surrender or exchange and not previously paid and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such shares of Parent Series B Common Stock, Parent Series C Common Stock and Parent Preferred Stock with a record date after the Effective Time but with a payment date subsequent to the date of such

surrender or exchange. For purposes of dividends or other distributions in respect of shares of Parent Series B Common Stock, Parent Series C Common Stock or Parent Preferred Stock, all shares of Parent Series B Common Stock, Parent Series C Common Stock or Parent Preferred Stock to be issued pursuant to the Merger shall be entitled to dividends and other distributions pursuant to the immediately preceding sentence as if issued and outstanding as of the Effective Time.

(e) Fractional Shares. No fractional shares of Parent Common Stock or Parent Preferred Stock shall be issued to holders of Company Common Stock or Company Preferred Stock in connection with the Merger.

(i) The Exchange Agent and Parent shall, as soon as practicable after the Closing: (A) determine the number of whole shares of Parent Series B Common Stock and Parent Series C Common Stock, as applicable, and the number of fractional shares of Parent Series B Common Stock and Parent Series C Common Stock, as applicable, that each former record holder of Company Common Stock is entitled to receive in connection with the consummation of the Merger and (B) (1) aggregate all such fractional shares of Parent Series B Common Stock and Parent Series C Common Stock, as applicable, of all such record holders into whole shares of Parent Series B Common Stock and Parent Series C Common Stock, as applicable, and sell the whole shares obtained thereby in open market transactions at then-prevailing trading prices on behalf of such record holders to whom fractional share interests otherwise would have been issued and (2) in lieu of delivering such fractional shares to such record holders, deliver to each such record holder of Company Series A Common Stock or Company Series B Common Stock, as the case may be, such Company Series A Common Stock record holder's ratable share of the net proceeds of such sales of Parent Series C Common Stock, based upon the average gross selling price per share of Parent Series C Common Stock and such Company Series B Common Stock record holder's ratable share of the net proceeds of such sales of Parent Series B Common Stock, based upon the average gross selling price per share of Parent Series B Common Stock, in each case after making appropriate deductions for any amount required to be withheld under applicable Law as contemplated by Section 2.7(j) and less any brokers' charges, commissions or transfer Taxes.

(ii) The Exchange Agent, in its sole discretion, will determine the timing and method of selling such shares, the selling price of such shares and the broker-dealer through which such shares will be sold. No interest will accrue on the proceeds from the sale of such shares.

(f) No Further Ownership Rights. The Merger Consideration (and any other payments) paid in accordance with the terms of this Article II in respect of shares of Company Capital Stock converted pursuant to Section 2.6 shall be deemed to have been paid in full satisfaction of all rights pertaining to such shares. After the Effective Time there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of shares of Company Capital Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificates or Book Entry Shares formerly representing shares of Company Common Stock or Company Preferred Stock are presented to the Surviving Corporation (or the Surviving Company, as applicable) or the Exchange Agent for any reason, such Certificates shall be canceled and such Certificates or Book Entry Shares shall be exchanged as provided in this Article II.

(g) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of shares of Company Common Stock or Company Preferred Stock for twelve (12) months after the Effective Time shall be delivered to Parent, upon demand, and any holder of Company Common Stock or Company Preferred Stock who has not theretofore complied with this Article II shall thereafter look only to Parent for payment of its claim for the Merger Consideration (and any other payment in accordance with this Article II).

(h) No Liability. None of Parent, Merger Sub, Merger LLC, the Company or the Exchange Agent shall be liable to any Person in respect of any cash, Parent Common Stock or Parent Preferred Stock from the Exchange Fund properly delivered to a public official to the extent required by any applicable abandoned property, escheat or similar Law. If any Certificate or Book Entry Shares shall not have been surrendered or exchanged prior to the date on which the applicable Merger Consideration would escheat to or become the property of any Governmental Authority, any such Merger Consideration shall, to the extent permitted by applicable Law, immediately prior to such time become the property of Parent, free and clear of all claims or interest of any Person previously entitled thereto.

(i) Lost Certificates. If any Certificate shall have been lost, stolen, defaced or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen, defaced or destroyed and, if reasonably required by Parent, the posting by such Person of a bond in such reasonable amount as Parent may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall pay in respect of such lost, stolen, defaced or destroyed Certificate the Merger Consideration issuable in respect thereof (including any cash in lieu of fractional shares) and any dividends or other distributions to which such holder is entitled pursuant to Section 2.7(d), with respect to each share of Company Common Stock or Company Preferred Stock formerly represented by such Certificate.

(j) Withholding Rights. Parent, Merger Sub, Merger LLC, the Company and the Exchange Agent shall each be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement such amounts as are required to be deducted and withheld with respect to the making of such payment under any applicable Tax Law. To the extent that amounts are so deducted or withheld by Parent, Merger Sub, Merger LLC, the Company or the Exchange Agent, as applicable, and timely paid to the applicable Governmental Authority, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

(c) At the Effective Time, each Company Unit Award (other than each Company Director RSU Award) that is outstanding immediately prior to the Effective Time shall, automatically and without any action on the part of the holder thereof, cease to represent a restricted stock unit award or performance stock unit award denominated in shares of Company Series A Common Stock and be converted into a restricted stock unit award or performance stock unit award, as applicable, denominated in shares of Parent Series C Common Stock (an “Adjusted Unit Award”), governed by the same terms and conditions (including any applicable service-based or performance-based vesting requirements) as applied to each such Company Unit Award immediately prior to the Effective Time, except that the number of shares of Parent Series C Common Stock subject to such Adjusted Unit Award shall be equal to the product of (x) the Common Exchange Ratio, *multiplied by* (y) the number of shares of Company Common Stock subject to such Company Unit Award immediately prior to the Effective Time, rounded down to the next whole share of Parent Series C Common Stock.

(d) Immediately prior to the Effective Time, any vesting conditions applicable to each Company RSU Award held by any person considered to be a non-employee director of the Company (each, a “Company Director RSU Award”) that is outstanding immediately prior to the Effective Time shall, automatically and without any required action on the part of the holder thereof, accelerate in full, and at the Effective Time, each Company Director RSU Award shall, automatically and without any action on the part of the holder thereof, be converted into the right to receive the Series A Consideration based on the total number of shares of Company Common Stock subject to such Company Director RSU Award immediately prior to the Effective Time.

(j) The Company has received the opinion of Skadden (which the Company has provided to Parent on the date of this Agreement), addressed to the Company and dated as of the date of this Agreement, in form and substance reasonably satisfactory to the Company, to the effect that, based upon the Signing Split-Off Tax Opinion Representation Letters and any other facts, representations and assumptions set forth or referred to in such opinion, and subject to such qualifications and limitations as may be set forth in such opinion, for U.S. federal income tax purposes, assuming that the Split-Off otherwise qualified as a tax-free distribution under Sections 355 and 361 of the Code to Qurate and the holders of Liberty Ventures Common Stock that received Company Predecessor common stock in the Split-Off, the transactions contemplated by this Agreement will not cause the Split-Off to fail to qualify as a tax-free distribution under Sections 355 and 361 of the Code to Qurate and the holders of Liberty Ventures Common Stock that received Company Predecessor common stock in the Split-Off. The Company has delivered to Parent a true copy of the Split-Off Signing Tax Opinion and each of the Signing Split-Off Tax Opinion Representation Letters (other than the Parent Signing Split-Off Tax Opinion Representation Letter).

(c) Neither the Company nor any Company ERISA Affiliates contribute to or have any obligation to contribute to, or have had any such obligation during the past six-year period preceding the Closing Date, and no Company Plan is (i) a defined benefit pension plan subject to Section 302 or Title IV of ERISA or Section 412 of the Code, (ii) a multiemployer plan within the meaning of Section 3(37) of ERISA, (iii) a “multiple employer plan” as defined in Section 413(c) of the Code, or (iv) a “multiple employer welfare arrangement” within the meaning of Section 3(40) of ERISA.

(d) Each Company Qualified Plan has received from the Internal Revenue Service a favorable determination letter (or in the case of a master or prototype plan, a favorable opinion letter or in the case of a volume submitter plan, a favorable advisory letter) as to its qualification under Section 401(a) of the Code, and to the Company's Knowledge, no event or condition exists, whether by action or by failure to act, that would reasonably be expected to adversely affect the qualified status of any such Company Qualified Plan. Except as would not reasonably be expected, individually or in the aggregate, to have a Company Material Adverse Effect, (i) each Company Plan has been maintained in compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations, including ERISA and the Code, which are applicable to such Company Plan, (ii) there is no pending or, to the Company's Knowledge, threatened Action against any Company Plan, any fiduciary thereof, the Company or any of its Subsidiaries other than routine claims for benefits and (iii) with respect to each Company Plan, all contributions, reimbursements and premium payments that are due have been made, and all contributions, reimbursements and premium payments for any period ending on or before the Closing that are not yet due have been made or properly accrued.

(e) Except as provided pursuant to the terms of this Agreement, neither the execution of the Transaction Documents and the Ancillary Agreements to which the Company is a party nor the consummation of the transactions contemplated hereby and thereby (either alone or together with any other event) will (i) result in the accelerated vesting or payment of, or any increase in, or in the funding of, any compensation or benefits to any employee, officer or director (other than with respect to the treatment of Company Equity Awards in accordance with Section 2.8); (ii) result in the entitlement of any employee, officer or director to severance or termination pay or benefits; or (iii) limit or restrict the right of the Company to merge, amend or terminate any of the Company Plans.

(f) Except as would not reasonably be expected, individually or in the aggregate, to have a Company Material Adverse Effect, with respect to each Company Plan which is a group health plan, the Company and the Company ERISA Affiliates have complied with the health care continuation provisions of Section 4980B of the Code and corresponding provisions of ERISA, and neither the Company nor any of the Company ERISA Affiliates have incurred any Liability under Section 4980 of the Code. No Company Plan provides any post-retirement medical, dental or life insurance benefits to any current or former employees (other than coverage mandated by applicable Law, including the Consolidated Omnibus Budget Reconciliation Act of 1985), the cost of which would reasonably be expected to be material.

(g) No current or former director, officer, employee, independent contractor or consultant of the Company or any Subsidiary of the Company is entitled to receive any gross-up or additional payment by reason of the “additional tax” or “excise tax” required by Section 409A or Section 4999 of the Code being imposed on such Person.

(h) No Action (other than routine claims for benefits) is pending against or, to the Company's Knowledge, is threatened against, any Company Plan that, individually or in the aggregate, if determined or resolved adversely in accordance with the plaintiff's demands, would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

To the Company's Knowledge, as of the date of this Agreement there is no labor union organizing activity being conducted with respect to any material segment of Company Employees. Except as would not reasonably be expected to be material, there is no labor strike, lockout, slowdown or stoppage pending or, to the Company's Knowledge, threatened against or affecting the Company or any Subsidiary of the Company and no such strike, lockout, slowdown or stoppage has occurred since the Split-Off Date.

(j) The Company is in compliance with all applicable Laws governing employment or labor, including all contractual commitments and all such Laws relating to wages, hours, worker classification, contractors, immigration, collective bargaining, discrimination, civil rights, safety and health and workers' compensation, except, in each case, as would not reasonably be expected, individually or in the aggregate, to have a Company Material Adverse Effect.

(a) The Company will, and will cause each of its Subsidiaries and each of the directors, officers and employees of the Company and each of its Subsidiaries to, and shall instruct and use reasonable best efforts to cause the other Representatives of the Company and its Subsidiaries to, immediately cease and cause to be terminated any and all existing activities, discussions or negotiations with any Third Party or its Representatives conducted prior to the date of this Agreement with respect to any Alternative Company Transaction Proposal. The Company will promptly request each such Person that has, within the twelve (12) months preceding the date of this Agreement, executed a confidentiality agreement in connection with its consideration of any Alternative Company Transaction to return or destroy all confidential information furnished prior to the execution of this Agreement to or for the benefit of such Person by or on behalf of the Company or any of its Subsidiaries and will promptly terminate access by all Persons (other than Parent and its Representatives) to any physical or electronic data rooms relating to a possible Alternative Company Transaction. The Company shall not, and shall cause its Subsidiaries and each of its and its Subsidiaries' directors, officers and employees not to, and shall instruct and use reasonable best efforts to cause the other Representatives of the Company or any of its Subsidiaries to any Person or Group (other than Parent and its Representatives), in each case to knowingly facilitate or encourage the making or announcement of any proposal or offer (including any proposal or offer to the Company Stockholders) that constitutes, or would reasonably be expected to lead to, an Alternative Company Transaction Proposal, (ii) enter into, continue or otherwise participate in any discussions or negotiations regarding any Alternative Company Transaction Proposal or (iii) furnish to any Person any non-public information with respect to the Company and its Subsidiaries, or afford access to the business, properties, assets, books or records of the Company or any of its Subsidiaries to any Person or Group (other than Parent and its Representatives), in each case to knowingly facilitate or encourage the making of, or knowingly cooperate in any way that would reasonably be expected to lead to, any Alternative Company Transaction Proposal, except in each case as expressly permitted by this Section 5.3; provided, that, notwithstanding anything to the contrary in this Agreement, the Company or any of its Representatives may in any event (A) in good faith seek to clarify the terms and conditions of any bona fide unsolicited Alternative Company Transaction Proposal to determine whether such Alternative Company Transaction Proposal constitutes or would reasonably be expected to lead to a Superior Company Proposal (it being understood that any such communications shall be with the Third Party (or its Representatives) making such Alternative Company Transaction Proposal and shall be limited to the clarification of the Alternative Company Transaction Proposal made by such Third Party and subject to Section 5.3(b) shall not include (x) any negotiations or similar discussions with respect to such Alternative Company Transaction Proposal or (y) the Company's view or position with respect thereto), (B) inform any Person that makes an Alternative Company Transaction Proposal of the restrictions imposed by the provisions of this Section 5.3 or (C) waive any standstill provisions in any agreement with any Person or Group to the extent such standstill provisions would prohibit such Person or Group from making an Alternative Company Transaction Proposal privately to the Company Board or the Company Special Committee.

(b) Notwithstanding anything to the contrary contained in Section 5.3(a) or elsewhere in this Agreement, if, following the date of this Agreement and prior to obtaining the Company Requisite Approvals, the Company receives a bona fide written Alternative Company Transaction Proposal which did not result from a breach of this Section 5.3, upon a good faith determination by the Company Special Committee or the Company Board (following the recommendation of the Company Special Committee), after consultation with its outside legal counsel and financial advisor, (i) that based on information then available such Alternative Company Transaction Proposal either constitutes a Superior Company Proposal or would reasonably be expected to result in a Superior Company Proposal (excluding for purposes of determining whether such Alternative Company Transaction Proposal would reasonably be expected to result in a Superior Company Proposal, any assessment of the likelihood that

the Malone Group or the Maffei Group would vote in favor of, tender into or otherwise support such Alternative Company Transaction Proposal) and (ii) that failure to take such action would be inconsistent with its fiduciary duties under applicable Law, and subject to compliance with Section 5.3(c), the Company and its Representatives may then take the following actions:

(i) Furnish any information with respect to the Company and its Subsidiaries to, and afford access to the business, properties, assets, books or records of the Company or any of its Subsidiaries to, the Person or Group (and their respective Representatives) making such Alternative Company Transaction Proposal; provided, that prior to furnishing any such information, it receives from such Person or Group an executed confidentiality agreement containing terms and restrictions at least as restrictive as the terms contained in the Confidentiality Agreement (other than *de minimis* differences but including a customary "standstill" agreement by such Person or Group, which standstill shall not prohibit such Person or Group from making an Alternative Company Transaction Proposal privately to the Company Board or the Company Special Committee) and that does not contain any provision requiring the Company or its Subsidiaries to pay or reimburse the counterparty's fees, costs or expenses of any nature; provided, further, that the Company shall not furnish to any such Person or Group any information furnished by or on behalf of Parent or its Representatives to the Company or its Representatives in accordance with the provisions of the Confidentiality Agreement or otherwise on a confidential basis; and

(ii) Following the execution of the confidentiality agreement referenced in the foregoing clause (i), engage in discussions or negotiations with such Person or Group (and their Representatives) with respect to such Alternative Company Transaction Proposal.

(c) In addition to the obligations of the Company set forth in Sections 5.3(a), 5.3(b) and 5.4, as promptly as practicable (and in any event within twenty-four (24) hours) after receipt of any Alternative Company Transaction Proposal or any request for information from, or for the initiation of negotiations with, the Company or its Representatives concerning an Alternative Company Transaction Proposal, the Company shall provide the Parent Special Committee with an initial written notice of such Alternative Company Transaction Proposal or request. Such notice shall include a written summary of the material terms and conditions of such Alternative Company Transaction Proposal or request (including unredacted copies of any such written Alternative Company Transaction Proposal or request), and the identity of the Person or Group making such Alternative Company Transaction Proposal or request. In addition, the Company shall (i) keep the Parent Special Committee reasonably currently informed of the status of, and negotiations (if any) regarding, and any material developments affecting the terms and conditions of, such Alternative Company Transaction Proposal or request and (ii) provide the Parent Special Committee promptly (and in any event within forty-eight (48) hours) with all non-public information concerning the Company or any of its Subsidiaries that is made available to the Person or Group of Persons making such Alternative Company Transaction Proposal or request (or any of their Representatives), which was not previously made available to the Parent Special Committee or its Representatives. Without limiting the foregoing, the Company shall promptly (and in any event within twenty-four (24) hours after any determination) advise the Parent Special Committee in writing if the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) determines to begin providing information or engaging in discussions concerning an Alternative Company Transaction Proposal pursuant to Section 5.3(b).

(d) The Company shall not, and shall not permit any of its Subsidiaries, or any of its or their Representatives on the Company's or its Subsidiaries' behalf, to, enter into any confidentiality agreement that prohibits the Company or any of its Subsidiaries from complying with its obligations to Parent under this Agreement.

Section 5.4 Company Change of Recommendation.

(a) Except as expressly permitted by this Section 5.4, the Company Board shall not, nor shall any committee thereof, including the Company Special Committee, directly or indirectly, (i) make a Company Adverse Recommendation Change or (ii) approve or recommend, or publicly propose to approve or recommend, or allow the Company or any of its Subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement, arrangement or understanding (A) constituting, or providing for, any Alternative Company Transaction Proposal (other than a confidentiality agreement as contemplated by Section 5.3(b)(i)) or (B) requiring it (or that would require it) to abandon, terminate or fail to consummate the Merger. Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Company Requisite Approvals, the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) may, subject to compliance with Section 5.4(b), solely in response to (1) a Company Intervening Event, make a Company Adverse Recommendation Change under clause (a) of the definition thereof or (2) a Superior Company Proposal that did not result from a breach of Section 5.3, make a Company Adverse Recommendation Change, if, in either case, the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) determines in good faith, after consultation with its outside legal counsel and outside financial advisor, that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law.

(b) The Company shall not make a Company Adverse Recommendation Change in response to a Company Intervening Event or a Superior Company Proposal unless:

(i) in the case of a Superior Company Proposal, such Superior Company Proposal has been made and has not been withdrawn and continues to be a Superior Company Proposal; and

(ii) the Company shall have first (A) provided to Parent and the Parent Special Committee five (5) Business Days' prior written notice (the "Company Notice Period"), which notice shall state expressly (1) that a Company Intervening Event has occurred or that the Company has received a Superior Company Proposal, as applicable, (2) (x) in the case of a Company Intervening Event, the material facts underlying such Company Intervening Event in reasonable detail or (y) in the case of a Superior Company Proposal, the material terms and conditions of the Superior Company Proposal (including the form and per share value of the consideration offered therein and the identity of the Person or Group making the Superior Company Proposal), and the Company shall provide to Parent and the Parent Special Committee unredacted copies of the relevant transaction agreements with the Person or Group making such Superior Company Proposal and other material documents related thereto (it being understood and agreed that any amendment (or subsequent amendment) to the financial terms, including to the proposed purchase price, or to any other material term of such Superior Company Proposal or any material change to the relevant facts and circumstances underlying the Company Intervening Event shall each require the Company to provide a new notice to Parent and the Parent Special Committee in accordance with this Section 5.4(b), provided, that the Company Notice Period in connection with any such new notice shall be four (4) Business Days (the "Amended Company Notice Period"), but no such Amended Company Notice Period shall shorten the Company Notice Period) and (3) that in response to such Company Intervening Event or Superior Company Proposal, the Company intends to make a Company Adverse Recommendation Change, and (B) prior to making a Company Adverse Recommendation Change, during the Company Notice Period or the Amended Company Notice Period, as applicable, to the extent requested by the Parent Special Committee, engaged, and directed its Representatives to engage (under the direction of the Company Special Committee), in good faith negotiations with the Parent Special Committee and its

Representatives during such Company Notice Period or Amended Company Notice Period, as applicable, to amend this Agreement to permit the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) not to make such Company Adverse Recommendation Change, and considered in good faith any bona fide offer (a “Parent Offer”) by Parent to the Company, and, after such negotiations and good faith consideration of such Parent Offer, if any, the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) again makes the determination described in the last sentence of Section 5.4(a) (it being understood that the delivery of the notification contemplated by this Section 5.4(b) shall not, in and of itself, constitute a Company Adverse Recommendation Change).

(c) Notwithstanding any Company Adverse Recommendation Change, this Agreement shall be submitted to the Company Stockholders at the Company Stockholders Meeting for the purpose of obtaining the Company Requisite Approvals, and nothing contained herein (unless this Agreement is otherwise terminated in accordance with its terms) shall relieve the Company of such obligation.

(d) Except as expressly prohibited by this Section 5.4, nothing contained in this Agreement shall prohibit the Company or the Company Board from (i) taking and disclosing to the Company Stockholders a position contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act (or any similar communication to Company Stockholders in connection with the making or amendment of a tender offer or exchange offer) or (ii) making any “stop-look-and-listen” or similar communication to the Company Stockholders of the nature contemplated by Rule 14d-9 under the Exchange Act; provided, that (A) in no event shall this Section 5.4(d) affect the obligations specified in this Section 5.4 (or the consequences thereof in accordance with this Agreement) or the definition of Company Adverse Recommendation Change and (B) any such disclosure (other than the issuance by the Company of a “stop-look-and-listen” or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) that is otherwise within the definition of “Company Adverse Recommendation Change” shall be deemed a Company Adverse Recommendation Change for all purposes of this Agreement.

Section 5.5 No Solicitation by Parent: Alternative Parent Transaction.

(a) Parent will, and will cause each of its Subsidiaries and each of the directors, officers and employees of Parent and each of its Subsidiaries to, and shall instruct and use reasonable best efforts to cause the other Representatives of Parent and its Subsidiaries to, immediately cease and cause to be terminated any and all existing activities, discussions or negotiations with any Third Party or its Representatives conducted prior to the date of this Agreement with respect to any Alternative Parent Transaction Proposal. Parent will promptly request each such Person that has, within the twelve (12) months preceding the date of this Agreement, executed a confidentiality agreement in connection with its consideration of any Alternative Parent Transaction (other than an Excluded Alternative Parent Transaction) to return or destroy all confidential information furnished prior to the execution of this Agreement to or for the benefit of such Person by or on behalf of Parent or any of its Subsidiaries and will promptly terminate access by all Persons (other than the Company and its Representatives) to any physical or electronic data rooms relating to a possible Alternative Parent Transaction (other than an Excluded Alternative Parent Transaction). Parent shall not, and shall cause its Subsidiaries and each of its and its Subsidiaries' directors, officers and employees not to, and shall instruct and use reasonable best efforts to cause the other Representatives of Parent and its Subsidiaries not to, directly or indirectly, (i) solicit, initiate or knowingly facilitate, induce or encourage any inquiries or the making or announcement of any proposal or offer (including any proposal or offer to the Parent Stockholders) that constitutes, or would reasonably be expected to lead to, an Alternative Parent Transaction Proposal, (ii) enter into, continue or otherwise participate in any discussions or negotiations regarding any Alternative Parent Transaction Proposal or (iii) furnish to any Person any non-public information

with respect to Parent and its Subsidiaries, or afford access to the business, properties, assets, books or records of Parent or any of its Subsidiaries to any Person or Group (other than the Company and its Representatives), in each case to knowingly facilitate or encourage the making of, or knowingly cooperate in any way that would reasonably be expected to lead to, any Alternative Parent Transaction Proposal, except in each case as expressly permitted by this Section 5.5; provided, that, notwithstanding anything to the contrary in this Agreement, Parent or any of its Representatives may in any event (A) in good faith seek to clarify the terms and conditions of any bona fide unsolicited Alternative Parent Transaction Proposal to determine whether such Alternative Parent Transaction Proposal constitutes or would reasonably be expected to lead to a Superior Parent Proposal (it being understood that any such communications shall be with the Third Party (or its Representatives) making such Alternative Parent Transaction Proposal and shall be limited to the clarification of the Alternative Parent Transaction Proposal made by such Third Party and subject to Section 5.5(b) shall not include (x) any negotiations or similar discussions with respect to such Alternative Parent Transaction Proposal or (y) Parent's view or position with respect thereto), (B) inform any Person that makes an Alternative Parent Transaction Proposal of the restrictions imposed by the provisions of this Section 5.5 or (C) waive any standstill provisions in any agreement with any Person or Group to the extent such standstill provisions would prohibit such Person or Group from making an Alternative Parent Transaction Proposal privately to the Parent Board or the Parent Special Committee.

(b) Notwithstanding anything to the contrary contained in Section 5.5(a) or elsewhere in this Agreement, if, following the date of this Agreement and prior to obtaining the Parent Requisite Approvals, Parent receives a bona fide written Alternative Parent Transaction Proposal which did not result from a breach of this Section 5.5, upon a good faith determination by the Parent Special Committee or the Parent Board (following the recommendation of the Parent Special Committee), after consultation with its outside legal counsel and financial advisor, (i) that based on information then available such Alternative Parent Transaction Proposal either constitutes a Superior Parent Proposal or would reasonably be expected to result in a Superior Parent Proposal (excluding for purposes of determining whether such Alternative Parent Transaction Proposal would reasonably be expected to result in a Superior Parent Proposal, any assessment of the likelihood that the Malone Group or the Maffei Group would vote in favor of, tender into or otherwise support such Alternative Parent Transaction Proposal) and (ii) that failure to take such action would be inconsistent with its fiduciary duties under applicable Law, and subject to compliance with Section 5.5(c), Parent and its Representatives may then take the following actions:

(i) Furnish any information with respect to Parent and its Subsidiaries to, and afford access to the business, properties, assets, books or records of Parent or any of its Subsidiaries to, the Person or Group (and their respective Representatives) making such Alternative Parent Transaction Proposal; provided, that prior to furnishing any such information, it receives from such Person or Group an executed confidentiality agreement containing terms and restrictions at least as restrictive as the terms contained in the Confidentiality Agreement (other than *de minimis* differences but including a customary "standstill" agreement by such Person or Group, which standstill shall not prohibit such Person or Group from making an Alternative Parent Transaction Proposal privately to the Parent Board or the Parent Special Committee) and that does not contain any provision requiring Parent or its Subsidiaries to pay or reimburse the counterparty's fees, costs or expenses of any nature; provided, further, that Parent shall not furnish to any such Person or Group any information furnished by or on behalf of the Company or its Representatives to Parent or its Representatives in accordance with the provisions of the Confidentiality Agreement or otherwise on a confidential basis; and

(ii) Following the execution of the confidentiality agreement referenced in the foregoing clause (i), engage in discussions or negotiations with such Person or Group (and their Representatives) with respect to such Alternative Parent Transaction Proposal.

(c) In addition to the obligations of Parent set forth in Sections 5.5(a), 5.5(b) and 5.6 as promptly as practicable (and in any event within twenty-four (24) hours) after receipt of any Alternative Parent Transaction Proposal or any request for information from, or for the initiation of negotiations with, Parent or its Representatives concerning an Alternative Parent Transaction Proposal, Parent shall provide the Company Special Committee with an initial written notice of such Alternative Parent Transaction Proposal or request. Such notice shall include a written summary of the material terms and conditions of such Alternative Parent Transaction Proposal or request (including unredacted copies of any such written Alternative Parent Transaction Proposal or request), and the identity of the Person or Group making such Alternative Parent Transaction Proposal or request. In addition, Parent shall (i) keep the Company Special Committee reasonably currently informed of the status of, and negotiations (if any) regarding, and any material developments affecting the terms and conditions of, such Alternative Parent Transaction Proposal or request and (ii) provide the Company Special Committee promptly (and in any event within forty-eight (48) hours) with all non-public information concerning Parent or any of its Subsidiaries that is made available to the Person or Group of Persons making such Alternative Parent Transaction Proposal or request (or any of their Representatives), which was not previously made available to the Company Special Committee or its Representatives. Without limiting the foregoing, Parent shall promptly (and in any event within twenty-four (24) hours after any determination) advise the Company Special Committee in writing if the Parent Special Committee or the Parent Board (acting at the recommendation of the Parent Special Committee) determines to begin providing information or engaging in discussions concerning an Alternative Parent Transaction Proposal pursuant to Section 5.5(b).

(d) Parent shall not, and shall not permit any of its Subsidiaries, or any of its or their Representatives on Parent's or its Subsidiaries' behalf, to, enter into any confidentiality agreement that prohibits Parent or any of its Subsidiaries from complying with its obligations to the Company under this Agreement.

Section 5.6 Parent Change of Recommendation.

(a) Except as expressly permitted by this Section 5.6, the Parent Board shall not, nor shall any committee thereof, including the Parent Special Committee, directly or indirectly, (i) make a Parent Adverse Recommendation Change or (ii) approve or recommend, or publicly propose to approve or recommend, or allow Parent or any of its Subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement, arrangement or understanding (A) constituting, or providing for, any Alternative Parent Transaction Proposal (other than a confidentiality agreement as contemplated by Section 5.5(b)(i)) or (B) requiring it (or that would require it) to abandon, terminate or fail to consummate the Merger. Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Parent Requisite Approvals, the Parent Special Committee or Parent Board (acting at the recommendation of the Parent Special Committee) may, subject to compliance with Section 5.6(b), solely in response to (1) a Parent Intervening Event, make a Parent Adverse Recommendation Change under clause (a) of the definition thereof or (2) a Superior Parent Proposal that did not result from a breach of Section 5.5, make a Parent Adverse Recommendation Change, if, in either case, the Parent Special Committee or the Parent Board (acting at the recommendation of the Parent Special Committee) determines in good faith, after consultation with its outside legal counsel and outside financial advisor, that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law.

(b) Parent shall not make a Parent Adverse Recommendation Change in response to a Parent Intervening Event or a Superior Parent Proposal unless:

(i) in the case of a Superior Parent Proposal, such Superior Parent Proposal has been made and has not been withdrawn and continues to be a Superior Parent Proposal; and

(ii) Parent shall have first (A) provided to the Company and the Company Special Committee five (5) Business Days' prior written notice (the 'Parent Notice Period'), which notice shall state expressly (1) that a Parent Intervening Event has occurred or that Parent has received a Superior Parent Proposal, as applicable, (2) (x) in the case of a Parent Intervening Event, the material facts underlying such Parent Intervening Event, in reasonable detail, or (y) in the case of a Superior Parent Proposal, the material terms and conditions of the Superior Parent Proposal (including the form and per share value of the consideration offered therein and the identity of the Person or Group making the Superior Parent Proposal), and Parent shall provide to the Company and the Company Special Committee unredacted copies of the relevant transaction agreements with the Person or Group making such Superior Parent Proposal and other material documents related thereto (it being understood and agreed that any amendment (or subsequent amendment) to the financial terms, including to the proposed purchase price, or to any other material term of such Superior Parent Proposal or any material change to the relevant facts and circumstances underlying the Parent Intervening Event shall each require Parent to provide a new notice to the Company and the Company Special Committee in accordance with this Section 5.6(b), provided, that the Parent Notice Period in connection with any such new notice shall be four (4) Business Days (the 'Amended Parent Notice Period'), but no such Amended Parent Notice Period shall shorten the Parent Notice Period) and (3) that in response to such Parent Intervening Event or Superior Parent Proposal, Parent intends to make a Parent Adverse Recommendation Change, and (B) prior to making a Parent Adverse Recommendation Change, during the Parent Notice Period or the Amended Parent Notice Period, as applicable, to the extent requested by the Company Special Committee, engaged, and directed its Representatives to engage (under the direction of the Parent Special Committee), in good faith negotiations with the Company Special Committee and its Representatives during such Parent Notice Period or Amended Parent Notice Period, as applicable, to amend this Agreement to permit the Parent Special Committee or the Parent Board (acting at the recommendation of the Parent Special Committee) not to make such Parent Adverse Recommendation Change, and considered in good faith any bona fide offer (a 'Company Offer') by the Company to Parent, and, after such negotiations and good faith consideration of such Company Offer, if any, the Parent Special Committee or the Parent Board (acting at the recommendation of the Parent Special Committee) again makes the determination described in the last sentence of Section 5.6(a) (it being understood that the delivery of the notification contemplated by this Section 5.6(b) shall not, in and of itself, constitute a Parent Adverse Recommendation Change).

