Amendment to Services Agreement

In connection with a prior spin-off transaction involving Liberty Media Corporation (“**Liberty Media**”) and Liberty Broadband Corporation (“**LBC**”), Liberty Media and LBC entered into a services agreement, dated November 4, 2014, pursuant to which Liberty Media’s employees, including Gregory B. Maffei, the President and Chief Executive Officer of each of Liberty Media and LBC, provide LBC with general and administrative services, including legal, tax, accounting, treasury and investor relations support services, and Liberty Media is compensated for the time spent providing services to LBC. Liberty Media has executed a new employment agreement with Mr. Maffei, effective December 13, 2019 (the “**Employment Agreement**”). The Employment Agreement provides for a five-year employment term commencing on January 1, 2020 and ending on December 31, 2024, with an annual base salary, annual cash performance bonus, initial cash commitment bonus, annual equity awards (as defined below), Upfront Awards (as defined below), perquisites and other benefits described in “Liberty Media CEO Employment Agreement” below. Also, effective December 13, 2019, LBC has executed a First Amendment to Services Agreement (the “**Services Amendment**”) pursuant to which components of Mr. Maffei’s compensation will either be paid directly to Mr. Maffei by LBC or reimbursed to Liberty Media, in each case, based on allocations among Liberty Media, Qurate Retail, Inc. (“**Qurate**”), LBC, GCI Liberty, Inc. (“**GCIL**”) and Liberty TripAdvisor Holdings, Inc. (“**TripCo**,” and together with Qurate, LBC and GCIL, the “**Service Companies**” and each, a “**Service Company**”), as set forth in the Services Amendment. Each of these other Services Companies also receive services from Liberty Media personnel pursuant to a services arrangement with Liberty Media executed in connection with each of their respective separation transactions, and each has executed amendments to these services arrangements substantively identical to the Services Amendment. The following descriptions of the Employment Agreement and the Services Amendment are qualified in their entirety by reference to the Employment Agreement and form of Services Amendment, which are Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated by reference into this Item 5.02.

The Services Amendment provides that Liberty Media is responsible for paying or providing annual base salary, the initial commitment bonus, perquisites and other employee benefits, Severance Benefits (as defined below) and certain reimbursements directly to Mr. Maffei, and a portion of these expenses will be allocated to, and reimbursed by, each of the Service Companies based on such Service Company’s Executive Percentage. For Mr. Maffei’s 2020 compensation, the “**Executive Percentage**” will be:

	Liberty Media			Qurate	GCIL	LBC	TripCo
	FWONK	LSXMK	BATRK	QRTEA	GLIBA	LBRDK	LTRPB
By ticker	16.0%	23.0%	5.0%	19.0%	14.0%	18.0%	5.0%
By company	44.0%			19.0%	14.0%	18.0%	5.0%

Beginning with Mr. Maffei’s 2021 compensation, the “Executive Percentage” will be determined based on a combination of (1) relative market capitalizations, weighted 50%, and (2) a blended average of historical time allocation on a Liberty Media-wide and CEO basis, weighted 50%, in each case, absent agreement to the contrary by Liberty Media and the Service Companies in consultation with Mr. Maffei. The Executive Percentage will be adjusted annually thereafter and upon the occurrence of certain events as set forth in the Services Amendment, including the discontinuation of Mr. Maffei’s services to a Service Company, the combination of one or more Service Companies or the addition of a new service company.

Each Service Company has agreed to pay directly to Mr. Maffei the portions of the annual cash performance bonus, the Upfront Awards and the annual equity awards that are allocated to the Service Company based on its respective Executive Percentage.

In the event that Mr. Maffei's services to LBC are discontinued and Mr. Maffei remains employed by Liberty Media following such discontinuation (unless the discontinuation of Mr. Maffei's services to LBC is for cause (as defined in the Employment Agreement)), LBC will be required to make a termination payment to Liberty Media pursuant to the Services Amendment representing the net present value of the portion of his compensation allocable to LBC, including the 2020 term award (defined below) if such award has not been granted prior to such date, from the date of the discontinuation of services to LBC through December 31 of the following calendar year. See "Liberty Media CEO Employment Agreement³/Termination Payments and Benefits" for other payments and benefits that Mr. Maffei may receive in connection with the termination of his employment at Liberty Media or of his services at LBC.

Liberty Media CEO Employment Agreement

As described above, Liberty Media has executed the Employment Agreement with Mr. Maffei, effective December 13, 2019, which provides for the following benefits:

Base Salary. Mr. Maffei's initial annual base salary will be \$3 million, with no contracted increase.

Initial Cash Commitment Bonus. Mr. Maffei received a one-time cash commitment bonus of \$5 million in connection with his entry into the Employment Agreement.

Annual Cash Performance Bonus. The aggregate target value for Mr. Maffei's annual cash performance bonus will be \$17 million for each year during the term of the Employment Agreement and will be payable by Liberty Media and each Service Company based on each company's allocable share of such obligation (as determined pursuant to the relevant services agreement). Payment of the annual cash performance bonus will be subject to the achievement of one or more performance metrics to be approved by the Compensation Committee of Liberty Media (the "**LMC Committee**") and the Compensation Committee of each Service Company (each a "**Service Company Committee**") with respect to its respective allocable portion of the annual cash performance bonus.

Perquisites and Other Benefits. Mr. Maffei will be eligible to participate in all employee benefit plans and perquisites that are generally available to other senior executive officers of Liberty Media. In addition, Mr. Maffei's perquisites include 120 hours of annual aircraft usage, subject to payment by Mr. Maffei of tax on the standard industry fare level value, plus 50 additional hours, subject to Mr. Maffei's payment for the cost of such usage.

Annual Equity Awards. The aggregate grant date fair value of Mr. Maffei's annual equity awards will be \$17.5 million for each year during the term of the Employment Agreement and will be comprised of awards of time-vested stock options (the "**Annual Option Awards**"), performance-based restricted stock units ("**Performance RSUs**") or a combination of award types, at Mr. Maffei's election, allocable across Liberty Media and the Service Companies (collectively, the "**annual equity awards**"). Vesting of any Performance RSUs will be subject to the achievement of one or more performance metrics to be approved by the LMC Committee and each Service Company Committee with respect to its respective allocable portion of the Performance RSUs. At LBC, Mr. Maffei's annual equity awards will be issued with respect to LBC's Series C common stock, par value \$0.01 per share ("**LBRDK**").

The description of the annual equity awards set forth herein is qualified in its entirety by reference to the forms of LBC's award agreements for the Annual Option Awards and the Performance RSUs, which are attached hereto as Exhibits 10.3 and 10.4, respectively, and incorporated by reference into this Item 5.02.

Upfront Awards. In connection with the execution of the Employment Agreement, Mr. Maffei is entitled to receive term equity awards with an aggregate grant date fair value of \$90 million (the “**Upfront Awards**”) to be granted in two equal tranches. The first tranche consists of time-vested stock options from each of Liberty Media, Qurate, LBC and GCIL and time-vested restricted stock units from TripCo (collectively, the “**2019 term awards**”) that vest, in each case, on December 31, 2023 (except TripCo’s award of time-vested restricted stock units which vests on the fourth anniversary of its grant date), subject to Mr. Maffei’s continued employment, except as described below. LBC’s portion of the 2019 term awards has an aggregate grant date fair value of \$8,100,000 and consists of stock options to purchase 260,419 LBRDK shares, with an exercise price of \$121.89.

The second tranche of the Upfront Awards will be granted on or before December 15, 2020, subject to Mr. Maffei’s continued employment on such date or the earlier occurrence of a termination of employment due to death, disability, by the issuing company without cause or by Mr. Maffei for good reason, and will consist of time-vested stock options from each of Liberty Media, Qurate, LBC and GCIL and time-vested restricted stock units from TripCo (collectively, the “**2020 term awards**”). The 2020 term awards will vest, in each case, on December 31, 2024, subject to Mr. Maffei’s continued employment, (except TripCo’s award of time-vested restricted stock units which vests on the fourth anniversary of its grant date), except as described below. The portion of the 2020 term awards to be granted by LBC is expected to consist of stock options to purchase LBRDK shares.

The description of the Upfront Awards set forth herein is qualified in its entirety by reference to the form of LBC’s award agreement for Upfront Awards, which is attached hereto as Exhibit 10.5 and incorporated by reference into this Item 5.02.

Termination Payments and Benefits. Mr. Maffei will be entitled to the following payments and benefits from Liberty Media (with Liberty Media being reimbursed by LBC for its allocated portion of the Severance Benefits pursuant to the Services Amendment) if his employment is terminated at Liberty Media under the circumstances described below, subject to the execution of releases by Liberty Media and Mr. Maffei in a form to be mutually agreed. The following discussion also summarizes the termination payments and benefits that Mr. Maffei would be entitled to if his services are terminated at LBC under the scenarios described below.

Termination by Liberty Media without Cause or by Mr. Maffei for Good Reason If Mr. Maffei’s employment is terminated by Liberty Media without cause (as defined in the Employment Agreement) or if Mr. Maffei terminates his employment for good reason (as defined in the Employment Agreement) on or after January 1, 2020, he is entitled to the following: (i) his accrued base salary, any accrued but unpaid bonus for a prior completed year, any unpaid expense reimbursements and any amounts due under applicable law (the “**Standard Entitlements**”); (ii) a severance payment of two times his base salary during the year of his termination to be paid in equal installments over 24 months; (iii) fully vested shares with an aggregate grant date fair value of \$35 million consisting of shares of the applicable series of common stock from Qurate, Liberty Media, GCIL, TripCo and LBC; (iv) full vesting of his Upfront Awards (including the grant and full vesting of the 2020 term awards if the termination occurs before they have been granted) and full vesting of the annual equity awards for the year in which the termination occurs (including the grant and full vesting of such annual equity awards if the termination occurs before they have been granted); (v) lump sum cash payment of two times the average annual cash performance bonus paid for the two calendar years ending prior to the termination, but in no event less than two times his target annual cash performance bonus of \$17 million, with (subject to certain exceptions) up to 25% of such amount payable in shares of the applicable series of common stock from Qurate, Liberty Media, GCIL, TripCo and LBC; (vi) a lump sum cash payment equal to the greater of (x) \$17 million and (y) the annual cash performance bonus otherwise payable for the year of termination, in each case, prorated based on the number of days that have elapsed within the year of termination (including the date of termination), with (subject to certain exceptions) up to 25% of such amount payable in shares of the applicable series of common stock from Qurate, Liberty Media, GCIL, TripCo and LBC; and (vii) continued use for 12 months after such termination of certain services and perquisites provided by Liberty, including continued use of Liberty’s aircraft (the “**Services**”) (clauses (i) through (vii) are collectively referred to as the “**Severance Benefits**”).

