Item 8.01. Other Events.

The following disclosure supplements the joint proxy statement/prospectus filed by GCI Liberty, Inc. (“GCI Liberty”) and Liberty Broadband Corporation (“Liberty Broadband”), in each case, filed with the Securities and Exchange Commission (the “SEC”) on October 30, 2020 (collectively, the “Joint Proxy Statement/Prospectus”) in connection with the solicitation of proxies by each company’s board of directors for each company’s respective Special Meeting of Stockholders described therein and any adjournment or postponement thereof. This supplemental information should be read together with the Joint Proxy Statement/Prospectus, which should be read in its entirety. Terms used in this filing and not otherwise defined herein have the meanings given to them in the Joint Proxy Statement/Prospectus.

On August 6, 2020, GCI Liberty and Liberty Broadband entered into the merger agreement under which Liberty Broadband agreed to acquire all of the outstanding shares of GCI Liberty in a stock-for-stock merger (the “Combination”). As further described below, the parties have determined to supplement the disclosures in the Joint Proxy Statement/Prospectus with the information below.

Litigation Relating to the Combination/Hollywood Firefighters’ Pension Fund, et al. v. GCI Liberty, Inc., et al.

Allegations

On October 9, 2020, a putative class action complaint was filed by two purported GCI Liberty stockholders in the Court of Chancery of the State of Delaware under the caption *Hollywood Firefighters’ Pension Fund, et al. v. GCI Liberty, Inc., et al.* On October 11, 2020, a new version of the complaint was filed, and the case has been assigned Case No. 2020-0880. The lawsuit names as defendants GCI Liberty, as well as the members of the GCI Liberty board of directors. The lawsuit alleges, among other things, that Mr. Gregory B. Maffei, a director and the President and Chief Executive Officer of Liberty Broadband and GCI Liberty, and Mr. John C. Malone, the Chairman of the Board of Directors of Liberty Broadband and GCI Liberty, in their purported capacities as controlling stockholders and directors of GCI Liberty, and the other directors of GCI Liberty, breached their fiduciary duties by approving the Combination. The lawsuit further alleges that the Combination violates Section 203 of the General Corporation Law of the State of Delaware (“DGCL”) and that the Joint Proxy Statement/Prospectus that was filed in connection with the Combination misstates and omits material information. The lawsuit also alleges that various prior and current relationships among members of the GCI Liberty special committee, Mr. Malone and Mr. Maffei render the members of the GCI Liberty special committee not independent. GCI Liberty and Liberty Broadband believe this lawsuit is without merit.

Stipulation and Proposed Order

The lawsuit seeks certification of a class action, declarations that Messrs. Maffei and Malone and the other directors of GCI Liberty breached their fiduciary duties and that the Combination violates Section 203 of the DGCL, an injunction barring the stockholder vote and the Combination, and the recovery of damages and other relief. On October 15, 2020, the plaintiffs filed a motion for expedited proceedings. On October 27, 2020, after a hearing, the Court granted the motion. On November 6, 2020, the Court entered an order setting a hearing on the plaintiffs’ motion for preliminary injunction for December 7, 2020.

On November 21, 2020, the plaintiffs and defendants filed a stipulation and proposed order (the “Agreed Stipulation and Order”) describing an agreement reached among them, including plaintiffs’ agreement to dismiss their claim that the Combination violates Section 203 of the DGCL as moot and to withdraw their motion for preliminary injunction in return for certain agreements by Mr. Malone and Mr. Maffei described below. The parties also requested the Court cancel the hearing on that motion scheduled for December 7, 2020, and stay further discovery pending the outcome of the stockholder vote on the Combination. For more information, see the section of the Joint Proxy Statement/Prospectus titled “Special Factors—Litigation Relating to the Combination.”

As part of the agreement reached among the parties to the lawsuit, Mr. Malone and Mr. Maffei each agreed that he will convert each outstanding share of GCI Liberty Series B common stock he beneficially owns immediately prior to the effective time into one share of GCI Liberty Series A common stock. As a result, Mr. Malone and Mr. Maffei will each be entitled to receive 0.580 of a share of non-voting Liberty Broadband Series C common stock for each such share of GCI Liberty Series A common stock beneficially owned prior to the Combination. Neither Mr. Malone nor Mr. Maffei will be entitled to receive any shares of Liberty Broadband Series B common stock in the Combination. Consequently, the Exchange Agreement entered into among Liberty Broadband, Mr. Malone and the JCM Trust will terminate by its terms at the effective time since none of Mr. Malone nor the JCM Trust will have the right to receive any shares of Liberty Broadband Series B common stock in the Combination. In addition, Mr. Maffei agreed that immediately following the exercise of any options to acquire Liberty Broadband Series B common stock that Mr. Maffei holds as a result of the Combination, he will exchange each share of Liberty Broadband Series B common stock issued upon such exercise for one share of non-voting Liberty Broadband Series C common stock. Mr. Maffei also agreed that this exchange obligation will remain in effect even if those options to acquire Liberty Broadband Series B common stock are transferred by him.