(c) Notwithstanding any Parent Adverse Recommendation Change, this Agreement shall be submitted to the Parent Stockholders at the Parent Stockholders Meeting for the purpose of obtaining the Parent Requisite Approvals, and nothing contained herein (unless this Agreement is otherwise terminated in accordance with its terms) shall relieve Parent of such obligation.

(d) Except as expressly prohibited by this Section 5.6, nothing contained in this Agreement shall prohibit Parent or the Parent Board from (i) taking and disclosing to the Parent Stockholders a position contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act (or any similar communication to Company Stockholders in connection with the making or amendment of a tender offer or exchange offer) or (ii) making any "stop-look-and-listen" or similar communication to the Parent Stockholders of the nature contemplated by Rule 14d-9 under the Exchange Act; provided, that (A) in no event shall this Section 5.6(d) affect the obligations specified in this Section 5.6 (or the consequences thereof in accordance with this Agreement) or the definition of Parent Adverse Recommendation Change and (B) any such disclosure (other than the issuance by Parent of a "stop-look-and-listen" or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) that is otherwise within the definition of "Parent Adverse Recommendation Change" shall be deemed a Parent Adverse Recommendation Change for all purposes of this Agreement.

Section 5.7 Registration Statement and Joint Proxy Statement.

(a) As promptly as practicable following the date of this Agreement, Parent and the Company shall prepare, and (assuming Parent has received all required information from the Company) Parent shall file with the SEC a Registration Statement on Form S-4 (together with any amendments thereof or supplements thereto, the "Registration Statement"), in which the joint proxy statement (together with any amendments thereof or supplements thereto, the "Joint Proxy Statement") furnished to (i) Company Stockholders in connection with the meeting of the Company Stockholders for the purpose of considering and voting upon the matters contemplated by this Agreement (the "Company Stockholders Meeting") and (ii) Parent Stockholders in connection with the meeting of the Parent Stockholders for the purpose of considering and voting upon the matters contemplated by this Agreement (the "Parent Stockholders Meeting"), will be included. Each of Parent and the Company shall use its reasonable best efforts to cause the Registration Statement and the Joint Proxy Statement and any other filings required to be made with the SEC in connection with the transactions contemplated by the Transaction Documents and the Ancillary Agreements to comply with the rules and regulations promulgated by the SEC, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the transactions contemplated hereby. Each of Parent and the Company shall furnish all information concerning it and its respective Subsidiaries and Affiliates as may reasonably be requested by the other Party in connection with such actions and the preparation of the Joint Proxy Statement and the Registration Statement and any other filings required to be made with the SEC in connection with the transactions contemplated by the Transaction Documents and the Ancillary Agreements. The Company will cause the Joint Proxy Statement to be mailed to Company Stockholders and Parent will cause the Joint Proxy Statement to be mailed to Parent Stockholders, in each case as promptly as practicable after the Registration Statement is declared effective under the Securities Act.

(b) All filings by the Company or Parent with the SEC in connection with the transactions contemplated by the Transaction Documents and the Ancillary Agreements and all mailings by the Company or Parent to the Company Stockholders or Parent Stockholders, as applicable, in connection with the Merger and the other transactions contemplated by the Transaction Documents and the Ancillary Agreements shall be subject to the prior review and reasonable comment by the other Party and its Representatives, including the Parent Special Committee or the Company Special Committee, as applicable, and their respective advisors.

(c) Each of Parent and the Company shall (i) as promptly as practicable notify the other of (A) the receipt of any comments from the SEC and all other written correspondence and oral communications with the SEC relating to the Joint Proxy Statement or the Registration Statement or any other filings required to be made with the SEC in connection with the transactions contemplated by the Transaction Documents and the Ancillary Agreements (including the time when the Registration Statement becomes effective and the issuance of any stop order or suspension of qualifications of the Parent Series C Common Stock, Parent Series B Common Stock or the Parent Preferred Stock issuable in connection with the Merger for offering or sale in any jurisdiction) and (B) any request by the SEC for any amendment or supplements to the Joint Proxy Statement or the Registration Statement or any other filings required to be made with the SEC in connection with the transactions contemplated by the Transaction Documents and the Ancillary Agreements, or for additional information with respect thereto and (ii) supply each other with copies of (A) all correspondence between it or any of its Representatives, on the one hand, and the SEC, on the other hand, with respect to (x) the Joint Proxy Statement, (y) the Registration Statement or (z) any other filings required to be made with the SEC in connection with the transactions contemplated by the Transaction Documents and the Ancillary Agreements and (B) all Orders of the SEC relating to the Registration Statement.

(d) If at any time prior to the Effective Time, any information relating to the Company, Parent, Merger Sub, Merger LLC or any of their respective Affiliates and Subsidiaries, directors or officers, is discovered by the Company, Parent, Merger Sub or Merger LLC, which is required to be set forth in an amendment or supplement to the Joint Proxy Statement or the Registration Statement or any other filing required to be made with the SEC and disseminated to the Company Stockholders or the Parent Stockholders, so that none of such documents would include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party which discovers such information shall promptly notify the other Parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Law, disseminated to the Company Stockholders or the Parent Stockholders.

(e) Unless this Agreement has been terminated pursuant to Section 7.1, the Company shall duly give notice of, convene and hold the Company Stockholders Meeting (in compliance with applicable Law and the Governance Instruments) as promptly as practicable following the date the Registration Statement is declared effective under the Securities Act and the Staff of the SEC advises that it has no further comments on the Joint Proxy Statement or that the Company may commence mailing the Joint Proxy Statement and use good faith efforts to schedule the Company Stockholders Meeting on the same day or as close in time as reasonably practicable to the Parent Stockholders Meeting, for the purpose of seeking the Company Requisite Approvals and, subject to Section 5.4, the Company shall use its reasonable best efforts to solicit such adoption and obtain the Company Requisite Approvals. The Company (in consultation with Parent) shall set a single record date for persons entitled to notice of, and to vote at, the Company Stockholders Meeting and shall not change such record date (whether in connection with the Company Stockholders Meeting or any adjournment or postponement thereof) without the prior written consent of Parent (not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, the Company shall not adjourn or postpone the Company Stockholders Meeting without Parent's prior written consent (acting through the Parent Special Committee) other than (A) to the extent necessary to ensure that any supplement or amendment to the Joint Proxy Statement that the Company Special Committee or the Company Board (acting at the direction of the Company Special Committee) has determined in good faith after consultation with outside legal counsel is necessary under Law is provided to the Company Stockholders in advance of a vote to obtain the Company Requisite Approvals, (B) if, as of the time for which the Company Stockholders Meeting is originally scheduled, there are insufficient shares of Company Capital Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting, (C) if additional time is reasonably required to solicit proxies in favor of the adoption of this Agreement, or (D) otherwise to comply with applicable Law; provided, that in the case of either clauses (A), (B), (C), or (D), the Company Stockholders Meeting shall only be adjourned or postponed for a minimum time that the Company (acting at the direction of the Company Special Committee) determines in good faith to be reasonable under the circumstances (it being understood that any such adjournment or postponement shall not affect the Company's obligation to hold the Company Stockholders Meeting as aforesaid). The Company shall ensure that all proxies solicited in connection with the Company Stockholders Meeting are solicited in compliance with applicable Law and the Governance Instruments. Without limiting the generality of the foregoing, the Company's obligations pursuant to this Section 5.7(e) (including its obligation to hold the Company Stockholders Meeting at which this Agreement shall be submitted to the Company Stockholders to obtain the Company Requisite Approvals as aforesaid) shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Alternative Company Transaction Proposal or by a Company Adverse Recommendation Change. Prior to the date of the Company Stockholders Meeting, the Company shall, upon the reasonable request of Parent, direct the proxy solicitor or other agent of the Company to advise Parent as to the aggregate tally of proxies received by the Company with respect to the Company Requisite Approvals at the same frequency as

such information is provided to the Company. Without the prior written consent of Parent, the Company Requisite Approvals shall be the only matters (other than matters of procedure and matters required by applicable Law to be voted on by the Company Stockholders in connection therewith) that the Company shall propose to be voted on by Company Stockholders at the Company Stockholders Meeting. The Company Board shall not take any action that would cause any approval by the Company Stockholders other than the Company Requisite Approvals to be necessary to adopt the Transaction Documents and to consummate the transactions contemplated hereby and thereby. Except to the extent expressly permitted by Section 5.4, (i) the Company Board shall recommend that the Company Stockholders vote in favor of the adoption of this Agreement at the Company Stockholders Meeting and (ii) the Joint Proxy Statement shall include a statement to the effect that the Company Board recommends that the Company Stockholders vote in favor of adoption of this Agreement at the Company Stockholders Meeting.

(f) Unless this Agreement has been terminated pursuant to Section 7.1, Parent shall duly give notice of, convene and hold the Parent Stockholders Meeting (in compliance with applicable Law and the Parent Governance Instruments) as promptly as practicable following the date the Registration Statement is declared effective under the Securities Act and the Staff of the SEC advises that it has no further comments on the Joint Proxy Statement or that Parent may commence mailing the Joint Proxy Statement and use good faith efforts to schedule the Parent Stockholders Meeting on the same day or as close in time as reasonably practicable to the Company Stockholders Meeting, for the purpose of seeking the Parent Requisite Approvals and, subject to Section 5.6, Parent shall use its reasonable best efforts to solicit such adoption and obtain the Parent Requisite Approvals. Parent (in consultation with the Company) shall set a single record date for persons entitled to notice of, and to vote at, the Parent Stockholders Meeting and shall not change such record date (whether in connection with the Parent Stockholders Meeting or any adjournment or postponement thereof) without the prior written consent of the Company (not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, Parent shall not adjourn or postpone the Parent Stockholders Meeting without the Company's prior written consent (acting through the Company Special Committee) other than (A) to the extent necessary to ensure that any supplement or amendment to the Joint Proxy Statement that the Parent Special Committee or the Parent Board (acting at the direction of the Parent Special Committee) has determined in good faith after consultation with outside legal counsel is necessary under Law is provided to the Parent Stockholders in advance of a vote to obtain the Parent Requisite Approvals, (B) if, as of the time for which the Parent Stockholders Meeting is originally scheduled, there are insufficient shares of Parent Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting, (C) if additional time is reasonably required to solicit proxies in favor of the adoption of this Agreement or approval of the Stock Issuance or (D) otherwise to comply with applicable Law; provided, that in the case of either clauses (A), (B), (C), or (D), the Parent Stockholders Meeting shall only be adjourned or postponed for a minimum time that Parent (acting at the direction of the Parent Special Committee) determines in good faith to be reasonable under the circumstances (it being understood that any such adjournment or postponement shall not affect Parent's obligation to hold the Parent Stockholders Meeting to obtain the Parent Requisite Approvals as aforesaid). Parent shall ensure that all proxies solicited in connection with the Parent Stockholders Meeting are solicited in compliance with applicable Law and the Parent Governance Instruments. Without limiting the generality of the foregoing, Parent's obligations pursuant to this Section 5.7(f) (including its obligation to hold the Parent Stockholders Meeting at which this Agreement shall be submitted to the Parent Stockholders to obtain the Parent Requisite Approvals as aforesaid) shall not be affected by the commencement, public proposal, public disclosure or communication to Parent of any Alternative Parent Transaction Proposal or by a Parent Adverse Recommendation Change. Prior to the date of the Parent Stockholders Meeting, Parent shall, upon the reasonable request of the Company, direct the proxy solicitor or other agent of Parent to advise the Company as to the aggregate tally of proxies received by Parent with respect to the Parent Requisite

Approvals at the same frequency as such information is provided to Parent. Without the prior written consent of the Company, the Parent Requisite Approvals shall be the only matters (other than matters of procedure and matters required by applicable Law to be voted on by the Parent Stockholders in connection therewith) that Parent shall propose to be voted on by Parent Stockholders at the Parent Stockholders Meeting. The Parent Board shall not take any action that would cause any approval by the Parent Stockholders other than the Parent Requisite Approvals to be necessary to adopt the Transaction Documents and to consummate the transactions contemplated hereby and thereby. Except to the extent expressly permitted by Section 5.6, (i) the Parent Board shall recommend that the Parent Stockholders vote in favor of the adoption of this Agreement and approve the Stock Issuance at the Parent Stockholders Meeting and (ii) the Joint Proxy Statement shall include a statement to the effect that the Parent Board recommends that the Parent Stockholders vote in favor of adoption of this Agreement and approval of the Stock Issuance at the Parent Stockholders Meeting.

Section 5.8 Information and Access.

(a) From the date of this Agreement until the Effective Time, upon reasonable notice and subject to applicable Law, the Company will, and will cause its Subsidiaries, and its and their officers, directors, employees, contractors, Representatives and Affiliates to, afford to the officers, employees, counsel, bankers, accountants and other authorized Representatives of Parent and the Parent Special Committee reasonable access during normal business hours and upon reasonable prior notice to all its properties, personnel, books and records for purposes of satisfying Parent's rights and obligations under this Agreement and furnish promptly to such Persons such information concerning its business, properties, personnel and affairs as such Persons will from time to time reasonably request for purposes of satisfying Parent's rights and obligations under this Agreement.

(b) From the date of this Agreement until the Effective Time, upon reasonable notice and subject to applicable Law, Parent will, and will cause its Subsidiaries, and its and their officers, directors, employees, contractors, Representatives and Affiliates to, afford to the officers, employees, counsel, bankers, accountants and other authorized Representatives of the Company and the Company Special Committee reasonable access during normal business hours and upon reasonable prior notice to all its properties, personnel, books and records for purposes of satisfying the Company's rights and obligations under this Agreement and furnish promptly to such Persons such information concerning its business, properties, personnel and affairs as such Persons will from time to time reasonably request for purposes of satisfying the Company's rights and obligations under this Agreement.

(c) No investigation or information provided pursuant to this Section 5.8 shall affect or otherwise obviate or diminish any representations or warranties of any Party or conditions to the obligations of any Party.

(d) Each of the Company and Parent will hold all information furnished by or behalf of the other Party or its Representatives pursuant to this Section 5.8 in confidence in accordance with the provisions of that certain Mutual Non-Disclosure Agreement, dated as of May 18, 2020 (the "Confidentiality Agreement"), by and between the Company and Parent.

(e) Nothing in this Section 5.8 or in any other part of this Agreement shall require the Company or Parent, as applicable, to permit any inspection of, or to disclose:

(i) any information concerning Alternative Company Transaction Proposals or Alternative Parent Transaction Proposals, which shall be governed by Section 5.3 and Section 5.4 (in the case of Alternative Company Transaction Proposals) and Section 5.5 and Section 5.6 (in the case of Alternative Parent Transaction Proposals);

(ii) any information regarding the deliberations of the Company Board, Company Special Committee, Parent Board or Parent Special Committee, as applicable, with respect to the transactions contemplated hereby or any similar transaction or transactions with any other Person, the entry into this Agreement, or any materials provided to the Company Board, Company Special Committee, Parent Board, or Parent Special Committee, as applicable, in connection therewith;

(iii) materials prepared by the Company Special Committee's or Parent Special Committee's, as applicable, financial or legal advisors; or

(iv) materials the disclosure of which (A) would jeopardize any attorney-client or other privilege or (B) would contravene any applicable Law, fiduciary duty or confidentiality obligation, provided that Parent and the Company shall use commercially reasonable efforts to take such actions as may be reasonably required to allow such disclosure to be provided to the other Party or its Representatives without waiving privilege or causing a violation of applicable Law, fiduciary duty or confidentiality obligation.

Section 5.9 Reasonable Best Efforts.

(a) Subject to the terms and conditions herein provided and Section 5.9 of the Company Disclosure Letter and the Parent Disclosure Letter, (i) each of Parent, Merger Sub, Merger LLC and the Company shall use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable Laws to consummate and make effective as promptly as reasonably practicable the transactions contemplated by or related to the Transaction Documents to which such Party is a party (including the satisfaction, but not waiver, of the closing conditions set forth in Article VI) and (ii) each of Parent, Merger Sub and Merger LLC shall use their reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable Laws to cooperate with the Company so that the Company may consummate and make effective as promptly as reasonably practicable any transaction(s) permitted by Part I of Section 5.1 of the Company Disclosure Letter in which the Company has elected to engage, including, but not limited to, cooperating in all respects with the Company in connection with any filing or submission with a Governmental Authority in connection with such transaction(s).

(b) In furtherance and not in limitation of the foregoing, each of Parent, Merger Sub, Merger LLC and the Company shall use their reasonable best efforts to obtain consents of all Governmental Authorities and Third Parties necessary to consummate the transactions contemplated by or related to the Transaction Documents. Each Party hereto shall make appropriate filings, if necessary, pursuant to the HSR Act (or any other Competition Law) with respect to the transactions contemplated by or related to the Transaction Documents as promptly as practicable after the date of this Agreement, and shall supply as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be requested pursuant to the HSR Act (or any other Competition Law). Each Party hereto shall make appropriate filings, if necessary, pursuant to the requirements of the FCC, RCA or any other State Commission, and any other Governmental Authority with respect to the transactions contemplated by or related to the Transaction Documents as promptly as practicable after the date of this Agreement, and shall supply as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be requested by the Governmental Authorities as it relates to the transactions contemplated by the Transaction Documents.

(c) Each of the Parties hereto shall use its reasonable best efforts to (i) cooperate in all respects with each other in connection with any filing or submission with a Governmental Authority in

connection with the transactions contemplated by the Transaction Documents and in connection with any investigation or other inquiry by or before a Governmental Authority relating to such transactions, including any proceeding initiated by a private party, and (ii) promptly notify the other Party of any written communication to that party from the Federal Trade Commission, the Antitrust Division of the Department of Justice, any State Attorney General, the FCC, the RCA or any other State Commission or any other Governmental Authority and permit the other Party to review in advance any proposed communication relating to the transactions contemplated by the Transaction Documents to any of the foregoing, (iii) consult with the other Party prior to participating in any substantive meeting, telephone call or discussion with any Governmental Authority in respect of any filings, investigation or inquiry concerning the Transaction Documents and provide the other Party the opportunity to attend and participate in any such meeting, telephone call or discussion, and (iv) furnish the other party with copies of all correspondence, filings, and written communications (or a reasonably detailed summary of any oral communications) between them and their respective Representatives on the one hand, and any Governmental Authority or members of their respective staffs on the other hand, with respect to Transaction Documents.

(d) In furtherance and not in limitation of the covenants of the parties contained in this Section 5.9, each of the parties hereto shall use its reasonable best efforts to resolve objections, if any, as may be asserted by a Governmental Authority or other Person with respect to the Combination. Without limiting any other provision of this Agreement, Parent and the Company shall each use their reasonable best efforts to (i) avoid the entry of, or to have vacated or terminated, any decree, order or judgment that would restrain, prevent or delay the consummation of the transactions contemplated by the Transaction Documents, the Voting Agreements and the Exchange Agreement, on or before the Drop Dead Date, and (ii) avoid or eliminate each and every impediment under any Law that may be asserted by any Governmental Authority with respect to the transactions contemplated by the Transaction Documents so as to enable the consummation of such transactions to occur as soon as reasonably possible (and in any event no later than the Drop Dead Date), in each case, as may be required in order to obtain any approvals from any Governmental Authority necessary to consummate the transactions contemplated by the Transaction Documents or to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order, or other order in any suit or proceeding, which would otherwise have the effect of preventing or materially delaying the consummation of such transactions; provided, however, that, notwithstanding anything to the contrary in the Transaction Documents, (I) in no event shall the Company, Parent or any of their Subsidiaries or Affiliates be obligated to propose or agree to accept any undertaking or condition, to enter into any consent decree, to make any divestiture or accept or take any operational restriction, requirement or action, that is not conditional on the consummation of the Merger, and (II) in no event shall Parent or any of its Subsidiaries or Affiliates be obligated to, and in no event may the Company or any of its Subsidiaries without the consent of Parent, proffer to, or agree or consent to, an Adverse Regulatory Condition.

Section 5.10 Section 16 Matters. Prior to the Effective Time, each of Parent and the Company shall take all such steps as may be required (to the extent permitted under applicable Law) to cause any acquisitions from or dispositions to Parent or the Company of shares of Parent Capital Stock or Company Capital Stock, as applicable, resulting from the transactions contemplated by the Transaction Documents and the Ancillary Agreements (including securities deliverable upon exercise, vesting or settlement of any Company Equity Awards or Parent Equity Awards or other derivative securities) by each Person who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent or the Company, respectively, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 5.11 Tax Matters.

(a) Parent, the Company, Merger LLC and Merger Sub intend that, for U.S. federal income tax purposes, the Combination shall be treated as a single integrated transaction and shall qualify as a “reorganization” within the meaning of Section 368(a) of the Code. Subject to Section 5.11 of the Company Disclosure Letter and the Parent Disclosure Letter, each of Parent, the Company, Merger LLC and Merger Sub (i) shall, and shall cause its respective Subsidiaries to, use its reasonable best efforts to cause the Combination to so qualify, (ii) shall file all Tax Returns in a manner consistent with, and take no position inconsistent with (whether in audits, Tax Returns or otherwise) such treatment, (iii) shall use its reasonable best efforts to take or cause to be taken any action within its control reasonably necessary to ensure the receipt of the Tax Opinions and (iv) will cooperate with the tax counsel that are to render the Tax Opinions by providing appropriate representations as to factual matters on the Closing Date and the date of any Reorganization Tax Opinion delivered in connection with the Registration Statement, as applicable, including in the case of the Company, the Company Tax Opinion Representations, and in the case of Parent, the Parent Tax Opinion Representations.

(b) Parent, the Company, Merger LLC and Merger Sub hereby adopt this Agreement as well as any other agreements entered into pursuant to this Agreement as a “plan of reorganization” within the meaning of Sections 1.368-2(g) and 1.368-3(a) of the Treasury Regulations.

(c) Subject to Section 5.11 of the Company Disclosure Letter and the Parent Disclosure Letter, none of Parent, the Company, Merger LLC or Merger Sub shall, nor shall it permit its Affiliates to, take any action, and each of Parent, the Company, Merger LLC and Merger Sub shall not, and shall ensure that its Affiliates do not, fail to take any action (provided that such action is otherwise permitted to be taken under this Agreement and the Transaction Documents and the Ancillary Agreements to which such Party is a party), which action or failure to act would prevent, preclude or impede the Combination from qualifying (or reasonably would be expected to cause the Combination to fail to qualify) as a “reorganization” within the meaning of Section 368(a) of the Code.

(d) None of Parent, the Company, Merger LLC or Merger Sub shall, nor shall it permit its Affiliates to, take any action, and each of Parent, the Company, Merger LLC and Merger Sub shall not, and shall ensure that its Affiliates do not, fail to take any action (provided that such action is otherwise permitted to be taken under this Agreement and the Transaction Documents and the Ancillary Agreements to which such Party is a party), which action or failure to act would cause (or reasonably would be expected to cause) (i) the Split-Off to fail to qualify in whole to Qurate, the Company (and the Company Predecessor), their respective Subsidiaries and the former holders of Liberty Ventures Common Stock for non-recognition of income, gain and loss under Sections 355 and 361 of the Code or (ii) the Company or any of its Subsidiaries to have an indemnification obligation in respect of any Transaction Taxes or Transaction Tax-Related Losses under the Tax Sharing Agreement (it being agreed and understood that the entry into any Transaction Document and the consummation of the Combination and the transactions contemplated by the Transaction Documents and the Ancillary Agreements shall not constitute actions that violate this Section 5.11(d)).

(e) Immediately prior to the Closing, the Company shall execute and deliver (i) the Company Closing Split-Off Tax Opinion Representation Letter to Split-Off Tax Counsel and (ii) subject to Section 5.11 of the Company Disclosure Letter, the Company Reorganization Tax Opinion Representation Letter to Parent Tax Counsel and Company Reorganization Tax Counsel. Immediately prior to the Closing, the Company shall provide Parent with a true copy of the Split-Off Closing Tax Opinion and each of the Closing Split-Off Tax Opinion Representation Letters (other than the Parent Closing Split-Off Tax Opinion Representation Letter).

(f) Immediately prior to the Closing, Parent shall execute and deliver (i) the Parent Closing Split-Off Tax Opinion Representation Letter to Split-Off Tax Counsel and (ii) subject to Section 5.11 of the Parent Disclosure Letter, the Parent Reorganization Tax Opinion Representation Letter to Parent Tax Counsel and Company Reorganization Tax Counsel.

Section 5.12 Public Announcements. The Company and Parent shall consult with each other before issuing, and will provide each other the opportunity to review and reasonably comment upon, and use reasonable best efforts to agree on, any press release or other public statements with respect to the Transaction Documents and the Ancillary Agreements and the transactions contemplated hereby and thereby, and shall not issue any such press release or make any such public statement without the prior written consent of the other Party (which shall not be unreasonably withheld, delayed or conditioned), except as either Party, after consultation with outside counsel, may determine is required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or stock market if it has used reasonable best efforts to consult with the other Party prior thereto regarding the timing, scope and content of any such press release or public statement; provided, however, that no such consultation shall be required to make any disclosure or otherwise take any action expressly permitted by Section 5.3, Section 5.4, Section 5.5 or Section 5.6 (or for the other Party to respond to any such disclosure or action). In addition, except (i) to the extent disclosed in or consistent with the Registration Statement or Joint Proxy Statement in accordance with the provisions of Section 5.7, (ii) to the extent necessary to comply with such Party's periodic reporting obligations under the Exchange Act, (iii) for any consent given in accordance with this Section 5.12 or (iv) as expressly permitted by Section 5.3, Section 5.4, Section 5.5 or Section 5.6 (or for the other Party to respond to any such disclosure or action), neither Party shall issue any press release or otherwise make any public statement or disclosure concerning the other Party or the other Party's business, financial condition or results of operations without the consent of such other Party, which consent shall not be unreasonably withheld, delayed or conditioned. The parties agree that the initial press release to be issued with respect to the transactions contemplated hereby shall be in the form agreed to by the parties. Notwithstanding the foregoing, after the issuance of any press release or the making of any public statement with respect to which the consultation procedures set forth in this Section 5.12 have been followed, either Party may issue such additional publications or press releases and make such other customary announcements without consulting with any other Party hereto so long as such additional publications, press releases and announcements do not disclose any non-public information regarding the transactions contemplated by the Transaction Documents and the Ancillary Agreements beyond the scope of, and are reasonably consistent in tone and tenor with, the disclosure included in the press release or public statement with respect to which the other Party had been consulted.

Section 5.13 Expenses. Whether or not the Combination is consummated, all costs and expenses incurred or to be incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the Party (or, in the case of Merger Sub and Merger LLC, by Parent) incurring such cost or expense.

Section 5.14 Indemnification and Insurance.

(a) For a period of six (6) years after the Effective Time (and until such later date as of which any Action against any Indemnified Party commenced during such six (6)-year period shall have been finally disposed of) (such six (6) year anniversary of the Effective Time or, if applicable, such later date, the "Extended Date"), Parent shall, and shall cause the Surviving Corporation and its Subsidiaries, and from and after the Upstream Merger, the Surviving Company and its Subsidiaries, to honor and fulfill in all respects the obligations (including both indemnification and advancement of expenses) of the Company and its Subsidiaries under their respective certificates of incorporation or bylaws (or any similar organizational documents) and under any indemnification agreements, in each

case, in effect on the date of this Agreement, for the benefit of (x) any of the Company's or its Subsidiaries' current or former directors and officers and any Person who becomes a director or officer of the Company or any of its Subsidiaries prior to the Effective Time or (y) any person serving or who prior to the Effective Time has served on the board of directors of another Person at the request of the Company or its Subsidiaries, in the case of each of clauses (x) and (y), in each such individual's capacity as described in such clause (collectively, the "Indemnified Parties"). In addition, for the period following the Effective Time and until the Extended Date, Parent shall cause the certificates of incorporation, certificates of formation and bylaws and operating agreements, as applicable (and other similar organizational documents) of the Surviving Corporation, the Surviving Company and their respective Subsidiaries to contain provisions with respect to indemnification, advancement of expenses and exculpation in favor of the Indemnified Parties (in their capacities as such) for events and Actions to the extent relating to periods at or prior to the Effective Time that are no less advantageous to the Indemnified Parties (in their capacities as such) than the corresponding provisions in the certificate of incorporation and bylaws (or other similar organizational documents) of the Company or its applicable Subsidiary, as the case may be, each as in effect on the date of this Agreement, and during period, such provisions shall not be amended, repealed or otherwise modified in any respect, except as required by Law.

(b) Insurance. Prior to or at the Effective Time, the Company shall obtain and fully pay, or if the Company is unable, Parent shall as of the Effective Time cause to be obtained and fully paid, a tail policy ("D&O Tail") for the directors' and officers' liability coverage of the Company's existing directors' and officers' insurance policies and the Company's existing fiduciary liability insurance policies (collectively, "D&O Insurance"), which D&O Tail shall (i) cover each individual covered by the D&O Insurance immediately prior to the Effective Time (in each case in his or her applicable covered capacity), (ii) be for a claims reporting or discovery period of at least six (6) years from and after the Effective Time with respect to any acts or omissions prior to, or any claim related to any period of time at or prior to, the Effective Time, (iii) be from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance and (iv) have terms, conditions, retentions and limits of liability that are no less favorable to the intended beneficiaries than the coverage provided under the Company's existing D&O Insurance, including with respect to any actual or alleged error, misstatement, misleading statement, act, omission, neglect, breach of duty or any matter claimed against an Indemnified Party by reason of his or her having served in such capacity that existed or occurred at or prior to the Effective Time (including in connection with this Agreement or the transactions or actions contemplated hereby); provided, that the cost of such D&O Tail shall in no event exceed three hundred percent (300%) of the amount of the last annual premium paid by the Company for the D&O Insurance; and provided, further, that if the aggregate cost of D&O Tail exceeds such amount, the obligation shall be to obtain a D&O Tail with the greatest coverage available, from an insurance carrier with the same or better credit rating as the Company's current insurance carrier, with respect to matters occurring prior to the Effective Time, for a cost not exceeding such amount.

(c) Successors. If Parent, the Surviving Corporation, the Surviving Company or any of their respective successors or assigns shall (i) consolidate with, or merge with or into, any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties or assets to any Person (including, for the avoidance of doubt, by cancelling or otherwise eliminating all or substantially all of its properties or assets), then, in each case, Parent, the Surviving Corporation, the Surviving Company or any of their respective successors or assigns shall take such action as may be necessary so that such Person (and its successors and assigns) shall assume all of the applicable obligations set forth in this Section 5.14.

(d) Enforceability. Each of the covered individuals described in Section 5.14(b)(i) and each Indemnified Party (in each case, in his or her capacity as such) is intended, from and after the Effective Time, to be a third-party beneficiary of the applicable provisions of this Section 5.14 with full rights of enforcement as if a party hereto. From and after the Effective Time, this Section 5.14 will be irrevocable, and no term of this Section 5.14 may be amended, waived or modified, without the prior written consent of each affected Indemnified Party. From and after the Effective Time, any amendment, waiver or modification of this Section 5.14 without such consent shall be null and void. The rights of the Indemnified Parties (and covered individuals described in Section 5.14(b)(i)) (in each case, in his or her capacity as such) under this Section 5.14 shall be in addition to, and not in substitution for, any other rights that such Persons may have under the certificate or articles of incorporation, bylaws or other equivalent organizational documents, any and all indemnification agreements of or entered into by any corporation or entity whatsoever, or applicable Law (whether at law or in equity).

