The holders of our Series C common stock, par value \$0.01 per share (**LBRDK**), are not entitled to any voting powers, except as required by Delaware law, and may not vote on the proposals to be presented at the annual meeting. We refer to LBRDA, LBRDB and LBRDK together as our **common stock**.

TIME, PLACE AND DATE

The annual meeting of stockholders is to be held at 8:15 a.m., Mountain time, on May 19, 2020. Due to concerns about COVID-19, this year the annual meeting will be held via the Internet and will be a completely virtual meeting of stockholders. You may attend the meeting, submit questions and vote your shares electronically during the meeting via the Internet by visiting www.virtualshareholdermeeting.com/LBRD2020. To enter the annual meeting, you will need the 16-digit control number that is printed in the box marked by the arrow on your proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that you are logged in when the meeting starts. Online check-in will start shortly before the meeting on May 19, 2020.

PURPOSE

At the annual meeting, you will be asked to consider and vote on each of the following:

- the election of directors proposal, to elect John C. Malone and John E. Welsh III to continue serving as Class III members of our board until the 2023 annual meeting of stockholders or their earlier resignation or removal; and
- the auditors ratification proposal, to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2020.

You may also be asked to consider and vote on such other business as may properly come before the annual meeting, although we are not aware at this time of any other business that might come before the annual meeting.

QUORUM

In order to conduct the business of the annual meeting, a quorum must be present. This means that the holders of at least a majority of the aggregate voting power represented by the shares of our common stock outstanding on the record date (as defined below) and entitled to vote at the annual meeting must be represented at the annual meeting either in person or by proxy. Virtual attendance at the annual meeting also constitutes presence in person for purposes of quorum at the meeting. For purposes of determining a quorum, your shares will be included as represented at the meeting even if you indicate on your proxy that you abstain from voting. If a broker, who is a record holder of shares, indicates on a form of proxy that the broker does not have discretionary authority to vote those shares on a particular proposal or proposals, or if those shares are voted in circumstances in which proxy authority is defective or has been withheld, those shares (**broker non-votes**) will nevertheless be treated as present for purposes of determining the presence of a quorum. See “—Voting Procedures for Shares Held in Street Name—Effect of Broker Non-Votes” below.

WHO MAY VOTE

Holders of shares of LBRDA and LBRDB, as recorded in our stock register as of 5:00 p.m., New York City time, on March 31, 2020 (such date and time, the **record date** for the annual meeting), will be entitled to notice of the annual meeting and to vote at the annual meeting or any adjournment or postponement thereof.

VOTES REQUIRED

Each director nominee who receives a plurality of the combined voting power of the outstanding shares of our common stock present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors at the annual meeting, voting together as a single class, will be elected to office.

Approval of the auditors ratification proposal requires the affirmative vote of a majority of the combined voting power of the outstanding shares of our common stock that are present in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Virtual attendance at the annual meeting also constitutes presence in person for purposes of each required vote.

VOTES YOU HAVE

At the annual meeting, holders of shares of LBRDA will have one vote per share and holders of shares of LBRDB will have ten votes per share, in each case, that our records show are owned as of the record date.

RECOMMENDATION OF OUR BOARD OF DIRECTORS

Our board of directors has unanimously approved each of the proposals and recommends that you vote “**FOR**” the election of each director nominee and “**FOR**” the auditors ratification proposal.

SHARES OUTSTANDING

As of the record date, 26,493,328 shares of LBRDA and 2,451,828 shares of LBRDB were issued and outstanding and entitled to vote at the annual meeting.

NUMBER OF HOLDERS

There were, as of the record date, 710 and 46 record holders of LBRDA and LBRDB, respectively (which amounts do not include the number of stockholders whose shares are held of record by banks, brokers or other nominees, but include each such institution as one holder).

VOTING PROCEDURES FOR RECORD HOLDERS

Holders of record of LBRDA and LBRDB as of the record date may vote via the Internet at the annual meeting or prior to the annual meeting by telephone or through the Internet. Alternatively, they may give a proxy by completing, signing, dating and returning the proxy card by mail.

Holders of record may vote their shares electronically during the meeting via the Internet by visiting www.virtualshareholdermeeting.com/LBRD2020. To enter the annual meeting, holders will need the 16-digit control

number that is printed in the box marked by the arrow on their proxy card. We recommend logging in at least fifteen minutes before the meeting to ensure that they are logged in when the meeting starts. Online check-in will start shortly before the meeting on May 19, 2020.

Instructions for voting prior to the annual meeting by using the telephone or the Internet are printed on the proxy card. In order to vote prior to the annual meeting through the Internet, holders should have their proxy cards available so they can input the required information from the proxy card, and log onto the Internet website address shown on the proxy card. When holders log onto the Internet website address, they will receive instructions on how to vote their shares. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number, which will be provided to each voting stockholder separately. Unless subsequently revoked, shares of our common stock represented by a proxy submitted as described herein and received at or before the annual meeting will be voted in accordance with the instructions on the proxy.

YOUR VOTE IS IMPORTANT. It is recommended that you vote by proxy even if you plan to attend the annual meeting. You may change your vote at the annual meeting.

If you submit a properly executed proxy without indicating any voting instructions as to a proposal enumerated in the Notice of Annual Meeting of Stockholders, the shares represented by the proxy will be voted **"FOR"** the election of each director nominee and **"FOR"** the auditors ratification proposal.

If you submit a proxy indicating that you abstain from voting as to a proposal, it will have no effect on the election of directors proposal, and it will have the same effect as a vote **"AGAINST"** the auditors ratification proposal.

If you do not submit a proxy or you do not vote at the annual meeting, your shares will not be counted as present and entitled to vote for purposes of determining a quorum, and your failure to vote will have no effect on determining whether any of the proposals are approved (if a quorum is present).

VOTING PROCEDURES FOR SHARES HELD IN STREET NAME

General

If you hold your shares in the name of a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee when voting your shares or to grant or revoke a proxy. The rules and regulations of the New York Stock Exchange and The Nasdaq Stock Market LLC (**Nasdaq**) prohibit brokers, banks and other nominees from voting shares on behalf of their clients without specific instructions from their clients with respect to numerous matters, including, in our case, the election of directors proposal described in this proxy statement. Accordingly, to ensure your shares held in street name are voted on these matters, we encourage you to provide promptly specific voting instructions to your broker, bank or other nominee.

Effect of Broker Non-Votes

Broker non-votes are counted as shares of our common stock present and entitled to vote for purposes of determining a quorum but will have no effect on any of the proposals. You should follow the directions your broker, bank or other nominee provides to you regarding how to vote your shares of LBRDA or LBRDB or how to change your vote or revoke your proxy.

REVOKING A PROXY

If you submitted a proxy prior to the start of the annual meeting, you may change your vote by attending the annual meeting online and voting via the Internet at the annual meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. Any signed proxy revocation or new signed proxy must be received before the start of the annual meeting. In addition, you may change your vote through the Internet or by telephone (if you originally voted by the corresponding method) not later than 11:59 p.m., New York City time, on May 18, 2020.

Your attendance at the annual meeting will not, by itself, revoke a prior vote or proxy from you.

If your shares are held in an account by a broker, bank or other nominee, you should contact your nominee to change your vote or revoke your proxy.

SOLICITATION OF PROXIES

We are soliciting proxies by means of our proxy statement and our annual report (together, the **proxy materials**) on behalf of our board of directors. In addition to this mailing, our employees may solicit proxies personally or by telephone. We pay the cost of soliciting these proxies. We also reimburse brokers and other nominees for their expenses in sending the proxy materials to you and getting your voting instructions.

If you have any further questions about voting or attending the annual meeting, please contact Liberty Broadband Investor Relations at (844) 826-8735 or Broadridge at (888) 789-8745 (outside the United States (303) 562-9277).

OTHER MATTERS TO BE VOTED ON AT THE ANNUAL MEETING

Our board of directors is not currently aware of any business to be acted on at the annual meeting other than that which is described in the Notice of Annual Meeting of Stockholders and this proxy statement. If, however, other matters are properly brought to a vote at the annual meeting, the persons designated as proxies will have discretion to vote or to act on these matters according to their best judgment. In the event there is a proposal to adjourn or postpone the annual meeting, the persons designated as proxies will have discretion to vote on that proposal.