Termination at LBC by LBC without Cause or by Mr. Maffei for Good Reason. In addition, if Mr. Maffei's services at LBC are terminated by LBC without cause (as defined in the Employment Agreement) or by Mr. Maffei for good reason (as defined in the Employment Agreement) after January 1, 2020, he will be entitled to full vesting of the Upfront Awards and the annual equity awards, in each case, granted by LBC for the year of his termination, and if Mr. Maffei remains employed by Liberty Media at or following the date of termination of his services to LBC, he will also be entitled to payment of LBC's allocated portion of the annual cash performance bonus for the year, prorated for the portion of the calendar year in which Mr. Maffei served as an officer of LBC. Other than as described above, no Severance Benefits will be due to Mr. Maffei if he remains employed by Liberty Media at or following the date of termination of his services to LBC.

Termination by Reason of Death or Disability. In the event of Mr. Maffei's death or disability, he will be entitled to the same payments and benefits as if his services to LBC had been terminated by LBC without cause or by Mr. Maffei for good reason.

For Cause Termination at LBC. In the event Mr. Maffei's services to LBC are terminated by LBC for cause, he will forfeit any unvested portion of the Upfront Awards granted by LBC, and if the termination for cause occurs before December 31 of the relevant grant year, Mr. Maffei will forfeit LBC's allocated portion of the annual cash performance bonus and all of the annual equity awards granted by LBC for that grant year. If Mr. Maffei's services are terminated by LBC after December 31 of the relevant grant year but is terminated by LBC, including for cause, prior to the date on which LBC's Compensation Committee (the "**LBC Committee**") certifies achievement of the performance metric for LBC's Performance RSUs for the grant year (the "**Certification Date**"), the award will remain outstanding until LBC's Certification Date and will vest to the extent determined by the LBC Committee.

Voluntary Termination at LBC without Good Reason. If Mr. Maffei voluntarily terminates the services he provides to LBC without good reason on or after January 1, 2020, he will be entitled to pro rata vesting of the Upfront Awards granted by LBC (based on the number of days that have elapsed during the vesting period), pro rata vesting of his annual equity awards for the year of termination granted by LBC (based on the elapsed number of days in the calendar year of termination) and a pro rata payment of LBC's allocated portion of his annual cash performance bonus of \$17 million (based upon the elapsed number of days in the calendar year of termination). Any Performance RSUs for the year of termination that are unvested on the date of termination will remain outstanding until the performance criteria is determined and will vest pro rata (based upon the elapsed number of days in the calendar year of termination) to the extent determined by the LBC Committee (at a level not less than 100% of the target award). Other than as described above, no Severance Benefits will be due to Mr. Maffei if he remains employed by Liberty Media at or following the date of termination of his services to LBC.

Each option granted hereunder is a “Nonqualified Stock Option.” The Base Price of each Option and the number of Options granted hereunder are subject to adjustment pursuant to Section 12 below. No fractional shares of Common Stock will be issuable upon exercise of an Option, and the Grantee will receive, in lieu of any fractional share of Common Stock that the Grantee otherwise would receive upon such exercise, cash equal to the fraction representing such fractional share multiplied by the Fair Market Value of one share of Common Stock as of the date on which such exercise is considered to occur pursuant to Section 4 below.

3. Conditions of Exercise. Unless otherwise determined by the Committee in its sole discretion (provided that such determination is not adverse to the Grantee), the Options will be exercisable only in accordance with the conditions stated in this Section 3.

(a) The Options may be exercised only to the extent they have become vested and exercisable in accordance with the provisions of this Section 3. Except as otherwise provided in this Agreement or the Employment Agreement, subject to the Grantee's continued employment with or service to the Company or any Subsidiary on such date, all of the Options subject to this Agreement will become vested and exercisable on December 31, 2020.

(b) Notwithstanding the foregoing, (i) all Options will become vested and exercisable on the date of the Grantee's Separation if (A) the Grantee's Separation occurs on or after the Grant Date by reason of Disability or (B) the Grantee dies while employed by or providing services to the Company or a Subsidiary, and (ii) Options that have not theretofore become vested and exercisable will become vested and exercisable to the extent provided in Section 7 of this Agreement, on the date of the Grantee's Separation.

(c) To the extent the Options become vested and exercisable, any or all of such Options may be exercised (at any time or from time to time, except as otherwise provided herein) until expiration of the Term or earlier termination thereof as provided herein.

The Grantee acknowledges and agrees that the Committee, in its discretion and as contemplated by the Plan, may adopt rules and regulations from time to time after the date hereof with respect to the exercise of the Options and that the exercise by the Grantee of Options will be subject to the further condition that such exercise is made in accordance with all such rules and regulations as the Committee may determine are applicable thereto.

4. Manner of Exercise. Options will be considered exercised (as to the number of Options specified in the notice referred to in Section 4(a) below) on the latest of (i) the date of exercise designated in the written notice referred to in Section 4(a) below, (ii) if the date so designated is not a Business Day, the first Business Day following such date or (iii) the earliest Business Day by which the Company has received all of the following:

(a) Written notice, in such form as the Committee may require, containing such representations and warranties as the Committee may reasonably require and designating, among other things, the date of exercise and the number of shares of Common Stock ("Option Shares") to be purchased by exercise of Options;

(b) Payment of the Base Price for each Option Share to be purchased in any (or a combination) of the following forms, as determined by the Grantee: (A) cash, (B) check, (C) whole shares of any class or series of the Company's common stock, (D) the delivery, together with a properly executed exercise notice, of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds required to pay the Base Price (and, if applicable the Required Withholding Amount, as described in Section 5 below), or (E) the delivery of irrevocable instructions via the Company's online grant and administration program for the Company to withhold the number of shares of Common Stock (valued at the Fair Market Value of such Common Stock on the date of exercise) required to pay the Base Price (and, if applicable, the Required Withholding Amount, as described in Section 5 below) that would otherwise be delivered by the Company to the Grantee upon exercise of the Options (it being acknowledged that the method of exercise described in this clause (E) applies to the Options granted pursuant to this Agreement and will not apply to any options granted under the Plan to the Grantee after the Grant Date unless otherwise provided in the applicable award agreement); and

(c) Any other documentation that the Committee may reasonably require.

5. Mandatory Withholding for Taxes. The Grantee acknowledges and agrees that the Company will deduct from the shares of Common Stock otherwise payable or deliverable upon exercise of any Options that number of shares of Common Stock having a Fair Market Value on the date of exercise that is equal to the amount of all federal, state and local taxes required to be withheld by the Company or any Subsidiary of the Company upon such exercise, as determined by the Company (the "Required Withholding Amount"), unless the Grantee remits the Required Withholding Amount to the Company or its designee in cash in such form and by such time as the Company may require or other provisions for withholding such amount satisfactory to the Company have been made. If the Grantee elects to make payment of the Base Price by delivery of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds required to pay the Base Price, such instructions may also include instructions to deliver the Required Withholding Amount to the Company. In such case, the Company will notify the broker promptly of the Company's determination of the Required Withholding Amount. Notwithstanding the foregoing or anything contained herein to the contrary, (i) the Grantee may, in his sole discretion, direct the Company to deduct from the shares of Common Stock otherwise payable or deliverable upon exercise of any Options that number of shares of Common Stock acquired upon exercise of such Options having a Fair Market Value on the date of exercise that is equal to the Required Withholding Amount and (ii) the Company will not withhold any shares of Common Stock to pay the Required Withholding Amount if the Grantee has remitted cash to the Company or a Subsidiary or designee thereof in an amount equal to the Required Withholding Amount by such time as the Company may require.

6. Payment or Delivery by the Company. As soon as practicable after receipt of all items referred to in Section 4 above, and subject to the withholding referred to in Section 5 above, the Company will (i) deliver or cause to be delivered to the Grantee certificates issued in the Grantee's name for, or cause to be transferred to a brokerage account through Depository Trust Company for the benefit of the Grantee, the shares of Common Stock purchased by exercise of Options, and (ii) deliver any cash payment to which the Grantee is entitled in lieu of a fractional share of Common Stock as provided in Section 2 above. Any delivery of shares of Common Stock will be deemed effected for all purposes when certificates representing such shares have been delivered personally to the Grantee or, if delivery is by mail, when the certificates have been received by the Grantee, or at the time the stock transfer agent completes the transfer of shares to a brokerage account through Depository Trust Company for the benefit of the Grantee, if applicable, and any cash payment will be deemed effected when a check from the Company, payable to the Grantee and in the amount equal to the amount of the cash owed, has been delivered personally to the Grantee or, if delivery is by mail, upon receipt by the Grantee.

7. Effect of Termination of Employment or Service by the Company Without Cause or by the Grantee For or Without Good Reason on Exercisability of Options.

(a) If the Grantee's Separation occurs on or after the Grant Date on account of a termination of the Grantee's employment or service by the Company without Cause or on account of a voluntary termination by the Grantee of his employment or service for Good Reason, any Options that are outstanding and unvested at the time of such termination will immediately become vested and exercisable in full.

(b) If the Grantee's Separation occurs on or after the Grant Date on account of a voluntary termination by the Grantee of his employment or service without Good Reason, a pro rata portion of the Options that are not vested on the date of such Separation will vest and become exercisable as of the date of such Separation, such pro rata portion to be equal to the product of the number of Option Shares represented by the Options that are not vested on the date of such Separation, multiplied by a fraction, the numerator of which is the number of calendar days that have elapsed in calendar year 2020 through the date of Separation, and the denominator of which is 365 days.

8. Termination of Options. The Options will terminate at the time specified below:

(a) If a Change in Control occurs after the Grant Date but prior to the Grantee's Separation, all Options that are exercisable at the time of (or become exercisable after) such Change in Control will terminate at the expiration of the Term.

(b) If, in the absence of a Change in Control after the Grant Date, the Grantee's Separation occurs prior to the Close of Business on December 31, 2020 on account of a termination of the Grantee's employment or service for Cause, all Options that are not vested and exercisable as of the Close of Business on the date of Separation will terminate at the Close of Business on the date of Separation.

(c) If (i) the Grantee's Separation occurs after the Close of Business on December 31, 2020, or (ii) the Grantee's Separation occurs (A) on account of a termination of the Grantee's employment or service without Cause, (B) on account of a termination of the Grantee's employment or service by the Grantee with or without Good Reason, or (C) by reason of the death or Disability of the Grantee, all Options that are vested and exercisable as of the Close of Business on the date of Separation after giving effect to the provisions of Sections 3 and 7 above will terminate at the expiration of the Term.

In any event in which Options remain exercisable for a period of time following the date of the Grantee's Separation as provided above, the Options may be exercised during such period of time only to the extent the same were vested and exercisable as provided in Section 3 above on such date of Separation (after giving effect to the application of Section 7 above). Notwithstanding any period of time referenced in this Section 8 or any other provision of this Agreement or any other agreement that may be construed to the contrary, the Options will in any event terminate not later than upon the expiration of the Term.