Section 5.15 Notification of Certain Matters. The Company shall give prompt notice to Parent and Parent shall give prompt notice to the Company, as the case may be, of (i) the occurrence or non-occurrence of any event of which is likely to cause any representation or warranty of the Company or Parent, as the case may be, to be untrue or inaccurate at the Closing Date such that the conditions to Closing set forth in Article VI would fail to be satisfied and (ii) any failure by the Company or Parent, as the case may be, to materially comply with or materially satisfy any covenant or other agreement to be complied with by such Party hereunder such that the conditions to Closing set forth in Article VI would fail to be satisfied; provided, however, that the delivery of any notice pursuant to this Section 5.15 shall not limit or otherwise affect any remedies available to Parent or the Company, as the case may be; provided further, that a Party's good faith failure to comply with this Section 5.15 shall not provide any other Party the right not to effect the transactions contemplated by this Agreement, except to the extent that any other provision of this Agreement independently provides such right.

Section 5.16 Defense of Litigation.

(a) The Company shall promptly (and in any event, within two (2) Business Days) advise Parent, and Parent shall promptly (and in any event, within two (2) Business Days) advise the Company, of any Action commenced or, to such Party's Knowledge, threatened to be commenced, after the date of this Agreement, against such Party or any of its directors or officers by any stockholder relating to this Agreement and the transactions contemplated hereby, and shall keep Parent or the Company, as applicable, reasonably informed regarding any such litigation.

(b) The Company shall give Parent the opportunity to consult with the Company regarding, and, if appropriate, subject to a customary joint defense agreement, participate in, the defense or settlement of any such Action at Parent's own expense and shall consider Parent's views with respect to such Action, and shall not settle, compromise or enter into any agreement or arrangement, or consent to the entry of, or fail to defend against entry of, any order or judgment, with respect to any such Action without the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed); provided, that such prior written consent of Parent shall not be required for, and the Company may enter into, any settlement, compromise, agreement, arrangement, order or judgment of such Action so long as such settlement, compromise, agreement, arrangement, order or judgment does not include an admission of liability or wrongdoing on the part of Parent or any of its current or former directors or officers (to the extent such individuals are a party to such Action).

(c) Parent shall give the Company the opportunity to consult with Parent regarding and, prior to the Effective Time and, if appropriate, subject to a customary joint defense agreement,

participate in, the defense or settlement of any such Action at the Company's own expense and shall consider the Company's views with respect to such Action, and prior to the Effective Time, shall not settle, compromise or enter into any agreement or arrangement, or consent to the entry of, or fail to defend against entry of, any order or judgment, with respect to any such Action without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed); provided, that such prior written consent of the Company shall not be required for, and Parent may enter into, any settlement, compromise, agreement, arrangement, order or judgment of such Action so long as such settlement, compromise, agreement, arrangement, order or judgment does not include an admission of liability or wrongdoing on the part of the Company or any of its current or former directors or officers (to the extent such individuals are a party to such Action).

(d) Each Party shall use its reasonable best efforts to cause its Representatives to cooperate with the other Party in the defense against any such Action relating to this Agreement and the transactions contemplated hereby.

Section 5.17 State Takeover Laws. The Company and Parent shall (a) take all reasonable action necessary to ensure that no restriction in any "fair price," "business combination," "control share acquisition" or other state takeover statute or similar Law is or becomes applicable to this Agreement or any of the transactions contemplated by the Transaction Documents and (b) if the restrictions of any "fair price," "business combination," "control share acquisition" or other state takeover statute or similar Law becomes applicable to this Agreement or any of the transactions contemplated by the Transaction Documents, take all reasonable action necessary to ensure that such transactions may be consummated as promptly as practicable on the terms required by, or provided for, in this Agreement or the other Transaction Documents and otherwise to minimize the effect of such Law on the transactions contemplated by the Transaction Documents.

Section 5.18 Stock Exchange Delisting. Prior to the Closing Date, the Company and Parent shall cooperate and use their respective reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary on their part under applicable Law and the rules and policies of NASDAQ to enable the delisting of the shares of the Company Series A Common Stock and Company Preferred Stock from NASDAQ, the removal of the Company Series B Common Stock from the OTC Markets and the deregistration of the shares of Company Capital Stock under the Exchange Act as promptly as practicable after the Effective Time.

At or prior to the Effective Time, Parent shall reserve (free from preemptive rights) out of its authorized but unissued shares of Parent Capital Stock (i) for the purposes of effecting the conversion of the issued and outstanding shares of Company Capital Stock pursuant to Article II, sufficient shares of Parent Series C Common Stock, Parent Series B Common Stock and Parent Preferred Stock to provide for such conversion and (ii) for the purposes of satisfying the exercise, vesting or settlement of any Company Equity Awards as the same may be adjusted pursuant to Section 2.8, sufficient Parent Series C Common Stock, Parent Series B Common Stock and Parent Preferred Stock to provide for such exercise, vesting or settlement.

Merger LLC has taken all action as is necessary or advisable to authorize the Upstream Merger in accordance with Merger LLC's governing documents and Section 267 of the DGCL and Section 18-209(i) of the DLLCA, and such authorization is and shall be the only authorization necessary to authorize the Upstream Merger.

Section 5.22 Financing Matters.

(a) At the request of Parent, the Company shall (or shall cause its applicable Subsidiary to) (i) (A) deliver notices of prepayment (which may be delivered at Parent's request in advance of the Closing Date so long as they are contingent upon the occurrence of the Closing) in respect of any Indebtedness of the Company or any of its Subsidiaries specified by Parent (including, without limitation, the Company Margin Facility) within the time periods reasonably requested by Parent and take such other actions reasonably requested by Parent to facilitate the prepayment of amounts outstanding in respect of such Indebtedness on or following the Closing Date (it being understood and agreed that any prepayment shall be contingent upon the occurrence of the Closing and, notwithstanding anything in this Section 5.22 to the contrary, no actions shall be required which would obligate the Company or its Subsidiaries to complete such prepayment prior to the occurrence of the Closing) and (B) use commercially reasonable efforts to arrange for customary payoff letters, terminations of commitments, lien terminations, releases and instruments and acknowledgements of discharge, in each case in respect of such Indebtedness to be delivered to Parent on or prior to the Closing Date (it being understood and agreed that commercially reasonable efforts will be used to deliver drafts of such documents to Parent no later than five (5) Business Days prior to the Closing Date) and (ii) use commercially reasonable efforts to take any reasonable actions as may be required in connection with the Combination to facilitate the continuation of amounts outstanding in respect of any such Indebtedness specified by Parent following the Closing, including, without limitation, the preparation of, and the execution and delivery of, supplemental indentures, officers' certificates, notices and legal opinions.

(c) The Parent shall, and shall cause each of its Subsidiaries to, take the actions on Section 5.22(c) of the Parent Disclosure Letter. At the request of Parent, the Company shall, and shall cause each of its Subsidiaries to, cooperate with Parent to undertake the actions on Section 5.22(c) of the Parent Disclosure Letter.

Section 5.23 Employee Benefits.

(a) For the period commencing at the Effective Time and ending on December 31 of the year in which the Effective Time occurs, Parent shall provide (or cause to be provided) to each Company Employee who is employed immediately prior to the Effective Time (each, a "Continuing Employee") (i) an annual rate of salary or wages that is no less favorable than the annual rate of salary or wages provided to such Continuing Employee as of immediately prior to the Effective Time, and (ii) incentive compensation opportunities (including commissions) and employee benefits that are substantially comparable in the aggregate to the incentive compensation opportunities (including

commissions) and employee benefits provided to such Continuing Employee during applicable periods prior to the Effective Time.

(b) With respect to any health or welfare plan maintained by Parent or its Affiliates in which any Continuing Employee commences to participate at or after the Effective Time, Parent shall use its commercially reasonable efforts, and shall use its commercially reasonable efforts to cause its Affiliates (including the Surviving Corporation or Surviving Company, as applicable) and their respective Third Party insurance providers to, (i) waive preexisting conditions, limitations, exclusions, actively-at-work requirements and waiting periods with respect to participation by and coverage of such Continuing Employee (and his or her eligible dependents) to the extent such requirements were waived or satisfied under the comparable Company Plans in respect of the applicable period and (ii) for any group health plan, recognize the dollar amount of all co-payments, deductibles and similar expenses incurred by such Continuing Employee (and his or her eligible dependents) in respect of the applicable period for purposes of satisfying such period's deductible and co-payment limitations. In addition, as of the Effective Time, Parent shall, and shall cause its Affiliates (including the Surviving Corporation or Surviving Company, as applicable) to, provide each Continuing Employee full credit for purposes of eligibility, vesting, accruals and determination of level of benefits under any employee benefit or compensation plan or arrangement maintained by Parent or any of its Affiliates (including the Surviving Corporation or Surviving Company, as applicable) that such Continuing Employee may be eligible to participate in after the Effective Time for such Continuing Employee's service with the Company or any of its Affiliates, to the same extent that such service was credited for purposes of any comparable Company Plan immediately prior to the Effective Time. Notwithstanding the foregoing, nothing in this Section 5.23(b) shall be construed to require crediting of service that would result in (A) duplication of benefits, (B) service credit for benefit accruals under a defined benefit pension plan, or (C) service credit under a newly established plan for which prior service is not taken into account for employees of Parent generally.

(c) Without limiting the generality of Section 8.3, the provisions of this Section 5.23 are solely for the benefit of the Parties to this Agreement, and no current or former Company Employee or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Section 5.23. No provision of this Section 5.23 shall be construed as a limitation on the right of Parent to amend or terminate any specific employee benefit plan that Parent would otherwise have under the terms of such employee benefit plan, nor shall any provision of this Section 5.23 be construed to require the continuation of the employment of any Continuing Employee. Nothing herein shall be deemed to establish, amend or modify any Company Plan, Parent Plan or other benefit plan, program, agreement or arrangement maintained or sponsored by Parent, Merger Sub, Merger LLC, the Company and any of their respective Affiliates.

Section 5.24 Supplemental Disclosure. From the date of this Agreement until the Effective Time, the Company shall, from time to time, supplement or amend the information contained in the Company Disclosure Letter delivered to Parent to the extent required in connection with transactions consummated without violation of Section 5.1(e) or actions otherwise permitted by Part I of Section 5.1 of the Company Disclosure Letter.

Section 5.25 Exchange Agreement. Parent shall not amend, waive or modify the Exchange Agreement prior to the Effective Time without the prior written consent of the Company Special Committee.

ARTICLE VI

The respective obligations of each Party to effect the Merger shall be subject to the satisfaction, or, to the extent permitted by Law, waiver in writing by each of Parent and the Company (acting at the direction of the Parent Special Committee and the Company Special Committee, respectively) (provided, that the conditions set forth in clauses (b) and (d) shall not be waivable), at or prior to the Closing, of the following conditions:

- (a) Company Stockholder Approval. The Company Stockholder Approval shall have been obtained.
- (b) Company Disinterested Stockholder Approval. The Company Disinterested Stockholder Approval shall have been obtained.

The Company shall have received the opinion of Skadden (or other nationally recognized counsel reasonably acceptable to the Company and Parent) (“Split-Off Tax Counsel”), addressed to the Company and dated as of the Closing Date, in form and substance reasonably satisfactory to the Company and Parent (it being agreed and understood that an opinion substantially in the form attached hereto as Exhibit J (except for the replacement of bracketed text with accurate dates and names) would be reasonably satisfactory, in all respects, to the Company and Parent), to the effect that, based upon the Closing Split-Off Tax Opinion Representations and any other facts, representations and assumptions set forth or referred to in such opinion, and subject to such qualifications and limitations as may be set forth in such opinion, for U.S. federal income tax purposes, assuming that the Split-Off otherwise qualified as a tax-free distribution under Sections 355 and 361 of the Code to Qurate and the holders of Liberty Ventures Common Stock that received Company Predecessor common stock in the Split-Off, the transactions contemplated by this Agreement will not cause the Split-Off to fail to qualify as a tax-free distribution under Sections 355 and 361 of the Code to Qurate and the holders of Liberty Ventures Common Stock that received Company Predecessor common stock in the Split-Off.

Section 6.2 Conditions Precedent to the Obligations of Parent, Merger Sub and Merger LLC. (ii) The other representations and warranties of the Company contained in this Agreement shall be true and correct in all respects (disregarding all materiality and “Company Material Adverse Effect” qualifiers contained therein) as of the date of this Agreement and as of the Closing Date as though made on and as of such date (except to the extent such representations and warranties speak as of an earlier date, in which case, such representations and warranties shall be true and correct in all respects as of such earlier date), except where all failures of such representations and warranties referred to in this clause (ii) to be true and correct have not had, and would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(b) Performance of Obligations of the Company. The Company shall have performed, in all material respects, its covenants and agreements required to be performed by it under this Agreement at or prior to the Closing Date.

(c) No Company Material Adverse Effect. Since the date of this Agreement, there shall not have been a Company Material Adverse Effect.

(e) Reorganization Tax Opinion. Parent shall have received the opinion of Debevoise (or other nationally recognized counsel reasonably acceptable to Parent) ("Parent Tax Counsel"), addressed to Parent and dated as of the Closing Date, in form and substance reasonably satisfactory to Parent, to the effect that, based upon the Reorganization Tax Opinion Representations and any other facts, representations and assumptions set forth or referred to in such opinion, and subject to such qualifications and limitations as may be set forth in such opinion, for U.S. federal income tax purposes, the Combination will qualify as a "reorganization" within the meaning of Section 368(a) of the Code. The condition set forth in this Section 6.2(e) shall not be waivable after the effective date of the Registration Statement.

(f) No Adverse Regulatory Condition. The Final Orders described in Section 6.1(f) and 6.1(g) shall have been obtained and shall not require the imposition of any Adverse Regulatory Condition which Parent reasonably determines not to waive or accept.

Section 6.3 Conditions Precedent to the Obligations of the Company. The obligation of the Company to effect the Merger shall be subject to the satisfaction, or, to the extent permitted by Law, waiver in writing by the Company (acting at the direction of the Company Special Committee), at or prior to the Closing of the following conditions:

(a) Representations and Warranties.

(i) The representations and warranties of Parent, Merger Sub and Merger LLC contained in Sections 4.1 (Organization; Standing and Power), 4.2 (Capitalization), 4.3(a) (Subsidiaries), 4.4 (Authorization), 4.8(a) (Absence of Certain Changes), 4.13 (Brokers and Other Advisors) and 4.17 (Ownership of Company Common Stock) and 4.19 (Anti-takeover Statutes) shall be true and correct in all respects (other than in the case of the representations and warranties in the first sentence of clause (b) and clause (d) of Section 4.2, each of which shall be true and correct other than de minimis inaccuracies) as of the date of this Agreement and as of the Closing Date as though made on and as of such date (except to the extent that any such representation and warranty expressly speaks as of an earlier date, in which case, such representation and warranty shall be true and correct in all respects as of such earlier date).

(ii) The other representations and warranties of Parent, Merger Sub and Merger LLC contained in this Agreement shall be true and correct in all respects (disregarding all materiality and "Parent Material Adverse Effect" qualifiers contained therein) as of the date of this Agreement and as of the Closing Date as though made on and as of such date (except to the extent such representations and warranties speak as of an earlier date, in which case, such representations and warranties shall be true and correct in all respects as of such earlier date), except where all failures of such representations and warranties referred to in this clause (ii) to be true and correct have not had, and would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect.

(b) Performance of Obligations of Parent, Merger Sub and Merger LLC. Each of Parent, Merger Sub and Merger LLC shall have performed, in all material respects, its covenants and agreements required to be performed by it under this Agreement at or prior to the Closing Date.

(c) No Parent Material Adverse Effect. Since the date of this Agreement, there shall not have been a Parent Material Adverse Effect.

(d) Officer's Certificate. The Company shall have received a certificate of an executive officer of Parent as to the satisfaction of the conditions set forth in Sections 6.3(a), 6.3(b) and 6.3(c).

The condition set forth in this Section 6.3(e) shall not be waivable after the effective date of the Registration Statement.

ARTICLE VII

TERMINATION

Section 7.1 Termination. This Agreement may be terminated, and the transactions contemplated hereby may be abandoned at any time prior to the Effective Time (and except as set forth below notwithstanding adoption of this Agreement by the stockholders of the Company or by Merger LLC as the sole stockholder of Merger Sub), as authorized by the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) or the Parent Special Committee or the Parent Board (acting at the recommendation of the Parent Special Committee), as applicable, as follows:

(a) by mutual written consent of each of Parent and the Company;

(b) by either the Company or Parent if:

(i) the Merger has not been consummated on or before the first anniversary of the date of this Agreement or such other date and time mutually agreed in writing between Parent and the Company (as extended for any permitted extensions, the "Drop Dead Date"); provided, that the Drop Dead Date may be extended for any or all of the following:

(1) for a period of up to three (3) months by either Parent (acting at the direction of the Parent Special Committee) or the Company (acting at the direction of the Company Special Committee), by written notice to the Company (in the case notice is delivered by Parent) or Parent (in the case notice is delivered by the Company), if the Merger shall not have been consummated as of the first anniversary of the date of this Agreement as a result of any of the conditions set forth in Section 6.1(e), Section 6.1(f), Section 6.1(g), Section 6.1(h), Section 6.1(i) or Section 6.1(j) not being satisfied but where each of the other conditions set forth in Article VI has been satisfied or waived (or would be satisfied if the Merger were to occur on such date); provided, further, that to the extent one or more Government Shutdowns affect the ability of the Parties to satisfy any of the conditions set forth in Sections 6.1(e), Section 6.1(f), Section 6.1(g), Section 6.1(h), Section 6.1(i) or Section 6.1(j) prior to the Drop Dead Date including any extension thereto (including due to a delay in the ability to make any applicable filings or in the review thereof by

any Governmental Authority or NASDAQ), for each calendar day (without duplication) such Government Shutdowns had been in effect and had such effect, the Drop Dead Date shall be extended by one calendar day, but in no event shall the Drop Dead Date be so extended beyond the second anniversary of the date of this Agreement;

(2) for an initial period of up to fifteen (15) days, which either Parent (acting at the direction of the Parent Special Committee) or the Company (acting at the direction of the Company Special Committee), by written notice to the Company (in the case notice is delivered by Parent) or Parent (in the case notice is delivered by the Company), shall have the right to extend two times by up to an additional fifteen (15) days each time, if the Merger shall not have been consummated as of the first anniversary of the date of this Agreement as a result of any of the conditions set forth in Section 6.2(e) or Section 6.3(e) not being satisfied, but where each of the other conditions set forth in Article VI has been satisfied or waived (or would be satisfied if the Merger were to occur on such date); or

(3) for an initial period of up to three (3) months, which may be extended by up to an additional three (3) months, by either Parent (acting at the direction of the Parent Special Committee) or the Company (acting at the direction of the Company Special Committee), by written notice to the Company (in the case notice is delivered by Parent) or Parent (in the case notice is delivered by the Company), to permit the Company to consummate prior to or at the Closing, an acquisition, divestiture, strategic business transaction or similar transaction permitted by Part I of Section 5.1 of the Company Disclosure Letter that is pending at the time of such extension if and to the extent the consummation is reasonably required by Section 5.9(a) to satisfy the conditions set forth in Article VI;

provided, however, that, in each case, the right to terminate this Agreement pursuant to this Section 7.1(b)(i) shall not be available to the Party seeking to terminate this Agreement if such Party's (in the case of Parent, including Merger Sub or Merger LLC) failure to comply in all material respects with this Agreement has been a primary cause of the failure of the Effective Time to occur on or before the Drop Dead Date;

(ii) any Governmental Authority shall have issued or granted an Order or taken any other action permanently restraining, enjoining or otherwise prohibiting the Merger, the Upstream Merger or the other transactions contemplated by the Transaction Documents and such Order or other action is, or shall have become, final and non-appealable; provided, that the right to terminate this Agreement under this Section 7.1(b)(ii) shall not be available to a Party if such Party's (in the case of Parent, including Merger Sub or Merger LLC) failure to comply in all material respects with its obligations under Section 5.9 has been a primary cause of the issuance of such Order or other action;

(iii) the Company Requisite Approvals shall not have been obtained at the Company Stockholders Meeting, or at any adjournment or postponement thereof, at which a vote on the adoption of this Agreement was taken (the date on which such vote was taken, the "Company Vote Date"); or

(ii) if (A) a breach of any representation or warranty or (B) a failure to perform any covenant or agreement, in either case, on the part of the Company set forth in this Agreement shall have occurred such that any condition set forth in Section 6.2(a) or Section 6.2(b) would not reasonably be capable of being satisfied and such breach or failure is incapable of being cured by the Drop Dead Date, or, if curable, shall not have been cured by the earlier of the Drop Dead Date or the forty-fifth (45th) day after written notice thereof from Parent shall have been received by the Company; provided that the right to terminate this Agreement under this Section 7.1(d)(ii) shall not be available to Parent if Parent, Merger Sub or Merger LLC has failed to comply in all material respects with any of its obligations under this Agreement.

Section 7.3 Payments.

(a) In the event that prior to the Company Vote Date, Parent terminates this Agreement pursuant to Section 7.1(d)(i), then the Company shall pay Parent a one-time fee equal to \$240,000,000 (the "Company Termination Fee") by wire transfer of immediately available funds to an account designated by Parent within two (2) Business Days of the later of the date of such termination and the date Parent identifies the account to which the Company Termination Fee shall be paid.

Section 8.3 Entire Agreement; No Third-Party Beneficiaries. This Agreement, the documents and the instruments referred to herein, the other Transaction Documents, the Ancillary Agreements and the Confidentiality Agreement constitute the entire agreement, and supersede all prior

agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof and neither Party is relying on any other oral or written representation, agreement or understanding and no Party makes any express or implied representation or warranty in connection with the transactions contemplated by this Agreement, in each case other than as set forth in this Agreement. This Agreement is not intended to and shall not confer upon any Person other than the Parties any rights or remedies except as provided in Section 5.14; provided, that the Debt Financing Sources are express third-party beneficiaries of the Debt Financing Source Provisions and are entitled to enforce such Debt Financing Source Provisions.

Section 8.4 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the Parties hereto without the prior written consent of the other Parties.

Section 8.5 Amendment and Supplements. This Agreement may be amended or supplemented at any time by additional written agreements signed by the Parties (following, in the case of Parent, the approval of the Parent Special Committee and, in the case of Company, the approval of the Company Special Committee) to be necessary, desirable or expedient to further the purpose of this Agreement or to clarify the intention of the Parties, whether before or after adoption of this Agreement by the Company Stockholders, the Parent Stockholders or Merger LLC as sole stockholder of Merger Sub; provided, however, that, after the Company Requisite Approvals, the Parent Requisite Approvals or the adoption of this Agreement by the sole stockholder of Merger Sub has been obtained, no amendment shall be made that pursuant to applicable Law requires further approval or adoption by the Company Stockholders, the Parent Stockholders or the sole stockholder of Merger Sub under applicable Law without such requisite approval or adoption. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated as an amendment hereto, signed on behalf of each of the Parties in interest at the time of the amendment and, with respect to Section 5.14, any other Person whose consent is required to effect such amendment. Notwithstanding anything to the contrary contained herein, the Debt Financing Source Provisions (and any provision of this Agreement to the extent an amendment or supplement of such provision would modify the substance of any Debt Financing Source Provisions) may not be amended, supplemented, waived or otherwise modified in a manner that is materially adverse to any Debt Financing Source without the prior written consent of the Debt Financing Sources that are materially adversely affected thereby.

Section 8.6 Headings. The headings and table of contents contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 8.7 Waiver. No provision of this Agreement may be waived except by a written instrument signed by the Party against whom the waiver is to be effective (including, in the case of Parent, upon the approval of the Parent Special Committee, and, in the case of Company, upon approval of the Company Special Committee). Any agreement on the part of a Party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by a duly authorized officer on behalf of such Party (including, in the case of Parent, upon the approval of the Parent Special Committee, and, in the case of Company, upon approval of the Company Special Committee). No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein shall be cumulative and not exclusive of any rights or remedies provided by Law. For the avoidance of doubt, the conditions to Closing set forth in Section 6.1(b) and Section 6.1(d) may not be waived.

Section 8.8 No Additional Representations.

(a) Except for the representations and warranties expressly made by the Company in Article III and in any certificate, document or agreement to be delivered by the Company pursuant to this Agreement, neither the Company nor any other Person makes, and Parent disclaims any reliance upon, any express or implied representation or warranty whatsoever or with respect to any information provided or made available in connection with the transactions contemplated by this Agreement with respect to the Company and its Subsidiaries and their respective assets, Liabilities and businesses, including any information, documentation, forecasts, budgets, projections or estimates provided by the Company or any of its Representatives, including the Company Special Committee and its advisors, including in any “data rooms” or management presentations or the accuracy or completeness of any of the foregoing.

(b) Except for the representations and warranties expressly made by Parent, Merger Sub and Merger LLC in Article IV and in any certificate, document or agreement to be delivered by Parent, Merger Sub or Merger LLC pursuant to this Agreement, neither Parent, Merger Sub, Merger LLC nor any other Person makes, and the Company disclaims any reliance upon, any express or implied representation or warranty whatsoever or with respect to any information provided or made available in connection with the transactions contemplated by this Agreement with respect to Parent, Merger Sub and Merger LLC or their respective assets, Liabilities or businesses, including any information, documentation, forecasts, budgets, projections or estimates provided by Parent, Merger Sub, Merger LLC or any of their respective Representatives, including the Parent Special Committee and its advisors, including in any “data rooms” or management presentations or the accuracy or completeness of any of the foregoing.

Section 8.9 Counterparts. This Agreement may be executed in one (1) or more counterparts, all of which shall be considered one (1) and the same agreement and shall become effective when one (1) or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. The exchange of copies of this Agreement and of signature pages by facsimile or e-mail shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of the original Agreement for all purposes. Signatures of the Parties transmitted by facsimile or e-mail shall be deemed to be their original signatures for all purposes.

Section 8.10 Applicable Law. All disputes, claims or controversies arising out of or relating to this Agreement, or the negotiation, validity or performance of this Agreement, or the transactions contemplated hereby shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to its rules of conflict of Laws.

Section 8.11 Jurisdiction. Each of the Parties hereto (a) irrevocably and unconditionally consents to submit itself to the sole and exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, or, solely if that court does not have subject matter jurisdiction, the Superior Court of the State of Delaware, or, solely if the subject matter of the action is one over which exclusive jurisdiction is vested in the courts of the United States of America, a federal court sitting in the State of Delaware (collectively, the “Delaware Courts”) in connection with any dispute, claim, or controversy arising out of or relating to this Agreement or the transactions contemplated hereby, (b) waives any objection to the laying of venue of any such litigation in any of the Delaware Courts, (c) agrees not to plead or claim in any such court that such litigation brought therein has been brought in an inconvenient forum and agrees not otherwise to attempt to deny or defeat such personal jurisdiction or venue by motion or other request for leave from any such court, and (d) agrees that it will not bring any Action in connection with any dispute, claim, or controversy arising out of or relating to this

Agreement or the transactions contemplated hereby, in any court or other tribunal, other than the Delaware Courts (in the manner and priority set forth in subsection (a) of this Section 8.11). All Actions arising out of or relating to this Agreement or the transactions contemplated hereby shall be heard and determined in the Delaware Courts. Each of the Parties hereto hereby irrevocably and unconditionally agrees that service of process in connection with any dispute, claim, or controversy arising out of or relating to this Agreement or the transactions contemplated hereby may be made upon such Party by prepaid certified or registered mail, with a validated proof of mailing receipt constituting evidence of valid service, directed to such Party at the address specified in Section 8.2. Service made in such manner, to the fullest extent permitted by applicable Law, shall have the same legal force and effect as if served upon such Party personally within the State of Delaware. Nothing herein shall be deemed to limit or prohibit service of process by any other manner as may be permitted by applicable Law.

Section 8.12 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF ANY PARTY HERETO IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (C) IT MAKES SUCH WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 8.12.

Section 8.13 Joint Participation in Drafting this Agreement. The Parties acknowledge and confirm that each of their respective attorneys have participated jointly in the drafting, review and revision of this Agreement and that it has not been written solely by counsel for one Party and that each Party has had the benefit of its independent legal counsel's advice with respect to the terms and provisions hereof and its rights and obligations hereunder. Each Party hereto, therefore, stipulates and agrees that the rule of construction to the effect that any ambiguities are to be or may be resolved against the drafting Party shall not be employed in the interpretation of this Agreement to favor any Party against another and that no Party shall have the benefit of any legal presumption or the detriment of any burden of proof by reason of any ambiguity or uncertain meaning contained in this Agreement.

Section 8.14 Enforcement of this Agreement. The Parties acknowledge and agree that irreparable damage would occur and that the Parties would not have any adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions, or any other appropriate form of equitable relief to prevent breaches of this Agreement (without the obligation to post a bond therefor) and to enforce specifically the terms and provisions of this Agreement, this being in addition to any other remedy to which they are entitled at law or in equity. In the event that any Action shall be brought by any Party in equity to enforce the provisions of this Agreement, no Party shall allege, and each Party hereby waives the defense, that there is an adequate remedy at law or that the award of specific performance is not an appropriate remedy for any reason of law or equity. Notwithstanding anything to the contrary contained herein, any determination by (i) the Parent Board with respect to the enforcement (or non-enforcement) of Parent's rights

hereunder shall be made only with the approval of the Parent Special Committee and (ii) the Company Board with respect to the enforcement (or non-enforcement) of the Company's rights hereunder shall be made only with the approval of the Company Special Committee. Notwithstanding anything to the contrary in this Agreement, if any Party brings an Action to enforce specifically the terms of this Agreement (other than an action to specifically enforce any provision that expressly survives termination of this Agreement), the Drop Dead Date shall automatically be extended to (i) the twentieth (20th) Business Day following the resolution of such Action or (ii) such other time period established by the court presiding over such Action.

Section 8.15 Limited Liability. Notwithstanding any other provision of this Agreement, no stockholder, director, officer, Affiliate, agent or Representative of any Party (other than Parent as the sole member of Merger LLC and Merger LLC as the sole stockholder of Merger Sub) will have any Liability for a breach of the covenants, obligations, representations or warranties of the Company or Parent, respectively, hereunder or under any certificate or letter delivered by the Company or Parent, respectively, with respect thereto and, to the fullest extent legally permissible, each Party, for itself and its stockholders, directors, officers and Affiliates, waives and agrees not to seek to assert or enforce any such Liability which any such Person otherwise might have pursuant to applicable Law.

Section 8.16 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, insofar as the foregoing can be accomplished without materially affecting the economic benefits anticipated by the parties to this Agreement and, in the case of the Company, the Company Stockholders. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

Section 8.17 Incorporation of Exhibits. The Company Disclosure Letter, the Parent Disclosure Letter and all Exhibits and schedules attached hereto and referred to herein are hereby incorporated herein and made a part hereof for all purposes as if fully set forth herein.

Section 8.18 No Joint Venture. Nothing contained in this Agreement shall be deemed or construed as creating a joint venture or partnership between any of the Parties hereto. No Party is by virtue of this Agreement is authorized as an agent, employee or legal Representative of any other Party. No Party shall have the power to control the activities and operations of any other and their status is, and at all times shall continue to be, that of independent contractors with respect to each other. No Party shall have any power or authority to bind or commit any other Party. No Party shall hold itself out as having any authority or relationship in contravention of this Section 8.18.

Section 8.19 Special Committee Matters. Prior to the Effective Time, without the consent of the Parent Special Committee or Company Special Committee, as applicable, (a) the Parent Board or the Company Board, as applicable, shall not eliminate, revoke or diminish the authority of, the Parent Special Committee or the Company Special Committee, as applicable or (b) remove or cause the removal of any director of the Parent Board or the Company Board, as applicable, that is a member of the Parent Special Committee or the Company Special Committee, as applicable, either as a member of the Parent Board or the Company Board, as applicable, or of the Parent Special Committee or the Company Special Committee, as applicable. For the avoidance of doubt, any amendment or waiver of, or consent required by this Agreement by the Company or the Company Board or Parent or the Parent Board, as applicable, shall require the approval of the Parent Special Committee or Company Special Committee, as applicable. The Parent Special Committee (and, for so

long as the Parent Special Committee is in existence, only the Parent Special Committee) and the Company Special Committee (and, for so long as the Company Special Committee is in existence, only the Company Special Committee) may pursue any action or litigation with respect to breaches of this Agreement on behalf of the Company or Parent, as applicable.