SECURITY OWNERSHIP OF MANAGEMENT

The following table sets forth information with respect to the ownership by each of our directors and named executive officers (as defined herein) and by all of our directors and executive officers as a group of shares of LBRDA, LBRDB and LBRDK. The security ownership information with respect to our common stock is given as of February 29, 2020, and, in the case of percentage ownership information, is based upon (1) 26,493,328 shares of LBRDA, (2) 2,451,828 shares of LBRDB and (3) 152,957,832 shares of LBRDK, in each case, outstanding on that date. The percentage voting power is presented on an aggregate basis for all series of common stock. LBRDK shares are, however, non-voting and, therefore, in the case of percentage voting power, are not included.

Shares of common stock issuable upon exercise or conversion of options, warrants and convertible securities that were exercisable or convertible on or within 60 days after February 29, 2020 are deemed to be outstanding and to be beneficially owned by the person holding the options, warrants or convertible securities for the purpose of computing the percentage ownership of that person and for the aggregate percentage owned by the directors and named executive officers as a group, but are not treated as outstanding for the purpose of computing the percentage ownership of any other individual person. For purposes of the following presentation, beneficial ownership of shares of LBRDB, though convertible on a one-for-one basis into shares of LBRDA, are reported as beneficial ownership of LBRDB only, and not as beneficial ownership of LBRDA. So far as is known to us, the persons indicated below have sole voting and dispositive power with respect to the shares indicated as owned by them, except as otherwise stated in the notes to the table.

PROPOSAL 2—THE AUDITORS RATIFICATION PROPOSAL

We are asking our stockholders to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2020.

Even if the selection of KPMG LLP is ratified, the audit committee of our board of directors in its discretion may direct the appointment of a different independent accounting firm at any time during the year if our audit committee determines that such a change would be advisable. In the event our stockholders fail to ratify the selection of KPMG LLP, our audit committee will consider it as a direction to select other auditors for the year ending December 31, 2020.

A representative of KPMG LLP is expected to be available to answer appropriate questions at the annual meeting and will have the opportunity to make a statement if he or she so desires.

AUDIT FEES AND ALL OTHER FEES

The following table presents fees incurred for professional audit services rendered by KPMG LLP for the audit of our consolidated financial statements for 2019 and 2018 and fees billed for other services rendered by KPMG LLP.

| | 2019 | 2018 |
|------------------------------|------------------|------------------|
| Audit fees | \$471,200 | \$626,300 |
| Audit related fees | — | — |
| Audit and audit related fees | 471,200 | 626,300 |
| Tax fees ⁽¹⁾ | 7,900 | 3,300 |
| Total fees | <u>\$479,100</u> | <u>\$629,600</u> |

(1) Tax fees consist of tax compliance and consultations regarding the tax implications of certain transactions.

Our audit committee has considered whether the provision of services by KPMG LLP to our company other than auditing is compatible with KPMG LLP maintaining its independence and believes that the provision of such other services is compatible with KPMG LLP maintaining its independence.

POLICY ON PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITOR

Our audit committee has adopted a policy regarding the pre-approval of all audit and permissible non-audit services provided by our independent auditor. Pursuant to this policy, our audit committee has approved the engagement of our independent auditor to provide the following services (all of which are collectively referred to as **pre-approved services**):

chairman of the audit committee, subject to his subsequent disclosure to the entire audit committee of the granting of any such approval. John E. Welsh III currently serves as the chairman of our audit committee. Any engagement of our independent auditors for services other than the pre-approved services requires the specific approval of our audit committee.

Our pre-approval policy prohibits the engagement of our independent auditor to provide any services that are subject to the prohibition imposed by Section 201 of the Sarbanes-Oxley Act.

All services provided by our independent auditor during 2019 were approved in accordance with the terms of the policy.

It is our policy that a majority of the members of our board of directors be independent of our management. For a director to be deemed independent, our board of directors must affirmatively determine that the director has no direct or indirect material relationship with us. Our board of directors has determined that each of Julie D. Frist, Richard R. Green, J. David Wargo and John E. Welsh III qualifies as an independent director of our company.

BOARD COMPOSITION

As described above under "Proposals of Our Board—Proposal 1—The Election of Directors Proposal," our board is comprised of directors with a broad range of backgrounds and skill sets, including in media and telecommunications, science and technology, venture capital, investment banking, auditing and financial engineering. For more information on our policies with respect to board candidates, see "—Committees of the Board of Directors—Nominating and Corporate Governance Committee" below.

BOARD LEADERSHIP STRUCTURE

Our board has separated the positions of Chairman of the Board and Chief Executive Officer (principal executive officer). John C. Malone, one of our largest stockholders, holds the position of Chairman of the Board, leads our board and board meetings and provides strategic guidance to our Chief Executive Officer. Gregory B. Maffei, our President, holds the position of Chief Executive Officer, leads our management team and is responsible for driving the performance of our company. We believe this division of responsibility effectively assists our board in fulfilling its duties.

BOARD ROLE IN RISK OVERSIGHT

The board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant board committees. Our audit committee oversees management of financial risks and risks relating to potential conflicts of interest. Our compensation committee oversees the management of risks relating to our compensation arrangements with senior officers. Our nominating and corporate governance committee oversees risks associated with the independence of the board. These committees then provide reports periodically to the full board. The oversight responsibility of the board and its committees is enabled by management reporting processes that are designed to provide visibility to the board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, legal and compliance, and other risks. Our management reporting processes include regular reports from Mr. Maffei, which are prepared with input from our senior management team, and also include input from our Internal Audit group.

COMMITTEES OF THE BOARD OF DIRECTORS

Executive Committee

Our board of directors has established an executive committee, whose members are John C. Malone and Gregory B. Maffei. Except as specifically prohibited by the General Corporation Law of the State of Delaware, the executive committee may exercise all the powers and authority of our board of directors in the management of our business and affairs, including the power and authority to authorize the issuance of shares of our capital stock.

Compensation Committee

Our board of directors has established a compensation committee, whose chairman is J. David Wargo and whose other members are Julie D. Frist, Richard R. Green and John E. Welsh III. See "—Director Independence" above.

In November 2014, the spin-off of our company (formerly a wholly-owned subsidiary of Liberty Media) from Liberty Media was completed (the **Broadband Spin-Off**). In connection with the Broadband Spin-Off, we entered into a Services Agreement, dated November 4, 2014, with Liberty Media (the **services agreement**), pursuant to which Liberty Media provides us with administrative, executive and management services. The compensation committee evaluates the services fee under the services agreement on at least an annual basis although in 2019, our compensation committee determined to delay its evaluation due to the then-ongoing negotiations relating to Mr. Maffei's compensation arrangement. In addition, the compensation committee may approve incentive awards or other forms of compensation to employees of Liberty Media who are providing services to our company, which employees include our executive officers. The compensation committee determined to grant equity award compensation for 2019 (see "Executive Compensation—Compensation Discussion and Analysis").

If we engage a chief executive officer, chief accounting officer, principal financial officer, chief legal officer or chief corporate development officer to perform services for our company outside the services agreement, the compensation committee will review and approve corporate goals and objectives relevant to the compensation of any such person. The compensation committee also oversees the compensation of the chief executive officers of our non-public operating subsidiaries. For a description of our current processes and policies for consideration and determination of executive compensation, including the role of our Chief Executive Officer and an outside consultant in determining or recommending amounts and/or forms of compensation, see "Executive Compensation—Compensation Discussion and Analysis."

Our board of directors has adopted a written charter for the compensation committee, which is available on our website at www.libertybroadband.com.

Compensation Committee Report

The compensation committee has reviewed and discussed with our management the "Compensation Discussion and Analysis" included under "Executive Compensation" below. Based on such review and discussions, the compensation committee recommended to our board of directors that the "Compensation Discussion and Analysis" be included in this proxy statement.

Compensation Committee Interlocks and Insider Participation

No member of our compensation committee during 2019 is or has been an officer or employee of our company, or has engaged in any related party transaction in which our company was a participant.

Nominating and Corporate Governance Committee

Our board of directors has established a nominating and corporate governance committee, whose chairman is Richard R. Green and whose other members are Julie D. Frist, J. David Wargo and John E. Welsh III. See "—Director Independence" above.

The nominating and corporate governance committee identifies individuals qualified to become board members consistent with criteria established or approved by our board of directors from time to time, identifies director nominees for upcoming annual meetings, develops corporate governance guidelines applicable to our company and oversees the evaluation of our board and management.