9. Nontransferability. Options are not transferable (either voluntarily or involuntarily), before or after Grantee's death, except as follows: (a) during Grantee's lifetime, pursuant to a Domestic Relations Order, issued by a court of competent jurisdiction, that is not contrary to the terms and conditions of the Plan or this Agreement, and in a form acceptable to the Committee; or (b) after Grantee's death, by will or pursuant to the applicable laws of descent and distribution, as may be the case. Any person to whom Options are transferred in accordance with the provisions of the preceding sentence shall take such Options subject to all of the terms and conditions of the Plan and this Agreement, including that the vesting and termination provisions of this Agreement will continue to be applied with respect to the Grantee. Options are exercisable only by the Grantee (or, during the Grantee's lifetime, by the Grantee's court appointed legal representative) or a person to whom the Options have been transferred in accordance with this Section.

10. Forfeiture for Misconduct and Repayment of Certain Amounts. If (i) a material restatement of any financial statement of the Company (including any consolidated financial statement of the Company and its consolidated subsidiaries) is required and (ii) in the reasonable judgment of the Committee, (A) such restatement is due to material noncompliance with any financial reporting requirement under applicable securities laws and (B) such noncompliance is a result of misconduct on the part of the Grantee, the Grantee will repay to the Company Forfeitable Benefits received by the Grantee during the Misstatement Period in such amount as the Committee may reasonably determine, taking into account, in addition to any other factors deemed relevant by the Committee, the extent to which the market value of Common Stock during the Misstatement Period was affected by the error(s) giving rise to the need for such restatement. "Forfeitable Benefits" means (i) any and all cash and/or shares of Common Stock received by the Grantee (A) upon the exercise during the Misstatement Period of any SARs held by the Grantee or (B) upon the payment during the Misstatement Period of any Cash Award or Performance Award held by the Grantee, the value of which is determined in whole or in part with reference to the value of Common Stock, and (ii) any proceeds received by the Grantee from the sale, exchange, transfer or other disposition during the Misstatement Period of any shares of Common Stock received by the Grantee upon the exercise, vesting or payment during the Misstatement Period of any Award held by the Grantee. By way of clarification, "Forfeitable Benefits" will not include any shares of Common Stock received upon exercise of any Options during the Misstatement Period that are not sold, exchanged, transferred or otherwise disposed of during the Misstatement Period. "Misstatement Period" means the 12-month period beginning on the date of the first public issuance or the filing with the Securities and Exchange Commission, whichever occurs earlier, of the financial statement requiring restatement.

11. No Stockholder Rights. Prior to the exercise of Options in accordance with the terms and conditions set forth in this Agreement, the Grantee will not be deemed for any purpose to be, or to have any of the rights of, a stockholder of the Company with respect to any shares of Common Stock underlying the Options, as applicable, nor will the existence of this Agreement affect in any way the right or power of the Company or any stockholder of the Company to accomplish any corporate act, including, without limitation, any reclassification, reorganization or other change of or to its capital or business structure, merger, consolidation, liquidation, or sale or other disposition of all or any part of its business or assets.

12. Adjustments. If the outstanding shares of Common Stock are subdivided into a greater number of shares (by stock dividend, stock split, reclassification or otherwise) or are combined into a smaller number of shares (by reverse stock split, reclassification or otherwise), or if the Committee determines that any stock dividend, extraordinary cash dividend, reclassification, recapitalization, reorganization, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase any shares of Common Stock or other similar corporate event (including mergers or consolidations) affects shares of Common Stock such that an adjustment is required to preserve the benefits or potential benefits intended to be made available under this Agreement, then the Options will be subject to adjustment (including, without limitation, as to the number of Options and the Base Price per share of such Options) in such manner as the Committee, in its sole discretion, deems equitable and appropriate in connection with the occurrence of any of the events described in this Section 12 following the Grant Date.

13. Restrictions Imposed by Law. Without limiting the generality of Section 10.8 of the Plan, the Grantee will not exercise the Options, and the Company will not be obligated to make any cash payment or issue or cause to be issued any shares of Common Stock if counsel to the Company determines that such exercise, payment or issuance would violate any applicable law or any rule or regulation of any governmental authority or any rule or regulation of, or agreement of the Company with, any securities exchange or association upon which shares of such Common Stock are listed or quoted. The Company will in no event be obligated to take any affirmative action in order to cause the exercise of the Options or the resulting payment of cash or issuance of shares of Common Stock to comply with any such law, rule, regulation or agreement.

14. Notice. Unless the Company notifies the Grantee in writing of a different procedure or address, any notice or other communication to the Company with respect to this Agreement will be in writing and will be delivered personally or sent by United States first class mail, postage prepaid and addressed as follows:

Liberty Broadband Corporation
12300 Liberty Boulevard
Englewood, Colorado 80112
Attn: Chief Legal Officer

Unless the Company elects to notify the Grantee electronically pursuant to the online grant and administration program or via email, any notice or other communication to the Grantee with respect to this Agreement will be in writing and will be delivered personally, or will be sent by United States first class mail, postage prepaid, to the Grantee's address as listed in the records of the Company on the date of this Agreement, unless the Company has received written notification from the Grantee of a change of address.

15. Amendment. Notwithstanding any other provision hereof, this Agreement may be amended from time to time as approved by the Committee as contemplated in the Plan. Without limiting the generality of the foregoing, without the consent of the Grantee,

(a) this Agreement may be amended from time to time as approved by the Committee (i) to cure any ambiguity or to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, or (ii) to add to the covenants and agreements of the Company for the benefit of the Grantee or surrender any right or power reserved to or conferred upon the Company in this Agreement, subject to any required approval of the Company's stockholders and, provided, in each case, that such changes or corrections will not adversely affect the rights of the Grantee with respect to the Award evidenced hereby, or (iii) to make such other changes as the Company, upon advice of counsel, determines are necessary because of the adoption or promulgation of, or change in or of the interpretation of, any law or governmental rule or regulation, including any applicable federal or state securities laws; and

(b) subject to any required action by the Board or the stockholders of the Company, the Options granted under this Agreement may be canceled by the Company and a new Award made in substitution therefor, provided, that the Award so substituted will satisfy all of the requirements of the Plan as of the date such new Award is made and no such action will adversely affect any Options.

16. Grantee Services. Nothing contained in this Agreement, and no action of the Company or the Committee with respect hereto, will confer or be construed to confer on the Grantee any right to continue in the employ or service of the Company or interfere in any way with the right of the Company to terminate the Grantee's employment or service at any time, with or without Cause, subject to the provisions of the Services Agreement and Employment Agreement.

17. Nonalienation of Benefits. Except as provided in Section 9 of this Agreement, (i) no right or benefit under this Agreement will be subject to anticipation, alienation, sale, assignment, hypothecation, pledge, exchange, transfer, encumbrance or charge, and any attempt to anticipate, alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same will be void, and (ii) no right or benefit hereunder will in any manner be liable for or subject to the debts, contracts, liabilities or torts of the Grantee or other person entitled to such benefits.

18. Governing Law. This Agreement will be governed by, and construed in accordance with, the internal laws of the State of Colorado.

19. Construction. References in this Agreement to "this Agreement" and the words "herein," "hereof," "hereunder" and similar terms include all Exhibits and Schedules appended hereto, including the Plan. The word "include" and all variations thereof are used in an illustrative sense and not in a limiting sense. All decisions of the Committee upon questions regarding this Agreement or the Plan will be conclusive. Unless otherwise expressly stated herein, in the event of any inconsistency between the terms of the Plan and this Agreement, the terms of the Plan will control. The headings of the sections of this Agreement have been included for convenience of reference only, are not to be considered a part hereof and will in no way modify or restrict any of the terms or provisions hereof.

20. Rules by Committee. The rights of the Grantee and the obligations of the Company hereunder will be subject to such reasonable rules and regulations as the Committee may adopt from time to time.

21. Entire Agreement. This Agreement, together with the applicable provisions of the Employment Agreement, is in satisfaction of and in lieu of all prior discussions and agreements, oral or written, between the Company and the Grantee regarding the Award. The Grantee and the Company hereby declare and represent that no promise or agreement not expressed herein or in the Employment Agreement has been made regarding the Award and that this Agreement, together with the Employment Agreement, contains the entire agreement between the parties hereto with respect to the Award and replaces and makes null and void any prior agreements between the Grantee and the Company regarding the Award. Subject to the restrictions set forth in Sections 9 and 17 of this Agreement, this Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, successors and assigns.

22. Grantee Acceptance. The Grantee will signify acceptance of the terms and conditions of this Agreement by acknowledging the acceptance of this Agreement via the procedures described in the online grant and administration program utilized by the Company or by such other method as may be agreed by the Grantee and the Company.

23. Code Section 409A Compliance. To the extent that the provisions of Section 409A of the Code or any U.S. Department of the Treasury regulations promulgated thereunder are applicable to any Option, the parties intend that this Agreement will meet the requirements of such Code section and regulations and that the provisions hereof will be interpreted in a manner that is consistent with such intent. If, however, the Grantee is liable for the payment of any tax, penalty or interest pursuant to Section 409A of the Code, or any successor or like provision (the "409A Tax"), with respect to this Agreement any payments or property transfers received or to be received under this Agreement or otherwise, the Company will pay the Grantee an amount (the "Special Reimbursement") which, after payment to the Grantee (or on the Grantee's behalf) of any federal, state and local taxes, including, without limitation, any further tax, penalty or interest under Section 409A of the Code, with respect to or resulting from the Special Reimbursement, equals the net amount of the 409A Tax. Any payment due to the Grantee under this Section will be made to the Grantee, or on behalf of the Grantee, as soon as practicable after the determination of the amount of such payment, but no sooner than the date on which the Company is required to withhold such amount or the Grantee is required to pay such amount to the Internal Revenue Service. Notwithstanding the foregoing, all payments under this Section will be made to the Grantee, or on the Grantee's behalf, no later than the end of the calendar year immediately following the calendar year in which the Grantee or the Company paid the related taxes, interest or penalties. The Grantee will cooperate with the Company in taking such actions as the Company may reasonably request to assure that this Agreement will meet the requirements of Section 409A of the Code and any U.S. Department of the Treasury regulations promulgated thereunder and to limit the amount of any additional payments required by this Section to be made to the Grantee. The Company represents and warrants that the Option satisfies all requirements under Section 409A of the Code and any U.S. Department of the Treasury regulations promulgated thereunder such that the Option is exempt from Section 409A of the Code, including, without limitation, that the Common Stock underlying each Option is "service recipient stock" and with respect to an "eligible issuer of service recipient stock" (each as defined in Section 409A) and the Base Price is not less than the Fair Market Value of one share of Common Stock on the Grant Date.

24. Replacement Awards. Any restricted stock unit, restricted stock, option or other equity or equity derivative that is issued after the Grant Date to the Grantee by the Company or any other Person pursuant to a Fundamental Corporate Event in full or partial replacement of, as an adjustment to, or otherwise with respect to, an Option granted pursuant to this Agreement (a "Replacement Award"), will have the same term and the same vesting and exercisability terms and conditions as the Options, except that if the Company is not the issuer of a Replacement Award, the definition of Change in Control with respect to such Replacement Award will be applied with respect to the issuer of such Replacement Award as if it were the "Company" for purposes of such definition. By way of illustration, a Change in Control of the Company will not cause acceleration of any Replacement Awards that are not issued by the Company and a Change in Control of the issuer of any Replacement Awards with respect to which the Company is not the issuer will not cause acceleration of any remaining Options with respect to which the Company is the issuer.