Section 8.20 Lender Limitations. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties: (a) agrees that it will not bring or support any litigation, person in any action, suit, proceeding, cause of action, claim, cross claim or third-party claim of any kind or description, whether at law or in equity, whether in contract or in tort or otherwise, against any of the Debt Financing Sources in any way relating to this Agreement or any of the transactions contemplated herein, including, any dispute arising out of or relating in any way to the Debt Financing, in any forum other than the federal and New York state courts located in the Borough of Manhattan within the City of New York; (b) agrees that all litigation, actions, suits, proceedings, causes of action, claims, cross claims or third-party claims (whether at law, in equity, in contract, in tort or otherwise) against any of the Debt Financing Sources in any way relating to the Debt Financing, shall be exclusively governed by, and construed in accordance with, the internal laws of the State of New York, without giving effect to principles or rules or conflict of laws to the extent such principles or rules would require or permit the application of laws of another jurisdiction; and (c) hereby irrevocably and unconditionally waives, and covenants that it will not assert, any right such party may have to a trial by jury in respect of any litigation, action, suit, proceeding, cause of action, claim, cross claim or third-party claim of any kind or description (whether in law or in equity, whether in contract or in tort or otherwise) directly or indirectly arising out of or relating in any way to the Debt Financing. Notwithstanding anything herein to the contrary, each of the Company, on behalf of itself and each of its Subsidiaries (and, to the extent permitted by applicable Law, on behalf of each of its equity holders, directors, officers and employees) acknowledges and agrees that it (and such other Persons) shall have no recourse against the Debt Financing Sources in connection with the Debt Financing, and the Debt Financing Sources shall be subject to no liability or claims by such Persons in connection with the Debt Financing or in any way relating to this Agreement or any of the transactions contemplated hereby or thereby, whether at law, in equity, in contract, in tort or otherwise, and no Debt Financing Source shall have any rights or claims against the Company or any of its Subsidiaries (and any of their respective equity holders, directors, officers and employees) in connection with this Agreement, the Debt Financing or the transactions contemplated hereby or thereby, whether at law or equity, in contract, in tort or otherwise; provided that, (x) the foregoing will not limit the rights of the parties to the Debt Financing under any definitive agreements related thereto and (y) the foregoing will not in any manner limit the recourse of or against any of the parties to the Company Margin Facility or the Parent Margin Facility or otherwise limit any of their respective rights, obligations, liabilities, claims or rights to bring claims arising under or with respect to the Company Margin Facility or the Parent Margin Facility, as applicable (including in respect of the Debt Financing contemplated by the Parent Margin Facility).

With respect to the NOL Estimates, we have been advised by management of Liberty and have assumed, with your consent, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of management of Liberty as to the future net operating loss utilization by the pro forma combined company, and we express no view as to such NOL Estimates or the assumptions on which they are based. In arriving at our opinion, we have not made or been furnished with any independent valuation or appraisal of the assets or liabilities (including any contingent, derivative or off-balance-sheet assets and liabilities) of Liberty or GCI, nor have we assumed any obligation to conduct, nor have we conducted, any physical inspection of the properties or facilities of Liberty or GCI. We are aware of an appraisal prepared by a third party with respect to certain assets of GCI, but we did not rely on such appraisal in rendering our opinion. In addition, we have not evaluated the solvency of any party to the Merger Agreement, including under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. We have assumed that, in all respects material to our analysis, the representations and warranties of each party contained in the Merger Agreement are true and correct, the final Merger Agreement will not differ in any material respect relevant to our opinion from the draft Merger Agreement reviewed by us and the Merger will be consummated in accordance with the terms set forth in the Merger Agreement, without material modification, waiver or delay the effect of which would in any way be meaningful for our analysis. In addition, we have assumed that in connection with the receipt of all the necessary approvals of the proposed Merger, no delays, limitations, conditions or restrictions will be imposed that could have an adverse effect on Liberty or GCI, in any way meaningful for our analysis. We have relied as to all legal matters relevant to rendering our opinion upon the advice of counsel.

This opinion addresses only the fairness, as of the date hereof, of the Common Consideration in connection with the Merger, from a financial point of view, to the Unaffiliated Stockholders. We have not been asked to, nor do we, offer any opinion as to any other term of the Merger Agreement, the Exchange Agreement, or any other document contemplated by or entered into in connection with the Merger Agreement, the form or structure of the Merger or the likely timeframe in which the Merger will be consummated. We express no opinion as to the Preferred Consideration to be paid by Liberty in connection with the Merger. In addition, we express no opinion as to the relative value of the Liberty Series B Common Stock and the Liberty Series C Common Stock included in the Common Consideration, or the fairness of the amount or nature of any compensation to be paid to any officers, directors or employees of any parties to the Merger, or any class of such persons, whether relative to the Common Exchange Ratio to be paid by Liberty pursuant to the Merger Agreement or otherwise. We express no opinion as to the underlying decision by the Special Committee of the Board of Directors of Liberty, the Board of Directors of Liberty, its security holders or any other party to engage in the Merger or as to the relative merits of the Merger compared with any alternative transactions or business strategies. Nor do we express any opinion as to any tax or other consequences that may result from the transactions contemplated by the Merger Agreement or any other related document, nor does our opinion address any legal, tax, regulatory or

accounting matters, as to which we understand Liberty has received such advice as it deems necessary from qualified professionals. Our opinion does not address the underlying business decision of Liberty to enter into the Merger or the relative merits of the Merger as compared with any other strategic alternative which may be available to Liberty.

We have acted as financial advisor to the Special Committee of the Board of Directors of Liberty in connection with, and have participated in certain of the negotiations leading to, the Merger and will be entitled to receive a fee for our services, a portion of which is payable following delivery of this opinion, and a portion of which is contingent upon the consummation of the Merger. In addition, Mr. Young owns shares of Liberty Global PLC and Liberty TripAdvisor Holdings Inc., each affiliates of Liberty and Mr. John C. Malone. Except in connection with its engagement as financial advisor to Liberty in connection with the proposed Merger, during the two year period prior to the date hereof, no material relationship existed between Perella Weinberg Partners LP and its affiliates, on the one hand, and Liberty, GCI, the Maffei Group, the Malone Group or any of their respective affiliates, on the other hand, pursuant to which compensation was received by Perella Weinberg Partners LP or its affiliates. Perella Weinberg Partners LP and its affiliates may in the future provide investment banking and other financial services to Liberty, GCI, the Maffei Group, the Malone Group or their respective affiliates for which they would expect to receive compensation. In the ordinary course of our business activities, Perella Weinberg Partners LP or its affiliates may at any time hold long or short positions, and may trade or otherwise effect transactions, for our own account or the accounts of customers, in debt or equity or other securities (or related derivative securities) or financial instruments (including bank loans or other obligations) of Liberty, GCI or any of their respective affiliates. The issuance of this opinion was approved by a fairness opinion committee of Perella Weinberg Partners LP.

This opinion is for the information and assistance of the Special Committee of the Board of Directors of Liberty and the Board of Directors of Liberty in connection with, and for the purposes of their evaluation of, the Merger. This opinion is not intended to be and does not constitute a recommendation to the Special Committee of the Board of Directors or the Board of Directors of Liberty or to any other persons in respect of the Merger, including as to whether any holder of the Liberty Series A Common Stock or Liberty Series B Common Stock should vote or otherwise act with respect to the proposed Merger or any other matter. In addition, we express no opinion as to the fairness of the Merger to, or any consideration received in connection with the Merger by, holders of any class of securities, creditors or other constituencies of Liberty other than the Unaffiliated Stockholders. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and the assumptions used in preparing it, and we do not have any obligation to update, revise, or reaffirm this opinion.

Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion that, as of the date hereof, the Common Consideration to be paid in connection with the Merger pursuant to the Merger Agreement is fair, from a financial point of view, to the Unaffiliated Stockholders.

Very truly yours,

The Special Committee of the Board of Directors

The Board of Directors

GCI Liberty, Inc.
12300 Liberty Boulevard
Englewood, CA 80112

Members of the Special Committee and of the Board of Directors:

We understand that GCI Liberty, Inc., a Delaware corporation (the “Company”), proposes to enter into an Agreement and Plan of Merger, dated as of the date hereof (the “Merger Agreement”), with Liberty Broadband Corporation, a Delaware corporation (the “Parent”), Grizzly Merger Sub 1, LLC, a single member Delaware limited liability company and direct wholly owned subsidiary of the Parent (“Merger LLC”), and Grizzly Merger Sub 2, Inc., a Delaware corporation and direct wholly owned subsidiary of Merger LLC (“Merger Sub”). Pursuant to the Merger Agreement, (i) Merger Sub will be merged with and into the Company (the “Merger”), with the Company being the surviving corporation in the Merger (the “Surviving Corporation”) and becoming a wholly owned subsidiary of Merger LLC and (ii) following the Merger, the Surviving Corporation will immediately be merged with and into Merger LLC (the “Upstream Merger”) and, together with the Merger, the “Combination”), with Merger LLC being the surviving entity in the Upstream Merger and continuing as a wholly owned subsidiary of the Parent.

As a result of the Merger, (x) each share of the Series A common stock, par value \$0.01 per share, of the Company (the “Company Series A Common Stock”) issued and outstanding immediately prior to the Effective Time will be converted into the right to receive such number of shares of Series C common stock, par value \$0.01 per share, of the Parent (the “Parent Series C Common Stock”) such that each holder of record of Company Series A Common Stock immediately prior to the Effective Time will have the right to receive, in the aggregate, a number of shares of Parent Series C Common Stock equal to the number of shares of Company Series A Common Stock held of record by such holder immediately prior to the Effective Time, multiplied by 0.580 (the “Common Exchange Ratio”) and (y) each share of Series B common stock, par value \$0.01 per share, of the Company (the “Company Series B Common Stock”) and, together with the Company Series A Common Stock, the “Company Common Stock”) issued and outstanding immediately prior to the Effective Time (other than Dissenting Shares) will be converted into the right to receive such number of shares of Series B common stock, par value \$0.01 per share, of the Parent (the “Parent Series B Common Stock”) and, together with the Parent Series C Common Stock, the “Parent Common Stock”) such that each holder of record of Company Series B Common Stock immediately prior to the Effective Time will have the right to receive, in the aggregate, a number of shares of Parent Series B Common Stock equal to the number of shares of Company Series B Common Stock held of record by such holder immediately prior to the Effective Time, multiplied by the Common Exchange Ratio, in each case of clauses (x) and (y), other than any shares held by the Company as treasury stock or by any of the Company's wholly

owned Subsidiaries and any shares owned by the Parent or any of its wholly owned subsidiaries. The terms and conditions of the Merger, including the terms on which the Common Exchange Ratio may be subject to adjustment (as to which we express no opinion), are more fully set forth in the Merger Agreement and capitalized terms used but not defined herein have the meanings ascribed to them in the Merger Agreement.

The Special Committee of the Board of Directors of the Company (the "Special Committee") has asked us whether, in our opinion, the Common Exchange Ratio in the Merger is fair, from a financial point of view, to the holders of Company Common Stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers. At the request of the Special Committee, we are also rendering our opinion to the Board of Directors of the Company (the "Board of Directors").

In connection with rendering our opinion, we have, among other things:

- (i) reviewed certain publicly available historical business and financial information relating to the Company and the Parent, including certain publicly traded assets owned by the Company and the Parent, that we deemed to be relevant, including publicly available research analysts' estimates;
- (ii) reviewed certain non-public projected financial and operating data relating to the Company and the Parent, as prepared and furnished to us by the management of the Company and the Parent, respectively, and as approved for our use by the Company;
- (iii) discussed with management of the Company and the Parent the past and current operations, current financial condition and financial projections of the Company and the Parent, respectively (including their views on the risks and uncertainties of achieving such projections);
- (iv) reviewed the reported prices and the historical trading activity of the Company Common Stock and the Parent Common Stock, including the relative historical exchange ratio based on the trading prices of the Company Series A Common Stock and the Parent Series C Common Stock;
- (v) compared the financial performance of the Company and its stock market trading multiples with those of certain other publicly traded companies that we deemed relevant;
- (vi) compared the financial performance of the Company and the valuation multiples implied by the Combination with those of certain other transactions that we deemed relevant;
- (vii) performed illustrative discounted cash flow analyses relating to the Company's and the Parent's operating assets and certain publicly traded assets owned by the Company and the Parent;
- (viii) compared the net asset value of the Company and the Parent, based on publicly available information and information provided by the Company and the Parent and approved for our use by the Company, to the market trading value of the equity of the Company and the Parent;

- (ix) reviewed the financial terms and conditions of a draft, dated August 4, 2020, of the Merger Agreement; and
- (x) performed such other analyses and examinations and considered such other factors that we deemed appropriate.

For purposes of our analysis and opinion, we have assumed and relied upon, without undertaking any independent verification of, the accuracy and completeness of the financial and other information publicly available and all of the information supplied or otherwise made available to, discussed with, or reviewed by us, and we have further relied upon the assurances of the managements of the Company and the Parent that they are not aware of any relevant information that has been omitted or that remains undisclosed to us or any facts or circumstances that would make such information inaccurate or misleading. We assume no responsibility or liability for such information or any independent verification thereof. With respect to the projected financial and operating data referred to above, we have assumed with the Special Committee's consent that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the managements of the Company and the Parent as to the future financial performance of the Company and the Parent and the other matters covered thereby. We have relied, at the Special Committee's direction and without independent verification, on the assessments of the managements of the Company and the Parent as to the future financial and operating performance of the Parent and the Company. We express no view as to the projected financial and operating data or any judgments, estimates or assumptions on which they are based.

For purposes of our analysis and opinion, we have assumed, in all respects material to our analysis, that the final executed Merger Agreement will not differ from the draft Merger Agreement reviewed by us, that the representations and warranties of each party contained in the Merger Agreement are true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Merger Agreement and that all conditions to the consummation of the Combination will be satisfied without waiver or modification thereof. We have further assumed, in all respects material to our analysis, that all governmental, regulatory or other consents, approvals or releases necessary for the consummation of the Combination will be obtained without any delay, limitation, restriction or condition that would have an adverse effect on the Company, the Parent or the consummation of the Combination or reduce the contemplated benefits of the Combination to the holders of Company Common Stock. Further, as you are aware, the credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on the parties to the Merger Agreement or the Combination.

We have not conducted a physical inspection of the properties or facilities of the Company or the Parent and have not made or assumed any responsibility for making any independent valuation or appraisal of the assets or liabilities (including any contingent, derivative or other off-balance sheet assets and liabilities) of the Company or the Parent, nor have we evaluated the solvency or fair value of the Company or the Parent under any state or federal laws relating to bankruptcy, insolvency or similar matters. Our opinion is necessarily based upon information made available to us as of the date hereof and financial, economic, market and other conditions as they exist and as can be evaluated on the date hereof. It is understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise or reaffirm this opinion.

We have not been asked to pass upon, and express no opinion with respect to, any matter other than the fairness to the holders of Company Common Stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers, from a financial point of view, of the Common Exchange Ratio in the Merger. We do not express any view on, and our opinion does not

address, the fairness of the proposed transaction to, or any consideration received in connection therewith by, the holders of any other securities or class of securities, creditors or other constituencies of the Company, nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of the Company, or any class of such persons, whether relative to the Common Exchange Ratio or otherwise, nor do we express any view on, and our opinion does not address, the fairness of the Common Exchange Ratio to the holders of Company Series A Common Stock relative to the holders of Company Series B Common Stock, or vice versa. We have not been asked to, nor do we express any view on, and our opinion does not address, any other term or aspect of the Merger Agreement or the Combination, including, without limitation, the structure or form of the Combination, or any term or aspect of any other agreement or instrument contemplated by the Merger Agreement or entered into or amended in connection with the Merger Agreement. Our opinion does not address the relative merits of the Combination as compared to other business or financial strategies that might be available to the Company, nor does it address the underlying business decision of the Company to engage in the Combination. We do not express any view on, and our opinion does not address, what the value of the Parent Common Stock actually will be when issued or the prices at which the Company Common Stock or the Parent Common Stock will trade at any time, or whether any class or series of common stock or preferred stock will trade at different prices, including following announcement or consummation of the Combination. In arriving at our opinion, we were not authorized to solicit, and did not solicit, interest from any third party with respect to the acquisition of any or all of the Company Common Stock or any business combination or other extraordinary transaction involving the Company. Our opinion does not constitute a recommendation to the Special Committee, the Board of Directors or to any other persons in respect of the Combination, including as to how any holder of shares of the Company Common Stock should vote or act in respect of the Combination. We are not expressing any opinion as to the prices at which shares of Company Common Stock will trade at any time, as to the potential effects of volatility in the credit, financial and stock markets on the Company or the Combination or as to the impact of the Combination on the solvency or viability of the Company or the ability of the Company to pay its obligations when they come due. We are not legal, regulatory, accounting or tax experts and have assumed the accuracy and completeness of assessments by the Company and its advisors with respect to legal, regulatory, accounting and tax matters.

We have acted as financial advisor to the Special Committee in connection with the Combination and will receive a fee for our services, a portion of which was paid upon our engagement, a portion of which is payable upon rendering this opinion and a substantial portion of which is contingent upon the consummation of the Combination. The Company has also agreed to reimburse our expenses and to indemnify us against certain liabilities arising out of our engagement. During the two year period prior to the date hereof, Evercore Group L.L.C. and its affiliates have not been engaged to provide financial advisory or other services to the Company and we have not received any compensation from the Company during such period. In addition, during the two year period prior to the date hereof, Evercore Group L.L.C. and its affiliates have not been engaged to provide financial advisory or other services to the Parent and we have not received any compensation from the Parent during such period. We may provide financial advisory or other services to the Company and the Parent in the future, and in connection with any such services we may receive compensation.

Evercore Group L.L.C. and its affiliates engage in a wide range of activities for our and their own accounts and the accounts of customers, including corporate finance, mergers and acquisitions, equity sales, trading and research, private equity, placement agent, asset management and related activities. In connection with these businesses or otherwise, Evercore Group L.L.C. and its affiliates and/or our or their respective employees, as well as investment funds in which any of them may have a financial interest, may at any time, directly or indirectly, hold long or short positions and may trade or otherwise effect transactions for their own accounts or the accounts of customers, in debt or equity securities, senior loans and/or derivative products or other financial instruments of or relating to the Company, the Parent,

potential parties to the Combination and/or any of their respective affiliates and other third parties, including significant shareholders of the Company and the Parent, or persons that are competitors, customers or suppliers of the Company or the Parent.

Our financial advisory services and this letter, including the opinion expressed herein, are provided for the information and benefit of the Special Committee (in its capacity as such) in connection with the Special Committee's evaluation of the proposed Combination. At the request of the Special Committee, this letter, including the opinion expressed herein, is also being provided for the information and benefit of the Board of Directors (in its capacity of such) in connection with the Board of Directors' evaluation of the proposed Combination. The issuance of this opinion has been approved by an Opinion Committee of Evercore Group L.L.C.

This letter, and the opinion expressed herein, may not be disclosed, quoted, referred to or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written approval, except that the Parent and the Company may reproduce a copy of this opinion in full in any document related to the Combination that is required to be filed with the U.S. Securities and Exchange Commission and required to be mailed by the Company or the Parent to its stockholders relating to the Combination.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Common Exchange Ratio in the Merger is fair, from a financial point of view, to the holders of Company Common Stock, other than the Malone Group, the Maffei Group and their respective Affiliates and the Company Section 16 Officers.

Very Truly yours,

Evercore Group L.L.C.

(a) appear at such meeting or otherwise cause all of the Existing Shares and all other shares of Voting Stock or voting securities over which he, she or it has acquired beneficial or record ownership after the date hereof or otherwise has the power to vote or direct the voting of (including any shares of Voting Stock acquired by means of purchase, dividend or distribution, or issued upon the exercise of any stock options to acquire Voting Stock or the conversion of any convertible securities, or pursuant to any other equity awards or derivative securities or otherwise over which he, she or it has the power to vote) (together with the Existing Shares, collectively, the “Shares”), which he, she or it owns or controls as of the applicable record date, to be counted as present thereat for purposes of calculating a quorum; and

(b) so long as there has not been a Parent Adverse Recommendation Change made by the Parent Special Committee or the Parent Board (acting at the recommendation of the Parent Special Committee) in compliance with the Merger Agreement that has not been rescinded or otherwise withdrawn, vote or cause to be voted (including by proxy or written consent, if applicable) all such Shares (i) in favor of the Stock Issuance, (ii) in favor of any proposal to adjourn or postpone such meeting of the Parent Stockholders to a later date if such adjournment or postponement is proposed in compliance with the provisions of Section 5.7(f) of the Merger Agreement, (iii) against any action or proposal in favor of any Alternative Parent Transaction, without regard to the terms of such Alternative Parent Transaction or (iv) against any action, proposal, transaction, agreement or amendment of the Parent Charter or Parent Bylaws, in each case of this clause (iv) which would reasonably be expected to

(A) result in a breach of any covenant, representation or warranty or any other obligation or agreement of Parent contained in the Merger Agreement, or of any Stockholder contained in this Agreement for which the Stockholders have received prior notice from Parent or the Company that it reasonably expects that such action or proposal would result in a breach, or (B) prevent, impede, interfere with, delay, postpone, or adversely affect the consummation of the transactions contemplated by the Merger Agreement, including the Merger.

For the avoidance of doubt, the foregoing commitments apply to any Shares held by any trust, limited partnership or other entity directly or indirectly holding Shares for which any Stockholder serves as a partner, stockholder, trustee or in a similar capacity. To the extent any Stockholder does not have sole control of the voting determinations of such entity, such Stockholder agrees to exercise all voting rights or other voting determination rights he, she or it has in such entity to carry out the intent and purposes of his, her or its support and voting obligations in this paragraph and otherwise set forth in this Agreement. Each Stockholder represents, covenants and agrees that, (x) except for this Agreement, he, she or it has not entered into, and shall not enter into during the Support Period, any commitment, agreement, understanding or other similar arrangement with any person to vote or give instructions in any manner with respect to any Shares, including any voting agreement or voting trust and (y) except as expressly set forth herein or with respect to routine matters at an annual meeting of the Parent Stockholders, he, she or it has not granted, and shall not grant during the Support Period, a proxy, consent or power of attorney with respect to any Shares. Each Stockholder agrees not to enter into any agreement or commitment with any person the effect of which would violate, or frustrate the intent of, the provisions of this Agreement. In furtherance and not in limitation of the foregoing, but only in the event and in each case that a Stockholder fails to be counted as present or fails to vote all of such Stockholder's Shares in accordance with this Agreement until the Expiration Date, each Stockholder hereby appoints Renee Wilm, for so long as she serves as Chief Legal Officer of Parent and the Company, or any other person acting as Chief Legal Officer of Parent and the Company and any designee thereof, and each of them individually, its proxy and attorney-in-fact, with full power of substitution and resubstitution, to vote or act by written consent (and to instruct nominees or record holders to vote or act by written consent) during the Support Period with respect to any and all of such Stockholder's Shares in accordance with this [Section 3](#). This proxy and power of attorney are given to secure the performance of the duties of such Stockholder under this Agreement. Each Stockholder hereby agrees that this proxy and power of attorney granted by each such Stockholder shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient under applicable Law to support an irrevocable proxy and shall revoke any and all prior proxies granted by such Stockholder with respect to any Shares regarding the matters set forth in this [Section 3](#). The power of attorney granted by each Stockholder herein is a durable power of attorney and shall survive the bankruptcy, death or incapacity of such Stockholder.

4. **Non-Solicitation.** Each Stockholder hereby agrees, and agrees to cause his, her or its controlled Affiliates (which, for the avoidance of doubt, does not include the Company or Parent) and its and their representatives not to, take any action which, were it taken by Parent or its Representatives, would violate Section 5.5 or Section 5.6 of the Merger Agreement, it being understood that any action in compliance with Section 5.5 or Section 5.6 of the Merger Agreement shall not be deemed a breach by any Stockholder of this [Section 4](#).

5. **Transfer Restrictions Prior to the Merger.** Each Stockholder hereby agrees that he, she or it will not, during the Support Period, without the prior written consent of Parent and the Company, (a) convert any shares of Parent Series B Common Stock into shares of Parent Series A Common Stock, (b) other than pursuant to the Merger Agreement or the Exchange Agreement, directly or indirectly, offer for sale, sell, transfer, exchange, convert, assign, give, tender in any tender or exchange offer, pledge, encumber, hypothecate or otherwise dispose of (by merger, by testamentary disposition,

by operation of law or otherwise), either voluntarily or involuntarily, enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of, enter into any contract, option or other arrangement or understanding with respect to the sale, transfer, assignment, pledge, encumbrance, hypothecation or other disposition of (by merger, by testamentary disposition, by operation of law or otherwise) or otherwise convey or dispose of, any of the Shares, or any interest therein (including by merger, by testamentary disposition, by operation of law or otherwise), including the right to vote any such Shares, as applicable (a "Transfer"); provided, that such Stockholder may Transfer Shares for estate-planning purposes (including by testamentary disposition), or to a controlled Affiliate or with respect to a trust over which such Stockholder has sole or shared investment power, to a named beneficiary, so long as the transferee, prior to the time of Transfer, agrees in a signed writing reasonably satisfactory to Parent and the Company to be bound by and comply with the provisions of this Agreement, and such Stockholder provides at least five (5) Business Days' prior written notice (which shall include the written consent of the transferee agreeing to be bound by and comply with the provisions of this Agreement) to Parent and the Company, in which case such Stockholder shall remain responsible for any breach of this Agreement by such transferee, and provided, further, that the death of a Stockholder shall itself not be a Transfer of Shares so long as a Stockholder, or a controlled Affiliate of a Stockholder, continues to own such Shares as Shares covered under this Agreement and such controlled Affiliate agrees in a signed writing reasonably satisfactory to Parent and the Company to be bound by and comply with the provisions of this Agreement. Notwithstanding anything contained herein, each Stockholder will be permitted to (i) effect a bona fide pledge of Parent Series A Common Stock or Parent Series B Common Stock (including in each case any existing pledge) to any financial institution in connection with a bona fide financing transaction (a "Permitted Pledge") (so long as such pledge does not prevent or otherwise restrict in any manner such Stockholder from voting such shares pursuant to the provisions of this Agreement prior to any default and foreclosure under the indebtedness underlying such pledge) and (ii) grant a revocable proxy with respect to routine matters at an annual meeting of the Parent Stockholders (provided such proxy does not apply with respect to any of the matters set forth in this Agreement, even if such matters are submitted to a vote at an annual meeting of the Parent Stockholders).

6. **Representations of the Stockholders.** Each Stockholder represents and warrants to Parent and the Company as follows: (a) the Stockholder has full legal right, capacity and authority to execute and deliver this Agreement, to perform the Stockholder's obligations hereunder and to consummate the transactions contemplated hereby; (b) this Agreement has been duly and validly executed and delivered by the Stockholder and constitutes a valid and legally binding agreement of the Stockholder, enforceable against the Stockholder in accordance with its terms, and no other action is necessary to authorize the execution and delivery of this Agreement by the Stockholder or the performance of his, her or its obligations hereunder; (c) the execution and delivery of this Agreement by the Stockholder do not, and the consummation of the transactions contemplated hereby and the compliance with the provisions hereof will not, conflict with or violate any law applicable to such Stockholder or result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an Encumbrance on any of the Shares pursuant to, any agreement or other instrument or obligation binding upon the Stockholder or any of the Shares, nor require any authorization, consent or approval of, or filing with, any Governmental Authority other than pursuant to the Exchange Act, the Securities Act and the HSR Act; (d) subject to the Permitted Pledges, the Stockholder owns beneficially and has the power to vote or direct the voting of, the Stockholder's Shares, including the Existing Shares of such Stockholder, a complete and accurate schedule of which is set forth opposite such Stockholder's name on Schedule A; (e) the Stockholder owns beneficially the Stockholder's Shares, including the Existing Shares of such Stockholder, free and clear of any proxy, voting restriction, adverse claim or other Encumbrance (other

than any Permitted Pledge and any restrictions created by the Transaction Documents or under applicable federal or state securities laws); and (f) the Stockholder or his, her or its advisers has read and is familiar with the terms of the Merger Agreement and the other agreements and documents contemplated herein and therein.

7. **Representations and Warranties of Malone.** Malone hereby represents and warrants that he is not aware of any fact, agreement, plan or other circumstance, and has not taken any action, which fact, agreement, plan, circumstance or action would reasonably be expected to prevent or preclude Malone from delivering the Malone Closing Representation Letter immediately prior to the Closing.

8. **Representations of Parent and the Company.**

(a) Parent represents and warrants to each Stockholder as follows: (1) Parent has full legal right, capacity and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby; (2) this Agreement has been duly and validly executed and delivered by Parent and constitutes a valid and legally binding agreement of Parent, enforceable against Parent in accordance with its terms, and no other action is necessary to authorize the execution and delivery of this Agreement by Parent or the performance of its obligations hereunder; (3) the execution and delivery of this Agreement by Parent does not, and the consummation of the transactions contemplated hereby and the compliance with the provisions hereof will not, conflict with or violate any law applicable to Parent or result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an Encumbrance on any property of Parent pursuant to, any agreement or other instrument or obligation binding upon Parent or any of its property, nor require any authorization, consent or approval of, or filing with, any Governmental Authority other than pursuant to the Exchange Act, the Securities Act or the HSR Act.

(b) The Company represents and warrants to each Stockholder as follows: (1) the Company has full legal right, capacity and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby; (2) this Agreement has been duly and validly executed and delivered by the Company and constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, and no other action is necessary to authorize the execution and delivery of this Agreement by the Company or the performance of its obligations hereunder; (3) the execution and delivery of this Agreement by the Company does not, and the consummation of the transactions contemplated hereby and the compliance with the provisions hereof will not, conflict with or violate any law applicable to the Company or result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an Encumbrance on any property of the Company pursuant to, any agreement or other instrument or obligation binding upon the Company or any of its property, nor require any authorization, consent or approval of, or filing with, any Governmental Authority other than pursuant to the Exchange Act, the Securities Act or the HSR Act.

9. **Certain Covenants.**

(a) Malone will cooperate with Split-Off Tax Counsel by providing appropriate representations as to factual matters on the Closing Date, including the representations in the Malone Closing Representation Letter, and immediately prior to the Closing, Malone shall execute and deliver the Malone Closing Representation Letter to Split-Off Tax Counsel; provided, however, that Malone

will be deemed to satisfy his obligation under this Section 9 in the event that (x) any of Parent, the Company or Split-Off Tax Counsel withholds its consent to any material changes, updates or refinements to any representations made in the Malone Signing Representation Letter that Malone has reasonably requested to be made in the Malone Closing Representation Letter as may be reasonably necessary to reflect any changes in, or clarifications of, facts prior to Closing to the extent that similar or analogous changes, updates or refinements to representations reflecting the same changes in, or clarifications of, fact are made with respect to any other Closing Split-Off Tax Opinion Representation Letter or (y) Parent or the Company does not execute and deliver to Split-Off Tax Counsel immediately prior to Closing the Parent Closing Split-Off Tax Opinion Representation Letter or the Company Closing Split-Off Tax Opinion Representation Letter, respectively.

10. **Antitrust Filings.** Parent, the Company and each Stockholder shall make an appropriate filing, if necessary, pursuant to the HSR Act with respect to the transactions contemplated by or related to the Merger Agreement as promptly as practicable after the date of this Agreement and shall supply as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be reasonably requested pursuant to the HSR Act. Prior to making any application to or filing with any Governmental Authority in connection with the transactions contemplated by or related to the Merger Agreement, each party hereto will provide the other party with any information or documents that the other party may reasonably require to prepare any such filing or application.

11. **Publicity.** Each Stockholder hereby authorizes Parent and the Company to publish and disclose in any documents and schedules filed with the SEC, and any press release or other disclosure document that Parent or the Company determines to be necessary or desirable in connection with this Agreement, the other Transaction Documents or the transactions contemplated hereby or thereby (including, but not limited to, in the Registration Statement, the Joint Proxy Statement or any other filing with any Governmental Authority made in connection with the Merger) such Stockholder's identity and ownership of the Shares, this Agreement and the nature of such Stockholder's commitments, arrangements and understandings under this Agreement and such other information required in connection with such disclosure. Each Stockholder agrees to notify Parent and the Company as promptly as practicable of any inaccuracies or omissions in any information relating to the Stockholders that is so published or disclosed.

12. **Entire Agreement.** This Agreement (including the schedules hereto), the Exchange Agreement and the Merger Agreement constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. Except as provided in Section 13 with respect to Indemnified Parties, nothing in this Agreement, express or implied, is intended to or shall confer upon any person not a party to this Agreement any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Parent acknowledges and agrees that, except as expressly provided herein, nothing in this Agreement shall be deemed to vest in Parent any direct or indirect ownership or incidence of ownership of or with respect to any Shares.