Board Criteria. The nominating and corporate governance committee believes that nominees for director should possess the highest personal and professional ethics, integrity, values and judgment and should be committed to the long-term interests of our stockholders. To be nominated to serve as a director, a nominee need not meet any specific minimum criteria. As described in our corporate governance guidelines, director candidates are identified and nominated based on broad criteria, with the objective of identifying and retaining directors that can effectively develop the company's strategy and oversee management's execution of that strategy. In the director candidate identification and nomination process, our board seeks a breadth of experience from a variety of industries and from professional disciplines, along with a diversity of gender, ethnicity, age and other characteristics. When evaluating

MANAGEMENT AND GOVERNANCE MATTERS

a potential director nominee, including one recommended by a stockholder, the nominating and corporate governance committee will take into account a number of factors, including, but not limited to, the following:

- independence from management;
- his or her unique background, including education, professional experience, relevant skill sets and diversity of gender, ethnicity, age and other characteristics;
- judgment, skill, integrity and reputation;
- existing commitments to other businesses as a director, executive or owner;
- personal conflicts of interest, if any; and
- the size and composition of the existing board of directors, including whether the potential director nominee would positively impact the composition of the board by bringing a new perspective or viewpoint to the board of directors.

The nominating and corporate governance committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees.

Director Candidate Identification Process. The nominating and corporate governance committee will consider candidates for director recommended by any stockholder provided that such recommendations are properly submitted. Eligible stockholders wishing to recommend a candidate for nomination as a director should send the recommendation in writing to the Corporate Secretary, Liberty Broadband Corporation, 12300 Liberty Boulevard, Englewood, Colorado 80112. Stockholder recommendations must be made in accordance with our bylaws, as discussed under “Stockholder Proposals” below, and contain the following information:

- the name and address of the proposing stockholder and the beneficial owner, if any, on whose behalf the nomination is being made, and documentation indicating the number of shares of our common stock owned beneficially and of record by such person and the holder or holders of record of those shares, together with a statement that the proposing stockholder is recommending a candidate for nomination as a director;
- the candidate’s name, age, business and residence addresses, principal occupation or employment, business experience, educational background and any other information relevant in light of the factors considered by the nominating and corporate governance committee in making a determination of a candidate’s qualifications, as described below;
- a statement detailing any relationship, arrangement or understanding between the proposing stockholder and/or beneficial owner(s), if different, and any other person(s) (including their names) under which the proposing stockholder is making the nomination and any affiliates or associates (as defined in Rule 12b-2 of the Exchange Act) of such proposing stockholder(s) or beneficial owner (each a **Proposing Person**);
- a statement detailing any relationship, arrangement or understanding that might affect the independence of the candidate as a member of our board of directors;
- any other information that would be required under SEC rules in a proxy statement soliciting proxies for the election of such candidate as a director;
- a representation as to whether the Proposing Person intends (or is part of a group that intends) to deliver any proxy materials or otherwise solicit proxies in support of the director nominee;
- a representation by each Proposing Person who is a holder of record of our common stock as to whether the notice is being given on behalf of the holder of record and/or one or more beneficial owners, the number of shares held by any beneficial owner along with evidence of such beneficial ownership and that such holder of record is entitled to vote at the annual stockholders meeting and intends to appear in person or by proxy at the annual stockholders meeting at which the person named in such notice is to stand for election;
- a written consent of the candidate to be named in the proxy statement and to serve as a director, if nominated and elected;
- a representation as to whether the Proposing Person has received any financial assistance, funding or other consideration from any other person regarding the nomination (a **Stockholder Associated Person**) (including the details of such assistance, funding or consideration); and

- a representation as to whether and the extent to which any hedging, derivative or other transaction has been entered into with respect to our company within the last six months by, or is in effect with respect to, the Proposing Person, any person to be nominated by the proposing stockholder or any Stockholder Associated Person, the effect or intent of which transaction is to mitigate loss to or manage risk or benefit of share price changes for, or increase or decrease the voting power of, the Proposing Person, its nominee, or any such Stockholder Associated Person.

In connection with its evaluation, the nominating and corporate governance committee may request additional information from the proposing stockholder and the candidate. The nominating and corporate governance committee has sole discretion to decide which individuals to recommend for nomination as directors.

When seeking candidates for director, the nominating and corporate governance committee may solicit suggestions from incumbent directors, management, stockholders and others. After conducting an initial evaluation of a prospective nominee, the nominating and corporate governance committee will interview that candidate if it believes the candidate might be suitable to be a director. The nominating and corporate governance committee may also ask the candidate to meet with management. If the nominating and corporate governance committee believes a candidate would be a valuable addition to our board of directors, it may recommend to the full board that candidate's nomination and election.

Prior to nominating an incumbent director for re-election at an annual meeting of stockholders, the nominating and corporate governance committee will consider the director's past attendance at, and participation in, meetings of the board of directors and its committees and the director's formal and informal contributions to the various activities conducted by the board and the board committees of which such individual is a member.

The members of our nominating and corporate governance committee have determined that Messrs. Malone and Welsh, who are nominated for election at the annual meeting, continue to be qualified to serve as directors of our company and such nomination was approved by the entire board of directors.

Our board of directors has adopted a written charter for the nominating and corporate governance committee. Our board of directors has also adopted corporate governance guidelines, which were developed by the nominating and corporate governance committee. The charter and the corporate governance guidelines are available on our website at www.libertybroadband.com.

Audit Committee

Our board of directors has established an audit committee, whose chairman is John E. Welsh III and whose other members are Richard R. Green and J. David Wargo. See "—Director Independence" above.

Our board of directors has determined that Mr. Welsh is our company's "audit committee financial expert" under applicable SEC rules and regulations. The audit committee reviews and monitors the corporate financial reporting and the internal and external audits of our company. The committee's functions include, among other things:

- appointing or replacing our independent auditors;
- reviewing and approving in advance the scope and the fees of our annual audit and reviewing the results of our audits with our independent auditors;
- reviewing and approving in advance the scope and the fees of non-audit services of our independent auditors;
- reviewing compliance with and the adequacy of our existing major accounting and financial reporting policies;
- reviewing our management's procedures and policies relating to the adequacy of our internal accounting controls and compliance with applicable laws relating to accounting practices;
- confirming compliance with applicable SEC and stock exchange rules; and
- preparing a report for our annual proxy statement.

Our board of directors has adopted a written charter for the audit committee, which is available on our website at www.libertybroadband.com.

MANAGEMENT AND GOVERNANCE MATTERS**Audit Committee Report**

Each member of the audit committee is an independent director as determined by our board of directors, based on the listing standards of Nasdaq. Each member of the audit committee also satisfies the SEC's independence requirements for members of audit committees. Our board of directors has determined that Mr. Welsh is an "audit committee financial expert" under applicable SEC rules and regulations.

The audit committee reviews our financial reporting process on behalf of our board of directors. Management has primary responsibility for establishing and maintaining adequate internal controls, for preparing financial statements and for the public reporting process. Our independent auditor, KPMG LLP, is responsible for expressing opinions on the conformity of our audited consolidated financial statements with U.S. generally accepted accounting principles. Our independent auditor also expresses its opinion as to the effectiveness of our internal control over financial reporting.

Our audit committee has reviewed and discussed with management and KPMG LLP our most recent audited consolidated financial statements, as well as management's assessment of the effectiveness of our internal control over financial reporting and KPMG LLP's evaluation of the effectiveness of our internal control over financial reporting. Our audit committee has also discussed with KPMG LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the **PCAOB**) and the SEC, including that firm's judgment about the quality of our accounting principles, as applied in its financial reporting.

KPMG LLP has provided our audit committee with the written disclosures and the letter required by the applicable requirements of the PCAOB regarding KPMG LLP's communications with the audit committee concerning independence, and the audit committee has discussed with KPMG LLP that firm's independence from the company and its subsidiaries.

Based on the reviews, discussions and other considerations referred to above, our audit committee recommended to our board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2019 (the **2019 Form 10-K**), which was filed on February 3, 2020 with the SEC.