25. Confidential Information. The Grantee will not, during or after his employment or service with the Company, without the prior express written consent of the Company, directly or indirectly use or divulge, disclose or make available or accessible any Confidential Information (as defined below) to any person, firm, partnership, corporation, trust or any other entity or third party (other than when required to do so in good faith to perform the Grantee's duties and responsibilities to the Company or when (i) required to do so by a lawful order of a court of competent jurisdiction, any governmental authority or agency, or any recognized subpoena power, or (ii) necessary to prosecute the Grantee's rights against the Company or its Subsidiaries or to defend himself against any allegations). The Grantee will also proffer to the Company, no later than the effective date of any termination of the Grantee's engagement with the Company for any reason, and without retaining any copies, notes or excerpts thereof, all memoranda, computer disks or other media, computer programs, diaries, notes, records, data, customer or client lists, marketing plans and strategies, and any other documents consisting of or containing Confidential Information that are in the Grantee's actual or constructive possession or which are subject to the Grantee's control at such time. For purposes of this Agreement, "Confidential Information" will mean all information respecting the business and activities of the Company or any Subsidiary, including, without limitation, the clients, customers, suppliers, employees, consultants, computer or other files, projects, products, computer disks or other media, computer hardware or computer software programs, marketing plans, financial information, methodologies, know-how, processes, practices, approaches, projections, forecasts, formats, systems, trade secrets, data gathering methods and/or strategies of the Company or any Subsidiary. Notwithstanding the immediately preceding sentence, Confidential Information will not include any information that is, or becomes, generally available to the public (unless such availability occurs as a result of the Grantee's breach of any of his obligations under this Section). If the Grantee is in breach of any of the provisions of this Section or if any such breach is threatened by the Grantee, in addition to and without limiting or waiving any other rights or remedies available to the Company at law or in equity, the Company shall be entitled to immediate injunctive relief in any court, domestic or foreign, having the capacity to grant such relief, without the necessity of posting a bond, to restrain any such breach or threatened breach and to enforce the provisions of this Section. The Grantee agrees that there is no adequate remedy at law for any such breach or threatened breach and, if any action or proceeding is brought seeking injunctive relief, the Grantee will not use as a defense thereto that there is an adequate remedy at law.

26. Arbitration. Any controversy, claim or dispute arising out of or in any way relating to this Agreement or the Grantee's employment with or service to, or termination of employment or service from, the Company (including whether such controversy, claim or dispute is subject to arbitration), excepting only claims that may not, by statute, be arbitrated, will be submitted to binding arbitration. Both the Grantee and the Company acknowledge that they are relinquishing their right to a jury trial. The Grantee and the Company agree that arbitration will be the exclusive method for resolving disputes arising out of or related to this Agreement or to the Grantee's employment or service with, or termination of employment or service from, the Company.

The arbitration will be administered by JAMS in accordance with the Employment Arbitration Rules & Procedures of JAMS then in effect and subject to JAMS Policy on Employment Arbitration Minimum Standards, except as otherwise provided in this Agreement. Arbitration will be commenced and heard in the Denver, Colorado metropolitan area. Only one arbitrator will preside over the proceedings, who will be selected by agreement of the parties from a list of five or more qualified arbitrators provided by the arbitration tribunal, or if the parties are unable to agree on an arbitrator within 10 Business Days following receipt of such list, the arbitration tribunal will select the arbitrator. The arbitrator will apply the substantive law (and the law of remedies, if applicable) of Colorado or federal law, or both, as applicable to the claim(s) asserted. In any arbitration, the burden of proof will be allocated as provided by applicable law. The arbitrator will have the authority to award any and all legal and equitable relief authorized by the law applicable to the claim(s) being asserted in the arbitration, as if the claim(s) were brought in a federal court of law. Either party may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award. Discovery, such as depositions or document requests, will be available to the Company and the Grantee as though the dispute were pending in U.S. federal court. The arbitrator will have the ability to rule on pre-hearing motions as though the matter were in a U.S. federal court, including the ability to rule on a motion for summary judgment.

If permitted by applicable law, the fees of the arbitrator and any other fees for the administration of the arbitration that would not normally be incurred if the action were brought in a court of law (e.g., filing fees or room rental fees) will be shared equally by the parties. If the foregoing is not permitted by applicable law, the fees of the arbitrator and any other fees for the administration of the arbitration that would not normally be incurred if the action were brought in a court of law will be paid by the Company. Each party will pay its own attorneys' fees and other costs incurred in connection with the arbitration, unless the relief authorized by law allows otherwise and the arbitrator determines that such fees and costs will be paid in a different manner. The arbitrator must provide a written decision. If any part of this arbitration provision is deemed to be unenforceable by an arbitrator or a court of law, that part may be severed or reformed so as to make the balance of this arbitration provision enforceable.

2. Grant of Restricted Stock Units. Subject to the terms and conditions herein and in the Plan, the Company hereby awards to the Grantee as of the Grant Date, a target Award of [___] LBRDK Restricted Stock Units (collectively, the “Target RSUs”), with the opportunity to earn between 0% and 150% of the Target RSUs as vested Restricted Stock Units, each representing the right to receive one share of Common Stock, subject to the conditions and restrictions set forth below in this Agreement and in the Plan. Regarding the last sentence of Section 8.5 of the Plan, the Company acknowledges and agrees that there are no restrictions, terms or conditions that will cause a forfeiture of the Target RSUs or any Dividend Equivalents with respect thereto that are not set forth in this Agreement.

3. Conditions of Vesting. Unless otherwise determined by the Committee in its sole discretion (provided that such determination is not adverse to the Grantee), the Restricted Stock Units will vest only in accordance with the conditions stated in this Section 3. Upon vesting, Restricted Stock Units and the related Dividend Equivalents shall not be subject to forfeiture other than as provided in Section 9 hereof.

(a) After December 31, 2020 but on or prior to March 15, 2021, the Committee will certify that portion, if any, of the Target RSUs that will vest based on the Performance Metrics established in the 2020 Performance Equity Program, the date as of which such certification is made being referred to as the "Committee Certification Date." The number of Target RSUs that will become vested Restricted Stock Units may range from 0% to 150% of the Target RSUs, but if the Committee's pre-established level of target performance is achieved, at least 100% of the Target RSUs will vest.

(b) The Committee will promptly notify the Grantee regarding the number of Restricted Stock Units, if any, that have vested pursuant to Section 3(a) as of the Committee Certification Date (with any fractional Restricted Stock Unit rounded up to the nearest whole Restricted Stock Unit).

(c) Any Dividend Equivalents with respect to the vested Restricted Stock Units that have not theretofore become Vested Dividend Equivalents ("Unpaid Dividend Equivalents") will become vested and payable to the extent that the Restricted Stock Units related thereto shall have become vested in accordance with this Agreement. Notwithstanding the foregoing, but subject to Section 7, the Grantee will not vest, pursuant to this Section 3, in Target RSUs or related Unpaid Dividend Equivalents in which the Grantee would otherwise vest as of a given date if the Grantee has not been continuously employed by or providing services to the Company from the Grant Date through such date (the vesting or forfeiture of such Restricted Stock Units and related Unpaid Dividend Equivalents to be governed instead by Section 7).

4. Settlement of Restricted Stock Units. Settlement of Restricted Stock Units (and related Unpaid Dividend Equivalents) that vest in accordance with Section 3 or 7 shall be made as soon as administratively practicable after the applicable Vesting Date, but in no event later than March 15, 2021. Settlement of vested Restricted Stock Units shall be made in payment of shares of Common Stock, together with any related Dividend Equivalents, in accordance with Section 6. Any shares of Common Stock so received shall be fully vested.

5. Mandatory Withholding for Taxes. To the extent that the Company is subject to withholding tax requirements under any national, state, local or other governmental law with respect to the award of the Restricted Stock Units to the Grantee or the vesting or settlement thereof, or the designation of any Dividend Equivalents as payable or distributable or the payment or distribution thereof, the Grantee must make arrangements satisfactory to the Company to make payment to the Company or its designee of the amount required to be withheld under such tax laws, as determined by the Company (collectively, the "Required Withholding Amount"). To the extent such withholding is required, the Company shall withhold (a) from the shares of Common Stock represented by such vested Restricted Stock Units and otherwise deliverable to the Grantee a number of shares of Common Stock and/or (b) from any related Dividend Equivalents otherwise deliverable to the Grantee an amount of such Dividend Equivalents, which collectively have a value (or, in the case of securities withheld, a Fair Market Value) as of the date the obligation to withhold arises equal to the Required Withholding Amount, unless the Grantee remits the Required Withholding Amount to the Company or its designee in cash in such form and by such time as the Company may require or other provisions for withholding such amount satisfactory to the Company have been made. Notwithstanding any other provisions of this Agreement, the delivery of any shares of Common Stock represented by vested Restricted Stock Units and any related Dividend Equivalents may be postponed until any required withholding taxes have been satisfied. Notwithstanding the foregoing or anything contained herein to the contrary, (i) the Grantee may, in his sole discretion, direct the Company to deduct from the shares of Common Stock represented by vested Restricted Stock Units and otherwise deliverable to the Grantee a number of shares of Common Stock represented by such Restricted Stock Units having a Fair Market Value on the date the obligation to withhold arises equal to the Required Withholding Amount and (ii) the Company will not withhold any shares of Common Stock to pay the Required Withholding Amount if the Grantee has remitted cash to the Company or a Subsidiary or designee thereof in an amount equal to the Required Withholding Amount by such time as the Company may require.

6. Delivery by the Company. As soon as practicable after the vesting of Restricted Stock Units, and any related Unpaid Dividend Equivalents, pursuant to Section 3 or 7 (but in no event later than March 15, 2021), and subject to the withholding referred to in Section 5, the Company will (a) register in a book entry account in the name of the Grantee, or cause to be issued and delivered to the Grantee (in certificate or electronic form), that number of shares of Common Stock represented by such vested Restricted Stock Units and any securities representing related vested Unpaid Dividend Equivalents, and (b) cause to be delivered to the Grantee any cash payment representing related vested Unpaid Dividend Equivalents. Any delivery of securities will be deemed effected for all purposes when a certificate representing, or statement of holdings reflecting, such securities and, in the case of any Unpaid Dividend Equivalents, any other documents necessary to reflect ownership thereof by the Grantee, have been delivered personally to the Grantee or, if delivery is by mail, when the Grantee has received such certificates or other documents. Any cash payment will be deemed effected when a check from the Company, payable to the Grantee and in the amount equal to the amount of the cash owed, has been delivered personally to the Grantee or, if delivery is by mail, upon receipt by the Grantee.

