### Liberty Broadband and GCI Liberty Announce Proposed Combination

ENGLEWOOD, Colorado, August 6, 2020 – Liberty Broadband Corporation (“Liberty Broadband”) (NASDAQ: LBRDA, LBRDK) and GCI Liberty, Inc. (“GCI Liberty”) (NASDAQ: GLIBA, GLIBP) announced today that they have entered into a definitive merger agreement under which Liberty Broadband has agreed to acquire GCI Liberty in a stock-for-stock merger (the “Combination”).

“This process was driven by independent special committees of Liberty Broadband and GCI Liberty and John Malone and I fully endorse the combination,” said Greg Maffei, Liberty Broadband and GCI Liberty President and CEO. “The transaction is financially attractive and beneficial for both companies.”

Liberty Broadband’s businesses consist of its interest in Charter Communications, Inc. (“Charter”) and its subsidiary Skyhook. Liberty Broadband also announced today that its Board of Directors increased its repurchase authorization by \$1 billion, bringing total authorization to \$1.2 billion.

GCI Liberty’s principal assets consist of its subsidiary GCI Holdings, LLC and non-controlling interests in Liberty Broadband, Charter Communications, Inc., and LendingTree, Inc.

Liberty Broadband and GCI Liberty believe the Combination will provide the following benefits to all shareholders:

- Generate savings on public company and overhead costs
- Simplify administrative and management complexity
- Aim to reduce trading discounts to underlying equities
- Improve flexibility for future strategic combinations

Liberty Broadband believes benefits of the Combination include:

- Issuing Liberty Broadband equity to take advantage of the more discounted GCI Liberty equity
- Accretive to NAV per share
- Acquiring an attractive incremental cable asset with synergy potential
- Additional operating asset with free cash flow provides potential for incremental share repurchase
- Strengthening trading liquidity in LBRDK

GCI Liberty believes the Combination will provide the following benefits:

- Tie GCI Liberty’s future to the more strategic Liberty Broadband
- Premium to the trading price
- Elimination of the “double-discount” through the LBRDK stake
- Ongoing participation in attractive Charter
- Elimination of corporate level tax on the LBRDK gain
- More liquid currency
- Larger, stronger balance sheet

Under the terms of the merger agreement:

- Each holder of GLIBA will receive 0.580 of a share of LBRDK
- Each holder of GLIBB will receive 0.580 of a share of LBRDB
- Each holder of GLIBP will receive one share of Liberty Broadband Cumulative Redeemable Preferred Stock (with mirror terms to the current GLIBP)
- Cash to be issued in lieu of fractional shares

At the closing of the Combination:

- Former holders of the GCI Liberty common stock are expected to own in the aggregate shares of LBRDK and LBRDB representing approximately 30.6% of the total number of outstanding Liberty Broadband common shares
  - Former holders of GLIBP will own in the aggregate all outstanding shares of Liberty Broadband Preferred Stock newly issued in the Combination
  - Former holders of GCI Liberty common stock and GLIBP are expected to own, in the aggregate, approximately 16.7% of the voting power of Liberty Broadband
-

The foregoing percentages are based on approximately 26.5 million shares of LBRDA, approximately 2.5 million shares of LBRDB and approximately 153.0 million shares of LBRDK outstanding as of July 15, 2020 and approximately 101.3 million shares of GLIBA and approximately 4.5 million shares of GLIBB outstanding as of April 30, 2020 and approximately 7.2 million shares of GLIBP outstanding as of March 31, 2020.

The companies expect the Combination to close in the first half of 2021, subject to potential COVID-19 related delays.

The Combination was recommended to the Liberty Broadband Board of Directors for approval by a special committee composed of independent, disinterested directors and advised by independent financial and legal advisors. The Combination was recommended to the GCI Liberty Board of Directors for approval by a special committee composed of independent, disinterested directors and advised by independent financial and legal advisors.

The closing of the Combination is subject to certain customary conditions, including:

- Adoption of the merger agreement by:
  - o Holders of a majority of the aggregate voting power of the GCI Liberty outstanding stock entitled to vote thereon
  - o Holders of a majority of the aggregate voting power of the GCI Liberty outstanding stock entitled to vote thereon not owned by John C. Malone and certain other persons
  - o Holders of a majority of the aggregate voting power of the Liberty Broadband outstanding stock entitled to vote thereon not owned by John C. Malone and certain other persons
- Approval of the Liberty Broadband stock issuance by holders of a majority of the aggregate voting power of the Liberty Broadband outstanding stock present in person or by proxy at the stockholder meeting and entitled to vote thereon
- The receipt of any applicable regulatory approvals

John C. Malone, the Chairman of the Board of Liberty Broadband and GCI Liberty, and certain related holders, agreed to vote shares beneficially owned by them, representing approximately 48.3% of the aggregate voting power of Liberty Broadband and approximately 27.0% of the aggregate voting power of GCI Liberty, in favor of the Combination.

In addition, Liberty Broadband entered into an exchange agreement with Mr. Malone pursuant to which he will waive the right to receive LBRDB in the Combination with respect to certain shares of GLIBB beneficially owned by him and will instead receive an equal number of LBRDK so that Mr. Malone's aggregate voting power at Liberty Broadband remains at approximately 49% at the closing of the Combination, which is equal to Mr. Malone's current voting power in Liberty Broadband. Following the closing, Mr. Malone would be able to exchange shares of LBRDK on a one-for-one basis for the waived shares of LBRDB in order to preserve his target voting power of approximately 49% (subject to adjustment for certain transfers by Mr. Malone) following the occurrence of certain voting dilution events and in certain circumstances, Mr. Malone will be required to transfer shares of LBRDB owned by him to Liberty Broadband in exchange for an equal number of shares of LBRDK in order to preserve the target voting power.