EXECUTIVE COMPENSATION

This section sets forth information relating to, and an analysis and discussion of, compensation paid by our company to the following persons (who we collectively refer to as our **named executive officers**):

- Gregory B. Maffei, our Chief Executive Officer and President;
- Brian J. Wendling, our Chief Accounting Officer and Principal Financial Officer;

Pursuant to the services agreement (as described below), employees of Liberty Media perform management services for our company for a monthly fee payable to Liberty Media, which is reviewed quarterly by the audit committees of our company and Liberty Media. As described above, our executive officers are comprised of Messrs. Maffei, Wendling and Rosenthaler and Ms. Wilm, each of whom is an employee of Liberty Media and provides executive services to our company under the services agreement. Mr. Carleton served as our Chief Financial Officer until July 1, 2019, following which he remained with our company as Senior Advisor. Mr. Wendling, who had been Senior Vice President and Controller of our company since January 2016, assumed the role of Principal Financial Officer on July 1, 2019 and was appointed Chief Accounting Officer, effective January 1, 2020. Effective September 23, 2019, Richard N. Baer resigned as our Chief Legal Officer and Chief Administrative Officer, and Ms. Wilm assumed the role of Chief Legal Officer of our company. Our executive officers are typically not separately compensated by our company other than with respect to any equity awards relating to our common stock that our compensation committee may determine to grant. All of our named executive officers received equity awards relating to our common stock in 2019.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Overview

Services Agreement

In connection with the Broadband Spin-Off, we entered into the services agreement with Liberty Media in November 2014, pursuant to which Liberty Media provides to our company certain administrative and management services, and we pay Liberty Media a monthly management fee, the amount of which is subject to a quarterly review by our audit committee (and at least an annual review by our compensation committee, except that the annual review for 2019 was postponed to March 2020 following the entry into Mr. Maffei's new employment agreement). As a result, Liberty Media employees, including our named executive officers, who provide services to our company pursuant to the services agreement, are typically not separately compensated by our company other than with respect to equity awards with respect to our common stock. See “—Equity Incentive Compensation” below for information concerning equity awards that were granted to our named executive officers in 2019. However, as described in more detail in “Changes for 2020—Amendment to Services Agreement in Connection with 2019 Maffei Employment Agreement” below, we reimbursed Liberty Media for our allocable portion (currently 18.0%) of the one-time cash commitment bonus to which Mr. Maffei became entitled in connection with his new employment arrangement with Liberty Media (the **2019 Maffei Employment Agreement**) in addition to certain upfront equity awards we granted to Mr. Maffei under his new employment arrangement.

For the year ended December 31, 2019, we accrued management fees payable to Liberty Media under the services agreement of \$4.4 million. In December 2019, we entered into an amendment to the services agreement with Liberty Media (the **amended services agreement**) in connection with Liberty Media entering into a new employment arrangement with Mr. Maffei. Under the amended services agreement, beginning in 2020, our company will establish, and pay or grant directly to Mr. Maffei, our allocable portion of his annual performance-based cash bonus, his annual equity-based awards and his upfront awards, and we will reimburse Liberty Media for our allocable portion of the other components of Mr. Maffei's compensation, as described in more detail below in “Changes for 2020—Amendment to Services Agreement in Connection with 2019 Maffei Employment Agreement”.

Role of Chief Executive Officer in Compensation Decisions; Setting Executive Compensation

As a result of the management fee paid to Liberty Media, the compensation committee typically does not expect to provide any cash compensation to the executive officers, rather it may determine to compensate the executive officers with equity incentive compensation. Prospectively, Mr. Maffei may make recommendations with respect to any equity compensation to be awarded to our executive officers. It is expected that Mr. Maffei, in making any related recommendations to our compensation committee, will evaluate the performance and contributions of each of our executive officers, given his or her respective area of responsibility, and, in doing so, will consider various qualitative factors such as:

- the executive officer's experience and overall effectiveness;
- the executive officer's performance during the preceding year;
- the responsibilities of the executive officer, including any changes to those responsibilities over the year; and
- the executive officer's demonstrated leadership and management ability.

When determining the extent to which the 2019 RSUs (as defined below) were earned by our named executive officers, our compensation committee considered the recommendations obtained from Mr. Maffei as to the performance of Messrs. Wendling, Rosenthaler and Carleton and Ms. Wilm. To make these recommendations, Mr. Maffei evaluated the performance and contributions of each such named executive officer.

At the 2018 annual stockholder meeting, stockholders representing a majority of the aggregate voting power of Liberty Broadband present and entitled to vote on its say-on-pay proposal voted in favor of, on an advisory basis, Liberty Broadband's executive compensation, as disclosed in our proxy statement for the 2018 annual meeting of stockholders. No material changes were implemented to our executive compensation program as a result of this vote. In addition, at the 2015 annual meeting of stockholders, stockholders elected to hold a say-on-pay vote every three years.

Role of Independent Compensation Consultant

In December 2019, our compensation committee approved the amended services agreement and we reimbursed Liberty Media for our allocable portion of Mr. Maffei's cash commitment bonus and granted equity awards to him in connection with the execution of the amended services agreement. See "—Executive Compensation Arrangements—Gregory B. Maffei" below. Prior to entering into the amended services agreement with Liberty Media in connection with the 2019 Maffei Employment Agreement, our compensation committee engaged Frederic W. Cook & Co., Inc. (**FW Cook**), an independent and experienced compensation consultant, to assist in determining the reasonableness of compensation to be allocated to our company under the amended services agreement.

In order to assess the reasonableness of compensation, FW Cook evaluated the market value of Mr. Maffei's role at our company and the proposed allocation to our company under the service arrangement. Given the unique nature of Mr. Maffei's role at our company, FW Cook evaluated the market value of the executive job at our company through three different lenses: as Chief Executive Officer, Chairman of the Board and managing partner of a private equity firm.

In assessing the reasonableness of pay as Chief Executive Officer, FW Cook and the compensation committee reviewed pay data for companies comparable to ours, including companies in the media and diversified telecommunication services industries, and companies with which we may compete for executive talent and stockholder investment and also included companies in those industries that are similar to our company in size, geographic location or complexity of operations (the **comparable companies**).

In assessing the reasonableness of pay as Chairman of the Board, FW Cook and the compensation committee reviewed pay data for companies comparable to Charter Communications, in which our company owns a meaningful stake, and for which Mr. Maffei's oversight represents a meaningful portion of his responsibilities for our company. These companies included companies in the media, diversified telecommunication services, communication equipment and wireless telecommunication services industries, and companies with which we believed Charter Communications may compete for executive talent and stockholder investment and also included companies in those industries that are similar to Charter Communications in size, geographic location or complexity of operations.

In assessing the reasonableness of pay as a managing partner of a private equity firm, FW Cook and the compensation committee reviewed survey data regarding the compensation of private equity professionals.

Equity Incentive Compensation

The Liberty Broadband Corporation 2019 Omnibus Incentive Plan (the **2019 incentive plan**), provides for the grant of a variety of incentive awards, including stock options, restricted shares, restricted stock units (**RSUs**), stock appreciation rights (**SARs**) and performance awards. Our compensation committee has a preference for grants of stock options and awards of restricted stock or RSUs (as compared with other types of available awards under the 2019 incentive plan) based on the belief that they better promote retention of key employees through the continuing, long-term nature of an equity investment. It is the policy of our compensation committee that stock options be awarded with an exercise price equal to fair market value on the date of grant, typically measured by reference to the closing price on the grant date.

As discussed above, our executive officers perform management services for our company pursuant to the services agreement, and from the Broadband Spin-Off in 2014 until 2019, we did not separately compensate our executive officers for these services, other than to grant a stock option award to Mr. Maffei in 2014. In addition, Liberty Broadband did not incur any of the costs of the equity awards granted by Liberty Media to its executive officers who provided services to our company during that period. Following a review of this practice, our compensation committee determined to grant the equity awards to Messrs. Maffei, Wendling, Rosenthaler, Baer and Carleton described below after considering the Liberty Media compensation committee's request that our company grant a proportionate share of the aggregate equity grant value given to each named executive officer each year for their service to our company and each of Liberty Media, Qurate Retail, Liberty TripAdvisor and GCI Liberty. Our compensation committee also determined to grant an equity award to Ms. Wilm when she became Chief Legal Officer of our company after considering the Liberty Media compensation committee's request that our company grant a proportionate share of the aggregate equity grant value to be given to her. The proportionate share for each company was determined based 50% on relative market capitalization and 50% on relative time spent by Liberty Media employees on services for our company.