7. Termination of Restricted Stock Units. The Restricted Stock Units will be forfeited and terminate at the time specified below:

(a) Any Restricted Stock Units that do not become vested in accordance with Section 3 of this Agreement or this Section 7 as of the Committee Certification Date, and any related Unpaid Dividend Equivalents, will automatically be forfeited as of the Close of Business on the Committee Certification Date.

(b) Notwithstanding the provisions of Section 3, (i) if the Grantee's Separation occurs prior to the Close of Business on December 31, 2020 as a result of death, Disability, termination by the Company without Cause or termination by the Grantee with Good Reason, the Restricted Stock Units, to the extent not theretofore vested, and any related Unpaid Dividend Equivalents, will be immediately vested and settled with respect to 100% of the Target RSUs pursuant to Section 4, or (ii) if the Grantee's Separation occurs prior to the Close of Business on December 31, 2020 by reason of the Grantee's voluntary termination by the Grantee without Good Reason, the Restricted Stock Units, to the extent not theretofore vested, and any related Unpaid Dividend Equivalents, will remain outstanding until the Committee Certification Date and a pro rata portion of the Restricted Stock Units will vest under Section 3 on such date to the extent the Committee certifies they have vested in accordance with Section 3 (but in no event at a level less than 100% of the Target RSUs, regardless of actual performance), such pro rata portion to be equal to the product of the number of Restricted Stock Units that would otherwise vest, multiplied by a fraction, the numerator of which is the number of calendar days that have elapsed in calendar year 2020 through the date of Separation, and the denominator of which is 365 days; provided, that if the Grantee remains employed or providing services until the Close of Business on December 31, 2020 and the Grantee's Separation then occurs for any reason on or prior to the Committee Certification Date, the Restricted Stock Units and the related Unpaid Dividend Equivalents will remain outstanding until the Committee Certification Date and will vest under Section 3 on such date to the extent the Committee certifies they have vested in accordance with Section 3. Upon forfeiture of any unvested Restricted Stock Units, and any related Unpaid Dividend Equivalents, such Restricted Stock Units and any related Unpaid Dividend Equivalents will be immediately cancelled, and the Grantee will cease to have any rights with respect thereto.

8. Nontransferability of Restricted Stock Units. Restricted Stock Units and any related Unpaid Dividend Equivalents, are not transferable (either voluntarily or involuntarily) before or after the Grantee's death, except as follows: (a) during the Grantee's lifetime, pursuant to a Domestic Relations Order issued by a court of competent jurisdiction that is not contrary to the terms and conditions of the Plan or this Agreement, and in a form acceptable to the Committee; or (b) after the Grantee's death, by will or pursuant to the applicable laws of descent and distribution, as may be the case. Any person to whom Restricted Stock Units are transferred in accordance with the provisions of the preceding sentence shall take such Restricted Stock Units subject to all of the terms and conditions of the Plan and this Agreement, including that the vesting and termination provisions of this Agreement will continue to be applied with respect to the Grantee. Certificates representing Restricted Stock Units that have vested may be delivered (or, in the case of book entry registration, registered) only to the Grantee (or during the Grantee's lifetime, to the Grantee's court appointed legal representative) or to a person to whom the Restricted Stock Units have been transferred in accordance with this Section.

9. Forfeiture for Misconduct and Repayment of Certain Amounts. If (i) a material restatement of any financial statement of the Company (including any consolidated financial statement of the Company and its consolidated subsidiaries) is required and (ii) in the reasonable judgment of the Committee, (A) such restatement is due to material noncompliance with any financial reporting requirement under applicable securities laws and (B) such noncompliance is a result of misconduct on the part of the Grantee, the Grantee will repay to the Company Forfeitable Benefits received by the Grantee during the Misstatement Period in such amount as the Committee may reasonably determine, taking into account, in addition to any other factors deemed relevant by the Committee, the extent to which the market value of Common Stock during the Misstatement Period was affected by the error(s) giving rise to the need for such restatement. "Forfeitable Benefits" means (i) any and all cash and/or shares of Common Stock received by the Grantee (A) upon the exercise during the Misstatement Period of any SARs held by the Grantee or (B) upon the payment during the Misstatement Period of any Cash Award or Performance Award held by the Grantee, the value of which is determined in whole or in part with reference to the value of Common Stock, and (ii) any proceeds received by the Grantee from the sale, exchange, transfer or other disposition during the Misstatement Period of any shares of Common Stock received by the Grantee upon the exercise, vesting or payment during the Misstatement Period of any Award held by the Grantee. By way of clarification, "Forfeitable Benefits" will not include any shares of Common Stock delivered in respect of the vesting of any Restricted Stock Units during the Misstatement Period or any securities received as Dividend Equivalents in respect thereof, in each case that are not sold, exchanged, transferred or otherwise disposed of during the Misstatement Period. "Misstatement Period" means the 12-month period beginning on the date of the first public issuance or the filing with the Securities and Exchange Commission, whichever occurs earlier, of the financial statement requiring restatement.

10. No Stockholder Rights; Dividend Equivalents. The Grantee will not be deemed for any purpose to be, or to have any of the rights of, a stockholder of the Company with respect to any shares of Common Stock represented by any Restricted Stock Units unless and until such time as shares of Common Stock represented by vested Restricted Stock Units have been delivered to the Grantee in accordance with Section 6, nor will the existence of this Agreement affect in any way the right or power of the Company or any stockholder of the Company to accomplish any corporate act, including, without limitation, any reclassification, reorganization or other change of or to its capital or business structure, merger, consolidation, liquidation or sale or other disposition of all or any part of its business or assets. The Grantee will have no right to receive, or otherwise with respect to, any Dividend Equivalents until such time, if ever, as (a) the Restricted Stock Units with respect to which such Dividend Equivalents relate shall have become vested, or (b) such Dividend Equivalents shall have become vested in accordance with the third to last sentence of this Section, and, if vesting does not occur, the related Dividend Equivalents will be forfeited. Dividend Equivalents shall not bear interest or be segregated in a separate account. Notwithstanding the foregoing, the Committee may, in its sole discretion, accelerate the vesting of any portion of the Dividend Equivalents (the "Vested Dividend Equivalents"). The settlement of any Vested Dividend Equivalents shall be made as soon as administratively practicable after the accelerated vesting date, but in no event later than March 15, 2021. With respect to any Restricted Stock Units and Dividend Equivalents, the Grantee is a general unsecured creditor of the Company.

11. Adjustments. If the outstanding shares of Common Stock are subdivided into a greater number of shares (by stock dividend, stock split, reclassification or otherwise) or are combined into a smaller number of shares (by reverse stock split, reclassification or otherwise), or if the Committee determines that any stock dividend, extraordinary cash dividend, reclassification, recapitalization, reorganization, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase any shares of Common Stock or other similar corporate event (including mergers or consolidations) affects shares of Common Stock such that an adjustment is required to preserve the benefits or potential benefits intended to be made available under this Agreement, then the applicable Restricted Stock Units will be subject to adjustment in such manner as the Committee, in its sole discretion, deems equitable and appropriate in connection with the occurrence of any of the events described in this Section 11 following the Grant Date.

12. Restrictions Imposed by Law. Without limiting the generality of Section 10.8 of the Plan, the Company will not be obligated to deliver any shares of Common Stock represented by vested Restricted Stock Units or securities constituting any Unpaid Dividend Equivalents if counsel to the Company determines that the issuance or delivery thereof would violate any applicable law or any rule or regulation of any governmental authority or any rule or regulation of, or agreement of the Company with, any securities exchange or association upon which shares of Common Stock or such other securities are listed or quoted. The Company will in no event be obligated to take any affirmative action in order to cause the delivery of shares of Common Stock represented by vested Restricted Stock Units or securities constituting or cash payment related to any Unpaid Dividend Equivalents to comply with any such law, rule, regulation, or agreement.

13. Notice. Unless the Company notifies the Grantee in writing of a different procedure or address, any notice or other communication to the Company with respect to this Agreement will be in writing and will be delivered personally or sent by United States first class mail, postage prepaid and addressed as follows:

Liberty Broadband Corporation
12300 Liberty Boulevard
Englewood, Colorado 80112
Attn: Chief Legal Officer

Unless the Company elects to notify the Grantee electronically pursuant to the online grant and administration program or via email, any notice or other communication to the Grantee with respect to this Agreement will be in writing and will be delivered personally, or will be sent by United States first class mail, postage prepaid, to the Grantee's address as listed in the records of the Company on the date of this Agreement, unless the Company has received written notification from the Grantee of a change of address.

14. Amendment. Notwithstanding any other provision hereof, this Agreement may be amended from time to time as approved by the Committee as contemplated in the Plan. Without limiting the generality of the foregoing, without the consent of the Grantee,

(a) this Agreement may be amended from time to time as approved by the Committee (i) to cure any ambiguity or to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, (ii) to add to the covenants and agreements of the Company for the benefit of the Grantee or surrender any right or power reserved to or conferred upon the Company in this Agreement, subject to any required approval of the Company's stockholders, and provided, in each case, that such changes or corrections will not adversely affect the rights of the Grantee with respect to the Award evidenced hereby, or (iii) to make such other changes as the Company, upon advice of counsel, determines are necessary because of the adoption or promulgation of, or change in or of the interpretation of, any law or governmental rule or regulation, including any applicable federal or state securities laws; and

(b) subject to any required action by the Board or the stockholders of the Company, the Restricted Stock Units granted under this Agreement may be canceled by the Company and a new Award made in substitution therefor, provided, that the Award so substituted will satisfy all of the requirements of the Plan as of the date such new Award is made and no such action will adversely affect any Restricted Stock Units (after taking into account any related Unpaid Dividend Equivalents).

15. Grantee Services. Nothing contained in this Agreement, and no action of the Company or the Committee with respect hereto, will confer or be construed to confer on the Grantee any right to continue in the employ or service of the Company or interfere in any way with the right of the Company to terminate the Grantee's employment or service at any time, with or without Cause, subject to the provisions of the Services Agreement and the Employment Agreement.

16. Nonalienation of Benefits. Except as provided in Section 8, (a) no right or benefit under this Agreement will be subject to anticipation, alienation, sale, assignment, hypothecation, pledge, exchange, transfer, encumbrance or charge, and any attempt to anticipate, alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same will be void, and (b) no right or benefit hereunder will in any manner be liable for or subject to the debts, contracts, liabilities or torts of the Grantee or other person entitled to such benefits.

17. Governing Law. This Agreement will be governed by, and construed in accordance with, the internal laws of the State of Colorado.

18. Construction. References in this Agreement to "this Agreement" and the words "herein," "hereof," "hereunder" and similar terms include all Exhibits and Schedules appended hereto, including the Plan. All references to "Sections" in this Agreement shall be to Sections of this Agreement unless explicitly stated otherwise. The word "include" and all variations thereof are used in an illustrative sense and not in a limiting sense. All decisions of the Committee upon questions regarding this Agreement or the Plan will be conclusive. Unless otherwise expressly stated herein, in the event of any inconsistency between the terms of the Plan and this Agreement, the terms of the Plan will control. The headings of the sections of this Agreement have been included for convenience of reference only, are not to be considered a part hereof and will in no way modify or restrict any of the terms or provisions hereof.