13. **Indemnification.**

(a) Parent (the "Indemnifying Party") covenants and agrees, on the terms and subject to the limitations set forth in this Agreement, to indemnify and hold harmless each Stockholder (and each of his or her respective successors and assigns), in each case in his or her capacity as a shareholder of Parent (each in such capacity, an "Indemnified Party"), from and against any and all Losses (as defined below) incurred in connection with, arising out of or resulting from any claims, demands, actions, proceedings or investigations (each, an "Action" and collectively, "Actions") arising out of this

Agreement or the Exchange Agreement or the performance of such Indemnified Party hereunder or thereunder (including any Actions brought by any of the stockholders, directors, officers or employees of Parent). For purposes of this Section 13, “Losses” means any loss (including disgorgement of consideration), liability, cost, damage or expense (including, without duplication, reasonable fees and expenses of counsel, accountants, consultants and other experts) related to an Action for which an Indemnified Party is entitled to indemnification pursuant to this Agreement; provided, however, that any diminution in value of Parent Capital Stock or Company Capital Stock shall not constitute a Loss.

(b) Notwithstanding anything herein to the contrary, the Indemnifying Party will not be obligated to provide indemnity hereunder to any Indemnified Party with respect to any Losses which (x) result from such Indemnified Party's fraud, bad faith, willful misconduct or gross negligence or (y) result from any breach of any representation and warranty of such Indemnified Party contained in this Agreement, the Exchange Agreement, the Malone Signing Representation Letter or the Malone Closing Representation Letter, or any breach of any covenant or agreement made or to be performed by such Indemnified Party under this Agreement or the Exchange Agreement.

(c) The Indemnifying Party will indemnify the Indemnified Parties pursuant to this Section 13 regardless of whether such Losses are incurred prior to or after the Effective Time. The indemnification provided pursuant to this Section 13 is in addition to, and not in derogation of, any other rights an Indemnified Party may have under applicable law, the Governance Instruments, the Parent Governance Instruments, or pursuant to any contract, agreement or arrangement (including, for the avoidance of doubt, under the Merger Agreement); provided, however, that Losses will not be duplicated. Subject to Section 13(j), if an Indemnified Party receives an indemnification payment pursuant to this Agreement and later receives insurance proceeds or other third-party recovery proceeds in respect of the related Losses, then the Indemnified Party shall promptly remit to the Indemnifying Party, amounts equal to the lesser of (x) the amount of such insurance proceeds or other third-party recovery proceeds, if any, and (y) the amount of the indemnification payment previously paid by or on behalf of the Indemnifying Party with respect to such Losses.

(d) Promptly after the receipt by any Indemnified Party of notice with respect to any Action that is or may be subject to indemnification hereunder (each, an “Indemnifiable Claim”) (and in no event more than ten Business Days after such event), such Indemnified Party shall give written notice thereof to the Indemnifying Party, which notice will include, to the extent known, the basis for such Indemnifiable Claim and copies of any pleadings or written demands relating to such Indemnifiable Claim and, promptly following request therefor, shall provide any additional information in respect thereof that the Indemnifying Party may reasonably request; provided, that (x) any delay in giving or failure to give such notice will not affect the obligations of the Indemnifying Party hereunder except to the extent the Indemnifying Party is actually prejudiced as a result of such delay in or failure to notify and (y) no such notice shall be required to be given to the Indemnifying Party to the extent that the Indemnifying Party or any of its respective Affiliates is a party to any such Indemnifiable Claim.

(e) Subject to Section 13(f), Section 13(g), and Section 13(j), the Indemnifying Party shall be entitled to exercise full control of the defense, compromise or settlement of any Indemnifiable Claim in respect of an Action commenced or made by a Person who is not a party to this Agreement or an Affiliate of a party to this Agreement (a “Third Party Indemnifiable Claim”) so long as, within ten Business Days after the receipt of notice of such Third Party Indemnifiable Claim from the Indemnified Party (pursuant to Section 13(d)) (or, if later, within ten Business Days of conclusion of the negotiations contemplated by Section 13(j)), the Indemnifying Party: (x) delivers a written confirmation to such Indemnified Party that the indemnification provisions of Section 13 are applicable, subject only to the limitations set forth in this Agreement, to such Third Party Indemnifiable Claim and

that the Indemnifying Party will indemnify such Indemnified Party in respect of such Third Party Indemnifiable Claim to the extent required by this Section 13, and (y) notifies such Indemnified Party in writing that the Indemnifying Party will assume the control of the defense thereof. Following notification to such Indemnified Party of the assumption of the defense of such Third Party Indemnifiable Claim, the Indemnifying Party shall retain legal counsel reasonably satisfactory to such Indemnified Party to conduct the defense of such Third Party Indemnifiable Claim. If the Indemnifying Party so assumes the defense of any such Third Party Indemnifiable Claim in accordance herewith, subject to the provisions of subsections (d) through (f) and subsection (j) of this Section 13, (A) the Indemnifying Party shall be entitled to exercise full control of the defense, compromise or settlement of such Third Party Indemnifiable Claim and such Indemnified Party shall cooperate (subject to the Indemnifying Party's agreement to reimburse such Indemnified Party for all documented reasonable out-of-pocket expenses incurred by such Indemnified Party in connection with such cooperation) with the Indemnifying Party in any manner that the Indemnifying Party reasonably may request in connection with the defense, compromise or settlement thereof (subject to the last sentence of this Section 13(e)), and (B) such Indemnified Party shall have the right to employ separate counsel selected by such Indemnified Party and to participate in (but not control) the defense, compromise or settlement thereof and the Indemnifying Party shall pay up to \$1,000,000.00 (the "Separate Counsel Cap") of the reasonable fees and expenses of one such separate counsel, and, if reasonably necessary, one local counsel. No Indemnified Party shall settle or compromise or consent to entry of any judgment with respect to any such Action (or part thereof) for which it is entitled to indemnification and to which the Indemnifying Party has provided the written confirmation specified in clause (x) above without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, delayed or conditioned). Without the prior written consent of each of the Indemnified Parties who are named in the Action subject to the Third Party Indemnifiable Claim (which consent shall not be unreasonably withheld, delayed or conditioned), the Indemnifying Party will not settle or compromise or consent to the entry of judgment with respect to any Indemnifiable Claim (or part thereof) unless such settlement, compromise or consent (x) includes an unconditional release of such Indemnified Parties, (y) does not include any admission of wrongdoing on the part of such Indemnified Parties and (z) does not enjoin or restrict in any way the future actions or conduct of such Indemnified Parties (other than in a manner consistent with the terms of the subject instruments).

(f) Notwithstanding Section 13(e), an Indemnified Party, at the expense of the Indemnifying Party (it being understood, however, that the Indemnifying Party shall not be liable for the expenses of more than one separate counsel (in addition to one local counsel in each applicable jurisdiction) representing the Indemnified Party), shall, subject to the last sentence of this Section 13(f), be entitled to separately control the defense, compromise or settlement of any Third Party Indemnifiable Claim (x) as to such Indemnified Party if the Indemnified Party with the opinion of external counsel shall have reasonably concluded that there exists any actual conflict of interest relating to the defense of such Action between the Indemnified Party and the Indemnifying Party and (y) subject to Section 13(j), as to which the Indemnifying Party has previously assumed control in the event the Indemnifying Party is not diligently pursuing such defense. No Indemnified Party shall settle or compromise or consent to entry of any judgment with respect to any Action with respect to which it controls the defense thereof pursuant to this Section 13(f) and for which it is entitled to indemnification without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed.

(g) In all instances under this Section 13 where the Indemnifying Party has agreed to pay the fees, costs and expenses of the Indemnified Parties, such fees, costs and expenses shall be reasonable. The parties agree to cooperate and coordinate in connection with the defense, compromise or settlement of any Indemnifiable Claims.

(h) In addition to (but without duplication of) the Indemnified Party's right to indemnification as set forth in this Section 13, if so requested by an Indemnified Party, the Indemnifying Party shall also advance to such Indemnified Party (within ten Business Days of such request) any and all documented reasonable out-of-pocket fees, costs and expenses incurred by an Indemnified Party in accordance with this Section 13 in connection with investigating, defending, being a witness in or participating in (including any appeal), or preparing to defend, be a witness in or participate in, any Indemnifiable Claim (other than an Indemnifiable Claim initiated by the Indemnified Party or in which the Company or Parent alleges a breach by the Indemnified Party of any representation and warranty of such Indemnified Party contained in this Agreement, the Exchange Agreement, the Malone Signing Representation Letter or the Malone Closing Representation Letter, or any breach of any covenant or agreement made or to be performed by such Indemnified Party under this Agreement or the Exchange Agreement), including, without duplication, reasonable fees and expenses of legal counsel, accountants, consultants and other experts (“Expense Advances”).

(i) Each Stockholder agrees that he or she will repay Expense Advances made to him or her (or paid on his or her behalf) by the Indemnifying Party pursuant to this Section 13 if it is ultimately finally determined by a court of competent jurisdiction that he or she is not entitled to be indemnified pursuant to this Section 13.

(j) Notwithstanding anything to the contrary herein, in the event, at any time prior to the Effective Time, an Action that is a Third Party Indemnifiable Claim under this Agreement and is also, or is consolidated with, an Action that is a Third Party Indemnifiable Claim under the voting agreement of even date herewith by and among Parent, the Company and the stockholders signatory thereto with respect to the Company Common Stock (the “Company Voting Agreement” and such Action or consolidated Actions, a “Consolidated Action” or “Consolidated Actions”), Parent, the Company and Malone shall negotiate in good faith such that (i) Parent and the Company equitably contribute to any Losses and Expense Advances that might become payable under this Agreement and the Company Voting Agreement with respect to such Consolidated Action or Consolidated Actions; provided, that the amount (if any) contributed by each of Parent and the Company pursuant to subsection (B) of Section 13(e) of either this Agreement or the Company Voting Agreement shall be considered paid for purposes of the Separate Counsel Cap under both this Agreement and the Company Voting Agreement, without duplication, and (ii) one or both of Parent or the Company may assume control of the defense of the Indemnified Parties (but not any other Person) in such Consolidated Action or Consolidated Actions on the terms and subject to the conditions set forth herein (in the case Parent so assumes such defense) or in the Company Voting Agreement (in the case the Company so assumes such defense).

(k) If Parent or any of its respective successors or assigns shall (i) consolidate with, or merge with or into, any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties or assets to any Person (including, for the avoidance of doubt, by cancelling or otherwise eliminating all or substantially all of its properties or assets), then, in each case, Parent or any of its respective successors or assigns shall take such action as may be necessary so that such Person (and its successors and assigns) shall assume all of the applicable obligations set forth in this Section 13.

14. **Assignment.** Except as provided in Section 5 of this Agreement, neither this Agreement nor any of the rights or obligations hereunder shall be assigned by any of the parties hereto without the prior written consent of the other parties. Any attempted assignment in violation of this Section 14 shall be null and void ab initio. Subject to the preceding two sentences, this Agreement will be binding upon, inure to the benefit of and be enforceable by, the parties and their respective successors and

assigns and, in the event of a Stockholder's death, such Stockholder's heirs, executors, administrators, testamentary trustees, legatees or beneficiaries.

15. **Director/Officer.** Notwithstanding anything to the contrary contained in this Agreement, each Stockholder is entering into this Agreement solely in his, her or its capacity as a beneficial owner of such Stockholder's Shares, and nothing herein is intended to or shall limit, affect or restrict any director or officer of Parent solely in his or her capacity as a director or officer of Parent or any of its Subsidiaries (including voting on matters put to such board or any committee thereof, influencing officers, employees, agents, management or the other directors of Parent or any of its Subsidiaries and taking any action or making any statement at any meeting of such board or any committee thereof), in each case solely in his or her capacity as a director or officer of Parent or any of its Subsidiaries in the exercise of his or her fiduciary duties as a director or officer of Parent or its Subsidiaries.

16. **Further Assurances.** Each party hereto agrees, from time to time, at the reasonable request of any other party hereto and without further consideration, to execute and deliver such additional consents, documents and other instruments and to take such further actions as are reasonably requested to effectuate the matters covered by this Agreement.

17. **Remedies/Specific Enforcement.** Each of the parties hereto agrees that this Agreement is intended to be legally binding and specifically enforceable pursuant to its terms and that the other parties would be irreparably harmed if any of the provisions of this Agreement are not performed in accordance with its specific terms and that monetary damages would not provide adequate remedy in such event. Accordingly, in the event of any breach or threatened breach by any party hereto of any covenant or obligation contained in this Agreement, in addition to any other remedy to which the other parties may be entitled (whether at law or in equity), the other parties shall be entitled to injunctive relief to prevent breaches or threatened breaches of this Agreement and to specifically enforce the terms and provisions hereof, and each party hereto hereby waives any defense in any action for specific performance or an injunction or other equitable relief, that a remedy at law would be adequate. Each party hereto further agrees that no party or any other person or entity shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this paragraph, and each party hereto irrevocably waives any right he, she or it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

18. **Governing Law; Jurisdiction; Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of law. The parties hereto hereby irrevocably submit to the jurisdiction of the Delaware Court of Chancery or, in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, of the United States District Court for the District of Delaware in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the matters contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in the Delaware Court of Chancery, or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the District of Delaware, or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined exclusively in the Delaware Court of Chancery, or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the District of Delaware. The parties hereto hereby consent to and grant the Delaware Court of Chancery, or in the event (but only in the event) that such court does not

have subject matter jurisdiction over such action or proceeding, the United States District Court for the District of Delaware, jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided herein or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

19. **Notice.** All notices, requests, claims, demands and other communications under this Agreement shall be in writing and shall be deemed given (a) on the date of delivery if delivered personally or sent via e-mail or (b) on the first (1st) Business Day following the date of dispatch if sent by a nationally recognized overnight courier (providing proof of delivery), in each case to the parties hereto at the following addresses (or at such other address for a party as shall be specified by like notice);

20. **Severability.** Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision will be interpreted so as reasonably to effect the intent of the parties hereto. Upon such determination that any term or other provision is invalid, illegal, void or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

21. **Amendments; Waivers.** Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed (a) in the case of an amendment, by Parent, the Company and each Stockholder, and (b) in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

22. **Waiver of Jury Trial.** EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY

IN RESPECT OF ANY LITIGATION ARISING OUT OF OR RELATING TO THIS AGREEMENT.

23. **Counterparts.** The parties may execute this Agreement in one or more counterparts, including by facsimile or other electronic signature. All the counterparts will be construed together and will constitute one Agreement.
24. **Action by Parent and the Company.** Actions taken under this Agreement (a) on behalf of Parent will be taken only with the approval of the Parent Special Committee (if such committee is in existence at the time such action is to be taken) and (b) on behalf of the Company will be taken only with the approval of the Company Special Committee (if such committee is in existence at the time such action is to be taken).
25. **Interpretation.** When a reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation”. The words “hereof”, “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. When this Agreement contemplates a certain number of securities, as of a particular date, such number of securities shall be deemed to be appropriately adjusted to account for stock splits, dividends, recapitalizations, combinations of shares or other changes affecting the such securities.
26. **Expenses.** Parent shall pay the reasonable out-of-pocket costs and expenses incurred by each of the Stockholders in connection with the preparation, negotiation, execution and delivery of this Agreement, including the reasonable fees, charges and disbursements of advisors, representatives and counsel for the Stockholders in connection therewith (the “Voting Agreement Fees”), and any required filing fee in connection with the filings made on behalf of the Stockholders described in this Agreement and the Merger Agreement; provided, however, that the amount of costs and expenses Parent shall pay in the aggregate for the Voting Agreement Fees shall not exceed \$62,500.00. Except as otherwise provided herein, all costs, fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby, whether or not consummated, shall be paid by the party incurring such cost or expense.
27. **No Additional Representations.** Except for the representations and warranties expressly made in this Agreement, each party hereto hereby agrees that no other party hereto makes, and each party hereto disclaims any reliance upon, any express or implied representation or warranty whatsoever with respect to the matters set forth in this Agreement.

VOTING AGREEMENT

This Voting Agreement (this "Agreement"), dated as of August 6, 2020, is entered into by and among Liberty Broadband Corporation, a Delaware corporation ("Parent"), GCI Liberty, Inc., a Delaware corporation (the "Company"), and each of the undersigned stockholders of the Company (each, a "Stockholder" and, together, the "Stockholders").

WHEREAS, subject to the terms and conditions of the Agreement and Plan of Merger (as the same may be amended, supplemented or modified, the "Merger Agreement"), dated as of the date hereof, among Parent, Grizzly Merger Sub 1, LLC, a Delaware limited liability company and direct Wholly Owned Subsidiary of Parent ("Merger LLC"), Grizzly Merger Sub 2, Inc., a Delaware corporation and direct Wholly Owned Subsidiary of Merger LLC ("Merger Sub"), and the Company, among other transactions contemplated by the Merger Agreement, Merger Sub will be merged with and into the Company (the "Merger"), with the Company surviving the Merger as a Wholly Owned Subsidiary of Parent, and immediately thereafter the Company will be merged with and into Merger LLC (the "Upstream Merger"), with Merger LLC surviving the Upstream Merger as a direct Wholly Owned Subsidiary of Parent;

WHEREAS, in connection with the negotiation and execution of the Merger Agreement and related agreements and the transactions contemplated thereby, (a) the board of directors of Parent has established a special committee thereof consisting only of independent and disinterested directors (the "Parent Special Committee") and (b) the board of directors of the Company has established a special committee thereof consisting only of independent and disinterested directors (the "Company Special Committee");

WHEREAS, as of the date of this Agreement, each Stockholder owns beneficially (references herein to "beneficial owner," "beneficial ownership" and "owns beneficially" shall have the meanings assigned to such terms under Rule 13d-3 of the Securities Exchange Act of 1934, and the rules and regulations promulgated thereunder, as amended from time to time) or of record, and, with respect to the Merger and the other transactions contemplated by the Merger Agreement, has the power to vote or direct the voting of, certain shares of Company Series A Common Stock, Company Series B Common Stock and Company Preferred Stock listed on Schedule A hereto (all such shares, the "Existing Shares"), and shares of Company Series A Common Stock, Company Series B Common Stock and Company Preferred Stock referred to collectively as the "Voting Stock"); and

WHEREAS, as a condition and inducement for Parent and the Company to enter into the Merger Agreement, Parent and the Company have required that each Stockholder, in his, her or its capacity as a stockholder of the Company, enter into this Agreement, and each Stockholder has agreed to enter into this Agreement.

NOW THEREFORE, in consideration of the foregoing, the mutual covenants and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound, the parties hereto agree as follows:

1. **Definitions.** Capitalized terms not defined in this Agreement have the meaning assigned to those terms in the Merger Agreement.

2. **Effectiveness; Termination.** This Agreement shall be effective upon signing. This Agreement shall automatically terminate upon the earliest to occur (the “Expiration Date”) of (a) such date and time as the Merger Agreement shall have been validly terminated in accordance with Article VII thereof, (b) the Effective Time, (c) the written agreement of Parent, the Company and the Stockholders to terminate this Agreement and (d) the date of any material modification, waiver or amendment of the Merger Agreement as in effect on the date of this Agreement that adversely affects the value or tax treatment of the consideration payable to the Stockholders or causes such consideration to include any property other than (i) Parent Series C Common Stock (and cash in lieu of fractional shares of Parent Series C Common Stock) for Company Series A Common Stock, (ii) Parent Series B Common Stock (and cash in lieu of fractional shares of Parent Series B Common Stock) for Company Series B Common Stock or (iii) Parent Preferred Stock for Company Preferred Stock, or adds new conditions or modifies any existing conditions to the consummation of the Merger that materially adversely affect any Stockholder, without the prior written consent of Malone; provided, that the representations, warranties, covenants and agreements contained in Sections 7, 8 and 9 of this Agreement will terminate at the Effective Time; provided, further, that (x) this Section 2 and Sections 11 through 26 of this Agreement shall survive any such termination, and (y) such termination shall not relieve any party of any liability or damages resulting from (1) fraud or (2) willful material breach by such party prior to termination, in each case, as determined by a court of competent jurisdiction pursuant to a final and nonappealable judgment. For purposes of this Agreement, (a) “fraud” means intentional and knowing common law fraud under Delaware law in the representations and warranties set forth in this Agreement and (b) “willful material breach” means a material breach of a party’s covenants and agreements set forth in this Agreement that is the consequence of an act or omission by a party with the knowledge that the taking of such act or failure to take such action would be a material breach of such party’s covenants or agreements.

3. **Voting Agreement.** From the date hereof until the Expiration Date (the “Support Period”), each Stockholder irrevocably and unconditionally hereby agrees that at any meeting (whether annual or special and each postponement, recess, adjournment or continuation thereof) of the Company Stockholders, however called, and in connection with any written consent of the Company Stockholders, such Stockholder shall:

(a) appear at such meeting or otherwise cause all of the Existing Shares and all other shares of Voting Stock or voting securities over which he, she or it has acquired beneficial or record ownership after the date hereof or otherwise has the power to vote or direct the voting of (including any shares of Voting Stock acquired by means of purchase, dividend or distribution, or issued upon the exercise of any stock options to acquire Voting Stock or the conversion of any convertible securities, or pursuant to any other equity awards or derivative securities or otherwise over which he, she or it has the power to vote) (together with the Existing Shares, collectively, the “Shares”), which he, she or it owns or controls as of the applicable record date, to be counted as present thereat for purposes of calculating a quorum; and

(b) so long as there has not been a Company Adverse Recommendation Change made by the Company Special Committee or the Company Board (acting at the recommendation of the Company Special Committee) in compliance with the Merger Agreement that has not been rescinded or otherwise withdrawn, vote or cause to be voted (including by proxy or written consent, if applicable) all such Shares (i) in favor of the adoption of the Merger Agreement and the approval of the transactions contemplated thereby, including the Merger, (ii) in favor of any proposal to adjourn or postpone such meeting of the Company Stockholders to a later date if such adjournment or postponement is proposed in compliance with the provisions of Section 5.7(e) of the Merger Agreement, (iii) against any action or proposal in favor of any Alternative Company Transaction, without regard to the terms of such Alternative Company Transaction or (iv) against any action,

proposal, transaction, agreement or amendment of the Company Charter or Company Bylaws, in each case of this clause (iv) which would reasonably be expected to (A) result in a breach of any covenant, representation or warranty or any other obligation or agreement of the Company contained in the Merger Agreement, or of any Stockholder contained in this Agreement for which the Stockholders have received prior notice from Parent or the Company that it reasonably expects that such action or proposal would result in a breach, or (B) prevent, impede, interfere with, delay, postpone, or adversely affect the consummation of the transactions contemplated by the Merger Agreement, including the Merger.

For the avoidance of doubt, the foregoing commitments apply to any Shares held by any trust, limited partnership or other entity directly or indirectly holding Shares for which any Stockholder serves as a partner, stockholder, trustee or in a similar capacity. To the extent any Stockholder does not have sole control of the voting determinations of such entity, such Stockholder agrees to exercise all voting rights or other voting determination rights he, she or it has in such entity to carry out the intent and purposes of his, her or its support and voting obligations in this paragraph and otherwise set forth in this Agreement. Each Stockholder represents, covenants and agrees that, (x) except for this Agreement, he, she or it has not entered into, and shall not enter into during the Support Period, any commitment, agreement, understanding or other similar arrangement with any person to vote or give instructions in any manner with respect to any Shares, including any voting agreement or voting trust and (y) except as expressly set forth herein or with respect to routine matters at an annual meeting of the Company Stockholders, he, she or it has not granted, and shall not grant during the Support Period, a proxy, consent or power of attorney with respect to any Shares. Each Stockholder agrees not to enter into any agreement or commitment with any person the effect of which would violate, or frustrate the intent of, the provisions of this Agreement. In furtherance and not in limitation of the foregoing, but only in the event and in each case that a Stockholder fails to be counted as present or fails to vote all of such Stockholder's Shares in accordance with this Agreement until the Expiration Date, each Stockholder hereby appoints Renee Wilm, for so long as she serves as Chief Legal Officer of Parent and the Company, or any other person acting as Chief Legal Officer of Parent and the Company and any designee thereof, and each of them individually, its proxy and attorney-in-fact, with full power of substitution and resubstitution, to vote or act by written consent (and to instruct nominees or record holders to vote or act by written consent) during the Support Period with respect to any and all of such Stockholder's Shares in accordance with this Section 3. This proxy and power of attorney are given to secure the performance of the duties of such Stockholder under this Agreement. Each Stockholder hereby agrees that this proxy and power of attorney granted by each such Stockholder shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient under applicable Law to support an irrevocable proxy and shall revoke any and all prior proxies granted by such Stockholder with respect to any Shares regarding the matters set forth in this Section 3. The power of attorney granted by each Stockholder herein is a durable power of attorney and shall survive the bankruptcy, death or incapacity of such Stockholder.

4. **Non-Solicitation.** Each Stockholder hereby agrees, and agrees to cause his, her or its controlled Affiliates (which, for the avoidance of doubt, does not include the Company or Parent) and its and their representatives not to, take any action which, were it taken by the Company or its Representatives, would violate Section 5.3 or Section 5.4 of the Merger Agreement, it being understood that any action in compliance with Section 5.3 or Section 5.4 of the Merger Agreement shall not be deemed a breach by any Stockholder of this Section 4.

5. **Transfer Restrictions Prior to the Merger.** Each Stockholder hereby agrees that he, she or it will not, during the Support Period, without the prior written consent of Parent and the Company, (a) convert any shares of Company Series B Common Stock into shares of Company Series A Common Stock, (b) other than pursuant to the Merger Agreement or the Exchange Agreement, directly or

indirectly, offer for sale, sell, transfer, exchange, convert, assign, give, tender in any tender or exchange offer, pledge, encumber, hypothecate or otherwise dispose of (by merger, by testamentary disposition, by operation of law or otherwise), either voluntarily or involuntarily, enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of, enter into any contract, option or other arrangement or understanding with respect to the sale, transfer, assignment, pledge, encumbrance, hypothecation or other disposition of (by merger, by testamentary disposition, by operation of law or otherwise) or otherwise convey or dispose of, any of the Shares, or any interest therein (including by merger, by testamentary disposition, by operation of law or otherwise), including the right to vote any such Shares, as applicable (a "Transfer"); provided, that such Stockholder may Transfer Shares for estate-planning purposes (including by testamentary disposition), or to a controlled Affiliate or with respect to a trust over which such Stockholder has sole or shared investment power, to a named beneficiary, so long as the transferee, prior to the time of Transfer, agrees in a signed writing reasonably satisfactory to Parent and the Company to be bound by and comply with the provisions of this Agreement, and such Stockholder provides at least five (5) Business Days' prior written notice (which shall include the written consent of the transferee agreeing to be bound by and comply with the provisions of this Agreement) to Parent and the Company, in which case such Stockholder shall remain responsible for any breach of this Agreement by such transferee, and provided, further, that the death of a Stockholder shall itself not be a Transfer of Shares so long as a Stockholder, or a controlled Affiliate of a Stockholder, continues to own such Shares as Shares covered under this Agreement and such controlled Affiliate agrees in a signed writing reasonably satisfactory to Parent and the Company to be bound by and comply with the provisions of this Agreement. Notwithstanding anything contained herein, each Stockholder will be permitted to (i) effect a bona fide pledge of Series A Common Stock or Company Preferred Stock (including any existing pledge) to any financial institution in connection with a bona fide financing transaction (a "Permitted Pledge") (so long as such pledge does not prevent or otherwise restrict in any manner such Stockholder from voting such shares pursuant to the provisions of this Agreement prior to any default and foreclosure under the indebtedness underlying such pledge) and (ii) grant a revocable proxy with respect to routine matters at an annual meeting of the Company Stockholders (provided such proxy does not apply with respect to any of the matters set forth in this Agreement, even if such matters are submitted to a vote at an annual meeting of the Company Stockholders).

6. **Representations of the Stockholders.** Each Stockholder represents and warrants to Parent and the Company as follows: (a) the Stockholder has full legal right, capacity and authority to execute and deliver this Agreement, to perform the Stockholder's obligations hereunder and to consummate the transactions contemplated hereby; (b) this Agreement has been duly and validly executed and delivered by the Stockholder and constitutes a valid and legally binding agreement of the Stockholder, enforceable against the Stockholder in accordance with its terms, and no other action is necessary to authorize the execution and delivery of this Agreement by the Stockholder or the performance of his, her or its obligations hereunder; (c) the execution and delivery of this Agreement by the Stockholder do not, and the consummation of the transactions contemplated hereby and the compliance with the provisions hereof will not, conflict with or violate any law applicable to such Stockholder or result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an Encumbrance on any of the Shares pursuant to, any agreement or other instrument or obligation binding upon the Stockholder or any of the Shares, nor require any authorization, consent or approval of, or filing with, any Governmental Authority other than pursuant to the Exchange Act, the Securities Act and the HSR Act; (d) subject to the Permitted Pledges, the Stockholder owns beneficially and has the power to vote or direct the voting of, the Stockholder's Shares, including the Existing Shares of such Stockholder, a complete and accurate schedule of which is set forth opposite such Stockholder's name on Schedule A; (e) the Stockholder owns beneficially the Stockholder's Shares, including the Existing Shares of such

Stockholder, free and clear of any proxy, voting restriction, adverse claim or other Encumbrance (other than any Permitted Pledge and any restrictions created by the Transaction Documents or under applicable federal or state securities laws); and (f) the Stockholder or his, her or its advisers has read and is familiar with the terms of the Merger Agreement and the other agreements and documents contemplated herein and therein.

7. **Representations and Warranties of Malone.** Malone hereby represents and warrants that he is not aware of any fact, agreement, plan or other circumstance, and has not taken any action, which fact, agreement, plan, circumstance or action would reasonably be expected to prevent or preclude Malone from delivering the Malone Closing Representation Letter immediately prior to the Closing.

8. **Representations of Parent and the Company.**

(a) Parent represents and warrants to each Stockholder as follows: (1) Parent has full legal right, capacity and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby; (2) this Agreement has been duly and validly executed and delivered by Parent and constitutes a valid and legally binding agreement of Parent, enforceable against Parent in accordance with its terms, and no other action is necessary to authorize the execution and delivery of this Agreement by Parent or the performance of its obligations hereunder; (3) the execution and delivery of this Agreement by Parent does not, and the consummation of the transactions contemplated hereby and the compliance with the provisions hereof will not, conflict with or violate any law applicable to Parent or result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an Encumbrance on any property of Parent pursuant to, any agreement or other instrument or obligation binding upon Parent or any of its property, nor require any authorization, consent or approval of, or filing with, any Governmental Authority other than pursuant to the Exchange Act, the Securities Act or the HSR Act.

(b) The Company represents and warrants to each Stockholder as follows: (1) the Company has full legal right, capacity and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby; (2) this Agreement has been duly and validly executed and delivered by the Company and constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, and no other action is necessary to authorize the execution and delivery of this Agreement by the Company or the performance of its obligations hereunder; (3) the execution and delivery of this Agreement by the Company does not, and the consummation of the transactions contemplated hereby and the compliance with the provisions hereof will not, conflict with or violate any law applicable to the Company or result in any breach of or violation of, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of an Encumbrance on any property of the Company pursuant to, any agreement or other instrument or obligation binding upon the Company or any of its property, nor require any authorization, consent or approval of, or filing with, any Governmental Authority other than pursuant to the Exchange Act, the Securities Act or the HSR Act.

9. **Certain Covenants.** Malone will cooperate with Split-Off Tax Counsel by providing appropriate representations as to factual matters on the Closing Date, including the representations in the Malone Closing Representation Letter, and immediately prior to the Closing, Malone shall execute and deliver the Malone Closing Representation Letter to Split-Off Tax Counsel; provided, however, that Malone will be deemed to satisfy his obligation under this Section 9 in the event that (x) any of

Parent, the Company or Split-Off Tax Counsel withholds its consent to any material changes, updates or refinements to any representations made in the Malone Signing Representation Letter that Malone has reasonably requested to be made in the Malone Closing Representation Letter as may be reasonably necessary to reflect any changes in, or clarifications of, facts prior to Closing to the extent that similar or analogous changes, updates or refinements to representations reflecting the same changes in, or clarifications of, fact are made with respect to any other Closing Split-Off Tax Opinion Representation Letter or (y) Parent or the Company does not execute and deliver to Split-Off Tax Counsel immediately prior to Closing the Parent Closing Split-Off Tax Opinion Representation Letter or the Company Closing Split-Off Tax Opinion Representation Letter, respectively.