Consistent with our compensation philosophy, our compensation committee believes in aligning the interests of the named executive officers with those of our stockholders. This will ensure that our executives have a continuing stake in our long-term success. In furtherance of this philosophy, in 2019, our compensation committee granted the following stock options to Mr. Maffei and Ms. Wilm and RSUs to Messrs. Maffei, Wendling, Rosenthaler, Baer and Carleton and Ms. Wilm:

- In March 2019, our compensation committee determined to grant 41,483 options to purchase LBRDK shares to Mr. Maffei, which vested on December 31, 2019, and expire on March 6, 2026 (the **Maffei 2019 Options**), and RSUs with respect to 25,388 LBRDK shares to Mr. Maffei (the **Maffei 2019 RSUs**), 1,112 LBRDK shares to Mr. Wendling (the **Wendling 2019 RSUs**), 2,539 LBRDK shares to Mr. Rosenthaler (the **Rosenthaler 2019 RSUs**), 3,400 LBRDK shares to Mr. Baer (the **Baer 2019 RSUs**) and 2,539 LBRDK shares to Mr. Carleton (the **Carleton 2019 RSUs**);
- In November 2019, in connection with Ms. Wilm assuming the role of Chief Legal Officer of our company, our compensation committee granted to Ms. Wilm 25,123 options to purchase LBRDK shares, which options vest 50% on September 23, 2022 and 50% on September 23, 2023, and expire on November 4, 2026 (the **Wilm Options**), and RSUs with respect to 447 LBRDK shares (the **Wilm 2019 RSUs**) (together with the Maffei 2019 RSUs, the Wendling 2019 RSUs, the Rosenthaler 2019 RSUs, the Baer 2019 RSUs and the Carleton 2019 RSUs, the **2019 RSUs**); and
- In December 2019, in connection with the execution of Mr. Maffei's new employment agreement with Liberty Media (see "—Executive Compensation Arrangements—Gregory B. Maffei—2019 Maffei Employment Agreement"), our compensation committee granted 260,419 options to purchase LBRDK shares to Mr. Maffei, which vest on December 31, 2023, subject to Mr. Maffei's continued employment, and expire on December 15, 2026 (the **Maffei 2019 Term Options**).

Our compensation committee reviewed Mr. Maffei's performance to determine what portion of the Maffei 2019 RSUs would be paid. After assessing his strategic contributions and executive performance, our compensation committee determined to vest 100% of the previously issued Maffei 2019 RSUs. Our compensation committee then reviewed the performance of Messrs. Wendling, Rosenthaler and Carleton and Ms. Wilm. Our compensation committee also considered the recommendation of Mr. Maffei, who recommended that our committee vest 100% of the 2019 RSUs (excluding Mr. Baer's 2019 RSUs) based on his assessment of their individual performance and his general observation of their leadership and executive performance. Accordingly, our compensation committee approved vesting of all of the 2019 RSUs for Messrs. Wendling, Rosenthaler and Carleton and Ms. Wilm (excluding

Mr. Baer's 2019 RSUs) that had been previously granted. With regards to Mr. Baer, and upon the recommendation of Mr. Maffei, our compensation committee vested 75% of Mr. Baer's 2019 RSUs at the time of his resignation in September 2019.

The other equity awards held by our named executive officers and reported below in "—Outstanding Equity Awards at Fiscal Year-End" (other than the stock options granted to Mr. Maffei in 2014 after the Broadband Spin-Off and the restricted stock awards granted to certain of our named executive officers after the completion of our rights offering in January 2015) were issued as a result of the anti-dilution adjustments applied to their outstanding equity awards relating to Liberty Media common stock at the time of the completion of the Broadband Spin-Off, including their outstanding multi-year grants described below.

Prior to the Broadband Spin-Off, the Liberty Media compensation committee determined to make larger grants that vest between four and five years after grant, rather than making annual grants over the same period. These multi-year stock option grants provide for back-end weighted vesting and generally expire seven to ten years after grant to encourage executives to remain with the company over the long-term and to better align their interests with those of the stockholders. In that regard, multi-year awards were granted to our executive officers prior to 2014, including to our named executive officers, and, accordingly, the multi-year awards were adjusted in connection with the Broadband Spin-Off pursuant to the anti-dilution provisions of the incentive plans under which they were granted.

Changes for 2020

Amendment to Services Agreement in Connection with 2019 Maffei Employment Agreement

As described above, in December 2019, Liberty Media entered into the 2019 Maffei Employment Agreement. The 2019 Maffei Employment Agreement provides for a five-year employment term commencing on January 1, 2020 and ending on December 31, 2024, with an annual base salary, annual cash performance bonus, initial cash commitment bonus, annual equity awards, upfront awards, perquisites and other benefits described in "—Executive Compensation Arrangements—Gregory B. Maffei—2019 Maffei Employment Agreement" below. At the same time, our company entered into the amended services agreement. Under the amended services agreement, Liberty Media is responsible for paying or providing annual base salary, the initial commitment bonus, perquisites and other employee benefits, severance benefits and certain reimbursements directly to Mr. Maffei, and a portion of these expenses will be allocated to, and reimbursed by, our company. Additionally, beginning in 2020, our company has agreed to pay directly to Mr. Maffei the portion of the annual cash performance bonus that is allocated to our company and will grant directly to Mr. Maffei the portions of the annual equity awards and the upfront awards that are allocated to our company. For a description of the terms of the 2019 Maffei Employment Agreement, please see "—Executive Compensation Arrangements—Gregory B. Maffei—2019 Maffei Employment Agreement."

In the event that Mr. Maffei's services to our company are discontinued and Mr. Maffei remains employed by Liberty Media following such discontinuation (unless the discontinuation of Mr. Maffei's services to us is for cause (as defined in the 2019 Maffei Employment Agreement)), our company will be required to make a termination payment to Liberty Media pursuant to the amended services agreement representing the net present value of the portion of his compensation allocable to us, including the Maffei 2020 Term Options (defined below in "—Executive Compensation Arrangements—Gregory B. Maffei—2019 Maffei Employment Agreement") if such award has not been granted prior to such date, from the date of the discontinuation of services to us through December 31 of the following calendar year. See "—Executive Compensation Arrangements—Gregory B. Maffei—2019 Maffei Employment Agreement" for other payments and benefits that Mr. Maffei may receive in connection with the termination of his employment at Liberty Media or of his services at our company.

Prior to entering into the amended services agreement with Liberty Media, our compensation committee reviewed information from FW Cook with respect to CEO compensation packages at the comparable companies as described above. See "—Executive Compensation Arrangements—Gregory B. Maffei" for a description of the Maffei 2019 Term Options provided under the 2019 Maffei Employment Agreement.

Recoupment Provisions

In those instances where we grant equity-based incentive compensation, we expect to include in the related agreement with the executive a right, in favor of our company, to require the executive to repay or return to the company any cash, stock or other incentive compensation (including proceeds from the disposition of shares received upon exercise of options or stock appreciation rights). That right will arise if (1) a material restatement of any of our financial statements is required and (2) in the reasonable judgment of our compensation committee, (A) such restatement is due to material noncompliance with any financial reporting requirement under applicable securities

EXECUTIVE COMPENSATION

laws and (B) such noncompliance is a result of misconduct on the part of the executive. In determining the amount of such repayment or return, our compensation committee may take into account, among other factors it deems relevant, the extent to which the market value of the applicable series of our common stock was affected by the errors giving rise to the restatement. The cash, stock or other compensation that we may require the executive to repay or return must have been received by the executive during the 12-month period beginning on the date of the first public issuance or the filing with the SEC, whichever occurs earlier, of the financial statement requiring restatement. The compensation required to be repaid or returned will include (1) cash or company stock received by the executive (A) upon the exercise during that 12-month period of any stock appreciation right held by the executive or (B) upon the payment during that 12-month period of any incentive compensation, the value of which is determined by reference to the value of company stock, and (2) any proceeds received by the executive from the disposition during that 12-month period of company stock received by the executive upon the exercise, vesting or payment during that 12-month period of any award of equity-based incentive compensation.

EXECUTIVE COMPENSATION ARRANGEMENTS

Gregory B. Maffei

2014 and 2019 Option Grants

On December 17, 2014, Mr. Maffei received a one-time grant of 1,500,000 options to purchase shares of LBRDK at an exercise price of \$48.10 per share (the **2014 Options**). One-half of the 2014 Options vested on the fourth anniversary of the grant date and the remaining 2014 Options vested on the fifth anniversary of the grant date. The 2014 Options have a term of ten years. Pursuant to the services agreement, as an employee of Liberty Media, Mr. Maffei provides services to our company and is not separately compensated by our company other than equity awards with respect to our common stock.

In the event of a change in control prior to Mr. Maffei's termination, all of the 2014 Options will remain exercisable until the end of the term. If Mr. Maffei had been terminated for cause prior to December 31, 2019 (without a prior change in control occurring), then all vested 2014 Options would have expired on the 90th day following such termination. In all other events of termination or if Mr. Maffei had not been terminated prior to December 31, 2019, all vested 2014 Options would have expired at the end of the term. For information about equity awards granted to Mr. Maffei during 2019, see “—Compensation Discussion and Analysis—Equity Incentive Compensation.”