19. Rules by Committee. The rights of the Grantee and the obligations of the Company hereunder will be subject to such reasonable rules and regulations as the Committee may adopt from time to time.

20. Entire Agreement. This Agreement is in satisfaction of and in lieu of all prior discussions and agreements, oral or written, between the Company and the Grantee regarding the Award. The Grantee and the Company hereby declare and represent that no promise or agreement not expressed herein has been made regarding the Award and that this Agreement contains the entire agreement between the parties hereto with respect to the Award and replaces and makes null and void any prior agreements between the Grantee and the Company regarding the Award. Subject to the restrictions set forth in Sections 8 and 16, this Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, successors and assigns.

21. Grantee Acceptance. The Grantee will signify acceptance of the terms and conditions of this Agreement by acknowledging the acceptance of this Agreement via the procedures described in the online grant and administration program utilized by the Company or by such other method as may be agreed by the Grantee and the Company.

22. Code Section 409A Compliance. To the extent that the provisions of Section 409A of the Code or any U.S. Department of the Treasury regulations promulgated thereunder are applicable to any Restricted Stock Unit or Dividend Equivalent, the parties intend that this Agreement will meet the requirements of such Code section and regulations and that the provisions hereof will be interpreted in a manner that is consistent with such intent. If, however, the Grantee is liable for the payment of any tax, penalty or interest pursuant to Section 409A of the Code, or any successor or like provision (the "409A Tax"), with respect to this Agreement any payments or property transfers received or to be received under this Agreement or otherwise, the Company will pay the Grantee an amount (the "Special Reimbursement") which, after payment to the Grantee (or on the Grantee's behalf) of any federal, state and local taxes, including, without limitation, any further tax, penalty or interest under Section 409A of the Code, with respect to or resulting from the Special Reimbursement, equals the net amount of the 409A Tax. Any payment due to the Grantee under this Section will be made to the Grantee, or on behalf of the Grantee, as soon as practicable after the determination of the amount of such payment, but no sooner than the date on which the Company is required to withhold such amount or the Grantee is required to pay such amount to the Internal Revenue Service. Notwithstanding the foregoing, all payments under this Section will be made to the Grantee, or on the Grantee's behalf, no later than the end of the calendar year immediately following the calendar year in which the Grantee or the Company paid the related taxes, interest or penalties. The Grantee will cooperate with the Company in taking such actions as the Company may reasonably request to assure that this Agreement will meet the requirements of Section 409A of the Code and any U.S. Department of the Treasury regulations promulgated thereunder and to limit the amount of any additional payments required by this Section to be made to the Grantee. The Company represents and warrants that the Restricted Stock Units satisfy all requirements under Section 409A of the Code and any U.S. Department of the Treasury regulations promulgated thereunder such that the Restricted Stock Units are exempt from or compliant with Section 409A of the Code.

23. Replacement Awards. Any restricted stock unit, restricted stock, option or other equity or equity derivative that is issued after the Grant Date to the Grantee by the Company or any other Person pursuant to a Fundamental Corporate Event in full or partial replacement of, as an adjustment to, or otherwise with respect to, Restricted Stock Units granted pursuant to this Agreement (a "Replacement Award"), will have the same term and the same vesting and exercisability terms and conditions as the Restricted Stock Units, except that if the Company is not the issuer of a Replacement Award, the definition of Change in Control with respect to such Replacement Award will be applied with respect to the issuer of such Replacement Award as if it were the "Company" for purposes of such definition. By way of illustration, a Change in Control of the Company will not cause acceleration of any Replacement Awards that are not issued by the Company and a Change in Control of the issuer of any Replacement Awards with respect to which the Company is not the issuer will not cause acceleration of any remaining Restricted Stock Units with respect to which the Company is the issuer.

24. Confidential Information. The Grantee will not, during or after his employment or service with the Company, without the prior express written consent of the Company, directly or indirectly use or divulge, disclose or make available or accessible any Confidential Information (as defined below) to any person, firm, partnership, corporation, trust or any other entity or third party (other than when required to do so in good faith to perform the Grantee's duties and responsibilities to the Company or when (i) required to do so by a lawful order of a court of competent jurisdiction, any governmental authority or agency, or any recognized subpoena power, or (ii) necessary to prosecute the Grantee's rights against the Company or its Subsidiaries or to defend himself against any allegations). The Grantee will also proffer to the Company, no later than the effective date of any termination of the Grantee's engagement with the Company for any reason, and without retaining any copies, notes or excerpts thereof, all memoranda, computer disks or other media, computer programs, diaries, notes, records, data, customer or client lists, marketing plans and strategies, and any other documents consisting of or containing Confidential Information that are in the Grantee's actual or constructive possession or which are subject to the Grantee's control at such time. For purposes of this Agreement, "Confidential Information" will mean all information respecting the business and activities of the Company or any Subsidiary, including, without limitation, the clients, customers, suppliers, employees, consultants, computer or other files, projects, products, computer disks or other media, computer hardware or computer software programs, marketing plans, financial information, methodologies, know-how, processes, practices, approaches, projections, forecasts, formats, systems, trade secrets, data gathering methods and/or strategies of the Company or any Subsidiary. Notwithstanding the immediately preceding sentence, Confidential Information will not include any information that is, or becomes, generally available to the public (unless such availability occurs as a result of the Grantee's breach of any of his obligations under this Section). If the Grantee is in breach of any of the provisions of this Section or if any such breach is threatened by the Grantee, in addition to and without limiting or waiving any other rights or remedies available to the Company at law or in equity, the Company shall be entitled to immediate injunctive relief in any court, domestic or foreign, having the capacity to grant such relief, without the necessity of posting a bond, to restrain any such breach or threatened breach and to enforce the provisions of this Section. The Grantee agrees that there is no adequate remedy at law for any such breach or threatened breach and, if any action or proceeding is brought seeking injunctive relief, the Grantee will not use as a defense thereto that there is an adequate remedy at law.

25. Arbitration. Any controversy, claim or dispute arising out of or in any way relating to this Agreement or the Grantee's employment with or service to, or termination of employment or service from, the Company (including whether such controversy, claim or dispute is subject to arbitration), excepting only claims that may not, by statute, be arbitrated, will be submitted to binding arbitration. Both the Grantee and the Company acknowledge that they are relinquishing their right to a jury trial. The Grantee and the Company agree that arbitration will be the exclusive method for resolving disputes arising out of or related to this Agreement or to the Grantee's employment or service with, or termination of employment or service from, the Company. The arbitration will be administered by JAMS in accordance with the Employment Arbitration Rules & Procedures of JAMS then in effect and subject to JAMS Policy on Employment Arbitration Minimum Standards, except as otherwise provided in this Agreement. Arbitration will be commenced and heard in the Denver, Colorado metropolitan area. Only one arbitrator will preside over the proceedings, who will be selected by agreement of the parties from a list of five or more qualified arbitrators provided by the arbitration tribunal, or if the parties are unable to agree on an arbitrator within 10 Business Days following receipt of such list, the arbitration tribunal will select the arbitrator. The arbitrator will apply the substantive law (and the law of remedies, if applicable) of Colorado or federal law, or both, as applicable to the claim(s) asserted. In any arbitration, the burden of proof will be allocated as provided by applicable law. The arbitrator will have the authority to award any and all legal and equitable relief authorized by the law applicable to the claim(s) being asserted in the arbitration, as if the claim(s) were brought in a federal court of law. Either party may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award. Discovery, such as depositions or document requests, will be available to the Company and the Grantee as though the dispute were pending in U.S. federal court. The arbitrator will have the ability to rule on pre-hearing motions as though the matter were in a U.S. federal court, including the ability to rule on a motion for summary judgment.

Each option granted hereunder is a “Nonqualified Stock Option.” The Base Price of each Option and the number of Options granted hereunder are subject to adjustment pursuant to Section 12 below. No fractional shares of Common Stock will be issuable upon exercise of an Option, and the Grantee will receive, in lieu of any fractional share of Common Stock that the Grantee otherwise would receive upon such exercise, cash equal to the fraction representing such fractional share multiplied by the Fair Market Value of one share of Common Stock as of the date on which such exercise is considered to occur pursuant to Section 4 below.

3. Conditions of Exercise. Unless otherwise determined by the Committee in its sole discretion (provided that such determination is not adverse to the Grantee), the Options will be exercisable only in accordance with the conditions stated in this Section 3.

(a) The Options may be exercised only to the extent they have become vested and exercisable in accordance with the provisions of this Section 3. Except as otherwise provided in this Agreement or the Employment Agreement, subject to the Grantee's continued employment with or service to the Company or any Subsidiary on such date, all of the Options subject to this Agreement will become vested and exercisable on December 31, 2023.

(b) Notwithstanding the foregoing, (i) all Options will become vested and exercisable on the date of the Grantee's Separation if (A) the Grantee's Separation occurs on or after the Grant Date by reason of Disability or (B) the Grantee dies while employed by or providing services to the Company or a Subsidiary, and (ii) Options that have not theretofore become vested and exercisable will become vested and exercisable to the extent provided in Section 7 of this Agreement, on the date of the Grantee's Separation.

(c) To the extent the Options become vested and exercisable, any or all of such Options may be exercised (at any time or from time to time, except as otherwise provided herein) until expiration of the Term or earlier termination thereof as provided herein.

The Grantee acknowledges and agrees that the Committee, in its discretion and as contemplated by the Plan, may adopt rules and regulations from time to time after the date hereof with respect to the exercise of the Options and that the exercise by the Grantee of Options will be subject to the further condition that such exercise is made in accordance with all such rules and regulations as the Committee may determine are applicable thereto.

4. Manner of Exercise. Options will be considered exercised (as to the number of Options specified in the notice referred to in Section 4(a) below) on the latest of (i) the date of exercise designated in the written notice referred to in Section 4(a) below, (ii) if the date so designated is not a Business Day, the first Business Day following such date or (iii) the earliest Business Day by which the Company has received all of the following:

(a) Written notice, in such form as the Committee may require, containing such representations and warranties as the Committee may reasonably require and designating, among other things, the date of exercise and the number of shares of Common Stock ("Option Shares") to be purchased by exercise of Options;

(b) Payment of the Base Price for each Option Share to be purchased in any (or a combination) of the following forms, as determined by the Grantee: (A) cash, (B) check, (C) whole shares of any class or series of the Company's common stock, (D) the delivery, together with a properly executed exercise notice, of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds required to pay the Base Price (and, if applicable the Required Withholding Amount, as described in Section 5 below), or (E) the delivery of irrevocable instructions via the Company's online grant and administration program for the Company to withhold the number of shares of Common Stock (valued at the Fair Market Value of such Common Stock on the date of exercise) required to pay the Base Price (and, if applicable, the Required Withholding Amount, as described in Section 5 below) that would otherwise be delivered by the Company to the Grantee upon exercise of the Options (it being acknowledged that the method of exercise described in this clause (E) applies to the Options granted pursuant to this Agreement and will not apply to any options granted under the Plan to the Grantee after the Grant Date unless otherwise provided in the applicable award agreement); and

(c) Any other documentation that the Committee may reasonably require.

