About Liberty Broadband Corporation

Liberty Broadband Corporation operates and owns interests in a broad range of communications businesses. Liberty Broadband's principal assets consist of its interest in Charter Communications and its subsidiary GCI. GCI is Alaska's largest communications provider, providing data, wireless, video, voice and managed services to consumer and business customers throughout Alaska and nationwide. GCI has delivered services over the past 40 years to some of the most remote communities and in some of the most challenging conditions in North America.