On March 6, 2019, Mr. Maffei received a grant of 41,483 options to purchase shares of LBRDK at an exercise price of \$88.99 per share. The options vested on December 31, 2019 and expire on March 6, 2026.

2019 Maffei Employment Agreement

As described above in “Changes for 2020—Amendment to Services Agreement in Connection with 2019 Maffei Employment Agreement,” Liberty Media entered into the 2019 Maffei Employment Agreement with Mr. Maffei, effective December 13, 2019. The arrangement provides for a five year employment term beginning January 1, 2020 and ending December 31, 2024, with an annual base salary of \$3 million (with no contracted increase) and a one-time cash commitment bonus of \$5 million, an annual target cash performance bonus equal to \$17 million (with payment subject to the achievement of one or more performance metrics as determined by the applicable company's compensation committee with respect to its allocable portion), upfront equity awards (with an aggregate grant date fair value of \$90 million to be granted in two equal tranches) and annual equity awards with an aggregate target grant date fair value of \$17.5 million.

Liberty Media paid Mr. Maffei his \$5 million cash commitment bonus in 2019, and we were responsible for reimbursing Liberty Media for our allocable portion (currently 18.0%).

Our company's portion of the first tranche of the upfront equity awards has an aggregate grant date fair value of \$8,100,000 and consists of the 260,419 Maffei 2019 Term Options. The Maffei 2019 Term Options vest on December 31, 2023, subject to Mr. Maffei's continued employment, except as described below. The second tranche of the upfront equity awards will be granted on or before December 15, 2020, subject to Mr. Maffei's continued employment on such date or the earlier occurrence of a termination of employment due to death, disability, by the issuing company without cause or by Mr. Maffei for good reason, and are expected to consist of time-vested stock options with respect to LBRDK shares (the **Maffei 2020 Term Options**). The Maffei 2020 Term Options will vest on December 31, 2024, subject to Mr. Maffei's continued employment, except as described below.

Termination Payments and Benefits

Mr. Maffei will be entitled to the following payments and benefits from Liberty Media (with Liberty Media being reimbursed by our company for its allocated portion of the severance benefits pursuant to the amended services agreement) if his employment is terminated at Liberty Media under the circumstances described below, subject to the execution of releases by Liberty Media and Mr. Maffei in a form to be mutually agreed. The following discussion also summarizes the termination payments and benefits that Mr. Maffei would be entitled to if his services are terminated at our company under the scenarios described below.

Termination by Liberty Media without Cause or by Mr. Maffei for Good Reason. If Mr. Maffei's employment is terminated by Liberty Media without cause (as defined in the 2019 Maffei Employment Agreement) or if Mr. Maffei terminates his employment for good reason (as defined in the 2019 Maffei Employment Agreement) on or after January 1, 2020, he is entitled to the following: (i) his accrued base salary, any accrued but unpaid bonus for a prior completed year, any unpaid expense reimbursements and any amounts due under applicable law; (ii) a severance payment of two times his base salary during the year of his termination to be paid in equal installments

EXECUTIVE COMPENSATION

over 24 months; (iii) fully vested shares with an aggregate grant date fair value of \$35 million consisting of shares of the applicable series of common stock from Liberty Media, Qurate Retail, Liberty TripAdvisor, GCI Liberty and us; (iv) full vesting of his upfront equity awards (including the grant and full vesting of the Maffei 2020 Term Options if the termination occurs before they have been granted) and full vesting of the annual equity awards for the year in which the termination occurs (including the grant and full vesting of such annual equity awards if the termination occurs before they have been granted); (v) lump sum cash payment of two times the average annual cash performance bonus paid for the two calendar years ending prior to the termination, but in no event less than two times his target annual cash performance bonus of \$17 million, with (subject to certain exceptions) up to 25% of such amount payable in shares of the applicable series of common stock from Liberty Media, Qurate Retail, Liberty TripAdvisor, GCI Liberty and us; (vi) a lump sum cash payment equal to the greater of (x) \$17 million and (y) the annual cash performance bonus otherwise payable for the year of termination, in each case, prorated based on the number of days elapsed within the year of termination (including the date of termination), with (subject to certain exceptions) up to 25% of such amount payable in shares of the applicable series of common stock from Liberty Media, Qurate Retail, Liberty TripAdvisor, GCI Liberty and us; and (vii) continued use for 12 months after such termination of certain services and perquisites provided by Liberty, including continued use of Liberty Media's aircraft (collectively, the **severance benefits**).

Termination at our Company by our Company without Cause or by Mr. Maffei for Good Reason. In addition, if Mr. Maffei's services at our company are terminated by us without cause (as defined in the 2019 Maffei Employment Agreement) or by Mr. Maffei for good reason (as defined in the 2019 Maffei Employment Agreement) after January 1, 2020, he will be entitled to full vesting of the upfront equity awards and the annual equity awards, in each case, granted by us for the year of his termination, and if Mr. Maffei remains employed by Liberty Media at or following the date of termination of his services to our company, he will also be entitled to payment of our allocated portion of the annual cash performance bonus for the year, prorated for the portion of the calendar year in which Mr. Maffei served as an officer of our company. Other than as described above, no severance benefits will be due to Mr. Maffei if he remains employed by Liberty Media at or following the date of termination of his services to our company.

Termination by Reason of Death or Disability. In the event of Mr. Maffei's death or disability, he will be entitled to the same payments and benefits as if his services to us had been terminated by us without cause or by Mr. Maffei for good reason.

For Cause Termination at our Company. In the event Mr. Maffei's services to our company are terminated by us for cause, he will forfeit any unvested portion of the upfront equity awards granted by us, and if the termination for cause occurs before December 31 of the relevant grant year, Mr. Maffei will forfeit our allocated portion of the annual cash performance bonus and all of the annual equity awards granted by our company for that grant year. If Mr. Maffei's services are terminated by our company (including for cause) after December 31 of the relevant grant year, but prior to the date on which our compensation committee certifies achievement of the performance metric for our performance-based restricted stock units for the grant year, the award will remain outstanding until such date and will vest to the extent determined by our compensation committee.

Voluntary Termination at our Company without Good Reason. If Mr. Maffei voluntarily terminates the services he provides to us without good reason on or after January 1, 2020, he will be entitled to pro rata vesting of the upfront equity awards granted by our company (based on the number of days that have elapsed from the grant date and a four-year vesting period). If such termination occurs on or after January 1, 2020, he will also be entitled to pro rata vesting of his annual equity awards for the year of termination granted by us (based on the elapsed number of days in the calendar year of termination) and a pro rata payment of our allocated portion of his annual cash performance bonus of \$17 million (based upon the elapsed number of days in the calendar year of termination). Any performance-based restricted stock units for the year of termination that are unvested on the date of termination will remain outstanding until the performance criteria are determined and will vest pro rata (based upon the elapsed number of days in the calendar year of termination) to the extent determined by our compensation committee (at a level not less than 100% of the target award). Other than as described above, no severance benefits will be due to Mr. Maffei if he remains employed by Liberty Media at or following the date of termination of his services to us.

Equity Incentive Plans

The 2019 incentive plan is designed, and prior to its expiration, the Liberty Broadband Corporation 2014 Omnibus Incentive Plan (amended and restated March 11, 2015) as amended (the **2014 incentive plan**) was designed, to provide additional remuneration to eligible officers and employees of our company, our nonemployee directors and independent contractors and employees of Liberty Media or Qurate Retail providing services to us and to

encourage their investment in our capital stock, thereby increasing their proprietary interest in our business. Non-qualified stock options, SARs, restricted shares, RSUs, cash awards, performance awards or any combination of the foregoing may be granted under the 2019 incentive plan (collectively, as used in this description of the 2019 incentive plan, **awards**). The maximum number of shares of our common stock with respect to which awards may be granted is 6,000,000 shares, subject to anti-dilution and other adjustment provisions of the 2019 incentive plan. No nonemployee director may be granted during any calendar year awards having a value (as determined on the grant date of such award) in excess of \$3 million. Shares of our common stock issuable pursuant to awards will be made available from either authorized but unissued shares or shares that have been issued but reacquired by our company, including shares purchased on the open market. The 2019 incentive plan is administered by the compensation committee with regard to all awards granted under the 2019 incentive plan (other than awards granted to the nonemployee directors which may be administered by our full board of directors or the compensation committee), and the compensation committee has full power and authority to determine the terms and conditions of such awards. The 2019 incentive plan is the only incentive plan under which awards will be made.