10. **Antitrust Filings.** Parent, the Company and each Stockholder shall make an appropriate filing, if necessary, pursuant to the HSR Act with respect to the transactions contemplated by or related to the Merger Agreement as promptly as practicable after the date of this Agreement and shall supply as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be reasonably requested pursuant to the HSR Act. Prior to making any application to or filing with any Governmental Authority in connection with the transactions contemplated by or related to the Merger Agreement, each party hereto will provide the other party with any information or documents that the other party may reasonably require to prepare any such filing or application.

11. **Publicity.** Each Stockholder hereby authorizes Parent and the Company to publish and disclose in any documents and schedules filed with the SEC, and any press release or other disclosure document that Parent or the Company determines to be necessary or desirable in connection with this Agreement, the other Transaction Documents or the transactions contemplated hereby or thereby (including, but not limited to, in the Registration Statement, the Joint Proxy Statement or any other filing with any Governmental Authority made in connection with the Merger) such Stockholder's identity and ownership of the Shares, this Agreement and the nature of such Stockholder's commitments, arrangements and understandings under this Agreement and such other information required in connection with such disclosure. Each Stockholder agrees to notify Parent and the Company as promptly as practicable of any inaccuracies or omissions in any information relating to the Stockholders that is so published or disclosed.

12. **Entire Agreement.** This Agreement (including the schedules hereto), the Exchange Agreement and the Merger Agreement constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. Except as provided in Section 13 with respect to Indemnified Parties, nothing in this Agreement, express or implied, is intended to or shall confer upon any person not a party to this Agreement any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Parent acknowledges and agrees that, except as expressly provided herein, nothing in this Agreement shall be deemed to vest in Parent any direct or indirect ownership or incidence of ownership of or with respect to any Shares.

13. **Indemnification.**

(a) Company (the "Indemnifying Party") covenants and agrees, on the terms and subject to the limitations set forth in this Agreement, to indemnify and hold harmless each Stockholder (and each of his or her respective successors and assigns), in each case in his or her capacity as a shareholder of the Company (each in such capacity, an "Indemnified Party"), from and against any and all Losses (as defined below) incurred in connection with, arising out of or resulting from any claims, demands, actions, proceedings or investigations (each, an "Action" and collectively, "Actions") arising out of this Agreement or the Exchange Agreement or the performance of such Indemnified Party

hereunder or thereunder (including any Actions brought by any of the stockholders, directors, officers or employees of the Company). For purposes of this Section 13, “Losses” means any loss (including disgorgement of consideration), liability, cost, damage or expense (including, without duplication, reasonable fees and expenses of counsel, accountants, consultants and other experts) related to an Action for which an Indemnified Party is entitled to indemnification pursuant to this Agreement; provided, however, that any diminution in value of Parent Capital Stock or Company Capital Stock shall not constitute a Loss.

(b) Notwithstanding anything herein to the contrary, the Indemnifying Party will not be obligated to provide indemnity hereunder to any Indemnified Party with respect to any Losses which (x) result from such Indemnified Party's fraud, bad faith, willful misconduct or gross negligence or (y) result from any breach of any representation and warranty of such Indemnified Party contained in this Agreement, the Exchange Agreement, the Malone Signing Representation Letter or the Malone Closing Representation Letter, or any breach of any covenant or agreement made or to be performed by such Indemnified Party under this Agreement or the Exchange Agreement.

(c) The Indemnifying Party will indemnify the Indemnified Parties pursuant to this Section 13 regardless of whether such Losses are incurred prior to or after the Effective Time. The indemnification provided pursuant to this Section 13 is in addition to, and not in derogation of, any other rights an Indemnified Party may have under applicable law, the Governance Instruments, the Parent Governance Instruments, or pursuant to any contract, agreement or arrangement (including, for the avoidance of doubt, under the Merger Agreement); provided, however, that Losses will not be duplicated. Subject to Section 13(j), if an Indemnified Party receives an indemnification payment pursuant to this Agreement and later receives insurance proceeds or other third-party recovery proceeds in respect of the related Losses, then the Indemnified Party shall promptly remit to the Indemnifying Party, amounts equal to the lesser of (x) the amount of such insurance proceeds or other third-party recovery proceeds, if any, and (y) the amount of the indemnification payment previously paid by or on behalf of the Indemnifying Party with respect to such Losses.

(d) Promptly after the receipt by any Indemnified Party of notice with respect to any Action that is or may be subject to indemnification hereunder (each, an “Indemnifiable Claim”) (and in no event more than ten Business Days after such event), such Indemnified Party shall give written notice thereof to the Indemnifying Party, which notice will include, to the extent known, the basis for such Indemnifiable Claim and copies of any pleadings or written demands relating to such Indemnifiable Claim and, promptly following request therefor, shall provide any additional information in respect thereof that the Indemnifying Party may reasonably request; provided, that (x) any delay in giving or failure to give such notice will not affect the obligations of the Indemnifying Party hereunder except to the extent the Indemnifying Party is actually prejudiced as a result of such delay in or failure to notify and (y) no such notice shall be required to be given to the Indemnifying Party to the extent that the Indemnifying Party or any of its respective Affiliates is a party to any such Indemnifiable Claim.

(e) Subject to Section 13(f), Section 13(g), and Section 13(j), the Indemnifying Party shall be entitled to exercise full control of the defense, compromise or settlement of any Indemnifiable Claim in respect of an Action commenced or made by a Person who is not a party to this Agreement or an Affiliate of a party to this Agreement (a “Third Party Indemnifiable Claim”) so long as, within ten Business Days after the receipt of notice of such Third Party Indemnifiable Claim from the Indemnified Party (pursuant to Section 13(d)) (or, if later, within ten Business Days of conclusion of the negotiations contemplated by Section 13(j)), the Indemnifying Party: (x) delivers a written confirmation to such Indemnified Party that the indemnification provisions of Section 13 are applicable, subject only to the limitations set forth in this Agreement, to such Third Party Indemnifiable Claim and

that the Indemnifying Party will indemnify such Indemnified Party in respect of such Third Party Indemnifiable Claim to the extent required by this Section 13, and (y) notifies such Indemnified Party in writing that the Indemnifying Party will assume the control of the defense thereof. Following notification to such Indemnified Party of the assumption of the defense of such Third Party Indemnifiable Claim, the Indemnifying Party shall retain legal counsel reasonably satisfactory to such Indemnified Party to conduct the defense of such Third Party Indemnifiable Claim. If the Indemnifying Party so assumes the defense of any such Third Party Indemnifiable Claim in accordance herewith, subject to the provisions of subsections (d) through (f) and subsection (j) of this Section 13, (A) the Indemnifying Party shall be entitled to exercise full control of the defense, compromise or settlement of such Third Party Indemnifiable Claim and such Indemnified Party shall cooperate (subject to the Indemnifying Party's agreement to reimburse such Indemnified Party for all documented reasonable out-of-pocket expenses incurred by such Indemnified Party in connection with such cooperation) with the Indemnifying Party in any manner that the Indemnifying Party reasonably may request in connection with the defense, compromise or settlement thereof (subject to the last sentence of this Section 13(e)), and (B) such Indemnified Party shall have the right to employ separate counsel selected by such Indemnified Party and to participate in (but not control) the defense, compromise or settlement thereof and the Indemnifying Party shall pay up to \$1,000,000.00 (the "Separate Counsel Cap") of the reasonable fees and expenses of one such separate counsel, and, if reasonably necessary, one local counsel. No Indemnified Party shall settle or compromise or consent to entry of any judgment with respect to any such Action (or part thereof) for which it is entitled to indemnification and to which the Indemnifying Party has provided the written confirmation specified in clause (x) above without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, delayed or conditioned). Without the prior written consent of each of the Indemnified Parties who are named in the Action subject to the Third Party Indemnifiable Claim (which consent shall not be unreasonably withheld, delayed or conditioned), the Indemnifying Party will not settle or compromise or consent to the entry of judgment with respect to any Indemnifiable Claim (or part thereof) unless such settlement, compromise or consent (x) includes an unconditional release of such Indemnified Parties, (y) does not include any admission of wrongdoing on the part of such Indemnified Parties and (z) does not enjoin or restrict in any way the future actions or conduct of such Indemnified Parties (other than in a manner consistent with the terms of the subject instruments).

(f) Notwithstanding Section 13(e), an Indemnified Party, at the expense of the Indemnifying Party (it being understood, however, that the Indemnifying Party shall not be liable for the expenses of more than one separate counsel (in addition to one local counsel in each applicable jurisdiction) representing the Indemnified Party), shall, subject to the last sentence of this Section 13(f), be entitled to separately control the defense, compromise or settlement of any Third Party Indemnifiable Claim (x) as to such Indemnified Party if the Indemnified Party with the opinion of external counsel shall have reasonably concluded that there exists any actual conflict of interest relating to the defense of such Action between the Indemnified Party and the Indemnifying Party and (y) subject to Section 13(j), as to which the Indemnifying Party has previously assumed control in the event the Indemnifying Party is not diligently pursuing such defense. No Indemnified Party shall settle or compromise or consent to entry of any judgment with respect to any Action with respect to which it controls the defense thereof pursuant to this Section 13(f) and for which it is entitled to indemnification without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed.

(g) In all instances under this Section 13 where the Indemnifying Party has agreed to pay the fees, costs and expenses of the Indemnified Parties, such fees, costs and expenses shall be reasonable. The parties agree to cooperate and coordinate in connection with the defense, compromise or settlement of any Indemnifiable Claims.

(h) In addition to (but without duplication of) the Indemnified Party's right to indemnification as set forth in this Section 13, if so requested by an Indemnified Party, the Indemnifying Party shall also advance to such Indemnified Party (within ten Business Days of such request) any and all documented reasonable out-of-pocket fees, costs and expenses incurred by an Indemnified Party in accordance with this Section 13 in connection with investigating, defending, being a witness in or participating in (including any appeal), or preparing to defend, be a witness in or participate in, any Indemnifiable Claim (other than an Indemnifiable Claim initiated by the Indemnified Party or in which the Company or Parent alleges a breach by the Indemnified Party of any representation and warranty of such Indemnified Party contained in this Agreement, the Exchange Agreement, the Malone Signing Representation Letter or the Malone Closing Representation Letter, or any breach of any covenant or agreement made or to be performed by such Indemnified Party under this Agreement or the Exchange Agreement), including, without duplication, reasonable fees and expenses of legal counsel, accountants, consultants and other experts ("Expense Advances").

(i) Each Stockholder agrees that he or she will repay Expense Advances made to him or her (or paid on his or her behalf) by the Indemnifying Party pursuant to this Section 13 if it is ultimately finally determined by a court of competent jurisdiction that he or she is not entitled to be indemnified pursuant to this Section 13.

(j) Notwithstanding anything to the contrary herein, in the event, at any time prior to the Effective Time, an Action that is a Third Party Indemnifiable Claim under this Agreement and is also, or is consolidated with, an Action that is a Third Party Indemnifiable Claim under the voting agreement of even date herewith by and among Parent, the Company and the stockholders signatory thereto with respect to the Parent Common Stock (the "Parent Voting Agreement") and such Action or consolidated Actions, a "Consolidated Action" or "Consolidated Actions"), Parent, the Company and Malone shall negotiate in good faith such that (i) Parent and the Company equitably contribute to any Losses and Expense Advances that might become payable under this Agreement and the Parent Voting Agreement with respect to such Consolidated Action or Consolidated Actions; *provided, that*, the amount (if any) contributed by each of Parent and the Company pursuant to subsection (B) of Section 13(e) of either this Agreement or the Parent Voting Agreement shall be considered paid for purposes of the Separate Counsel Cap under both this Agreement and the Parent Voting Agreement, without duplication, and (ii) one or both of Parent or the Company may assume control of the defense of the Indemnified Parties (but not any other Person) in such Consolidated Action or Consolidated Actions on the terms and subject to the conditions set forth herein (in the case the Company so assumes such defense) or in the Parent Voting Agreement (in the case Parent so assumes such defense).

(k) If the Company or any of its respective successors or assigns shall (i) consolidate with, or merge with or into, any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties or assets to any Person (including, for the avoidance of doubt, by cancelling or otherwise eliminating all or substantially all of its properties or assets), then, in each case, the Company or any of its respective successors or assigns shall take such action as may be necessary so that such Person (and its successors and assigns) shall assume all of the applicable obligations set forth in this Section 13; provided, however, that this obligation shall be deemed satisfied in connection with, and upon consummation of, the Upstream Merger.

14. **Assignment.** Except as provided in Section 5 of this Agreement, neither this Agreement nor any of the rights or obligations hereunder shall be assigned by any of the parties hereto without the prior written consent of the other parties. Any attempted assignment in violation of this Section 14 shall be null and void *ab initio*. Subject to the preceding two sentences, this Agreement will be binding

upon, inure to the benefit of and be enforceable by, the parties and their respective successors and assigns and, in the event of a Stockholder's death, such Stockholder's heirs, executors, administrators, testamentary trustees, legatees or beneficiaries.

15. **Director/Officer.** Notwithstanding anything to the contrary contained in this Agreement, each Stockholder is entering into this Agreement solely in his, her or its capacity as a beneficial owner of such Stockholder's Shares, and nothing herein is intended to or shall limit, affect or restrict any director or officer of the Company solely in his or her capacity as a director or officer of the Company or any of its Subsidiaries (including voting on matters put to such board or any committee thereof, influencing officers, employees, agents, management or the other directors of the Company or any of its Subsidiaries and taking any action or making any statement at any meeting of such board or any committee thereof), in each case solely in his or her capacity as a director or officer of the Company or any of its Subsidiaries in the exercise of his or her fiduciary duties as a director or officer of the Company or its Subsidiaries.

16. **Further Assurances.** Each party hereto agrees, from time to time, at the reasonable request of any other party hereto and without further consideration, to execute and deliver such additional consents, documents and other instruments and to take such further actions as are reasonably requested to effectuate the matters covered by this Agreement.

17. **Remedies/Specific Enforcement.** Each of the parties hereto agrees that this Agreement is intended to be legally binding and specifically enforceable pursuant to its terms and that the other parties would be irreparably harmed if any of the provisions of this Agreement are not performed in accordance with its specific terms and that monetary damages would not provide adequate remedy in such event. Accordingly, in the event of any breach or threatened breach by any party hereto of any covenant or obligation contained in this Agreement, in addition to any other remedy to which the other parties may be entitled (whether at law or in equity), the other parties shall be entitled to injunctive relief to prevent breaches or threatened breaches of this Agreement and to specifically enforce the terms and provisions hereof, and each party hereto hereby waives any defense in any action for specific performance or an injunction or other equitable relief, that a remedy at law would be adequate. Each party hereto further agrees that no party or any other person or entity shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this paragraph, and each party hereto irrevocably waives any right he, she or it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

18. **Governing Law; Jurisdiction; Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of law. The parties hereto hereby irrevocably submit to the jurisdiction of the Delaware Court of Chancery or, in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, of the United States District Court for the District of Delaware in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the matters contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in the Delaware Court of Chancery, or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the District of Delaware, or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined exclusively in the Delaware Court of Chancery, or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, in the

United States District Court for the District of Delaware. The parties hereto hereby consent to and grant the Delaware Court of Chancery, or in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or proceeding, the United States District Court for the District of Delaware, jurisdiction over the person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided herein or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

19. **Notice.** All notices, requests, claims, demands and other communications under this Agreement shall be in writing and shall be deemed given (a) on the date of delivery if delivered personally or sent via e-mail or (b) on the first (1st) Business Day following the date of dispatch if sent by a nationally recognized overnight courier (providing proof of delivery), in each case to the parties hereto at the following addresses (or at such other address for a party as shall be specified by like notice);

20. **Severability.** Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision will be interpreted so as reasonably to effect the intent of the parties hereto. Upon such determination that any term or other provision is invalid, illegal, void or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

21. **Amendments; Waivers.** Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed (a) in the case of an amendment, by Parent, the Company and each Stockholder, and (b) in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

22. **Waiver of Jury Trial.** EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY

IN RESPECT OF ANY LITIGATION ARISING OUT OF OR RELATING TO THIS AGREEMENT.

23. **Counterparts.** The parties may execute this Agreement in one or more counterparts, including by facsimile or other electronic signature. All the counterparts will be construed together and will constitute one Agreement.
24. **Action by Parent and the Company.** Actions taken under this Agreement (a) on behalf of Parent will be taken only with the approval of the Parent Special Committee (if such committee is in existence at the time such action is to be taken) and (b) on behalf of the Company will be taken only with the approval of the Company Special Committee (if such committee is in existence at the time such action is to be taken).
25. **Interpretation.** When a reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. The words “hereof”, “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. When this Agreement contemplates a certain number of securities, as of a particular date, such number of securities shall be deemed to be appropriately adjusted to account for stock splits, dividends, recapitalizations, combinations of shares or other changes affecting the such securities.
26. **Expenses.** The Company shall pay the reasonable out-of-pocket costs and expenses incurred by each of the Stockholders in connection with the preparation, negotiation, execution and delivery of this Agreement, including the reasonable fees, charges and disbursements of advisors, representatives and counsel for the Stockholders in connection therewith (the “Voting Agreement Fees”), and any required filing fee in connection with the filings made on behalf of the Stockholders described in this Agreement and the Merger Agreement; provided, however, that the amount of costs and expenses the Company shall pay in the aggregate for the Voting Agreement Fees shall not exceed \$62,500.00. “Voting Securities” shall have the meaning set forth in the Parent Charter, together with any shares of a new class or series of capital stock of Parent issued after the date hereof which by the terms of any amendment to the Parent Charter (including through the effectiveness of a Preferred Stock Designation (as defined in the Parent Charter)) is designated as a Voting Security.

“Waived Parent Series B Shares” means the portion of the shares of Parent Series B Common Stock that, but for the waiver contained in Section 2 hereof, would have been issued to the Trust pursuant to the Merger which shall be equal to the minimum number of whole shares of Parent Series B Common Stock which must be subtracted from the total number of shares of Parent Series B Common Stock to which the Trust is entitled to receive pursuant to the Merger such that the Malone Voting Power immediately following the Effective Time is as close as possible to being equal to, but without being greater than, the Target Voting Power.

“Waiver” has the meaning set forth in Section 2.

2. Waiver; Combination Closing Issuance. The Trust hereby waives its right to receive in the Merger as Series B Consideration the Waived Parent Series B Shares (the “Waiver”) and, at the Effective Time, Parent shall issue to the Trust the Initial Malone Series C Exchangeable Shares (the “Combination Closing Issuance”).
3. Exchange Upon Dilutive Events.
 - (a) If Parent proposes to consummate any Dilutive Event or receives notice of any occurrence, event or fact that would reasonably be expected to cause, or has caused, a Dilutive Event, Parent shall provide prompt written notice to Dr. Malone (a “Dilutive Event Notice”), specifying the nature and timing of the Dilutive Event and a reasonable estimate of the Malone Voting Power after giving effect to such Dilutive Event (for the avoidance of doubt, without giving effect to any Dilutive Event Exchange in respect thereof).

- (b) No later than five (5) Business Days after the later of (x) receipt of a Dilutive Event Notice by Dr. Malone or (y) occurrence of the Dilutive Event, Dr. Malone may deliver to Parent written notice (an “Exchange Notice”), specifying the number of Malone Series C Exchangeable Shares to be exchanged by one or both of Dr. Malone and the Trust for shares of Parent Series B Common Stock (collectively, the “Dilutive Event Series C Exchangeable Shares”); provided, that the number of Dilutive Event Series C Exchangeable Shares may not exceed the lesser of (i) such number of shares of Parent Series B Common Stock, the incremental beneficial ownership of which by Dr. Malone or the Trust would cause the Malone Voting Power immediately following the consummation and closing of such Dilutive Event Exchange to be as close as possible to being equal to, but without being greater than, the Target Voting Power, and (ii) the number of Available Parent Series B Shares at such time.
- (c) The consummation and closing of any Dilutive Event Exchange will take place as promptly as practicable following the later of (i) the delivery of an Exchange Notice and (ii) the receipt of any necessary regulatory approvals required for Dr. Malone and Parent to complete such Dilutive Event Exchange (including pursuant to the HSR Act or any other Competition Law) (the “Dilutive Event Exchange Closing”), and at a location and time agreed to by Dr. Malone and Parent; *provided, however*, that the conditions set forth in Sections 11, 12 and 13 shall have been satisfied (or waived by the party entitled to the benefit of same).
- (d) At any Dilutive Event Exchange Closing, on the terms and subject to the conditions contained in this Agreement (including after giving effect to any adjustments in accordance with Section 20(d) hereof), Dr. Malone and the Trust, as applicable, shall convey, transfer and deliver to Parent their respective number of Dilutive Event Series C Exchangeable Shares specified in the Exchange Notice for such Dilutive Event Exchange Closing free and clear of all Encumbrances other than Permitted Encumbrances, and, in exchange therefor, Parent shall issue and/or deliver to Dr. Malone and the Trust, as applicable, such number of shares of Parent Series B Common Stock as is equal to such number of Dilutive Event Series C Exchangeable Shares delivered by Dr. Malone and the Trust, respectively (the transactions described in this clause (d) being a “Dilutive Event Exchange”, and such shares of Parent Series B Common Stock so delivered pursuant to a Dilutive Event Exchange, the “Dilutive Event Parent Series B Exchange Shares”), which Dilutive Event Parent Series B Exchange Shares shall be duly authorized, validly issued, fully paid and nonassessable and free and clear of all Encumbrances other than Permitted Encumbrances.
- (e) At any Dilutive Event Exchange Closing, Parent and Dr. Malone will duly execute and deliver a cross receipt acknowledging the receipt by Dr. Malone or the Trust of the Dilutive Event Parent Series B Exchange Shares and the receipt by Parent of the Dilutive Event Series C Exchangeable Shares.

4. Reverse Exchange Upon Accretive Events.

- (a) If Parent proposes to consummate any Accretive Event or receives notice of any occurrence, event or fact that would reasonably be expected to cause, or has caused, an Accretive Event, Parent shall provide prompt written notice to Dr. Malone (an “Accretive Event Notice”), specifying the nature and timing of the Accretive Event and a reasonable estimate of the Malone Voting Power after giving effect to such Accretive

Event (for the avoidance of doubt, without giving effect to any Reverse Exchange in respect thereof) and its reasonable estimate of the Reverse Exchange Malone Series B Exchange Shares to be delivered at the Reverse Exchange Closing relating to such Accretive Event Notice.

- (b) No later than the earlier of (x) five (5) Business Days after receipt of an Accretive Event Notice by Dr. Malone and (y) the date on which an Accretive Event is to occur, but in any event prior to or concurrently with the consummation of the Accretive Event, Dr. Malone or the Trust and Parent shall consummate a Reverse Exchange (the “Reverse Exchange Closing”) at a location and time agreed to by Dr. Malone and Parent; *provided, however*, that the conditions set forth in Sections 11, 12 and 13 shall have been satisfied (or waived by the party entitled to the benefit of same).
 - (c) At a Reverse Exchange Closing, on the terms and subject to the conditions contained in this Agreement (including after giving effect to any adjustments in accordance with Section 20(d) hereof), Dr. Malone or the Trust shall deliver to Parent the number of shares of Parent Series B Common Stock that would cause the Malone Voting Power to be as close as possible to being equal to, but without being greater than, the Target Voting Power after giving effect to the Accretive Event and such Reverse Exchange Closing (the “Reverse Exchange Malone Series B Exchange Shares”), free and clear of all Encumbrances other than Permitted Encumbrances, and, in exchange therefor, Parent shall issue and/or deliver to Dr. Malone and the Trust, as applicable, the number of shares of Parent Series C Common Stock as is equal to the number of Reverse Exchange Malone Series B Exchange Shares delivered by Dr. Malone and the Trust, respectively (the transactions described in this clause (c) being a “Reverse Exchange” and such shares of Parent Series C Common Stock so delivered pursuant to an Reverse Exchange, the “Reverse Exchange Parent Series C Exchange Shares”), and such shares shall be duly authorized, validly issued, fully paid and nonassessable and free and clear of all Encumbrances other than Permitted Encumbrances.

5. Exchange Upon Fundamental Events. In the event that Parent proposes to consummate a Fundamental Event, then either, at Parent's sole discretion (as approved by a majority of the Independent Directors), either (x) Parent shall provide for Dr. Malone or the Trust to receive the same per share amount and form of consideration for each Malone Series C Exchangeable Share then outstanding and beneficially owned by Dr. Malone or the Trust as the per share amount and form of consideration to be received by holders of Parent Series B Common Stock in such Fundamental Event, and Dr. Malone or the Trust, as applicable, will waive (or cause to be waived) the right to receive the consideration that otherwise would be received with respect to such Malone Series C Exchangeable Shares or (y) immediately prior to the consummation of the Fundamental Event, Parent and Dr. Malone shall consummate, and Parent and the Trust shall separately consummate, an exchange whereby Parent shall issue and/or deliver to Dr. Malone and the Trust, as applicable, one share of Parent Series B Common Stock for each Malone Series C Exchangeable Share then outstanding and beneficially owned by Dr. Malone or the Trust, respectively, in an aggregate amount not to exceed the Available Parent Series B Shares (the “Fundamental Event Parent Series B Exchange Shares”) and Dr. Malone and the Trust, as applicable, shall deliver to Parent their respective Malone Series C Exchangeable

Shares (the “Fundamental Event Series C Exchangeable Shares”), which shall result in Dr. Malone and the Trust holding shares of Parent Series B Common Stock (in lieu of such Malone Series C Exchangeable Shares) that are entitled to receive the same per share amount and form of consideration to be received by Dr. Malone and the Trust, respectively, for his or its other shares of Parent Series B Common Stock (a “Fundamental Event Exchange” and the consummation of a Fundamental Event Exchange, a “Fundamental Event Exchange Closing”).

6. Rescission. If, following an Exchange Closing, the applicable Exchange Event is not consummated either prior to or within ten (10) Business Days following such Exchange Closing, (i) the applicable Exchange will be automatically rescinded and treated as if neither the Exchange nor the Exchange Closing had ever occurred (the “Rescission”); (ii) each of Parent, Dr. Malone and the Trust hereby waives, and none of Parent, Dr. Malone or the Trust shall have, any rights, duties or obligations of any kind (other than rights, duties or obligations to effect the Rescission) in respect of the Exchange to receive or retain, (x) in the case of Dr. Malone and the Trust, (A) following any Dilutive Event Exchange Closing, any Dilutive Event Parent Series B Exchange Shares; (B) following any Reverse Exchange Closing, any Reverse Exchange Parent Series C Exchange Shares; and (C) following any Fundamental Event Exchange Closing, any Fundamental Event Parent Series B Exchange Shares (such shares referred to in clauses (A), (B) and (C), collectively the “Malone Rescission Shares”), and, (y) in the case of Parent, (A) following any Dilutive Event Exchange Closing, any Dilutive Event Series C Exchangeable Shares; (B) following any Reverse Exchange Closing, any Reverse Exchange Malone Series B Exchange Shares; and (C) following any Fundamental Event Exchange Closing, any Fundamental Event Series C Exchangeable Shares (such shares referred to in clauses (A), (B) and (C), collectively the “Parent Rescission Shares”); and (iii) each of Parent, on the one hand, and Dr. Malone and the Trust, on the other hand, will take such actions as are reasonably necessary to effect such Rescission, and each will be deemed, upon the effectiveness of such Rescission, to make appropriate representations and warranties to the other with respect to the valid issuance and conveyance, as applicable, and the lack of any Encumbrances upon the Malone Rescission Shares or Parent Rescission Shares (other than Permitted Encumbrances), as applicable, so as to vest in the other good and valid title to the Malone Rescission Shares or Parent Rescission Shares, as applicable.

11. Conditions to Parties' Obligation to Effect an Exchange. The respective obligations of Parent, Dr. Malone and the Trust to effect any Exchange shall be subject to the satisfaction, by each of Dr. Malone, the Trust and Parent prior to or at the relevant Exchange Closing of the following conditions:

 - (b) Dilutive Event. In the case of a Dilutive Event Exchange, the relevant Dilutive Event shall have occurred.
 - (c) Accretive Event. In the case of a Reverse Exchange, the relevant Accretive Event shall be reasonably expected to occur concurrently with or promptly following the Reverse Exchange.

- (a) Representations and Warranties. The representations and warranties of Dr. Malone and the Trust set forth in Section 7(a) shall be true and correct in all material respects in each case as of the date of this Agreement and as of the Exchange Closing as though made on and as of the Exchange Closing, except for (x) those representations

and warranties made as of a specified date, which shall be true and correct in all material respects as of such date, and (y) *de minimis* inaccuracies;

- (b) Covenants. Dr. Malone and the Trust shall have performed in all material respects all covenants required to be performed by them prior to or at such Exchange Closing; and
 - (c) Closing Certificate. Dr. Malone and the Trust shall have delivered to Parent a certificate duly signed by Dr. Malone, individually and as trustee of the Trust, that the conditions set forth in Sections 12(a) and (b) have been satisfied.

14. Termination. This Agreement will terminate and immediately cease to be of any further force and effect (i) pursuant to the mutual consent of each of the parties hereto in a written instrument (in the case of Parent, upon the approval of the Parent Special Committee or a majority of Independent Directors), (ii) upon any event resulting in the reduction of the Available Parent Series B Shares to zero, (iii) upon execution of a Successor Exchange Agreement, or (iv) upon termination of the Merger Agreement if the Merger Agreement is terminated in accordance with its terms without the Combination Closing having occurred. If this Agreement is terminated in accordance with this Section 14, this Agreement shall forthwith become null and void and of no effect and the obligations of the parties hereto shall terminate, without Liability of any party (or any stockholder, director, officer, employee, consultant, financial advisor, legal counsel, financing source, accountant, insurer or other advisor, agent or representative of such party); *provided*, that, nothing contained herein shall relieve any party to this Agreement from any liability for damages resulting from (a) fraud or (b) willful material breach by such party prior to such termination, in each case, as determined by a court of competent jurisdiction pursuant to a final and nonappealable judgment. For purposes of this Agreement, "willful material breach" means a material breach of a party's covenants and agreements set forth in this Agreement that is the consequence of an act or omission by a party with the knowledge that the taking of such act or failure to take such action would be a material breach of such party's covenants or agreements (*provided*, that, with respect to Parent, knowledge includes the actual knowledge, after due inquiry of any of the Senior Management of Parent).

15. Applicable Law. All disputes, claims or controversies arising out of or relating to this Agreement, or the negotiation, validity or performance of this Agreement, the Waiver and Combination Closing Issuance or any Exchange and the other transactions contemplated hereby shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to its rules of conflict of Laws.
16. Jurisdiction. Each of the parties hereto (a) irrevocably and unconditionally consents to submit itself to the sole and exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, or, solely if that court does not have subject matter jurisdiction, the Superior Court of the State of Delaware, or, solely if the subject matter of the action is one over which exclusive jurisdiction is vested in the courts of the United States of America, a federal court sitting in the State of Delaware (collectively, the “Delaware Courts”) in connection with any dispute, claim, or controversy arising out of or relating to this Agreement, the Waiver and Combination Closing Issuance or any Exchange and the other transactions contemplated hereby, (b) waives any objection to the laying of venue of any such litigation in any of the Delaware Courts, (c) agrees not to plead or claim in any such court that such litigation brought therein has been brought in an inconvenient forum and agrees not otherwise to attempt to deny or defeat such personal jurisdiction or venue by motion or other request for leave from any such court, and (d) agrees that it will not bring any Action in connection with any dispute, claim, or controversy arising out of or relating to this Agreement, the Waiver and Combination Closing Issuance or any Exchange and the other transactions contemplated hereby, in any court or other tribunal, other than any of the Delaware Courts. All Actions arising out of or relating to this Agreement, the Waiver and Combination Closing Issuance or any Exchange and the other transactions contemplated hereby shall be heard and determined in the Delaware Courts. Each of the parties hereto hereby irrevocably and unconditionally agrees that service of process in connection with any dispute, claim, or controversy arising out of or relating to this Agreement, the Waiver and Combination Closing Issuance or any Exchange and the other transactions contemplated hereby may be made upon such party by prepaid certified or registered mail, with a validated proof of mailing receipt constituting evidence of valid service, directed to such party at the address specified in Section 19 hereof. Service made in such manner, to the fullest extent permitted by applicable Law, shall have the same legal force and effect as if served upon such party personally within the State of Delaware. Nothing herein shall be deemed to limit or prohibit service of process by any other manner as may be permitted by applicable Law.
17. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE COMBINATION CLOSING ISSUANCE OR ANY EXCHANGE AND THE OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF ANY PARTY HERETO IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT OF THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (C) IT MAKES SUCH WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 17.