5. Mandatory Withholding for Taxes. The Grantee acknowledges and agrees that the Company will deduct from the shares of Common Stock otherwise payable or deliverable upon exercise of any Options that number of shares of Common Stock having a Fair Market Value on the date of exercise that is equal to the amount of all federal, state and local taxes required to be withheld by the Company or any Subsidiary of the Company upon such exercise, as determined by the Company (the "Required Withholding Amount"), unless the Grantee remits the Required Withholding Amount to the Company or its designee in cash in such form and by such time as the Company may require or other provisions for withholding such amount satisfactory to the Company have been made. If the Grantee elects to make payment of the Base Price by delivery of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds required to pay the Base Price, such instructions may also include instructions to deliver the Required Withholding Amount to the Company. In such case, the Company will notify the broker promptly of the Company's determination of the Required Withholding Amount. Notwithstanding the foregoing or anything contained herein to the contrary, (i) the Grantee may, in his sole discretion, direct the Company to deduct from the shares of Common Stock otherwise payable or deliverable upon exercise of any Options that number of shares of Common Stock acquired upon exercise of such Options having a Fair Market Value on the date of exercise that is equal to the Required Withholding Amount and (ii) the Company will not withhold any shares of Common Stock to pay the Required Withholding Amount if the Grantee has remitted cash to the Company or a Subsidiary or designee thereof in an amount equal to the Required Withholding Amount by such time as the Company may require.

6. Payment or Delivery by the Company. As soon as practicable after receipt of all items referred to in Section 4 above, and subject to the withholding referred to in Section 5 above, the Company will (i) deliver or cause to be delivered to the Grantee certificates issued in the Grantee's name for, or cause to be transferred to a brokerage account through Depository Trust Company for the benefit of the Grantee, the shares of Common Stock purchased by exercise of Options, and (ii) deliver any cash payment to which the Grantee is entitled in lieu of a fractional share of Common Stock as provided in Section 2 above. Any delivery of shares of Common Stock will be deemed effected for all purposes when certificates representing such shares have been delivered personally to the Grantee or, if delivery is by mail, when the certificates have been received by the Grantee, or at the time the stock transfer agent completes the transfer of shares to a brokerage account through Depository Trust Company for the benefit of the Grantee, if applicable, and any cash payment will be deemed effected when a check from the Company, payable to the Grantee and in the amount equal to the amount of the cash owed, has been delivered personally to the Grantee or, if delivery is by mail, upon receipt by the Grantee.

7. Effect of Termination of Employment or Service by the Company Without Cause or by the Grantee For or Without Good Reason on Exercisability of Options.

(a) If the Grantee's Separation occurs on or after January 1, 2020 on account of a termination of the Grantee's employment by or service to the Company without Cause or on account of a voluntary termination by the Grantee of his employment or service for Good Reason, any Options that are outstanding and unvested at the time of such termination will immediately become vested and exercisable in full.

(b) In addition to the acceleration provided pursuant to Section 3(b) on account of death or Disability, if the Grantee's Separation occurs on or after January 1, 2020 on account of a voluntary termination by the Grantee of his employment or service without Good Reason, a pro rata portion of the Options that are not vested on the date of such Separation will vest and become exercisable as of the date of such Separation, such pro rata portion to be equal to the product of the number of Option Shares represented by the Options that are not vested on the date of such Separation, multiplied by a fraction, the numerator of which is the number of calendar days that have elapsed from January 1, 2020 through the date of Separation, and the denominator of which is 1,460 days.

8. Termination of Options. The Options will terminate at the time specified below:

(a) If a Change in Control occurs after the Grant Date but prior to the Grantee's Separation, all Options will terminate at the expiration of the Term.

(b) If, in the absence of a Change in Control after the Grant Date, the Grantee's Separation occurs prior to the Close of Business on December 31, 2023 on account of a termination of the Grantee's employment or service for Cause, all Options that are not vested and exercisable as of the Close of Business on the date of Separation will terminate at that time and all Options that are vested and exercisable as of the Close of Business on the date of Separation will terminate at the Close of Business on the first Business Day following the expiration of the 90-day period that began on the date of the Grantee's Separation.

(c) If (i) the Grantee's Separation occurs after the Close of Business on December 31, 2023, or (ii) in the absence of a Change in Control after the Grant Date, the Grantee's Separation occurs (A) on account of a termination of the Grantee's employment or service without Cause, (B) on account of a termination of the Grantee's employment or service by the Grantee with or without Good Reason, or (C) by reason of the death or Disability of the Grantee, then, in each case, all Options that are not vested and exercisable as of the Close of Business on the date of Separation after giving effect to the provisions of Sections 3 and 7 above will terminate at that time, and all Options that are vested and exercisable as of the Close of Business on the date of Separation after giving effect to the provisions of Sections 3 and 7 above will terminate at the expiration of the Term.

In any event in which Options remain exercisable for a period of time following the date of the Grantee's Separation as provided above, the Options may be exercised during such period of time only to the extent the same were vested and exercisable as provided in Section 3 above on such date of Separation (after giving effect to the application of Section 7 above). Notwithstanding any period of time referenced in this Section 8 or any other provision of this Agreement or any other agreement that may be construed to the contrary, the Options will in any event terminate not later than upon the expiration of the Term.

9. Nontransferability. Options are not transferable (either voluntarily or involuntarily), before or after Grantee's death, except as follows: (a) during Grantee's lifetime, pursuant to a Domestic Relations Order, issued by a court of competent jurisdiction, that is not contrary to the terms and conditions of the Plan or this Agreement, and in a form acceptable to the Committee; or (b) after Grantee's death, by will or pursuant to the applicable laws of descent and distribution, as may be the case. Any person to whom Options are transferred in accordance with the provisions of the preceding sentence shall take such Options subject to all of the terms and conditions of the Plan and this Agreement, including that the vesting and termination provisions of this Agreement will continue to be applied with respect to the Grantee. Options are exercisable only by the Grantee (or, during the Grantee's lifetime, by the Grantee's court appointed legal representative) or a person to whom the Options have been transferred in accordance with this Section.

10. Forfeiture for Misconduct and Repayment of Certain Amounts. If (i) a material restatement of any financial statement of the Company (including any consolidated financial statement of the Company and its consolidated subsidiaries) is required and (ii) in the reasonable judgment of the Committee, (A) such restatement is due to material noncompliance with any financial reporting requirement under applicable securities laws and (B) such noncompliance is a result of misconduct on the part of the Grantee, the Grantee will repay to the Company Forfeitable Benefits received by the Grantee during the Misstatement Period in such amount as the Committee may reasonably determine, taking into account, in addition to any other factors deemed relevant by the Committee, the extent to which the market value of Common Stock during the Misstatement Period was affected by the error(s) giving rise to the need for such restatement. "Forfeitable Benefits" means (i) any and all cash and/or shares of Common Stock received by the Grantee (A) upon the exercise during the Misstatement Period of any SARs held by the Grantee or (B) upon the payment during the Misstatement Period of any Cash Award or Performance Award held by the Grantee, the value of which is determined in whole or in part with reference to the value of Common Stock, and (ii) any proceeds received by the Grantee from the sale, exchange, transfer or other disposition during the Misstatement Period of any shares of Common Stock received by the Grantee upon the exercise, vesting or payment during the Misstatement Period of any Award held by the Grantee. By way of clarification, "Forfeitable Benefits" will not include any shares of Common Stock received upon exercise of any Options during the Misstatement Period that are not sold, exchanged, transferred or otherwise disposed of during the Misstatement Period. "Misstatement Period" means the 12-month period beginning on the date of the first public issuance or the filing with the Securities and Exchange Commission, whichever occurs earlier, of the financial statement requiring restatement.

11. No Stockholder Rights. Prior to the exercise of Options in accordance with the terms and conditions set forth in this Agreement, the Grantee will not be deemed for any purpose to be, or to have any of the rights of, a stockholder of the Company with respect to any shares of Common Stock underlying the Options, as applicable, nor will the existence of this Agreement affect in any way the right or power of the Company or any stockholder of the Company to accomplish any corporate act, including, without limitation, any reclassification, reorganization or other change of or to its capital or business structure, merger, consolidation, liquidation, or sale or other disposition of all or any part of its business or assets.

12. Adjustments. If the outstanding shares of Common Stock are subdivided into a greater number of shares (by stock dividend, stock split, reclassification or otherwise) or are combined into a smaller number of shares (by reverse stock split, reclassification or otherwise), or if the Committee determines that any stock dividend, extraordinary cash dividend, reclassification, recapitalization, reorganization, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase any shares of Common Stock or other similar corporate event (including mergers or consolidations) affects shares of Common Stock such that an adjustment is required to preserve the benefits or potential benefits intended to be made available under this Agreement, then the Options will be subject to adjustment (including, without limitation, as to the number of Options and the Base Price per share of such Options) in such manner as the Committee, in its sole discretion, deems equitable and appropriate in connection with the occurrence of any of the events described in this Section 12 following the Grant Date.

13. Restrictions Imposed by Law. Without limiting the generality of Section 10.8 of the Plan, the Grantee will not exercise the Options, and the Company will not be obligated to make any cash payment or issue or cause to be issued any shares of Common Stock if counsel to the Company determines that such exercise, payment or issuance would violate any applicable law or any rule or regulation of any governmental authority or any rule or regulation of, or agreement of the Company with, any securities exchange or association upon which shares of such Common Stock are listed or quoted. The Company will in no event be obligated to take any affirmative action in order to cause the exercise of the Options or the resulting payment of cash or issuance of shares of Common Stock to comply with any such law, rule, regulation or agreement.

14. Notice. Unless the Company notifies the Grantee in writing of a different procedure or address, any notice or other communication to the Company with respect to this Agreement will be in writing and will be delivered personally or sent by United States first class mail, postage prepaid and addressed as follows:

Liberty Broadband Corporation
12300 Liberty Boulevard
Englewood, Colorado 80112
Attn: Chief Legal Officer

Unless the Company elects to notify the Grantee electronically pursuant to the online grant and administration program or via email, any notice or other communication to the Grantee with respect to this Agreement will be in writing and will be delivered personally, or will be sent by United States first class mail, postage prepaid, to the Grantee's address as listed in the records of the Company on the date of this Agreement, unless the Company has received written notification from the Grantee of a change of address.