In connection with the Broadband Spin-Off, new equity incentive awards with respect to our common stock (**new Broadband awards**) were issued in connection with adjustments made to outstanding equity incentive awards with respect to shares of Liberty Media common stock which had been granted to various directors, officers and employees and consultants of Liberty Media and certain of its subsidiaries pursuant to the various stock incentive plans administered by the Liberty Media board of directors or the compensation committee thereof. These new Broadband awards were issued pursuant to the Liberty Broadband Corporation Transitional Stock Adjustment Plan (the **transitional plan**), which governs the terms and conditions of the new Broadband awards but cannot be used to make any additional grants following the Broadband Spin-Off.

Pay Ratio Information

We are providing the following information about the relationship of the median annual total compensation of our employees and the total compensation of Mr. Maffei, our chief executive officer on December 31, 2019, pursuant to the SEC's pay ratio disclosure rules set forth in Item 402(u) of Regulation S-K. We believe our pay ratio is a reasonable estimate calculated in a manner consistent with the SEC's pay ratio disclosure rules. However, because these rules provide flexibility in determining the methodology, assumptions and estimates used to determine pay ratios and the fact that workforce composition issues differ significantly between companies, our pay ratio may not be comparable to the pay ratios reported by other companies.

To identify our median employee, we first determined our employee population as of December 31, 2019, which consisted of employees located in the U.S. representing all full-time, part-time, seasonal and temporary employees employed by our company and our consolidated subsidiary, Skyhook Holding, Inc., on that date. Using information from our payroll records and Form W-2s, we then measured each employee's gross wages for calendar year 2019, consisting of base salary, commissions, actual bonus payments, long-term incentive cash payments, if any, realized equity award value and taxable fringe benefits. We did not annualize the compensation of employees who were new hires or took a leave of absence in 2019. Also, we did not annualize the compensation of our temporary or seasonal employees. In addition, we did not make any cost-of-living adjustments to the gross wages information.

We determined the median employee's total compensation for calendar year 2019, including any perquisites and other benefits, in the same manner that we determined the total compensation of our named executive officers for purposes of the Summary Compensation Table above. The ratio of our chief executive officer's total annual compensation to that of the median employee was as follows:

| | |
|---|--------------|
| Chief Executive Officer Total Annual Compensation | \$12,553,984 |
| Median Employee Total Annual Compensation | \$ 147,122 |
| Ratio of Chief Executive Officer to Median Employee Total Annual Compensation | 85:1 |

EXECUTIVE COMPENSATION

In connection with the execution of the 2019 Maffei Employment Agreement, Mr. Maffei received the Maffei 2019 Term Options. The Maffei 2019 Term Options, granted in December 2019, had an aggregate grant date fair value of \$8,338,747. Given that this grant was made outside of our normal, annual compensation practices, we have also included a ratio that eliminates from the total compensation the grant date fair value of the Maffei 2019 Term Options:

| | |
|--|-------------|
| Chief Executive Officer Total Annual Compensation (without Maffei 2019 Term Options) | \$4,215,237 |
| Median Employee Total Annual Compensation | \$ 147,122 |
| Ratio of Chief Executive Officer to Median Employee Total Annual Compensation | 29:1 |

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following table sets forth the potential payments to our named executive officers if their employment with our company had terminated or a change in control had occurred, in each case, as of December 31, 2019, other than Mr. Baer who resigned in September 2019. In the event of such a termination or change in control, the actual amounts may be different due to various factors. In addition, we may enter into new arrangements or modify these arrangements from time to time.

The amounts provided in the tables are based on the closing market price on December 31, 2019 for our Series C common stock, which was \$125.75. The value of the options shown in the table is based on the spread between the exercise price of the award and this closing market price.

The circumstances giving rise to these potential payments and a brief summary of the provisions governing their payout are described below and in the footnotes to the table (other than those described under “—Executive Compensation Arrangements,” which are incorporated by reference herein).

Voluntary Termination

Each of the named executive officers, other than Ms. Wilm, holds equity awards that were issued under the transitional plan. The 2014 Options and Maffei 2019 Options held by Mr. Maffei and the 2019 RSUs held by Messrs. Maffei, Wendling, Rosenthaler, Baer and Carleton were issued under the 2014 incentive plan. The Maffei 2019 Term Options, Wilm Options and Wilm 2019 RSUs were issued under the 2019 incentive plan. Under these plans and the related award agreements, in the event of a voluntary termination of his or her employment with our company for any reason, each named executive officer generally would only have a right to the equity grants that vested prior to his or her termination date. However, if Mr. Maffei had voluntarily terminated his employment as of December 31, 2019, his Maffei 2019 RSUs would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee. Additionally, vesting of 75% of the Baer 2019 RSUs was accelerated following Mr. Baer's departure from our company in September 2019, and the value realized upon such vesting is reflected in “—Option Exercises

and Stock Vested” above. Our named executive officers are not entitled to any severance payments or other benefits upon a voluntary termination of his or her employment for any reason. Other than as described above, no severance benefits would have been due to Mr. Maffei upon a voluntary termination during 2019. The foregoing discussion assumes that the named executive officers voluntarily terminated his or her respective employment without good reason. See “—Termination Without Cause or for Good Reason” below for a discussion of potential payments and benefits upon a named executive officer’s voluntary termination of his or her employment for good reason.

Termination for Cause

All outstanding equity grants constituting options, whether unvested or vested but not yet exercised, and unvested RSUs under the existing incentive plans would generally be forfeited by any named executive officer (other than Mr. Maffei in the case of equity grants constituting vested options or similar rights) who is terminated for “cause.” However, if Mr. Maffei’s employment had been terminated for cause as of December 31, 2019, his Maffei 2019 RSUs would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee. Unless there is a different definition in the applicable award agreement, each of the transitional plan, the 2014 incentive plan and the 2019 incentive plan define “cause” as insubordination, dishonesty, incompetence, moral turpitude, other misconduct of any kind and the refusal to perform duties and responsibilities for any reason other than illness or incapacity; *provided that*, if such termination is within 12 months after a change in control (as described below), “cause” means a felony conviction for fraud, misappropriation or embezzlement. With respect to Mr. Maffei’s equity grants, including the 2014 Options and the Maffei 2019 Term Options, “cause,” as defined in the award agreement, means (i) Mr. Maffei’s willful failure to follow the lawful instructions of the board of directors of our company; (ii) the commission by Mr. Maffei of any fraud, misappropriation or misconduct that causes demonstrable material injury to our company or its subsidiaries; (iii) Mr. Maffei’s conviction of, or plea of guilty or nolo contendere to, a felony; or (iv) Mr. Maffei’s failure to comply in any material respect with any written agreement between him and our company or any of our subsidiaries if such failure causes demonstrable material injury to our company or any of our subsidiaries, except that Mr. Maffei is entitled to certain procedural and cure rights relating to a termination for cause, except in the case of a termination for cause based on a felony conviction. Mr. Maffei has certain continuing rights under his award agreements, including for his 2014 Options, to exercise vested options following a termination for “cause.” See “—Executive Compensation Arrangements.”

Termination Without Cause or for Good Reason

Pursuant to the award agreements for the 2014 Options and Maffei 2019 Options, Mr. Maffei’s 2014 Options and Maffei 2019 Options would have remained outstanding and expire at the end of the term upon a termination of his employment by our company without cause or by him for good reason. As of December 31, 2019, Mr. Maffei’s unvested equity awards consisted of the Maffei 2019 Term Options and the Maffei 2019 RSUs. The Maffei 2019 Term Options would have been forfeited upon a termination of his employment without cause or for good reason as of December 31, 2019. If Mr. Maffei’s employment had been terminated by our company without cause or by him for good reason as of December 31, 2019, his Maffei 2019 RSUs would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee. Mr. Maffei would not have been entitled to any severance pay or other benefits from our company upon a termination without cause or for good reason, assuming a termination date as of December 31, 2019.

As of December 31, 2019, the only unvested equity awards of Messrs. Wendling, Rosenthaler and Carleton and Ms. Wilm were their 2019 RSUs and the Wilm Options. The 2019 RSUs held by these officers would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee if these officers had been terminated without cause as of December 31, 2019. The Wilm Options provide for vesting upon a termination of employment without cause of those options that would have vested during the 12-month period following the termination date if such person had remained an employee, plus a pro rata portion of the remaining unvested options based on the portion of the vesting period elapsed through the termination date. None of these officers is entitled to any severance pay or other benefits upon a termination without cause.