18. Enforcement of this Agreement. The parties acknowledge and agree that irreparable damage would occur and that the parties would not have any adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement (without the obligation to post a bond therefor) and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity.

20. Miscellaneous.

- (a) Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the parties hereto without the prior written consent of the other parties hereto (in the case of Parent, acting upon the consent of the Parent Special Committee or the Independent Directors). Any purported assignment in breach of the foregoing is void and of no force and effect whatsoever. Subject to the foregoing, the provisions of this Agreement shall be binding upon and inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns, and, in the event of Dr. Malone's death, his heirs, executors, administrators, testamentary trustees, legatees or beneficiaries.
- (b) This Agreement may be executed in separate counterparts, each of which will be an original and all of which taken together will constitute one and the same agreement.
- (c) If, subsequent to the date hereof, further documents are reasonably requested in order to carry out the provisions and purposes of this Agreement, the parties hereto will execute and deliver such further documents.
- (d) When a reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include", "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation". The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. When this Agreement contemplates a certain number of securities, as of a particular date, such number of securities (including Available Parent B Shares) shall be deemed to be appropriately adjusted to account for stock splits, stock dividends, recapitalizations, combinations of shares or other change affecting the outstanding shares of Parent Common Stock or Voting Securities other than any Fundamental Event.
- (e) Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed (i) in the case of an amendment, by each of parties hereto (in the case of Parent, upon the approval of the Parent Special Committee or a majority of the Independent Directors), and (ii) in the case of a waiver, by the party against whom the waiver is to be effective (in the case of Parent, upon the approval of the Parent Special Committee or a majority of the Independent Directors). No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
- (f) If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, insofar as the foregoing can be accomplished without materially affecting the benefits anticipated by the parties to this Agreement. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall

negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the Exchanges and the other transactions contemplated hereby are fulfilled to the greatest extent possible.

- (g) The parties acknowledge and confirm that each of their respective attorneys have participated jointly in the drafting, review and revision of this Agreement and that it has not been written solely by counsel for one party and that each party has had the benefit of its independent legal counsel's advice with respect to the terms and provisions hereof and its rights and obligations hereunder. Each party hereto, therefore, stipulates and agrees that the rule of construction to the effect that any ambiguities are to be or may be resolved against the drafting party shall not be employed in the interpretation of this Agreement to favor any party against another and that no party shall have the benefit of any legal presumption or the detriment of any burden of proof by reason of any ambiguity or uncertain meaning contained in this Agreement.
- (h) Whether or not the Combination is consummated, all costs and expenses incurred or to be incurred with this Agreement and the transactions contemplated hereby will be paid by the party incurring such cost or expense; *provided*, that, Parent shall pay (or reimburse Dr. Malone and the Trust) all reasonable out-of-pocket costs and expenses incurred by Dr. Malone and the Trust, including the reasonable fees, charges and disbursements of counsel for Dr. Malone and the Trust and any filing fees due for any filings pursuant to any Competition Law, including the HSR Act, in each case, necessary or in connection with the preparation, negotiation, execution and consummation of this Agreement and any of the transactions contemplated by this Agreement, including the Combination Closing Issuance or any Exchange.

**ASSUMPTION AND JOINDER AGREEMENT
TO
TAX SHARING AGREEMENT**

This ASSUMPTION AND JOINDER AGREEMENT TO TAX SHARING AGREEMENT is made and entered into as of August 6, 2020 (the "Assumption and Joinder Agreement"), by and among Liberty Broadband Corporation, a Delaware corporation ("Parent"), GCI Liberty, Inc., a Delaware corporation (successor to GCI Liberty, Inc., an Alaska corporation ("GLIB (Alaska)") ("GLIB"), and Qurate Retail, Inc., a Delaware corporation (f/k/a Liberty Interactive Corporation) ("Qurate Retail"). Capitalized terms used but not defined herein will have the meanings ascribed thereto in the Tax Sharing Agreement (as defined below). References herein to GLIB for periods prior to the merger of GLIB (Alaska) into GCI Liberty, Inc. on May 10, 2018 refer to GLIB (Alaska).

WITNESSETH

WHEREAS, Qurate Retail and GLIB are parties to the Tax Sharing Agreement, dated as of March 9, 2018 (as the same may be amended from time to time, the "Tax Sharing Agreement");

WHEREAS, simultaneously with the execution of this Assumption and Joinder Agreement, Parent, Grizzly Merger Sub 1, LLC, a single member Delaware limited liability company and a direct wholly owned subsidiary of Parent ("Merger LLC"), Grizzly Merger Sub 2, Inc., a Delaware corporation and a direct wholly owned subsidiary of Merger LLC ("Merger Sub"), and GLIB are entering into the Agreement and Plan of Merger, dated as of August 6, 2020 (as the same may be amended from time to time, the "Merger Agreement"), pursuant to which, upon the terms and subject to the conditions set forth therein, (i) Merger Sub will merge (the "Merger") with and into GLIB, with GLIB surviving the Merger (the "Surviving Corporation"), and (ii) immediately following the Merger, GLIB as the surviving corporation in the Merger and a wholly owned subsidiary of Merger LLC, will merge with and into Merger LLC (the "Upstream Merger," and together with the Merger, the "Combination"), with Merger LLC surviving the Upstream Merger (the "Surviving Company"); and

WHEREAS, in connection with the execution of the Merger Agreement and the transactions contemplated thereby, Parent is entering into this Assumption and Joinder Agreement, pursuant to which Parent agrees, effective only upon (and subject to the occurrence of) the closing of the Merger (the "Closing"), to be bound by and perform all of the covenants and agreements made by GLIB (and the Surviving Corporation and the Surviving Company) under the Tax Sharing Agreement and to be jointly and severally liable with GLIB (and the Surviving Corporation and the Surviving Company) for all of the obligations and liabilities of GLIB (and the Surviving Corporation and the Surviving Company) under the Tax Sharing Agreement (collectively, the "Joint Obligations"), and Qurate Retail agrees, effective only upon (and subject to the occurrence of) the Closing, that Parent shall be entitled to exercise and enforce all of the rights of GLIB (and the Surviving Corporation and the Surviving Company) under the Tax Sharing Agreement (the "Joint Rights").

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, the parties to this Assumption and Joinder Agreement hereby agree as follows:

Section 1. Assumption and Joinder.

- (a) Parent will be, effective only as of (and subject to the occurrence of) the Closing, (i) bound by, and will perform and observe, the Joint Obligations, and (ii) jointly and severally

liable with GLIB (and the Surviving Corporation and the Surviving Company) for all of the Joint Obligations.

(b) Parent, together with GLIB (and the Surviving Corporation and the Surviving Company), will be, effective only as of (and subject to the occurrence of) the Closing, entitled to exercise and enforce all of the Joint Rights.

(c) Following the date hereof, in the event of (i) any sale, assignment, transfer or other disposition (whether or not for separate consideration) of all or substantially all of the assets of Parent (on a consolidated basis) to any Person or group including, without limitation, by means of a stock dividend, stock redemption, spin-off, split-off, cancellation or elimination of any securities (including, for the avoidance of doubt, any equity) or debt issued by such Person or a member of such group, or similar transaction or event or otherwise (each Person (1) whose securities are issued in payment or exchange therefor or (2) if no securities are so issued, who holds title to such assets or whose debt or securities are so cancelled or eliminated, a "Parent Asset Successor"), in one or a series of related transactions, or (ii) any merger, consolidation, statutory share exchange, conversion of Parent from a corporation to a limited liability company or other legal entity or other business combination or similar transaction or series of related transactions affecting Parent, that results in the exchange or conversion of equity securities of Parent for or into equity securities or other consideration consisting, in whole or in part, of (x) securities issued by Parent's successor or the surviving entity upon consummation of such transaction(s) (the "Parent Successor Entity") or, if the successor or surviving entity in such transaction(s) is a Subsidiary of a publicly traded or privately held parent company (the "Successor Parent Company"), securities of the Successor Parent Company delivered in such transaction(s), or (y) cash or other consideration paid or payable by any Parent Successor Entity or Successor Parent Company (the applicable of the Parent Asset Successor, the Parent Successor Entity and the Successor Parent Company, the "Parent Successor"), then prior to effecting any such transaction described in clause (i) or clause (ii) (or in the case of a series of transactions, the first such transaction), Parent shall cause each Parent Successor to execute and deliver to Qurate Retail an instrument, in form and substance consistent with this Assumption and Joinder Agreement, pursuant to which such Parent Successor has agreed, effective upon the later of the Closing and the consummation of such transaction, to (i) be bound by, and perform and observe, the Joint Obligations, (ii) be jointly and severally liable with Parent and GLIB (and the Surviving Company) for all of the Joint Obligations, and (iii) become a party to the Tax Sharing Agreement and be treated as a successor of Parent within the meaning of Section 8.2 of the Tax Sharing Agreement.

(d) Following the date hereof, in the event that Parent seeks or determines to sell, assign, transfer or otherwise dispose of (including, without limitation, through a merger or other business combination involving Parent or any Parent Successor) a material portion of its assets (on a consolidated basis), as determined by Parent in good faith, then prior to the consummation of such transaction (or the first transaction of any series of related transactions), Parent shall provide Qurate Retail with information regarding the financial capacity, after giving effect to such transaction(s), of Parent to satisfy the Joint Obligations under the Tax Sharing Agreement and, to the extent reasonably requested by Qurate Retail, will provide written assumptions or other assurances reasonably necessary to evidence Parent's ability and capacity to fulfill the Joint Obligations, in each case, to the extent permitted by applicable confidentiality obligations and law.

Section 2. Party to Tax Sharing Agreement. Effective only as of (and subject to the occurrence of) the Closing, pursuant to this Assumption and Joinder Agreement, Parent shall be deemed a party to the Tax Sharing Agreement as though an original signatory thereto without any further action by

any Person and shall be bound by, and subject to all of the terms and conditions of, the Tax Sharing Agreement.

Section 3. GLIB Successors. The parties acknowledge and agree that, effective only upon (and subject to the occurrence of) the Closing, Parent, the Surviving Corporation and, following the Upstream Merger Effective Time, the Surviving Company will become successors to GLIB within the meaning of Section 8.2 of the Tax Sharing Agreement, and any reference to GLIB (including, for the avoidance of doubt, any reference to "Splitco") in the Tax Sharing Agreement will include, following the Closing, Parent, the Surviving Corporation and, following the Upstream Merger Effective Time, the Surviving Company for all purposes of the Tax Sharing Agreement.

Section 4. Notices. All notices and other communications to Parent or, following the Closing, the Surviving Company under the Tax Sharing Agreement shall be in writing and shall be delivered in person, by email, by facsimile (with confirming copy sent by one of the other delivery methods specified herein), or by overnight courier or sent by certified, registered or express air mail, postage prepaid, and shall be deemed given when so delivered in person or by email, or when so received by facsimile or courier, or, if mailed, three (3) calendar days after the date of mailing, as follows:

Section 5. Binding Effect; Assignment. This Assumption and Joinder Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Neither this Assumption and Joinder Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any party hereto without the prior written consent of the other parties, except to the extent such assignment is required pursuant to Section 1(c) of this Assumption and Joinder Agreement. Any assignment in violation of the preceding sentence shall be void and of no effect.

Section 6. Governing Law; Jurisdiction. This Assumption and Joinder Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to the principles of conflicts of law thereof. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Assumption and Joinder Agreement will be brought exclusively in the Court of Chancery of the State of Delaware (the "Delaware Chancery Court"), or, if the Delaware Chancery Court does not have subject matter jurisdiction, in the federal courts located in the State of Delaware. Each of the parties hereby consents to personal jurisdiction in any such action, suit or proceeding brought in any such court (and of the appropriate appellate courts therefrom)

and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 4 of this Assumption and Joinder Agreement or Section 8.6 of the Tax Sharing Agreement shall be deemed effective service of process on such party. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHTS TO TRIAL BY JURY IN CONNECTION WITH ANY PROCEEDING ARISING OUT OF OR RELATING TO THIS ASSUMPTION AND JOINDER AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY.

Section 7. Termination/Amendment. If the Merger Agreement is terminated in accordance with its terms without the Closing having occurred, effective upon such termination, this Assumption and Joinder Agreement shall automatically terminate and immediately cease to be of any further force and effect, and no party hereto will thereafter have any rights or obligations hereunder. This Assumption and Joinder Agreement may also be amended, modified or terminated by mutual consent of the parties hereto in a written instrument.

Section 8. Counterparts. This Assumption and Joinder Agreement may be executed in two or more identical counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same agreement. This Assumption and Joinder Agreement may be delivered by facsimile transmission of a signed copy thereof.

Section 9. Severability. Any provision of this Assumption and Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Upon a determination that any provision of this Assumption and Joinder Agreement is prohibited or unenforceable in any jurisdiction, the parties shall negotiate in good faith to modify this Assumption and Joinder Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the provisions contemplated hereby are consummated as originally contemplated to the fullest extent possible.

Section 10. Amendments; Waivers. Any provision of this Assumption and Joinder Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party hereto, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Except as otherwise provided herein, the rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by applicable Law. Any consent provided under this Assumption and Joinder Agreement must be in writing, signed by the party against whom enforcement of such consent is sought.

Section 11. Headings. The headings contained in this Assumption and Joinder Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Assumption and Joinder Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements contained herein, the parties to this Assumption and Joinder Agreement hereby agree as follows:

Section 1. Assumption and Joinder.

(a) Parent will be, effective only as of (and subject to the occurrence of) the Closing, (i) bound by, and will perform and observe, the Joint Obligations and (ii) jointly and severally liable with the Company (and the Surviving Corporation and the Surviving Company) for all of the Joint Obligations.

Section 5. Binding Effect; Assignment. This Assumption and Joinder Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Neither this Assumption and Joinder Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any party hereto without the prior written consent of the other parties; except to the extent such assignment is required pursuant to Section 1(c) of this Assumption and Joinder Agreement. Any assignment in violation of the preceding sentence shall be void and of no effect.

Section 6. Governing Law; Jurisdiction. This Assumption and Joinder Agreement and the legal relations among the parties hereto will be governed in all respects, including validity, interpretation and effect, by the laws of the State of Delaware applicable to contracts made and performed wholly therein, without giving effect to any choice or conflict of laws provisions or rules that would cause the application of the laws of any other jurisdiction. Each of the parties hereto irrevocably agrees that any legal action or proceeding with respect to this Assumption and Joinder Agreement, and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Assumption and Joinder Agreement, and the rights and obligations arising hereunder brought by the other party hereto or its successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the parties hereto hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Assumption and Joinder Agreement or the matters contemplated hereby in any court other than the aforesaid courts. Each of the parties hereto hereby irrevocably waives, and agrees not to assert as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Assumption and Joinder Agreement (a) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with Section 4 and this Section 6, (b) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) to the fullest extent permitted by applicable law, any claim that (i) the suit, action or proceeding in such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Assumption and Joinder Agreement or the subject matter hereof may not be enforced in or by such courts. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 4 of this Assumption and Joinder Agreement or Section 6.3 of the Indemnification Agreement shall be deemed effective service of process on such party. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHTS TO TRIAL BY JURY IN CONNECTION WITH ANY PROCEEDING ARISING OUT OF OR RELATING TO THIS ASSUMPTION AND JOINDER AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY.

Section 7. Termination/Amendment. If the Merger Agreement is terminated in accordance with its terms without the Closing having occurred, effective upon such termination, this Assumption and Joinder Agreement shall automatically terminate and immediately cease to be of any further force and effect, and no party hereto will thereafter have any rights or obligations hereunder. This Assumption and Joinder Agreement may also be amended, modified or terminated by mutual consent of the parties hereto in a written instrument.

Section 8. Counterparts. This Assumption and Joinder Agreement may be executed in two or more identical counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same agreement. This Assumption and Joinder Agreement may be delivered by facsimile transmission of a signed copy thereof.

Section 9. Severability. Any provision of this Assumption and Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the

extent of such prohibition or unenforceability without invalidating the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Upon a determination that any provision of this Assumption and Joinder Agreement is prohibited or unenforceable in any jurisdiction, the parties shall negotiate in good faith to modify this Assumption and Joinder Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the provisions contemplated hereby are consummated as originally contemplated to the fullest extent possible.

Section 10. Amendments; Waivers. Any provision of this Assumption and Joinder Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party hereto, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Except as otherwise provided herein, the rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by applicable Law. Any consent provided under this Assumption and Joinder Agreement must be in writing, signed by the party against whom enforcement of such consent is sought.

Section 11. Headings. The headings contained in this Assumption and Joinder Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Assumption and Joinder Agreement.

In consideration of the covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Services Agreement. LMC and the Company each agree that effective upon the Effective Time, the Services Agreement is terminated and will thereafter cease to be of any further force and effect, and, notwithstanding anything to the contrary contained therein, no party thereto will thereafter have any rights, claims or obligations thereunder; *provided, however*, that the terms and conditions of Section 3.4(c) (iii), Section 6.4 and Section 7.15 of the Services Agreement shall survive any termination thereof pursuant to this Section 1. 2. Facilities Sharing Agreement. LMC, LPH, and the Company each agree that effective upon the Effective Time, the Facilities Sharing Agreement is terminated and will thereafter cease to be of any further force and effect, and, notwithstanding anything to the contrary contained therein, no party thereto will thereafter have any rights, claims or obligations thereunder; *provided, however*, that obligations for fees and expense allocations payable by the Company under Section 2 of the Facilities Sharing Agreement in respect of the periods prior to the date of such termination will survive such termination.

3. Aircraft Agreements. Each of LMC, Liberty Citation, Liberty Arena, and the Company agree, in respect of each Aircraft Agreement to which it is a party, that effective upon the Effective Time, such Aircraft Agreement is terminated and will thereafter cease to be of any further force and effect, and, notwithstanding anything to the contrary contained therein, no party thereto will thereafter have any rights, claims or obligations thereunder; *provided, however*, that the provisions of Section 10 of Aircraft Agreement No. 1, Section 10 of Aircraft Agreement No. 2, Section 9 of Aircraft Agreement No. 3 and Section 10 of Aircraft Agreement No. 4 shall survive any termination thereof pursuant to this Section 3.

4. Termination. If the Merger Agreement is terminated in accordance with its terms without the closing of the Combination having occurred, effective upon such termination, this letter agreement shall automatically terminate and immediately cease to be of any further force and effect, and no party hereto will thereafter have any rights or obligations hereunder. This letter agreement may also be terminated by mutual consent of the parties hereto in a written instrument.

5. Applicable Law. All disputes, claims or controversies arising out of or relating to this letter agreement, or the negotiation, validity or performance of this letter agreement, or the transactions contemplated hereby shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to its rules of conflict of Laws.

6. Jurisdiction. Each of the parties hereto (a) irrevocably and unconditionally consents to submit itself to the sole and exclusive personal jurisdiction of the Court of Chancery of the State of Delaware, or, solely if that court does not have subject matter jurisdiction, the Superior Court of the State of Delaware, or, solely if the subject matter of the action is one over which exclusive jurisdiction is vested in the courts of the United States of America, a federal court sitting in the State of Delaware (collectively, the "Delaware Courts") in connection with any dispute, claim, or controversy arising out of or relating to this letter agreement or the transactions contemplated hereby, (b) waives any objection to the laying of venue of any such litigation in any of the Delaware Courts, (c) agrees not to plead or claim in any such court that such litigation brought therein has been brought in an inconvenient forum and agrees not otherwise to attempt to deny or defeat such personal jurisdiction or venue by motion or other request for leave from any such court, and (d) agrees that it will not bring any Action in connection with any dispute, claim, or controversy arising out of or relating to this letter agreement or the transactions contemplated

hereby, in any court or other tribunal, other than the Delaware Courts (in the manner and priority set forth in subsection (a) of this Section 6). 8. Remedies: Specific Enforcement. The parties acknowledge and agree that irreparable damage would occur in the event that any provision of this letter agreement were not to be performed in accordance with its specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this letter agreement and to enforce specifically the performance of terms and provisions of this letter agreement in any court referred to in Section 6 hereof without proof of actual damages (and each party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in equity. The parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for any such breach.

Any notices or other communications required or permitted under, or otherwise in connection with this letter agreement, shall be in writing and shall be deemed to have been duly given (a) when delivered in person, (b) upon transmission by electronic mail or facsimile transmission as evidenced by confirmation of transmission to the sender (but only if followed by transmittal of a copy thereof by (x) national overnight courier or (y) hand delivery with receipt, in each case, for delivery by the second (2nd) Business Day following such electronic mail or facsimile transmission), (c) on receipt after dispatch by registered or certified mail, postage prepaid and addressed, or (d) on the next Business Day if transmitted by national overnight courier, in each case as set forth to the parties as set forth below:

2. Dividends.

(a) Subject to the prior preferences and other rights of any Senior Stock and the provisions of Section 2(g) of this Certificate of Designations, the holders of the Series A Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors, out of funds legally available therefor, preferential dividends that shall accrue and cumulate as provided herein. Dividends on each share of Series A Preferred Stock shall accrue on a daily basis at the Dividend Rate of the Stated Rate from and including the Dividend Accrual Commencement Date (which, for the avoidance of doubt, may be prior to the effective time of this Certificate of Designations and prior to the time any shares of Series A Preferred Stock have been issued) to and including the date on which the Liquidation Price or Redemption Price of such share is paid pursuant to Section 3 or Section 4 of this Certificate of Designations, respectively, whether or not such dividends have been declared and whether or not there are any funds of the Corporation legally available for the payment of dividends, and such dividends shall be cumulative; provided, however, if on the Dividend Accrual Commencement Date a Dividend Default exists, then the Dividend Rate shall accrue in accordance with the terms and subject to the conditions of Section 2(b) below, as applicable. Accrued dividends on the Series A Preferred Stock shall be payable, in accordance with the terms and conditions set forth in this Certificate of Designations, quarterly on each Dividend Payment Date, to the holders of record of the Series A Preferred Stock as of the close of business on the applicable Record Date; provided, however, if any such payment date is not a Business Day, then payment of any dividend otherwise payable on that date will be made on the next succeeding day that is a Business Day, without any interest or other payment in respect of such delay. For purposes of determining the amount of dividends “accrued” (i) as of any date that is not a Dividend Payment Date, such amount shall be calculated on the basis of the foregoing rate per annum for actual days elapsed from the last preceding Dividend Payment Date (or in the event the first Dividend Payment Date has not yet occurred, the Dividend Accrual Commencement Date) to the date as of which such determination is to be made, based on a 365-day year, and (ii) as of any Dividend Payment Date, such amount shall be calculated on the basis of the foregoing rate per annum, based on a 360-day year of twelve 30-day months.

(b) If the Corporation fails to pay cash dividends on the Series A Preferred Stock in full for any four (4) consecutive or non-consecutive Dividend Periods, including, without limitation, any failure to pay as a result of Section 2(d) of this Certificate of Designations (a “Dividend Default”), then:

(i) the Dividend Rate shall increase to the Penalty Rate, commencing on the first day after the Dividend Payment Date on which a Dividend Default occurs and for each subsequent Dividend Period thereafter; provided, however, that the Dividend Rate will revert to the Stated Rate at such time as the Corporation has paid all GLIB Unpaid Dividends (if any) and all accrued and unpaid dividends (whether or not declared) which pursuant to Section 2(e) of this Certificate of Designations have been added to and then remain part of the Liquidation Price as of such date; and

(ii) when the Dividend Default is cured and the Dividend Rate reverts to the Stated Rate, each subsequent Dividend Default shall not occur until the Corporation has an additional four (4) failures to pay cash dividends on the Series A Preferred Stock, whether consecutive or non-consecutive after the prior Dividend Default has been cured.

For purposes of determining whether the first instance of a Dividend Default (if any) has occurred after the effective time of this Certificate of Designations (but not for any subsequent Dividend Default), any failure to pay cash dividends by GLIB on shares of the GLIB Series A Preferred Stock pursuant to the GLIB Charter on any GLIB Dividend Payment Date shall be considered to have been a failure to pay cash dividends on the Series A Preferred Stock on a Dividend Payment Date pursuant to this Certificate of Designations until such time as any GLIB Unpaid Dividends no longer remain part of the Liquidation Price when repaid in accordance with this Section 2 of this Certificate of Designations.

(c) If at any time or from time to time the Series A Preferred Stock fails to be Publicly Traded for ninety (90) consecutive days or longer (a "Listing Default"), then the Dividend Rate shall increase to the Penalty Rate, commencing on the day after the Listing Default and continuing until such time as the Corporation has cured the Listing Default by again causing the Series A Preferred Stock to be Publicly Traded, at which time the Dividend Rate shall revert to the Stated Rate.

(d) If, on any Dividend Payment Date, the Corporation, pursuant to applicable law or the terms of any Debt Instrument or Senior Stock, shall not have funds legally available to pay or otherwise be prohibited or restricted from paying to the holders of the Series A Preferred Stock the full Series A Dividend Amount to which such holders are entitled and to the holders of any Parity Stock then entitled to receive payment of a dividend the full amount to which such holders are entitled, the amount available for such payment pursuant to applicable law and which is not restricted or prohibited by the terms of any Debt Instrument or Senior Stock shall be distributed, when and as declared by the Board of Directors, among the holders of the Series A Preferred Stock and any Parity Stock to which dividends are then owed ratably in proportion to the full amounts to which they would otherwise be entitled.

(e) To the extent the Series A Dividend Amount is not paid in full on a Dividend Payment Date for any reason, all dividends (whether or not declared) that have accrued on a share of Series A Preferred Stock during the Dividend Period ending on such Dividend Payment Date and which are unpaid will be added to the Liquidation Price (as provided in the definition thereof) of such share and will remain a part thereof until such dividends are paid, together with all dividends that have accrued to the date of such payment with respect to that portion of the Liquidation Price which consists of such accrued and unpaid dividends. Such accrued and unpaid dividends, together with any GLIB Unpaid Dividends, and, collectively, with all unpaid dividends accrued thereon, may be declared and paid at any time (subject to the concurrent satisfaction of any dividend arrearages then existing with respect to any Parity Stock), without reference to any regular Dividend Payment Date, to holders of record as of the close of business on such date, not more than sixty (60) days preceding the payment date thereof, as may be fixed by the Board of Directors (the "Special Record Date") and, to the extent GLIB Unpaid Dividends are so paid, they will no longer be a part of the Liquidation Price.

(f) Notice of each Special Record Date shall be mailed, first class, postage prepaid, to the holders of record of the Series A Preferred Stock at their respective addresses as the same appear on the books of the Corporation (which may include the records of the Transfer Agent) or are supplied by them in writing to the Corporation for the purpose of such notice.

(g) So long as any shares of Series A Preferred Stock shall be outstanding, the Corporation shall not declare or pay any dividend whatsoever with respect to any Junior Stock or any Parity Stock, whether in cash, property or otherwise, nor shall the Corporation declare or make any distribution on any Junior Stock or any Parity Stock, or set aside any cash or property for any such purposes, nor shall any Junior Stock or Parity Stock be purchased, redeemed or otherwise acquired by the Corporation or any of its Subsidiaries, nor shall any monies be paid, set aside for payment or made available for a sinking fund for the purchase or redemption of any Junior Stock or Parity Stock, unless and until (i) all dividends to which the holders of the Series A Preferred Stock shall have been entitled for all current and all previous Dividend Periods, and all GLIB Unpaid Dividends, shall have been paid or declared and the consideration sufficient for the payment thereof set aside so as to be available for the payment thereof and (ii) the Corporation shall have paid, in full, or set aside the consideration sufficient for the payment thereof, all redemption payments with respect to the Series A Preferred Stock that it is then obligated to pay; provided, however, that nothing contained in this Section 2(g) of this Certificate of Designations shall prevent (A) purchases, redemptions or other acquisitions of shares of Junior Stock in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of employees, officers, directors or consultants; (B) purchases of shares of Junior Stock pursuant to a contractually binding requirement to buy stock, including under a stock repurchase plan, provided that such contract or plan was entered into prior to the Corporation's failure to pay dividends on the Series A Preferred Stock (or, in the case of GLIB Unpaid Dividends, prior to or on the date upon which GLIB failed to pay dividends on the GLIB Series A Preferred Stock pursuant to and in accordance with the GLIB Charter); (C) exchanges or conversions of shares of any class or series of Junior Stock, or the securities of another company, for any other class or series of Junior Stock; (D) the purchase of fractional interests in shares of Junior Stock pursuant to the conversion or exchange provisions of such Junior Stock or the security being converted or exchanged; (E) the payment of any dividends in respect of Junior Stock where the dividend is in the form of the same stock as that on which the dividend is being paid; (F) distributions of Junior Stock or rights to purchase Junior Stock; (G) direct or indirect distributions of equity interests of a Subsidiary or other Person (whether by redemption, dividend, share distribution, merger or otherwise) to all or substantially all of the holders of one or more classes or series of Common Stock, on a pro rata basis with respect to each such class or series (other than with respect to the payment of cash in lieu of fractional shares), or such equity interests of such Subsidiary or other Person are available to be acquired by such holders of one more classes or series of Common Stock (including through any rights offering, exchange offer, exercise of subscription rights or other offer made available to such holders), on a pro rata basis with respect to each such class or series (other than with respect to the payment of cash in lieu of fractional shares), whether voluntary or involuntary, (H) stock splits, stock dividends or other distributions, reclassifications, recapitalizations or (I) the declaration and payment of dividends ratably on the Series A Preferred Stock and each class or series of Parity Stock as to which dividends are payable or in arrears so that the amount of dividends declared and paid per share of the Series A Preferred Stock and per share of each class or series of such Parity Stock are in proportion to the respective total amounts of accrued and unpaid dividends with respect to the Series A Preferred Stock and any GLIB Unpaid Dividends, on the one hand, and all such classes and series of Parity Stock, on the other hand.

3. Distributions Upon Liquidation, Dissolution or Winding Up.

Subject to the prior payment in full of the preferential amounts to which any Senior Stock is entitled, in the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the holders of shares of the Series A Preferred Stock shall be entitled to receive from the assets of the Corporation available for distribution to the stockholders, before

any payment or distribution shall be made to the holders of any Junior Stock, an amount in property or cash, as determined by the Board of Directors in good faith, or a combination thereof, per share, equal to the Liquidation Price plus all unpaid dividends (whether or not declared) accrued through the date of distribution of amounts payable to holders of Series A Preferred Stock in connection with such liquidation, dissolution or winding up of the Corporation since the immediately preceding Dividend Payment Date (or, if such date of distribution occurs prior to the first Dividend Payment Date, since the Dividend Accrual Commencement Date), which payment shall be made pari passu with any such payment made to the holders of any Parity Stock. The holders of the Series A Preferred Stock shall be entitled to no other or further distribution of or participation in any remaining assets of the Corporation after receiving in full the amount set forth in the immediately preceding sentence. If, upon distribution of the Corporation's assets in liquidation, dissolution or winding up, the assets of the Corporation to be distributed among the holders of the Series A Preferred Stock and to all holders of any Parity Stock shall be insufficient to permit payment in full to such holders of the preferential amounts to which they are entitled, then the entire assets of the Corporation to be distributed to holders of the Series A Preferred Stock and such Parity Stock shall be distributed pro rata to such holders based upon the aggregate of the full preferential amounts to which the shares of Series A Preferred Stock and such Parity Stock would otherwise respectively be entitled. Neither the consolidation or merger of the Corporation with or into any other corporation or corporations nor the sale, transfer or lease of all or substantially all the assets of the Corporation shall itself be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this Section 3 of this Certificate of Designations. Notice of the liquidation, dissolution or winding up of the Corporation shall be mailed, first class mail, postage prepaid, not less than twenty (20) days prior to the date on which such liquidation, dissolution or winding up is expected to take place or become effective, to the holders of record of the Series A Preferred Stock at their respective addresses as the same appear on the books of the Corporation or are supplied by them in writing to the Corporation for the purpose of such notice.