In addition, in connection with the execution of the Agreed Stipulation and Order, GCI Liberty has determined to provide the following supplemental disclosures:

Independence Considerations

From time to time, Mr. Maffei and Mr. Gregg L. Engles, a member of the GCI Liberty special committee, have socialized, travelled and played golf together. For example, in late January of 2020, Mr. Engles and his wife, and Mr. Maffei and his wife, were among a group of individuals who vacationed together at a property belonging to Mr. Maffei, which Mr. Engles and his wife, and Mr. Maffei and his wife, flew to together on a corporate aircraft, during which time they played golf together. Messrs. Maffei and Engles are both members of Cherry Hills Country Club in Cherry Hills Village, Colorado, and The Tower Club in Denver, Colorado. They both served on the Dartmouth College Board of Trustees for some of the same time, during which time Mr. Engles donated \$10 million to Dartmouth College and traveled with Mr. Maffei to and from the school on private aircraft owned by one or the other of them or their businesses. Messrs. Maffei and Engles also served together on the Dartmouth President’s Leadership Council and Campaign Executive Committee. In addition, Mr. Maffei previously made a donation of \$25,000 or less to a charitable event to support research for a genetic disorder that afflicts one of Mr. Engles’ family members, and at which Mr. Engles was honored.

On occasion, Mr. Maffei has socialized with Anthony J. Magro, Senior Managing Director of Evercore, which served as financial advisor to the GCI Liberty special committee in connection with the Combination. On one such occasion, Messrs. Maffei and Magro attended a Dartmouth alumni reunion weekend in Vail, Colorado in February 2020, during which Mr. Magro stayed at Mr. Maffei’s house in Vail.

During the summer of 2020, one of Mr. Maffei’s sons worked as an Investment Banking Summer Analyst at Evercore and received an offer to join Evercore as an employee after he graduates from college. Mr. Maffei’s son had no involvement with the proposed Combination.

Voting Power of Messrs. Malone and Maffei in Liberty Broadband immediately following the Combination

As a result of the Agreed Stipulation and Order described above, at the effective time, based solely on outstanding stock information for GCI Liberty capital stock and Liberty Broadband common stock as of September 30, 2020, and assuming exercise of options and other rights to acquire securities held by such persons and exercisable within 60 days after September 30, 2020, Mr. Malone is expected to beneficially own shares of Liberty Broadband capital stock representing approximately 45.8% of the outstanding voting power upon the effective time, and Mr. Maffei is expected to beneficially own shares of Liberty Broadband capital stock representing approximately 1.0% of the outstanding voting power upon the effective time. See “Pro Forma Security Ownership of Liberty Broadband Management” below for additional information regarding the expected ownership of Liberty Broadband capital stock by Liberty Broadband’s directors and executive officers at the effective time.

Equity Stake of GCI Liberty Stockholders in Liberty Broadband immediately following the Combination

As a result of the Agreed Stipulation and Order described above, at the effective time, based solely on their ownership of GCI Liberty capital stock and excluding any shares of Liberty Broadband common stock held by such stockholders prior to the Combination, former GCI Liberty stockholders (in the aggregate) are expected to receive in the Combination shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock representing approximately 36.1%, 3.9% and 100.0%, respectively, of the total number of outstanding shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, respectively, based on approximately 169.6 million, 2.5 million and 7.2 million shares of Liberty Broadband Series C common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, respectively, currently expected to be outstanding immediately following the effective time. As a result, former GCI Liberty stockholders (in the aggregate and excluding any shares of Liberty Broadband common stock held by such stockholders prior to the effective time) are expected to own shares of Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock representing approximately 6.2% of the aggregate voting power of outstanding shares of Liberty Broadband capital stock, based on approximately 26.5 million, 2.5 million and 7.2 million shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock and Liberty Broadband Preferred Stock, respectively, currently expected to be outstanding immediately following the effective time (calculated using the number of shares outstanding at Liberty Broadband and GCI Liberty as of September 30, 2020). Additionally, former GCI Liberty stockholders (in the aggregate and excluding any shares of Liberty Broadband common stock held by such stockholders prior to the effective time) are expected to own 33.3% of the outstanding Liberty Broadband capital stock currently expected to be outstanding immediately following the effective time.

Pro Forma Security Ownership of Liberty Broadband Management

The following table sets forth information with respect to the estimated ownership by each person who is expected to serve as an executive officer or director of Liberty Broadband and all of such persons as a group, of shares of Liberty Broadband Series A common stock, Liberty Broadband Series B common stock, Liberty Broadband Series C common stock and Liberty Broadband Preferred Stock, assuming that the effective time had occurred at 5:00 p.m., New York City time, on September 30, 2020. Shares of Liberty Broadband common stock issuable upon exercise or conversion of options, warrants and convertible securities that were exercisable or convertible on or within 60 days after September 30, 2020 (including GCI Liberty equity awards exercisable or convertible on or within 60 days after September 30, 2020 that are deemed converted into Liberty Broadband equity awards at the effective time, see the section of the Joint Proxy Statement/Prospectus titled “Special Factors—The Merger Agreement—Treatment of Equity Awards”) are deemed to be outstanding and to be beneficially owned by the person holding the options, warrants or convertible securities for the purpose of computing the percentage ownership of that person and for the aggregate percentage owned by the directors and executive officers as a group, but are not treated as outstanding for the purpose of computing the percentage ownership of any other individual person. In addition, the table below gives effect to the agreements contained in the Agreed Stipulation and Order.

For purposes of the following presentation, beneficial ownership of shares of Liberty Broadband Series B common stock, though convertible on a one-for-one basis into shares of Liberty Broadband Series A common stock, are reported as beneficial ownership of Liberty Broadband Series B common stock only, and not as beneficial ownership of Liberty Broadband Series A common stock.