Death

In the event of death of any of the named executive officers as of December 31, 2019, the incentive plans and applicable award agreements would have provided for vesting in full of any outstanding options and unvested RSUs. See “—Executive Compensation Arrangements” above. None of the named executive officers would have been entitled to any severance pay or other benefits from our company if he or she had died while employed by our company, assuming a termination date as of December 31, 2019.

Disability

If the employment of any of the named executive officers had been terminated as of December 31, 2019 due to disability, which is defined in the incentive plans or applicable award agreements, such plans or agreements provide for vesting in full of any outstanding options and unvested RSUs. See “—Executive Compensation Arrangements” above. None of the named executive officers would have been entitled to any severance pay or other benefits from our company upon a termination due to disability, assuming a termination date as of December 31, 2019.

Change in Control

In case of a change in control, the incentive plans provide for vesting in full of any outstanding options (other than the Maffei 2019 Term Options) and unvested RSUs held by the named executive officers. A change in control is generally defined as:

- The acquisition by a non-exempt person (as defined in the incentive plans) of beneficial ownership of at least 20% of the combined voting power of the then outstanding shares of our company ordinarily having the right to vote in the election of directors, other than pursuant to a transaction approved by our board of directors.
- The individuals constituting our board of directors over any two consecutive years cease to constitute at least a majority of the board, subject to certain exceptions that permit the board to approve new members by approval of at least two-thirds of the remaining directors.
- Any merger, consolidation or binding share exchange that causes the persons who were common stockholders of our company immediately prior thereto to lose their proportionate interest in the common stock or voting power of the successor or to have less than a majority of the combined voting power of the then outstanding shares ordinarily having the right to vote in the election of directors, the sale of substantially all of the assets of the company or the dissolution of the company.

In the case of a change in control described in the last bullet point, our compensation committee may determine not to accelerate the existing equity awards of the named executive officers if equivalent awards will be substituted for the existing awards. For purposes of the tabular presentation below, we have assumed that our named executive officers' existing unvested equity awards, other than the Maffei 2019 Term Options, would vest in full in the case of a change in control described in the last bullet.

(1) Based on the number of vested options held by the named executive officer as of December 31, 2019. For more information, see the "Outstanding Equity Awards at Fiscal Year-End" table above.

(2) If Mr. Maffei's employment had been terminated by our company without cause or by him for good reason as of December 31, 2019, his 2014 Options and Maffei 2019 Options would have remained outstanding and expire at the end of the term, his Maffei 2019 Term Options would have been forfeited and his Maffei 2019 RSUs would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee.

(3) Based on the number of options, whether unvested or vested but not yet exercised, and unvested RSUs held by the named executive officer as of December 31, 2019. Also, if Mr. Maffei's employment had terminated due to death or disability as of December 31, 2019, his Maffei 2019 RSUs would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee. For more information, see the "Outstanding Equity Awards at Fiscal Year-End" table above.

(4) Based on (i) the number of 2014 Options and Maffei 2019 Options held by Mr. Maffei, (ii) the number of unvested 2019 RSUs held by Messrs. Maffei, Wendling, Rosenthaler and Carleton and Ms. Wilm and (iii) the number of unvested Wilm Options held by Ms. Wilm. Upon a change in control, we have assumed for purposes of the tabular presentation above that the 2019 RSUs and the Wilm Options would vest in full.

(5) If Mr. Maffei's employment had been terminated without good reason or for cause as of December 31, 2019, his Maffei 2019 RSUs would have remained outstanding until any performance criteria had been determined to have been met or not and would have vested to the extent determined by the compensation committee. Each of Messrs. Wendling, Rosenthaler and Carleton and Ms. Wilm would have forfeited his or her 2019 RSUs if his or her employment had been terminated without good reason or for cause as of December 31, 2019. Ms. Wilm would have forfeited her Wilm Options if her employment had been terminated by her without good reason or by the company for cause as of December 31, 2019.

(6) Based on (i) the number of unvested 2019 RSUs held by Messrs. Wendling, Rosenthaler and Carleton and Ms. Wilm at December 31, 2019 and (ii) the number of unvested Wilm Options that would have vested pursuant to the forward-vesting provisions in her award agreement if she had been terminated without cause at December 31, 2019. For more information see "the "Outstanding Equity Awards at Fiscal Year-End" table and above.

DIRECTOR COMPENSATION

NONEMPLOYEE DIRECTORS

Director Fees

Each of our directors who is not an employee of, or service provider to, our company is paid an annual fee of \$159,000 (which we refer to as the **director fee**) for 2020 (\$156,000 for 2019), of which fee each director was permitted to elect to receive 50%, 75% or 100% of such director fee in RSUs or options to purchase LBRDK, which will vest one year from the date of grant, with the remainder payable in cash. The awards issued to our directors with respect to their service on our board in 2019 were issued in December 2018. See “—Director RSU Grants” and “—Director Option Grants” below for information on the equity awards granted in 2019 to the nonemployee directors with respect to service on our board in 2020. Fees for service on our audit committee, compensation committee and nominating and corporate governance committee are the same for 2019 and 2020, with each member thereof receiving an additional annual fee of \$15,000, \$10,000 and \$10,000, respectively, for his or her participation on each such committee, except that the chairman of each such committee instead receives an additional annual fee of \$25,000, \$15,000 and \$15,000, respectively, for his participation on that committee. The cash portion of the director fees and the fees for participation on committees are payable quarterly in arrears.

Equity Incentive Plans

As discussed above, awards granted to our nonemployee directors under the 2019 incentive plan are currently administered by our full board of directors. Our board of directors has full power and authority to grant eligible persons the awards described below and to determine the terms and conditions under which any awards are made. The 2019 incentive plan is designed to provide additional remuneration to our nonemployee directors and independent contractors, among others, and to encourage their investment in our capital stock, thereby increasing their proprietary interest in our business. Our board of directors may grant non-qualified stock options, SARs, restricted shares, RSUs, cash awards, performance awards or any combination of the foregoing under the 2019 incentive plan.

As described above, in connection with the Broadband Spin-Off, our company’s board of directors adopted the transitional plan, which governs the terms and conditions of awards issued in the Broadband Spin-Off in connection with adjustments made to awards previously granted by Liberty Media with respect to its common stock.

Director RSU Grants

Pursuant to our director compensation policy described above and the 2019 incentive plan, on December 10, 2019, Dr. Green was granted RSUs with respect to 677 shares of LBRDK. The RSUs will vest on the first anniversary of the grant date, or on such earlier date that the grantee ceases to be a director because of death or disability and, unless our board of directors determines otherwise, will be forfeited if the grantee resigns or is removed from the board before the vesting date.

Director Option Grants

Pursuant to our director compensation policy described above and the 2019 incentive plan, on December 10, 2019, Mr. Wargo was granted options to purchase 5,289 LBRDK shares, and Mr. Welsh was granted options to purchase 2,645 LBRDK shares, at an exercise price equal to \$118.43, which was the closing price of such stock on the grant date. The options will become exercisable on the first anniversary of the grant date, or on such earlier date that the grantee ceases to be a director because of death or disability, and, unless our board determines otherwise, will be terminated without becoming exercisable if the grantee resigns or is removed from the board before the vesting date. Once vested, the options will remain exercisable until the seventh anniversary of the grant date, or, if earlier, until the first business day following the first anniversary of the date the grantee ceases to be a director.

Stock Ownership Guidelines

In March 2016, our board of directors adopted stock ownership guidelines that require each nonemployee director (other than Mr. Malone) to own shares of our company’s stock equal to at least 1.5 times the value of the nonemployee director fee. Nonemployee directors will have five years from the later of (i) the effective date of the guidelines and (ii) the nonemployee director’s initial appointment to our board to comply with these guidelines.

(3) The transitional plan was previously approved by our board of directors and our former parent company, Liberty Media, as sole stockholder, in connection with the Broadband Spin-Off. The transitional plan governs the terms and conditions of awards with respect to our company's common stock that were granted in connection with adjustments made to awards granted by Liberty Media with respect to its common stock. As a result, no further grants are permitted under this plan.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Under our Code of Business Conduct and Ethics and Corporate Governance Guidelines, if a director or executive officer has an actual or potential conflict of interest (which includes being a party to a proposed “related party transaction” (as defined by Item 404 of Regulation S-K)), the director or executive officer should promptly inform the person designated by our board to address such actual or potential conflicts. No related party transaction may be effected by our company without the approval of the audit committee of our board or another independent body of our board designated to address such actual or potential conflicts.