4. Mandatory Redemption.

(a) Redemption. On the Scheduled Redemption Date, the Corporation shall redeem all outstanding shares of Series A Preferred Stock out of funds legally available therefor at the Redemption Price per share, in cash. For the avoidance of doubt, any shares of Series A Preferred Stock that remain outstanding after the Scheduled Redemption Date shall continue to accrue dividends in accordance with the provisions in Section 2 of this Certificate of Designations for so long as such shares remain outstanding. The Corporation shall not redeem any shares of Series A Preferred Stock except as expressly authorized in this Section 4 of this Certificate of Designations.

(b) Partial Redemption. If on the Scheduled Redemption Date, the Corporation, pursuant to applicable law or the terms of any Debt Instrument or Senior Stock, shall not have funds legally available to redeem or otherwise be prohibited or restricted from redeeming all shares of Series A Preferred Stock, those funds that are legally available and not so restricted or prohibited will be used to redeem the maximum possible number of such shares of Series A Preferred Stock. At any time and from time to time thereafter when additional funds of the Corporation are legally available and not so restricted for such purpose, such funds shall be used in their entirety to redeem the shares of Series A Preferred Stock that the Corporation failed to redeem on the Scheduled Redemption Date until the balance of such shares has been redeemed. The shares of Series A Preferred Stock to be redeemed in accordance with this Section 4(b) shall be redeemed pro rata from among the holders of the outstanding shares of Series A Preferred Stock.

(c) Notice of Redemption and Certificates. The Corporation shall mail notice of such redemption to each holder (such notice, a “Notice of Redemption”) in accordance with Section 13 of this Certificate of Designations not later than twenty (20) days prior to the Redemption Date. Such Notice of Redemption shall contain: (A) the applicable Redemption Price, (B) the Redemption Date, (C) the instructions a holder must follow with respect to the redemption, including the method for surrendering the certificates for the shares of Series A Preferred Stock to be redeemed for payment of the Redemption Price and (D) any other matters required by law. On or before the applicable Redemption Date, each holder of shares of Series A Preferred Stock to be redeemed on such Redemption Date, shall, if a holder of shares in certificated form, surrender the certificate or certificates representing such shares (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate) to the Corporation, in the manner and at the place designated in the Notice of Redemption, and thereupon the Redemption Price for such shares shall be payable to the order of the Person whose name appears on such certificate or certificates as the owner thereof in accordance with the terms and conditions set forth in this Certificate of Designations. In the event less than all of the shares of Series A Preferred Stock represented by a certificate are redeemed, a new certificate, instrument, or book entry representing the unredeemed shares of Series A Preferred Stock shall promptly be issued to such holder.

(d) Deposit of Redemption Price. If the Notice of Redemption shall have been mailed as provided in Section 4(c) of this Certificate of Designations, and if on or before the Redemption Date specified in such Notice of Redemption, the consideration necessary for such redemption shall have been set aside so as to be available therefor and only therefor, then on and after the close of business on the Redemption Date, the shares of Series A Preferred Stock called for redemption, notwithstanding that any certificate therefor shall not have been surrendered for cancellation, shall automatically be redeemed and no longer be deemed outstanding, and all rights with respect to such shares shall forthwith cease and terminate, except the right of the holders thereof to receive upon surrender of their certificates the consideration payable upon redemption thereof.

(e) Status of Redeemed Shares. Any shares of Series A Preferred Stock that are redeemed, purchased or otherwise acquired by the Corporation shall not be reissued as Series A Preferred Stock.

(f) Certain Restrictions. If and so long as the Corporation shall fail to redeem on the Scheduled Redemption Date all shares of Series A Preferred Stock required to be redeemed on such date, the Corporation shall not redeem, or discharge any sinking fund obligation with respect to, any Parity Stock or Junior Stock, and shall not purchase or otherwise acquire any shares of Series A Preferred Stock, Parity Stock or Junior Stock, unless and until all then outstanding shares of Series A Preferred Stock are redeemed pursuant to the terms hereof. Nothing contained in this Section 4(f) of this Certificate of Designations shall prevent (i) the purchase or acquisition by the Corporation of shares of Series A Preferred Stock and Parity Stock pursuant to a purchase or exchange offer or offers made to holders of all outstanding shares of Series A Preferred Stock and Parity Stock, provided that (A) as to holders of all outstanding shares of Series A Preferred Stock, the terms of the purchase or exchange offer for all such shares are identical, (B) as to holders of all outstanding shares of a particular series or class of Parity Stock, the terms of the purchase or exchange offer for all such shares are identical, and (C) as among holders of all outstanding shares of Series A Preferred Stock and Parity Stock, the terms of each purchase or exchange offer or offers are substantially identical relative to the liquidation

price of the shares of Series A Preferred Stock and each series or class of Parity Stock, (ii) the purchase or acquisition by the Corporation of shares of Series A Preferred Stock, Parity Stock or Junior Stock in exchange for (together with a cash adjustment for fractional shares, if any), or through the application of the proceeds of the sale of, shares of Junior Stock, or (iii) the redemption, purchase or other acquisition of Junior Stock solely in exchange for shares of Junior Stock.

5. Protective Provisions.

(a) In addition to any vote required by this Certificate of Designations, the Restated Certificate or by applicable law, for so long as any of the shares of Series A Preferred Stock shall remain outstanding, the Corporation shall not, without the written consent or affirmative vote of the holders of at least a majority of the then outstanding shares of Series A Preferred Stock, given in writing or by vote at a meeting, consenting or voting (as the case may be), separately as a series:

(i) amend, alter or repeal any provision of this Certificate of Designations, whether by merger, share exchange, consolidation or otherwise, in a manner that adversely affects the powers, preferences or rights of the Series A Preferred Stock set forth in the Restated Certificate (including this Certificate of Designations) (including, without limitation, any such amendment or alteration that would reduce the Liquidation Price or Dividend Rate of the Series A Preferred Stock), unless in each such case each share of Series A Preferred Stock (x) shall remain outstanding without a material and adverse change to the powers, or rights of the Series A Preferred Stock or (y) shall be converted into or exchanged for preferred stock of the surviving entity having powers, preferences and rights substantially identical to that of a share of Series A Preferred Stock (except for any changes to such powers, preferences or rights that do not materially and adversely affect the Series A Preferred Stock and, if permitted by law, the payment of cash in lieu of fractional shares); or

(ii) authorize, create or issue, or increase the authorized or issued amount of, any class of Senior Stock or reclassify any of the authorized Capital Stock into such shares of Senior Stock, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares of Senior Stock.

(b) If the Corporation shall propose to take action specified in Section 5(a)(i) hereof, then the Corporation shall give notice of such proposed amendment, alteration or repeal to each holder of record of the shares of Series A Preferred Stock appearing on the stock books of the Corporation as of the date of such notice at the address of said holder shown therein and shall cause to be filed with the Transfer Agent a copy of such notice. Such notice shall specify the material terms of such amendment, alteration or repeal. Such notice shall be given at least twenty (20) Business Days prior to the effective date of such amendment, alteration or repeal. If at any time the Corporation shall abandon or cancel the proposed action for which notice has been given under this Section 5(b) of this Certificate of Designations prior to the effective date of such proposed action, the Corporation shall give prompt notice of such abandonment or cancellation to each holder of record of the shares of Series A Preferred Stock appearing on the stock books of the Corporation as of the date of such notice at the address of said holder shown therein.

(c) In any merger or consolidation, which merger or consolidation by its terms provides for the payment of only cash to the holders of shares of Series A Preferred Stock, each holder of shares of Series A Preferred Stock shall be entitled to receive an amount equal to the Liquidation Price of the shares of Series A Preferred Stock held by such holder, plus an amount

equal to the accrued and unpaid dividends (whether or not declared) on such shares since the immediately preceding Dividend Payment Date (or if the first Dividend Payment Date has not occurred, since the Dividend Accrual Commencement Date), in exchange for such shares of Series A Preferred Stock.

6. Voting.

(a) The shares of Series A Preferred Stock are hereby designated as a "Voting Security" for purposes of the Restated Certificate. The holders of shares of Series A Preferred Stock shall be entitled to vote together as a class generally with the holders of the Series A Common Stock and Series B Common Stock on all matters submitted to a vote of the holders of the Series A Common Stock and Series B Common Stock (together with the holders of any class or series of Senior Stock, Parity Stock or Junior Stock then entitled to vote together as a class with the holders of the Series A Common Stock and Series B Common Stock), except as required in this Certificate of Designations or by applicable law. Each record holder of shares of Series A Preferred Stock shall be entitled to the Votes Per Share for each share of Series A Preferred Stock held by such holder as of the record date for determining stockholders entitled to vote in accordance with Delaware law. The holders of Series A Preferred Stock shall be entitled to notice of any meeting of holders of the Series A Common Stock and Series B Common Stock in accordance with the Bylaws of the Corporation.

(b) Each holder of Series A Preferred Stock will be entitled to the Votes Per Share on any matter on which holders of Series A Preferred Stock are entitled to vote separately as a class or series, whether at a meeting or by written consent.

(c) In the event of any stock split, stock dividend or other distribution, reclassification, recapitalization or similar event affecting the Common Stock and the aggregate number of votes that may be cast by the holders of the Series A Common Stock and Series B Common Stock, voting together as a separate class or series (each such event, an "Adjustment Event"), the Votes Per Share shall be adjusted, to the nearest tenth of a vote per share of Series A Preferred Stock, from and after such Adjustment Event such that the Voting Power immediately prior to such Adjustment Event shall be substantially equivalent to the Voting Power immediately following such Adjustment Event.

7. Preemptive Rights.

The holders of the Series A Preferred Stock will not have any preemptive right to subscribe for or purchase any Capital Stock or other securities which may be issued by the Corporation.

8. Creation of Capital Stock.

Notwithstanding anything set forth in the Restated Certificate or this Certificate of Designations, except as provided in Section 5(a)(ii) hereof, the Board of Directors, or any duly authorized committee thereof, without the vote of the holders of the Series A Preferred Stock, may authorize and issue additional shares of Capital Stock.

9. No Sinking Fund.

Shares of Series A Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

10. Exclusion of Other Rights.

Except as may otherwise be required by law and except for the equitable rights and remedies that may otherwise be available to holders of Series A Preferred Stock, the shares of Series A Preferred Stock shall not have any powers, designations, preferences, or relative, participating, optional or other rights, other than those specifically set forth in this Certificate of Designations.

11. Replacement Certificates.

If physical certificates representing shares of Series A Preferred Stock are issued, the Corporation shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Transfer Agent. The Corporation shall replace certificates representing shares of Series A Preferred Stock that become destroyed, stolen or lost at the holder's expense upon delivery to the Corporation and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Corporation.

12. Taxes.

(a) Transfer Taxes. The Corporation shall pay any and all stock transfer, documentary, stamp and similar taxes that may be payable in respect of any issuance or delivery of shares of Series A Preferred Stock or other securities issued on account of Series A Preferred Stock pursuant hereto or certificates representing such shares or securities. The Corporation shall not, however, be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series A Preferred Stock or other securities in a name other than that in which the shares of Series A Preferred Stock with respect to which such shares or other securities are issued or delivered were registered, or in respect of any payment to any Person other than a payment to the registered holder thereof, and shall not be required to make any such issuance, delivery or payment unless and until the Person otherwise entitled to such issuance, delivery or payment has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid or is not payable.

15. Waiver.

Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained in this Certificate of Designations and any right of the holders of Series A Preferred Stock granted hereunder may be waived as to all shares of Series A Preferred Stock (and the holders thereof) upon the written consent of the Board of Directors (or an authorized committee thereof) and the holders of a majority of the shares of Series A Preferred Stock then outstanding.

16. Information Rights.

During any period in which the Corporation is not subject to Section 13 or 15(d) of the Exchange Act and any shares of Series A Preferred Stock are outstanding, the Corporation will use its reasonable efforts to (a) transmit by mail (or other permissible means under the Exchange Act) to all holders of Series A Preferred Stock, as their names and addresses appear on the record books of the Corporation and without cost to such holders, copies of the annual reports on Form 10-K and quarterly reports on Form 10-Q that the Corporation would have been required to file with the Securities and Exchange Commission (the "SEC") pursuant to Section 13 or 15(d) of the Exchange Act if it were subject thereto (other than any exhibits that would have been required); and (b) promptly, upon request, supply copies of such reports to any holders or prospective holder of Series A Preferred Stock. The Corporation will use its reasonable efforts to mail (or otherwise provide) the information to the holders of the Series A Preferred Stock within fifteen (15) days after the respective dates by which a periodic report on Form 10-K or Form 10-Q, as the case may be, in respect of such information would have been required to be filed with the SEC, if the Corporation were subject to Section 13 or 15(d) of the Exchange Act, in each case, based on the dates on which the Corporation would be required to file such periodic reports if it were a "non-accelerated filer" within the meaning of the Exchange Act.

17. Book Entry.

The Series A Preferred Stock shall be issued initially in the form of one or more fully registered global certificates ("Global Preferred Shares") to a custodian for a securities depository (the "Depository") that is a "clearing agency" under Section 17A of the Exchange Act (or with such other custodian as the Depository may direct), and registered in the name of the Depository or its nominee, duly executed by the Corporation and authenticated by the Transfer Agent. The number of shares of Series A Preferred Stock represented by Global Preferred Shares may from time to time be increased or decreased by adjustments made on the records of the Transfer Agent and the Depository as hereinafter provided. Members of, or participants in, the Depository ("Agent Members") shall have no rights under these terms of the shares of Series A Preferred Stock with respect to any Global Preferred Shares held on their behalf by the Depository or by the Transfer Agent as the custodian of the Depository or under such Global Preferred Shares, and the Depository may be treated by the Corporation, the Transfer Agent and any agent of the Corporation or the Transfer Agent as the absolute owner of such Global Preferred Shares for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Corporation, the Transfer Agent or any agent of the Corporation or the Transfer Agent from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its

Agent Members, the operation of customary practices of the Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Preferred Shares.

IN WITNESS WHEREOF, this Certificate of Designations is executed on behalf of the Corporation this ___ day of _____, _____.

[TITLE]

L-14

Section 262 of the General Corporation Law of the State of Delaware

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation (or, in the case of a merger pursuant to § 251(h), as of immediately prior to the execution of the agreement of merger), were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) [Repealed.]

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d),(e), and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares; provided that a demand may be delivered to the corporation by electronic transmission if directed to an information processing system (if any) expressly designated for that purpose in such notice. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such

Table of Contents

stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of giving such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after the date of giving such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares; provided that a demand may be delivered to the corporation by electronic transmission if directed to an information processing system (if any) expressly designated for that purpose in such notice. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon request given in writing (or by electronic transmission directed to an information processing system (if any) expressly designated for that purpose in the notice of appraisal), shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation (or, in the case of a merger approved pursuant to § 251(h) of this title, the aggregate number of shares (other than any excluded stock (as defined in § 251(h)(6)d. of this title)) that were the subject of, and were not tendered into, and accepted for purchase or exchange in, the offer referred to in § 251(h)(2)), and, in either case, with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such statement shall be given to the stockholder within 10 days after such stockholder's request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding

[Table of Contents](#)

subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the merger or consolidation the shares of the class or series of stock of the constituent corporation as to which appraisal rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless (1) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of the class or series eligible for appraisal, (2) the value of the consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to § 253 or § 267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has

[Table of Contents](#)

submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of the State of Delaware ("**DGCL**") provides, generally, that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (except actions by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. A corporation may similarly indemnify such person for expenses actually and reasonably incurred by such person in connection with the defense or settlement of any action or suit by or in the right of the corporation, *provided* that such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in the case of claims, issues and matters as to which such person shall have been adjudged liable to the corporation, *provided* that a court shall have determined, upon application, that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Section 102(b)(7) of the DGCL provides, generally, that the certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, *provided* that such provision may not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under section 174 of Title 8 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision may eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision became effective.

Article V, Section E of the Restated Certificate of Incorporation (the "**Charter**") of Liberty Broadband, also referred to as the Registrant, provides as follows:

1. *Limitation On Liability.* To the fullest extent permitted by the DGCL as the same exists or may hereafter be amended, a director of the Registrant will not be liable to the Registrant or any of its stockholders for monetary damages for breach of fiduciary duty as a director. Any repeal or modification of this paragraph 1 will be prospective only and will not adversely affect any limitation, right or protection of a director of the Registrant existing at the time of such repeal or modification.
2. *Indemnification.*
 - (a) *Right to Indemnification.* The Registrant will indemnify, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding") by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) incurred by such

[Table of Contents](#)

person. Such right of indemnification will inure whether or not the claim asserted is based on matters which antedate the adoption of Article V, Section E of the Charter. The Registrant will be required to indemnify or make advances to a person in connection with a proceeding (or part thereof) initiated by such person only if the proceeding (or part thereof) was authorized by the board of directors of the Registrant.

- (b) *Prepayment of Expenses.* The Registrant will pay the expenses (including attorneys' fees) incurred by a director or officer in defending any proceeding in advance of its final disposition; provided, however, that the payment of expenses incurred by a director or officer in advance of the final disposition of the proceeding will be made only upon receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified under this paragraph or otherwise.
- (c) *Claims.* If a claim for indemnification or payment of expenses under this paragraph is not paid in full within 60 days after a written claim therefor has been received by the Registrant, the claimant may file suit to recover the unpaid amount of such claim and, if successful, will be entitled to be paid the expense (including attorney's fees) of prosecuting such claim to the fullest extent permitted by Delaware law. In any such action the Registrant will have the burden of proving that the claimant was not entitled to the requested indemnification or payment of expenses under applicable law.
- (d) *Non-Exclusivity of Rights.* The rights conferred on any person by this paragraph will not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the Charter, the bylaws of the Registrant, agreement, vote of stockholders or resolution of disinterested directors or otherwise.
- (e) *Other Indemnification.* The Registrant's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity will be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust, enterprise or nonprofit entity.³ *Amendment or Repeal.* Any amendment, modification or repeal of the foregoing provisions of Article V, Section E of the Charter will not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

The Registrant's Amended and Restated Bylaws provide indemnification that is similar to the indemnification in the Charter.

The Registrant has also entered into indemnification agreements with its directors and officers. The indemnification agreements are intended to provide indemnification to the fullest extent permitted by law.

Item 22. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial, bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(ii) if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Sections 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(g)

(1) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an

amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Englewood, Colorado, on October 15, 2020.

Form of Parent Reorganization Tax Opinion

[]

Liberty Broadband Corporation
12300 Liberty Boulevard
Englewood, Colorado 80112

Combination of Liberty Broadband Corporation and GCI Liberty, Inc.

Ladies and Gentlemen:

We have acted as counsel to the special committee of Liberty Broadband Corporation, a Delaware corporation ("**LBRD**"), in connection with the Agreement and Plan of Merger dated as of August 6, 2020 (including the exhibits, schedules and ancillary agreements thereto, the "**Merger Agreement**"), by and among LBRD, GCI Liberty, Inc., a Delaware corporation ("**GLIB**"), Grizzly Merger Sub 1, LLC, a Delaware limited liability company and wholly owned subsidiary of LBRD ("**Merger LLC**"), and Grizzly Merger Sub 2, Inc., a Delaware corporation and wholly owned subsidiary of Grizzly Merger Sub 1, LLC ("**Merger Sub**"). Pursuant to the Merger Agreement and subject to the conditions set forth therein, (i) Merger Sub will be merged with and into GLIB, with GLIB surviving (the "**First Merger**") and (ii) immediately following the First Merger, GLIB will be merged with and into Merger LLC, with Merger LLC surviving (the "**Upstream Merger**," and together with the First Merger, the "**Combination**"). This opinion is being delivered pursuant to Section 6.2(e) of the Merger Agreement and in connection with the registration statement on Form S-4 filed by LBRD with the U.S. Securities and Exchange Commission on September 17, 2020 (File No. 333-248854), together with the joint proxy statement/prospectus contained therein and the annexes and exhibits thereto, as amended and supplemented through the date hereof (the "**Registration Statement**"). Capitalized terms not defined herein have the meaning specified in the Merger Agreement.

In connection with this opinion, we have examined and relied upon the accuracy and completeness of the facts, information, representations, warranties and covenants contained in originals or copies, certified or otherwise identified to our satisfaction, of (i) the Merger Agreement, (ii) the Registration Statement and (iii) the representation letters of LBRD and GLIB delivered to us for purposes of this opinion dated as of the date hereof (the "**Representation Letters**"). In addition, we have examined, and relied as to matters of fact upon, originals or copies, certified or otherwise identified to our

satisfaction, of such corporate records, agreements, documents and other instruments and made such other inquiries as we have deemed necessary or appropriate to enable us to render the opinion set forth below. In such examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies, and the authenticity of the originals of such latter documents. We have not, however, undertaken any independent investigation of any factual matter set forth in any of the foregoing.

In rendering such opinion, we have assumed, with your permission, that:

- (i) the Combination and all related transactions will be effected in accordance with the Merger Agreement (including the ancillary agreements thereto), and that none of the terms and conditions contained therein will have been waived or modified in any material respect,
- (ii) the statements concerning the Combination set forth in the Merger Agreement and the Registration Statement were true, complete and correct when made and will remain true, complete and correct in all material respects at all times up to and including the Upstream Effective Time,
- (iii) the representations made by LBRD and GLIB in their respective Representation Letters were true, complete and correct when made and will remain true, complete and correct in all material respects at all times up to and including the Upstream Effective Time,
- (iv) any representations made in the Merger Agreement or the Representation Letters “to the knowledge of,” or based on the belief of LBRD or GLIB, or similarly qualified, were true, complete and correct when made and will remain true, complete and correct in all material respects at all times up to and including the Upstream Effective Time, in each case without such qualification, and
- (v) the parties have complied with and, if applicable, will continue to comply with, the covenants contained in the Merger Agreement (except to the extent such covenants have been waived in writing prior to the date hereof) and the Representation Letters.

Our opinion assumes and is expressly conditioned upon the initial and continuing accuracy and completeness in all material respects of the items, and the facts, information, representations, warranties and covenants set forth in the documents, listed above.

Our opinion is based upon the Code, applicable Treasury Regulations, and administrative and judicial authorities thereunder all as in effect as of the date hereof, all

of which are subject to change, possibly with retroactive effect. A change in the authorities or the facts, assumptions and other information upon which our opinion is based could affect our conclusions. In addition, there can be no assurance that the Internal Revenue Service will not take a position contrary to that which is stated in this opinion. We express our opinion herein only as to those matters specifically set forth below and no opinion should be inferred as to the tax consequences of the Combination under any state, local or foreign law, or with respect to other areas of United States federal taxation.

Based upon the foregoing, and subject to the limitations, qualifications and assumptions set forth herein, we are of the opinion that the Combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Code.

Our opinion is expressed as of the date hereof, and we are under no obligation to supplement or revise our opinion to reflect any legal developments or factual matters arising subsequent to such time or the effect of any information, document, certificate, record, statement, representation, covenant, or assumption relied upon herein that becomes incorrect or untrue. We assume no responsibility to inform LBRD, GLIB, Merger Sub or Merger LLC of any such change or inaccuracy that may occur or come to our attention.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to our firm under the captions “Material U.S. Federal Income Tax Consequences of the Combination” and “Legal Matters” in the Registration Statement. In giving such consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules or regulations of the U.S. Securities and Exchange Commission promulgated thereunder.

GCI Liberty, Inc.
 12300 Liberty Boulevard
 Englewood, Colorado 80112

Ladies and Gentlemen:

We have acted as special tax counsel to GCI Liberty, Inc., a Delaware corporation (the “**Company**”), in connection with the proposed combination of the Company with Liberty Broadband Corporation, a Delaware corporation (“**Parent**”), by way of the merger of Grizzly Merger Sub 2, Inc., a Delaware corporation (“**Merger Sub**”), with and into the Company, with the Company surviving, followed by the merger of the Company with and into Grizzly Merger Sub 1, LLC, a Delaware limited liability company (“**Merger LLC**”), immediately thereafter, with Merger LLC surviving (collectively, the “**Combination**”). Merger LLC is a direct wholly-owned subsidiary of Parent and is disregarded as an entity separate from Parent for U.S. federal income tax purposes. Merger Sub is a direct wholly-owned subsidiary of Merger LLC. Unless otherwise specified, capitalized terms used but not defined in this Opinion have the meanings ascribed to them in the Agreement and Plan of Merger dated as of August 6, 2020, by and among Parent, Merger Sub, Merger LLC, and the Company (including the exhibits attached thereto, the “**Merger Agreement**”). This opinion (the “**Opinion**”) is being delivered in connection with the registration statement on Form S-4 filed by Parent with the Securities and Exchange Commission (the “**SEC**”) on September 17, 2020 (File No. 333-248854), as amended and supplemented through the date hereof (the “**Registration Statement**”).

In rendering this Opinion, we have examined and relied on originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement, together with the joint proxy statements/prospectus contained therein and the annexes and exhibits thereto, as amended and supplemented through the date hereof (collectively, the “**Combination SEC Filings**”); (ii) all other submissions to the SEC related to the Combination SEC Filings; (iii) the Transaction Documents and Ancillary Agreements; and (iv) such other documents and information as we have deemed necessary or appropriate to render this Opinion. In addition, we have relied upon the accuracy and completeness of certain statements and representations made by the Company and Parent, including those set forth in letters dated as of the date hereof from officers of the Company and Parent (the “**Reorganization Representation Letters**”). For purposes of rendering this Opinion, we have assumed that such statements and representations are and will continue to be true, correct, and complete without regard to any qualification as to knowledge, belief, or otherwise and that each of the representations made in the future tense by the Company and Parent in the Reorganization Representation Letters will be true, correct, and complete at the time or times contemplated by such representation or certification. This Opinion assumes and is expressly conditioned on, among other things, the initial and continuing truth, correctness, and completeness of the facts, information, covenants, and representations set forth in the documents referred to above and the statements and representations made by the Company and Parent, including those set forth in the Reorganization Representation Letters, in each case through the effective date of the Combination. For purposes of this Opinion, we have not independently verified all of the facts, information, covenants, and representations set forth in the Reorganization Representation Letters, the Combination SEC Filings, or any other document. We have also assumed that the Combination will be consummated in the manner described in the Combination SEC Filings and the Merger Agreement and that none of the terms or conditions contained therein have been or will be waived or modified.

For purposes of this Opinion, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, electronic or photostatic copies, and the authenticity of the originals of such copies. In making our examination of documents, we have assumed that the parties thereto had the power, corporate or otherwise, to enter into and to perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or otherwise, and the execution and delivery by such parties of such documents and the validity and binding effect thereof on such parties.

In rendering this Opinion, we have considered applicable provisions of the Internal Revenue Code of 1986, as amended (the “**Code**”), Treasury regulations promulgated thereunder, pertinent judicial authorities, published opinions and administrative pronouncements of the Internal Revenue Service (the “**IRS**”), and such other authorities as we have considered relevant, all as they exist on the date hereof and all of which are subject to change or differing interpretations, possibly with retroactive effect. A change in any of the authorities upon which

this Opinion is based on any material change in the documents referred to above could affect our conclusions stated herein. Moreover, there can be no assurance that this Opinion will be accepted by the IRS or, if challenged, by a court.

Based upon the foregoing and subject to the limitations, qualifications, exceptions, and assumptions set forth herein and in the Registration Statement under the heading “Material U.S. Federal Income Tax Consequences of the Combination,” we are of the opinion that, for U.S. federal income tax purposes, the Combination will qualify as a “reorganization” within the meaning of Section 368(a) of the Code and, accordingly, will have the following U.S. federal income tax consequences to U.S. holders (as defined in the Registration Statement):

1. A U.S. holder that receives shares of Parent Capital Stock in exchange for shares of Company Capital Stock pursuant to the Combination will not recognize gain or loss on such exchange, except with respect to cash received in lieu of fractional shares of Parent Series C Common Stock or Parent Series B Common Stock (as discussed below).
2. If a U.S. holder has differing tax bases or holding periods in respect of Company Capital Stock that such U.S. holder exchanges pursuant to the Combination, such U.S. holder must determine the tax bases and holding periods in the Parent Capital Stock received in the Combination separately for each identifiable block (that is, stock of the same class or series acquired at the same time for the same price) of such Company Capital Stock.
3. The aggregate tax basis of the shares of Parent Series C Common Stock received by a U.S. holder of Company Series A Common Stock in the Combination (including any fractional shares of Parent Series C Common Stock deemed received and sold for cash, as discussed below) will be the same as the aggregate tax basis of the shares of Company Series A Common Stock surrendered in exchange therefor.
4. The aggregate tax basis of the shares of Parent Series B Common Stock received by a U.S. holder of Company Series B Common Stock in the Combination (including any fractional shares of Parent Series B Common Stock deemed received and sold for cash, as discussed below) will be the same as the aggregate tax basis of the shares of Company Series B Common Stock surrendered in exchange therefor.
5. The aggregate tax basis of the shares of Parent Preferred Stock received by a U.S. holder of Company Preferred Stock in the Combination will be the same as the aggregate tax basis of the shares of Company Preferred Stock surrendered in exchange therefor.

6. The holding period of the Parent Capital Stock received (including any fractional shares of Parent Series C Common Stock or Parent Series B Common Stock deemed received and sold for cash, as discussed below) will include the holding period of the Company Capital Stock for which it is exchanged.
7. A U.S. holder that receives cash in lieu of a fractional share of Parent Series C Common Stock or Parent Series B Common Stock will be treated as having received the fractional share pursuant to the Combination, and then as having sold such fractional share for cash. As a result, such U.S. holder will recognize gain or loss equal to the difference between the amount of cash received and the tax basis allocated to such fractional share (as described above). Such gain or loss will generally be long-term capital gain or loss if, as of the effective date of the Combination, the holding period for such fractional share (as described above) exceeds one year.

Except as set forth above, we express no opinion or other views regarding the tax consequences of the Combination or any other transactions. This Opinion has been prepared in connection with the Combination and the Registration Statement and may not be relied upon for any other purpose without our prior written consent. In addition, this Opinion is being delivered prior to the consummation of the Combination and therefore is prospective and dependent on future events. No assurances can be given that future legislative, judicial, or administrative changes, on either a prospective or a retroactive basis, or future factual developments, would not adversely affect the accuracy of the conclusions stated herein. This Opinion is expressed as of the date hereof, and we are under no obligation to supplement or revise this Opinion to reflect any legal developments or factual matters arising subsequent to the date hereof or the impact of any information, document, certificate, statement, representation, or assumption relied upon herein that becomes inaccurate or untrue.

In accordance with the requirements of Item 601(b)(23) of Regulation S-K under the Securities Act, we hereby consent to the filing of this Opinion as an exhibit to the Registration Statement and the use of our name under the heading "Material U.S. Federal Income Tax Consequences of the Combination" in the Registration Statement. In giving this consent, we do not admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the SEC thereunder.

GCI Liberty, Inc.:

We consent to the use of our reports dated February 26, 2020, with respect to the consolidated balance sheets of GCI Liberty, Inc. as of December 31, 2019 and 2018, the related consolidated statements of operations, comprehensive earnings (loss), cash flows, and equity for each of the years in the three-year period ended December 31, 2019, and the related notes, and the effectiveness of internal control over financial reporting as of December 31, 2019, incorporated herein by reference and to the reference to our firm under the heading 'Experts' in the prospectus.

Our report dated February 26, 2020, on the consolidated financial statements, refers to a change in the method of accounting for leases.

Our report dated February 26, 2020, on the effectiveness of internal control over financial reporting as of December 31, 2019, expresses our opinion that GCI Liberty, Inc. and subsidiaries did not maintain effective internal control over financial reporting as of December 31, 2019 because of the effect of a material weakness on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states a material weakness has been identified at GCI Holdings, a wholly-owned subsidiary, and included in management's assessment related to:

- Insufficient staffing and training of certain control operators;
- Inadequate assessment of financial reporting risks, which in turn contributed to reliance on business process controls that were not designed and operating effectively to adequately mitigate existing risks;
- Breakdowns in communication of expectations and prioritization of control execution to certain control operators;
- Lack of accountability for effective control operation; and
- Insufficient monitoring activities to ensure that the components of internal control are present and functioning.

As a consequence, the information technology general controls around access to financially relevant systems were not consistently operating effectively to ensure that access to data and applications was adequately restricted to appropriate personnel. Additionally, certain business process controls were not appropriately designed to be responsive to existing risks, nor were they consistently operating effectively.