15. Amendment. Notwithstanding any other provision hereof, this Agreement may be amended from time to time as approved by the Committee as contemplated in the Plan. Without limiting the generality of the foregoing, without the consent of the Grantee,

(a) this Agreement may be amended from time to time as approved by the Committee (i) to cure any ambiguity or to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, or (ii) to add to the covenants and agreements of the Company for the benefit of the Grantee or surrender any right or power reserved to or conferred upon the Company in this Agreement, subject to any required approval of the Company's stockholders and, provided, in each case, that such changes or corrections will not adversely affect the rights of the Grantee with respect to the Award evidenced hereby, or (iii) to make such other changes as the Company, upon advice of counsel, determines are necessary because of the adoption or promulgation of, or change in or of the interpretation of, any law or governmental rule or regulation, including any applicable federal or state securities laws; and

(b) subject to any required action by the Board or the stockholders of the Company, the Options granted under this Agreement may be canceled by the Company and a new Award made in substitution therefor, provided, that the Award so substituted will satisfy all of the requirements of the Plan as of the date such new Award is made and no such action will adversely affect any Options.

16. Grantee Services. Nothing contained in this Agreement, and no action of the Company or the Committee with respect hereto, will confer or be construed to confer on the Grantee any right to continue in the employ or service of the Company or interfere in any way with the right of the Company to terminate the Grantee's employment or service at any time, with or without Cause, subject to the provisions of the Services Agreement and Employment Agreement.

17. Nonalienation of Benefits. Except as provided in Section 9 of this Agreement, (i) no right or benefit under this Agreement will be subject to anticipation, alienation, sale, assignment, hypothecation, pledge, exchange, transfer, encumbrance or charge, and any attempt to anticipate, alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same will be void, and (ii) no right or benefit hereunder will in any manner be liable for or subject to the debts, contracts, liabilities or torts of the Grantee or other person entitled to such benefits.

18. Governing Law. This Agreement will be governed by, and construed in accordance with, the internal laws of the State of Colorado.

19. Construction. References in this Agreement to "this Agreement" and the words "herein," "hereof," "hereunder" and similar terms include all Exhibits and Schedules appended hereto, including the Plan. The word "include" and all variations thereof are used in an illustrative sense and not in a limiting sense. All decisions of the Committee upon questions regarding this Agreement or the Plan will be conclusive. Unless otherwise expressly stated herein, in the event of any inconsistency between the terms of the Plan and this Agreement, the terms of the Plan will control. The headings of the sections of this Agreement have been included for convenience of reference only, are not to be considered a part hereof and will in no way modify or restrict any of the terms or provisions hereof.

20. Rules by Committee. The rights of the Grantee and the obligations of the Company hereunder will be subject to such reasonable rules and regulations as the Committee may adopt from time to time.

21. Entire Agreement. This Agreement is in satisfaction of and in lieu of all prior discussions and agreements, oral or written, between the Company and the Grantee regarding the Award. The Grantee and the Company hereby declare and represent that no promise or agreement not expressed herein has been made regarding the Award and that this Agreement contains the entire agreement between the parties hereto with respect to the Award and replaces and makes null and void any prior agreements between the Grantee and the Company regarding the Award. Subject to the restrictions set forth in Sections 9 and 17 of this Agreement, this Agreement will be binding upon and inure to the benefit of the parties and their respective heirs, successors and assigns.

22. Grantee Acceptance. The Grantee will signify acceptance of the terms and conditions of this Agreement by acknowledging the acceptance of this Agreement via the procedures described in the online grant and administration program utilized by the Company or by such other method as may be agreed by the Grantee and the Company.

23. Code Section 409A Compliance. To the extent that the provisions of Section 409A of the Code or any U.S. Department of the Treasury regulations promulgated thereunder are applicable to any Option, the parties intend that this Agreement will meet the requirements of such Code section and regulations and that the provisions hereof will be interpreted in a manner that is consistent with such intent. If, however, the Grantee is liable for the payment of any tax, penalty or interest pursuant to Section 409A of the Code, or any successor or like provision (the "409A Tax"), with respect to this Agreement any payments or property transfers received or to be received under this Agreement or otherwise, the Company will pay the Grantee an amount (the "Special Reimbursement") which, after payment to the Grantee (or on the Grantee's behalf) of any federal, state and local taxes, including, without limitation, any further tax, penalty or interest under Section 409A of the Code, with respect to or resulting from the Special Reimbursement, equals the net amount of the 409A Tax. Any payment due to the Grantee under this Section will be made to the Grantee, or on behalf of the Grantee, as soon as practicable after the determination of the amount of such payment, but no sooner than the date on which the Company is required to withhold such amount or the Grantee is required to pay such amount to the Internal Revenue Service. Notwithstanding the foregoing, all payments under this Section will be made to the Grantee, or on the Grantee's behalf, no later than the end of the calendar year immediately following the calendar year in which the Grantee or the Company paid the related taxes, interest or penalties. The Grantee will cooperate with the Company in taking such actions as the Company may reasonably request to assure that this Agreement will meet the requirements of Section 409A of the Code and any U.S. Department of the Treasury regulations promulgated thereunder and to limit the amount of any additional payments required by this Section to be made to the Grantee. The Company represents and warrants that the Option satisfies all requirements under Section 409A of the Code and any U.S. Department of the Treasury regulations promulgated thereunder such that the Option is exempt from Section 409A of the Code, including, without limitation, that the Common Stock underlying each Option is "service recipient stock" and with respect to an "eligible issuer of service recipient stock" (each as defined in Section 409A) and the Base Price is not less than the Fair Market Value of one share of the applicable class of Common Stock on the Grant Date.

24. Replacement Awards. Any restricted stock unit, restricted stock, option or other equity or equity derivative that is issued after the Grant Date to the Grantee by the Company or any other Person pursuant to a Fundamental Corporate Event in full or partial replacement of, as an adjustment to, or otherwise with respect to, an Option granted pursuant to this Agreement (a "Replacement Award"), will have the same term and the same vesting and exercisability terms and conditions as the Options, except that if the Company is not the issuer of a Replacement Award, the definition of Change in Control with respect to such Replacement Award will be applied with respect to the issuer of such Replacement Award as if it were the "Company" for purposes of such definition. By way of illustration, a Change in Control of the Company will not cause acceleration of any Replacement Awards that are not issued by the Company and a Change in Control of the issuer of any Replacement Awards with respect to which the Company is not the issuer will not cause acceleration of any remaining Options with respect to which the Company is the issuer.

25. Confidential Information. The Grantee will not, during or after his employment or service with the Company, without the prior express written consent of the Company, directly or indirectly use or divulge, disclose or make available or accessible any Confidential Information (as defined below) to any person, firm, partnership, corporation, trust or any other entity or third party (other than when required to do so in good faith to perform the Grantee's duties and responsibilities to the Company or when (i) required to do so by a lawful order of a court of competent jurisdiction, any governmental authority or agency, or any recognized subpoena power, or (ii) necessary to prosecute the Grantee's rights against the Company or its Subsidiaries or to defend himself against any allegations). The Grantee will also proffer to the Company, no later than the effective date of any termination of the Grantee's engagement with the Company for any reason, and without retaining any copies, notes or excerpts thereof, all memoranda, computer disks or other media, computer programs, diaries, notes, records, data, customer or client lists, marketing plans and strategies, and any other documents consisting of or containing Confidential Information that are in the Grantee's actual or constructive possession or which are subject to the Grantee's control at such time. For purposes of this Agreement, "Confidential Information" will mean all information respecting the business and activities of the Company or any Subsidiary, including, without limitation, the clients, customers, suppliers, employees, consultants, computer or other files, projects, products, computer disks or other media, computer hardware or computer software programs, marketing plans, financial information, methodologies, know-how, processes, practices, approaches, projections, forecasts, formats, systems, trade secrets, data gathering methods and/or strategies of the Company or any Subsidiary. Notwithstanding the immediately preceding sentence, Confidential Information will not include any information that is, or becomes, generally available to the public (unless such availability occurs as a result of the Grantee's breach of any of his obligations under this Section). If the Grantee is in breach of any of the provisions of this Section or if any such breach is threatened by the Grantee, in addition to and without limiting or waiving any other rights or remedies available to the Company at law or in equity, the Company shall be entitled to immediate injunctive relief in any court, domestic or foreign, having the capacity to grant such relief, without the necessity of posting a bond, to restrain any such breach or threatened breach and to enforce the provisions of this Section. The Grantee agrees that there is no adequate remedy at law for any such breach or threatened breach and, if any action or proceeding is brought seeking injunctive relief, the Grantee will not use as a defense thereto that there is an adequate remedy at law.

26. Arbitration. Any controversy, claim or dispute arising out of or in any way relating to this Agreement or the Grantee's employment with or service to, or termination of employment or service from, the Company (including whether such controversy, claim or dispute is subject to arbitration), excepting only claims that may not, by statute, be arbitrated, will be submitted to binding arbitration. Both the Grantee and the Company acknowledge that they are relinquishing their right to a jury trial. The Grantee and the Company agree that arbitration will be the exclusive method for resolving disputes arising out of or related to this Agreement or to the Grantee's employment or service with, or termination of employment or service from, the Company.

The arbitration will be administered by JAMS in accordance with the Employment Arbitration Rules & Procedures of JAMS then in effect and subject to JAMS Policy on Employment Arbitration Minimum Standards, except as otherwise provided in this Agreement. Arbitration will be commenced and heard in the Denver, Colorado metropolitan area. Only one arbitrator will preside over the proceedings, who will be selected by agreement of the parties from a list of five or more qualified arbitrators provided by the arbitration tribunal, or if the parties are unable to agree on an arbitrator within 10 Business Days following receipt of such list, the arbitration tribunal will select the arbitrator. The arbitrator will apply the substantive law (and the law of remedies, if applicable) of Colorado or federal law, or both, as applicable to the claim(s) asserted. In any arbitration, the burden of proof will be allocated as provided by applicable law. The arbitrator will have the authority to award any and all legal and equitable relief authorized by the law applicable to the claim(s) being asserted in the arbitration, as if the claim(s) were brought in a federal court of law. Either party may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award. Discovery, such as depositions or document requests, will be available to the Company and the Grantee as though the dispute were pending in U.S. federal court. The arbitrator will have the ability to rule on pre-hearing motions as though the matter were in a U.S. federal court, including the ability to rule on a motion for summary judgment.

If permitted by applicable law, the fees of the arbitrator and any other fees for the administration of the arbitration that would not normally be incurred if the action were brought in a court of law (e.g., filing fees or room rental fees) will be shared equally by the parties. If the foregoing is not permitted by applicable law, the fees of the arbitrator and any other fees for the administration of the arbitration that would not normally be incurred if the action were brought in a court of law will be paid by the Company. Each party will pay its own attorneys' fees and other costs incurred in connection with the arbitration, unless the relief authorized by law allows otherwise and the arbitrator determines that such fees and costs will be paid in a different manner. The arbitrator must provide a written decision. If any part of this arbitration provision is deemed to be unenforceable by an arbitrator or a court of law, that part may be severed or reformed so as to make the balance of this arbitration provision enforceable.
